Antennas and satellite dishes shall be prohibited within the Property, except (a) antennas or satellite dishes designed to receive direct broadcast satellite service which are one meter or less in diameter or diagonal measurement; (b) antennas or satellite dishes designed to receive video programming services

via multipoint distribution services which are one meter or less in diameter or diagonal measurement; or (c) antennas or satellite dishes designed to receive television broadcast signals ("Permitted Devices") shall be permitted, provided that any such Permitted Device is: (1) located in the attic, crawl space, garage, or other interior spaces of the Unit or another approved structure on the Property, so as not to be visible from outside the Unit or other structure; and (2) attached to or mounted in the Limited Common Area immediately adjacent to the Unit, such as a balcony, deck or patio in the rear of the building, and extending no higher than the eaves of that portion of the roof of the Unit directly in front of such antenna. The Management Committee may adopt rules establishing a preferred hierarchy of alternative locations and requiring screening of all Permitted Devices, so long as such rules do not unreasonably increase the cost of installation, maintenance, or use of the Permitted Device in the authorized areas. In the event of any conflict, incongruity or inconsistency between these restrictions and FCC Guidelines, the latter shall in all respects govern and control.

(13) Window Coverings, Awnings and Sun Shades. No-aluminum foil, newspapers, reflective film coatings, or any other similar materials may be used to cover the exterior windows of any residential structure on a Unit. Sun shades are not allowed on the exterior of any Building, unless the color, style, construction material and uniformity of appearance is approved by the Management Committee.

(14) Windows. All windows and window panes in the Project shall be harmonious, and comparable in size, design and quality so as not to detract from uniformity in appearance and quality of construction.

(15) Pets. No pets, animals, livestock or poultry of any kind shall be bred in, on or about the Project. Up to two (2) domestic pets per unit are allowed. All pets must be properly licensed and registered with the appropriate governmental agency, abide by all pet rules and regulations adopted by the Management Committee from time to time. Pets may not create a nuisance. The following acts of an animal may constitute a nuisance: (a) it causes damage to the property of anyone other than its owner; (b) it causes unreasonable fouling of the air by odors; (c) it causes unsanitary conditions; (d) it defecates on any common area and the feces are not immediately cleaned up by the responsible party; (e) it barks, whines or howls, or makes other disturbing noises in an excessive, continuous or untimely fashion; or (f) it molests or harasses passersby by lunging at them or chasing passing vehicles. Pets may not be tied or tethered in the Common Area. The Management Committee may require a pet deposit or a pet registration fee. Each Person by virtue of his acceptance of a deed or other document of conveyance to a Unit, or being a Guest or Permittee, agrees that any and all unauthorized pets or pets in violation of the Project Documents, including dogs and cats, may be picked-up by or taken to Animal Control by the Management Committee or Manager, without further notice or warning, and without liability, said Person hereby expressly waiving any such claim.

(16) Insurance. Nothing shall be done or kept in, on or about any Unit or in the Common Areas or Limited Common Areas which may result in the cancellation of the insurance on the Property or an increase in the rate of the insurance on the Property, over what the Management Committee, but for such activity, would pay.

(17) Laws. Nothing shall be done or kept in, on or about any Unit or Common Areas, or any part thereof, which would be a violation of any statute, rule, ordinance, regulation, permit or other validly imposed requirement of any governmental body.

(18) Damage or Waste. No damage to, or waste of, the Common Areas or Limited common Areas shall be committed by any Owner or Resident, their guests or invitees; and each Owner and Resident shall indemnify and hold the Management Committee and the other Owners in the Project harmless against all loss resulting from any such damage or waste caused by that Owner or Resident, their guests or invitees; provided, however, that any invitee of the Declarant shall not under any circumstances be deemed to be an invitee or any other Owner.

(19) Structural Alterations. Except in the case of an emergency repair, no structural alterations, plumbing, electrical or similar work within the Common Areas or Limited Common Areas shall be done or permitted by any Owner without the prior written consent of the Management Committee.

g) Fines. Each Owner and Resident is responsible for adhering to the Project Documents governing the Project. Pursuant to U.C.A., Section 57-8-37 (2001), a breach of these restrictive covenants and rules is subject to enforcement pursuant to the declaration and may include the imposition of a fine. Each Owner is also accountable and responsible for the behavior of his or her residents, tenants and/or guests. Fines levied against residents, tenants, and guests are the responsibility of the Owner. The Management Committee shall react to each material violation in the following manner:

(1) Fines imposed are final unless appealed in writing to the Management Committee within thirty (30) days of written notification of the violation. If a request for a hearing is not submitted to the Management Committee within thirty (30) days, the right to a hearing is waived, and the fine imposed will stand. A request for a hearing to appeal should be sent in writing to the Manager or Secretary of the Association.

(2) Before assessing a fine under Subsection (a), the Management Committee shall give notice to the homeowner of the violation and inform the owner that the fine will be imposed if the violation is not cured within the time provided in the declaration, bylaws, or rules, which shall be at least forty-eight (48) hours.

(3) A fine assessed under this Section shall:

(a) be made only for a violation of a restrictive covenant, rule or regulation;

(b) be in the amount specifically provided for in the declaration, bylaws, or association rules for that specific type of violation, not to exceed \$500.00; and

(c) accrue interest and late fees as provided in the declaration, bylaws, or association rules.

(4) Cumulative fines for a continuing violation may not exceed \$500.00 per month.

(5) An Owner who is assessed a fine under Subsection (a) may request an informal hearing to protest or dispute the fine within thirty (30) days from the date the fine is assessed. The hearing shall be conducted in accordance with standards of due process adopted by the Management Committee. No finance charge, default interest, or late fees may accrue until after the hearing has been conducted and a final decision has been rendered.

(6) An Owner may appeal a fine issued under Subsection (a) by initiating a civil action within one hundred and eighty (180) days after: (1) A hearing has been held and a final decision has been rendered by the management committee under this Section; or (2) The time to request an informal hearing under this Section has expired without Owner making such a request.

(7) A fine assessed under this Section which remains unpaid after the time for appeal has expired becomes a lien against the Owner's interest in the property in accordance with the same standards as a lien for the nonpayment of Common Expenses.

9. Leases. Any agreement for the leasing, rental, or occupancy of a Unit (hereinafter in this Section referred to as a "lease") shall be in writing and a copy thereof shall be delivered to the Management Committee upon request. By virtue of taking possession of a Unit, each lessee agrees to be subject to and abide by these restrictive covenants, and that any covenant violation shall be deemed to constitute a default under the lease. No Owner shall be permitted to lease his Unit for transient, hotel, seasonal, rental pool or corporate/executive use purposes, which by way of illustration and not limitation includes any rental with an initial term of less than one (1) year. Daily or weekly rentals are prohibited. No Owner may lease individual rooms to separate persons or less than his entire Unit without the express written consent of the Management Committee. Within ten (10) days after delivery of written notice of the creation of a nuisance or material violation of these restrictive covenants, the Owner shall proceed promptly to abate the nuisance or cure the default, and notify the Management Committee in writing of his intentions. Other than as stated in this Section, there is no restriction on the right of any Owner to lease or otherwise grant occupancy rights to a Unit.

10. Easements -- Support, Maintenance and Repair. There is hereby RESERVED to the City and the Association, and the City and the Association are hereby GRANTED a non-exclusive easement over, across, through, above and under the Units and the Common Area for the operation, maintenance, and repair of the Common Area and Facilities, and regulation of the Design Guidelines. The City shall assume no responsibility for enforcement of the Design Guidelines, but reserves the right to and may enforce any Design Guideline at any time and in its sole discretion.

11. Liability of Owners and Residents For Damages and Waste. Each Owner or Resident shall be liable to the Association, or other Owners or Residents, for damages to person or property and waste in the Community caused by his negligence.

12. Encroachments. If any portion of Common Area, Limited Common Area, or a Unit encroaches or comes to encroach upon other Common Area, Limited Common Area, or a Unit as a result of construction, reconstruction, repair, shifting, settling, or movement, an easement for such encroachment is created hereby and shall exist so long as such encroachment exists.

13. Management Committee. The Association shall be managed by a Management Committee.

14. Officers and Agents. The Management Committee shall elect and/or appoint officers and agents of the Association, including without limitation a President, Secretary, and Treasurer.

15. Management Committee Meetings. The Management Committee shall meet at regular intervals and at least quarterly.

16. Status and General Authority of Management Committee. Any instrument executed by the Management Committee that recites facts which, if true, would establish the Committee's power and authority to accomplish through such instrument what is purported to be accomplished thereby, shall conclusively establish said power and authority in favor of any person who in good faith and for value relies upon said instrument. The Association shall, in connection with its exercise of any of the powers delineated in subparagraphs (a) through (j) below, constitute a legal entity capable of dealing in its Committee name. The Management Committee shall have, and is hereby granted, the following authority and powers:

a) Access. The right, power and authority to have access to each Unit: (1) from time to time during reasonable hours and after reasonable notice to the occupant of the Unit being entered, as may be necessary for the maintenance, repair or replacement of any of the Common Areas and Facilities; or (2) for making emergency repairs necessary to prevent damage to the Common Areas and Facilities or to another Unit or Units, provided that a reasonable effort is made to provide notice to the occupant of the Unit prior to entry.

b) Grant Easements. The authority, without the vote or consent of the Owners, Mortgagees, insurers or guarantors of any Mortgage, or of any other person, to grant or create, on such terms as it deems advisable, reasonable permits, licenses, and non-exclusive easements over, under, across, and through the Common Areas for utilities, roads, and other purposes reasonably necessary or useful for the proper maintenance, operation or regulation of the Project.

j) Promulgate Rules. k) Meetings. The authority to establish procedures for the conduct of its meetings, including but not limited to the power to decide what portion of the meeting shall be open or closed to Owners or Residents not on the Committee, to retire to executive session, to regulate record keeping, and to allow, control or prohibit the electronic reproduction (video or audio) of Committee meetings.

l) Delegation of Authority. The power and authority to delegate its responsibilities over the management and control of the Common Areas and regulation of the Project to a professional manager, reserving the right, power and authority, however, to control and oversee the administration thereof.

m) Lease Office Space. The power and authority to lease a portion of the Common Area as an office, provided the office is used as a business office for a manager or other professional.

n) All other Acts. The power and authority to perform any and all other acts, and to enter into any other transactions which may be reasonably necessary for the Management Committee to perform its functions on behalf of the Owners.

