The Bridgestone Homeowners Association Board of Directors shall appoint the members of the ACC whose terms shall be established by the Board or, alternately and in its sole discretion, the Board shall act as the ACC. In the event of death or resignation of any member of the ACC, the Board

of Directors shall designate a successor for the remaining term of the outgoing ACC member. The Board of Directors shall have the right to remove any member of the ACC appointed by it with or without cause

B. SUBMISSION AND APPROVAL OF PLANS: Every Owner of a Lot or Unit who intends to modify or make improvements on it shall deliver a complete set of plans and specifications (the "Plans") to the ACC not less than thirty (30) days prior to the date modifications are to be commenced. Any modifications, following completion of construction by Declarant, of a residence that is to the exterior, permanent and visible from the street or to any neighbors, and/or that requires a building permit from the City of Cedar Hills is subject to governance by the ACC and ultimately the Board should a dispute arise between the ACC and Board. No modifications to a structure or improvement (including but not limited to buildings, fences, walls, landscaping, or site clearing) shall commence or be placed or altered on any Lot until the Plans have been approved in writing by a majority of the members of the ACC. The Plans shall include any information or documents which may be required by the ACC. Plans must conform to requirements of this Declaration and of the recorded subdivision plat. The ACC may postpone its review of the Plans pending receipt of any information or materials that the ACC, in its sole discretion, may require. The ACC may retain copies of the Plans until the modification is built out in its entirety. The ACC may refuse to approve the plans on any grounds that, in the sole and absolute discretion of the ACC, are deemed proper, including, but not limited to, purely aesthetic grounds. In reviewing the Plans, the ACC shall be guided by, but not limited by, the purposes set forth in the first paragraph of Name, Purpose and Definitions. The Association is authorized to remove or undo any modifications that are undertaken without proper notification to the ACC at the homeowner's expense.

It is specifically understood and provided that approval by the ACC of any Plans, or components thereof, shall not constitute a certification or assurance of compliance with this Declaration, the subdivision plat, or applicable law. The full burden of responsibility for compliance with all such requirements shall at all times be and remain upon the owner.

C. ACTIONS OF THE ACC: The vote of a majority of all the members of the ACC shall constitute an act of the ACC.

D. FAILURE TO ACT: In the event that plans are submitted to the ACC as provided above, and the ACC shall fail either to approve or reject the Plans within fourteen (14) days following the submission of all Plans required by the ACC, no approval by the ACC shall be required, and approval of the Plans shall be presumed; provided, however, that such 14-day period shall not begin to run until all information required by the ACC to assist the Committee in its review has been received.

E. VARIANCES. The ACC may grant a variance from compliance with any of the provisions of this Declaration or any supplemental Declaration, when, in the opinion of the ACC, in its sole and absolute discretion, the variance will not be adverse to the overall development plan for the Development, and the variance is justified due to visual or aesthetic considerations or unusual circumstances. All variances must be evidenced in writing and must be signed by at least a majority of the members of the ACC. The granting of a variance shall not operate to

waive or amend any of the terms and provisions of this Declaration or any supplemental Declaration for any purpose except as to the particular property and in the particular instance covered by the variance. A variance shall not be considered to establish a precedent for any future waiver, modification, or amendment of the terms and provisions of this Declaration. All plans and structures approved and/or constructed by Declarant or its predecessors in interest on any Lot at the property prior to the date of these Declarations shall be deemed approved for future construction by the Declarant on any Lot legally subdivided or approved at the property without any necessity of review by the ACC.

F. NON-LIABILITY OF ARCHITECTURAL CONTROL COMMITTEE MEMBERS: Neither the ACC nor any member thereof, shall be liable to any Owner or to any other person for any loss, damage, or injury arising out of the performance or non-performance of the ACC's rights and duties under this Declaration.

III. The rules and regulations are intended to fill omissions purposely left in the Declarations and bylaws and can be changed over time as the community changes. The rules and regulations shall further establish policies and procedures for internal governance of the Association's activities and regulate operation and use of Common Areas.

