NOW THEREFORE, in consideration of the premises, the undersigned hereby declare the property hereinabove described subject to the following restrictions and covenants.

These covenants are to run with the land and shall be binding on all parties and all persons claiming under them until March 1, 1990, at which time said Covenants shall be automatically extended for successive periods of 10 years unless by vote of a majority of the then owners of the lots it is agreed to change said covenants in whole or in part.

No building shall be erected, placed, or altered on any building plot in this subdivision until the building plans, specifications and plot plan showing the location of such building have been approved in writing as to conformity and harmony of external design with existing structures in the subdivision, and as to location of the building with respect to topography and finished ground elevation, by a committee composed of ERWIN BOHEN, EVELYN B. BOHEN and HARVEY PENNEY, or a representative designated and authorized by both of them. In the event of death or resignation of any member of said committee, the remaining member, shall have full authority to approve or disapprove such design and location within 30 days after said plans and specifications have been submitted to it, or in any event, if no suit to enjoin the erection of such building or the making of such alterations has been commenced prior to the completion thereof, such approval will not be required and this Covenant will be deemed to have been fully complied with. Neither the members of such committee nor its designated representative, shall be entitled to any compensation for services performed pursuant to this Covenant. The powers and duties of such Committee, and of its designated representative, shall cease on and after March 1, 1990. Thereafter the approval described in this Covenant shall not be required, unless, prior, to said date and effective thereon, a written instrument shall be executed by the then record owners of a majority of the lots in this subdivision and duly recorded appointing a representative or representatives, who shall thereafter exercise the same powers previously exercised by said committee.
