An Owner shall be entitled to one membership for each Unit owned by him. Each such membership shall be appurtenant to the Unit from which it is derived and shall be transferred automatically by conveyance of such Unit. Any Committee member who fails on three (3) successive occasions to attend Committee meetings (whether regular or special) or who has failed to attend at least sixty percent (60%) of all Committee meetings (whether regular or special) held during any 12-month vacancy, the remaining Committee members may elect a replacement to sit on the Committee until the expiration of the term for which the member being replaced was elected. Unless he or she forfeits or otherwise loses his or her seat as herein provided, a member shall serve on the Committee until his or her successor is elected and qualifies. Committed members shall be reimbursed for all expenses reasonably incurred in connection with Committee business. The Committee may fix such compensation for any member as may be reasonable in light of the Committee duties which that member is required to perform.

6.3 Votes. The number of votes appurtenant to each respective Unit shall be equal to the product of the Percentage Interest (as the same may be revised as the result of minor adjustments as provided in Section 4.6) multiplied by One Hundred (100). The number of votes appurtenant to each Unit shall have a permanent character and shall not be altered without the unanimous written consent of all Owners expressed in duly recorded amendment to this Declaration. The number of votes appurtenant to each Unit may not be divided between multiple Owners of such Unit or between matters which require the vote of Owners.

VII. RIGHT AND OBLIGATIONS OF THE ASSOCIATION

7.1 Common Areas. The Association, subject to the rights of the Owners set forth in Article IV hereof, shall be responsible for the exclusive management and control

of the Common Areas and all improvements thereon (including furnishings and equipment related thereto) and shall keep the same in good, clean, attractive and sanitary condition, order and repair, provided, however, that each owner of a Unit shall keep the Limited Common Areas, if any, designated for use in connection with his Unit, in a good, clean, sanitary and attractive condition. Such installation and maintenance shall be made in accordance with the Association Rules and Regulations and at the sole cost and expense of the Owner. Any maintenance of the satellite dish or of the Common Areas occasioned by the installation and maintenance of such satellite dish shall be the sole financial responsibility of the Owner and the Association is authorized to assess the cost of the same against the Owner.

7.2 Miscellaneous Services. The Association may obtain and pay for the services of any person or entity to manage its affairs, or any part thereof, to the extent it deems advisable, as well as such other personnel of the Association as it shall be determined to be necessary or desirable for the proper operation of the Project, whether such personnel are furnished or employed directly by the Association or by any person or entity with whom or which is contracts. The cost of such services shall be borne as provided in Article VIII. The Declarant may enter into one or more professional management contracts on behalf of the Association pursuant to the provisions hereof, provided the Association shall have the right to terminate any such contract, without cause, at any time after transfer of control of the Association to Owners.

The Association may acquire and hold for the use and benefit of the Association and all of the Owners tangible and intangible personal property and may dispose of the same by sale or otherwise, and the beneficial interest in any such property shall be deemed to be owned by the Owners in the same proportion as each Owner's respective Percentage Interest. Such interest shall not be transferable except with the transfer of a Unit. A transfer of a Unit shall transfer to the transferee ownership of the transferor's beneficial interest in such property without any reference thereto. Each owner may use such property in accordance with the purpose for which it is intended, subject to rules and regulations adopted by the Association as provided herein, without hindering or encroaching upon the lawful rights of other

Owners. The transfer of title to a Unit under foreclosure shall entitle the purchaser to the interest in such personal property associated with the foreclosed Unit.

7.4 Rules and Regulations. The Association may make reasonable rules and regulations governing the use of the Units and of the Common Areas, which rules and regulations shall be consistent with the rights and duties established in this Declaration. Such rules and regulations may include, without limitation: (i) a requirement that draperies, shades, or other interior window coverings, including the interior surfaces of any window or door glass used in Units shall present a uniform appearance of type and color from the exterior of any Unit or all Units and that the Association shall have the right to inspect and reinspect and approve all proposed draperies, shades, or other interior window coverings to insure compliance with such rules before installation thereof in a Unit and (ii) that Limited Common Areas conform to standardized regulations regarding appearance, maintenance and modifications thereof. The Association may suspend any Owner's voting rights in the Association during any period or periods during which such Owner fails to comply with such rules and regulations or with any other obligations of such Owner under this Declaration. The Association may also take judicial action against the Owner to enforce compliance with such rules regulations or other obligations or to obtain damages for non-compliance, all to the extent permitted by law. Any costs and attorney's fees incurred by the Association in bringing judicial action against an Owner to enforce compliance with this Declaration and/or the rules and regulations shall be assessed against such Owner in accordance with the provisions of Section 8.5.

7.5 Granting Easements. The association may, without a vote or consent of the Owners, or of any other person grant or create, on behalf of the Association, on such terms as it deems advisable, utility and similar easements and rights-of-way over, under, across, and through the Common Areas.

7.6 Implied Rights. The Association may exercise any other right or privilege given to it expressly by this Declaration or By-Law, and every other right or privilege reasonable to be implied from the existence of any right or privilege given to it herein or reasonable necessary to effectuate any such right or privilege.

VIII. ASSESSMENTS

8.1 Agreement to Pay Assessment. Declarant, for each Unit owned by it within the Project, and for and as the owner of the Project and every part thereof, hereby covenants, and each Owner of any Unit by the acceptance of a deed therefore, whether or not it be so expressed in the deed, shall be deemed to covenant and agree with each other and with the Association to pay to the Association annual assessments made by the Association for the purposes provided in this Declaration, and special assessments for capital established and collected from time to time in the manner provided in the Article.
