4) The right of the Association to suspend voting rights and right to use the Common Areas by an Owner for any period during which any Assessments against his Lot remain unpaid, and for a period not to exceed sixty (60) days for any infraction of the Rule;

5) The right of the Association to dedicate or transfer all or any part of the Common Areas, and any sewer, water and storm drain lines to any public agency or authority for such purposes and subject to such conditions as may be agreed to by the Association. Any such dedication or transfer must, however, be assented to by two-thirds (2/3) of the Lot Owners.

4.4. **Delegation of Use.** Any Owner may delegate his right of use and enjoyment to the Common Areas to family members, tenants, or contract purchasers who reside on the Property. 4.5. **Compliance with Restrictions and Rules.** Each Owner and Occupant shall comply with the Restrictions imposed by this Declaration. Further, each Owner and Occupant shall fully and faithfully comply with the Rules.

ARTICLE V. ASSESSMENTS

5.1. **Covenant to Pay Assessments.** Each Owner of any Lot by the acceptance of a deed therefore, whether or not it be so expressed in the deed, hereby covenants and agrees with each other and with the Association to pay to the Association all Assessments, including by illustration but not limitation all Annual, Special, or Individual Assessments described below, and other fees, charges, levies, and fines as provided in the Governing Documents.

5.2. **Purpose of Assessments.** Assessments levied by the Association shall be used exclusively for the purpose of promoting the health, safety, and welfare of residents of the Property, including but not limited to the appearance and aesthetics of the Project. The use made by the Association of funds obtained from Assessments may include, but is not limited to, payment of the cost of taxes and insurance on the Common Areas; maintenance, repair and improvement of the Common Areas; establishing and funding a reserve to cover major repair or replacement of improvements within the Common Areas; and any expenses necessary or desirable to enable the Association to perform or fulfill its obligations, functions or purposes under this Declaration, the Bylaws, or its Articles of Incorporation.

5.3. **Declarant's Covenant for Assessments.** Anything to the contrary notwithstanding, the Declarant shall not be obligated to pay Assessments on any Lot and

Residences owned by it until such time as: (1) certificates of permanent occupancy are issued and the Lots and Residences are sold or rented; or (2) Declarant elects in writing to pay the Assessments, whichever first occurs.

5.4. **Basis for Assessments.** The total annual Assessments against all Lots shall be based upon advance estimates of cash requirements by the Board to provide for the payment of each Owner's share of the Common Expenses and all estimated expenses growing out of or connected with the maintenance and operation of the Common Areas, among other things, is expenses of management; grounds maintenance; taxes and special assessments levied by governmental authorities; premiums for all insurance which the Association is required or permitted to maintain; common lighting and heating; water charges; trash collection; sewer service charges; repairs and maintenance; legal and accounting fees; any deficit remaining from a previous period; the creation of a reasonable contingency reserve, surplus and/or sinking fund; and any other expenses and liabilities which may be incurred by the Board for the benefit of the Owners under or by reason of this Declaration. Owners acknowledge the above list of expenses is exemplary and the Association may, or may not, provide service for each previously listed expense.

5.5. **Annual Assessments.** Annual Assessments shall be made on a calendar year basis. The Board shall give written notice of each Annual Assessment not less than thirty (30) days nor more than sixty (60) days prior to the beginning of the next calendar year. Each Annual Assessment shall be due and payable in monthly installments on the first day of each and every month and no separate notices of such monthly installment shall be required. At least fifteen (15) days prior to the effective date of any change in the amount of the Annual Assessment, the Association shall give each Owner written notice of the amount.

5.6. **Special Assessments.** In addition to the Annual Assessments, the Board may levy in any calendar year a Special Assessment up to one-thousand dollars (\$1,000), payable over such a period as the Board may determine for the purpose of defraying, in whole or in part any expense or expenses not reasonably capable of being fully paid with funds generated by Annual Assessments; the cost of any construction, reconstruction, or unexpected repair or replacement of the Property or Common Areas; or for any other expense incurred or to be incurred as provided in this Declaration. Additional Special Assessments over one-thousand dollars (\$1,000) in a calendar year may be levied if assented to by a majority of the Members present in person or by proxy at a meeting duly called for such purpose. Notice in writing of the amount of any Special Assessments and the time for their payment shall be given as soon as is reasonably possible to the Owners. Payment shall be due on the dates and in the manner provided in the notice.

5.7. **Individual Assessments.** In addition to Annual and Special Assessments authorized pursuant to the Sections above, the Board may levy at any time Individual Assessments: (a) on each Lot specifically benefited by any improvements to adjacent roads, sidewalks, planting areas or other portions of the Common Areas made on the written request of the Owner of the Lot to be charged; (b) on each Lot the Owner or Occupant of which shall cause any damage to the Common Areas necessitating repairs; and (c) on each Lot as to which the Association shall incur any expense for maintenance or repair work performed or enforcement action taken pursuant to the provisions of the Governing Documents to bring a Lot and/or its Residence into compliance.

The aggregate amount of any such Individual Assessments shall be determined by the cost of such improvements, repairs, maintenance, or enforcement action, including all overhead and administrative costs and attorney's fees, and shall be allocated among the affected Lots according to the special benefit or cause of damage or maintenance or repair work or enforcement action, as the case may be. Individual Assessments may be levied in advance of the performance of the work. If a special benefit arises from any improvement which is part of the general maintenance obligations of the Association, it shall not give rise to an Individual Assessment against the Lot(s) benefited, unless such work was necessitated by the Lot Owner's or Occupants' negligence.

