Additionally, culvert drainage openings are sized and designed to pass storm water under driveways and roads. These must be maintained by each lot owner and should be kept free from debris. Orifice plates are not to be modified. Should any lot owner fail to maintain the drainage swale, modify the swale to change its function or modify the culverts to change their function, the Association retains the right to access the property, do required maintenance, and invoice the Lot Owner accordingly.
- (c) Bridal paths are located along many of the Anderson Ranch lots. Use of the paths by equestrian or pedestrian users shall automatically indemnify the Association for any liability or accidents. - (e) All structures, facilities, equipment, objects and conditions determined by the ACC, in its sole discretion, to be offensive, shall be enclosed within an approved structure or appropriately screened from public view. All trash, debris, garbage and refuse shall be kept at all times in a covered container and all such containers shall be kept on a Lot within an enclosed structure or screened from public view.
- (f) All drainage easements and drainage swales shall be maintained as initially designed and constructed by the Project Engineer and approved by Grantsville.
- (g) Any event or condition on a Lot which, in the sole discretion of the ACC, creates an unsightly or blighting influence, shall be, in a manner satisfactory to the ACC, corrected, removed or screened from public view, as the case may be, by the Owner of the Lot, notwithstanding the fact that such event or condition may not be specifically described and/or prohibited in this Declaration.
- (h) In the event that any Owner shall permit any Improvement, including any landscaping, which is the responsibility of such Owner to maintain, to fall into disrepair so as to create a dangerous, unsafe, unsightly or unattractive condition, the Board and/or its assignees, upon thirty (30) days prior written notice to the Owner of such Lot, shall have the right to correct such condition, and to enter upon said Lot and into any building or structure thereon, if necessary, for the purpose of correcting or repairing the same, and such Owner shall promptly reimburse the Association for the cost thereof. The Owner of the offending Lot shall be personally liable, and such Owner's

Lot may be subject to a mechanic's lien for all costs and expenses incurred by the Association in taking such corrective action, plus all costs incurred in collecting the amounts due. Each Owner shall pay all amounts due for such work within ten (10) days after receipt of written demand therefor, or the amounts may, at the option of the Board, be levied as a Limited Assessment against said Lot and shall be enforceable in the same manner as other assessments set forth in the Articles of this Declaration.

SECTION 3.11. Mining and Drilling. No Lots shall be used for the purpose of mining, quarrying, oil, gas or other hydrocarbons, minerals, rocks, stones, gravel or earth; provided that the Declarant or the Association retains the right to drill for and extract water and Declarant or the Association may conduct excavation as required for any improvements.

SECTION 3.12. Boats, Campers and Other Vehicle. The parking or storage of commercial equipment, including, but not limited to, truck trailers or cabs, construction or excavation equipment, is prohibited. No conversion of a garage, which prohibits or limits the use of a garage for the parking or storage of the number of automobiles for which it is designed, shall be permitted. Parking on the lawn or unpaved portion of the Lot is prohibited. No inoperative vehicle shall be parked or stored at any time on a Lot unless wholly within an enclosed structure. A minimum of two (2) garage spaces shall be provided.

SECTION 3.13. Exterior Materials and Colors. Exteriors shall be 80% masonry material. The 80% is calculated by taking the square feet of all four elevations total - minus square feet of all doors and windows - times .80 = required minimum masonry. All exterior materials and colors shall be selected and used as approved by the ACC. All exterior finishes and/or colors shall be earthtone, provided that subtle blue and gray tones may also be permitted, as approved by the ACC. No gravel roofs shall be permitted. Roof pitch shall be no less than 6:12.

SECTION 3.14. External Energy Devices. No energy producing devices including, but not limited to, generators of any kind shall be constructed or maintained on any Lot without the prior written approval of the ACC, except for heat pumps or similar appliances shown on the plans approved by the ACC. Solar panel use and location shall not be permitted unless the ACC has provided written approval of size, placement, and nature of the installation.

SECTION 3.15. Signs. No commercial billboard or advertising shall be displayed to the public view on or from any Lot. Owners may advertise a dwelling unit and Lot for rent or for sale by displaying a single, neat, reasonable sized vacancy sign or "For Sale" sign. Signs advertising the name of the builder and the name of the institution providing financing therefor may be displayed on a Lot during construction of the Improvements. Moving or flashing signs for any purposes are prohibited. Directional signs may be used to give directions to traffic or pedestrians or give special instructions. The ACC may promulgate sign guidelines that would regulate project and builder signage.

SECTION 3.16, Subdividing. Except for Lot 134, no Lot which has been platted and approved as a final building or residential lot (whether for single-family buildings or otherwise) may be further subdivided, nor may any easement or other interest therein less than the whole be conveyed by the Owner thereof without the prior written consent of the ACC; provided, however, that nothing herein shall be deemed to prevent an Owner from transferring or selling any Lot to more than one person to be held by them as tenants in common, joint tenants, tenants by the entirety, or as community property, or require the approval of the ACC therefor. In addition, the conveyance of an insignificant portion(s) of a Lot to the Owner of the Lot which abuts said conveyed portion for the purpose of correcting a common boundary or other similar purpose, shall not be deemed to be a subdividing of a Lot within the prohibition contained herein.

