DECLARATION OF EASEMENTS AND RESTRICTIVE COVENANTS

THIS DECLARATION OF EASEMENTS AND RESTRICTIVE COVENANTS ("**Declaration**") is entered into as of the ^{23rd} day of December, 2011, by 4 INDEPENDENCE, LLC, a Utah limited liability company ("**4 Independence**") and MT. JORDAN LIMITED PARTNERSHIP, a Utah limited partnership ("**Mt. Jordan**"). 4 Independence and Mt. Jordan are sometimes referred to herein individually as a "party" and collectively as "parties."

RECITALS

WHEREAS, 4 Independence and Mt. Jordan are parties to a certain Real Estate Purchase and Option Agreement dated November 21, 2011 (the "**Purchase Agreement**"), relating to the purchase by 4 Independence and sale by Mt. Jordan of approximately 298.75 acres of real property located in the City of Bluffdale, State of Utah, which property is more particularly described in Exhibit A attached hereto and incorporated herein (the "**Property**"); and

WHEREAS, the parties intend that all of the Property will be developed as an integrated, master planned development project; and

WHEREAS, 4 Independence has acquired a portion of the Property constituting approximately 21.3 acres, which property is more particularly described in Exhibit B attached hereto and incorporated herein (the "**First Parcel**"); and

WHEREAS, Mt. Jordan continues to own all of the remaining portions of the Property not comprising the First Parcel (the "**Remaining Property**"); and

WHEREAS, pursuant to the terms of the Purchase Agreement, and in connection with the closing of the First Parcel, the parties are to enter into a Declaration of Easements and Restrictive Covenants, pursuant to which the parties will grant "cross" access and utilities easements as may be reasonably necessary to ensure that the Property will be developed as a master planned development project and to ensure access rights and utilities easements for all of the Remaining Property; and

WHEREAS, this Declaration constitutes the Declaration of Easements and Restrictive Covenants contemplated in the Purchase Agreement.

DECLARATION

NOW, THEREFORE, in consideration of the mutual covenants and undertakings herein contained and other good and valuable consideration, the receipt and sufficiency of which are hereby mutually acknowledged, the parties hereto intending to be legally bound hereby, declare and agree as follows:

1. Easements and Covenants Concerning First Parcel. 4 Independence hereby declares, agrees and covenants as follows:

a. Easements. 4 Independence hereby grants and conveys to Mt. Jordan, and its successors and assigns as property owners of the Remaining Property, non-exclusive and perpetual easements to access and utilize (1) all main roadways constructed by 4 Independence upon the First Parcel, which main roadways may serve as primary and/or secondary access and egress to the Remaining Property, as well as temporary access and egress to or from the Remaining Property for construction and/or other related purposes, and (2) all major utility lines (including culinary water, sewer, storm drain, power, gas, telephone, and cable lines) constructed by 4 Independence upon the First Parcel, which utilities may service all or portions of the Remaining Property, as contemplated pursuant to development plans approved by Bluffdale City and/or other applicable public service providers from time to time. 4 Independence agrees to grant to Mt. Jordan similar easements over all Remaining Property purchased by 4 Independence from Mt. Jordan in the future pursuant to the Purchase Agreement. The easement granted pursuant hereto shall also include the right of Mt. Jordan to construct and install such roadways and utility lines on the First Parcel, provided (a) the roadways include two lanes and shall be constructed in the locations shown on the Conceptual Plans attached hereto and incorporated herein as Exhibit C, as the same may have been amended by mutual agreement of the parties, and (b) the roadways and utility lines shall be improved in accordance with plans and specifications approved by Bluffdale City, or the applicable governing body, and which plans and cost estimates shall also be approved by 4 Independence in writing (which approval shall not be unreasonably withheld, conditioned or delayed).

b. Expenses. 4 Independence shall use reasonable efforts to cause the main roadways and major utility lines constructed upon the First Parcel by 4 Independence to be dedicated as public roadways or utilities (subject to the consent of Bluffdale City or other governing body). Without limiting the foregoing, when 4 Independence develops the First Parcel, 4 Independence will allow Mt. Jordan, its successors and/or assigns, to connect to the main roadways and major utilities constructed upon the First Parcel free of any charge imposed by 4 Independence directly upon Mt. Jordan, provided that Mt. Jordan shall be solely obligated to pay connection, impact, tap-in, or other similar fees assessed by Bluffdale City or other public service provider, if any, relative to such roadways and/or utilities (which fees may be available for reimbursement to 4 Independence pursuant to one or more customary reimbursement agreements).

c. Integrated Development. In addition to the foregoing easements and covenants, 4 Independence agrees to use commercially reasonable efforts to create such easements and to plan and permit the construction of roadways and utilities of sufficient capacity upon the First Parcel as may be reasonably necessary to facilitate the efficient and full development of the Property, as an integrated, master planned development project, and to facilitate all of the

purposes referred to herein, including but not limited to, the construction of roadways and utilities within such easements, or construction easements with sufficient capacity.