5.8. **Uniform Rate of Assessment.** Except for Individual Assessments provided in the Sections above, Annual and Special Assessments shall be fixed at a uniform rate for all Lots.

5.9. **Personal Obligation and Lien.** All Assessments, together with any interest, late fees, collection costs, and attorneys' fees if collection efforts become necessary shall be, constitute, and remain: (a) a charge and continuing lien upon the Lot with respect to which such Assessment is made; and (b) the personal obligation of the person who is the Owner of such Lot at the time the Assessment falls due. No Owner may exempt himself or his Lot from liability for payment of Assessments by waiver of his rights concerning the Common Areas or by abandonment of his Lot. In a voluntary conveyance of a Lot, the grantee shall be jointly and severally liable with the grantor for all such unpaid Assessments, late payment fees, interest, and costs of collection, including reasonable attorneys' fees, which shall be a charge on the Lot at the time of the conveyance, without prejudice to the grantee's right to recover from the grantor the amounts paid by the grantee therefore.

5.10. **Certificate Regarding Payment.** Upon the request of any Owner, prospective purchaser, mortgagee, or encumbrancer of a Lot, the Association shall issue a certificate stating whether or not all Assessments respecting such Lot are current and, if not, the amount of the delinquency. Such certificate shall be conclusive in favor of all persons who in good faith rely thereon. The Association may charge the requesting Owner, prospective purchaser, mortgagee, or encumbrancer of a Lot a reasonable fee of up to twenty-five dollars (\$25) or an amount greater if so provided in the Act.

5.11. **Default in Payment of Assessment; Enforcement of Lien.** Assessments not paid within thirty (30) days of the due date thereof shall be deemed delinquent and subject to interest at the rate of eighteen percent (18%) per annum. In addition to the interest charge, a late fee may be imposed by the Board in an amount established through Rules. If an Assessment or other charge levied under this Declaration becomes delinquent, the Association may exercise any or all of the following remedies:

- 1) The Association may suspend such Owners voting rights.
- 2) The Association shall have a lien against each Lot for any Assessment levied against the Lot and any fines or other charges imposed under this Declaration or the Bylaws against the Owner of the Lot from the date on which the Assessment, fine, or charge is due. At any time, any Assessment (of any type provided for by this Declaration or the Bylaws) or installment thereof is delinquent, the Association, by and through its Board or any Manager,

may file a notice of lien in the deed records of Davis County, Utah against the Lot in respect to which the delinquency pertains. Once filed, such lien shall accumulate all future Assessments or installments, interest, late fees, penalties, fines, attorneys' fees, and other appropriate costs properly chargeable to an Owner by the Association, until such amounts are fully paid. Said lien may be foreclosed at any time as allowed by law. The lien of the Association shall be superior to all other liens and encumbrances except a lien or encumbrance recorded before the Original Declaration was recorded; a first or second security interest on the Lot secured by a mortgage or trust deed that is recorded before the Association's notice of lien; or a lien for real estate taxes or other governmental assessments against the Lot. The Association through its duly authorized agents, may bid on the Lot at any foreclosure sale, and may acquire and hold, lease, mortgage, and convey the Lot.

3) The Association may bring an action to recover a money judgment for unpaid Assessments, fines, and charges under this Declaration against the Lot Owner without foreclosing or waiving the lien described in paragraph (b) above. Recovery on any such action, however, shall operate to satisfy the lien, or the portion thereof, for which recovery is made.

4) If the delinquent Owner is leasing his Lot or any portion thereof, the Board may, at its option, so long as such default shall continue, demand and receive from any tenant of the Owner the rent due or becoming due and the payment of such rent to the Board shall discharge such tenant for rent due, and shall discharge the Owner for such Assessments to the extent of the amount so paid.

5) The Association may terminate utilities paid out of the Common Expense and the right to use the Common Areas.

6) Payments shall be credited first to collection costs (including attorney's fees), then to interest and late fees, then to the oldest assessments, then the most recent assessments.

7) The Association shall have any other remedy available to it by law or in equity.

8) The Owners hereby convey and warrant pursuant to Utah Code Ann. Sections 57-1-20 and 57-8a-302 to the Association's attorney of record, with power of sale, the Lot and all improvements to the Lot for the purpose of securing payment of Assessments under the terms of the Declaration;

5.12. **Reserve Account.** The Association shall establish a reserve account to fund long-term maintenance of other areas required to be maintained by the Association; insurance; all other Common Expenses; and the administration, management, operation, and reserves of the Association. If the Board fails to adopt an annual budget, the last adopted budget shall continue in effect. The Board shall follow any statutory requirement to conduct a reserve analysis and use such reserve analysis in making budget decision for the funding of a Reserve Account. The Board shall not be personally liable for failure to fund the reserve unless gross negligence or intentional

misconduct is proven in a court of law. Notwithstanding the foregoing, such duty and obligation shall not apply to the Association during the Period of Declarant Control.

5.13. **Reimbursement of Tax Collection by County Authorized.** It is recognized that under the Declaration the Association will own the Common Areas and that it will be obligated to pay property taxes to Davis County, to the extent taxes are required on such Common Areas. It is further recognized that each Owner of a Lot as a Member of the Association will be required to reimburse the Association for his pro rata share of such taxes paid. Notwithstanding anything to the contrary contained in the Declaration, Davis County shall be authorized to collect such pro rata share of taxes directly from each Owner by inclusion and said share with the tax levied on each Lot.

