Trustor hereby CONVEYS AND WARRANTS TO TRUSTEE IN TRUST, WITH POWER OF SALE in accordance with this Trust Deed and the laws of the state of Utah, the following described interests in real property situated in Morgan County, Utah:

See Exhibit "A" attached hereto and incorporated herein by reference.

Together with Trustor's interest in all buildings, fixtures and improvements thereon, if any, and all rights of way, easements, rents, issues, profits, income, tenements, hereditaments, privileges and appurtenances thereunder now or hereafter used or enjoyed with said property, or any part thereof;

FOR THE PURPOSE OF SECURING payment of the indebtedness evidenced by a non-recourse Promissory Note of even date hereof, in the principal sum of \$460,000.00, payable by Morgan Valley, LLC ("Morgan Valley") to the order of Beneficiaries at the times, in the manner and with interest as therein and herein set forth.

Trustor agrees to keep the said property in good condition and repair, not to commit waste, and to comply with all covenants, conditions, restrictions, ordinances, codes and regulations that are binding upon Trustor and affect the said property.

Should Morgan Valley default in making any payment required under the Promissory Note

[Handwritten initials]

when due or within the time period set forth below, Beneficiary shall have the following remedies: (i) if the default occurs before construction of the asphalt street or road in the "Trunk Easement" identified in that certain Grant of Easement dated March 10th, 2000, recorded in the office of the Morgan County Recorder as Entry No. 81921, in Book m158, at Page 236 of Official Records has been substantially completed, Beneficiaries may declare a forfeiture of Trustor's rights as a third party beneficiary under the Real Estate Purchase Agreement between Beneficiaries as "Sellers" and Morgan Valley as "Buyer" dated March 10th, 2000 (the "Purchase Agreement"), in which case Beneficiaries may keep any and all payments previously received from Morgan Valley under the Promissory Note as liquidated and agreed damages, and Trustor shall execute and deliver to Beneficiaries one or more documents in recordable form releasing or reconveying, as appropriate, to Beneficiaries any real property interests identified in attached Exhibit "A" or (ii) if Morgan Valley's breach occurs after the asphalt road or street in the Trunk Easement has been substantially completed, Beneficiaries may seek specific performance of the Purchase Agreement and the Promissory Note and Morgan Valley shall be obligated to make any and all payments due under the Promissory Note (but without recourse). The reconveyance and/or release of the property interests described in Exhibit "A" shall be free and clear of liens and encumbrances created by Trustor. Should (ii) apply and should Morgan Valley fail to timely satisfy any judgment entered in favor of Beneficiaries in Beneficiaries' specific performance action, Beneficiaries shall have the option of proceeding under (i) above or seeking enforcement of their judgment against the property interests identified in Exhibit "A", or proceeding with a non-judicial foreclosure of this Trust Deed. Specific performance of Trustor's obligation to release and reconvey under (i) may be sought by Beneficiaries in any court of competent jurisdiction. Notwithstanding anything to the contrary in this Trust Deed, the Promissory Note or the Purchase Agreement, before Beneficiaries may enforce their remedies identified above, Beneficiaries shall first deliver to Trustor and to Morgan Valley a written notice setting forth Morgan Valley's default and declaring that relief as stated above will be sought should the default not be cured within sixty (60) days after Trustor's and Morgan Valley's receipt of the said notice. Not less than twenty-five (25) nor more than thirty-five (35) days after delivery of the first notice, Beneficiaries shall deliver to Trustor and Morgan Valley a second written notice, which shall be designated as a "second notice", which shall also set forth Morgan Valley's default and declare the relief that will be sought by Beneficiaries should the default not be timely cured. The second notice shall also state the date upon which the first notice was delivered to Trustor and Morgan Valley and declare that relief will be sought should the default not be cured within sixty (60) days after that date. Should Beneficiaries deliver both notices as provided above to Trustor and Morgan Valley at the address specified in this Trust Deed and should Morgan Valley fail to cure the default within sixty (60) days after receiving Beneficiaries' first notice, Beneficiaries may proceed as outlined above provided, however that Beneficiaries shall have no such rights and remedies should a court of competent jurisdiction ultimately determine that the breach complained of by Beneficiaries was not material or that there was no such breach or that the breach was timely cured as required by this Trust Deed.

The failure on the part of the Beneficiaries to promptly enforce any right hereunder shall not operate as a waiver of such right and the waiver by Beneficiaries of any default shall not constitute a waiver of any other or subsequent default.

The undersigned Trustor requests that a copy of any notice of default and of any notice of sale hereunder be mailed to Trustor at the address hereinbefore set above.
