This Amended Declaration shall not limit the right of the Grantor at any time prior to acquisition of title to a Lot by an Owner to establish on that Lot additional licenses, restrictions, rights-of-way and easements to itself, to utility companies and to others, as may from time to time be reasonably necessary. The Grantor need not seek or obtain ACC approval of any Improvements constructed or placed within the Property by the Grantor in connection with the Development of the Subdivision. The Grantor shall be entitled to the non-exclusive use, without charge, of any property owned by the Association within the Subdivision in connection with the marketing of the Lots therein.

Article VII ASSESSMENTS

8.01. Covenant to Pay Assessments. Each Owner hereby, and by acceptance of a deed to a Lot, covenants and agrees to pay when due all Regular, Special and Limited Assessments or charges levied by the Association, in such amounts as the Board shall determine to be necessary, in conformance with the provisions hereof. All such Assessments, together with interest, costs and reasonable attorneys' fees which may be incurred in collecting the same, shall, upon conveyance of a Lot from Grantor, be a charge on the land and shall be a continuing lien upon the Lot against which each such Assessment is made, and shall be also the personal obligation of the Owner of such Lot at the time when the Assessment becomes due and payable, provided, however, that all such assessments shall be junior and subordinate to the lien of a first mortgage or first deed of trust encumbering the Lot or, in the case of a Grantor owned Lot, to Grantor's debt covenants. The personal obligation for delinquent Assessments shall not pass to an Owner's successors in title unless expressly assumed by them. No Owner may waive or otherwise avoid liability for any Assessment by non-use of the property of the Association or by abandonment of his Lot.

8.02. Regular Assessments. Regular Assessment shall be levied in conformance with the following:

- (a) Regular Assessments shall be assessed on a calendar year basis unless otherwise determined by the Board.
- (b) The Regular Assessments shall be based upon advance estimates of annual cash requirements as determined by the Board for the maintenance and operation of the property owned by the Association and all easement areas, if any, controlled by the Association and for the performance by the Association of its other duties and responsibilities. Such estimates may include, but shall not be limited to, expenses of management, administration and funding of ACC activities, taxes and special assessments of local governmental units, premiums for all insurance which the

Association is required or permitted to maintain hereunder, landscaping and care of grounds, lighting, water charges, trash collection, sewerage charges, repair and maintenance, snow removal from access roads and pathways, legal and accounting fees, provision of culinary water and any deficit remaining from previous periods and the creation of a reserve, surplus and/or sinking fund(s), and other expenses or obligations incurred or expected as they may be required by the Association in compliance with this Amended Declaration.

- (c) The initial annual Regular Assessment due and payable for that calendar year during which the Grantor conveys fee title to a Lot to an Owner shall be in the amount of:
 - (i) \$10.00 per Lot per month for developed lots (with infrastructure), without homes completed. A Lot will be considered "developed" when the Lot is eligible for building permit and the lot has been conveyed from the Grantor to an individual or builder.
 - (ii) \$84.00 per Lot per month for a completed home.

8.03. Special Assessments. In addition to Regular Assessments, the Association may levy at any time a Special Assessment payable over such period as the Board may deem appropriate for the following purposes:

- (a) To defray, in whole or in part, the cost of any construction or reconstruction of Improvements on property owned by the Association, unexpected repair or replacement of property or any facility located thereon or an easement area controlled by the Association, the furnishing of a special service or services (other than those appropriate for a Limited Assessment), or for any other expenses incurred or to be incurred as provided in the Amended Declaration.
- (b) To cure a deficit in the common and ordinary expenses of the Association for which Regular Assessments for a given calendar or fiscal year are or will be inadequate to pay, as determined by the Board.
- (c) To pay any tax or assessment of local governmental units not considered in determining the Regular Assessments.

8.04. Limited Assessments. In addition to Regular and Special Assessments, Owners shall pay Limited Assessments as follows:

- (a) **Maintenance and Repair.** The Association shall have the power to incur expenses for maintenance and repair of any Lot or any Improvements on a Lot, if such maintenance and repair is necessary, in the opinion of the Board, to protect the property owned by the Association or any other portion of the Property, and if the Owner of said Lot has failed or refused to perform said maintenance or repair within a reasonable time after written notice of the necessity thereof has been delivered by the Board to said Owner. The Board shall levy a Limited

Assessment against the Owner of the Lot owned by said Owner to pay for the cost of such maintenance and repair, and any other cost or expense, including attorneys' fees, arising out of or incident to such maintenance and repair and the Assessment therefor.