ARTICLE VI. DUTIES AND POWERS OF THE ASSOCIATION

6.1. **Organization of Association.** The Association shall serve as the governing body for all Owners. The Association shall make provisions for the maintenance, repair, replacement, administration, and operation of the Common Area and Common Expenses, and other matters as provided in the Act, this Declaration, and the Bylaws. The Association shall have all rights and powers granted to it under the Act and in this Declaration, the Articles, and the Bylaws. The Association shall not be deemed to be conducting a business of any kind, and all funds received by the Association shall be held and applied by it for the Owners in accordance with this Declaration, the Articles, and the Bylaws. Except as specifically authorized in this Declaration, the Articles, or the Bylaws, no Owner or group of Owners shall have authority to take any action on behalf of the Owners, the Association, or the Board of Directors.

6.2. **Legal Organization.** The Association is a nonprofit corporation. In the event the nonprofit corporate status expires or is invalidated in any manner, the Board of Directors, in its sole discretion, may renew and/or reincorporate the Association. Any such expiration or invalidation shall not relieve any Owner from paying Assessments and abiding by all Restrictions contained in this Declaration.

6.3. **General Powers and Obligations.** The Association shall have, exercise and perform all of the following powers, duties, and obligations:

- 1) The powers, duties, and obligations granted to the Association by this Declaration, its Bylaws, and the Articles of Incorporation;
- 2) The powers and obligations of a nonprofit corporation pursuant to the general nonprofit corporation laws of the State of Utah;
- 3) The powers, duties, and obligations of a homeowners association pursuant to the Utah Community Association Act, or any successor thereto;
- 4) The powers, duties, and obligations not reserved specifically to the Lot Owners; and

5) Any additional or different powers, duties, and obligations necessary or desirable for the purpose of carrying out the functions of the Association pursuant to this Declaration or otherwise promoting the general benefit of the Owners within the Project.

The powers and obligations of the Association may from time to time be amended, repealed, enlarged, or restricted by changes in this Declaration made in accordance with the provisions herein, accompanied by any necessary changes in the Articles of Incorporation or Bylaws of the Association made in accordance with such instruments and with the nonprofit corporation laws of the State of Utah.

6.4. **Specific Powers and Duties.** The powers and duties of the Association shall include, without limitation, the following:

1) **Maintenance and Services.** The Association shall provide maintenance and services for the Project as provided in Article VII and other provisions of this Declaration.

2) **Insurance.** The Association shall obtain and maintain in force policies of insurance as provided in this Declaration or the Bylaws of the Association. The Association shall have no obligation to obtain or maintain any insurance covering the personal and real property of any Owner(s), and each Owner shall be responsible for obtaining and maintaining such personal and real property insurance.

3) **Rulemaking.** The Association, through its Board of Directors, shall make, establish, promulgate, amend, and repeal Rules governing the conduct of persons and the operation and use of the Property as it may deem necessary or appropriate in order to assure a clean, aesthetically pleasing, peaceful, and orderly use and enjoyment of the Property.

4) **Assessments.** The Association shall adopt budgets and impose and collect Assessments as provided in Article V of this Declaration.

5) **Enforcement.** The Association shall perform such acts, whether or not expressly authorized by this Declaration, as may be reasonably necessary to enforce the provisions of the Governing Documents of the Association.

6) **Title to Common Areas.** The Association shall hold title to all Common Areas conveyed to it by its developer and pay all real property taxes and assessments levied upon any portion of the Common Areas, unless paid by the Owners, provided that the Association shall have the right to contest or compromise any such taxes or assessments.

7) **Employment of Agents, Advisers, and Contractors.** The Association, through its Board, may employ the services of any person or corporation as managers, hire employees to manage, conduct, and perform the business, obligations, and duties of the Association, employ professional counsel and obtain advice from such persons or firms or corporations such as, but not limited to, community association managers, landscape architects, accountants, recreational experts, architects, planners, lawyers, reserve study specialists, or what is convenient for the management, maintenance, and operation of the Property.

8) **Litigation.** The Board may instigate litigation to enforce the provisions of this Declaration or any other Common Law or statutory right which the Association is granted. The Association shall not commence any litigation without prior approval of the majority of the Members if assented to by a majority of the Members present in person or by proxy at a meeting duly called for such purpose, if the litigation shall exceed the cost of five thousand dollars (\$5,000.00) either in attorney fee expenses or in costs (including any expert reports). During the Period of Declarant Control, no litigation shall be approved without the authorization of the Declarant.

6.5. **Liability.** A member of the Board or an officer of the Association shall not be liable to the Association or any Member thereof for any damage, loss, or prejudice suffered or claimed on account of any action or failure to act in the performance of his or her duties, except for intentional or willful bad acts or acts of recklessness. In the event any Board member or any officer of the Association is made a party to any proceeding because the individual is or was a director or officer of the Association, the Association shall indemnify such individual against liability and expenses incurred to the maximum extent permitted by law, except where the Board member or officer is found by a court of law to have acted recklessly, wilfully, or intentionally in carrying out his/her duties.