Anything to the contrary notwithstanding, while Declarant controls the Association and before the end of the Period of Declarant's Control, any amendments to the Declaration or mergers must (where appropriate) be approved in writing and in advance by Federal Housing Administration of the United States Department of Housing and Urban Development (FHA), the Federal Home Loan Mortgage Corporation or the Mortgage Corporation (FHLMC), Federal National Mortgage Association (FNMA), Government National Mortgage Association (GNMA) or the Department of Veterans Affairs (VA).

17. Delegation of Management Responsibilities: The Management Committee may delegate some of its management responsibilities to either a professional management company, an experienced on-site manager, an independent contractor, through service contracts, or any combination thereof. The Manager may be an employee or an independent contractor. The termination provision of any such contract must not require a termination penalty or any advance notice of any more than sixty (60) days, and no such contract or agreement shall be for a term greater than one (1) year. The Management Committee may also employ general laborers, grounds crew, maintenance, bookkeeping, administrative and clerical personnel as necessary to perform its management responsibilities. Provided, however, any management contract may be terminated for cause on thirty (30) days notice in accordance with Title 38, Code of Federal Regulations, Section 36.4360a (f), as it may be amended from time to time.

18. Owners Meetings. The Association shall meet at least annually.

19. Lists of Owners, Renters, Eligible Mortgagees, Insurers and Guarantors. The Management Committee shall maintain up to date lists of the name, address and phone number of all Owners, Renters, Eligible Mortgagees, Insurers and Guarantors. The Owners, Mortgagees, Insurers and Guarantors have a duty to provide this information to the Committee.

20. Capital Improvements. All expenses for capital improvements shall be governed by and subject to the following conditions, limitations and restrictions:

a) Committee Discretion/Expenditure Limit. Any capital improvement to the Project which costs ten percent (10%) or less of the Total Annual Budget, and does not alter the nature of the Project, may be authorized by the Management Committee alone (the "Capital Improvement Ceiling").

b) Owner Approval/Expenditure Limit. Any capital improvement, the cost of which will exceed the Capital Improvement Ceiling, must, prior to the commencement of construction, be authorized by at least a majority of the percentage of undivided ownership interest in the Common Area.

c) Owner Approval/Changing the Nature of the Project. Any capital improvement which would materially alter the nature of the Project (e.g., changing the roofing materials, the construction of the external Building surfaces, color scheme, etc.) must, regardless of its cost and prior to being constructed or accomplished, be authorized by at least sixty-seven (67%) percent of the undivided ownership interest in the Common Areas.

21. Operation, Maintenance and Alterations. Each Unit, the Limited Common Area, Common Area shall be maintained, repaired, and replaced in accordance with the following covenants, conditions and restrictions:

a) Clean, Safe, Sanitary and Attractive Condition. The Units, Limited Common Area, and Common Area shall be maintained in a usable, clean, functional, safe, sanitary, attractive and good condition, consistent with Community Standards.

b) Landscaping. All landscaping in the Project shall be maintained and cared for in a manner consistent with the standards of design and quality originally established by Declarant and in accordance with any City landscaping maintenance plans or ordinances. Specific additional written guidelines, standards, controls, and restrictions on landscaping may be adopted or amended by the Management Committee from time to time. All landscaping shall be maintained in a safe, sanitary, aesthetic and orderly condition. Any weeds or diseased or dead lawn, trees, ground cover or shrubbery shall be removed and replaced. All lawn areas shall be neatly mowed and trees, shrubs and bushes shall be neatly trimmed. All landscaping shall be tasteful, so as not to affect adversely the value or use of any other Unit, or to detract from the uniform design and appearance of the Project.

c) Area of Common Responsibility. Unless otherwise expressly noted, the Association shall maintain, repair and replace all of the Common Area and Facilities within or serving the Project, including by way of illustration but not limitation the outdoor grounds, tot lot area, sport or basketball court, group gardens courtyards, picnic tables, BBQ areas, individual garden courtyards, benches, private roads, driving lanes, parking amenities, sidewalks, entry and monument. The Association shall initially install all Limited Common Area improvements (the "Area of Common Responsibility")

d) Area of Personal Responsibility. Each Owner shall maintain, repair and replace his Unit, including without limitation all individual services such as power, light, gas, hot and cold water, heating, refrigeration, air conditioning, fixtures, windows and window systems, glass, doors and door systems, garage doors and garage door systems, patios, balconies and decks, plumbing fixtures, systems and lateral pipes or valves servicing only his Unit, including any damage caused thereby and not covered by insurance. Each Unit Owner shall also maintain his Limited Common Area or Restricted Limited Common Area broom clean and free of debris. Each Unit Owner shall maintain, repair and replace all physical improvements to his Limited Common Area or Restricted Limited Common Area. All maintenance, repairs and replacements are subject to the approval of the Management Committee as to construction materials, quality of construction and installation, and uniformity of appearance. No Unit Owner shall allow his Unit,

Limited Common Area or Restricted Limited Common Area to detract from the health, safety or uniform appearance or design of the Project.

e) Default Provisions. If (except in the case of an emergency) after written notice and a hearing, it is determined that any responsible party has failed or refused to discharge properly his obligation with regard to the maintenance, repair, or replacement of the real property and improvements described herein, or that the need for maintenance, repair, or replacement thereof is caused through the willful or negligent act of any person, then the Association, or Management Committee may, but is not obligated to, provide such maintenance, repair, or replacement at the defaulting or responsible party's sole cost and expense (the "Default Maintenance Cost"). The Default Maintenance Cost is the debt of such defaulting or responsible party at the time the expense is paid and shall be collectible as such. In addition, it may be considered a "Fine" against a Unit Owner. A Fine assessed hereunder which remains unpaid after the time for appeal has expired becomes a lien against the Unit Owner's interest in the property in accordance with the same standards as a lien for the nonpayment of Common Expenses under U.C.A., Section 57-8-20.

f) Alterations to the Common Area. The Declarant may make changes to the design and construction of the improvements located in or on the Common Areas without additional approval required, including without limitation the consent of the Management Committee or Members of the Association; provided, however, no Owner or Resident may make any structural alterations to the Common Area (including the Limited Common Area), without the express prior written consent of the Management Committee.

g) Certain Work Prohibited. No Unit Owner shall do any work or make any alterations or changes which would jeopardize the soundness or safety of the Property, reduce its value or impair any easement or hereditament, without in every such case the unanimous written consent of all the other Unit Owners being first had and obtained.

22. Common Expenses. Each Owner shall pay his Assessments subject to and in accordance with the procedures set forth below.

a) Declarant. Anything to the contrary notwithstanding, the Declarant shall not be obligated to pay Assessments on any Units owned by it until such time as: (1) the physical structures are substantially completed; (2) certificates of permanent occupancy are issued and the Units are sold or rented; or (3) Declarant elects in writing to pay the Assessments, whichever first occurs.

b) Purpose of Common Area Expenses. The Assessments provided for herein shall be used for the general purpose of operating the Project, promoting the recreation, health, safety, welfare, common benefit and enjoyment of the Owners and residents, including the maintenance of any real and personal property owned by the Association, and regulating the Community, all as may be more specifically authorized from time to time by the Committee.

c) Creation of Assessments. Since the Assessments shall pay for the common expenses of the Association, as shall be determined by the Management Committee from time to time, each Owner, by acceptance of a deed to a Unit, whether or not it shall be so expressed in such deed, covenants and agrees to pay to the Association in a timely manner all Assessments assessed by the Committee.

d) Budget. At least thirty (30) days prior to the Annual Homeowners Meeting, the Management Committee shall prepare and deliver to the Owners a proposed Budget which:

(1) Itemization. Shall set forth an itemization of the anticipated Common Expenses for the twelve (12) month calendar year, commencing with the following January 1.

(2) Basis. Shall be based upon advance estimates of cash requirements by the Management Committee to provide for the payment of all estimated expenses growing out of or connected with the maintenance and operation of the Common Areas and regulation of the Association, which estimate shall include but is not limited to expenses of management, irrigation water, grounds maintenance, taxes and special assessments, premiums for all insurance which the Committee is required or permitted to maintain, common lighting and heating, water charges, trash collection, sewer service charges, carpeting, painting, repairs and maintenance of the Common Areas and replacement of those elements of the Common Areas that must be replaced on a periodic basis, wages for Management Committee employees, legal and accounting fees, any deficit remaining from a previous period; the creation of a reasonable contingency reserve, surplus or sinking fund, capital improvement reserve, and other expenses and liabilities which may be incurred by the Association for the benefit of the Owners under and by reason of this Declaration. Until the Project is completed, and all Phases are added, this estimate may need to be adjusted periodically as each new Phase is completed.

e) Apportionment. The common profits, losses and voting rights of the Project shall be distributed among and the common expenses shall be charged equally to the Unit Owners.

f) Approval of Budget and Assessments. The proposed Budget and the Assessments shall become effective unless disapproved at the Annual Meeting by a vote of at least a majority of the percentage of ownership interest in the Common Areas. Notwithstanding the foregoing, however, if the membership disapproves the proposed budget and Assessments or the Management Committee fails for any reason to establish the Budget and Assessments for the succeeding year, then and until such time as a new budget and new Common Area Assessment schedule shall have been established, the Budget and the Assessments in affect for the then current year shall continue for the succeeding year.

g) Payment of Assessments. The Management Committee has the sole authority and discretion to determine how and when the annual Assessments are paid.

h) Additional Services. The Management Committee may but is not obligated to add to the Assessment of any particular Unit or Unit Owner additional charges for individual services offered or provided, not a Common Expense.

i) Personal Obligation of Owner. Owners are liable to pay all Assessments assessed and Additional Charges; provided, however, no first mortgagee or beneficiary under a first deed of trust (but not the Seller under a uniform real estate contract, land sales contract, or other similar instrument), who obtains title to a Unit pursuant to the remedies provided in the mortgage or trust deed shall be liable for unpaid Assessments which accrued prior to the acquisition of title. For purposes of this Section, the term "Owner" shall mean and refer jointly and severally to: (1) the Owner of both the legal and equitable interest in any Unit; (2) the owner of record in the offices of the County Recorder of Salt Lake County, Utah; and (3) both the Buyer and Seller under any executory sales contract or other similar instrument.

j) Equitable Changes. If the aggregate of all monthly payments on all of the Units is too large or too small as a result of unanticipated income or expenses, the Committee may from time to time effect an equitable change in the amount of said payments, but, without the prior approval of a majority of the percentage of ownership interest in the Common Area, not greater than fifteen (15%) percent of the Common Area Assessment in any calendar year. Owners shall be given at least thirty (30) days written notice of any changes.

k) Dates and Manner of Payments. The dates and manner of payment shall be determined by the Committee.

l) Reserve Account. The Committee shall establish and maintain a reserve account or accounts to pay for unexpected operating expenses and capital improvements.