2. Easements and Covenants Concerning First Parcel. Mt. Jordan hereby declares, agrees and covenants as follows:

a. Easements. Mt. Jordan hereby grants and conveys to 4 Independence, and its successors and assigns as property owners of the First Parcel, non-exclusive and perpetual easements to access and utilize (1) all main roadways constructed upon the Remaining Property, which main roadways may serve as primary and/or secondary access and egress to the First Parcel and/or portions of the Remaining Property, as well as temporary access and egress to or from the First Parcel and/or Remaining Property for construction and/or other related purposes, (2) all major utility lines (including culinary water, sewer, storm drain, power, gas, telephone, and cable lines) constructed upon the Remaining Property, and (3) the water well located upon the Remaining Property commonly referred to as "Well #4", which well is currently the well from which water associated with Water Right No. 57-3098 is drawn (the "Well Easement"). The exact location of the Well Easement shall be subject to the prior approval of Mt. Jordan, which approval shall not be unreasonably withheld. The easement granted pursuant hereto shall also include the right of 4 Independence to construct and install such roadways and utility lines on the Remaining Property, provided (a) the roadways include two lanes and shall be constructed in the locations shown on the Conceptual Plans attached hereto and incorporated herein as Exhibit C, as the same may have been amended by mutual agreement of the parties, and (b) the roadways and utility lines shall be improved in accordance with plans and specifications approved by Bluffdale City, or the applicable governing body, and which plans and cost estimates shall also be approved by 4 Independence in writing (which approval shall not be unreasonably withheld, conditioned or delayed). Furthermore, the parties agree that, upon the conveyance by Mt. Jordan to 4 Independence of the property upon which Well #4 is located, Mt. Jordan shall have the right to reserve an easement of substantially the same scope and nature to the Well Easement for its ongoing access to Well #4, provided that such access shall terminate upon the purchase by 4 Independence of all of Mt. Jordan's interest in Water Right No. 57-3098.

b. Expenses. Mt. Jordan shall use reasonable efforts to cause main roadways and major utility lines constructed by Mt. Jordan upon the Remaining Property, if any, to be dedicated as public roadways or utilities (subject to the consent of Bluffdale City or other governing body). Without limiting the foregoing, if and when Mt. Jordan develops any portion of the Remaining Property, Mt. Jordan will allow 4 Independence, its successors and/or assigns, to connect to the main roadways and major utilities constructed upon the Remaining Property free of any charge imposed by Mt. Jordan directly upon 4 Independence, provided that 4 Independence shall be solely obligated to pay connection, impact, tap-in, or other similar fees assessed by Bluffdale City or other public service provider, if any, relative to such roadways and/or utilities (which fees may be available for reimbursement to Mt. Jordan pursuant to one or more customary reimbursement agreements).

c. Integrated Development. In addition to the foregoing easements and covenants, Mt. Jordan agrees to use commercially reasonable efforts to create such easements and to permit the construction of roadways and utilities of sufficient capacity upon the Remaining Property as may be reasonably necessary to facilitate the efficient and full development of the Property, as an integrated, master planned development project, and to facilitate all of the purposes referred to

herein, including but not limited to, the construction of roadways and utilities within such easements, or construction easements with sufficient capacity.

3. Remedies and Enforcement. In the event of a default or threatened default by 4 Independence, Mt. Jordan, and/or such party's respective successors and/or assigns, of any of the terms, easements, covenants, conditions or restrictions hereof, the non-defaulting parties shall be entitled forthwith to full and adequate relief by injunction, and by all other available legal and equitable remedies, from the consequences of such breach, including payment of any amounts due and specific performance. The remedies specified herein shall be cumulative and in addition to all other remedies permitted at law or in equity. Notwithstanding the foregoing to the contrary, no default hereunder shall entitle either party to cancel, rescind, or otherwise terminate this Declaration.

