For LOGAN CITY

All prospective, current, and future owners, and heirs to the property identified below, are hereby notified that the property at 160 North 1175 West, **Logan, UT, TAX ID 05-064-0031** (legal description attached) is recognized as having grandfathered uses on the property. The property is located in a **Commercial Services (CS)** zoning district and use is regulated by §17.17 of the Logan City Land Development Code.

On May 26, 2016, the Logan City Department of Community Development determined that the above mentioned property is considered as having two (2) legally existing, nonconforming uses and recognizes that the property can continue operation of a "Contractors storage yard of heavy equipment" and "Storage of sand, gravel, earth or stone" in accordance with the allowances for legally existing non-conforming uses as described in the Land Development Code.

This decision is based on the following findings, supported in the administrative record of GF16-002 for this project:

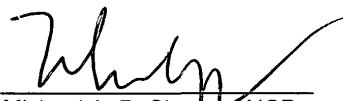

1. The City of Logan annexed the subject property from Cache County by Ordinance 79-01 on January 18, 1979.
2. The City of Logan adopted zoning regulations in August, 1950.
 - a. The zoning history of the property indicates that the property was zoned M1, Light Industry District, following annexation.
 - b. The zoning was M1 in 1983. The property was zoned M1 from 1983-2000.
 - i. Contractors storage yard of heavy equipment and Storage of sand, gravel, earth or stone are listed as "P", a permitted use in the M1 zone.
 - c. The zoning from 2000-2011 was IND, Industrial.
 - i. Contractors storage yard of heavy equipment is listed as "P", a permitted use in the IND zone.
 - ii. Storage of sand, gravel, earth or stone is listed as "C", a conditional use in the IND zone.
 - d. The zoning from 2011-Present is CS- Commercial Services.
 - i. Contractors storage yard of heavy equipment and Storage of sand, gravel, earth or stone are listed as "N", a use not allowed in the zoning district.
3. Logan City has building permit records from the year 1930 to present.
 - a. There are no building permits associated with the parcel at 160 North 1175 West and/or TID #05-064-0031.

7. In response to the "Important Notice concerning a grandfather request near property you own", Mr. Arden Nicholls indicated that he had owned property near the subject property for 40 years and that the property has always been used as an industrial use.
8. A Declaration was received April 12, 2016, from Ron Foster stating that the subject property was leased by him to store his construction equipment and aggregate material for his construction company. He used the property from at least 1991 to 2014.
9. In summary, the subject property was associated with 1180 West 200 North. Wright Excavation was established at 1180 West 200 North in 1979. Aerial images of the location indicate use of the subject property initiating between the 1993 and 1997 photographs. In 1995, a building permit for a commercial change of use is on record for Ron Foster Construction being established at 1180 West 200 North. A contractor's storage yard for heavy equipment and storage of sand, gravel, earth or stone were permitted uses in the M1 zone at that time. While permit and licenses do not indicate use of the 160 North 1175 West property, aerial images show storage of equipment and sand or gravel on the site. Ron Foster Construction operated with a business license from 2003 to 2007. In 2007, Ron Foster Construction ceased business operations from the site but continued to store heavy equipment and aggregate material on the site.

In the event that any structure devoted in whole or in part to the nonconforming use is damaged or destroyed the use may be restored to the intensity or density that existed prior to the damage or destruction. In such cases, the use shall be re-established within twelve months of the date of damage occurrence unless otherwise delayed by reconstruction of the structure. A good faith effort to complete and occupy the building shall also be required (Land Development Code §17.59.050 D). There are not any structures on this tax identification number. If the nonconforming use ceases to exist for any period of more than twelve consecutive months, subsequent uses shall conform to all regulations of the Land Development Code for the district such lot is located (Land Development Code §17.59.050 C). This nonconforming use shall not be added to, nor enlarged in any manner, except as in conformance with Chapter 17.59 of the Logan City Land Development Code.