SECTION 3.17. Fences. No fence, wall, hedge, high planting, obstruction or other visual or privacy barrier (hereafter collectively "fence") of any kind shall be constructed on a Lot unless the plans and specifications therefor, including the location, design material and color thereof have been approved in writing by the ACC prior to the construction or installation. OWNERS SHOULD NOT ORDER FENCE MATERIALS PRIOR TO ACC APPROVAL. All fences constructed on a Lot shall be in compliance with the applicable ordinances of the City of Grantsville and this Declaration.

All fences constructed on a Lot shall be subject to the following restrictions:

- (a) Fences shall not project beyond the front yard setback or the principal Building (whichever distance is greater) on the Lot. No fence higher than six feet (6') shall be allowed without the prior approval of the ACC.
- (b) Side yard or rear yard fences on corner lots shall be set back from the right-of-way a minimum of 10 feet with a landscaping area within the 10 foot fence set back. It is strongly encouraged that privacy between Lots be established by hedges, trees, shrubbery or other landscaping provided that the same complies with the intent of this Declaration and is approved by the ACC. Heavy foliage and fences are not allowed to interfere with the vision triangle of traffic.
- (c) All fences shall be constructed and installed and maintained in good appearance and condition at the expense of the Owner of the Lot on which they are located and all damaged fencing shall be repaired or replaced to original design, materials, and color within a reasonable time after said damage occurs.
- (d) No fence shall interfere with the use and enjoyment of any easement reserved in this Declaration or shown on the recorded subdivision plat of the Property.
- (e) All fences constructed or installed on the interior of a Lot, e.g. dog runs, swimming pools, etc., which are visible from an adjoining Lot or from a street within the Subdivision shall be subject to prior approval by the ACC.

- (f) Fences installed by the Declarant or the Association on or along Common Areas shall not be altered or modified by any Owner or Occupant in any manner other than for routine maintenance (including painting, repair and replacement). Owners and Occupants shall not install parallel fences to those installed by Declarant or the Association, behind or along the original fence installed by the Declarant or Association, unless specific approval is issued by the ACC.
- (g) Chain link fencing is not a permitted fence type. Exceptions may be granted by the ACC on a case-by-case basis where (1) such fence would be limited to a small area (such as a dog run), (2) where the chain link fence is not used as a perimeter fencing method and would not be open to public view. In all events, uses of chain link fencing must receive prior approval by the ACC in writing with respect to location and color.

SECTION 3.18. Landscaping. The following provisions shall govern the landscaping of Lots within the Subdivision:

- (a) The minimum landscaping requirements shall be as follows:
 - (1) Sod or hydroseed in the front yard and, two (2) trees of at least two inch (2") caliper in the front yard.
 - (2) All front yards shall be irrigated with an automatic underground sprinkler system.

SECTION 3.19. Addition of ACC Rules/ACC Standards. The Declarant, or in the event of the Declarant's failure to do so, the ACC, shall have the power to promulgate ACC Rules/ACC Standards relating to the planning, construction, alteration, modification, removal or destruction of Improvements within the Property deemed necessary or desirable by the Declarant, or the ACC, as the case may be, to carry out the purposes of this Declaration.

SECTION 3.20. Exemption of Declarant. Nothing herein contained shall limit the right of the Declarant to subdivide or re-subdivide any Lot or portion of the Property or to grant licenses, reservations, rights-of-way or easements with respect to Common Areas to utility companies, public agencies or others; or to complete excavation, grading and Development to or on any Lot or other portion of the Property owned or controlled by the Declarant or to alter the foregoing and its Development plans and designs, or construct additional Improvements as the Declarant deems advisable in the course of Development of the Subdivision. This Declaration shall not limit the right of the Declarant at any time prior to acquisition of title to a Lot by an Owner to establish on that Lot additional licenses, restrictions, reservations, rights-of-way and easements to itself, to utility companies and to others, as may from time to time be reasonably necessary. The Declarant need not seek or obtain ACC approval of any Improvements constructed or placed within the

Property by the Declarant in connection with the Development of the Subdivision, but this exemption shall not apply to a Building(s) constructed by the Declarant on a Lot owned by the Declarant. The Declarant shall be entitled to the non-exclusive use, without charge, of any Common Area within the Subdivision in connection with the marketing of the Lots therein.