6.6. **Board of Directors.** The governing body of the Association shall be the Board of Directors. Except where a matter or vote is specifically reserved to the Owners, the Board of Directors shall act in all instances on behalf of the Association. With respect to any amendment to the Hillside Declaration, the Board shall not be obligated to obtain approval from the general ownership. Without limiting the generality of the foregoing, the Board may appoint one or more "Committees", and such Committees (which may consist of one or more members, as determined by the Board) shall have such authority and duties as may be determined from time to time by the Board relating to the budgeting, operation, financial management and administration of the Project (collectively, the "Delegated Duties"). While any Committee established by the Board shall report to the Board regularly regarding its activities, the Board may by express directive relinquish and transfer all authority and responsibility with respect to such Delegated Duties to an applicable Committee.

6.7. **Proceedings.** The Association, acting through the Board, shall have the power and the duty to reasonably defend the Association (and, in connection therewith, to raise counterclaims) in any pending or potential lawsuit, arbitration, mediation or governmental proceeding (collectively hereinafter referred to as a "Proceeding"). The Association, acting through the Board, shall have the power, but not the duty, to reasonably institute, prosecute, maintain and/or intervene in a Proceeding, in its own name, but only on matters affecting or pertaining to this Declaration as as to which the Association is a proper party in interest, and any exercise of such power shall be subject to full compliance with the following provisions:

1) Any Proceeding commenced by the Association: (1) to enforce the payment of an assessment or an assessment lien or other lien against an Owner as provided for in this Declaration, or (2) to otherwise enforce compliance with the Declaration, Bylaws, or Rules of the Association, or to obtain other relief from, any Owner who has violated any provision thereof, or (3) against a supplier, vendor, contractor or provider of services, pursuant to a

contract or purchase order with the Association, and in the ordinary course of business, or (4) for money damages wherein the total amount in controversy for all matters arising in connection with the action is not likely to exceed Ten Thousand Dollars (\$10,000.00) in the aggregate, shall be referred to herein as an "Operational Proceeding". The Board from time to time may cause an Operational Proceeding to be reasonably commenced and prosecuted, without the need for further authorization.

2) Any and all pending or potential Proceedings other than Operational Proceedings shall be referred to herein as "Non-Operational Controversy" or "Non-Operational Controversies". To protect the Association and the Owners from being subjected to potentially costly or prolonged Non-Operational Controversies without full disclosure, analysis and consent; to protect the Board and individual members of the Board or its appointed officers and agents from any charges of negligence, breach of fiduciary duty, conflict of interest or acting in excess of their authority or in a manner not in the best interests of the Association and the Owners; and to ensure voluntary and well-informed consent and clear and express authorization by the Owners, strict compliance with all of the following provisions of this Section shall be mandatory with regard to any and all Non-Operational Controversies commenced, instituted or maintained by the Board:

(a) The Board shall first endeavor to resolve any Non-Operational Controversy by good faith negotiations with the adverse party or parties. The good faith negotiations shall include a written notice that shall include an explanation of the nature of the claim, a specific breakdown and calculation of any alleged damages, a specific description of the claim along with any supporting evidence upon which the claim is based, photographs of any alleged condition, if applicable, and one hundred eighty (180) days to cure or resolve the claim. In the event that such good faith negotiations fail to reasonably resolve the Non-Operational Controversy, the Board shall endeavor in good faith to resolve such Non-Operational Controversy by mediation, provided that the Board shall not incur liability for or spend more than Five Thousand Dollars (\$5,000.00) in connection therewith (provided that, if more than said sum is reasonably required in connection with such mediation, then the Board shall be required first to reasonably seek approval of two-thirds (2/3) of the voting power of the Members for such additional amount for mediation before proceeding to either arbitration or litigation). In the event that the adverse party or parties refuse mediation, or if such good faith mediation still fails to reasonably resolve the Non-Operational Controversy, the Board shall not be authorized to commence, institute or maintain any arbitration or litigation of such Non-Operational Controversy until the Board has fully complied with the following procedures:

(i) The Board shall first investigate the legal merit, feasibility and expense of prosecuting the Non-Operational Controversy, by obtaining the written opinion of a licensed Utah attorney, expressly stating that such attorney has reviewed the underlying facts and data in sufficient, verifiable detail to render the opinion, and expressly opining that the Association has a substantial likelihood of prevailing on the merits with regard to the Non-

Operational Controversy, without substantial likelihood of incurring any material liability with respect to any counterclaim which may be asserted against the Association. The Board shall be authorized to spend up to an aggregate of Five Thousand Dollars (\$5,000.00) to obtain such legal opinion, including all amounts paid to said attorney therefor, and all amounts paid to any consultants, contractors and/or experts preparing or processing reports and/or information in connection therewith. The Board may increase said \$5,000.00 limit, with the express consent of two-thirds (2/3) of all of the Members of the Association, at a special meeting called for such purpose.

(ii) Said attorney opinion letter shall also contain the attorney's best good faith estimate of the aggregate maximum "not-to-exceed" amount of legal fees and costs, including, without limitation, court costs, costs of investigation and all further reports or studies, costs of court reporters and transcripts, and costs of expert witnesses and forensic specialists (all collectively, "Quoted Litigation Costs") which are reasonably expected to be incurred for prosecution to completion (including appeal) of the Non-Operational Controversy. Said opinion letter shall also include a draft of any proposed fee agreement with such attorney. If the attorney's proposed fee arrangement is contingent, the Board shall nevertheless obtain the Quoted Litigation Costs with respect to all costs other than legal fees, and shall also obtain a written draft of the attorney's proposed contingent fee agreement. (Such written legal opinion, including the Quoted Litigation Costs, and also including any proposed fee agreement, contingent or non-contingent, are collectively referred to herein as the "Attorney Letter").

