In any case, either with or without the approval of the Committee, no dwelling shall be permitted in said tract with a ground floor square foot area of less than 1000 feet if the structure does not contain an attached garage, nor less than 950 feet if the structure contains an attached garage. No lot shall be re-subdivided into, nor shall any dwelling be erected or placed on any lot having a width of less than 65 feet at the minimum setback line or an area of less than 3,000 square feet.

(f) No provision shall be made on any dwelling lot for the raising of poultry or the housing of cows, horses or other livestock, except with the written approval of the committee herein referred to.

(g) If any person or persons intended to be bound by these restrictions shall violate or attempt to violate any one or more of the covenants herein contained during the term hereof, it shall be lawful for any person or persons owning any lot in said subdivision to prosecute any proceedings at law or in equity against the person or persons violating or attempting to violate any such covenant or restriction and either to prevent him or them from so doing or to recover damages or other dues for such violation.

(h) The covenants and restrictions herein shall run with the land and shall be binding on the parties hereto and all persons claiming under them until April 1, 1979, at which time they shall terminate, unless sooner renewed by a majority of the persons owning lots in said subdivision.
