Such co-owners may from time to time all designate in writing one of their number to vote. Fractional votes shall not be allowed, and the Class A vote for each Unit shall be exercised, if at

Unless the Board receives a written objection from a co-owner, it shall be presumed that the voting co-owner is acting with the consent of his or her co-owners. No vote shall be cast for any Unit if all co-owners, present in person or by proxy, owning such Unit, cannot agree to said vote or other action. Any Mortgagee who acquires title to a Unit pursuant to a judgment of foreclosure or a trustee sale shall automatically become entitled to exercise all voting rights which the Owner of said Unit would otherwise have had.

4.2.2. Class B. The Class B Member shall be Declarant. The rights of the Class B Member, including rights reserved to the Declarant for so long as it retains Class B Membership, are specified elsewhere in this Declaration. The Class B Member shall not be considered a part of the voting power of the Master Association but shall have the right to elect or designate a majority of the members of the Board. The Class B Membership shall continue for as long the Declarant or the assignee of the Class B Membership owns Units and/or undeveloped Property on which Units can be developed which in the aggregate equal at least 5% of the Units that can be developed in the Project under the Master Plan. Upon termination of a lessee's lease, the lessee's right of use and enjoyment of the Master Association Property shall cease and immediately vest in the Member-lessor until such time as the Member-lessor

delegates his right of use and enjoyment to a new lessee under this Section 4.4. The Member-lessor shall remain liable for all assessments attributable to his Unit. A Member who has sold his Unit to a contract purchaser under a Recorded installment sale contract shall also be entitled to delegate to such contract purchaser his Membership rights in the Master Association; provided, however, that such Member-contract seller shall not be entitled to the use and enjoyment of the recreational facilities or other Master Association Property during the term of such delegation. Such delegation shall be in writing and shall be delivered to the Board before such contract purchaser shall have the right of use of the Master Association Property. The contract seller, however, shall remain liable for all assessments attributable to his Unit until fee title to the Unit sold is transferred.

4.5. Transfer of Membership. If the Owner of any Unit fails or refuses to transfer the Membership registered in his name to the purchaser of such Unit upon transfer of fee title thereto, the Board shall have the right to record the transfer upon the books of the Master Association. The Master Association may levy a reasonable transfer fee against new Owners and their Units (which fee shall be added to the Common Assessment chargeable to such new Owner) to reimburse the Master Association for the administrative costs of transferring, on the records of the Master Association, the Memberships to the new Owners.

4.6. Multiple Ownership of Units. When more than one Person ("co-owner") owns an interest or interests in any Unit, all such co-owners shall be Members subject to the voting restrictions set out in Section 4.2 and subject to the right of the Board to limit use of Master Association Property to one such co-owner as provided in Section 3.2. Assessments on Units shall be levied against each Unit.

6.3. Purpose of Assessments. The Assessments levied by the Master Association shall be used exclusively to promote the recreation, health, safety, and welfare of the Owners and occupants of the Development and for the maintenance, operation and improvement of the Master Association Property and, where applicable Limited Use Property, including, but not limited to, the payment of taxes and insurance thereon, and repair, replacement, and

additions thereto, reserve accounts, the cost of labor, equipment, materials, improvements and management. Quad-Lot Assessments shall be for the purposes set forth in the Phase Declaration for any Phase of Development containing Quad-Lots.

Until January 1 of the year immediately following the conveyance of the first Unit to an Owner other than the Declarant or a Participating Developer, the maximum Annual Common Assessment shall be Two Hundred and Forty Dollars (\$240.00) per Unit. From and after January 1 of the year immediately following the conveyance of the first Unit to an Owner other than Declarant or a Participating Developer, the maximum Annual Common Assessment may be increased each year by not more than 15 percent above the maximum Annual Common Assessment for the previous year without the affirmative vote of two-thirds of the voting power of the Master Association at a meeting duly called for that purpose; and, so long as there is a Class B Membership, the consent of the Declarant. The Board may fix the Annual Common Assessments at an amount not in excess of the maximum. At the time of the first conveyance of each Unit to an Owner other than Declarant or a Participating Developer, the Owner shall pay the current Annual Common Assessment prorated for the remaining portion of that fiscal year and an Initial Common Assessment of an amount determined by the Board, but until the Board directs otherwise, Two Hundred and Forty Dollars (\$240.00). The Initial Common Assessment is not in lieu of the Annual Common Assessment.