- (b) Correction of Violations. In addition to maintenance and repair, the Board, upon certification from the ACC of the failure or refusal of an Owner to correct a violation of this Amended Declaration or the ACC Rules/ACC Standards, shall have the power to correct any such violation on a Lot or any Improvement on a Lot, and incur costs necessary in connection therewith. The reasonable cost of such corrective action, together with interest, related expenses and attorneys' fees shall be assessed and collected as set forth in Article X of this Amended Declaration.
- (c) Limited Purpose. The Association shall have the power to levy a Limited Assessment against Owners and Lots for any limited special purpose which the Board believes necessary with respect to certain Lots but not an appropriate expense for payment by the Association. Such Limited Assessment shall not be made until the Owners of said Lots subject thereto have been given an opportunity, after notice, to participate in a hearing before the Board with respect to said Limited Assessment.

8.05. Commencement of Regular Assessments. Regular Assessments of the Association against each Lot shall commence on the date the Grantor conveys title to the Lot to an Owner who is not the Grantor. If the Grantor pays all or any portion of the expenses of the Association in excess of the amount assessed to Lots owned by the Grantor, such excess amounts so paid shall constitute a prepayment of Assessments (Regular and Special) to become due and payable on the Lots owned by the Grantor within the Subdivision; provided that unless such excess amounts so paid by the Grantor are paid pursuant to a written agreement with the Association to the contrary, the Grantor shall not be entitled to reimbursement in cash of any such Assessment credit nor shall such credit inure to an Owner purchasing a Lot from the Grantor, unless such person is the successor to substantially all of the interest of the Grantor in the Property. Nothing herein contained shall obligate the Grantor to pay any Assessment with respect to a Lot within a separately platted phase or subdivision within the Subdivision in which the Grantor owns all of the Lots or for any Lot which Grantor owns.

8.06. Uniform Rate Or Assessment. Except as expressly provided to the contrary in this Amended Declaration, Regular and Special Assessments of the Association shall be levied at a uniform rate for all Lots.

8.07. Assessment Due Date. The due dates for Regular, Special and Limited Assessments shall be the first day of the first month of the first month after imposition of the Assessment, unless some other due date is established by the Board. Each installment of an Assessment shall be delinquent if not paid within fifteen (15) days after the due date thereof. Nothing herein contained shall prohibit the Board from requiring that Special or Limited Assessments be paid in a lump sum instead of installments.

8.08. Interest and Penalties. Any Regular, Special or Limited Assessment levied by the Association on Lots, if not paid when due, shall bear interest at an annual rate as shall be set by the Board from time to time, or if none is so set, at an annual rate of twelve percent (12%). Such interest shall commence on the date the Assessment becomes due and payable. In addition to the interest charge the Board may, in accordance with rules and regulations promulgated by it, impose additional fines or charges for the failure of an Owner to timely pay any Assessment when due. The right of the Board to charge interest or impose additional fines or charges shall be in addition to, and not in lieu of, any other right of enforcement or sanction available to the Board in the event of non-payment of an Assessment.

8.09. Capitalization of Association. Provided Regular Assessments have commenced, upon acquisition of a fee title of Record to a Lot from Grantor, the acquiring Owner of such Lot shall make a contribution to the capital of the Association in an amount equal to fifty percent (50%) of the then applicable annual Common Assessment for such Lot. Such capital contribution shall be (a) deposited by the Owner into the purchase and sale escrow and disbursed therefrom to the Association, and (b) in addition to, and not in lieu of, annual Regular Assessments.

ARTICLE VIII ENFORCEMENT OF ASSESSMENTS

9.01. Right to Enforce. The right to collect and enforce payment of the Assessments made by the Association is vested in the Association. Each Owner of a Lot hereby agrees to the enforcement of the payment of all Assessments in the manner herein provided. In the event an attorney is employed for the collection of an Assessment, whether by suit or otherwise, or to enforce compliance with or specific performance of any of the terms and conditions of this Amended Declaration, the Owner against whom such enforcement is sought shall pay reasonable attorneys' fees and court costs in connection therewith.