The Board may adopt a rule without first giving notice to the Owners if there is imminent risk or harm to the Common Areas, the Limited Common Areas or any persons residing within the Association.

Otherwise, before adopting, amending, modifying, canceling, limiting, creating exceptions to, or expanding the rules, the Board shall: (a) give at least 15 days' advance notice of a Board meeting to all Owners during which the proposed rule will be discussed, (b) provide an open forum for discussion with the Owners at the Board meeting held within the prescribed time, and (c) provide each Owner with a copy of the rule changes approved by the Board.

Notice of any change(s) shall be provided to the members within 15 days after the date of the Board Meeting. Duly adopted rules and regulations may be repealed by the members as provided for under Utah law.

Notwithstanding anything in this provision to the contrary, the Association shall make a claim on its insurance policy if required herein or by Utah law.

5. Except in cases of emergency, reasonable notice shall be given to any Owner prior to entering a Unit.

The Board of Directors shall also have such rights independent of the agency relationship. Damage to the interior or any part of the Unit/Units resulting from the maintenance, repair, emergency repair or replacement of any of the common areas or as a result of emergency repair within another Unit at the insistence of the Board of Directors or the Unit Owners shall be an expense of all the Unit Owners and assessed proportionately.

Unless otherwise covered by the Association's insurance policy, if such damage is the result of negligence on the part of the owner of one Unit then such owner shall be financially responsible for all such damage or the Association's insurance deductible, whichever the case may be. The Association shall collect amounts owing by Owners pursuant hereto by assessment pursuant to this Declaration.

Nothing shall be altered, constructed or removed from the Common Areas, except upon consent of the Board.

improvements and sale of the remaining Units. The Declarant may make such use of the unsold Units and the common areas as may facilitate such completion and sale, including, but not limited to, the maintenance of a sales office, the showing of the Units and recreation facilities and the display of signs. a. The Board reserves the right to suspend the voting rights, and the right to the use of the recreational facilities by an Owner for any period during which any assessment against their Lot remains unpaid; or for any infraction of its published rules and regulations and to enforce such suspension until all payments are brought current. In the event that any such voting rights are suspended, the total number of eligible votes for purposes of any matter requiring Owner approval shall be reduced by the number of Owners whose rights are suspended.

b. The Association reserves the right to dedicate or transfer all or any part of the Common Areas to any public agency, authority or utility for such purposes and subject to such conditions as may be agreed to by the members. No such dedication or transfer shall be effective unless an instrument signed by two-thirds (2/3rds) of members agreeing to such dedication or transfer has been recorded.

The personal obligation for delinquent assessments shall not pass to his successors in title unless expressly assumed by them.

2. PURPOSE OF ASSESSMENTS: The assessment levied by the Association shall be used exclusively to promote the enjoyment, health, safety, welfare and recreation of the residents in the properties and for the improvement and maintenance of the Common Areas.

a. In addition to maintenance of the Common Areas, the Association shall provide exterior maintenance for each Unit which is subject to assessment hereunder, as follows: paint, repair, replacement and care of roofs, gutters, downspouts and exterior building surfaces; replacement of trees, shrubs, grass; repair and replacement of walks and other exterior improvements. d. The Board may fix the annual assessment at an amount not in excess of the maximum.

e. The annual assessment may be paid in monthly installments at the rate of one-twelfth (1/12th) of the total amount due by the tenth (10th) of each month, or in other installments approved by the Association.

4. SPECIAL ASSESSMENTS FOR CAPITAL IMPROVEMENTS: In addition to the assessments authorized above, the Board may levy, in any assessment year, a special assessment applicable to that year only for the purpose of defraying, in whole or in part, the cost of any construction, reconstruction, repair or replacement of a capital improvement upon the Common Areas, including fixtures and personal property related thereto, provided that any such assessment shall have the assent of two-thirds (2/3rds) of the members who are voting in person or by proxy at a meeting duly called for this purpose.