6.6. Special Assessments. If the Board determines that the estimated total amount of funds necessary to defray the common expenses of the Master Association for a given fiscal year is or will become inadequate to meet expenses for any reason, including, but not limited to, unanticipated delinquencies, costs of construction, unexpected repairs or replacements of capital improvements on any Master Association Property, the Board shall determine the approximate amount necessary to defray such expenses, and if the amount is approved by the Board it shall become an additional Special Assessment. The Board may, in its discretion, provide for the payment in installments of such Special Assessment over the remaining months of the year or levy the Special Assessment immediately against each Unit. Except for the initial Special Assessment, Special Assessments shall be due on the first day of the month following notice of their levy. Excluding the initial Special Assessment, any Special Assessment which singly or in the aggregate with previous Special Assessments (excluding the initial Special Assessment) for the fiscal year would amount to more than 15 percent of the budgeted gross expenses of the Master Association for the year, shall require the affirmative vote of a majority the voting power of the Master Association at a meeting duly called for that purpose; and, so long as there is a Class B Membership, the consent of the Declarant.

6.9. Uniform Rate of Assessment. Common Assessments and Special Assessments shall be fixed and assessed at a uniform rate for each Unit regardless of the size, location or type of Unit. No assessments shall be levied against or payable for Units owned by Declarant or Participating Developer provided that no portion of such Unit has been used or occupied for residential purposes.

6.10. Date of Commencement of Annual Assessments; Due Dates. Common and Special Assessments provided for herein shall commence as to all Units within a Phase of Development on the first day of the month following the recording of the first deed conveying the first Unit within that Phase of Development to an Owner other than Declarant or a Participating Developer. The Assessments, except the initial Common Assessment, shall be prorated according to the number of months remaining in the calendar year. Common Assessments shall be collected on a periodic basis as the Board may determine from time to time, but until the Board directs otherwise, Assessments shall be payable quarterly in advance on the first day of each calendar quarter.

6.11. Default Assessments. All monetary fines assessed against an Owner pursuant to the Master Association Documents, or any expense of the Master Association which is the obligation of an Owner or which is incurred by the Master Association on behalf of the Owner pursuant to the Master Association Documents, shall be a Default Assessment and shall become a lien against such Owner's Unit which may be foreclosed or otherwise collected as provided herein. Notice of the amount and due date of such Default Assessments shall be sent to the Owners subject to such Assessment at least 30 days prior to their due date.

6.12. Collection of Assessments by Sub-Association. The Master Association may enter into an agreement with any Sub-Association to allow said Sub-Association to collect Common, Special and/or Limited Use Assessments as agent for of the Master Association in the same manner as its Sub-Association assessments and to remit them to the Master Association on a timely basis. Such an agreement shall not effect Master Association's lien against any Unit or the Master Association's ability to enforce or collect its Assessments as provided hereunder, if they are not remitted to the Master Association in a timely manner. The Master Association may also enter into an agreement with any Sub-Association to collect Regular, Special and/or Quad-Lot Assessments of the Sub-Association as agent for of the Sub-Association in the same manner as its Master Association assessments and to remit them to the Sub-Association on a timely basis.

6.13. Effect of Non-payment of Assessments; Remedies of Master Association. Any Assessment installment, whether of a Common, Special, Limited Use, Quad-Lot or Default Assessment, which is not paid within 30 days of its due date shall be delinquent. In the event that any Assessment installment becomes delinquent, the Master Association, in its sole discretion, may take any or all of the following actions:

6.13.1. Assess a late charge of not less than \$25 per delinquency.

6.13.2. Assess an interest charge from the date of delinquency at the rate if not less than 1½ percent per month on the unpaid balance.

6.13.3. Suspend the Owner's easement and right to use any of the Master Association property during any period of delinquency.

