If, pursuant to this reservation the above-described real property or any improvement thereon is transversed or partially occupied by a permanent improvement or utility line, a perpetual easement for such improvement or utility line shall exist. With the exception of such perpetual easements, the reservation hereby effected shall terminate upon the first to occur of the following events:

- (a) When the entire Additional Land which may be added hereto has been fully developed; or
- (b) When the right to add the Additional Land terminates.

The above-described properties, easements and rights are subject to the various electrical, telephone and gas or other utility easements or right-of-ways show on the Map.

C. Covenants, Conditions and Restrictions. The foregoing submission is made upon and under the following covenants, conditions and restrictions:

BOOK 3921 PAGE 262

1. Names. The Condominium Project as submitted to the provisions of the Condominium Act shall be known as Mount Olympus Condominium - Phase Number One.

2. Right and Option to Expand. This project shall be an Expandable Condominium Project, and the Declarant specifically hereby reserves the irrevocable right and option together with the power and authority to expand the Project from time to time, through the addition of one or more Phases and shall include all or any part of the Additional Land described in Article "A" (16) above of this Declaration, together with such additional units, common areas or facilities, if any, which may be constructed on said Additional Land prior to or following its addition to this Project, which Additional Land, when made a portion of the Project, shall become a part of a single Condominium Project, all subject to the following covenants and restrictions:

(a) The Option to Expand provided for herein shall expire seven (7) years from the recording of this Declaration unless sooner terminated by the recorded written Waiver of such option by Declarant and there are no other circumstances which will cause this Option to expire prior to that date. This Option to Expand shall not be subject to any limitation and, in the event that Declarant exercises this Option, the consent of the Unit Owners shall not be required.

(b) There are no assurances that any of the Additional Land will be added and no assurances or limitations as to the locations of any improvements to be made on any portions of the Additional Land. There are no requirements that any portion of the Additional Land must be added, there are no limitations as to which portions of the Additional Land may be added and any portions of the Additional Land may be added at any time, at the sole discretion of the Declarant.

(c) The maximum number of Units which may be created on the Additional Land shall be limited to thirty-eight (38) Units or a maximum of _____ Units per acre. All Units created on the Additional Land shall be restricted to exclusively residential purposes except that Declarant may use one or more of such Units during the period of Construction and selling of the Units as an office or sales model.

(d) There are no assurances that any structures erected on any portion of the Additional Land will be compatible, in terms of quality of construction, the principal materials to be used or architectural style with the Units originally within the Project. There are no assurances concerning the type, kind or nature of improvements which may be created on the portion on the Additional Land and there are no assurances that any Units created on any portion of the Additional Land will be substantially identical to those originally within the Project. No assurances are made regarding the type, size or maximum number of limited common areas and facilities as are deemed by Declarant, in its sole discretion, to be necessary or desirable.

(e) Such expansion may be accomplished by the filing for record by Declarant in the office of the County Recorder of Salt Lake County, Utah, as amendment or amendments to this Declaration containing a legal description of the site or sites for new units, together with an amended map or maps containing the same information with respect to the new units as was required on the original Map with respect to the initial units. The expansion may be accomplished in phases by successive amendments or in one amended

BOOK 3921 PAGE 264

expansion. Such new units shall be subject to all the terms and conditions of this Declaration and of an amended Declaration and the units therein shall be subject to condominium ownership with all the incidents pertaining thereto as specified herein, upon filing the amended map and amended Declaration in the office of the Salt Lake County Recorder.

(f) In the event Declarant exercises their option to expand, the definitions used in this Declaration automatically shall be expanded to encompass and refer to the project as so expanded. All conveyances of units after such expansion shall be effective to transfer rights in the project, as expanded. The recordation in the office of the Salt Lake County Recorder, Salt Lake City, Utah, of an amended Map incident to any expansion shall operate automatically to grant, transfer and convey pro tanto to then owners of units in the project as it exists before such expansions the respective undivided interests in the new common areas added to the project as a result of such expansion, and to reduce pro tanto their percentage of interest in the original condominium property as it then exists. All phases will be assigned values on the same basis, so that substantially identical units in all phases will be awarded substantially identical interests in the common area. Such recordation shall also operate to vest in any then mortgagee of any unit in the project as it exists such interest so acquired by the owner of the unit encumbering the new common areas added to the project as a result of such expansion, and to conform the percentage interests of unit owners and mortgagees to the interests set forth in the amended Declaration.

