3. the immediate and continuing right to collect and receive all of the rentals, room rates, rents, income, receipts, revenues, issues and profits now due or which may become due, or to which Assignor may now or shall hereafter (including during the period of redemption, if any) become entitled or may demand or claim, arising or issuing from or out of the Leases or Guaranties or from or out of the Mortgaged Property, or any part thereof, including but not limited to minimum rents, additional rents, percentage rents, common area maintenance charges, parking charges, tax and insurance premium contributions, and liquidated damages following default, the premium payable by any Lessee under any Lease upon the exercise of any cancellation privilege provided for in any of the Leases, payments from any Guarantor and all proceeds payable under any policy of insurance covering loss of rents resulting from untenability caused by destruction or damage to the Mortgaged Property, together with any and all rights and claims of any kind which Assignor may have against any Lessee or Guarantor in connection with the Leases or against any subtenants, occupants or users of the Mortgaged Property, all such monies, rights and claims in this paragraph described being hereinafter referred to as the "Rents".

To induce Assignee to lend the funds evidenced by the Note, Assignor hereby makes the following REPRESENTATIONS AND WARRANTIES, jointly and severally:

That Assignor has good title to the Leases, Guaranties and Rents hereby assigned and good right to assign the same, and that no other person, corporation or entity has any right, title or interest to the lessor's interest therein; that Assignor has duly and punctually performed all and singular the terms, covenants, conditions and warranties of the existing Leases on Assignor's part to be kept, observed and performed the failure of which would adversely affect Assignor; that Assignor has not previously sold, assigned, transferred, mortgaged or pledged the Leases, Guaranties or the Rents, whether now due or hereafter to become due; that any of the Rents due for any period subsequent to the date hereof have not been collected more than one month in advance and that payment of any of the Rents has not otherwise been anticipated, waived, released, discounted, set off or otherwise discharged or compromised except in the ordinary course of business; that Assignor has not received any funds or deposits from any Lessee in excess of one (1) month's rent for which credit has not already been made on account of accrued rents; and that to Assignor's knowledge the lessee under

any existing Lease is not in default of any of the terms thereof except as otherwise previously disclosed in writing to Assignee.

Assignor further COVENANTS AND AGREES, jointly and severally:

1. to observe, perform and discharge all material obligations, covenants and warranties provided for under the terms of the Leases and Guaranties to be kept, observed and performed by Assignor, the failure of which would adversely affect Assignor, and to give prompt notice to Assignee in the event Assignor fails to observe, perform and discharge same;

2. upon written request of Assignee, to notify in writing each Lessee, any Guarantor of any such Lessee and any occupant of such leased premises in the Mortgaged Property or any part thereof that any security deposits or other deposits heretofore delivered to Assignor have been retained by Assignor or assigned and delivered to Assignee as the case may be;

3. to enforce or secure, in the name of the Assignee if Assignee should so request, the performance of each and every material obligation, term, covenant, condition and agreement to be performed the failure of which would adversely affect Assignor by (a) any Lessee under the terms of the Leases and (b) any Guarantor under the terms of the Guaranties;

4. to appear in and defend any action or proceeding arising under, occurring out of, or in any manner connected with the Leases, the Guaranties or the obligations, duties or liabilities of Assignor and any Lessee thereunder, and, upon request by Assignee, to do so in the name and on behalf of Assignee but at the expense of the Assignor, and to pay all costs and expenses of Assignee, including reasonable attorneys' fees, in any action or proceeding in which the Assignee may appear;

5. except in good faith and the ordinary course of business with tenants who are not affiliated with Assignor, not to receive or collect any Rents from any present or future Lessee of the Mortgaged Property or any part thereof or from any Guarantor for a period of more than one (1) month in advance, or pledge, transfer, mortgage or otherwise encumber or assign future payments of the Rents;

6. except to the extent such action is not in violation of the Deed of Trust or in good faith and the ordinary course of business with tenants who are not affiliated with Assignor, not to waive, excuse, condone, discount, set off, compromise, or in any manner release or discharge any Guarantor or Lessee of the Mortgaged Property of and from any obligations, covenants, conditions and agreements by said Lessee or Guarantor to be kept, observed and performed, including the obligation to pay rent in the manner and at the place and time specified in any Lease;