(iii) Upon receipt and review of the Attorney Letter, if two-thirds (2/3) or more of the Board affirmatively vote to proceed with the institution or prosecution of, and/or intervention in, the Non-Operational Controversy, the Board thereupon shall duly notice and call a special meeting of the Members. The written notice to each Member of the Association shall include a copy of the Attorney Letter, including the Quoted Litigation Costs and any proposed fee agreement, contingent or non-contingent, together with a written report ("Special Assessment Report") prepared by the Board: (1) itemizing the amount necessary to be assessed to each Member ("Special Litigation Assessment"), on a monthly basis, to fund the Quoted Litigation Costs, and (2) Specifying the probable duration and aggregate amount of such Special Litigation Assessment. At said special meeting, following review of the Attorney Letter, Quoted Litigation Costs and the Special Assessment Report, and full and frank discussion thereof, including balancing the desirability of instituting, prosecuting and/or intervening in the Non-Operational Controversy against the desirability of accepting any settlement proposals from the adversary party or parties, the Board shall call for a vote of the Members, whereupon: (a) if less than two-thirds (2/3) of the total voting power of the Association votes in favor of pursuing such

Non-Operational Controversy and levying the Special Litigation Assessment, then the Non-Operational Controversy shall not be pursued further, but (b) if two-thirds (2/3) of the total voting power of the Association affirmatively vote in favor of pursuing such Non-Operational Controversy, and in favor of levying a Special Litigation Assessment on the Members in the amounts and for the duration set forth in the Special Assessment Report, then the Board shall be authorized to proceed to institute, prosecute and/or intervene in the Non-Operational Controversy. In such event, the Board shall engage the attorney who gave the opinion and quote set forth in the Attorney Letter, which engagement shall be expressly subject to the Attorney Letter. The terms of such engagement shall require that said attorney shall be responsible for all attorneys' fees and costs and expenses whatsoever in excess of one hundred twenty percent (120%) of the Quoted Litigation Costs, and that said attorney shall provide, and the Board shall distribute to the Members, not less frequently than quarterly, a written update of the progress and current status of, and the attorney's considered prognosis for, the Non-Operational Controversy, including any offers of settlement and/or settlement prospects, together with an itemized summary of attorneys' fees and costs incurred to date in connection therewith.

(iv) In the event of any bona fide settlement offer from the adverse party or parties in the Non-Operational Controversy, if the Association's attorney advises the Board that acceptance of the settlement offer would be reasonable under the circumstances, or would be in the best interests of the Association, or that said attorney no longer believes that the Association is assured of a substantial likelihood of prevailing on the merits without prospect of material liability on any counterclaim, then the Board shall have the authority to accept such settlement offer. In all other cases, the Board shall submit any settlement offer to the Owners, who shall have the right to accept any such settlement offer upon a majority vote of all of the Members of the Association.

3) In no event shall any Association working capital fund be used as the source of funds to institute, prosecute, maintain and/or intervene in any Proceeding (including, but not limited to, any Non-Operational Controversy).

4) Any post-turnover litigation involving the Association (as Plaintiff) and the Declarant shall strictly comply with each of the provisions of this Section. The parties hereby covenant, stipulate, and agree that in the event the Association fails to satisfy the prerequisites set forth herein, the Association will indemnify, defend, hold harmless, and exculpate Declarant to the fullest extent permissible by law, and Declarant shall be entitled to recover any and all attorneys fees and costs expended as a result of enforcing this provision 6.5., which fees and costs may include, without limitation, pre-litigation attorneys fees, costs incurred in connection with investigation of potential claims, including expert and consultant fees, testing fees, contractor fees, and insurance deductibles. The parties further covenant, stipulate, and

agree that failure to comply with this Section herein will result in damages to Declarant including, without limitation, reputational harm, and may result in damages to Declarant including lost revenues, and loss of business and sales opportunities.

5) Any provision in this Declaration notwithstanding: (1) other than as set forth in this Section, the Association shall have no power whatsoever to institute, prosecute, maintain or intervene in any Proceeding, (2) any institution, prosecution or maintenance of, or intervention in, a Proceeding by the Board without first strictly complying with, and thereafter continuing to comply with, each of the provisions of this Section, shall be unauthorized and *ultra vires* (i.e., an unauthorized and unlawful act, beyond the scope of authority of the corporation or of the person(s) undertaking such act) as to the Association, and shall subject any member of the Board who voted or acted in any manner to violate or avoid the provisions and/or requirements of this Section to personal liability to the Association for all costs and liabilities incurred by reason of the unauthorized institution, prosecution or maintenance of, or intervention in, the Proceeding; and (3) this Section may not be amended or deleted at any time without the express prior written approval of both: (a) Members representing not less than sixty-seven percent (67%) of the total voting power of the Association, and (b) not less than seventy-five percent (75%) of the total voting power of the Board; and any purported amendment or deletion of this Section or any portion hereof, without both of such express prior written approvals shall be void.

ARTICLE VII. MAINTENANCE

7.1. **Maintenance.** The Association shall maintain, repair, and replace all Common Areas. The Association shall have no obligation to perform any exterior maintenance and/or repair of any part of a Lot, Residence, or any other landscaping installed by an Owner without the Association's express agreement to maintain such landscaping.