BOOK 3921 PAGE 265

(g) Each deed of a unit shall be deemed to irrevocably reserve to Declarant the power to appoint to unit owners, from time to time, the percentages in the common areas set forth in supplemental or amended Declarations. A power coupled with an interest is hereby granted to Declarant as attorney in fact to shift percentages of the common areas and facilities in accordance with supplemental or amended Declarations recorded pursuant hereto and each deed of a unit in the project shall be deemed a grant of such power of said attorney in fact. Various provisions of this Declaration and deeds and mortgages of the units may contain clauses designed to accomplish a shifting of the common areas. None of said provisions shall invalidate the other, but each shall be deemed supplementary to the other toward the end that a valid shifting of the common areas and facilities can be accomplished. The maximum interest in the common areas of unit owner in this project shall be as indicated in Exhibit "A" to the Declaration of Covenants, Conditions and Restrictions of Mount Olympus Condominium Phase One. Furthermore, all unit owners in this project shall have a minimum interest in the Common Areas of at least 1.000 percent after all phases of this project have been filed.

3. Description of Units. The Project consists of six (6) buildings with each building containing two (2) Units for a total of twelve (12) Units, together with an outdoor swimming pool, a cabana containing two restrooms and a barbecue pit. Each Unit shall have a full unfurnished basement and an unattached enclosed garage. The Building and Units therein are restricted and intended for residential purposes only, except that Declarant specifically reserves the right, at its sole discretion, to occupy and utilize any unsold Unit as an office, sales office and/or model during the period of construction and marketing of the Condominium Units. The Building and garages are and shall be constructed of frame and masonry with cedar siding and brick veneer and the cabana shall be constituted of brick with

an asphalt shingle roof.

4. Designation of Units. The buildings and the units therein, their locations, approximate area in square feet and par value are indicated on the attached Exhibit "A" and in the Map.

7. Housing Units. The housing Units, sometimes called Units, are as designated on the Map and are the elements of the Condominium Project which are not owned in common with the owners of the other Units.

9. Units and Rights to Common Areas and Limited Common Areas and Facilities Inseparable. The common areas and facilities and limited common areas and facilities contained in this Condominium Project are described and identified in this Declaration and the Map. Neither the percentage of undivided interest in the common areas and facilities nor the right of exclusive use of a limited common area and facility shall be separated from the unit to which it appertains and, even though not specifically mentioned in the instrument of transfer, such

percentage of undivided interest and such right of exclusive use shall automatically accompany the transfer of the Unit to which they relate.

9. No Obligation to Develop. The provisions of this Declaration concerning creation of or additions to the Expandable Condominium Project shall impose no obligation whatever on Declarant, and are intended merely to provide Declarant with certain rights relating thereto. This Declaration is not intended and shall not be construed so as to impose upon Declarant any obligation, or to restrict Declarant in any way including but not restricted to:

(a) The submission of all or any portion of the Additional Land to the provisions of the Condominium Act or any other restrictions, covenants and conditions of a Condominium; or,

11. Voting - Common Expense - Ownership in Common Areas and Facilities. The percentage of undivided ownership in the common areas and facilities is set forth in the attached Exhibit "A" and shall be used for all purposes including voting

and sharing of the common expenses. The proportionate share of the separate owners of the respective units in the common areas and facilities is based on the proportionate value that each of the units bears to the total value of the property within the Condominium Project.

12. Service of Process. The person to receive service of process in the cases contemplated by the Act is:

Russell D. Callister
4683 Kelly Circle

(a) If proceeds of insurance maintained by the Management Committee are alone sufficient to repair or reconstruct the damaged or destroyed improvement, such repair or reconstruction shall be carried out.

(b) If less than 75% of the dollar value of the Project's improvements are destroyed or substantially damaged, and if proceeds of the insurance maintained by the Committee are not alone sufficient to accomplish repair or reconstruction, restoration shall be carried out and all the Unit Owners shall be assessed for any deficiency on the basis of their respective percentages of undivided interest in the Common Areas and Facilities.

(c) If 75% of the dollar value or more of the Project's improvements are destroyed or substantially damaged, if proceeds of the insurance maintained by the Management Committee are not alone sufficient to accomplish restoration, and if the Unit Owners within 100 days after the destruction or damage by a vote of at least 75% elect to repair or reconstruct the affected improvements, restoration shall be accomplished in the manner directed under sub-paragraph (b) above.