7. except to the extent such action is not in violation of the Deed of Trust, not to enter into any new Lease or Guaranty (other than residential leases made in good faith and the ordinary course of business to persons that are not affiliated in any way with Assignor and are for a term of not more than twelve (12) months including all renewal options that are in a form and

substance in accordance in all material respects with a standard form of such residential lease and guaranties of such residential leases the form and substance of which is approved in advance in writing by Assignee) nor, except in good faith and the ordinary course of business to persons that are not affiliated in any way with Assignor, and, except to the extent such action is not in violation of the Deed of Trust, not to cancel, terminate or consent to any surrender of any Lease or any Guaranty thereof, or, except in good faith and the ordinary course of business with persons that are not affiliated in any way with Assignor, or to modify or in any way alter the terms of any Lease or any Guaranty, without, in each such instance, the prior written consent of Assignee, which consent shall not be unreasonably withheld, conditioned or delayed;

8. within five (5) business days after written request by Assignee, to notify each Lessee, Guarantor and occupant of the Mortgaged Property under a Lease in writing of the rights granted to Assignee hereunder, and, immediately upon receipt of demand from Assignee, to direct, in writing, each Lessee, Guarantor and occupant of the Mortgaged Property under a Lease to pay all Rents then due or to become due from such Lessee, Guarantor; and/or occupant directly to Assignee upon such Lessee's, Guarantor's or occupant's receipt of written notice from Assignee of Assignee's exercise of Assignee's rights under this Assignment;

9. to provide Assignee with copies of all notices, complaints, demands and petitions regarding (a) any actual, potential, alleged, material default outside of the ordinary course of business, on the part of the landlord or the tenant under all Leases or (b) any Hazardous Materials, as such term is defined in the Mortgage, sent or received by Assignor immediately upon Assignor's sending same or within five (5) days of Assignor's receipt of same, as applicable; and

10. to promptly remit to Assignee any and all Rents received by Assignor after Assignor's receipt from Assignee of termination of Assignor's license to collect Rents granted herein.

So long as no Event of Default (as defined under any Loan Document) shall have occurred, Assignor shall have the right under a license granted hereby (but limited as provided in the following paragraphs) to collect, receive, retain, use and disburse, but not prior to accrual, all of the Rents arising from or out of the Leases or the Mortgaged Property.

Upon the occurrence of an Event of Default, Assignee, at its option, shall have the right, power and authority to exercise and enforce any or all of the following rights and remedies: (a) to terminate the license hereby granted to Assignor to collect the Rents as aforesaid, and, without taking possession of the Mortgaged Property, to, in Assignee's own name, demand, collect, receive, sue for, attach and levy the Rents, to give proper receipts, releases and acquittances therefor, and, after deducting all necessary and reasonable costs and expenses of collection, including reasonable attorney's fees, to apply the net proceeds thereof, together with any funds of Assignor deposited with Assignee, upon any indebtedness secured hereby or obligation provided for in any of the Loan Documents and in such order as Assignee may determine; (b) to declare all sums secured hereby immediately due and payable and, at Assignee's option, to exercise all of the rights and remedies

provided for in the Loan Documents or under the terms hereof; and (c) without any action or proceeding, through any person or by agent, or by the trustee(s) or successor trustee under the Deed of Trust, or by a receiver to be appointed by a court, to enter upon, take possession of, manage and operate the Mortgaged Property or any part thereof, and irrespective of Assignor's possession of the Mortgaged Property, to make, modify, enforce, cancel or accept surrender of any of the Leases and Guaranties, to remove and evict any Lessee or other occupant (to the extent permitted by applicable law and the terms of the applicable Lease), to increase or reduce rents, to decorate, clean and make repairs, and to otherwise do any act or incur any cost or expenses Assignee shall deem proper to protect the Leases, Guaranties and the Mortgaged Property, as fully and to the same extent as Assignor could do if in possession, and in such event to apply any funds so collected to the operation and management of the Mortgaged Property, but in such order as Assignee shall deem proper, and including payment of reasonable management, brokerage and attorney's fees, and then, to the extent funds are available and to the extent deemed appropriate by Assignee, to the maintenance, without interest thereon, of a reserve for replacement of items on the Mortgaged Property, and then, if any of such funds remain, to the payment of any outstanding indebtedness evidencing, securing or relating to the terms of the Loan Documents.