5. NOTICE AND QUORUM FOR ANY ACTION AUTHORIZED UNDER D(3) AND D(4): Written notice of any meeting called for the purpose of taking any action authorized under subsections 3 and 4 above, shall be sent to all members not less than 30 days nor more than 60 days in advance of the meeting. At the first such meeting called, the presence of members or of proxies entitled to vote must be 51% or more of all the votes. This shall constitute a quorum. If the required quorum is not present, another meeting may be called subject to the same notice requirement, and the required quorum at the subsequent meeting shall be one-half (1/2) of the required quorum at the preceding meeting – i.e. twenty-five percent (25%). No such subsequent meeting shall be held more than sixty (60) days following the preceding meeting.

6. BUDGET: At least annually, the Board shall prepare and adopt a budget for the Association which shall be presented to the membership at the annual meeting as set forth in the Bylaws. A budget is disapproved if within 45 days after the annual meeting there is a vote of disapproval by at least 51% of all of the allocated voting interests of the Lot Owners in the Association taken at a special meeting called for that purpose.

7. UNIFORM RATE OF ASSESSMENT: Both regular and special assessments must be fixed at a uniform rate for all units and may be collected on a monthly basis.

8. DATE OF COMMENCEMENT OF ASSESSMENT: Due Dates: The annual assessments provided for herein shall commence for all units on the date of conveyance of title to the new owner. The annual assessment for new owners shall be adjusted according to the number of months remaining in the calendar year, with the amount for the first month to be pro-rated from the day of title conveyance proportional to the number of days in that month. The Board shall establish the due dates. The Board or its agent shall, upon demand, and for a reasonable charge not to exceed the amount established by law, furnish a certificate signed by an officer of the Association setting forth whether the assessments on a specified unit have been paid. A properly executed certificate of the Association as to the status of assessments on a unit is binding upon the Association as of the date of its issuance.

9. EFFECT OF NON-PAYMENT OF ASSESSMENT: Any assessment not paid within thirty (30) days after the due date shall bear interest from the due date at the rate of six-percent (6%) per annum. The Board may bring an action at law against the Owner personally obligated to pay for same, or foreclose and put a lien against the property. No Owner may waive or otherwise escape liability for the assessments provided for herein by non-use of the Common Areas or abandonment of the Unit.

In addition to any remedies for non-payment of assessments contained in this Declaration, the Association may utilize all remedies provided by Utah law including, but not limited to:

a. Cause a Lot to be sold through judicial or nonjudicial foreclosure as though its lien were a deed of trust or mortgage, in the manner provided for the foreclosure of deeds of trust and mortgages pursuant to any applicable Utah laws. A Lot Owner's acceptance of a deed for a Lot constitutes a simultaneous conveyance of the Lot in trust. The Association, pursuant to Utah law, is considered to be the beneficiary of such trust and is vested with the power of sale

b. Terminate an Owner's right to receive a utility service and the use of any recreational facilities which is paid for out of common assessments upon following the procedures, notice and hearing requirements under Utah law.

c. Require a tenant under a lease with a Lot Owner to pay the Association all future lease payments due to the Lot Owner, until the Lot Owner's account is current, pursuant to the procedures and notice requirements under Utah law.

10. SUBORDINATION OF THE LIEN TO MORTGAGES: The lien of the assessments provided for herein shall be subordinate to the lien of any first mortgage. Sale or transfer of any unit shall not affect the assessment lien. No sale or transfer shall relieve such unit from liability for any assessments that are past due or from any assessments thereafter becoming due.

11. UNOCCUPIED UNITS: Notwithstanding any other provision of this Declaration to the contrary, there shall be no monthly, annual or special assessments assessed to any Units being constructed by Declarant until such time as the unit is fully completed and an "Occupancy Permit" is granted from the City of Cedar Hills. If the Declarant is the owner after

the "Occupancy Permit" has been obtained, sixty-percent (60%) of the assessment applicable for that unit shall be the obligation of the Declarant. Such assessment shall begin at the first of the month following the day that the "Occupancy Permit" is obtained. When each unit is occupied for the first time by a party other than the Declarant, or the association assumes responsibility for insurance and maintenance, or title thereto is no longer vested in the Declarant, such Lot Owner shall then pay one-hundred-percent (100%) of the amount which would otherwise be assessed to that unit.