(d) If 75% of the dollar value or more of the Project's improvements are destroyed or substantially damaged, if proceeds of the insurance maintained by the Committee are insufficient to accomplish restoration, and if the Unit Owners do not, within 100 days after the destruction or damage and by a vote of at least 75%, elect to repair or reconstruct the affected improvements, the Management Committee shall promptly record with the Salt Lake County Recorder a notice setting forth such facts. Upon the recording of such notice the provisions of sub-sections (1) through (4) of Section 57-8-31, Utah Code Annotated (1953) as amended, shall apply and shall govern the rights of all parties having an interest in the Project or any of the Units.

Any reconstruction or repair if required to be carried out by this Paragraph 13 shall be accomplished at the instance and direction of the Management committee. Any determination which is required to be made by this Paragraph 13 regarding the extent of damage to or destruction of Project improvements shall be made by three MAI appraisers selected by the Management Committee. The decision of any two such appraisers shall be conclusive.

In the event of any loss to or taking of the common elements of the Condominium Project exceeds the sum of \$10,000.00, the Condominium Owners Association shall give notice of such loss or taking to FH LMC c/o Prudential Federal Savings and Loan Association, 115 South Main Street, P.O. Box 11248, Salt Lake City, Utah 84111

14. Easements and Encroachments.

(b) An easement in favor of each unit owner is hereby established, to permit such owner to attach draperies, pictures, mirrors and like decorations and furnishings to the interior surfaces of the perimeter and interior walls and ceilings.

(c) Each unit shall be subject to such easement as may be necessary for the installation, maintenance, repair or replacement of any common areas and facilities located within the boundaries of such unit.

(d) In the event that, by reason of the construction, reconstruction, settlement or shifting of any building, any part of the common areas and facilities encroaches or shall hereafter encroach upon any part of any unit or any part of any unit encroaches or shall hereafter encroach upon any part of the common areas and facilities or any other unit, valid easements for such encroachment and the maintenance of such encroachment are hereby established and shall exist for the benefit of such unit and the common areas and facilities, as the case may be, so long as all or any part of the building containing any such unit shall remain standing; provided, however, that in no event shall a valid easement for any encroachment be created in favor of any unit owner or in favor of the unit owners of the common areas and facilities if such encroachment occurred due to the willful conduct of such unit owner or owners.

BOOK 3921 PAGE 271

The foregoing rights of amendment shall be subject to the following paramount rights:

(a) For a period of Seven (7) years from the date this Declaration is recorded, Declarant shall have, and is hereby vested with the right to amend this Declaration. The Management Committee may accept the votes cast by any one of the record owners of a unit, unless such votes are objected to by any of the other record owners of such unit, and any disagreement between such record owners shall be resolved among themselves; provided, however, that in the event the record owners are unable to resolve the disagreements among themselves and act unanimously, the Management Committee shall not accept the votes of such owners.

The Management Committee shall be responsible for the control, operation and management of the Project in accordance with the provisions of the Utah Condominium Ownership Act, this Declaration, and such administrative, management and operational rules and regulations as the Committee may adopt from time to time as herein provided, and all agreements and determinations lawfully made and entered into by the Committee. The Committee shall, in this connection, provide for the proper and reasonable control, operation and management of the project and of the maintenance and repair of the common areas and facilities appurtenant thereto.

The Chairman of the Committee, or in his absence, the Vice-Chairman, shall preside at all meetings of the committee and at all meetings of the unit owners. No special notice need be given of regular meetings of the Committee.

(x) Right of Entry. The Committee and its duly authorized agents shall have the right to enter any and all of the said units in case of an emergency originating in or threatening such unit or any other part of the Project, whether the owner or occupant thereof is present at the time or not. The Committee and its duly authorized agents shall also have the right to enter into any and all of said apartments at all reasonable times as required to make necessary or desirable repairs upon the common areas and facilities of the Project, or for the purpose of performing emergency installations, alterations, or repairs to the mechanical or electrical devices or installations located therein or thereon; provided however, that the unit's owner affected by such entry shall first be notified thereof, if available and if time permits. Each unit owner shall provide the Committee or its duly authorized agent with a key or combination to the locks on the entry doors to his unit.