m) Analysis Report. The Management Committee shall prepare and update at least annually a written Capital Asset Replacement and Reserve Account Analysis, and make the report available to the Owners at the annual meeting of the Association.

n) Acceleration. Assessments shall be paid in the manner and on dates fixed by the Committee who may, at its option and in its sole discretion, elect to accelerate the entire annual Common Area Assessment for delinquent Owners. If, however, the Common Area Assessment is accelerated and an Owner subsequently files bankruptcy or the Committee otherwise decides acceleration is not in its best interest, the committee, at its option and in its sole discretion, may elect to decelerate the obligation.

o) Statement of Assessments Due. Upon written request, the Committee shall furnish to any Owner a statement of Assessments due, if any, on his Unit. Failure to provide the certificate within ten (10) days after a written request is received by the Secretary, shall be deemed conclusive evidence that all Assessments are paid current. The Association may require the advance payment of a processing charge not to exceed \$15.00 for the issuance of such certificate.

p) Superiority of Assessments. All Assessments and liens created to secure the obligation to pay Assessments are superior to any homestead exemptions to which an Owner may be entitled which insofar as it adversely affects the Association's lien for unpaid Assessments each Owner by accepting a deed or other document of conveyance to a Unit hereby waives.

q) Suspension of Right to Use Amenities for Non-Payment. At the discretion of the Management Committee, the right to use any amenities in the Project may be suspended for up to ninety (90) days if the Owner is in arrears on his obligation to pay Assessments and has failed to cure or make satisfactory arrangements to cure the default after reasonable notice of at least ten (10) days.

r) Suspension of Right to Vote for Non-Payment. At the discretion of the Committee, the right of an Owner to vote on issues concerning the Association may be suspended for up to ninety (90) days if the Owner is delinquent in the payment of his Assessments, and has failed to cure or make satisfactory arrangements to cure the default after reasonable notice of at least ten (10) days.

23. Special Assessments. In addition to the other Assessments authorized herein, the Association may levy special assessments in any year, subject to the following:

a) Committee Based Assessment. So long as the special assessment does not exceed the sum of Five Hundred and 00/100th Dollars (\$500.00) per Unit in any one fiscal year (the "Special Assessment Limit"), the Committee may impose the special assessment without any additional approval.

b) Association Approval. Any special assessment which would exceed the Special Assessment Limit shall be effective only if approved by a majority of the members of the Association. The Committee in its discretion may allow any special assessment to be paid in installments.

24. Benefit Assessments. If an Owner has the choice to accept or reject the benefit, then the Management Committee shall have the power and authority to assess an Owner in a particular area as follows:

(1) Benefit only To Specific Unit. If the expense benefits less than all of the Units, then those Units benefitted may be specifically assessed, and the specific assessment shall be equitably apportioned among those Units according to the benefit received.

(2) Unequal or Disproportionate Benefit. If the expense benefits all Units, but does not provide an equal benefit to all Units, then all Units shall be specifically assessed, but the specific assessment shall be equitably apportioned among all Units according to the benefit received.

Failure of the Committee to exercise its authority under this Section shall not be grounds for any action against the Association or the Committee and shall not constitute a waiver of the Committee's right to exercise its authority under this Section in the future with respect to any expenses, including an expense for which the Committee has not previously exercised its authority under this Section.

25. Individual Assessments. Individual Assessments shall be levied by the Committee against a Unit and its Owner to reimburse the Association for: (a) administrative costs and expenses incurred by the Committee in enforcing the Project Documents; (b) costs associated with the maintenance, repair or replacement of Common Area for which the Unit Owner is responsible; (c) any other fine, charge, fee, due, expense, or cost designated as an Individual Assessment in the Project Documents or by the Management Committee; (d) attorneys' fees, interest, and other charges relating thereto as provided in this Declaration; and (e) individual services provided, such as cable television, additional lawn, yard or garden care, the cost of insurance covering the deductible on the master Association all-risk policy, and so forth.

26. Collection of Assessments. The Owners must pay their Assessments in a timely manner. Payments are due in advance on the first of the month. Payments are late if received after the 10th day of the month in which they were due.

a) Delinquent Assessments. Any Assessment not paid when due shall be deemed delinquent and a lien securing the obligation shall automatically attach to the Unit, regardless of whether a written notice is recorded.

b) Late Fees and Accruing Interest. A late fee of twenty-five dollars (\$25.00) or five percent (5%) of the delinquent amount, whichever is greater, shall be assessed on all tardy payments. Default interest at the rate of one percent (1.0%) per month or twelve percent (12%) per annum shall accrue on all delinquent accounts.

c) Lien. If any Unit Owner fails or refuses to make any payment of any Assessment or his portion of the Common Expenses when due, that amount shall constitute a lien on the interest of the Owner in the Property, and upon the recording of notice of lien by the Manager, Management Committee or their designee it is a lien upon the Owner's interest in the Property prior to all other liens and encumbrances, recorded or unrecorded, except: (1) tax and special assessment liens on the Unit in favor of any assessing unit or special improvement district; and (2) encumbrances on the interest of the Owner recorded prior to the date such notice is recorded which by law would be a lien prior to subsequently recorded encumbrances.

d) Foreclosure of Lien and/or Collection Action. If the Assessments remain unpaid, the Association may, as determined by the Committee, institute suit to collect the amounts due and/or to foreclose the lien.

e) Personal Obligation. Each Owner, by acceptance of a deed or as a party to any other type of conveyance, vests in the Association or its agents the right and power to bring all actions against him or her personally for the collection of the charges as a debt or to

foreclose the lien in the same manner as mechanics liens, mortgages, trust deeds or encumbrances may be foreclosed.

f) No Waiver. No Owner may waive or otherwise exempt himself or herself from liability for the Assessments provided for herein, including but not limited to the non-use of Common Areas or the abandonment of his Unit.

g) Duty to Pay Independent. No reduction or abatement of Assessments shall be claimed or allowed by reason of any alleged failure of the Association or Committee to take some action or perform some function required to be taken or performed by the Association or committee under this Declaration or the By Laws, or for inconvenience or discomfort arising from the making of repairs or improvements which are the responsibility of the Association, or from any action taken to comply with any law, ordinance, or with any order or directive of any municipal or other governmental authority, the obligation to pay Assessments being a separate and independent covenant on the part of each Owner.

h) Application of Payments. All payments shall be applied as follows: Additional Charges, Delinquent Assessments and Current Assessments.

i) Foreclosure of Lien as Mortgage or Trust Deed. The lien for nonpayment of Assessments may be enforced by sale or foreclosure of the Owner's interest therein by the Committee. The sale or foreclosure shall be conducted in the same manner as foreclosures in deeds of trust or mortgages or in any other manner permitted by law. In any foreclosure or sale, the Owner shall pay the costs and expenses of such proceedings, including but not limited to the cost of a foreclosure report, reasonable attorney's fees, and a reasonable rental for the Unit during the pendency of the foreclosure action. The Association in the foreclosure action may require the appointment of a receiver to collect the rental without regard to the value of the mortgage security. The Committee may bid for the Unit at foreclosure or other sale and hold, lease, mortgage, or convey the same.

j) Appointment of Trustee. If the Committee elects to foreclose the lien in the same manner as foreclosures in deeds of trust, then the Owner by accepting a deed to the Unit hereby irrevocably appoints the attorney of the Association, provided s/he is a member of the Utah State Bar, as Trustee, and hereby confers upon said Trustee the power of sale set forth with particularity in Utah Code Annotated, Section 57-1-23 (1953), as amended. In addition, Owner hereby transfers in trust to said Trustee all of his right, title and interest in and to the real property for the purpose of securing his performance of the obligations set forth herein.

k) Attorney in Fact. Each Owner by accepting a deed to a Unit hereby irrevocably appoints the Association as his attorney in fact to collect rent from any person renting his Unit, if the Unit is rented and Owner is delinquent in his Assessments. Rent due shall be paid directly to the Association, upon written demand, until such time as the Owner's Assessments are current; and the Owner shall credit the Renter, against rent due, for the amount of money paid to the Association.

l) Termination of Utilities and Right to Use Amenities for Non-Payment of Assessments.

1) If an owner fails or refuses to pay any assessment when due, the management committee may (a) terminate the owner's right to receive utility services paid as a common expense; and (b) terminate the owner's right of access and use of recreational facilities, after giving notice and an opportunity to be heard.

2) Before terminating utility services or right of access and use of recreational facilities, the manager or management committee shall give written notice to the owner in the manner provided in the declaration, bylaws, or association rules. The notice shall state:

(a) utility services or right of access and use of recreational facilities will be terminated if payment of the assessment is not received within the time provided in the declaration, bylaws, or association rules, which time shall be stated and be at least 48 hours;

(b) the amount of the assessment due, including any interest or late payment fee; and

(c) the right to request a hearing.

3) An owner who is given such notice may request an informal hearing to dispute the assessment by submitting a written request to the management committee within 14 days from the date the notice is received. A notice shall be considered received on the date (a) it is hand delivered, (b) it is delivered by certified mail, return receipt requested, or (c) five (5) days after it is deposited in the U.S. Mail, postage prepaid, addressed to the owner's last known address on the books and records of the Association

4) The hearing shall be conducted in accordance with the standards provided in the declaration, bylaws, or association rules.

5) If a hearing is requested, utility services or right of access and use of recreational facilities may not be terminated until after the hearing has been conducted and a final decision has been entered.

6) Upon payment of the assessment due, including any interest or late payment fee, the manager or management committee shall immediately take action to reinstate the terminated utility services to the unit and right to use of recreational facilities.

m) Assignment of Rents.

1) If the owner of a unit who is leasing the unit fails to pay any assessment for a period of more than 60 days after it is due and payable, the management

committee may demand the tenant to pay to the association all future lease payments due the owner, commencing with the next monthly or other periodic payment, until the amount due to the association is paid; provided, however, the manager or management committee must give the owner written notice, in accordance with the declaration, bylaws, or association rules, of its intent to demand full payment from the tenant. This notice shall:

(a) provide notice to the tenant that full payment of remaining lease payments will commence with the next monthly or other periodic payment unless the assessment is received within the time period provided in the declaration, bylaws, or association rules;

(b) state the amount of the assessment due, including any interest or late payment fee;

(c) state that any costs of collection, not to exceed \$150, and other assessments that become due may be added to the total amount due; and

(d) provide the requirements and rights described herein.