7.2 **Improvements and Maintenance of Hillside.** Located within and adjacent to the Property, and more accurately described in Exhibit C, is a certain visible, steep hillside (the "Hillside"). The Hillside divides the upper portion of Eaglewood Village (a residential project) from the lower portion of Eaglewood Village (a mixed-use commercial and residential project). Pursuant to this Amendment and consistent with the Hillside Declaration and amendments thereto, the Association shall hereafter supervise, manage, operate, examine, insure, inspect, care for, repair, replace, restore and maintain the Hillside (the "Hillside Maintenance") pursuant to the provisions of the Hillside Declaration. The Hillside Declaration sets forth with respect to the Property (i) additional procedures, requirements and responsibilities of the Association, and (ii) the pro rata payment, allocation and/or reimbursement of expenses and improvements. The Hillside Maintenance expenses allocable to the Owners of the Upper Property pursuant to the Hillside Declaration shall be deemed a "Common Expense" under this Declaration and shall be subject to the covenants set forth in Article 7 of the Declaration.

7.3. **Services.** The Association shall provide or contract for such services as the Board of Directors may reasonably deem to be of benefit to the Property, including, without limitation, garbage/trash removal services for all Residences.

7.4. **Residence and Lot Maintenance.** Each Owner shall have the obligation to maintain, repair, and replace the Lot and every improvement thereupon including without limitation the Residence.

7.5. **Owner Maintenance Neglect.** The Association shall have the power and authority without liability to any Owner for trespass, damage, or otherwise, to enter upon any Lot for the purpose of maintaining and repairing such Lot or any improvement thereon (including a Residence); but only if the Owner fails to maintain and repair such Lot or improvement, or for the purpose of removing any improvement constructed, reconstructed, refinished, altered or maintained upon such Lot in violation of this Declaration or any Rules of the Association. Except as necessary to prevent personal injury or property damage in an emergency, the Association shall first provide reasonable notice and an opportunity to cure before exercising the power granted herein.

The Association shall also have the power and authority from time to time in its own name, on its own behalf, or in the name and behalf of any Owner or Owners who consent thereto, to commence and maintain actions and suits to restrain and enjoin any breach or threatened breach of this Declaration or any Rules promulgated by the Board, or to enforce by mandatory injunction or otherwise all of the provisions of this Declaration and such Rules.

7.6. **Maintenance Caused by Owner Negligence.** In the event that the need for maintenance or repair of Common Areas as specified herein is caused through the willful or negligent acts of an Owner, or through the willful or negligent acts of the family, guests, tenants, or invitees of an Owner, the Board may cause such repairs to be made by the Association and the cost of such maintenance or repair work shall be added to and become an Individual Assessment (as set forth above) to which such Lot is subject.

ARTICLE VIII. INSURANCE

8.1. **Insurance.** The Board of Directors shall obtain insurance as required in this Declaration, the Act, or other applicable laws. The Association may obtain insurance that provides more or additional coverage than the insurance required in this Declaration. Different policies may be obtained from different insurance carriers and standalone policies may be purchased instead of or in addition to embedded, included coverage, or endorsements to other policies. Insurance premiums shall be a Common Expense. The Board may adopt insurance rules and policies to maintain the insurability of the Project, keep the premiums reasonable, and enforce responsibilities of the Owners.

8.2. **Types of Insurance Maintained by the Association.** To the extent reasonably available, the Association shall obtain the following insurance coverage:

- 1) Public liability for the Common Areas for at least \$1,000,000 per occurrence and \$2,000,000 in the aggregate for property damage, bodily injury, or death;
- 2) Property, fire, and extended hazard for all Common Areas, if available and advisable;

- 3) Directors and officers for at least \$1,000,000.00;
- 4) Fidelity bond or dishonest acts insurance for at least the value of the reserves and operating capital of the Association.
- 5) Worker's Compensation Insurance for all employees of the Association to the extent that such insurance is required by law and as the Board of Directors deems appropriate.

8.3. **Certificates.** Any insurer that has issued an insurance policy to the Association shall issue a certificate of insurance to the Association and upon written request, to any Owner or Mortgagee.

8.4. **Named Insured.** The named insured under any policy of insurance shall be the Association. Each Owner shall also be an insured under all property and CGL insurance policies.

8.5 **Premium as Common Expense.** The premiums for the Association's insurance policy shall be a Common Expense.

8.6 **Insurance by Owner.** Each Owner shall insure their Lot, Residence, any and all Lot improvements, and personal property.

8.7 **Payment of Deductible.** The deductible on a claim made against an Association policy shall be paid for by the party:

- 1) Who would be liable for the loss, damage, claim or repair in the absence of insurance; or
- 2) From whose Lot the cause originates.

If there are multiple responsible parties, the loss shall be allocated equally amongst the parties. If a loss is caused by an Act of God, nature, or risk or peril beyond the control of the parties, then any Owner benefiting from the coverage shall be responsible for the deductible. Deductibles shall be determined by the Board. If the Board changes the deductible amount, 60 days' notice will be given to the Owners. Owners found to be responsible for the deductible, shall be so despite inadequate personal insurance. If the Board finds an Owner to be responsible for the deductible, it shall be an Individual Assessment.

ARTICLE IX. USE RESTRICTIONS

9.1. **Use of Common Areas.** The Common Areas shall be used only in a manner consistent with their community nature and with the use restrictions applicable to Lots and Residences.