9.02. Creation of Assessment Liens. Upon conveyance of a Lot by Grantor to an Owner other than Grantor, there is hereby created a continuing lien with power of sale on each and every Lot so conveyed to secure payment of any and all Assessments levied against any and all Lots in the Subdivision pursuant to this Amended Declaration, together with interest thereon and all costs of collection which may be paid or incurred by the Association in connection therewith, including reasonable attorneys' fees. Said lien shall be prior and superior to all other liens or claims created subsequent to the recordation of this Amended Declaration except only for: (i) valid tax and special assessment liens on Lots in favor of any governmental unit assessing authority; (ii) a lien for all sums unpaid and secured by a first Mortgage or first Deed of Trust, duly recorded in the County, including all unpaid obligatory advances to be made pursuant thereto; and (iii) labor or materialman's liens, if the same are prior and superior by reason of applicable law. All other lien holders acquiring liens on any Lot after recordation of this Amended Declaration shall be deemed to consent that such liens shall be inferior liens to the lien for Assessments levied by the Association, whether or not such consent be specifically set forth in the instruments creating such other liens.

9.03. Notice of Delinquency. If an Owner fails to pay an Assessment within thirty (30) days of its due date, the Association shall prepare a written Notice of Delinquency setting forth the type of Assessment, the amount of the Assessment, the due date thereof, including the amount and due date of installments (if the same are permitted), the amount remaining unpaid at the time of filing, the name of the record Owner of the Lot and a legal description of the Lot. Such Notice shall be signed by the President and Secretary of the Association, acknowledged by a Notary Public and recorded in the office of the Salt Lake County Recorder. At such time as a delinquent Assessment which is described in the Notice is paid, the Association shall prepare and record a Notice of Satisfaction with respect thereto.

9.04. Enforcement. Upon the failure of an Owner other than Grantor to pay an Assessment in accordance with its terms, the lien for Assessment herein created may be enforced by sale by the Association, such sale to be conducted in the manner provided by law in Utah for the exercise of the power of sale in Deeds of Trust or in any other manner permitted by law elected by the Board. In any such foreclosure, the Owner shall also be required to pay to the Association any Assessments against the Lot which shall become due during the period of foreclosure. The Association shall have the right and power to bid at the foreclosure sale or other legal sale and to acquire and thereafter hold, convey, lease, rent, encumber, use and otherwise deal with and in said Lot as the Owner thereof.

9.05. Notice Required. Notwithstanding anything to the contrary contained in this Amended Declaration, no action may be brought to foreclose the lien for any Assessment, whether by power of sale or otherwise, until the expiration of thirty (30) days after written Notice of Default has been deposited in the United States mail, certified or registered mail, postage prepaid, return receipt requested, addressed to the Owner of the Lot described in such Notice at the last known address of the Owner as shown on the books and records of the Association. Said Notice shall specify the amount and due date of the unpaid Assessment(s) and the legal description of the Lot.

9.06. Term of Assessment. Unless sooner satisfied and released or the enforcement thereof initiated as provided in this Article, the lien for any Assessment levied under this Amended Declaration or any applicable Supplemental Declaration shall expire and be of no further force or effect after a period of five (5) years from the later of (i) the date of said Assessment, or (ii) the date the last installment thereof is due and payable; provided, however, that the expiration of the lien as provided herein shall not release an Owner from the personal obligation to pay any Assessment.

9.07. Non-Exclusive Remedy. The remedies set forth in this Article or elsewhere in this Amended Declaration shall not be deemed to be an exclusive remedy and the Association may pursue all other remedies available at law or in equity.

ARTICLE IX ARCHITECTURAL CONTROL COMMITTEE

10.01. Members of the Committee. The Architectural Control Committee shall be comprised of at least three (3) persons, all of whom shall be appointed as herein provided. A member of the ACC shall hold office until he has resigned or has been removed, but in any

event, until said Member's successor has been appointed. Members of the ACC may be removed at any time, with or without cause.