ARTICLE IV- ANDERSON RANCH OWNERS ASSOCIATION

SECTION 4.01. Organization of Association. The Owners Association, Inc., shall be organized by the Declarant as a Utah non-profit corporation and shall be charged with the duties and vested with the powers prescribed by law and set forth in its Articles of Incorporation, its By-Laws and the Declaration. Neither said Articles nor said By-Laws shall, for any reason, be amended or otherwise changed or interpreted so as to be inconsistent with this Declarant.

SECTION 4.02. Members. Each Owner (including the Declarant) of a Lot by virtue of being such an Owner and for so long as such ownership is maintained shall be a Member of the Association and no Owner shall have more than one membership in the Association, but shall have such voting rights as hereafter set forth. A membership in the Association shall not be assignable, except to the successor-in-interest of the Owner and a membership in the Association shall be appurtenant to and inseparable from the Lot owned by such Owner. A membership in the Association shall not be transferred, pledged or alienated in any way except upon the transfer of title to said Lot and then only to the transferee of title to said Lot. Any attempt to make a prohibited transfer of a membership shall be void and shall not be reflected on the books of the Association.

SECTION 4.03. Voting. The Association shall have two (2) classes of voting membership:

CLASS A. Class A Members shall be all Owners of Lots within the Subdivision, with the exception of the Declarant, and shall be entitled to one (1) vote for each Lot owned.

CLASS B. Class B Members shall be the Declarant, and its successor(s) in title to a Lot(s), which Lot(s) is held by such successor in an unimproved condition (i.e., without a residential dwelling thereon) for resale to a builder or other person for the purpose of constructing thereon a residential dwelling, and to which successor the Declarant has specifically granted such Class B voting rights in writing; provided, that if such voting rights are not so granted, such successor shall be entitled to the voting rights of a Class A Member with respect to each Lot owned. Upon the first sale of a Lot to an Owner, the Declarant shall thereupon be entitled to five (5) votes for each Lot owned by the Declarant. The Class B membership shall cease and be converted to Class A membership when (i) the total votes outstanding in the Class A membership exceeds the total votes outstanding in the Class B membership, or (ii) January 1, 2017, whichever shall first occur.

In addition to individual Lots owned by the Declarant, the Declarant shall be granted the equivalent Class B voting rights of two (2) Lots per acre for all Property yet undeveloped (and Declarant-owned) in the Project.

The Association shall have all powers of a non-profit corporation organized under the laws of the State of Utah subject only to such limitations as are expressly set forth in the Articles, the By-Laws or this Declaration. - (a) Assessments. The power to levy Regular, Special and Limited Assessments on the Owners and/or Lots and to enforce payment thereof in accordance with the provisions of this Declaration.
- (b) Right of Enforcement. The power and authority from time to time in its own name, on its own behalf, or on behalf of any Owner(s) who consent thereto, to commence and maintain actions and suits to restrain and enjoin any breach or threatened breach of the Articles, By-Laws, Declaration or ACC Rules/ACC Standards, and to enforce by mandatory injunction or otherwise, all provisions thereof.

- (e) Association Rules. The power to adopt, amend, and repeal such rules and regulations as the Association deems reasonable. Such rules shall govern the use by Owners and Occupants or any other person of Common Areas and other property owned or controlled by the Association; provided, however, Association rules shall not discriminate among Owners and shall not be inconsistent with the Articles, By-Laws or this Declaration. A copy of Association rules as they may from time to time be adopted, amended or repeated, shall be mailed or otherwise delivered to each Owner and Occupant. Upon such mailings said Association rules shall have the same force and effect as if they were set forth in and were part of this Master Declaration. In the event of any conflict between an Association rule or any provision of the Articles, By-Laws or this Declaration, the conflicting provisions of the Association rules shall be deemed superseded to the extent of any such inconsistency.

- (f) Emergency Power. The Association, or any person authorized by the Association, may enter onto any Lot or into any Building or other structure on a Lot in the event of any emergency involving illness or potential danger to life or property or when necessary in connection with any maintenance or construction for which it is responsible. Such entry shall be made with as little inconvenience to the Occupants as practicable and any damage caused thereby shall be repaired by the Association unless said entry was necessitated by a condition caused by the Owner or Occupant.
- (g) Licenses, Easements and Right-of-Way. The power to grant and convey to any third party such licenses, easements, right-of-way or fee title in, on through, under or of the Common Areas as may be necessary or appropriate for the orderly maintenance, preservation and enjoyment thereof and for the preservation of health, safety, convenience and welfare of the Owners, for the purpose of constructing, erecting, operating or maintaining:

- (h) Fiscal Year. The Board shall have the right to elect a fiscal year for the Association instead of a calendar year for budget, Assessment and accounting purposes.

In addition, the Association shall pay all other taxes, federal, state or local, including income or corporate taxes, levied against the Association in the event that the Association is denied the status of a tax exempt corporation.

 - (iii) Full coverage directors and officers liability insurance in an amount determined by the Board.
 - (iv) Such other insurance, including workmen's compensation insurance to the extent necessary to comply with all applicable laws and indemnity, faithful performance, fidelity and other bonds as the Board shall deem necessary or required to carry out the Association's functions or to insure the Association against any loss from malfeasance or dishonesty of any person charged with the management or possession of any Association funds or other property.

