(h) The Management Committee may suspend an Owner's voting rights for the period during which such Owner fails to comply with the Rules and Regulations, or with the obligations of an Owner under this Declaration. Notice of non-compliance will be sent to an Owner at least ten (10) days prior to any meeting at which action may be taken by the Owners. The Management Committee may also take judicial action against any Owner to enforce compliance with the Rules and Regulations, with other obligations, or to obtain damages for non-compliance, all to the extent permitted by law.

(i) During the Period of Declarant's Control, the Management Committee shall have a Managing Member. The initial Managing Member shall be Christopher P. Gamvroulas who shall serve in this capacity until his successor is appointed by the Declarant. The Managing Member is hereby appointed as the agent of and attorney-in-fact for the Management Committee, and is hereby granted the right, power and authority to act unilaterally on its behalf and in behalf of the Association, anything to the contrary notwithstanding. This office and agency shall expire automatically upon the termination of the Period of Declarant's Control.

7. Assessments.

(a) Declarant, for each Unit owned by him within the Property, hereby covenants, and each Owner of any Unit by the acceptance of a deed therefore, whether or not it be so expressed in the deed, shall hereby covenant and agree with each other and with the Association to pay to the Association, for the purposes provided in this Declaration, all assessments, all special assessments, and other fees as provided in this Declaration, the By-Laws, or Rules and Regulations. Payments shall be due on the first day of the month and considered late if received after the tenth day of the month. A late fee in an amount determined by the Management Committee may be charged.

(b) The total annual assessments against all Units shall be based upon advance estimates of cash requirements by the Management Committee to provide for the payment of each Owner's share of the Operating Expenses and all estimated expenses growing out of or connected with the maintenance and operation of the Common Area and Facilities or furnishings, among other things, expenses of Management; grounds maintenance; taxes and special assessments levied by governmental authorities until the Units are separately assessed as provided herein; premiums for all insurance which the Management Committee is required or permitted to maintain; common lighting and heating; water charges; trash collection; sewer service charges; repairs and maintenance; wages for Management Committee employees; legal and accounting fees; any deficit remaining from a previous period; the creation of a reasonable contingency reserve, surplus and/or sinking fund; and any other expenses and liabilities which may be incurred by the Management Committee for the benefit of the Owners under or by reason of this Declaration.

(c) Each Unit shall be separately metered for gas and electricity. Costs of gas and electric service shall be paid by the individual Owners. Water and sewer for individual Units shall be separately metered and costs shall be paid by the individual Owners. Water, garbage, and electricity for Common Area and Facilities may be metered separately or in combination with individual Units.

(d) Expenses attributable to the Common Areas and Facilities as a whole shall be apportioned among all Units in proportion to their respective undivided interests in the Common Area and Facilities. For this purpose Declarant shall be considered to own only the undivided interest in Common Areas based upon Units not conveyed by Declarant.

(e) Annual assessments shall be made on a calendar year basis. The Management Committee shall give written notice of each annual assessment with respect to an Unit not less than thirty (30) days nor more than sixty (60) days prior to the beginning of the next calendar year. The first annual assessment shall be for the balance of the calendar year remaining after the date fixed by the Management Committee. Each annual assessment shall be due and payable in monthly installments on the first day of each and every month and no separate notices of such monthly installment shall be required. Each monthly assessment shall bear interest at a rate determined by the Management Committee from the date it becomes due and payable if not paid within thirty (30) days after such date.

(f) In addition to annual assessments, the Management Committee may levy in any assessment year a special assessment, payable over such a period as the Management Committee may determine, for the purpose of defraying, in whole or in part, the cost of any construction or reconstruction, unexpected repair or replacement of the Property or any part thereof, or for any other expense incurred or to be incurred as provided in this Declaration. This paragraph shall not be construed as an independent source of authority for the Management Committee to incur expenses, but shall be construed to prescribe the manner of assessing for expenses authorized by other paragraphs of this Declaration. Any amounts assessed pursuant hereto shall be assessed to the Owners in proportion to their respective undivided interest in Common Areas. Notice in writing of the amount of such special assessments and the time for their payment shall be given

promptly to the Owners. Payment shall be due on the dates and in the manner provided in the notice. Any special assessment or part thereof shall bear interest at the rate of eighteen (18) percent per annum from the date it becomes due and payable if not paid within thirty (30) days after such date.