6.13.4. Accelerate all remaining Assessment installments for the year in question so that unpaid Assessments for the remainder of the year shall be due and payable at once.

6.13.5. Bring an action at law against any Owner personally obligated to pay the delinquent installments.

6.13.6. File a Statement of Lien with respect to the Unit, and foreclose on the Unit as set forth in more detail below.

The Master Association may file a Statement of Lien by recording with the Recorder of Utah County, Utah, a written statement with respect to the Unit, setting forth the name of the Owner, the legal description of the Unit, the name of the Master Association, and the amount of delinquent Assessments then owing, which Statement shall be duly signed and acknowledged by the president, a vice president or the manager of the Master Association, and which shall be served upon the Owner of the Unit by mail to the address of the Unit or at such other address as the Master Association may have in its records for the Owner of the Unit. Thirty (30) days following the mailing of such notice, the Master Association may proceed to foreclose the Statement of Lien in the same manner as provided for the foreclosure of mortgages under the statutes of the State of Utah. Such lien shall be in favor of the Master Association and shall be for the benefit of all other Owners. In either a personal or foreclosure action, the Master Association shall be entitled to recover as part of the action, the interest, costs, and reasonable attorneys' fees with respect to the action. No Owner may waive or otherwise escape liability for the Assessments provided for herein by non-use of the Master Association Property or the Owner's Unit. The remedies herein provided shall not be exclusive and the Master Association may enforce any other remedies to collect delinquent Assessments as may be provided by law.

6.14. Assignment of Rents. If an Owner shall, at any time, lease or sublease its Unit and shall default for a period of one month in the payment of Assessments, the Master Association may, at its option, so long as such default shall continue, demand and receive from any tenant or subtenant of the Owner the rent due or becoming due and the payment of such rent to the Master Association shall be sufficient payment and discharge of such tenant or subtenant and the Owner to the extent of the amount so paid. Each Owner shall be deemed to have assigned to the Master Association any such rent in the event of a default by Owner in paying its Assessments.

6.15. Subordination of the Lien. The lien of the Assessments provided for herein shall be subordinate to the lien of any first Mortgage. No sale or transfer shall relieve a Unit from liability for any Assessments or from the lien thereof. However, a sale or transfer of any Unit pursuant to a decree of foreclosure or by a trustee's foreclosure, or any other proceeding or deed in lieu of foreclosure, for the purpose of enforcing a first Mortgage, shall extinguish the lien of such Assessments as to installments which became due prior to such sale or transfer; provided that no such sale or transfer shall relieve the purchaser or transferee of a Unit from liability for, nor relieve the Unit from the lien of, any Assessments which shall come due thereafter.

6.16. Notice of Action. Any first Mortgagee who makes a prior written request to the Master Association in regards to a Unit in which it has an interest as provided in Section 11.4 hereof shall be entitled to timely written notice of any delinquency in payment of Common, Special, Limited Use, Quad-Lot or Default Assessments owed by the Owner of the Unit encumbered by its first Mortgage or of any other default by the Owner under the Master Association Documents, which has continued for a period of 60 days or more. In addition, any such first Mortgagee shall be entitled to cure such delinquency and obtain the release of the Unit encumbered by its First Mortgage from any lien imposed or perfected by reason of such delinquency.

6.17. Failure to Assess. The omission or failure of the Board to fix the Assessment amounts or rates or to deliver or mail to each Owner an Assessment Notice shall not be deemed a waiver, modification, or a release of any Owner from the obligation to pay Assessments. In such event, each Owner shall continue to pay Common and Limited Use Assessments on the same basis as for the last year for which such an Assessment was made until a new Assessment is made at which time any shortfalls in collections may be assessed retroactively by the Master Association.