- (c) Dedications. The right of the Association to dedicate or transfer all or any part of properties owned by it to any public agency, authority or utility for such purposes and subject to such conditions as may be agreed by the Board, so long as said transfer does not diminish the security of the Mortgagees on any Lot or Common Area in the Subdivision.
- (d) Mortgage or Conveyance of Common Area. ARTICLE VI – ASSESSMENTS

SECTION 6.01, Covenant to Pay Assessment. Each Owner hereby, and by acceptance of a deed to a Lot, covenants and agrees to pay when due all Regular, Special and Limited Assessments or charges made by the Association.

All such Assessments, together with interest, costs and reasonable attorney's fees which may be incurred in collecting the same, shall be a charge on the land and shall be a continuing lien upon the Lot against which each such Assessment is made, and shall be also the personal obligation of the Owner of such Lot at the time when the Assessment becomes due and payable, provided, however, that all such assessments shall be junior and subordinate to the lien of a First Mortgage or First Deed of Trust encumbering the Lot. The personal obligation for delinquent Assessments shall not pass to an Owner's successors in title unless expressly assumed by them. No Owner may waive or otherwise avoid liability for any Assessment by non-use of the Common Areas or by abandonment of his Lot.

SECTION 6.02, Regular Assessments. Regular Assessments shall be assessed on a calendar year basis unless otherwise determined by the Board. The Regular Assessments shall be based upon advance estimates of annual cash requirements as determined by the Board for the maintenance and operation of the Common Areas and all easement areas, if any, controlled by the Association and for the performance by the Association of its other duties and responsibilities. Such estimates may include, but shall not be limited to, expenses of management, administration and ACC activities, taxes and special assessments of local government units, premiums for all insurance which the Association is required or permitted to maintain hereunder, landscaping and care of grounds, lighting, water charges, trash collection, sewerage charges, repair and maintenance, legal and accounting fees, and any deficit remaining from previous periods and the creation of a reserve, surplus and/or sinking fund(s), and other expenses or obligations incurred or expected as they may be required by the Association in compliance with this Declaration.

The initial annual Regular Assessment for the calendar year during which the Declarant conveys fee title to a Lot to an owner shall be the amount of:

\$5.00 per Lot per month pro-rata for platted but unimproved Lots, conveyed from the Declarant to an individual or Builder.

\$10.00 per Lot per month pro-rata for developed lots (with infrastructure), without homes completed. A Lot will be considered "developed" when the Lot is eligible for building permit and the lot has been conveyed from the Declarant to an individual or Builder.

\$20.00 per Lot per month, pro rata with a completed home on lots less than one acre.

\$30.00 per Lot per month, pro rata on lots of one acre or larger.

3

SECTION 6.03, Special Assessments. In addition to Regular Assessments, the Association may levy at any time a Special Assessment payable over such period as the Board may deem appropriate for the following purposes:

- (a) To defray, in whole or in part, the cost of any construction or reconstruction of Improvements on a Common Area, unexpected repair or replacement of a Common Area or any facility located thereon or an easement area controlled by the Association, the furnishing of a special service or services (other than those appropriate for a Limited Assessment), or for any other expenses incurred or to be incurred as provided in this Declaration.
- (b) To cure a deficit in the common and ordinary expenses of the Association for which Regular Assessments for a given calendar or fiscal year are or will be inadequate to pay, as determined by the Board.

SECTION 6.04, Limited Assessments. In addition to Regular and Special Assessments, Owners shall pay Limited Assessments as follows:

- (a) **Maintenance and Repair.** The Association shall have the power to incur expenses for maintenance and repair of any Lot or any Improvements on a Lot, if such maintenance and repair is necessary, in the opinion of the Board, to protect the Common Area or any other portion of the Property, and if the Owner of said Lot has failed or refused to perform said maintenance or repair within a reasonable time after written notice of the necessity thereof has been delivered by the Board to said Owner. The Board shall levy a Limited Assessment against the Owner of the Lot owned by said Owner to pay for the cost of such maintenance and repair, and any other cost or expense, including attorneys' fees, arising out of or incident to such maintenance and repair and the Assessment therefor.
- (b) **Correction of Violations.** In addition to maintenance and repair, the Board, upon certification from the ACC of the failure or refusal of an Owner to correct a violation of this Declaration or the ACC Rules/ACC Standards, shall have the power to correct any such violation on a Lot or any Improvement on a Lot, and incur costs necessary in connection therewith. The cost of such corrective action, together with interest, related expenses and attorneys' fees shall be assessed and collected as set forth in this Declaration.
- (c) **Limited Purpose.** The Association shall have the power to levy a Limited Assessment against Owners and Lots for any limited special purpose which the Board believes necessary with respect to certain Lots but not an appropriate expense for payment by the Association. Such Limited Assessment shall not be made until the Owners of said Lots subject thereto have been given an opportunity, after notice, to participate in a hearing with respect to said Limited Assessment.