(g) All sums assessed to any Unit pursuant to this section, together with interest thereon as provided herein shall be secured by a lien on such Unit in favor of the Association. Such lien shall have such priorities as established by law.

(h) To establish a lien for any unpaid assessment, the Management Committee shall prepare a written notice of lien as set forth by statute. No notice of lien shall be recorded until there is a delinquency in payment of the assessment. Such lien may be enforced by judicial foreclosure by the Management Committee as provided by law. The lien shall also secure, and the Owner shall also be required to pay to the Management Committee any assessments against the Unit which shall become due during the period of foreclosure sale or other legal sale. The Management Committee may bid on the Unit at foreclosure or other sale and may acquire, hold, convey, lease, rent, encumber, use and otherwise deal with the same as the Owner thereof.

(i) A release of lien shall be executed by the Management Committee and recorded in the office of the County Recorder of Utah County, Utah, upon payment of all sums secured by a lien which has been made the subject of a recorded notice of lien.

(j) An encumbrancer holding a lien on an Unit may pay, but shall not be required to pay, any amounts secured by the lien created by this Section, and upon such payment such encumbrancer shall be subrogated to all rights of the Management Committee with respect to such lien, including priority.

(k) The Management Committee shall report to any encumbrancer of an Unit any unpaid assessments remaining unpaid for longer than ninety (90) days after the same shall have become due; provided however, that such encumbrancer first shall have furnished to the Management Committee written notice of such encumbrance.

(l) The amount of any annual or special assessment against any Unit shall be the personal obligation of the Owner thereof to the Association. Suit to recover a judgment of such personal obligation shall be maintainable by the Management Committee without foreclosing or waiving the lien securing the same. No Owner may void or diminish any personal obligation by waiver of the use and enjoyment of any of the Common Areas or by abandonment of an Unit.

(m) Upon payment of a reasonable fee not to exceed ten dollars (\$10) and upon written request of any Owner, or any Mortgagee, prospective Mortgagee or prospective purchaser of an Unit, the Management Committee shall issue a written statement setting forth the amount of unpaid assessments, if any, with respect to such Unit; the amount of the current yearly assessment and the portion thereof which has theretofore been paid; and credit for advanced payments or prepaid items. Such statement shall be conclusive upon the Management Committee in favor of persons who rely thereon in good faith. Unless such request for a statement of account

shall be complied with within ten (10) days, all unpaid assessments which become due prior to the making of such request shall be subordinate to the lien of a Mortgagee which acquired its interest subsequent to requesting such statement. Where a prospective purchaser makes such a request, both the lien and unpaid assessments and the personal obligations of the purchaser shall be released automatically if the statement is not furnished within ten (10) days, and that purchaser subsequently acquires the Unit.

(n) Subject to the provisions of subparagraph (m), a purchaser of an Unit shall be jointly and severally liable with the seller for all unpaid assessments against the Unit up to the time of the conveyance, without prejudice to the purchaser's right to recover from the seller the amount paid by the purchaser for such assessments.

(o) The Management Committee may elect to (a) terminate utilities and the right to use amenities for non-payment of Assessments and/or (b) collect rents directly from a renter if the Unit Owner who is renting the Unit fails to pay any Assessment for a period of more than 60 days after it is due and payable,

(p) Anything to the contrary notwithstanding, any first mortgagee who obtains title to a Unit pursuant to the remedies in the mortgage or trust deed or through foreclosure will not be liable for more than six (6) months of the unpaid regularly budgeted assessments, dues or charges accrued before acquisition of the title to the property by the mortgage, although the first mortgagee will also be liable for any reasonable attorneys fees or costs related to the collection of the unpaid dues. All other grantees who obtain title to a Unit in a voluntary conveyance or pursuant to the remedies in a mortgage or trust deed or through foreclosure shall be jointly and severally liable with the trustor or mortgagor for all unpaid assessments, late fees, default interest and collection costs, including a reasonable attorneys fee, against the Unit for its share of the Common Expenses up to the time of the grant or conveyance, without prejudice to the grantee's rights to recover from the trustor or mortgagor the amounts paid by the grantee.

8. Use of Units.

(a) Each Unit is intended and restricted to be used for residential use. No Unit shall be used except for residential purposes for a single family. Each Owner shall have and enjoy the privileges of fee simple ownership of his Unit. There shall be no requirements concerning who may own a Unit, it being intended that they may and shall be owned as any other property rights by any Person. The Project shall be used only for residential purposes, except as expressly set forth below, and the Common Areas and Facilities shall only be used in a manner consistent with the residential nature of the Project.