6.18. Certificate of Payment. The Master Association shall, upon demand, furnish to any Owner liable for said Assessment, a certificate in writing signed by an officer of the Master Association, setting forth whether the Common, Special, Limited Use and Quad-Lot Assessments to be collected by the Master Association on a specified Unit have been paid, the amount of the delinquency, if any, and whether there are any Default Assessment and the amount thereof. 6.18.2. The Master Association Property;

It is the intent of the Declarant to create an open, spacious and landscaped street-scape and private backyards throughout the Project, and all decisions with respect to fences shall be governed accordingly. All fences constructed on a Unit shall be in compliance with the applicable ordinances of the Town of Saratoga Springs, Utah or shall have obtained a variance from the Town. The Town's approval of a variance shall not eliminate the need for ACC approval as required herein. All fences shall be constructed of material and in colors approved by the ACC. Backyard fences along parks and open-space areas shall not exceed four feet in height unless otherwise approved by the ACC. Side-yard fences shall not exceed six feet in height. No fences shall be constructed within the front-yard set-back area unless allowed by the Supplemental Design Guidelines and approved by the ACC. All fence barriers constructed on a Unit shall be subject to the following restrictions unless specified otherwise in Supplemental Design Guidelines, which guidelines shall control:

7.5. Landscaping. The following provisions shall govern the landscaping of Units within the Project unless specified otherwise in Supplemental Design Guidelines, which guidelines shall supercede the requirements specified below:

7.5.1. The owner shall prepare a landscape plan and shall submit the same to the ACC. The ACC shall approve said landscape plan prior to the installation and/or construction of landscaping on a Unit. Landscaping of a Unit shall be in accordance with the approved plan.

7.5.2. A desire for an open, spacious and green growing street-scape appearance and private backyards will control the decisions of the ACC. The ACC shall consider overall design features of the improvements to be constructed on the Unit in reviewing and approving or disapproving the landscape plan.

7.5.3. The minimum landscaping requirements shall be as follows:

(a) Innovative landscape design, including sculptured planting areas, berms or other features with screening or bordering of foundations, fences (if any), curbs and other similar elements of the improvements on the Unit.

(b) The initial landscaping shall include, as a minimum, the following: Sod or green seed in the front, side and rear yards; one tree of a species selected by Declarant or the ACC at least two inch caliper in the front yard and one flowering tree, of at least one and one half inch caliper in the back yard; three eight-gallon plants and five one-gallon plants in the front yard.

(c) The front yard and, in the case of corner Units, any side yard which has frontage on a public street shall be irrigated with an automatic underground sprinkler system and maintained by the Owner of the Unit. It is strongly encouraged that the side and rear yards also be irrigated by an automatic underground sprinkler system. For the purposes of this paragraph, the front and side yard of a Unit shall include the park strip or planter strip area between the curb and the sidewalk on the front or side of a Unit.

(d) Additional landscaping may be required in addition to the above minimum requirements if the ACC in its discretion, reasonably determines it is necessary or desired to achieve Project

objectives. The Declarant or the ACC shall determine the species, size and location of all trees planted in the park strip or planter strip between the curb and sidewalk on the front or side of a Unit.

7.5.4. All required landscaping on a Unit shall be installed within ninety (90) days after the earlier of the following: (i) substantial completion of the Building on the Unit, or (ii) occupancy of the Building by an Owner, with a reasonable extension for weather.

7.6. Lighting. All exterior lights and interior lights reflecting outside shall not be placed in any manner which shall cause glare or excessive light spillage on a neighboring Unit or upward into the sky and shall be in accordance with the Supplemental Design Guidelines.

## VIII. ARCHITECTURAL CONTROL

8.1. ACC. The ACC shall consist of at least three but not more than five members, who do not need to be Members. Initially the ACC shall consist of three members, all of whom shall be appointed by Declarant. So long as the Declarant retains its Class B Membership, Declarant shall have the sole right to appoint and remove all members of the ACC. Thereafter, all members of the ACC shall be appointed or removed by the Board and the Board may determine the number of members of the Committee, within the above limits.

