(a) No building or structure shall be erected for use or be used for any purpose within said subdivision except as a dwelling. This restriction, however, shall not be construed to prohibit the erection of garages, a private stable, a private hot house, or such out buildings as are necessary to house domestic animals permitted to be raised within said subdivision under the provisions of paragraph (f) of this agreement.

(b) No dwelling house costing less than Five Thousand Dollars shall

be constructed upon any lot within said subdivision, and the ground floor area of any such dwelling house, exclusive of open porches and garages, shall not contain less than one thousand square feet.

No structure of a temporary nature shall be used as a residence in said subdivision.

(f) No residential structure shall be erected or placed upon any plot of ground within said subdivision, which plot is less than an acre in size, excepting Lot No. 8 of said subdivision, which is smaller than one acre in size, it being the intention of the parties to this agreement to provide for residential lots of a minimum size of one acre per dwelling.

(j) All dwellings shall be subject to a right of way for the public highway and for the installation of utility lines, and the payment of necessary judgments.

3.

These covenants shall run with the land and shall be binding on all owners of lots within said subdivision until January 1, 1970, at which time said covenants shall be automatically extended for successive periods of ten years each unless by the vote of a majority of the owners in the subdivision these covenants are changed, modified, or nullified in whole or in part.

If the parties hereto or their heirs or assigns, shall violate or attempt to violate any of the covenants herein contained, it shall be lawful for any other person or persons owning land within the said subdivision to prosecute any proceedings at law or in equity against the person or persons violating or attempting to violate the said covenants, and to prevent him or them from so doing and/or to recover damages for such violation.

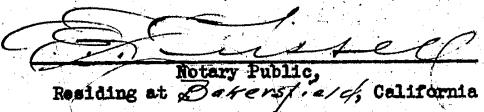

The invalidity of any covenant contained herein shall in no wise effect any of the other provisions hereof, which shall remain in full force and effect.