2) If the owner fails to pay the amount of the assessment due by the date specified in the notice, the manager or management committee may deliver written notice to the tenant, in accordance with the declaration, bylaws, or association rules, that demands future payments due to the owner be paid to the association pursuant hereto. A copy of the notice must be mailed to the owner at his last known address as shown on the books and records of the Association. The notice provided to the tenant must state:

(a) that due to the owner's failure to pay the assessment within the time period allowed, the owner has been notified of the management committee's intent to collect all lease payments due to the association pursuant hereto.

(b) that until notification by the association that the assessment due, including any interest or late payment fee, has been paid, all future lease payments due to the owner are to be paid to the association; and

(c) payment by the tenant to the association in compliance herewith will not constitute a default under the terms of the lease agreement. If payment is in compliance with this Subsection (6) suit or other action may not be initiated by the owner against the tenant for failure to pay.

3) All funds paid to the association pursuant hereto shall be deposited in a separate account and disbursed to the association until the assessment due, together with any cost of administration which may not exceed \$25, is paid in full. Any remaining balance must be paid to the owner within five business days of payment in full to the association.

4) Within five business days of payment in full of the assessment, including any interest or late payment fee, the manager or management committee must notify the tenant in writing that future lease payments are no longer due to the association. A copy of this notification must be mailed to the owner.

5) As used in this section, the terms "lease" or "leasing" shall mean and refer to regular, exclusive occupancy of a unit by any person or persons, other than the owner, for which the owner receives any consideration or benefit, including a fee, service, gratuity, or emolument.

n) Lenders, Foreclosures and Unpaid Assessments. Anything to the contrary notwithstanding, any first mortgagee who obtains title to a Unit pursuant to the remedies in the mortgage or trust deed or through foreclosure will not be liable for more than six (6) months of the unpaid regularly budgeted assessments, dues or charges accrued before acquisition of the title to the property by the mortgage, although the first mortgagee will also be liable for any reasonable attorneys fees or costs related to the collection of the unpaid dues. All other grantees who obtain title to a Unit in a voluntary conveyance or pursuant to the remedies in a mortgage or trust deed or through foreclosure shall be jointly and severally liable with the trustor or mortgagor for all unpaid assessments, late fees, default interest and collection costs, including a reasonable attorneys fee, against the Unit for its share of the Common Expenses up to the time of the grant or conveyance, without prejudice to the grantee's rights to recover from the trustor or mortgagor the amounts paid by the grantee.

27. Liability of Management Committee. The Association shall indemnify every officer and member of the Committee against any and all expenses, including but not limited to attorney's fees reasonably incurred by or imposed upon any officer or member of the Committee in connection with any action, suit, or other proceeding (including settlement of any suit or proceeding, if approved by the then Committee) to which he or she may be a party by reason of being or having been an officer or member of the Committee. The officers and members of the Committee shall not be liable for any mistake of judgment, negligent or otherwise, except for their own individual willful misfeasance, malfeasance, misconduct or bad faith. The officers and members of the Committee shall have no personal liability with respect to any contract or other commitment made by them, in good faith, on behalf of the Association (except to the extent that such officers or members of the Committee may also be Members of the Association), and the Association shall indemnify and forever hold each such officer and member of the Committee free and harmless against any and all liability to others on account of any such contract or commitment. Any right to indemnification provided for herein shall be exclusive of any other rights to which any officer or member of the Committee, or former officer or member of the Committee, may be entitled. The Association shall, as a common expense, maintain adequate general liability and officer's and director's insurance coverage to fund this obligation, if such insurance is reasonably available.

28. Insurance. The Manager, Management Committee or Association, will obtain insurance against loss or damage by fire and other hazards for: (a) all Common Elements and Facilities; and (b) all Buildings that contain more than one Unit, including any improvement

which is a permanent part of a Building. The insurance coverage shall be written on the property in the name of the Manager, Management Committee or Association, as trustee for each of the Unit Owners in the percentages established in this Declaration. The insurance premiums shall be a Common Expense. This Section is without prejudice to the right of each Unit Owner to insure his own Unit for his benefit. The Manager, Management Committee or Association shall satisfy at least the following minimum requirements:

a) Property Insurance. Blanket property insurance using the standard "Special" or "All Risk" building form. Loss adjustment shall be based upon replacement cost. For purposes of this sub-section, the term "casualty insurance" shall not mean or refer to "earthquake" or other special risks not included in the standard 'condominium' casualty policy. This additional coverage may be added by the Committee as it deems necessary in its best judgement and in its sole discretion. The Association may purchase a policy with a deductible up to \$10,000.00. The Association may require Unit Owners or residents to obtain insurance covering the amount of the deductible if, under the Declaration, they would, but for insurance coverage, be responsible for the loss or claim.

b) Flood Insurance. If any part of the Project's improvements are in a Special Flood Hazard Area -- which is designated as A, AE, AH, AO, A1-30, A-99, V, VE, or V1-30 on a Flood Insurance Rate Map (FIRM) -- the Association shall obtain a "master" or "blanket" policy of flood insurance and provide for the premiums to be paid as a common expense. The policy should cover any common element buildings and any other common property. The Unit Owner may also be required to purchase an individual policy. The amount of flood insurance should be at least equal to the lesser of 100% of the insurable value of the facilities or the maximum coverage available under the appropriate National Flood Insurance Administration program.

c) Liability Insurance. A public liability policy covering the Common Area, the Association and its Members for all damage or injury caused by the negligence of the Association or any of its Members or agents. The public liability policy shall have at least a One Million (\$1,000,000) Dollar single person limit as respects bodily injury and property damage, a Two Million (\$2,000,000) Dollar limit per occurrence, if reasonably available, and a One Million (\$1,000,000) Dollar minimum property damage limit. If possible, the policy should be written on the comprehensive form and shall include non-owned and hired automobile liability protection.

d) Directors and Officers Insurance. A director's and officer's liability or errors and omissions policy, if reasonably available, with at least One Million (\$1,000,000) Dollars in coverage.

e) Fidelity Bond. A separate fidelity bond in a reasonable amount to be determined by the Management Committee to cover all non-compensated officers as well as all employees for theft of Association funds, subject to the following:

(1) Agents. Furthermore, where the Committee or the Association has delegated some or all of the responsibility for the handling of funds to a management agent, such bonds are required for the management agent's officers, employees and agents handling or responsible for funds of, or administered on behalf of, the Committee or the Association.

(2) Amount of Coverage. The total amount of fidelity bond coverage required shall be based upon the Committee's best business judgement, but shall not be less than the estimated maximum amount of funds, including reserve funds, in the custody of the Committee, the Association, or the management agent as the case may be, at any given time during the term of each bond. Nevertheless, in no event may the amount of such bonds be less than a sum equal to three (3) months' aggregate assessments on all Lots, plus reserve funds.

(3) Quality of Coverage. The bonds required shall meet the following additional requirements: (a) they shall name the Committee, the Owners Association, and the Property Manager as obligee; (b) if the insurance contract or bond excludes coverage for damages caused by persons serving without compensation, and may use that exclusion as a defense or reason not to pay a claim, the insurance company shall, if possible, be required to waive that exclusion or defense; (c) the premiums on all bonds required herein for the Committee and the Association (except for premiums on fidelity bonds maintained by a management agent for its officers, employees and agents) shall be paid by the Committee or the Association as part of the Common Expenses; and (d) the bonds shall provide that they may not be canceled or substantially modified, including cancellation for nonpayment of premium, without at least ten days' prior written notice to the Committee and the Association, to any Insurance Trustee, and to each service of loans on behalf of any Mortgagee, and FNMA.

f) Earthquake Insurance shall not be required unless requested by at least Seventy five percent (75%) of the Members of the Association.

g) Miscellaneous Items. The following provisions shall apply to all insurance coverage:

(1) Quality of Carrier. A "B" or better general policyholder's rating or a "6" or better financial performance index rating in Best's Insurance Reports, an "A" or better general policyholder's rating and a financial size category of "VIII" or better in Best's Insurance reports -- International Edition, an "A" or better rating in Demotech's Hazard Insurance Financial Stability Ratings, a "BBBq" qualified solvency ratio or a "BBB" or better claims-paying ability rating in Standard and Poor's International Confidential Rating Service -- if the carrier is issuing a master policy or an insurance policy for the common elements in the Project.

(2) The Insured. The name of the insured under each policy required to be maintained hereby shall be set forth therein substantially as follows: "Association of Unit Owners for Presidential Villas Condominium, for the use and benefit of the individual Owners."

(3) Designated Representative. The Association may designate an authorized representative of the Association, including any Insurance Trustee with whom the

Association has entered into an Insurance Trust Agreement, or any successor to such Trustee, for the use and benefit of the individual Owners.

(4) Beneficiary. In any policy covering the entire Project, each owner and his Mortgagee, if any, shall be beneficiaries of the policy in an amount equal to the Owner's percentage of undivided Ownership interest in the Common Areas and Facilities.

(5) Certificate of Insurance. Evidence of insurance shall be issued to each Owner and Mortgagee upon request.

(6) Mortgage Provisions. Each policy shall contain a standard mortgage clause or its equivalent and shall provide that the policy may not be canceled or substantially modified without at least ten (10) days prior written notice to the Association and to each Mortgagee.

(7) Miscellaneous Provisions. Each insurance policy shall contain at least the following additional miscellaneous items: (a) A waiver of the right of a subrogation against Owners individually; and (b) A provision that the insurance is not prejudiced by any act or neglect of any individual Owner.

(8) Prompt Repair. Each Owner further covenants and agrees that in the event of any partial loss, damage or destruction of his Unit, the Owner shall proceed promptly to repair or to reconstruct the damaged structure in a manner consistent with the original construction.

(9) Disbursement of Proceeds. Proceeds of insurance policies shall be disbursed to repair promptly and reasonably the damages. Any proceeds remaining thereafter shall be placed in the Capital Improvement Reserve Account and retained by and for the benefit of the Association. This is a covenant for the benefit of the Association and any Mortgagee of a Unit, and may be enforced by them.

(10) Special Endorsements. Each policy shall also contain or provide those endorsements commonly purchased by other Associations in similarly situated first class subdivisions in the county, including but not limited to a guaranteed replacement cost endorsement under which the insurer agrees to replace the insurable property regardless of the cost and,; or a Replacement Cost Endorsement under which the insurer agrees to pay up to 100% of the property's insurable replacement cost, but no more, and, if the policy includes a coinsurance clause, an Agreed Amount Endorsement which waives the requirement for coinsurance; an Inflation Guard Endorsement when it can be obtained, a Building Ordinance or Law Endorsement, if the enforcement of any building, zoning or land-use law will result in loss or damage, increased cost of repairs or reconstruction, or additional demolition and removal costs, and increased costs of reconstruction; Steam Boiler and Machinery Coverage Endorsement if the Project has any central heating or cooling.

