**WELBY JACOB WATER USERS COMPANY
NOTICE OF INTEREST IN CANAL PROPERTY EASEMENT**

7502870

PLEASE TAKE NOTICE that the Welby Jacob Water Users Company, a Utah corporation (the "Company"), claims prescriptive easement rights to certain real property in Salt Lake County, Utah, for ownership, use, operation and maintenance of a canal, roadway and related water delivering facilities. Said canal property has been in use for the delivery of water for far in excess of the 20-year prescriptive use period. Said canal has historically been referred to and known as the Provo Reservoir Canal. In 1989 the name was changed to the Welby Canal. The centerline of said Welby Canal is as follows:

SEE ATTACHED EXHIBIT A

In certain areas the Company has acquired fee title to the Welby Canal property or acquired easements by deed or grant. Along the remainder of said Canal alignment, the Company claims prescriptive easement rights that were acquired by continuous uninterrupted adverse use. The prescriptive easement for the Welby Canal and adjacent roadway encompasses a 49.5 wide easement, being 1 rod (16.5 feet) west and 2 rods (33.0 feet) east of said Canal centerline.

The Company claims through prescriptive use the exclusive right to the unobstructed use and occupation of the 49.5 feet wide easement. **FENCES ARE NOT PERMITTED WITHIN THE WELBY CANAL PROPERTY.** Permanent or temporary structures (other than fences) that encroach within the prescriptive easement property may be permitted by written agreement with the Company where the same will not unreasonably interfere with the safe use, operation and maintenance of the Welby Canal.

Dated this 11th day of August, 1999.