9.2. **Use of Lots and Residences.** All Lots are intended to be improved with Residences and are restricted to such use. Except as may be approved to the contrary, each Residence shall be used only as a single-family residence. No gainful occupation, profession, trade, or other nonresidential use shall be conducted on any Lot or Residence without the prior written consent of the Board and applicable governmental entities. However, the Board shall not approve commercial activities otherwise prohibited by this Section unless the Board determines that only normal residential activities would be observable outside of the Residence and that the activities would not be in violation of applicable local ordinances. No Lot or Residence shall be used, occupied, or altered in violation of law, so as to jeopardize the support of any other Residence, so as to create a nuisance or interfere with the rights of any Owner, or in any way which would result in an increase in the cost of any insurance covering the Common Areas.

9.3. **Offensive or Unlawful Activities.** No noxious or offensive activities shall be carried on upon any Lot, Residence, or Common Area, nor shall anything be done or placed on any Lot or Common Area which interferes with or jeopardizes the quiet enjoyment of other Lots, Residences, or the Common Areas, or which is a source of annoyance to residents. No unlawful use shall be made of a Lot or any part thereof, and all valid laws, zoning ordinances and regulations of all governmental bodies having jurisdiction thereof shall be observed. No use shall be made of any Residence which shall cause the improvements within the Development or any part thereof to be uninsurable against loss by fire or other perils included in insurance contracts, or cause such insurance to be canceled or suspected, or cause any company issuing such insurance to refuse renewal thereof.

9.4. **Recreational Vehicles.** No boats, trailers, motorhomes, large trucks, commercial vehicles, or the like belonging to Owners or other residents of the Property shall be parked within the Development, not to exceed forty-eight (48) hours. No motor vehicle of any kind shall be repaired, constructed, or reconstructed upon any Lot, Private Street or other Common Areas, except for emergency repairs to vehicles. Any motor recreational vehicle must be kept in an enclosed garage.

9.5. **Pets.** No animals shall be kept in the Project except household pets. Such pets may not be kept or bred for any commercial purpose and shall have such care and restraint so as not to be obnoxious or offensive on account of noise, odor, or unsanitary conditions. No savage or dangerous animals shall be kept. No pets shall be permitted to run loose upon the Common Areas. In addition to the restrictions set forth in this Section, the Board shall be authorized to adopt and implement reasonable Rules pertaining to pets and animals.

If a pet owner violates any pet rules and regulations, the Board shall have the express authority to issue citations or levy assessments, and collect these by judgment, lien or foreclosure. In extreme cases, the Board may require that the Owner or Occupant remove the pet from the premises.

9.6. **Machinery and Equipment.** No machinery or equipment of any kind shall be placed, used, operated, or maintained on or adjacent to any Lot except such machinery or equipment as is usual and customary in connection with the use, maintenance, or construction of a Residence or appurtenant structures.

9.7. **Nuisances**. No resident shall create, maintain or permit a nuisance in, on or about the Project. For purposes of this Section a “nuisance” includes any behavior which annoys, disturbs or interferes with other residents and interferes with their right to the quiet and peaceful enjoyment of their property. A nuisance includes but is not limited to the following:

- 1) The development of any unclean, unhealthy, unsightly, or unkempt condition on, in or about a Lot or the Common Areas;
- 2) The storage of any item, property or thing that will cause any Lot or the Common Area to appear to be in an unclean or untidy condition or that will be noxious to the senses;
- 3) The accumulation of rubbish, unsightly debris, garbage, equipment, or other things or materials so as to constitute an eyesore as reasonably determined by the Board or the Association;
- 4) The storage of any substance, thing or material upon any Lot or in the Common Areas that will emit any foul, unpleasant or noxious odors, or that will cause any noise or other condition that will or might disturb the peace, quiet, safety, comfort, or serenity of the other residents at the Project;
- 5) The creation or maintenance of any noxious or offensive condition or activity in or about any Lot or the Common Areas;
- 6) Actions or activities tending to cause embarrassment, discomfort, annoyance, distress or a disturbance to any other residents, their guests or invites, particularly if the police or sheriff must be called to restore order;
- 7) Maintaining any plants, animals, devices or items, instruments, equipment, machinery, fixtures, or things of any sort whose activities or existence in any way is illegal, noxious, dangerous, unsightly, unpleasant, or of a nature that diminishes or destroys the enjoyment of the Association by other residents, their guests or invites;
- 8) Too much noise in, on or about any Lot or the Common Area, especially after 10:00 p.m. and before 7:00 a.m., or use of outside speakers or amplifiers;
- 9) Too much traffic in, on or about any Lot or the Common Area, especially after 10:00 p.m. and before 7:00 a.m.;
- 10) Allowing a pet to be unleashed while outside of the Residence or fenced backyard;
- 11) Continuous barking, meowing, or other animal noises;

12) Allowing a pet to urinate or defecate in the Common Areas or failing to clean up immediately any feces deposited by a pet in the Common Area.

9.8. **Signs.** No signs whatsoever (including, without limitation, political signs) shall be erected or maintained on any Lot, except such signs as may be required by legal proceedings, or a "For Sale" or "For Rent" sign, to the extent permitted, and in conformance with the Rules promulgated by the Board.

9.9. **Trash Containers and Collection.** All garbage and trash shall be placed and kept in covered containers of a type and style which shall be approved by the Board. Insofar as possible, such containers shall be maintained as not to be visible from the street view except to make them available for collection and then only for the shortest time necessary to effect such collection. The Association shall provide garbage cans and waste removal services.