8.2. Supplemental Design Guidelines. The Design Guidelines set out in Article VII of this Declaration shall be imposed on all development within the Project. In addition, for so long as Declarant is a Class B Member and thereafter the ACC, the Declarant shall prepare and, on behalf of the Board, promulgate supplemental design and development guidelines governing construction and development within the Project as well as all alterations, modifications, removal or destruction of Improvements, which shall include application and review procedures and rules, including a filing fee, to be followed in submitting and application for approval hereunder ("Supplemental Design Guidelines"). The Supplemental Design Guidelines shall be considered a Master Association Document. The Supplemental Design Guidelines shall not be inconsistent with the Design Guidelines, this Declaration or the Master Plan. In case of conflict between the Design Guidelines and Supplemental Design Guidelines, the Supplemental Design Guidelines shall control. The Supplemental Design Guidelines shall have the objective of preserving a sense of community, harmony and integrity for the Project taking in consideration the diverse types, densities and costs of the various developments. The Supplemental Design Guidelines shall provide for the preservation and protection of the natural beauty and the esthetics of the Project. The Supplemental Design Guidelines shall provide that plans and specifications submitted for approval by the ACC will be approved only if the Committee deems that the construction, development, alterations or additions (i) will not be detrimental to the appearance of the surrounding area or the Project as a whole, (ii) the appearance of the development or structure(s) involved will be in harmony with other developments or structures in the Project, (iii) the construction will not detract from the attractiveness of the Project, and (iv) the construction will comply with the Design Guidelines, this Declaration, the Master Plan and any architectural guidelines and standards for the Phase of Development in which the construction will take place. The Declarant, for so long as it is a Class B Member and thereafter the ACC, shall have the sole and full authority to modify and to amend the Supplemental Design Guidelines from time to time without the consent of any Owner. The ACC shall make the Supplemental Design Guidelines available to all Owners, Participating Developers and other builders and developers who seek to engage in development of or construction upon any portion of the Project and such Owners, Participating Developers, other developers and builders shall conduct their operations in accordance therewith.

8.3. Compensation. The members of the ACC shall not receive any compensation for services rendered, but shall be reimbursed for actual expenses incurred by them in the performance of their duties hereunder.

8.4. Non-Liability. Neither the ACC, or any member thereof, or the Declarant or any partner, officer, employee, agent, successor or assign thereof, shall be liable to the Master Association, any Owner or any other person for any loss, damage or injury arising out of or connected with the performance by the ACC of its duties and responsibilities by reason of a mistake in judgment, negligence or nonfeasance arising out of or in connection with the approval or disapproval or failure to approve an application. Every person who submits an application to the ACC for

approval of plans and specifications agrees, by submission of such an application, and every Owner or Occupant of any Unit agrees, by acquiring title thereto or an interest therein, not to bring any action or suit against the Master Association, the ACC, or any member thereof, or the Declarant or any officer, partner, employee, agent, successor or assign thereof to recover such damages.

8.5. Approval Required. No construction, alteration, modification, removal or destruction of any Improvements of any nature whatsoever, whether real or personal in nature, whether temporary or permanent, shall be initiated or be permitted to continue or exist within the Project without the prior express written approval of the ACC.

8.6. Variances. The ACC may authorize variances from compliance with the requirements of any conditions and restrictions contained in this Master Declaration, the Design Guidelines contained in this Master Declaration, the Supplemental Design Guidelines, or any prior approval when, in the sole discretion of the ACC, circumstances such as topography, natural obstructions, aesthetics or environmental considerations or hardship may so require or if the ACC determines that a variance enhances the health, safety or general welfare of those living within the Project. Such variances must be evidenced in a writing signed by at least two members of the ACC. If a variance is granted as provided herein, no violation of this Master Declaration, the Design Guidelines, the Supplemental Design Guidelines or prior approval shall be deemed to have occurred with respect to the matter for which the variance was granted. The granting of such a variance shall not operate to waive any of the terms and provisions of this Master Declaration, the Design Guidelines or the Supplemental Design Guidelines for any purpose except as to the particular subject matter of the variance thereof and the specific Unit covered thereby. The ACC shall have the right to consider and grant a variance as herein provided either with or without notice to other Owners or a hearing of Owners thereon. The granting of a variance by the ACC pursuant to this Section shall not relieve the Owner from the obligation to fully comply with the applicable ordinances of the Town of Saratoga Springs, Utah, and the ACC shall not have authority to grant variances to the ordinances of the Town of Saratoga Springs.