4. Miscellaneous.

a. Attorneys' Fees. In the event a party institutes any legal action or proceeding for the enforcement of any right or obligation herein contained, the prevailing party after a final adjudication shall be entitled to recover its costs and reasonable attorneys fees incurred in the preparation and prosecution of such action or proceeding.

b. Amendment. The parties agree that the provisions of this Declaration may be modified or amended, in whole or in part, or terminated, only by the written consent of Mt. Jordan and 4 Independence, and/or their respective successors and assigns, evidenced by a document that has been fully executed and acknowledged by all such record owners and recorded in the official records of the Salt Lake County Recorder in the State of Utah.

c. No Agency, Partnership or Joint Venture. Nothing in this Declaration shall be deemed or construed by any person to create the relationship of principal and agent, or of limited or general partners, or of joint venturers, or of any other association between any of the parties.

d. No Waiver. No waiver of any default of any obligation by any party shall be implied from any omission by the other party to take any action with respect to such default.

e. Covenants to Run with Land. It is intended that each of the easements, covenants, conditions, restrictions, rights and obligations set forth herein shall run with the land and create equitable servitudes in favor of all properties benefited thereby, and shall bind every person having any fee, leasehold or other interest therein, and shall inure to the benefit of the parties and their respective successors, assigns, heirs, and personal representatives. Without limiting the generality of the foregoing, 4 Independence and Mt. Jordan hereby expressly acknowledge and agree that Zions First National Bank ("Zions Bank") is the current beneficiary under a certain Trust Deed, Assignment of Rents, Security Agreement and Fixture Filing dated July 19, 2006, recorded with the Salt Lake County Recorder on July 31, 2006, as Entry No. 9796533 in Book 9328 at Pages 7597, et seq. (the "Trust Deed"), which Trust Deed encumbers a portion of the Property, and that as such, said Trust Deed shall be deemed to encumber all easement rights and rights granted to Mt. Jordan hereunder (notwithstanding any reconveyance with respect to the sale of the First Parcel or the reconveyance of the Trust Deed as to any other portion of the Property given by Zions Bank) to the extent that such rights benefit any of such encumbered property, and that in the event of a foreclosure (or deed in lieu of foreclosure) by Zions Bank (or any successor in interest as beneficiary under the deed of trust) of all or any

portion of the encumbered Property, Zions Bank (or any successor or assign) shall automatically succeed to the easement rights and interests granted to Mt. Jordan hereunder, to the extent that such rights and interests benefit any of such foreclosed property.

f. Grantee's Acceptance. The grantee of any portion of the Property, or any portion thereof, by acceptance of a deed conveying title thereto or the execution of a contract for the purchase thereof, from an owner of such portion of the Property, shall accept such deed or contract upon and subject to each and all of the easements, covenants, conditions, restrictions, duties and obligations contained herein. By such acceptance, any such grantee shall for itself and its successors, assigns, heirs, and personal representatives, covenant, consent, and agree to and with the other affected persons, to keep, observe, comply with, and perform the obligations and agreements set forth herein with respect to the portion of the Property so acquired by such grantee.

g. Severability. Each provision of this Declaration and the application thereof to the Property are hereby declared to be independent of and severable from the remainder of this Declaration. If any provision contained herein shall be held to be invalid or to be unenforceable or not to run with the land, such holding shall not affect the validity or enforceability of the remainder of this Declaration. In the event the validity or enforceability of any provision of this Declaration is held to be dependent upon the existence of a specific legal description, the parties agree to promptly cause such legal description to be prepared. Ownership of all of the Property by the same person or entity shall not terminate this Declaration nor in any manner affect or impair the validity or enforceability of this Declaration.

h. Entire Agreement. Except for the agreements being entered into between or involving the parties referred to in this Declaration, this Declaration contains the complete understanding and agreement of the parties with respect to all matters referred to herein, and all prior representations, negotiations, and understandings are superseded hereby.

i. Governing Law. The laws of the State of Utah shall govern the interpretation, validity, performance, and enforcement of this Declaration.

j. Bankruptcy. In the event of any bankruptcy affecting any party hereto, this Declaration shall, to the maximum extent permitted by law, be considered an agreement that runs with the affected portion of the Property and that is not rejectable, in whole or in part, by the bankrupt debtor.

IN WITNESS WHEREOF, this Declaration of Easements and Restrictive Covenants is executed as of the date first above written.