12. NO ABATEMENT OF ASSESSMENTS: No diminution or abatement of any assessments under this Declaration shall be claimed or allowed for inconvenience or discomfort arising from any construction within the Development, the making of any repairs or improvements to or maintaining of the Development, or any part thereof or from any action taken to comply with the provision of this Declaration or with the laws, ordinances, regulations, rules or orders of any government authority.

13. RESERVES: The Board shall cause a reserve analysis to be conducted to determine the amount of money needed to create a reserve fund to cover the costs of repairing, replacing and restoring Common Areas that have a useful life of three years or more.

a. The reserve analysis shall be reviewed and updated as required by Utah law.

b. Any money allocated to a reserve fund shall be contained in a fund or account separate from other Association funds.

c. The Association shall, at least annually, present the reserve study to its members and provide an opportunity for Lot Owners to discuss the level of reserve funding and to vote on how much should be allocated to reserves. Minutes of such decisions shall be kept regarding any decision relating to reserve funding.

1. PROPERTY INSURANCE: The Association shall maintain, to the extent reasonably available, property insurance on the physical structures of all attached dwellings/Units, Limited Common Areas appurtenant to a Unit on a Lot and Common Areas within the Association, insuring against all risks of direct physical loss commonly insured against, including fire and extended coverage perils.

2. AMMOUNT OF PROPERTY INSURANCE COVERAGE: The total amount of coverage provided by blanket property insurance may not be less than 100% of the full replacement cost of the insured property at the time the insurance is purchased and at each renewal date, excluding items normally excluded from property insurance policies.

3. **INSURING FIXTURES, IMPROVEMENTS OR BETTERMENTS:** Property insurance shall include coverage for any fixture, improvement, or betterment installed by an Owner to an attached dwelling or to a Limited Common Area appurtenant to a dwelling on a lot, including a floor covering, cabinet, light fixture, electrical fixture, heating or plumbing fixture, paint, wall covering, window, and any other item permanently part of or affixed to an attached dwelling or to a Limited Common Area.

4. **DETACHED DWELLINGS:** Notwithstanding anything in this section and unless otherwise provided in the Declaration, the Association is not required to obtain property insurance for a loss to a dwelling that is not physically attached to another dwelling or to a Common Area structure.

5. **EACH LOT OWNER DEEMED AN INSURED:** Each Lot Owner is an insured person under a property insurance policy of the Association.

6. **ASSOCIATION INSURANCE IS PRIMARY; OWNER(S) ARE RESPONSIBLE FOR DEDUCTIBLE:** If a loss occurs that is covered by a property insurance policy in the name of the Association:

- (a) the Association's policy provides primary insurance coverage; and
- (b) a Lot Owner is responsible for the Association's policy deductible; and
- (c) the Lot Owner's policy applies to that portion of the loss attributable to the Association's policy deductible.

7. **DEFINITIONS:** As used in this section and pursuant to the Act:

(a) "Act" means Utah's Community Association Act, as amended from time to time, currently cited as U.C.A. 57-8a-101 et seq.

(b) "Covered loss" means a loss, resulting from a single event or occurrence, that is covered by the Association's property insurance policy.

(c) "Lot damage" means damage to any combination of a lot, a dwelling on a lot, or a limited common area appurtenant to a lot or appurtenant to a dwelling on a lot.

(d) "Lot damage percentage" means the percentage of total damage resulting in a covered loss that is attributable to lot damage.

8. **CALCULATION OF OWNER RESPONSIBILITY:** A Lot Owner who owns a Lot that has suffered lot damage as part of a covered loss is responsible for an amount calculated by applying the lot damage percentage for that lot to the amount of the deductible under the Association's property insurance policy.