SECTION 6.05, Commencement of Regular Assessments. Regular Assessments of the Association against each Lot shall commence on the date the Declarant conveys title to the Lot, or Subdivided Lots, to an Owner. Nothing herein contained shall obligate the Declarant to pay any Assessment with respect to a Lot within a separately platted phase or subdivision within the Subdivision in which the Declarant owns all of the Lots.

SECTION 6.06, Assessment Due Date. The due dates for Regular, Special and Limited Assessments shall be the first day of the first month of the second calendar quarter, unless some other due date is established by the Board. Each installment of an Assessment shall be delinquent if not paid within fifteen (15) days after the due date thereof. Nothing herein contained shall prohibit the Board from requiring that Special or Limited Assessments be paid in a lump sum instead of installments.

SECTION 6.07, Interest and Penalties. Any Regular, Special or Limited Assessment levied by the Association on Lots, if not paid when due, shall bear interest at an annual rate as shall be set by the Board from time to time, or if none is so set, at an annual rate of twelve percent (12%). Such interest shall commence on the date the Assessment becomes due and payable. In addition to the interest charge the Board may, in accordance with rules and regulations promulgated by it, impose additional fines or charges for the failure of an Owner to timely pay any Assessment when due. The right of the Board to charge interest or impose additional fines or charges shall be in addition to, and not in lieu of, any other right of enforcement or sanction available to the Board in the event of non-payment of an Assessment.

ARTICLE VII – ENFORCEMENT OF ASSESSMENTS

SECTION 7.01, Right to Enforce. The right to collect and enforce payment of the Assessments made by the Association is vested in the Association. Each Owner of a Lot hereby agrees to the enforcement of the payment of all Assessments in the manner herein provided. In the event an attorney is employed for the collection of an Assessment, whether by suit or otherwise, or to enforce compliance with or specific performance of any of the terms and conditions of this Declaration, the Owner against whom such enforcement is sought shall pay reasonable attorney's fees in connection therewith.

SECTION 7.02, Creation of Assessment Liens. There is hereby created a continuing claim of lien with power of sale on each and every Lot to secure payment of any and all Assessments levied against any and all Lots in the Subdivision pursuant to this Declaration, together with interest thereon and all cost of collection which may be paid or incurred by the Association in connection therewith, including reasonable attorneys' fees. Said lien shall be prior and superior to all other liens or claims created subsequent to the recordation of this Declaration except only for: (i) valid tax and special assessment liens on Lots in favor of any governmental unit assessing authority; (ii) a lien for all sums unpaid and secured by a first Mortgage or first Deed of Trust, duly recorded in Tooele County, Utah, including all unpaid obligatory advances to be made pursuant thereto; and (iii) labor or materialman's liens, if the same are prior and superior by reason of applicable law.

All other lien holders acquiring liens on any Lot after recordation of this Declaration shall be deemed to consent that such liens shall be inferior liens to the lien for Assessment levied by the Association, whether or not such consent be specifically set forth in the instrument creating such other liens.

SECTION 7.03, Notice of Assessments. If any Owner fails to pay an Assessment within thirty (30) days of its due date, the Association shall prepare a written Notice of Assessment setting forth the type of Assessment, the amount of the Assessment, the due date thereof, including the amount and due date of installments (if the Same are permitted), the amount remaining unpaid at the time of filing, the name of the record Owner of the Lot and a legal description of the Lot. Such notice shall be recorded in the office of the Tooele County Recorder. At such time as a delinquent Assessment which is described in the Notice is paid, the Association shall prepare and record a Notice of Satisfaction with respect thereto.

SECTION 7.04, Enforcement. Upon the failure of an Owner to pay an Assessment in accordance with its terms, the lien for Assessment herein created may be enforced by sale by the Association, such sale to be conducted in the manner provided by law in Utah for the exercise of the power of sale in Deeds of Trust or in any other manner permitted by law elected by the Board. In any such foreclosure, the Owner shall be required to pay the costs and expenses of such proceedings, including all reasonable attorneys' fees. All such cost and expenses shall be secured by the lien being foreclosed. The Owner shall also be required to pay to the Association any Assessments against the Lot which shall become due during the period of foreclosure. The Association shall have the right and power to bid at the foreclosure sale or other legal sale and to acquire and thereafter hold, convey, lease rent, encumber, use and otherwise deal with and in said Lot as the Owner thereof.