10.02. Appointment. *So long as the governance of the Associations remains vested in the Grantor, the members of the ACC shall be as set forth in Section 7.06(f). Thereafter, all members of the ACC shall be appointed or removed by the Board. The ACC shall have the right by a resolution in writing unanimously adopted, to designate one (1) of its members to take any action or perform any duties for and on behalf of the ACC. In the absence of such designation, the vote of any two (2) members of the ACC shall constitute an act of the ACC.*

10.03. Compensation. The members of the ACC may receive compensation for services rendered upon execution of an agreement with the Board relative to such compensation, and may be reimbursed for actual expenses incurred by them in the performance of their duties hereunder.

10.04. Non-Liability. Neither the ACC, or any member thereof, or the Grantor or any partner, officer, employee, agent, successor or assign thereof, shall be liable to the Association, any Owner or any other person for any loss, damage or injury arising out of or connected with the performance by the ACC of its duties and responsibilities by reason of a mistake in judgment, negligence or nonfeasance arising out of it in connection with the approval or disapproval or failure to approve an application. Every person who submits an application to the ACC for approval of plans and specifications agrees, by submission of such application, and every Owner or Occupant of any Lot agrees, by acquiring title thereto or an interest therein, not to bring any action or suit against the Association, the ACC, or any member thereof, or the Grantor or any officer, partner, employee, agent, successor or assign thereof to recover such damages.

10.05. Approval Required. No construction, alteration, modification, removal or destruction of any Improvements of any nature whatsoever, whether real or personal in nature, shall be initiated or be permitted to continue or exist within the Subdivision without the prior express written approval of the ACC.

10.06. Variances. The ACC may authorize variances from compliance with the requirements of any conditions and restriction contained in this Amended Declaration, the ACC Rules/ACC Standards, or any prior approval when, in the sole discretion of the ACC, circumstances such as topography, natural obstructions, aesthetics or environmental considerations or hardship may so require. Such variances must be evidenced in a writing signed by the two (2) members of the ACC. If a variance is granted as provided herein, no violation of this Amended Declaration, ACC Rules/ACC Standards or prior approval shall be deemed to have occurred with respect to the matter for which the variance was granted. The granting of such a variance shall not operate to waive any of the terms and provisions of this Amended Declaration or the ACC Rules/ACC Standards for any purpose except as to the particular subject matter of the variance thereof and the specific Lot covered thereby. The ACC shall have the right to consider and grant a variance as herein provided either with or without notice to other Owners or a hearing of Owners thereon. The granting of a variance by the ACC pursuant to this Section shall not relieve the Owner from the obligation to fully comply with the applicable ordinances of

the County, or any annexing municipality and the P.U.D. standards and other conditions of approval for the Subdivision.

10.07. Application. To request ACC approval for the construction, alteration, modification, removal or demolition of any Improvements within the Property, the Owner shall submit a written application in conformance with the following:

- (a) The application shall be in a form required by the ACC, which must be signed by the Owner and contain all information requested and be accompanied by all other material to be submitted as hereafter provided.
- (b) All applications must contain, or have submitted therewith, two (2) copies of each of the following (collectively called "plans and specifications") prepared in accordance with acceptable architectural standards and submitted with the application form, if any, approved by the ACC:
 - (i) Site Plan. A site plan showing the location of the Building(s) and all other structures and Improvements including fences and walls on the Lot, Lot drainage and all set backs, curb cuts, driveways, parking areas and other pertinent information relating to the Improvements, at a scale no smaller than 1" = 20'.
 - (ii) Building Plan. A building plot plan at a scale no less than 1" 20'. Building elevation drawing of the north, south, east and west sides, and detailed specification which shall indicate, by sample if required by the ACC, all exterior colors, materials and finishes, including roof, to be used.
- (c) The ACC may, in its discretion, require the Owner to furnish additional specifications, drawings, material samples or such other information as the ACC, in its sole discretion reasonably exercised, shall deem necessary or convenient for the purpose of assisting the ACC in reviewing and processing the application.

