11. Architectural Review Committee ("ARC"). Until the termination of the Period of Developer Control, the ARC has the sole right and exclusive authority to resolve all architectural issues and may, in its sole discretion, designate one or more persons from time to time to act on its behalf in reviewing applications hereunder as the ARC, which before the termination of the Period

of Developer Control shall consist of three individuals, two of whom must be appointed by Developer and the third must be appointed by the Developer, and thereafter may consist of (a) a single individual, architect or engineer, or (b) a committee comprised of architects, engineers or other persons who may or may not be Owners, or (c) a combination thereof. The initial ARC will be made up of Steve Herman, Chris Gamvroulas, and John Cahoon, who shall serve until such time as their successors are qualified and appointed. Members serving on the ARC shall be appointed or elected to serve two (2) year terms. Any member of the ARC who fails on three (3) successive occasions to attend regularly scheduled meetings or who has failed to attend at least twenty-five percent (25%) of all regularly scheduled meetings held during any twelve (12) month period shall automatically forfeit his seat. Except for members of the ARC appointed by the Developer prior to the termination of the Period of Developer Control, members of the ARC may be removed at any time by the affirmative vote of at least a majority of the Owners. Unless he forfeits or otherwise loses his seat as herein provided, a member shall serve on the ARC until his successor qualifies and is properly appointed by the Developer or, after the termination of the Period of Developer Control, elected by the Owners. Members of ARC shall not be compensated for their services, although they may be reimbursed for costs advanced.

The ARC shall constitute a legal entity capable of dealing in its own name or in behalf of two or more Owners. The ARC shall have the authority and standing to pursue all legal and equitable remedies available to enforce the provisions of this Section and its decisions, including without limitation:

a. **Access.** The power and authority to enter into or upon any Lot to make inspections, evaluations or repairs and to do other work necessary for the proper maintenance and operation of the Subdivision or to enforce the decisions of the ARC. Pets in the Subdivision at large must be behind a fence, in a cage or on a leash and under the control of a responsible person.

No structure, plant, improvement or other material may be placed or permitted to remain, or other activities undertaken which may damage or interfere with established Lot ratios, create erosion or sliding problems, or which may change the direction or flow of drainage channels, or obstruct or retard the flow of water through the channels. The slope

control area of each Lot and all improvements therein shall be maintained continuously by the Owner of the Lot, excepting those improvements for which a public authority or utility company is expressly responsible. It shall be the responsibility of the Owner to see that his Lot strictly conforms with the grading and drainage plan established by the Developer and Salt Lake County.

Each Owner shall be responsible to develop, improve, and landscape his Lot in a manner consistent with the Underdrain System and the Established Drainage Pattern, and so as not to detract from, interfere with, or impair the Underdrain System or Established Drainage Pattern on any Lot within the Subdivision or the Common Areas. The Association shall be responsible to maintain, repair, and replace the Underdrain system. No changes to the Underdrain system or the Established Drainage Pattern on any Lot shall be permitted without the prior written consent of the Management Committee. The Association shall not have the right to change, modify, alter or repeal by vote, alienation, transfer, sale, or other device the use of the currently existing areas, physical improvements, systems and structures intended and designed as the Underdrain System without the prior written consent of the City of South Jordan. The City of South Jordan is hereby made a party to the covenants established by the Declaration for the sole purpose of protecting and preserving the use of the Underdrain System; however, the City of South Jordan shall neither be a member of the Association nor have a vote in the management, operation, or regulations of its affairs, although the City of South Jordan is hereby granted a right of enforcement.

27. **Fines.** After written notice of the violation and a hearing, the ARC may fine or

otherwise sanction an Owner for his failure to comply with this Declaration or any rules and regulations adopted by the ARC from time to time.