SECTION 7.05, Notice Required. Notwithstanding anything to the contrary contained in this Declaration, no action may be brought to foreclose the lien for any Assessment, whether by power of sale or otherwise, until the expiration of thirty (30) days after written Notice of Default has been deposited in the United State mail, certified or registered mail, postage prepaid, return receipt requested, addressed to the Owner of the Lot described in such Notice at the last known address of the Owner as shown on the books and records of the Association. Said Notice shall specify the amount and due date of unpaid Assessment(s) and the legal description of the Lot.

SECTION 7.06, Reporting. The Association shall provide a Mortgagee with a copy of a Notice of Default served on an Owner under Section 9.05, above. The duty to give such Notice shall arise only after said Mortgagee furnishes to the Association written notice of a Mortgage (or Deed of Trust) which shall contain the following:

- (a) The name and address of said Mortgagee;
- (b) A legal description of the Lot subject to the lien of the Mortgage by Lot, Block and Subdivision;
- (c) The name and address of the Owner;

- (d) The date the lien of the Mortgage was filed of record in Tooele County, Utah, and the instrument number thereof;
- (e) The maturity date of the obligation secured by said Mortgage lien;
- (f) A copy of a title insurance report evidencing that the Mortgagee is the holder of a first Mortgage or the beneficiary of a first Deed of Trust;
- (g) The signature of the Mortgagee or authorized agent.

In the event the Association shall be required to notify a Mortgagee as herein provided, the Association shall assess the Owner who is delinquent the sum of \$25.00 as a reasonable charge for such notification and such charge shall be a cost of collection secured by the Assessment lien described in Section 9.02, above. The charge for such notification shall be subject to change by the Board.

SECTION 7.07, Term of Assessment. Unless sooner satisfied and released or the enforcement thereof initiated as provided in this Article, the lien for any Assessment levied under this Declaration or any applicable Supplemental Declaration shall expire and be of no further force or effect after a period of five (5) years from the latter of (i) the date of said Assessment, or (ii) the date the last installment thereof is due and payable. Provided that the expiration of the lien as provided herein shall not release an Owner from the personal obligation to pay any Assessment.

SECTION 7.08, Non-Exclusive Remedy. The remedies set forth in this Article or elsewhere in this Declaration shall not be deemed to be an exclusive remedy and the Association may pursue all other remedies available at law or in equity.

ARTICLE VIII – ARCHITECTURAL CONTROL COMMITTEE

SECTION 8.01, Members of the Committee. The Architectural Control Committee shall be comprised of a least three (3) persons, all of whom shall be appointed as herein provided. A member of the ACC shall hold office until he has resigned or has been removed, but in any event, until said Member's successor has been appointed. Member of the ACC may be removed at any time, with or without cause.

SECTION 8.02, Appointment. So long as the Declarant owns any Lot or parcel within the Property, the Grantor shall have the sole right to appoint and remove all members of the ACC. Thereafter, all members of the ACC shall be appointed or removed by the Board.

The ACC shall have the right by a resolution in writing unanimously adopted, to designate one (1) of its members to take any action or perform any duties for and on behalf of the ACC. In the absence of such designation, the vote of any two (2) members of the ACC shall constitute an act of the ACC.

SECTION 8.03, Compensation. The members of the ACC may receive compensation for services rendered upon execution of an agreement with the Board relative to such compensation, and may be reimbursed for actual expenses incurred by them in the performance of their duties hereunder.

SECTION 8.04, Non-Liability. Neither the ACC, or any member thereof, or the Declarant or any partner officer, employee, agent, successor or assign thereof, shall be liable to the Association, any Owner or any other person for any loss, damage or injury arising out of or connected with the performance by the ACC of its duties and responsibilities by reason of a mistake in judgement, negligence or nonfeasance arising out of or in connection with the approval or disapproval or failure to approve an application. Every person who submits an application to the ACC for approval of plans and specifications agrees, by submission of such an application, and every officer, partner, employee, agent, successor or assign thereof to recover such damages.

SECTION 8.05, Approval Required. No construction, alteration, modification, removal or destruction of any Improvements of any nature whatsoever, whether real or personal in nature, shall be initiated or be permitted to continue or exist within the Subdivision without the prior express written approval of the ACC.

SECTION 8.06, Variances. The ACC may authorize variances from compliance with the requirements of any conditions and restrictions contained in this Declaration, the ACC Rules/Acc Standards, or any prior approval when, in the sole discretion of the ACC, circumstances such as topography, natural obstructions, aesthetics or environmental considerations or hardship may so require. Such variances must be evidenced in a writing signed by at least two (2) members of the ACC.

If a variance is granted as provided herein, no violation of this Declaration, ACC Rules/ACC Standard or prior approval shall be deemed to have occurred with respect to the matter for which the variance was granted. The granting of such a variance shall not operate to waive any of the terms and provisions of this Declaration or the ACC Rules/ACC Standards for any purpose except as to the particular subject matter of the variance thereof and the specific Lot covered thereby.

The ACC shall have the right to consider and grant a variance provided either with or without notice to other Owners or a hearing of Owners thereon.