10.08. Decision. In reviewing the application and the materials submitted therewith and in reaching a decision thereon, the ACC shall use its best efforts and judgment to insure that all Improvements shall produce and contribute to an orderly and aesthetically complementary design and appearance and be of the quality required to maintain the Subdivision as a quality residential development. Unless extended by mutual consent of the Owner and the ACC, the ACC shall render its decision with respect to an application within forty-five (45) days after the receipt of a properly submitted and complete application. The decision of the ACC may be in the form of an approval, a conditional approval or denial, as follows:

- (a) The decision of the ACC shall be in writing, signed by a member of the ACC, dated, and a copy thereof mailed to the Owner at the address shown on the application.
- (b) In addition to the requirements of Section 10.8(a), a conditional approval shall set forth with particularity the conditions upon which the application is approved and

the Owner shall be required to affix a copy of said conditions to the working drawings or blueprints which are to be kept on the job site during the entire course of the work to which said plans relate.

- (c) In addition to the requirements of Section 10.8(a), a denial of an application shall state with particularity the reasons for such denial.

10.09. Inspection and Complaints. The ACC is empowered to inspect all work in progress on any Lot at any time and receive complaints from other Owners as follows:

- (a) An ACC inspection shall be for the purpose of determining whether the Owner is proceeding in accordance with the approved application or is deviating therefrom or is violating this Amended Declaration or the ACC Rules/ACC Standards or the approved plans and specifications. Each owner or builder shall instruct their respective workers and employees to proceed with construction only per ACC approved plans. Any modifications or deviations from approved plans must be reapproved by the ACC prior to installation.
- (b) The ACC is further empowered to receive from other Owners (each a "Complainant"), complaints in writing involving deviations from approved applications or violations of this Amended Declaration or any applicable ACC Rules/ACC Standards. In the event the ACC receives such a complaint from a Complainant:
 - (i) It shall first determine the validity of such complaint by inspection or otherwise. Should the ACC determine that there has been a substantive deviation or a violation, it shall promptly issue a notice in writing thereof to the Owner and to the Complainant, which notice shall specify the particulars of the deviation or violation and shall demand that the Owner conform to either or both of the following directives:
 - (A) The Owner shall immediately cease the activity which constitutes a deviation or violation.
 - (B) The Owner shall adhere to the corrective measures set forth in the written notice.
 - (ii) Should the ACC determine there has been no substantive deviation or violation, it shall promptly issue a notice of such determination to the Owner and the Complainant.

10.10. Hearing. An Owner submitting an application under Section 10.07, or an Owner served with a written notice of deviation or violation, or a Complainant, shall have the right to a hearing to be held by the ACC for the purpose of presenting facts and information to the ACC relative to the application, deviation or violation or complaint, as the case may be. Such hearing must be requested by such party within ten (10) days from the date the written notice of the decision of the ACC is mailed to the Owner of Complainant, as evidenced by the records of the

ACC. The hearing shall be held within ten (10) days following receipt by the ACC of the request for a hearing, unless the ACC shall extend said period of time because of the unavailability of ACC members. A hearing may be continued by the ACC for the purpose of further investigation or to receive additional evidence. Upon completion of the hearing, the ACC shall issue a written opinion to the involved parties within ten (10) business days thereafter which opinion shall set forth the findings of the ACC with respect to the matters at issue and shall affirm, modify or rescind its previous decision as contained in the original written notice. If the ACC incurs any costs or expenses in connection with the investigation, processing or hearing on a matter involving a deviation or violation, including the costs of retaining a consultant(s) to advise the ACC and legal fees, such costs shall be paid by the Owner requesting the hearing, or in the case of a complaint, a Complainant, unless an Owner is found to be in violation in which event such Owner shall pay all such costs. The payment of such costs shall be enforceable as provided in Section 10.12, below.