8.7. Application. To request ACC approval for the construction, alteration, modification, removal or demolition of any Improvements within the Property, the Owner shall submit a written application as provided by the Supplemental Design Guidelines or in a form required by the ACC which must be signed by the Owner and contain all information requested and be accompanied by all other material to be submitted as hereafter provided. All applications must contain, or have submitted therewith, two copies of each of the following (collectively called "plans and specifications") prepared in accordance with acceptable architectural standards and submitted with the application form, if any, approved by the ACC:

8.7.1. Site Plan. A site plan showing the location of the Building(s) and all other structures and Improvements including fences and walls on the Unit, Unit drainage and all set backs, curb cuts, driveways, parking areas and other pertinent information relating to the Improvements.

8.7.2. Building Plan. A building plan which shall consist of preliminary or final blueprints, elevation drawings of the north, south, east and west sides, and detailed specifications which shall indicate, by sample if required by the ACC, all exterior colors, materials and finishes, including the roof, to be used.

8.7.3. Landscape Plan. A landscape plan for portions of the Unit to be landscaped which shall show the location, type and size of trees, plants, ground cover, shrubs, berming and mounding, grading, drainage, sprinkler system, fences, freestanding exterior lights, driveways, parking areas and walkways.

8.7.4. Evidence of Cost. Such evidence of the cost of the Improvements as shall be satisfactory to the ACC to assure compliance with the requirements of Section 7.1 of this Master Declaration.

8.7.5. Additional Information. The ACC may, in its discretion, require the Owner to furnish additional specifications, drawings, material samples or such other information as the ACC, in its sole discretion reasonably exercised, shall deem necessary or convenient for the purpose of assisting the ACC in reviewing and processing the application.

8.8 Decision. In reviewing the application and the materials submitted therewith and in reaching a decision thereon, the ACC shall use its best efforts and judgment to assure that all Improvements shall produce and contribute to an orderly and aesthetically complementary design and appearance and be of the quality required to maintain the Subdivision as a quality residential development. Unless extended by mutual consent of the Owner and the ACC, the ACC shall render its decision with respect to an application within thirty (30) days after the receipt of a properly submitted application. The decision of the ACC can be in the form of an approval, a conditional approval or denial. The decision of the ACC shall be in writing, signed by a member of the ACC, dated, and a copy thereof mailed to the Owner at the address shown on the application. A conditional approval shall set forth with particularity the conditions upon which the application is approved and the Owner shall be required to affix a copy of said conditions to the working drawings or blueprints which are to be kept on the job site during the entire course of the work to which said plans relate. A denial of an application shall state with particularity the reasons for such denial.

8.9. Inspection and Complaints. The ACC is empowered to inspect all work in progress on any Unit at any time. Such inspection shall be for the purpose of determining whether the Owner is proceeding in accordance with the approved application or is deviating therefrom or is violating this Master Declaration, the Design Guidelines or the Supplemental Design Guidelines or the approved plans and specifications. The ACC is empowered to receive from other Owners ("Complainant") complaints in writing involving deviations from approved applications or violations of this Master Declaration or any applicable Supplemental Design Guidelines. In the event the ACC receives such a complaint from a Complainant, it shall first determine the validity of such complaint by inspection or otherwise. Should the ACC determine that there has been a deviation or a violation, it shall promptly issue a notice in writing thereof to the Owner and to the Complainant, which notice shall specify the particulars of the deviation or violation and shall demand that the Owner conform to either or both of the following directives: (i) the Owner shall immediately cease the activity which constitutes a deviation or violation; and/or (ii) the Owner shall adhere to the corrective measures set forth in the written notice. Should the ACC determine there has been no deviation or violation, it shall promptly issue a notice of such determination to the Owner and the Complainant.