The granting of a variance by the ACC pursuant to this Section shall not relieve the Owner from the obligation to fully comply with the applicable ordinances of the City of Grantsville.

SECTION 8.07, Application. To request ACC approval for the construction, alteration, modification, removal or demolition of any Improvements within the Property, the Owner shall submit a written application in a form required by the ACC which must be signed by the Owner and contain all information requested and be accompanied by all other material to be submitted as hereafter provided.

All applications must contain, or have submitted therewith, two (2) copies of each of the following (collectively called "plans and specifications") prepared in accordance with acceptable architectural standards and submitted with the application form, if any, approved by the ACC:

- (a) Site Plan: A site plan showing the location of the Building(s) and all other structures and Improvements including fences and walls on the Lot, Lot drainage and all set backs, curb cuts, driveways, parking areas and other pertinent information relating to the Improvements, at a scale no smaller than 1" = 200'.
- (b) Building Plan: A building plot plan at a scale no less than 1" = 20'. Building elevation drawings of the North, South, East and West sides, and detailed specifications which shall indicate, by sample if required by the ACC, all exterior colors, materials and finishes, including roof to be used.
- (c) Landscape Plan: A landscape plan or affidavit that the minimum landscape standards are being met.

The ACC may, in its discretion, require the Owner to furnish additional specifications, drawings, material samples or such other information as the ACC, in its sole discretion reasonably exercised, shall deem necessary or convenient for the purpose of assisting the ACC in reviewing and processing the application.

SECTION 8.08, Decision. In reviewing the application and the materials submitted therewith and in reaching a decision thereon, the ACC shall use its best efforts and judgement to assure that all Improvements shall produce and contribute to an orderly and aesthetically complementary design and appearance and be of the quality required to maintain the Subdivision as a quality residential development.

Unless extended by mutual consent of the Owner and the ACC, the ACC shall render its decision with respect to an application within thirty (30) days after the receipt of a properly submitted and complete application. The decision of the ACC can be in the form of an approval, a conditional approval or denial.

The decision of the ACC shall be in writing, signed by a member of the ACC, dated, and a copy thereof mailed to the Owner at the address shown on the application.

A conditional approval shall set forth with particularity the conditions upon which the application is approved and the Owner shall be required to affix a copy of said conditions to the working drawings or blueprints which are to be kept on the job site during the entire course of the work to which said plans relate.

A denial of an application shall state with particularity the reasons for such denial.

SECTION 8.09, Inspection and Complaints. The ACC is empowered to inspect all work in progress on any Lot at any time. Such inspection shall be for the purpose of determining whether the Owner is proceeding in accordance with the approved application or is deviating there from or is violating this Declaration or the ACC Rules/ACC Standards or the approved plans and specifications.

Each owner or builder shall instruct their respective workers and employees to follow construction only per ACC approved plans. Any modifications or deviations from approved plans must be reapproved by the ACC prior to installation.

SECTION 8.10, Hearing. An Owner submitting an application under Section 11.07, above, or served with a written notice of deviation or violation, shall have the right to request and be heard at a hearing held by the ACC for the purpose of presenting facts and information to the ACC. Such hearing must be requested by such party within ten (10) days from the date the written notice of the decision of the ACC is mailed to the Owner as evidenced by the records of the ACC. The hearing shall be held within ten (10) days following receipt by the ACC of the request for a hearing, unless the ACC shall extend said period of time because of the unavailability of ACC members. A hearing may be continued by the ACC for the purpose of further investigation or to receive additional evidence. Upon completion of the hearing, the ACC shall issue a written opinion to the involved parties within ten (10) business days thereafter which opinion shall set forth the findings of the ACC with respect to the matters at issue and shall affirm, modify or rescind its previous decision as contained in the original written notice. If the ACC incurs any costs or expenses in connection with the investigation, processing or hearing on a matter involving a deviation or violation, including the costs of retaining a consultant(s) to advise the ACC and legal fees, such costs shall be paid by the Complaint unless an Owner is found to be in violation in which event such Owner shall pay all costs. The payment of such costs shall be enforceable as provided in this Declaration.

SECTION 8.11, Appeal. An Owner shall have the right to appeal to the Board a decision of the ACC on an application with respect to the conditions imposed thereon or a denial thereof, or a decision of the ACC adverse to the Owner reached following a hearing held pursuant to Section 11.10, above, provided, however, that an Owner shall be entitled to such an appeal with respect to deviations or violations unless said Owner or their authorized representatives, have participated in the ACC hearing.

A notice of appeal shall be in writing and shall be delivered by mail to the Secretary of the Board within ten (10) days from the date of the decision by the ACC. Said notice of appeal shall be dated and shall contain the name of the Owner and a copy of the written decision or determination of the ACC. The failure of an Owner to appeal a decision of the ACC in the manner and within the time herein provided shall terminate all rights of said Owner to appeal said decision and it shall be binding and enforceable.