10.11. Appeal. The Owner or Complainant shall have the right to appeal to the Board a decision of the ACC on an application with respect to the conditions imposed thereon or a denial thereof, or a decision of the ACC adverse to the Owner or the Complainant reached following a hearing held pursuant to Section 10.10, above, subject to the following:

- (a) Neither an Owner nor a Complainant shall be entitled to an appeal with respect to deviations or violation unless said Owner or Complainant, or their authorized representatives, has participated in the ACC hearing.
- (b) A notice of appeal shall be in writing and shall be delivered by mail to the Secretary of the Board within ten (10) days from the date of the decision by the ACC. Said notice of appeal shall be dated and shall contain the name of the Owner and the Complainant, as the case may be, together with a copy of the written decision or determination of the ACC.
- (c) The failure to an Owner or Complainant to appeal a decision of the ACC in the manner and within the time herein provided shall terminate all rights of said Owner or Complainant to appeal said decision and it shall be binding and enforceable.
- (d) The Board shall fix a date for the hearing of such an appeal which date shall be not later than ten (10) days from the date of receipt of a notice of appeal unless extended by the Board because of the unavailability of Board members. The Owner and Complainant, if any, shall be advised of the time and place of the hearing by a mailed written notice. Written notice of time and place for hearing shall also be served by mail upon each member of the ACC.
- (e) The Board may require the Owner or Complainant to provide additional information to facilitate the Board's decision and the failure of such party to comply promptly with such a request shall entitle the Board to deny the appeal, in which event the decision by the ACC shall be considered final and not subject to further appeal.

- (f) At the hearing the Owner or the Complainant, as the case may be, and the ACC, together with their representatives and other witnesses, shall present their position to the Board. The order of presentation and the evidence to be admitted shall be solely within the discretion of the Board; provided, however, that the Owner or the Complainant, as the case may be, and the ACC, shall have the opportunity to question and cross-examine witnesses presented by the other. The Owner or the Complainant, as the case may be, and the ACC, will have the opportunity to present final argument consistent with rules adopted by the Board for such hearing process. Any party may be represented by an attorney at any hearing by the ACC or the Board.
- (g) Upon receiving all of the evidence, oral and documentary, and following the conclusion of the hearing, the Board shall retire to deliberate and shall reconvene at a time and place determined by the Board, at which time the Board shall cast its official ballot and the decision shall be duly recorded in the minutes of the meeting. The Owner or the Complainant, as the case may be, and the ACC members, shall be given written notice of the decision which shall be deemed given when deposited in the United States mail, postage prepaid and properly addressed.
- (h) If the Board incurs any costs or expenses in connection with the investigation, processing or hearing on an appeal, including the costs of retaining a consultant(s) to advise the Board and legal fees, such costs shall be paid by the party(s) filing the appeal unless the decision by the Board constitutes a substantial reversal of the decision of the ACC, in which event such costs shall be paid by the Association. If the party filing the appeal is obligated to pay such costs, payment of the same shall be enforceable as provided in Section 10.12, below.
- (i) A decision of the Board of an appeal shall be final and shall not be subject to reconsideration or further appeal.

10.12. Enforcement. The ACC, upon approval by the Board, shall be authorized on behalf and in the name of the Association, to commence such legal or equitable proceedings as are determined by it to be necessary or proper to correct or enjoin any activity or condition existing within the Subdivision, the continuation of which violates the provisions of this Amended Declaration, the ACC Rules/ACC Standards or the approved plans and specifications subject to the following:

- (a) The ACC shall not commence such legal or equitable proceedings until a written notice of the deviation or violation has been appropriately prepared and given to the Owner but thereafter the ACC shall have the sole discretion to commence such proceedings.
- (b) The authority of the ACC as herein provided shall include the power to retain legal counsel and expert witnesses, pay filing fees, deposition costs, witness fees and all other ordinary and necessary expenses incurred in commencing and

carrying out said legal or equitable proceedings, all of which costs shall be paid by the Association.

- (c) In the event the ACC and/or Association shall prevail in any such legal or equitable proceedings, the Board may elect to require that all costs and expenses incurred in connection therewith including, but not limited to, attorneys' fees shall be reimbursed to the Association by the Owner against whom said proceedings are filed and upon the failure of said Owner to reimburse the Association within five (5) days after written demand therefor is mailed to the Owner, the Association shall have the right to levy a Limited Assessment against the Owner and the Lot owned by the Owner which Assessment shall be equal to said costs and expenses incurred plus any additional costs and expenses incurred in levying the Assessment. Said Limited Assessment shall be due and payable at such time or in such installments as may be determined by the Board, in its sole discretion. The failure of the Owner to pay said assessments or any installment thereof when due, shall be enforceable in the manner provided in Article IX, above.