(11) Restrictions on Policies. No insurance policy shall be maintained where:

a. Individual Assessments Prohibited. Under the term of the carrier's charter, By-Laws, or policy, contributions may be required from, or assessments may be made against, an Owner, a borrower, a Mortgagee, the Management Committee, the Association, FNMA, or the designee of FNMA.

b. Payments Contingent. By the terms of the Declaration, By-Laws, or policy, payments are contingent upon action by the carrier's board of directors, policyholder, or member; or

c. Mortgagee Limitation Provisions. The policy includes any limited clauses (other than insurance conditions) which could prevent the party entitled (including, without limitation, the Committee, the Association, an Owner, FNMA, or the borrowers) from collecting insurance proceeds.

(12) Intent. The foregoing provisions shall not be construed to limit the power or authority of the Association, Committee or Owners to obtain and maintain insurance coverage, in amounts and in such forms as the Management Committee or Association may deem appropriate from time to time.

(13) Deductible. The deductible on a claim made against the Association's Property Insurance Policy shall be paid for by the party who would be liable for the loss, damage, claim, or repair in the absence of insurance, and in the event of multiple responsible parties, the loss shall be allocated in relation to the amount each party's responsibility bears to the total. If a loss is caused by an act of God or nature or by an element, risk or peril beyond the control of the Unit Owner, then the Association shall be responsible for the deductible.

h) Adjusting Claims. The Management Committee has the authority to adjust claims and declare whether it is the intent of the Association that its master insurance policy is to provide primary or secondary coverage. The Management Committee may refuse to submit an insurance claim, if the claimant has coverage for the loss or there is a substantial likelihood that the claim will be covered by the Owner's or renter's insurance company, and (1) submitting the claim risks cancellation of the Association's insurance or a significant increase in premiums, or (2) the problem occurred in the Unit, or (3) was caused by the claimant or under his control, or (4) the claim is legally or primarily the responsibility of the claimant. The Management Committee may also elect to self-insure any claim and, in such an instance, the person legally responsible for the loss or maintenance shall pay a sum equal to the deductible.

29. Destruction, Condemnation, and Obsolescence. The following provisions shall apply with respect to the destruction, condemnation, or obsolescence of the Project.

a) Definitions. Each of the following terms shall have the meaning indicated:

(1) "Substantial Destruction" shall exist whenever, as a result of any damage or destruction to the Project or any part thereof, the excess of the estimated cost of restoration over the funds available is Twenty five percent (25%) percent or more of the estimated restored value of the Project.

(2) "Partial Destruction" shall mean any other damage or destruction to the Project or any part thereof.

(3) "Substantial Condemnation" shall exist whenever a complete taking of the Project or a taking of part of the Project has occurred under eminent domain or by grant or conveyance in lieu of condemnation, and the excess of the estimated cost of restoration over the funds available is Twenty five (25%) percent or more of the estimated restored value of the Project.

(4) "Partial Condemnation" shall mean any other such taking by eminent domain or grant or conveyance in lieu thereof.

(5) "Substantial Obsolescence" shall exist whenever the Project or any part thereof has reached such a state of obsolescence or disrepair that the excess of the estimated cost of restoration over the funds available is Twenty five percent (25%) percent or more of the estimated restored value of the Project.

(6) "Partial Obsolescence" shall mean any state of obsolescence or disrepair which does not constitute Substantial Obsolescence.

(7) "Restored Value" shall mean the fair market value of the Project after Restoration as determined by an MAI or other qualified appraisal.

(8) "Estimated Cost of Restoration" shall mean the estimated costs of restoring the Project to its former condition.

(9) "Available Funds" shall mean any proceeds of insurance, condemnation awards, payments in lieu of condemnation, and any uncommitted funds of the Management Committee or Association. Available Funds shall not include that portion of insurance proceeds legally required to be paid to any party other than the Association, including a mortgagee, or that portion of any condemnation award or payment in lieu of condemnation payable to the Owner or Mortgagee for the condemnation or taking of the Unit in which they are interested.

b) Determination by Committee. Upon the occurrence of any damage or destruction to the Project or any part thereof, or upon a complete or partial taking of the Project under eminent domain or by grant or conveyance in lieu thereof, the Committee shall make a

determination as to whether the excess of Estimated Costs of Restoration over Available Funds is twenty-five percent (25%) or more of the estimated Restored Value of the Project. In addition, the Committee shall, from time to time, review the condition of the Project to determine whether Substantial Obsolescence exists. In making such determinations the Committee may retain and rely upon one or more qualified appraisers or other professionals.

c) Restoration of the Project. Restoration of the Project shall be undertaken by the Committee promptly without a vote of the Owners in the event of Partial Destruction, Partial Condemnation, or Partial Obsolescence and shall also be undertaken in the event of Substantial Destruction, Substantial Condemnation, or Substantial Obsolescence unless the failure to make Restoration is consented to by Owners collectively holding at least sixty-seven percent of the Project's undivided Ownership interest and is further consented to by Eligible Mortgagees holding Mortgages on Units which have appurtenant at least fifty-one (51%) percent of the undivided ownership interest in the Common Areas and Facilities which is then subject to Mortgages held by Eligible Mortgagees.

d) Notices of Destruction or Obsolescence. Within thirty (30) days after the Committee has determined that Substantial Destruction, Substantial Condemnation, or Substantial Obsolescence exists, it shall send to each Owner and Eligible Mortgagee a written description of the destruction, condemnation, or state of obsolescence involved, shall take appropriate steps to ascertain the preferences of the Eligible Mortgagees concerning Restoration, and shall, with or without a meeting of the Owners (but in any event in accordance with the applicable provisions of this Declaration), take appropriate steps to determine the preferences of the Owners regarding Restoration.

e) Excess Insurance. In the event insurance proceeds, condemnation awards, or payments in lieu of condemnation actually received by the Committee or Association exceed the cost of Restoration when Restoration is undertaken, the excess shall be paid and distributed to the Owners in proportion to their respective undivided interests in the Common Areas. Payment to any Owner whose Unit is the subject of a Mortgage shall be made jointly to such Owner and the interested Mortgagee.

f) Inadequate Insurance. If the cost of Restoration exceeds Available Funds, the Management Committee may elect to make a special assessment in accordance with Article III, Section 21 above to pay for the deficiency.

g) Reallocation in Event of Partial Restoration. In the event that all or any portion of one or more Units will not be the subject of Restoration (even though the Project will continue as a condominium project) or is taken in a condemnation proceeding or pursuant to any agreement in lieu thereof, the undivided Ownership interest in the Common Areas and Facilities shall be immediately reallocated to the remaining Units.

h) Sale of Project. Unless Restoration is accomplished as set forth above, the Project shall be sold in the event of Substantial Destruction, Substantial Condemnation, or Substantial Obsolescence. In the event of such sale, condominium Ownership under this

Declaration and the Condominium Plat shall terminate and the proceeds of sale and any Available Funds shall be distributed by the Committee to the Owners in proportion to their respective undivided interests in the Common Areas. Payment to any Owner whose Unit is then the subject of a Mortgage shall be made jointly to such Owner and the interested Mortgagee.

i) Authority of Committee to Represent Owners in Condemnation or to Restore or Sell. The Committee, as attorney-in-fact for each Owner, shall represent all of the Owners and the Association in any condemnation proceeding or in negotiations, settlements, and agreements with the condemning authority for the acquisition of all or any part of the Common Areas and Facilities.

j) Settlement Proceeds. The award in any condemnation proceeding and the proceeds of any settlement related thereto shall be payable to the Association for the use and benefit of the Owners and their mortgagees as their interests may appear.

k) Restoration Power. The Committee, as attorney-in-fact for each Owner, shall have and is hereby granted full power and authority to restore or to sell the Project and each Unit therein whenever Restoration or sale, as the case may be, is undertaken as hereinabove provided.

l) Right of Entry. Such authority shall include the right and power to enter into any contracts, deeds or other instruments which may be necessary or appropriate for Restoration or sale, as the case may be.

m) Termination of Legal Status. Any action to terminate the legal status of the Project after Substantial Destruction or Condemnation occurs shall be agreed to by Unit Owners who represent at least sixty-seven (67%) percent of the total allocated votes in the Association and by Eligible Mortgage holders who represent at least fifty-one (51%) percent of the votes of the Units that are subject to mortgages held by eligible holders.

The termination of the legal status of the Project for reasons other than Substantial Destruction or Condemnation of the property shall be agreed to by Eligible Mortgage holders that represent at least sixty-seven (67%) percent of the votes of the mortgaged Units. However, implied approval may be assumed when an Eligible Mortgage holder (except (where appropriate) the Federal Housing Administration of the United States Department of Housing and Urban Development (FHA), the Federal Home Loan Mortgage Corporation or the Mortgage Corporation (FHLMC), Federal National Mortgage Association (FNMA), Government National Mortgage Association (GNMA) or the Department of Veterans Affairs (VA)) fails to submit a response to any written proposal for an amendment within thirty (30) days after it receives proper notice of the proposal, provided the notice was delivered by certified or registered mail, with a "return receipt" requested.

30. Consent in Lieu of Vote. In any case in which this Declaration requires the vote of an Owner for authorization or approval of an act or a transaction, such requirement may be fully satisfied by obtaining, with or without a meeting, consents in writing to such transaction from Owners who collectively hold the required percentages, subject to the following conditions:

a) Sixty-Day Limit. All necessary consents must be obtained prior to the expiration of sixty (60) days from the time the first written consent is obtained; and

b) Change In Ownership. Any change in Ownership of a Unit which occurs after consent has been obtained from the Owner having an interest therein shall not be considered or taken into account for any purpose; and

c) Notice. If approved, written notice of the approval must be given to all Unit Owners at least ten (10) days before any action is required by them.