9. **PENALTY OF OWNER DOES NOT PAY ITS PORTION OF DEDUCTIBLE:** If a Lot Owner does not pay the amount required pursuant to this section and the Act within 30 days after substantial completion of the repairs to, as applicable, the Lot, a dwelling on the Lot, or the Limited Common Area appurtenant to the Lot, the Association may levy an assessment against a Lot Owner for that amount.

10. ASSOCIATION TO SET ASIDE FUNDS: The Association shall set aside an amount equal to the amount of the Association's property insurance policy deductible or \$10,000, whichever is less.

11. NOTICE TO OWNERS REGARDING THEIR RESPONSIBILITIES: The Association shall provide notice to each Lot Owner of the Lot Owner's obligations herein for the Association's policy deductible and of any change in the amount of the deductible.

12. FAILURE TO PROVIDE NOTICE TO OWNERS: If the Association fails to provide notice as stated herein, it is responsible for the amount of the deductible increase that the Association could have assessed to a Lot Owner under this Section and the Act. The Association's failure to provide notice as provided herein, however, may not be construed to invalidate any other provision of this section.

13. WHEN THE OWNER'S INSURANCE IS CONSIDERED PRIMARY: If, in the exercise of the business judgment rule, the Board determines that a claim is likely not to exceed the Association's property insurance policy deductible:

- (a) The Lot Owner's policy is considered the policy for primary coverage to the amount of the Association's policy deductible;
- (b) A Lot Owner who does not have a policy to cover the Association's property insurance policy deductible is still responsible for the loss to the amount of the Association's policy deductible;
- (c) The Association need not tender the claim to the Association's insurer.

14. PAYMENT AND DISBURSEMENT OF INSURANCE PROCEEDS: The insurance proceeds for a loss under the Association's property insurance policy:

- (a) are payable to an insurance trustee that the Association designates or, if no trustee is designated, to the Association; and
- (b) may not be payable to a holder of a security interest.

An insurance trustee or the Association shall hold any insurance proceeds in trust for the association, lot owners, and lien holders.

Insurance proceeds shall be disbursed first for the repair or restoration of the damaged property.

After the disbursements are made and the damaged property has been completely repaired or restored or the project terminated, any surplus proceeds are payable to the Association, Lot Owners, and lien holders.

The Board is not liable to Lot Owners if the insurance proceeds are not sufficient to cover 100% of the full replacement cost of the insured property at the time of the loss.

B. LIABILITY INSURANCE.

1. **LIABILITY INSURANCE:** The Association shall maintain liability insurance, including medical payments insurance covering all occurrences commonly insured against for death, bodily injury, and property damage arising out of or in connection with the use, ownership, or maintenance of the Common Areas.

2. **AMOUNT OF LIABILITY INSURANCE:** A liability insurance policy shall be in an amount determined by the Board but not less than an amount specified in the Declaration or Bylaws.

3. **EACH LOT OWNER DEEMED AN INSURED:** Each Lot Owner is an insured person under a liability insurance policy that the Association obtains that insures against liability arising from the Lot Owner's interest in the Common Areas or from membership in the Association.

If the Association becomes aware that property insurance or liability insurance is not reasonably available, the Association shall, within seven calendar days after becoming aware, give all Lot Owners notice that the insurance is not reasonably available.

C. ADDITIONAL INSURANCE.

1. **ADDITIONAL INSURANCE:** The Declaration or Bylaws may require the Association to carry other types of insurance in addition to those described in this section or in the Act. The Association may, as the Board considers appropriate, obtain:

- (a) An additional type of insurance than otherwise required; or
- (b) A policy with greater coverage than otherwise required.

D. **WAIVER OF SUBROGATION:** An insurer under a property insurance policy or liability insurance policy obtained pursuant to this section waives its right to subrogation under the policy against any lot owner or member of the lot owner's household.

E. **OWNERS PERMITTED TO OBTAIN INSURANCE FOR THEIR OWN BENEFIT:** A property insurance or liability insurance policy issued to the Association may not prevent a Lot Owner from obtaining insurance for the Lot Owner's own benefit.