(b) There shall be no obstruction of Common Areas by Owners and/or their guests without the prior written consent of the Management Committee. The Management Committee may, by Rules and Regulations, prohibit or limit the use of the Common Areas as may be reasonably necessary for protecting the interests of all Owners or protecting the Units or the Common Areas. Nothing shall be kept or stored on any part of the Common Areas without the prior written consent of the Management Committee, except as specifically provided herein.

Nothing shall be done or kept in any Unit or in the Common Areas or any part thereof which would be a violation of any statute, rule, ordinance, regulation, permit or other validly imposed requirement of any governmental body. No damage to, or waste of, the Common Area and Facilities or shall be committed by any Owner or any invitee of any Owner, and each Owner shall indemnify and hold the Management Committee and the other Owners harmless against all loss resulting from any such damage or waste caused by that Owner or an invitee; provided, however, that any invitee of the Declarant shall not under any circumstances be deemed to be an invitee of any other Owner.

(e) No Owner shall violate the Rules and Regulations as adopted from time to time by the Management Committee.

(f) No alterations, plumbing, electrical or similar work within the Building, Unit, Common Area and Facilities shall be done by any Owner or resident without the prior written consent of the Management Committee, except emergency repair.

(g) Notwithstanding anything herein to the contrary, until the Declarant has completed and sold all of the Units, neither the Owners who have purchased Units nor the Management Committee shall interfere with the completion of the contemplated improvements and sale of the Units. (h) Similarly situated Owners and residents shall be treated similarly.

(i) The rights of Owners and residents may display religious and holiday signs, symbols, and decorations on their Units of the kinds normally displayed in residences located in single family residential neighborhoods shall not be abridged, except that the Association may adopt time, place, and manner restrictions regulating displays which are visible from outside the Unit. Signs, symbols and decorations generally, such as wind chimes, wreaths, dream catchers, pinwheels and so forth, may be controlled by rule and may not be installed or placed so as to be visible to or heard by other residents without the express prior written consent of the Management Committee.

(j) No rule shall interfere with the freedom of occupants of Units to determine the composition of their households, except that the Declaration limits residency in a Unit to a single family and the Association shall have the power to limit the total number of occupants permitted in each Unit on the basis of the size and facilities of the Unit and its fair share use of the Common Areas and Facilities, which, unless otherwise agreed in writing shall be no more than two individuals per bedroom.

(k) No rule shall interfere with the activities carried on within the confines of Units, except that the Association may prohibit activities not normally associated with property restricted to residential use, and it may restrict or prohibit any activities that create monetary costs for the Association or other Owners, that create a danger to the health or safety of occupants of other Units, that generate excessive noise or traffic, that create unsightly conditions visible from outside the Unit, or that create an unreasonable sounds of annoyance.

(l) No resident may operate a commercial trade or business in or from his Unit with employees of any kind. No commercial trade or business may store any inventory over 250 cubic feet, and it must be contained within the Unit. No commercial trade or business may be conducted in or from a Unit unless (a) the business activity conforms to all home occupation and zoning requirements governing the Project; (b) the operator has a city issued business license; (c) the business activity satisfies the Home Occupation Guidelines adopted by the Management Committee, as they may be modified from time to time; and (d) the resident has obtained the prior written consent of the Management Committee. The Management Committee may bar, in its sole discretion, satellite dishes, aerials, antenna, or systems, including HAM radio antenna, not expressly authorized by FCC regulations

(p) No pets, animals, livestock, or poultry of any kind may be commercially bred at the Property. Up to two domestic pets as that term is defined by City Ordinance per Unit are allowed; provided, however, pets must be properly licensed and registered. Pets may not create a nuisance. The following acts may constitute a nuisance: (1) causing damage to the property of anyone other than the pet owner; (2) causing unreasonable fouling of the air by odors; (3) causing unsanitary conditions; (4) running loose throughout the Property and not in a cage or on a leash and under the control of a responsible person; (5) barking, howling, whining, or making other disturbing noises in an excessive, continuous or untimely fashion; (6) molesting or

(u) Fencing, except that installed initially by the Declarant and its replacement authorized by the Management Committee, is not allowed.