31. Mortgagee Protection. Nothing herein contained, and no violation of these covenants, conditions and restrictions, shall invalidate or impair the lien of any mortgage or deed of trust, given in good faith and for value. Mortgagees are excluded from any leasing or rental restrictions when obtaining or after obtaining a Unit in foreclosure. The lien or claim against a Unit for unpaid Assessments levied by the Management Committee or by the Association pursuant to this Declaration shall be subordinate to any Mortgage recorded on or before the date such Assessments become due. In addition:

a) Effects of Voluntary and Involuntary Sale. The lien or claim against a Unit for such unpaid Assessments shall not be affected by any sale or transfer of such Unit, except that a sale or transfer pursuant to a foreclosure of the Mortgage affecting such Unit or the exercise of a power of sale available thereunder shall extinguish any debt payable prior to such sale or transfer. Nevertheless, any such unpaid Assessments which are extinguished in accordance with the foreclosure or power of sale shall not relieve the purchaser or transferee of such Unit from liability for, nor such Unit the lien of any Assessments becoming due thereafter.

b) Books and Records Available for Inspection. The Committee or the Association shall make available to the Owners, to Mortgagees, and lenders, and to holders, insurers, or guarantors of any Mortgage current copies of the Declaration, By-Laws, and administrative rules and regulations concerning the Project, as well as the books, records, and financial statements of the Committee and the Association. The term "Available," as used in the Paragraph, shall mean available for reasonable inspection upon request during normal business hours or under other reasonable circumstances. The Association shall have the right to recover its photocopying and service charges incurred in making the inspection and photocopying available.

c) Right to Financial Statement. The holder, insurer or guarantor of any Mortgage shall be entitled, upon written request, to a financial statement for the immediately preceding fiscal year. Any financial statement requested pursuant hereto shall be furnished to the requesting party within a reasonable time following such request.

d) Management Contracts. Any agreement for professional management of the Project, and any contract for goods or services, or any lease which is entered into by the Management Committee shall provide, or be deemed to provide hereby, that:

(1) Either party may terminate the contract with cause upon at least thirty (30) days prior written notice to the other party; and

(2) No contract may be for an initial term greater than one (1) year.

e) Eligible Mortgagee Designation. Upon written request to the Committee or the Association by the holder, insurer, or guarantor of a Mortgage (which request identifies the name and address of such holder, insurer or guarantor and the Unit Number or address of the property encumbered by the Mortgage held or insured by such holder, insurer, or guarantor), such holder insurer, or guarantor shall be deemed thereafter to be an "Eligible Mortgagee" or "Eligible Insurer" or "Eligible Guarantor," as the case may be, shall be included on the appropriate lists maintained by the Association, and shall be entitled to timely written notice of any of the following:

(1) Condemnation Loss or Award. Any condemnation loss or any casualty loss which affects a material portion of the Project or any Unit on which there is a Mortgage held, insured, or guaranteed by such Eligible Insurer or Guarantor.

(2) Delinquency. Any delinquency in the payment of Assessments owed by an Owner of a Unit subject to a Mortgage held, insured or guaranteed by such Eligible Insurer or Guarantor, which delinquency remains uncured for a period of sixty days.

(3) Lapse of Insurance. Any lapse, cancellation, or material modification of any insurance policy or fidelity bond maintained by the Committee or the Association.

(4) Consent Required. Any proposed action which would require the consent of a specified percentage of Eligible Mortgagees.

f) Approval of Proposed Action or Transaction. Any Mortgagee who receives, by certified or registered mail, a written request, with a return receipt requested, to approve any act, transaction or amendment to the Declaration, and who does not return a negative response within thirty (30) days shall be deemed to have approved such request; provided, however and anything to the contrary notwithstanding, so long as Declarant is in control of the owner's association, such action or transaction must be approved in writing by the Department of Veterans Affairs (VA) pursuant to CFR, Title 38, Section 36.4357(b)(4) and, if any financing or the guaranty of any financing of a Unit is provided by the Federal Housing Administration of the United States Department of Housing and Urban Development (FHA), the Federal Home Loan Mortgage Corporation or the Mortgage Corporation (FHLMC), Federal National Mortgage Association (FNMA), Government National Mortgage Association (GNMA), by such agencies.

32. Amendment.

a) General. Except as provided elsewhere in this Declaration, including by way of illustration but not limitation to sections pertaining to the annexation or withdrawal of land, any amendment to this Declaration shall require the affirmative written vote or consent of

at least sixty-seven percent (67%) of the Total Votes of the Association cast either in person or by proxy at a meeting duly called for such purpose or otherwise approved in writing by such Owners without a meeting. Any amendment authorized pursuant to this Section shall be accomplished through the recordation in the Office of the County Recorder of an instrument executed by the Association. In such instrument an officer or delegate of the Association shall certify that the vote required by this Section for amendment has occurred.

b) Initial Declarant Right to Amend. The Declarant alone may amend or terminate this Declaration prior to the closing of a sale of the first Unit.

c) Unilateral Right to Amend Under Certain Conditions. Notwithstanding anything contained in this Declaration to the contrary, this Declaration may be amended unilaterally at any time and from time to time by Declarant if such Amendment is (1) necessary to correct typographical errors or inadvertent omissions; (2) necessary to bring any provision hereof into compliance with any applicable governmental statute, rule, or regulation or judicial determination which shall be in conflict therewith; or (3) reasonably necessary to enable any reputable title insurance company to issue title insurance coverage with respect to the Units subject to this Declaration; provided, however, any such Amendment shall not materially adversely affect the title to any Unit unless any such Owner shall consent thereto in writing.

d) Declarant's Right to Amend Unilaterally Prior to Termination of Declarant's Right to Control. Prior to the expiration of the Period of Declarant's Control, Declarant may unilaterally amend this Declaration for any other purpose; provided, however, any such Amendment shall not materially adversely affect the substantive rights of any Owner hereunder, nor shall it adversely affect title to any property without the consent of the affected Owner.

e) To Satisfy Requirements of Lenders. Anything to the contrary notwithstanding, Declarant reserves the unilateral right to amend all or any part of this Declaration to such extent and with such language as may be requested by a State Department of Real Estate (or similar agency), FHA, VA, the FHLMC or FNMA and to further amend to the extent requested by any other federal, state or local governmental agency which requests such an amendment as a condition precedent to such agency's approval of this Declaration or approval of the sale of Units, or by any federally chartered lending institution as a condition precedent to lending funds upon the security of any Unit, or any portions thereof. Any such amendment shall be effected by the recordation by Declarant of a written Amendment duly signed by the Declarant, specifying the federal, state or local governmental agency or the federally chartered lending institution requesting the amendment and setting forth the change, modification or amendment requested by such agency or institution. Recordation of such an Amendment shall be deemed conclusive proof of the agency's or institution's request for such an amendment, and such Amendment, when recorded, shall be binding upon all Units and all persons having an interest therein. It is the desire of Declarant to retain control of the Association and its activities during the anticipated period of planning and development. If any amendment requested pursuant to the provisions of hereof deletes, diminishes or alters such control in any manner

whatsoever in the opinion of Declarant, Declarant shall have the unilateral right to amend this Declaration to restore such control.

f) Declarant's Rights. No provision of this Declaration reserving or granting to Declarant the Developmental Rights shall be amended without the prior express written consent of Declarant, which consent may be withheld, conditioned or delayed for any reason or for no reason at Declarant's sole and exclusive discretion.

g) Consent of Eligible Mortgagee. The consent of Eligible Mortgagees holding at least sixty seven percent (67%) of the undivided ownership interest of the Owners in the Tract in the Common Area and Facilities and shall be required to any amendment which would terminate the legal status of the Tract; and the consent of Eligible Mortgagees holding at least fifty-one (51%) percent of the undivided ownership interest of the Owners in the Tract in the Common Area and Facilities shall be required to add to or amend any material provision of this Declaration or the Plat Map which establishes, provides for, governs, or regulates any of the following, which are considered as "material":

- 1) voting rights;
- 2) increases in assessments that raise the previously assessed amount by more than twenty-five (25%) percent, assessment liens, or the priority of assessments liens;
- 3) reduction in reserves for maintenance, repair, and replacement of the Common Area and Facilities;
- 4) responsibility for maintenance and repairs;
- 4) reallocation of interests in the Common Area and Facilities, or rights to their use;

h) Material Amendment. Any addition or amendment shall not be considered material for purposes of this Section if it is for the clarification only or to correct a clerical error.

i) Notice to Eligible Mortgagee. Notice of any proposed amendment to any Eligible Mortgagee to whom a written request to approve an addition or amendment to this Declaration or the Plat Map is required shall be mailed postage prepaid to the address for such Mortgagee shown on the list maintained by the Association. Any Eligible Mortgagee who does not deliver to the Management Committee or the Association a negative response to the notice of the proposed amendment within thirty (30) days from the date of such mailing shall be deemed to have approved the proposal. The foregoing consent requirements shall not be applicable to amendments to this Declaration and the Plat Map or the termination of the legal status of the Project as a planned residential development if such amendments or such termination are made or accomplished in accordance with the provisions of this Declaration regarding Condemnation or Substantial Obsolescence.

33. Due Process. In the event of a claimed violation of the Project Documents or the Act, no citation or suspension shall be imposed without the Management Committee first giving the alleged violator written notice of the violation and an opportunity to be heard by the Management Committee; provided, however, nothing herein shall be construed to prevent the Management Committee from (a) immobilizing, towing or impounding a motor vehicle in violation of the parking rules and regulations for which no additional notice is required, or (b) making any emergency repairs or taking any other emergency action it deems necessary and subsequently providing notice to the Unit Owner, Guest or Permittee, and, subsequently, giving said person an opportunity to be heard.

34. Declarant's Sales Program. Anything to the contrary notwithstanding, until Declarant has sold all Units owned by it, or the expiration of five (5) years following the date on which the Declaration is filed for record in the Office of the Salt Lake County Recorder, whichever first occurs, the following provisions shall be deemed to be in full force and effect,

none of which shall be construed so as to relieve the Declarant from any obligations of an Owner to pay his portion of the Common Expenses or other Assessments, except as herein otherwise provided. Neither the Owners, the Association, nor the Management Committee shall interfere with the completion of improvements and sale of Declarant's Units, and Declarant shall have the following rights in furtherance of any sales, promotions or other activities designed to accomplish or facilitate the sale of all Units owned by Declarant:

a) Sales Office and Model Units. Declarant shall have the right to maintain one (1) or more sales offices and one (1) or more model Units at any one time. Such office and/or models may be one or more of the Units owned by the Declarant, one or more separate structures or facilities placed on the Property for the purpose of aiding Declarant's sales effort, or any combination of the foregoing;

b) Promotional. Declarant shall have the right to maintain a reasonable number of promotional, advertising and/or directional signs, banners or similar devices at any place or places on the Property in accordance with City ordinances.

c) Common Area Use. Declarant shall have the right to use the Common Areas of the Project including but not limited to the right to use the Clubhouse as a sales office and in any other way necessary to facilitate sales.

d) Relocation and Removal. Declarant shall have the right from time to time to locate or relocate any of its sales offices, models, or signs, banners or similar devices, but in connection with each such location or relocation shall observe the limitations imposed by the preceding portion of this Section. Within a reasonable period of time after the happening of the Event, Declarant shall have the right to remove from the Project any signs, banners or similar devices and any separate structure or facility which was placed on the Property for the purpose of aiding Declarant's sales effort.

d) Selling or Leasing Unassigned Parking Spaces. Each Owner shall be assigned at least one covered and one uncovered parking space (the "Assigned Parking Spaces"). Declarant is hereby expressly granted and Declarant hereby expressly reserves the right to sell, lease, exchange, transfer or otherwise convey twelve of the covered parking spaces and twelve of the uncovered parking spaces, provided they are not Assigned Parking Spaces.

e) Restrictions in Favor of the Declarant. The recreational amenities or facilities at the Project may not be subject to any restriction or reservation in favor of the Declarant or any of its affiliates.