The Board shall fix a date for the hearing of such an appeal which date shall be no later than ten (10) days from the date of receipt of a notice of appeal unless extended by the Board because of the unavailability of Board members. The Owner shall be advised of the time and place of the hearing by a mailed written notice. Written notice of time and place for hearing shall also be served by mail upon each member of the ACC.

The Board may require the Owner to provide additional information to facilitate the Board's decision and the failure of such party to comply promptly with such a request shall entitle the Board to deny the appeal, in which event the decision by the ACC shall be considered final and not subject to further appeal. At the hearing the Owner, and the ACC, together with their representatives and other witnesses, shall present their position to the Board. The order of presentation and the evidence to be admitted shall be solely within the Discretion of the Board provided, however, that the Owner, and the ACC shall have the opportunity to question and cross-examine witnesses presented by the other. The Owner, and the ACC will have the opportunity to present final argument consistent with rules adopted by the Board for such hearing process. Any party may be represented by an attorney at any hearing by the ACC or Board.

Upon receiving all of the evidence, oral and documentary, and following the conclusion of the hearing, the Board shall retire to deliberate and shall reconvene at a time and place determined by the Board, at which time the Board shall cast its official ballot and the decision shall be duly recorded in the minutes of the meeting. The Owner, and the ACC members shall be given written notice of the decision which shall be deemed given when deposited in the United States mail, postage prepaid and properly addressed.

If the Board incurs any costs or expenses in connection with the investigation, processing or hearing on an appeal, including the costs of retaining a consultant(s) to advise the Board and legal fees, such costs shall be paid by the party(s) filing the appeal unless the decision by the Board constitutes a substantial reversal of the decision of the ACC, in which event such costs shall be paid by the Association. If the party filing the appeal is obligated to pay such costs, payment of the same shall be enforceable as provided below.

A decision of the Board of an appeal shall be final and shall not be subject to reconsideration or further appeal.

SECTION 8.12, Enforcement. The ACC, upon approval by the Board, shall be authorized on behalf and in the name of the Association to commence such legal or equitable proceedings as are determined by it to be necessary or proper to correct or enjoin any activity or condition existing within the Property, the continuation of which violates the provisions of the Declaration, the ACC Rules/ACC Standards or the approved plans and specifications.

The ACC shall not commence such legal or equitable proceedings until a written notice of the deviation or violation has been appropriately prepared and given to the Owner but thereafter the ACC shall have the sole discretion to commence such proceedings.

The authority of the ACC as herein provided shall include the power to retain legal counsel and expert witnesses, pay filing fees, deposition costs, witness fees and all other ordinary and necessary expenses incurred in commencing and carrying out said legal or equitable proceedings, all of which costs shall be paid by the Association.

The authority of the ACC as herein provided shall include the power to retain legal counsel and expert witnesses, pay filing fees, deposition costs, witness fees and all other ordinary and necessary expenses incurred in commencing and carrying out said legal or equitable proceedings, all of which costs shall have the sole discretion to commence such proceedings.

In the event the ACC and/or Association shall prevail in any such legal or equitable proceedings, the Board may elect to require that all costs and expenses incurred in connection therewith including, but not limited to, attorneys' fees shall be reimbursed to the Association by the Owner against whom said proceedings are filed and upon the failure of said Owner to reimburse the Association within five (5) days after written demand therefor is mailed to the Owner, the Association shall have the right to levy a Limited Assessment against the Owner and the Lot owned by the Owner which Assessment shall be equal to said costs and expenses incurred plus any additional costs and expenses incurred in levying the Assessment. Said Limited Assessment shall be due and payable at such time or in such installments as may be determined by the Board, in its sole discretion. The failure of the Owner to pay said assessments or any installment thereof when due, shall be enforceable in the manner provided in this Declaration.

SECTION 8.13, Additional Damages. In addition to the costs and expenses to be reimbursed by the Owner, all other costs, expenses and damages determined by the Board to be proximately caused by the deviation or violation or the costs and expenses incurred by the Association to correct the same shall be assessed as a Limited Assessment against the Owner and the Lot owned by said Owner, which Limited Assessment shall be due and payable at such time or in such installments as determined by the Board, in its sole discretion.

SECTION 8.14, Non-Exclusive Remedy. The right of the Association to levy a Limited Assessment as described in Sections 11.12 and 11.13, above, shall be deemed to be an exclusive remedy of the Association and it may, in its sole discretion, without waiver of any other legal or equitable remedy, pursue enforcement of the lien of said Limited Assessment(s), proceed to collect any amount due directly from the Owner and/or pursue any other remedies available at law or in equity.

SECTION 8.15, Private Rights. The Association shall not have the right to mediate or litigate private disputes between Owners where there is a legal or equitable remedy available to resolve said dispute when, in the sole discretion of the Board, the interests of the Association or a substantial number of the Owners would not be benefited thereby.