8.10. Hearing. An Owner submitting an application under Section 8.7, above, or served with a written notice of deviation or violation, or a Complainant shall have the right to request and be heard at a hearing held by the ACC for the purpose of presenting facts and information to the ACC. Such hearing must be requested by such party within ten days from the date the written notice of the decision of the ACC is mailed to the Owner (and Complainant) as evidenced by the records of the ACC. The hearing shall be held within ten days following receipt by the ACC of the request for a hearing, unless the ACC shall extend said period of time because of the unavailability of ACC members. A hearing may be continued by the ACC for the purpose of further investigation or to receive additional evidence. Upon completion of the hearing, the ACC shall issue a written opinion to the involved parties within ten business days thereafter which opinion shall set forth the findings of the ACC with respect to the matters at issue and shall affirm, modify or rescind its previous decision as contained in the original written notice. If the ACC incurs any costs or expenses in connection with the investigation, processing or hearing on a matter involving a deviation or violation, including the costs of retaining a consultant(s) to advise the ACC and legal fees, such costs shall be paid by the Complainant unless an Owner is found to be in violation, in which event such Owner shall pay all such costs. The payment of such costs shall be enforceable as provided in Section 8.12, below.

8.11. Appeal. Either an Owner or a Complainant shall have the right to appeal to the Board a decision of the ACC on an application with respect to the conditions imposed thereon or a denial thereof, or a decision of the ACC adverse to the Owner or the Complainant reached following a hearing held pursuant to Section 8.10, above, provided, however, that neither an Owner nor a Complainant shall be entitled to such an appeal with respect to deviations or violations unless said Owner or Complainant has participated in the ACC hearing. A notice of appeal shall be in writing and shall be delivered by mail to the Secretary of the Board within ten days from the date of the decision by the ACC. Said notice of appeal shall be dated and shall contain the name of the Owner and the Complainant, if any, and a copy of the written decision or determination of the ACC. The failure of an Owner or Complainant to appeal a decision of the ACC in the manner and within the time herein provided shall terminate all rights of said Owner or Complainant to appeal said decision and it shall be binding and enforceable. The Board shall fix a date for the hearing of such an appeal which date shall be no later than ten days from the date of receipt of a notice of appeal unless extended by the Board because of the unavailability of Board members. The Owner and Complainant, if any, shall be advised of the time and

place of the hearing by a mailed written notice. Written notice of time and place for hearing shall also be served by mail upon each member of the ACC. The Board may require the Owner or Complainant to provide additional information to facilitate the Board's decision and the failure of such party to comply promptly with such a request shall entitle the Board to deny the appeal, in which event the decision by the ACC shall be considered final and not subject to further appeal. At the hearing, the Owner, Complainant, if any, and the ACC, together with their representatives and other witnesses, shall present their position to the Board. The order of presentation and the evidence to be admitted shall be solely within the discretion of the Board provided, however, that the Owner, the Complainant, if any, and the ACC shall have the opportunity to question and cross-examine witnesses presented by the other. The Owner, the Complainant, if any, and the ACC will have the opportunity to present final argument consistent with rules adopted by the Board for such hearing process. Any party may be represented by an attorney at any hearing by the ACC or the Board. Upon receiving all of the evidence, oral and documentary, and following the conclusion of the hearing, the Board shall retire to deliberate and shall reconvene at a time and place determined by the Board, at which time the Board shall cast its official ballot and the decision shall be duly recorded in the minutes of the meeting. The Owner, the Complainant, if any, and the ACC members shall be given written notice of the decision which shall be deemed given when deposited in the United States mail, postage prepaid and properly addressed. If the Board incurs any costs or expenses in connection with the investigation, processing or hearing on an appeal, including the costs of retaining a consultant(s) to advise the Board and legal fees, such costs shall be paid by the party(s) filing the appeal unless the decision by the Board constitutes a substantial reversal of the decision of the ACC, in which event such costs shall be paid by the Master Association. If the party filing the appeal is obligated to pay such costs, payment of the same shall be enforceable as provided in Section 8.12, below. A decision of the Board of an appeal shall be final and shall not be subject to reconsideration or further appeal.