The exercise by Assignee of any of the rights and remedies described above, including collection of the Rents and application thereof as aforesaid and/or the entry upon and taking possession of the Mortgaged Property, shall not cure or waive any Event of Default or waive, modify or affect any notice of default under the Loan Documents or hereunder, or invalidate any act done pursuant to such notice, and the enforcement of such right or remedy by Assignee, once exercised, shall continue for so long as Assignee shall elect, notwithstanding that the collection and application as aforesaid of the Rents may have cured the original Event of Default. If Assignee shall thereafter elect to discontinue the exercise of any such right or remedy, the same or any other right or remedy hereunder may be reasserted at any time and from time to time and from time to time following any subsequent Event of Default.

Notwithstanding the aforesaid license of Assignor to collect the Rents accruing under the Leases prior to an Event of Default, Assignee shall at all times be the creditor of each Lessee under the Leases and Guaranties in respect of assignments for the benefit of creditors, bankruptcy, reorganization, rearrangement, insolvency, dissolution, or receivership proceedings, with Assignee having the option to apply any monies received by the Assignee as such creditor to reduction of the principal or interest or other indebtedness evidencing, securing or relating to the Loan Documents.

Notwithstanding the aforesaid license of Assignor to collect Rents under the Leases prior to an Event of Default, Assignee may collect or receive any and all payments, premiums and considerations paid by any Lessee or Guarantor, pursuant to the terms of any non-residential Lease or Guaranty thereof, for the right to terminate, cancel or modify a Lease or a Guaranty, with an option to apply any money so received by Assignee to the reduction of the principal or interest or any other indebtedness evidenced by, secured by or related to the Loan Documents in any order or manner Assignee elects. Further, Assignor covenants and agrees to immediately pay over to Assignee any and all sums received by Assignor as creditor from tenants under non-residential Leases in respect to

an assignment for the benefit of creditors in bankruptcy, reorganization, arrangement, insolvency, dissolution or receivership proceedings with respect to such tenants, or as payment, premium or other consideration in connection with the cancellation or modification of any non-residential Lease or Guaranty thereof, whereupon Assignor shall have the option to apply any funds so received to the reduction of the principal or interest or any other indebtedness evidenced by, secured by or related to the Loan Documents in any order or manner Assignee elects.

This Assignment shall remain in effect as long as any part of the indebtedness evidencing, securing or relating to the Loan Documents remains unpaid, and upon payment in full of said indebtedness, Assignee shall execute a release of this Assignment upon request of Assignor and at the expense of Assignor.

If an Event of Default shall have occurred, and if there is any law requiring Assignee to take actual possession of the Mortgaged Property (or some action equivalent thereto, such as securing the appointment of a receiver) in order for Assignee to “perfect” or “activate” its rights and remedies as set forth herein, then to the maximum extent permitted by law Assignor waives the benefits of such law and agrees that such law shall be satisfied solely by: (1) Assignee sending Assignor written notice that Assignee intends to enforce, and is enforcing, its rights in and to the Mortgaged Property and the rents, revenues, profits, and other items assigned herein; and (2) Assignee sending written notice to any or all tenants on the Mortgaged Property that said tenants should commence making payments under the Leases directly to Assignee or its designee.

In case any one or more of the provisions contained in this Assignment shall for any reason be held to be invalid, illegal or unenforceable in any respect, such invalidity, illegality, or unenforceability shall not affect any other provision hereof, and this Assignment shall be construed as if such invalid, illegal or unenforceable provision had never been contained herein.

This Assignment shall be interpreted, construed and enforced in accordance with the internal laws of the State of Utah, without regard to its internal laws with respect to conflict of laws.

This Assignment shall run with the land and shall inure to the benefit of and bind all parties hereto and their respective successors and assigns.

Whenever used, the singular number shall include the plural, the plural the singular and the use of any gender shall include all genders.

All liability and obligations of all parties constituting the Assignor under this Assignment shall be joint and several, whether or not otherwise expressly specified and notwithstanding anything seemingly to the contrary contained in this Assignment or any other Loan Document.

To facilitate execution, this Assignment may be executed in as many counterparts as may be convenient or required. It shall not be necessary that the signature or acknowledgment of, or on behalf of, each party, or that the signature of all persons required binding any party, or the

acknowledgment of such party, appear on each counterpart. All counterparts shall collectively constitute a single document. It shall not be necessary in making proof of this Assignment to produce or account for more than a single counterpart containing the respective signature of, or on behalf of, and the respective acknowledgments of, each of the parties hereto. Any signature or acknowledgment page to any counterpart may be detached from such counterpart without impairing the legal effect of the signatures or acknowledgments thereon and thereafter attached to another counterpart identical thereto except having attached to it additional signature or acknowledgment pages.