F. **DAMAGE TO A PORTION OF PROJECT:** If a portion of the project for which insurance is required under this section is damaged or destroyed, the Association shall repair or replace the portion within a reasonable amount of time unless:

- (a) the project is terminated;
- (b) repair or replacement would be illegal under a state statute or local ordinance governing health or safety; or
- (c) at least 75% of the allocated voting interests of the lot owners in the Association vote not to rebuild; and

(d) each Owner of a dwelling on a Lot and the Limited Common Area appurtenant to that Lot that will not be rebuilt votes not to rebuild.

If a portion of a project is not repaired or replaced because the project is terminated, the termination provisions of applicable law and the governing documents apply.

The cost of repair or replacement in excess of insurance proceeds and reserves is a common expense.

G. DAMAGE OR DESTRUCTION TO ENTIRE PROJECT: If the entire project is damaged or destroyed and not repaired or replaced:

(1) The Association shall use the insurance proceeds attributable to the damaged Common Areas to restore the damaged area to a condition compatible with the remainder of the project;

(2) The Association shall distribute the insurance proceeds attributable to Lots and Common Areas that are not rebuilt to:

- (a) the Lot Owners of the lots that are not rebuilt;
- (b) the Lot Owners of the lots to which those common areas that are not rebuilt were allocated; or
- (c) lien holders; and

(3) the Association shall distribute the remainder of the proceeds to all the Lot Owners or lien holders in proportion to the common expense liabilities of all the Lots.

H. IF OWNERS VOTE NOT TO REBUILD: If the Lot Owners vote not to rebuild a Lot:

(1) the Lot's allocated interests are automatically reallocated upon the Lot Owner's vote as if the Lot had been condemned; and

(2) the Association shall prepare, execute, and submit for recording an amendment to the Declaration reflecting the reallocations described above.

VII. ALTERATION TO SITE PLAN AND EXPANDABILITY

A. PLANS: No construction of a new Unit may be commenced until plans showing the nature, kind, shape, height, width, color, materials and details thereof have been submitted to and approved in writing by the Board of Directors. Notwithstanding the foregoing, however, no prior approval is necessary for construction of a new Unit(s) if the new Unit(s) consist of plans and designs which have been previously approved by the Board or otherwise utilized in the Development.

B. STANDARD OF APPROVAL: The Board shall approve plans for new Unit(s) submitted for its approval only if it reasonably determines that:

1. All things considered, the improvement or construction contemplated by the new Unit(s) will not be detrimental to the surrounding area, to the Properties as a whole, or to the best interests of the Association as a whole.

2. In light of the aesthetic aspects of the architectural designs, landscaping, color schemes, exterior finishes and materials and similar features, the new Unit(s) will not detract from the beauty and attractiveness of the Property or the enjoyment thereof by the Members, and,

3. The ongoing maintenance of any proposed new Unit(s) on a per unit or per building basis will not be any more burdensome from an expense perspective on the Association than the already existing Unit(s) are on a per unit or per building basis.

VIII. GENERAL PROVISIONS

A. NOTICES: Any notice required or permitted to be given to any owner under the provisions of this Declaration shall be deemed to have been properly furnished if delivered or mailed, postage prepaid, to the person named as the owner at the latest address for such person, as reflected in the records of the Association at the time of delivering or mailing or it may be sent by email to the latest email address provided to the Association by the owner unless the Owner requests regular mail for notices. Any notice required or permitted to be given to the Association may be given by delivering or mailing the same or sending an email message to any officer or director of the Association. In addition, notice to the members may be provided publishing such notice on the Association's website, if any.

B. INTEREST; LATE FEES; REINVESTMENT FEE COVENANTS: In the event any charge, cost or other expense or monetary duty is not paid when due, such amount shall bear interest at the highest rate allowed by law from due date until paid. The Board may impose a late fee, pursuant to its rule making authority cited above. In addition, a reinvestment fee is hereby authorized and imposed, as adopted by the Board and consistent with Utah law, applicable to each conveyance of a Unit within the Association.