8.12. Enforcement. The ACC, upon approval by the Board, shall be authorized on behalf and in the name of the Master Association to commence such legal or equitable proceedings as are determined by it to be necessary or proper to correct or enjoin any activity or condition existing within the Property, the continuation of which violates the provisions of this Master Declaration, the Supplemental Design Guidelines or the approved plans and specifications. The ACC shall not commence such legal or equitable proceedings until a written notice of the deviation or violation has been appropriately prepared and given to the Owner but thereafter the ACC shall have the sole discretion to commence such proceedings. The authority of the ACC as herein provided shall include the power to retain legal counsel and expert witnesses, pay filing fees, deposition costs, witness fees and all other ordinary and necessary expenses incurred in commencing and carrying out said legal or equitable proceedings, all of which costs shall be paid by the Master Association. In the event the ACC and/or the Master Association shall prevail in any such legal or equitable proceedings, all costs and expenses incurred in connection therewith including, but not limited to, attorneys' fees shall be reimbursed to the Master Association by the Owner against whom said proceedings are filed and upon the failure of said Owner to reimburse the Master Association within five days after written demand therefor is mailed to the Owner, the Master Association shall have the right to levy a Default Assessment against the Owner and the Unit owned by the Owner which Default Assessment shall be equal to said costs and expenses incurred plus any additional costs and expenses incurred in levying the Assessment. Said Default Assessment shall be due and payable at such time or in such installments as may be determined by the Board, in its sole discretion. The failure of the Owner to pay said Default Assessments, or any installment thereof when due, shall be enforceable in the manner provided in Article VI, above.

8.13. Additional Damages. In addition to the costs and expenses to be reimbursed by the Owner or the Complainant, all other costs, expenses and damages determined by the Board to be proximately caused by the deviation or violation or the costs and expenses incurred by the Master Association to correct the same shall be assessed as a Default Assessment against the Owner and the Unit owned by said Owner, or the Complainant and the Unit owned by the Complainant, as the case may be, which Default Assessment shall be due and payable at such time or in such installments as determined by the Board, in its sole discretion. The right of the Board to enforce said Default Assessment shall be the same as provided in Article VI, above.

8.14. Non-Exclusive Remedy. The right of the Master Association to levy a Default Assessment as described in Sections 8.12 and 8.13, above, shall not be deemed to be an exclusive remedy of the Master Association and it may, in its sole discretion, without waiver of any other legal or equitable remedy, pursue enforcement of the lien of said

Default Assessment(s), proceed to collect any amount due directly from the Owner and/or pursue any other remedies available at law or in equity.

8.15. Private Rights. The Master Association shall not have the right to mediate or litigate private disputes between Owners where there is a legal or equitable remedy available to resolve said dispute when, in the sole discretion of the Board, the interests of the Master Association or a substantial number of the Owners would not be benefitted thereby.

8.16. Delegation to Sub-Association Architectural Committees. The ACC may delegate to a Sub-Association Architectural Committee the ACC's authority to approve: (i) the construction of Buildings and Improvements in a Phase of Development that is a subdivision or planned unit development in which the Owners individually arrange for construction of homes or other Improvements, and (ii) modifications and additional Improvements after original construction for any the Phase of Development, as provided in this Section. Such delegation may be revoked and any jurisdiction reassumed, at any time by written notice, if the ACC determines the Sub-Association Architectural Committee is failing to enforce its procedures and standards consistent with the Design Guidelines and the Supplemental Design Guidelines and the ACC may veto any action taken by such an Architectural Committee which the ACC determines to be inconsistent with the Design Guidelines and the Supplemental Design Guidelines.

8.17. Approval by Sub-Association Architectural Committees. If an Architectural Committee of an Sub-Association is established for a Phase of Development, and the ACC has not delegated its approval authority to that Sub-Association Architectural Committee, then an Owner shall be required to obtain both the approval of the Architectural Committee as required by the Phase Declaration, and the approval of the ACC as herein provided. The ACC may require approval of the applicable Architectural Committee prior to approval by the ACC.

8.18. No Waiver of Future Approvals. The approval of the ACC of any proposals or plans and specifications or drawings for any work done or proposed, or in connection with any other matter requiring the approval and consent of the ACC, shall not be deemed to constitute a waiver of any right to withhold approval or consent as to any similar proposals, plans and specifications, drawings, or matters whatever subsequently or additionally submitted for approval or consent.