(xi) Indemnification of Management Committee. Each member of the Management Committee shall be indemnified and held harmless by the unit Owners against all costs, expenses and liabilities whatsoever, including, without limitation, attorney's fees reasonably incurred by him in connection with any proceeding to which he may become involved by reason of his being or having been a member of said committee, provided, however, that a member of the Management Committee shall not be indemnified under this paragraph for any acts which constitute gross negligence or willful misconduct.

Such animals as are permitted shall be strictly controlled and kept pursuant to Salt Lake County ordinances and regulations, and rules and regulations of the Management Committee.

(e) No noxious or offensive activity shall be carried on in any unit, in the common areas, or limited common areas, nor shall anything be done therein which may be or become an annoyance or nuisance to the other owners.

(f) Nothing shall be altered or constructed in or removed from the common areas or limited common areas except upon the written consent of the Management Committee.

(g) No unit or portion of the common areas or limited common areas shall be used or maintained as a dumping ground for rubbish, trash, garbage or other waste, nor shall any rubbish, trash, papers, junk, or debris be burned within the Condominium Project. (i) Nothing shall be done or kept in any unit, in the common areas, or in the limited common areas without the prior written consent of the Management Committee, which will increase the rate of insurance on project. No owner shall permit anything to be done or kept in his unit, in the common areas, or in the limited common areas which will result in the cancellation of insurance on any unit or any part of the project of which would be in violation of law. No waste will be committed in the common areas or limited common areas.

(j) No sign of any kind shall be displayed to the public view on or from any unit, the common areas or limited common areas, without the prior consent of the Management Committee.

(k) The Management Committee is authorized to adopt rules for the use of the common areas and limited common areas, which rules shall be in writing and furnished to the owners.

(l) None of the rights and obligations of the owners created herein, or by the deed creating the condominiums, shall be altered in any way by encroachments due to settlement or shifting of structures or any other cause. There shall be valid easements for the maintenance of said encroachments so long as they shall exist; provided however, that in no event shall a valid easement for encroachment be created in favor of an owner or owners if said encroachment occurred due to the willful conduct of said owner or owners.

19. Maintenance of Units and Assigned Limited Common Areas and Facilities. Each unit owner at his expense shall keep the interior of his unit, assigned limited common areas and its equipment and appurtenance in good order, condition and repair and in a clean and sanitary condition, and shall do all reddecorating, painting, varnishing and landscaping which may at any time be necessary to maintain the good appearance of his unit and assigned limited common areas and facilities. Except to the extent that the Management Committee is protected by insurance against such injury, the owner shall repair all injury or damages to the building or buildings caused by the act, negligence or carelessness of the owner or that of the lessee or sub-lessee of any owner, or that of any member of the owner's family or of the family of any lessee or sub-lessee, and all such repairs, redecorating, painting and varnishing shall be of a quality and kind equal to the original work. In addition to decorating and keeping the interior of the unit and assigned limited common areas and facilities in good

repair, the owner shall be responsible for the maintenance or replacement of any plumbing or electrical outlets, refrigerators, heating equipment and blowers, dishwashers, disposals, ranges, washers, dryers, barbeques, etc., that may be in the Unit or assigned limited common areas. The owner shall have and be entitled to exclusive use and possession of the limited common areas and facilities assigned to him, and shall be responsible for the maintenance and upkeep thereof as provided for by the Management Committee. No radio or television antenna or aerial or cooler shall be installed on the outside of any building contained within the project without the written consent of the Committee.

In the event any owner or owners fail to maintain the unit and assigned limited common areas and facilities, the Management Committee shall have the right and authority to make such repairs, redecorating, painting, varnishing, landscaping and other maintenance and upkeep at the sole expense of the owner and such owner shall pay to the Management committee the costs and expenses required and deemed necessary to accomplish such repairs, maintenance and upkeep on the owner's unit, and assigned limited common areas and facilities. Such payments shall be made upon the terms, at the time and in the manner provided by the Management Committee, without deduction on account of any off-sets or claims which the owners may have against the Committee. The Management committee shall include the owner's costs and expenses hereunder with the owner's pro-rata portion of the costs and expenses as set forth in Section 21 below and shall have the same demand rights, privileges, lien rights and claims against the owner for such payment as any other payment or expenses therein set forth.

BOOK 3921 PAGE 283

20. Insurance. (a) The Management Committee shall obtain and maintain at all times insurance of the type and kind as follows:

(1) Fire insurance, with extended coverage endorsement, for the full insurable replacement value of the buildings, units and common areas, and facilities which said policies or policies shall provide for a separate loss payable endorsement in favor of the mortgagee or mortgagees of each unit, if any.