(v) The driving, parking, standing and storing of motor vehicles and trailers in, on or about the Project shall be subject to the following:

(1) The parking rules and regulations adopted by the Management Committee from time to time;

(2) The parking areas are not designed for Recreational, Commercial or Oversized motor vehicles and the Management Committee has the right to make rules and regulations restricting or prohibiting their use. Unless otherwise determined by the Management Committee, all Recreational, Commercial and Oversized Vehicles shall be parked outside the Project, except for purposes of loading and unloading.

(3) No motor vehicle or trailer may be parked or stationed in such a manner so as to create a potentially dangerous situation.

(4) No street parking is allowed, ever or under any circumstances.

(5) No motor vehicle or trailer may be parked or stationed in such a manner so as to create an obstacle or hazard or so as to block, obstruct or impair access to a garage, walkway, driveway, Building or Unit.

(6) No motor vehicle or trailer may be parked or stationed in an unauthorized area.

(7) Residents may not park their motor vehicles in red zones, fire lanes, guest or visitor parking, or other unauthorized areas.

(8) Parking of motor vehicles or trailers is allowed in the driveways of front-load Units.

(11) Visitors or Guests may park their motor vehicles in Common Areas expressly designated for "guest" or "visitor" parking, and Owners may not.

(12) No Owners or Residents shall repair or restore any vehicle of any kind in, on or about any Unit or the Common Area, except for emergency repairs, and then only for a seventy-two (72) hour period to enable movement thereof to a proper repair facility.

(13) No garage may be altered in such a manner that the number of motor vehicles which may reasonably be parked therein after the alteration is less than the number of motor vehicles that could have been reasonable parked in the garage as originally designed and constructed.

(14) Parking amenities shall be used solely and exclusively for the parking and storage of motor vehicles used for personal transportation.

(15) Anything to the contrary notwithstanding, access to emergency vehicles must be maintained at all times.

(16) Without further or additional notice, the Association may immobilize, tow and/or impound motor vehicles and trailers parked, stationed or stored in violation of the Project Documents, and at the owner's sole risk and expense.

(w) No noxious or offensive activity shall be carried on, in or about the Property, nor shall anything be done or permitted thereon which may be or may become an annoyance, disturbance, bother or nuisance to the neighborhood, or which might interfere with the right of other residents to the quiet and peaceful enjoyment of their property.

(x) This Property is located by and is subject to the normal, everyday sounds, odors, and all other aspects associated with the nearby manufacturing area and an outdoor entertainment venue.

(y) No rule shall prohibit the leasing or transferring of any Unit. The Association may require that Owners use lease forms approved by the Association (or include specific terms in their leases), and may impose a review or administration fee on the lease or transfer of any Unit. No Owner shall be permitted to lease his Unit for short term, transient, hotel, vacation, seasonal or corporate use, which for purposes of this section shall be considered any rental with an initial term of less than six (6) months. Daily or weekly rentals are prohibited. No Owner may lease individual rooms to separate persons or less than his entire Unit, including by way of illustration but not limitation to domestic help or a caretaker, without written notice to and the written consent of the Management Committee. The Management Committee is hereby granted and reserves the right to screen and approve prospective renters, and review and approve the rental agreement. Any rental agreement entered into in violation of this subsection is voidable at the option of the Management Committee and the renter may be declared "non-conforming." No renter shall be declared non-conforming without prior written notice to the Owner giving him the opportunity to be heard at an informal hearing before the Management Committee, and to remedy the default. A non-conforming renter shall be considered a nuisance and the Association may require the Owner to permanently remove the renter (and all persons claiming a right to possession by or through him) from the Property, at the Owner's sole expense. Other than as stated in this Section, there is no restriction on the right of any Owner to lease or otherwise grant occupancy rights to a Unit.

(z) A Dwelling Unit must be owner-occupied for a period of at least one (1) year after closing. The term "owner-occupied" shall mean a Unit occupied by one of the following: (1) The vested owner (as shown on the records of the Utah County Recorder); (2) The vested owner and/or his spouse, children or siblings; or (3) The shareholder, partner, member, trustor, beneficiary or other legal representative of an institutional owner (provided, such person holds a beneficial interest in such legal entity of at least 50.0%) and/or his spouse, children or parents.

9. **Capital Improvements.** All expenses for Capital Improvements shall be governed by and subject to the following conditions, limitations and restrictions:

(a) Any Capital Improvement or Addition to the Project which costs ten percent (10%) or less of the Total Annual Budget, and does not alter the nature of the Project, may be authorized by the Management Committee alone (the "Capital Improvement Ceiling").