9.10. **Parking.** Only temporary guest and visitor parking is allowed on roadways or streets within the Project boundaries. This prohibition on parking on roadways and streets is for all vehicles, including but not limited to, automobiles, trucks, buses, tractors, camping vehicles, boats, bus trailers, snowmobiles, mobile homes, two, three or four wheeled motor vehicles, or other wheeled vehicles. Furthermore, the Board of Directors is authorized to adopt and implement reasonable Rules pertaining to parking within the Project boundaries. The Board of Directors may hire at their discretion a third party parking enforcement company to enforce any Rules.

9.11. **No Patio / Deck Storage.** No observable outdoor storage of any kind shall be permitted on patios, front yards, porches, etc., except for patio furniture and portable barbecue grills in good condition which may be maintained on backyard patios. Said patio furniture shall conform with standards set by the Architectural Committee.

9.12. **Window Coverings.** Every Owner of a Residence shall be obligated to ensure that window coverings are installed within the Residence within one month of purchasing or taking possession of the Residence. Furthermore, the Board of Directors is authorized to adopt and implement reasonable Rules pertaining to the type, color, material, etc. of window coverings. Under no circumstances shall any cardboard or tinfoil be used as window coverings in the Project. Additionally, no stickers or non-holiday decorations will be permitted in windows.

9.13 **Aerials, Antennas, and Satellite Dishes.** Aerials, antennas, and satellite dishes larger than one meter in diameter are prohibited. Aerials, antennas, and satellite dishes may not be installed on Common Areas. One antenna or satellite dish smaller than one meter in diameter may be installed within the Lot. The Association may create policies to create a hierarchy of preferred installation locations to protect the aesthetics of the Project. The hierarchy of preferred installation locations may not interference with reception.

9.14 **Timeshares.** Timeshares and time-sharing of Living Units within the Project is prohibited, and under no circumstances shall any Residence be owned or used for time sharing, including but limited to a "Timeshare Interest" as that term is defined in Utah Code Ann. § 57-19-2(17), as amended.

9.15 **Utility Service.** All lines, wires, or other devices for the communication or transmission of electric current of power, including telephone, television and radio signals, shall

be contained in conduits or cables installed and maintained underground or concealed in, under, or on buildings or other structures approved by the Board.

9.16 **Subdivision of Lots.** No Lot shall be further subdivided or separated into smaller Lots or parcels by any Owner, and no portion less than all of any such Lot, shall be conveyed or transferred by any Owner without the prior written approval of the Board. No Lot may be converted into a condominium or cooperative or other similar type of entity without the prior written approval of the Board. No further covenants, conditions restrictions or easements shall be recorded against any Lot without the written consent of the Board being evidenced on the recorded instrument containing such restrictions and without such approval such restrictions shall be null and void. No applications for rezoning, variances, or use permits shall be filed without the written approval of the Board and then only if such proposed use in compliance with this Declaration.

9.17 **Clothes Drying Facilities.** Outside clotheslines or other outside facilities for drying or airing clothes shall not be erected, placed or maintained on any Property.

9.18 **Front Porches.** Front porches are required to be maintained in a clean and tidy fashion. Owners may have outdoor furniture made of wood or metal on the front porch, unless prohibited by rule. Plastic, vinyl, or indoor furniture may not be kept on the front porch. Any outdoor furniture kept on the front porch shall be well maintained and in good condition. The Association may require worn furniture or furniture that detracts from the theme of the community to be removed from the front porch. Front porches shall not be used for storage. Examples of items prohibited from being kept on front porches include, without limitation, bicycles, toys, barbecues, trash receptacles, ash trays, and anything else which appears unkempt, dirty, or detracts from the appearance of the Project.

9.19 **Off Road Vehicles.** No off road motor vehicles, including but not limited to snow mobiles, three wheelers or four wheelers may be driven on the roads, streets, footpaths, walkways, or Common Areas within the Project.

ARTICLE X. ARCHITECTURAL CONTROLS

10.1. **Architectural Control Committee.** The Board may appoint a three (3) member Architectural Control Committee, the function of which shall be to insure that all improvements and landscaping within the Property harmonize with existing surroundings and structures (herein the "Committee"). The Committee need not be composed of Owners. If such a Committee is not appointed, the Board shall perform the duties required of the Committee.

10.2. **Architectural Controls.** To maintain a degree of protection to the investment which homeowners in this area may make, homes of superior design are requisite, and designs shall be limited to those approved by the Committee. In the event of any reconstruction of a Residence or improvement due to a casualty, the design, quality, and appearance of the reconstructed Residence or improvement shall be substantially the same as the structure initially built, unless otherwise approved by the Committee. No landscaping, grading, excavation, building, fence, wall, Residence,

or other structure, or alteration of any kind, shall be commenced, erected, maintained, improved, altered, or made until the construction plans and specifications, have been approved in writing by the Committee. All subsequent additions to or changes or alterations in any building, fence, wall, or other structure, including exterior color scheme, and all changes in the grade within the Project, shall be subject to the prior written approval of the Committee. Once approved by the Committee, no changes or deviations in or from the plans and specifications shall be made without the prior written approval of the Committee. Subsequent to receiving approval of the Committee and prior to the commencement of construction, each Owner will be responsible for obtaining a building permit from North Salt Lake City.

No construction, reconstruction or modification of a Residence, improvement or landscaping may commence without approval by the Committee of the working drawings including, but not limited to, the following:

- 1) Plot plans to scale showing the entire site, building, garages, walks, drives, fences, lights, and retaining walls, with elevations of the existing and finished grades and contours including those at the outside corners of the buildings and at adjacent property line and street fronts and elevations of floors from a designated point on the street.
- 2) Detailed floor plans showing dimensions and measurements.