(2) A Policy or policies insuring the Management committee, the unit owners and the manager against any liability to the public or to the owners of units, common areas, and their invitees, or tenants, incident to the ownership and/or use of the Condominium Project, and including the personal liability exposure of the owners. Limits of liability under such insurance shall not be less than One Hundred Thousand Dollars (\$100,000.00) for each person, and shall not be less than Twenty-Five Thousand Dollars (\$25,000.00) for property damage for each occurrence. Such limits and coverage shall be reviewed at least annually by the Management Committee and increased at its discretion. Said policy or policies shall be issued on a comprehensive liability basis and shall provide cross-liability endorsement wherein the rights of named insured under the policy or policies shall not be prejudiced as in respect to his, her or their action against another named insured.

(3) Workmen's Compensation Insurance to the extent necessary to comply with any applicable laws.

(4) Insurance for such other risks of a similar or dissimilar nature as are or shall hereafter customarily be covered with respect to other condominium projects similar in construction, design and use.

(b) The said insurance shall be governed by the following provisions:

(1) All policies shall be written with a company licensed to do business in the State of Utah and holding a rating of "AAA" or better by Best's Insurance Reports.

(2) Exclusive authority to adjust losses under policies hereafter in force in the project shall be vested in the Management Committee or its authorized representative.

(3) In no event shall the insurance coverage obtained and maintained by the Management Committee hereunder, be brought into contribution with insurance purchased by individual owners of their mortgagees.

(4) Each owner may obtain additional insurance at his own expense; provided however, that no owner shall be entitled to exercise his right to maintain insurance coverage in such a way as to decrease the amount which the Management Committee, in behalf of all of the owners, may realize under any insurance policy which the Management Committee may have in force on the project at any particular time.

(5) Each owner shall be required to notify the Management Committee of all improvements made by the owner to his unit, the value of which is in excess of One thousand and no/100 (\$1,000.00) Dollars.

(6) Any owner who obtains individual insurance policies covering any portion of the project other than personal property belong to such owner, shall be required to file a copy of the individual policy or policies with the Management Committee within thirty (30) days after purchase of such insurance.

(7) The Management Committee shall be required to secure insurance policies that will provide for the following:

(i) A waiver of subrogation by the insurer as to any claims against the Management Committee, the Manager, the owners and their respective servants, agents and guests.

(ii) That the master policy on the Project cannot be cancelled, invalidated or suspended on account of the conduct of any officer or employee of the Management Committee or Manager without prior demand in writing that the Management Committee or Manager cure the defect.

(iii) That the master policy on the Project cannot be cancelled, invalidated or suspended on account of the conduct of any one or more individual owners.

(iv) That any "no other insurance" clause in the master policy exclude individual owners' policies from consideration.

(v) That each policy covering the Project shall contain the standard mortgage clause and shall be endorsed to provide that any proceeds shall be paid to the Association of Owners of Mount Olympus Condominium, for the use and benefit of mortgagees as their interest may appear.

(8) The name of the insured under any policy obtained by the Management Committee shall be as follows: Association of Owners of Mount Olympus Condominiums, for the use and benefit of the individual owners.

(9) The annual insurance review which the Management Committee is required to conduct as provided above shall include an appraisal of the improvements in the Project by a representative of the insurance carrier writing the master policy.

21. Taxes. It is acknowledged that under the Condominium Ownership Act, each of said units, together with the percentage of the undivided interest in the common areas of the Project are subject to separate assessment and taxation by each assessing authority and special district for all types of taxes authorized by law, and that as a result thereof, no taxes will be assessed or payable against the Project as such. Each owner will, therefore, pay and discharge any and all taxes which may be assessed against any of said units of which he is the owner, against the percentage of undivided interests in the common areas of any such unit, and/or against any items of personal property located in or upon any unit of which he is the owner.