C. ENFORCEMENT: The Declarant, the Board and each owner shall have the right to enforce, by any proceeding at law or in equity, all restrictions, conditions and reservations now or hereafter imposed by this declaration or any supplemental Declaration. Any failure to enforce these covenants and restrictions shall not be deemed a waiver of the right to do so thereafter. Any violation of these covenants shall not affect the lien of any mortgage or deed of trust of any secured party. Nothing herein shall authorize the Declarant, Board, or owner to deny ingress or egress to or from a lot or unit by a property owner. The prevailing party in any action to enforce this Declaration, the Bylaws or the Rules and Regulations of the Association shall be entitled to their costs and reasonable attorney fees for bringing such an action.

D. BOARD OF DIRECTORS AUTHORITY AND ENFORCEMENT; FINES: As provided for herein, the Board may make and enforce rules and regulations governing the use of the Property which shall be consistent with these CC&Rs.

1. **FINING AND SUSPENSION PROCEDURE:** In addition to such other rights as are specifically granted under this Declaration, the Board shall have the power to impose legally permissible fines which shall constitute a lien upon the lot or unit of the violator, and to suspend an owner's right to vote or any person's right to use the common areas for violation of any duty, restriction or covenant imposed under this Declaration if the owner is more than thirty (30) days delinquent in paying any assessment or other charges owed to the Association. In the event that any rule or regulation is violated hereunder and a fine is imposed, the fine shall first be imposed against the occupant, provided, however, that if the fine is not paid by the occupant within the time period set by the Board, the owner shall pay the fine upon notice from the Association. The failure of the Board to enforce any provision of this revised Declaration or any rule or regulation imposed hereunder shall not be deemed a waiver of the right of the Board to do so thereafter.

2. **NOTICE:** Prior to the imposition of any fine hereunder, the Board or its agent shall serve the alleged violator with written notice describing (1) the nature of the alleged violation, (2) the proposed fine to be imposed which shall be based on a previously adopted schedule of fines and (3) a period of time (generally 3-30 days) within which the alleged violator may present a written request for a hearing to the Board. The Board may, but shall not be obligated to, suspend any proposed fine if the violation is cured within the time period. Such suspension shall not constitute a waiver of the right to sanction future violations of the same or other provisions and rules by any owner. Fines may incur late charges if not paid by stated due dates. The Board is not required to provide advance notice before (A) imposing late charges on delinquent assessments, or (B) suspension of voting rights if an owner is shown on the HOA records to be more than thirty (30) days delinquent in any payment due the HOA, in which case suspension of the right to vote shall be automatic.

3. **HEARING:** If a hearing is requested by the person(s) being fined within the allotted time period, the hearing shall be held before the Board in executive session. The alleged violator shall be afforded a reasonable opportunity to be heard. No interest or late fees may accrue until after the hearing has been conducted and a decision has been rendered. The decision of the Board at such hearing shall be final.

E. REIMBURSEMENT OF ATTORNEYS' FEES AND COSTS: If an owner defaults in making a payment of any assessment or in the performance or observance of any provision of the Governing Documents of the Association and the Board obtains the services of an attorney with respect to the default involved, the owner shall pay to and reimburse the Association for any and all reasonable costs, fees and expenses, including attorney fees incurred by the Association. The owner shall reimburse the Association for the costs of preparing and recording a notice and claim of lien regardless of whether an attorney is employed by the Association for that purpose.

F. EQUAL TREATMENT OF OWNERS: These Rules and Regulations shall be applied to and enforced against all owners in a similar fashion and without discrimination in accordance with the applicable requirements of relevant federal and state laws.

G. INTERPRETATION OF THE COVENANTS: Except for judicial construction, the Association, through its Board shall have the exclusive right to interpret the provisions of these CC&Rs. In the absence of any adjudication to the contrary by a court of competent jurisdiction, the Board construction or interpretation of the provisions hereof shall be final, conclusive and

binding as to all persons and/or property benefited or bound by the covenants and provisions hereof.

