THIS DECLARATION, made this 18 day of April, 1979, by
R & I INVESTMENT, INC., a Utah Corporation, hereinafter called
the "DECLARANT;"

W I T N E S S E T H:

WHEREAS, DECLARANT is the legal and beneficial owner of
real property described in Article I of this Declaration and is
desirous of subjecting said real property to the restrictions,
covenants, reservations, and easements hereinafter set forth;

NOW, THEREFORE, DECLARANT hereby declares that the property
described in and referred to in Article I hereof is held and
shall be held, sold, conveyed, leased, occupied, resided upon,
hypothecated, and mortgaged subject to the following agreements,
restrictions, conditions, and covenants between themselves and

benefit of each and every lot created within the property de-

and equitable servitude upon each of said lots in favor of every
other lot created on the aforesaid property, to create recipro-
cal rights and obligations between the respective owners of all
of the lots so created, to create a privity of contract and es-
tate between the grantor and the grantees of said lots, their
heirs, successors, and assigns as to each said lot, and to oper-

other lots, as follows:

13-160-000170 0015
13-161-000170 0010

I. PROPERTY DESCRIPTION.

The real property, referred to above and hereinafter, is located in Ogden City, Weber County, State of Utah, and is more particularly described as follows, to-wit:

All of Mountain Terrace Subdivision, Units 3 and 4, according to the official plat recorded in the Office of the County Recorder, Weber County, State of Utah.

No property other than that described above shall be deemed subject to this Declaration unless and until specifically made subject thereto. The DECLARANT may, from time to time, subject additional real property to the conditions, restrictions, covenants, and reservations herein set forth by appropriate reference thereto.

II. ARCHITECTURAL CONTROL COMMITTEE.

A. Membership: The Architectural Control Committee is composed of the Officers and Directors of R & I INVESTMENT, INC. A majority of the Committee may designate a representative to act for it. Neither the members of the Committee nor its designated representative shall be entitled to any compensation for services performed pursuant to this covenant. The Committee shall be composed of at least four (4) members at all times and may release and appoint new members to said Committee with majority approval.

B. Term: The Committee shall remain in existence until such time as all of the lots in said subdivision are built upon.

C. Functions: The functions of said Committee shall be to pass upon, approve, or reject any plans or specifications for structures to be erected on lots in said tract, so that all structures conform to the restrictions and general plans of the DECLARANT for the improvement and development of the whole tract.

Nothing in this paragraph shall be construed as authorizing or empowering the Committee to change or waive any restriction(s) set forth in this Declaration, except as herein specifically provided. The Committee may act by any two (2) of its members; any authorization, approval, or power made by said Committee shall be in writing and signed by at least two (2) members.

No building shall be erected, placed, or altered on any lot until the construction plans and specifications and a plan showing the location of the structure have been approved by the Architectural Control Committee as to quality of workmanship and materials, harmony of external design with existing structures, and as to location with respect to topography and finish grade elevation. No fence or wall shall be erected, placed, or altered on any lot nearer to any street than the minimum building setback line determined by the Architectural Control Committee, unless similarly approved.

D. Procedure: The Committee's approval or disapproval, as required in these covenants, shall be in writing. In the event the Committee or its designated representative shall fail to approve or disapprove within thirty (30) days after plans and specifications have been submitted to it, or in any event, if no suit to enjoin the construction has been commenced prior to the completion thereof, approval will not be required, and the related covenants shall be deemed to have been fully complied with.

E. Enforcement: Enforcement shall be effected by proceedings at law or in equity against any person or persons violating or attempting to violate any covenant, either by restraining the violation or recovery of damages. Either the Architectural Control Committee or any property owner effected by any violation of these covenants is hereby authorized and empowered to bring such action.

III. IMPROVEMENTS.

A. Type of Structures: Lots shall be used for single-family dwellings only. Said single-family dwellings shall comprise not less than 1,200 square feet on or above ground level and have an attached two (2)-car garage.