10.13. Additional Damages. In addition to the costs and expenses to be reimbursed by the Owner or the Complainant, all other costs, expenses and damages determined by the Board to be proximately caused by the deviation or violation or the costs and expenses incurred by the Association to correct the same shall be assessed as a Limited Assessment against the Owner and the Lot owned by said Owner, or the Complainant and the Lot owned by the Complainant, as the case may be, which Limited Assessment shall be due and payable at such time or in such installments as determined by the Board, in its sole discretion. The right of the Board to enforce said Limited Assessment shall be the same as provided in Article IX, above.

10.14. Non-Exclusive Remedy. The right of the Association to levy a Limited Assessment as described in Sections 10.12 and 10.13, above, shall not be deemed to be an exclusive remedy of the Association and it may, in its sole discretion, without waiver of any other legal or equitable remedy, pursue enforcement of the lien of said Limited Assessment(s), proceed to collect any amount due directly from the Owner and/or pursue any other remedies available at law or in equity.

ARTICLE X ANNEXATION

11.01. Annexation. Additional property may be annexed to the Subdivision and brought within the provisions of this Amended Declaration by the Grantor, at any time, without the approval of any Owner or the Association. To annex additional property to the Subdivision, the Grantor shall record an amendment to this Amended Declaration which shall describe the additional property to be annexed to the Subdivision, and the Grantor may supplement this Amended Declaration with additional or different Covenants and Restrictions applicable to the annexed property, as the Grantor may deem appropriate, and the Grantor may delete or modify such covenants as are contained herein which the Grantor deems inappropriate for the annexed property. The amendment of this Amended Declaration as authorized by this Section, to annex additional property to the Subdivision, shall be controlled by the provisions of this Section and shall be expressly excluded from the requirements of Section 12.02 of this Amended Declaration. Notwithstanding the foregoing, it is anticipated that each annexed parcel shall be developed and platted as a separate and distinct subdivision and the annexation thereof shall not, *by virtue of such annexation, be considered an alteration, amendment or change to the plat for any prior subdivision comprising the Property governed by the provisions of this Amended Declaration.*

11.02. De-Annexation. The Grantor shall have the right to delete all or a portion of the Property from the coverage of this Amended Declaration and the jurisdiction of the Association, so long as the Grantor is the Owner of all of the property to be de-annexed and, provided further, that an appropriate amendment to this Amended Declaration is recorded in the office of the Salt Lake County Recorder.

ARTICLE XI MISCELLANEOUS

12.05. Non-Waiver. The failure of the Grantor, the Board or any Owner in any one or more instances to insist upon the strict performance of any of the covenants, conditions, restrictions, easements or other provisions of this Amended Declaration or to exercise any right or option contained herein, or to serve any notice or to institute any action, shall not be construed as a waiver or relinquishment for the future of such covenant, condition, restriction, easement or other provision, but the same shall remain in full force and effect.

12.06. Acceptance. Each Owner of a Lot, each purchaser of a Lot under a contract or agreement of sale and each holder of an option to purchase a Lot, by accepting a deed, contract of sale or agreement or option, accepts the same subject to all of the covenants, conditions, restriction, easements and other provisions set forth in this Amended Declaration and agrees to be bound by the same.

Grantor shall not be liable to any Owner for any action taken or omitted to be taken so long as the conduct of Grantor was in good faith, except such as may arise from the willful misconduct or gross negligence of Grantor.

Each member of the Board and each member of the ACC shall be indemnified by the Owners against all expenses and liabilities, including attorneys' fees, reasonably incurred by or imposed in connection with any proceeding to which said member may be a party or in which said member may become involved, by reason of being or having been a member of the Board or the ACC, or any settlement thereof, whether of not said person is a member of the Board or ACC at the time such expenses or liabilities are incurred, except in such cases wherein said person is adjudged guilty of willful misfeasance or malfeasance in the performance of his or her duties; provided that in the event of a settlement, the indemnification shall apply only when the Board or the ACC approves such settlement and reimbursement as being in the best interest of the Association or Owners. This Section shall extend to and apply also for the indemnification of the Grantor and its employees, officers, directors and shareholders during the period that the governance of this Association is vested in the Grantor.