35. Limitation on Improvements by Association. Until such time as the earlier of the following events occur: (a) all of the Additional Land has been added and the Declarant has sold or rented all of the Units, or (b) five (5) years after the date of the sale of the first Unit in Phase I, or (c) such time as Declarant chooses, neither the Association nor the Committee shall, without the written consent of Declarant, make any improvement to or alteration in any of the Common Areas and Facilities created or constructed by Declarant, other than such repairs,

replacements, or similar matters as may be necessary to properly maintain the Common Areas as originally created or constructed by Declarant.

36. Completion Obligation. Declarant hereby covenants in favor of each Owner that within two (2) years from the date of any contract of sale:

a) Units. Each Unit which an Owner has contracted to purchase, the Building within which such Unit is contained or is to be contained, and the appurtenant Limited Common Area shall be substantially constructed, and ready for use or occupancy (as the case may be); and

b) Common Area. There shall be substantially completed and usable as part of the Common Areas all planned landscaping, green space, sidewalks, parking facilities, roads, fences, outdoor lighting, and utility lines and conduits adjacent to the Unit or Building in which a Unit is located, and necessary for its use.

37. Declarant's Rights Assignable. All of the rights of Declarant under this Declaration may be assigned or transferred either by operation of law or through a voluntary conveyance, transfer or assignment. Any Mortgage covering all Units or Buildings in the Project title to which is vested in Declarant shall, at any given point in time and whether or not such Mortgage does so by its terms, automatically cover, encumber, and include all of the then unexercised or then unused rights, powers, authority, privileges, protections and controls which are accorded to Declarant (in its capacity as Declarant) herein.

38. Mortgagee Approval. Until the termination of the Period of Declarant's Control, the Declarant shall not annex additional properties or amend the Declaration without the prior written consent (where appropriate) of the Federal Housing Administration of the United States Department of Housing and Urban Development (FHA), the Federal Home Loan Mortgage Corporation or the Mortgage Corporation (FHLMC), Federal National Mortgage Association (FNMA), Government National Mortgage Association (GNMA) or the Department of Veterans Affairs (VA).

39. Transfer of Management. Anything to the contrary notwithstanding, Declarant may at any time relinquish its reserved right to select the Members of the Committee and may elect to transfer the management of the Project to a Committee elected by the Owners. Upon the termination of the Period of Declarant's Control, or sooner if the Declarant so elects, Declarant shall notify Owners in writing of the effective date of such transfer (the "Transfer Date") at least forty five (45) days prior thereto. Thereupon, the Owners shall call a meeting to elect the Members of the Management Committee to take office as of the Transfer Date. Declarant covenants to cooperate with the Owners in effecting an orderly transition of management. Moreover, Declarant shall cause all obligations for Common Expenses of the Association prior to the Transfer Date to be paid in full on or before such date, and shall transfer any Association funds to the newly elected Committee.

40. Working Capital Fund. A working capital fund shall be established by the Declarant equal to or greater than two (2) months' Assessments for each Unit. Each Unit's share of the working capital fund shall be paid by the buyer of a Unit, collected by the title company, and transferred to the Association at the time of closing of the sale of each Unit. If the working capital contribution is paid for by the Declarant, in cash or kind, then the Declarant shall be reimbursed for such contribution by the buyer of such Unit at the time of closing. The purpose of the working capital fund is to insure that the Management Committee will have cash available to satisfy unforeseen expenses or to acquire additional equipment or services necessary for the operation, control and regulation of the Project. Sums paid into the working capital fund are not to be considered as advance payments or regular monthly payments of Common Expenses. Thereafter, the Management Committee may continue the working capital fund by charging a reasonable transfer or impact fee when Units are sold or rented.

41. Separate Taxation. Each Unit and its percentage of undivided interest in the Common Areas and Facilities shall be considered to be a parcel and shall be subject to separate assessment and taxation by each assessing unit and special district for all types of taxes authorized by law, including ad valorem levies and special assessments. Neither the Building or Buildings, the property nor any of the Common Areas and Facilities may be considered a parcel for tax purposes.

42. Interpretation. To the extent Utah law is consistent with this Declaration, such provisions shall supplement the terms hereof and are incorporated herein. The captions which precede the Articles and Sections of this Declaration are for convenience only and shall in no way affect the manner in which any provision hereof is construed. Whenever the context so requires, the singular shall include the plural, the plural shall include the singular, the whole shall include any part thereof, and any gender shall include both genders. The invalidity or unenforceability of any portion of this Declaration shall not affect the validity or enforceability of the remainder hereof.

43. Covenants to Run with Land. This Declaration and all the provisions hereof shall constitute covenants to run with the land or equitable servitudes, as the case may be, and shall be binding upon and shall inure to the benefit of Association, all other signatories hereto, all parties who hereafter acquire any interest in a Unit or in the Project, and their respective grantees, transferees, heirs, devisees, personal representative, successors, and assigns. Each Owner or occupant of a Unit shall comply with, and all interests in all Units shall be subject to, the terms of this Declaration and the provisions of any rules, regulations, agreements, instruments, supplements, amendments, and determinations contemplated by this Declaration. By acquiring any interest in a Unit in the Project, the party acquiring such interest consents to, and agrees to be bound by, each and every provision of this Declaration.

44. Enforcement and Right to Recover Attorneys Fees. Should the Association or Committee be required to take action to enforce the Declaration, By-Laws or any administrative rules and regulations adopted from time to time, or to pursue any remedy provided hereunder or by applicable law, whether such remedy is pursued by filing suit or otherwise, they may recover all Additional Charges, including a reasonable attorneys fee, which may arise or accrue.

45. Agent for Service of Process. The President of the Association is the person to receive service of process in the cases authorized by the Act and the office. The initial Registered Agent is R. Preston Miller and the initial office of the Registered Agent is 4530 Butternut Road Salt Lake City, Utah 84117.

46. Combination of Units. An owner of two or more adjoining units shall have the right upon approval of the management committee and the mortgagees of said units, to combine one or more adjoining units or portions thereof and to alter or amend the declaration and map to reflect such combination.

a) Such amendments may be accomplished by the unit owner recording an amendment or amendments to this declaration, together with an amended map or maps containing the same information with respect to the altered units as required in the initial declaration and map with respect to the initial units. All costs and expenses required in such amendments shall be borne by the unit owner desiring such combination.

b) All such amendments to the declaration and map must be approved by attorneys employed by the management committee to insure the continuing legality of the declaration and the map. The cost of such review by the attorneys shall be borne by the person wishing to combine the units.

c) Any amendments of the declaration or map pursuant to this paragraph 20 shall reflect the changes occasioned by the alteration. Such changes shall include a change in the percentage of undivided interest in the common areas and facilities which are appurtenant to the units involved in the alterations. The remaining combined unit, if two or more units are totally combined, will acquire the total of the percentage of undivided interest in the common areas and facilities appurtenant to the units that are combined as set forth in Exhibit "B." If a portion of one unit is combined with another, the resulting units shall acquire a proportionate percentage of the total undivided interest in the common areas and facilities of the units involved in the combination on the basis of area remaining in the respective, combined units. The percentage of undivided interest in the common areas and facilities appurtenant to all other units shall not be changed. All such amendments must, in all instances, be consented to by the management committee and also all other persons holding interest in the units affected. The consent of other unit owners need not be obtained to make such amendments or alterations valid, providing the percentages of undivided interest in the common areas and facilities of the other unit owners remain unchanged.

47. Effective Date. This Declaration, any amendment or supplement hereto, and any amendment or supplement to the Condominium Plat shall take effect upon its being filed for record in the office of the County Recorder of Salt Lake County, Utah.

BY-LAWS FOR
PRESIDENTIAL VILLAS HOMEOWNERS ASSOCIATION

ARTICLE I
REGISTERED AGENT AND OFFICE

1. Office and Registered Agent. The initial Registered Agent shall be R. Preston Miller of 4530 Butternut Road Salt Lake City, Utah 84117. However, after transfer of management and control of the Association is made by the Declarant to the members of the Association, the Registered Agent shall be the President of the Association and the Registered Office shall be the home of the President or such other place as shall be designated by him.

ARTICLE II
ASSOCIATION

1. Composition. The association of unit owners is a mandatory association consisting of all Owners.

2. Place of Meeting. Meetings of the Association shall be held at the principal office of the Association or at such other suitable place as may be designated by the Management Committee from time to time and stated in the notice of meeting.

3. Notice of Meeting. It shall be the duty of the Secretary to hand deliver or mail to each owner at his last known address, by regular U.S. mail postage prepaid, a notice of (a) each annual meeting of the Association not less than ten (10) and not more than thirty (30) days in advance of such meeting. The notice shall state the purpose, day, date, time and place of the meetings. The mailing of a notice of meeting in the manner provided in this Section shall be considered service of notice.

4. Qualified Voters. An Owner shall be deemed to be in "good standing" and "entitled to vote" at any meeting of the Association if he is in full compliance with all of the terms, covenants, and conditions of the Project Documents, and shall have fully paid his share of the Common Expenses and all Assessments and/or Additional Charges due.

5. Proxies. The votes appertaining to any Lot may be cast pursuant to a proxy or proxies duly executed by or on behalf of the Owner, or in cases where the Owner is more than one person, by or on behalf of all such persons. Any proxy shall be void if it is not dated, if it purports to be revocable without notice, or if it is not signed by a person having authority, at the time of the execution thereof, to execute deeds on behalf of that person. Unless it expressly states otherwise, a proxy shall terminate automatically (a) if the Owner attends the meeting in person, (b) it is revoked in writing and written notice of the revocation is given to the Secretary of the Association prior to the meeting, and (c) upon the adjournment of the first meeting held on or

after the date of that proxy. Each proxy must be filed with the Secretary of the Association prior to the meeting. Only individual Owners or the legal representative of an institutional Owner may be proxies.