22. Payment of Expenses. Each unit owner shall pay to the Management Committee his pro-rata portion of the costs and expenses required and deemed necessary by the Management Committee to manage, maintain and operate the Condominium Project including the recreational facilities and other common areas thereof, and may include among other things, the cost of management, special assessments, fire, casualty and public liability insurance premiums, common lighting, the care of grounds, repairs, and renovations to common areas and facilities, garbage collections, snow removal, wages, water charges and assessments, legal and accountant fees, sewer charges, management fees, expenses and liabilities incurred by the Management Committee

under or by reason of this Declaration, the payment of any deficiency remaining from a previous period, the creation of a reasonable contingency or other reserve or surplus fund, as well as all other costs and expenses of any nature relating to this Condominium project. Such payments shall be made upon the terms, at the time and in the manner provided without deduction of any off-sets or claims which the owner may have against the Committee, and if any owner shall fail to pay any installment within one (1) month from the time when the same becomes due, the owner shall pay interest thereon at the rate of 3/4% per month from the date when such installment shall become due to the date of the payment thereof.

The Management Committee may, from time, to time, up to the close of the year for which such cash requirements have been so fixed or determined, increase or diminish the amount previously fixed or determined for such year. The Committee may include in the cash requirements for any year, any liabilities or items of expense which accrued or became payable in the previous year or which might have been included in the cash requirements for a previous year, but were not included therein, and also any sums which the Management Committee may deem necessary or prudent to provide a reserve against liabilities or expenses then accrued or thereafter to accrue although not payable in that year. The Management Committee shall establish an adequate reserve fund for replacement of the common areas and facilities, which reserve shall be funded by and through a monthly assessment payment rather than by special assessment.

The pro-rata portion payable by the owner in and for each year or portion of the year shall be that ratio, a sum within limits and on conditions hereinabove provided, calculated by multiplying the aggregate amount of such cash requirements for such year, or portion of year, by the owner's percentage of undivided interest in the common areas. All such assessments together with any additional sums accruing under this Declaration shall be payable month, in advance, or in such payments and installments as shall be required by the Management Committee, and at such times as shall be provided by the Management Committee.

The Management Committee shall have discretionary powers to prescribe the manner of maintaining the operation of the project, and to determine the cash requirements of the Management Committee to be paid as aforesaid by the owners under this Declaration. Every such reasonable determination by the Committee within the bounds of the Condominium Ownership Act, and this Declaration, shall be final and conclusive as to the owners, and any expenditures made by the Committee within the bounds of the Act and this Declaration shall be deemed as against the owners, necessary and properly made for such purpose.

If any owner shall, at any time, let or sublet any Unit and shall default for a period of one (1) month in payment of any management assessments, the Management committee may, at its option, so long as such default shall continue, demand and receive from any tenant or subtenant of such owner occupying the unit, the rent due or becoming due up to the amount of such assessment due, together with all penalties provided herein. Such payment of rent to the Committee shall be sufficient payment and discharge of such tenant or sub-tenant as between such tenant or sub-tenant and such owner to the extent of the amount so paid.

Each month's assessment, special assessment and assessment made pursuant to Section 19 above shall be separate, distinct and personal debts and obligations of the owner against whom the same are assessed at the time the assessment is made, and shall be collectible as such. Suit to recover a money judgment for unpaid assessment may be maintained without foreclosing or waiving the lien securing the same. The amount of any assessment, whether regular or special, assessed to the owner of any condominium, plus interest at $3/4\%$ per month and costs, including reasonable attorney's fees, shall become a lien upon such unit upon recordation of Notice of Assessment as provided in Section 57-8-20 of the Utah Condominium Ownership Act. Said lien for non-payment of common expenses and

BPOK3921 PAGE 289

assessments shall have priority over all other liens and encumbrances, recorded or unrecorded, except only:

(a) Tax and special assessment liens on the Unit in favor of any assessment authority, or special district, and

(b) Encumbrances on the owner's condominium (unit and common areas) recorded prior to the date such notice is recorded which, by law, would be a lien prior to subsequently recorded encumbrances.

A certificate executed and acknowledged by a majority of the Management Committee stating the indebtedness secured by a lien upon any condominium created hereunder shall be conclusive upon the Management Committee and the owners as to the amount of such indebtedness on the date of the certificate, in favor of all persons who rely thereon in good faith, and such certificate shall be furnished to any owner or any encumbrancer or prospective encumbrancer of a condominium upon request at a reasonable fee, not to exceed Ten Dollars (\$10.00). Unless the request for a certificate of indebtedness shall be complied with within ten (10) days, all unpaid common expenses and other assessments which become due prior to the date of the making of such request shall be subordinate to the lien held by the person making the request. Any encumbrancer holding a lien on the condominium may pay any unpaid common expenses or other assessment payable with respect to such condominium and upon such payment such encumbrancer shall have a lien on such condominium for the amounts paid of the same priority as the lien of his encumbrance.