H. OWNERS' COMPLIANCE: Each owner, tenant or occupant of a unit shall comply with the provisions of this Declaration, the Articles, Bylaws and decisions, resolutions, rules and regulations of the Association or its duly authorized representative, as lawfully amended from time to time, and failure to comply with any such provisions, decisions, resolutions, rules or regulations shall constitute the basis for an action to recover sums due for damages or for injunctive relief, including reasonable attorneys' fees and all costs. All agreements and determinations lawfully made by the Association in accordance with the voting percentages established in this Declaration or in the Articles or Bylaws shall be deemed to be binding on all owners of lots or units, their successors and assigns.

I. SEVERABILITY: Invalidation of any one or more of the provisions of these covenants and restrictions by judgment or court order shall in no way affect the validity of any other provision and all other provisions shall remain in full force and effect.

J. AMENDMENTS: Except as otherwise provided herein, the provisions of this Declaration may be amended by an instrument in writing signed and acknowledged by the holders of record title to at least sixty-seven percent (67%) of the lots subject to these restrictions, which amendment shall be effective upon recordation in the office of the County Recorder of Utah County, Utah.

K. EXCEPTION: Notwithstanding "J" above, Declarant may (at Declarant's option) amend and modify this Declaration without obtaining the consent or approval of the owners if such amendment or modification is necessary to cause this Declaration to comply with the requirements of the Federal Housing Administration, the Veterans Administration, Federal National Mortgage Association or other similar agency.

L. DURATION: These covenants, conditions and restrictions shall be effective for a term of thirty (30) years from the date this Declaration is recorded; provided, however, that all easements shall be perpetual. After the 30-year period, these covenants, conditions and restrictions (CC&Rs), shall be automatically extended for successive periods of ten (10) years each, unless terminated by written instruments signed by the owners of at least two-thirds (2/3rds) of the lots comprising the property.

M. INTERPRETATION: If this Declaration or any word, clause, sentence, paragraph or other part thereof shall be susceptible to more than one or conflicting interpretations, then the interpretation of the Board shall govern.

N. GENDER AND GRAMMAR:

1. The singular, whenever used herein, shall be construed to mean the plural when applicable and the necessary grammatical changes required to make the provisions here apply either to Corporations or individuals, males or females shall in all cases be assumed as though in each case fully expressed.

2. The headings contained in this Declaration are for reference purposes only and shall not in any way affect the meaning or interpretation of this Declaration.

3. In the event of conflict between the terms of the Declaration and any Bylaws, rules, regulations or Articles of Incorporation of the Association, this Declaration shall control.

IX. BENEFITED OR INDIVIDUAL ASSESSMENTS

BENEFITED OR INDIVIDUAL ASSESSMENTS: Benefited or Individual Assessments are defined as those common area enhancements which are not available to all members of the Bridgestone HOA, (i.e. elevators), but are supported by the HOA dues as a whole.

- A. When such an enhancement becomes a line-item expense to the HOA and rises to the top three most expensive items in the monthly budget the following will be mandated:
1. The item will be identified by the Board of Directors in a formal meeting.
 2. The expense of the item will be assigned as maintenance and/or repair and supporting invoices will be documented.
 3. A surcharge equal, but not to exceed, 60% of the accumulated and projected expense in a one-year time will be determined for this specific item.
- B. Surcharge:
1. The determined surcharge will be divided equally among all Unit owners who benefit from the enhancement.
 2. The surcharge will be in addition to the regular annual HOA fee.
 3. All rules and penalties for the surcharge will remain the same as those applied to the HOA annual fees.
 4. Said surcharge may be paid in a one-time payment of 100% or in conjunction with HOA dues.
- C. Cessation of surcharge:
1. The defined surcharge assessment will be discontinued when the expense for the defined enhancement falls below the top three line items in the Bridgestone HOA monthly expenses as determined by the Board of Directors.
 2. The cessation is not to be construed as permanent and can be reinstated if the expenses for the defined enhancement rises again to the level stated as to the monthly HOA budget.
- D. Notification: All persons affected in any way by a benefited enhancement as defined above will receive written notification in advance of a surcharge assessment or its cessation. This notification will be given at least 30 days prior to the institution of such an assessment.