6. Quorum Voting. A majority of the members of the Association shall constitute a quorum for the adoption of decisions. If however, such quorum shall not be present or represented at any meeting, the Owners entitled to vote thereat, present in person or represented by proxy, shall have power to adjourn the meeting and reschedule for a time no earlier than two days after the set time for the original meeting. No notice of such rescheduled meeting shall be required except an oral announcement at the meeting to be rescheduled. Those Owners present, either in person or by proxy, at the rescheduled meeting shall constitute a quorum for the adoption of decisions. When a quorum is present at any meeting, the vote of the Owners representing a majority of the members of the Association in person or by proxy, shall decide any question brought before the meeting. If the Declaration requires a fixed percentage of Owners to approve any action, however, that percentage shall be required anything to the contrary notwithstanding.

7. Order of Business. The order of business at all meetings of the Association shall be as follows:

- a. roll call;
- b. proof of notice of meeting;
- c. reading of minutes of preceding meeting;
- d. reports of officers;
- e. report of special committees, if any;
- f. election of inspectors of election, if applicable;
- g. election of Committee Members, if applicable;
- h. unfinished business; and

8. Conduct of Meeting. The President shall, or in his absence the Vice-President, preside over all meetings of the Association; and the Secretary shall keep the minutes of the meeting as well as record of all transactions occurring thereat.

9. Action May Be Taken Without A Meeting. Any action to be taken at the meeting of the Management Committee or any action that be taken at a meeting of the Management Committee may be taken without a meeting if a consent in writing, setting for the action so taken, shall be signed by all the members of the Management Committee. An explanation of the action taken shall be posted at a prominent place or places within the Common Area and Facilities with three (3) days after the written consents of all of the members of the Management Committee have been obtained.

ARTICLE III
MANAGEMENT COMMITTEE

1. Powers and Duties. The affairs and business of the Association shall be managed by the Management Committee consisting of three (3) natural persons. The Management Committee shall have all of the powers and duties necessary for the administration of the affairs of the Association in accordance with the provisions of the Declaration and may do all such acts and things necessary to operate and maintain the Tract. The Committee shall have the power from time to time to adopt any Rules and Regulations deemed proper for the exercise of its management powers. The Committee may delegate its authority to a manager or managers. Subject to any limitations or provisions contained in the Declaration, the Committee shall be responsible for at least the following:

- a) Preparation of an annual budget for the Tract;
- b) Establishing the Tract Assessment of each Owner;
- c) Providing for the operation, care, upkeep, replacement, maintenance, and regulation of all the Common Area and Facilities and Facilities;
- d) Hiring, a professional manager and the personnel necessary to operate and maintain the Tract;
- e) Enforcing the Project Documents;
- f) Establishing bank accounts;
- g) Obtaining insurance;
- h) Books and Records. All books and records shall be kept in accordance with generally accepted accounting practices.

1) Financial Statements: Upon the written request of any Owner, the Management Committee shall mail to such member its most recent financial statements showing in reasonable detail its assets and liabilities and the results of its operation, unless the member has already received the same.

2) Limitation of Liability. Neither the Association nor any director, officer, employee or agent of the Association shall be liable to the member or anyone to whom the member discloses the financial statement or any information contained therein for any error or omission therein, whether caused without fault, by negligence or by gross negligence, unless (a) the error or omission is material, (b) the director, officer, employee or agent in question knew of the error or omission and intended for the member or other person to rely thereon to his detriment, (c) the member or other persons did reasonably rely thereon, and, in addition, (d) he is otherwise liable under applicable law.

3) Independent Compilation, Review or Audit. Within 120 days of the end of the Association's fiscal year, the Management Committee shall provide either a Compilation Report, Reviewed Financial Statement, or an Audited Financial Statement¹, prepared by an independent CPA.² At least every third year, or whenever requested in writing by a majority of members of the Management Committee or Owners, the Management Committee shall provide an Audited Financial Statement.

4) Cost. The cost of the Compilation Report, Reviewed Financial Statement, or an Audited Financial Statement shall be a common expense.

i) Providing common utilities;

j) Doing such other things and acts necessary to accomplish the foregoing and not inconsistent with the Declaration or Bylaws, or to do anything required by a proper resolution of the Management Committee or Association; and

k) Doing such other things and acts necessary to accomplish the foregoing and not inconsistent with the Declaration.

2. Election and Term of Office of the Committee. At first meeting of the Association after the termination of the Period of Declarant's Control, the even number of members shall be elected for a one-year term and the odd number for a two-year terms. Thereafter, the term of office for all members on the Management Committee shall be two (2) years. A member's term shall end upon the expiration of his two-year term and a successor shall have been duly qualified and elected.

¹ The Management Committee should be sensitive to the legal requirements for, and the costs involved in, preparing financial reports. The Management Committee may require preparation of anything from merely compiled financial statements to a full audit. With compiled financial statements, the accountant simply takes information supplied by the management committee of the association and puts it in proper financial statement form, without attempting to verify the information supplied. The accountant expresses no assurances regarding the financial statements. Reviewed financial statements involve certain inquiries and analytical procedures by the accountant concerning the association's accounting methods. A review should provide the accountant with a reasonable basis for expressing limited assurances to home owners that no material modification need be made to the financial statements. Audited financial statements require detailed examination, tests of accounting records and methods, and direct verification of assets and liabilities with banks, attorneys, creditors, and others. Generally, the accountant will give the association an unqualified opinion that the financial statements fairly represent the financial position of the association. Although audited financial statements may be the most thorough, they are also the most expensive financial report and may be unnecessary for the average association. A compilation is generally the least expensive type of report, but it gives the homeowners no assurances that the management committee is accounting for association monies in accordance with generally accepted accounting principles. For this reason, the management committee may wish to require only a review, which should be adequate to fulfill the management committee's fiduciary duty to account to the home owners.

² The CPA may not own a Lot or reside in a Dwelling in the Tract, serve on the Management Committee, be an officer, agent, representative or employee of the Association, or otherwise have a conflict of interest, real or apparent.

3. First Meeting. The first meeting of the members of the Management Committee shall be immediately following the annual meeting of the Association or at such other time and place designated by the Committee.

4. Regular Meetings. Regular meetings of the Management Committee shall be held from time to time and at such time and place as shall be determined by a majority of the members of the Committee, but no less often than monthly.

5. Special Meetings. Special meetings of the Management Committee may be called by the President, Vice President or a majority of the members on at least forty-eight (48) hours prior notice to each member. Such notice shall be given personally, by regular U.S. Mail postage prepaid, or by telephone, and such notice shall state the time, place and purpose of the meeting. Any meeting attended by all members of the Committee shall be valid for any and all purposes.

6. Waiver of Notice. Before or at any meeting of the Management Committee, any member may, in writing, waive notice of such meeting and such waiver shall be deemed equivalent to the giving of such notice. Attendance by a member at any meeting of the Committee shall constitute a waiver of notice. If all the members are present at any meeting of the Committee, no notice shall be required and any business may be transacted at such meeting.

7. Quorum. At all meetings of the Management Committee, a majority of the members then in office shall constitute a quorum for the transaction of business, and the acts of the majority of all the Committee members present at a meeting at which a quorum is present shall be deemed to be the acts of the Committee. If, at any meeting of the Committee, there be less than a quorum present, the majority of those present may adjourn the meeting from time to time but for no longer than two (2) days. At any such rescheduled meeting, any business which might have been transacted at the meeting as originally called may be transacted without further notice.

8. Vacancies. Vacancies in the Management Committee caused by any reason other than removal of a member by a vote of the Association shall be filled by vote of the majority of the remaining members of the Committee at a special meeting of the Committee held for that purpose promptly after the occurrence of any such vacancy, even though the total members remaining may constitute less than a quorum of the committee; and each person so elected shall be a member for the remainder of the term of the member so replaced. A vacancy created by the removal of a member by a vote of the Association shall be filled by the election and vote of the Association.

9. Removal of Committee Member. A member of the Management Committee may be removed with or without cause, and his successor elected, at any duly called regular or special meeting of the Association at which a quorum of the Association is present, by an affirmative vote of a majority of the members of the Association. Any member whose removal has been proposed by the Owners shall be given at least thirty days notice of the calling of the meeting and the purpose thereof and an opportunity to be heard at the meeting. Any Committee Member who misses twenty-five percent (25%) or more of the Committee Meetings or who misses three

(3) consecutive meetings, in any calendar year, shall be automatically removed from the Committee.

10. Presiding Authority. The President shall preside over all meetings of the Committee.

11. Minutes. The Secretary shall keep a Minute Book of the Committee recording therein all resolutions adopted by the Committee and a record of all transactions and proceedings occurring at such meetings.

12. Report of Committee. The Committee shall present at each annual meeting, and when called for by vote of the Association at any special meeting of the Association, a full and clear statement of the business and condition of the Association.

13. Motions. All resolutions shall be made by a Motion from a member of the Management Committee, duly seconded and, after discussion, at least a Majority vote, which shall be noted in the minutes.

ARTICLE IV OFFICERS

1. Designation. The principal officers of the Association shall be a President, a Vice-President, a Secretary and a Treasurer, all of whom shall be elected by the Committee. The Committee may appoint assistant secretaries and such other officers as in its judgment may be necessary. The President, Secretary and Treasurer must be members of the Committee. Two or more offices may be held by the same person, except that the President shall not hold any other office.

2. Election of Officers. The officers of the Association shall be elected annually by the Committee at the first meeting of each Committee immediately following the annual meeting of the Association and shall hold office at the pleasure of the Committee. Any vacancy in an office shall be filled by the Committee at a regular meeting or special meeting called for such purpose.

3. Removal of Officers. The officers shall hold office until their respective successors are chosen and qualify in their stead. Any officer elected or appointed by the Committee may be removed at any time by the affirmative vote of a majority of the Committee, and his successor may be elected at any regular meeting of the Committee, or at any special meeting of the Committee called for such purposes.

4. President. The President shall be the chief executive officer; he shall preside at meetings of the Association and the Committee shall be an ex officio member of all committees; he shall have general and active management of the business of the Committee and shall see that all orders and resolutions of the Committee are carried into effect. He shall have all of the general powers and duties which are usually vested in or incident to the use of president of a corporation organized under the laws of the State of Utah.

5. Vice-President. The Vice-President shall, in the absence or disability of the President, perform the duties and exercise the powers of the President, and shall perform such other duties as the Committee or the President shall prescribe. If neither the President nor the Vice President is able to act, the Committee shall appoint a member of the Committee to do so on an interim basis.

6. Secretary. The secretary shall attend all meetings of the Committee and all meetings of the Association and record all votes and the minutes of all proceedings in a book to be kept by him for that purpose and shall perform like duties for committees when required. He shall give, or cause to be given, notices for all meetings of the Association and the Committee and shall perform such other duties as may be prescribed by the Committee.