Upon payment of a delinquent assessment concerning which such a certificate has been so recorded, or other satisfaction thereof, the Management Committee shall cause to be recorded, in the same manner as the certificate of indebtedness, a further certificate stating the satisfaction and the release of the lien thereof. Such lien for non-payment of assessment may be enforced by sale by the Management Committee or by a bank or

BOOK 3921 PAGE 290

trust company or title insurance company authorized with the provisions of law applicable to the exercise of powers of sale or foreclosure in deeds of trust or mortgages or in any manner permitted by law. In any foreclosure of sale, the owner shall be required to pay the costs and expenses of such proceedings and reasonable attorney's fees.

In case of foreclosure, the owner shall be required to pay a reasonable rental for the unit from the date a foreclosure action is filed with the Court having jurisdiction over the matter, and the Plaintiff in the foreclosure action shall be entitled to the appointment of a receiver at the time such action is filed, to collect the rental without regard to the value of the mortgage security. The Management Committee or manager shall have the power to bid on the unit at foreclosure or other sale and to hold, lease, mortgage and convey the unit.

23. Mortgage Protection. Notwithstanding all other provisions hereof:

(a) The liens created hereunder upon any condominium shall be subject and subordinate to, and shall not affect the rights of the holder of the indebtedness secured by any recorded first mortgage (meaning a mortgage with first priority over other mortgages) upon such interest made in good faith and for value, provided that after the foreclosure of any such mortgage there may be a lien created pursuant to Paragraph 20 hereof on the interest of the purchaser at such foreclosure sale to secure all assessments, whether regular or special, assessed hereunder to such purchaser as an owner after the date of such foreclosure sale, which said lien, if any claimed, shall have the same effect and be enforced in the same manner as provided herein.

(b) The Management Committee shall give a written notification to a holder of a recorded first mortgage on any unit within the project, of any default by the mortgagor of such unit in the performance of the

BOOK 3921 PAGE 291

mortgagor's obligations created under this Declaration and the Map in connection herewith, which Default is not cured within thirty (30) days.

(c) Subject to Declarant's Option to Expand as herein provided, unless at least 75% of all the holders of first mortgage liens (based upon one vote for each first mortgage owned) on individual units have given their prior written approval, the Association of Owners shall not be entitled to:

(i) By act or omission seek to abandon or terminate the condominium regime;

(ii) Change the pro rata interest or obligators of any condominium unit for (i) purposes of levying assessments or charges or allocating distributions of hazard insurance proceeds or condemnation awards and for (ii) determining the pro rata share of ownership of each unit in appurtenant real estate and any improvements thereon which are owned by the unit owners in the condominium project in undivided pro rata interest ("common elements");

(iii) Partition or subdivide any condominium unit;

(iv) By act or omission, seek to abandon, partition, subdivide, encumber, sell or transfer the common elements. The granting of easements for public utilities or for other public purposes consistent with the intended use of the common elements by the condominium project shall not be deemed a transfer within the meaning of this clause.

(v) Use hazard insurance proceeds for losses to any condominium property (whether to units or to common elements) for other than the repair, replacement or reconstruction of such improvements,

BOOK 3921 PAGE 292

except as provided by statute in case of substantial loss to the units and/or common elements of the condominium project.

(d) No amendment to this paragraph shall affect the rights of the holder of any such mortgage recorded prior to recordation of such amendment who does not join in the execution thereof.

(e) Holders of first mortgage liens shall have the right to examine the books and records of the Condominium Owner's Association.

(f) By subordination agreement executed by a majority of the Management Committee, the benefits of (a), (b), (c), (d) and (e) above may be extended to mortgages not otherwise entitled thereto.

24. Interpretation. The provisions of this Declaration shall be liberally construed to effectuate its purpose of creating a uniform plan for the development and operation of a condominium project. Failure to enforce any provision hereof shall not constitute a waiver of the rights to enforce said provision or any other provision hereof.

25. Severability. The provisions hereof shall be deemed independent and severable, and the invalidity or partial invalidity or unenforceability of any one provision or portion thereof shall not affect the validity of enforceability of any other provision hereof.

26. Counterparts. This Declaration may be executed simultaneously in any number of counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same instrument.

27. Effective Date. This Declaration shall take effect upon recording.