(b) Any Capital Improvement, the cost of which will exceed the Capital Improvement Ceiling, must, prior to the commencement of construction, be authorized by at least a majority of the percentage of undivided ownership interest in the Common Area.

(c) Any Capital Improvement which would materially alter the nature of the Project (e.g., changing the roofing materials, the construction of the external Building surfaces, color scheme, etc.) must, regardless of its cost and prior to being constructed or accomplished, be authorized by at least sixty-seven (67%) percent of the undivided ownership interest in the Common Areas.

10. **Operation, Maintenance and Alterations.** Each Unit and the Common Area shall be maintained, repaired, and replaced in accordance with the following covenants, conditions and restrictions:

(a) The Units and Common Area and Facilities shall be maintained in a usable, clean, functional, safe, sanitary, attractive and good condition.

(b) The Association is responsible for the maintenance, repair and replacement of all of the Common Area and Facilities located within this Tract, the WALK at Ivory Ridge (the "Area of Common Responsibility").

(c) Each Owner shall maintain, repair and replace his Unit and the following improvements (whether or not such improvements are located within his Unit), including without limitation all individual services such as power, light, gas, hot and cold water, heating, refrigeration, air conditioning, fixtures, windows and window systems, glass, doors and door systems, garage doors and garage door systems, patios, balconies and decks, plumbing fixtures, systems and lateral pipes or valves, and all concrete, including the driveway, sideWALK, walkways, steps, porch and landing serving or servicing only his Unit, including any damage caused thereby and not covered by insurance. Each Owner shall also maintain any Common Area or Facility appurtenant to his Unit broom clean and free of debris, including his driveway, walkways, porch, landing, patio, deck or balcony, broom clean and free of grease spills, leaks, personal property, trash, litter and debris. All maintenance, repairs and replacements are subject to the approval of the Management Committee as to construction materials, quality of construction and installation, and uniformity of appearance. No Owner shall allow his Unit or the Common Area and Facilities adjacent thereto to detract from the health, safety or uniform appearance or design of the Project.

(d) All landscaping in the Project shall be maintained and cared for in a manner consistent with the standards of design and quality originally established by Declarant and in accordance with any City landscaping maintenance plans or ordinances. Specific additional written guidelines, standards, controls, and restrictions on landscaping may be adopted or amended by the Management Committee from time to time. All landscaping shall be maintained in a safe, sanitary, and aesthetic condition. Any weeds or diseased or dead lawn, trees, ground cover or shrubbery shall be removed and replaced. All lawn areas shall be mowed and edged; all trees, shrubs and bushes shall be pruned, trimmed and topped. No landscaping may affect adversely the value or use of any other Unit, or to detract from the uniform design and appearance of the Project established by the Declarant.

(e) If (except in the case of an emergency) after written notice and a hearing, it is determined that any responsible party has failed or refused to discharge properly his obligation with regard to the maintenance, repair, or replacement of the real property and improvements described herein, or that the need for maintenance, repair, or replacement thereof is caused through the willful or negligent act of any person, then the Association, or Management Committee may, but is not obligated to, provide such maintenance, repair, or replacement at the defaulting or responsible party's sole cost and expense (the "Default Maintenance Cost"). The Default Maintenance Cost is the debt of such defaulting or responsible party at the time the expense is paid and shall be collectible as such. In addition, it may be considered a "Fine" against a Owner. A Fine assessed hereunder which remains unpaid after the time for appeal has expired becomes a lien against the Owner's interest in the property in accordance with the same standards as a lien for the nonpayment of Common Expenses hereunder.

(f) The Declarant may make changes to the design and construction of the improvements located in or on the Common Areas without additional approval required, including without limitation the consent of the Management Committee or Members of the Association; provided, however, no Owner, Guest or Permittee may make any structural alterations to the Common Area and Facilities, without the express prior written consent of the Management Committee.

(g) No Owner shall do any work or make any alterations or changes which would jeopardize the soundness or safety of the Property, reduce its value or impair any easement or hereditament, without in every such case the unanimous written consent of all the other Owners being first had and obtained.

9. Party Walls.

(a) Each wall which is built as a part of the original construction of the Units upon the properties and placed on the dividing line between the Units shall constitute a party wall, and, to the extent not inconsistent with the provisions of this Article, the general rules of law regarding party walls and liability for property damage due to negligence or willful acts or omissions shall apply.

(b) The cost of reasonable repair and maintenance of a party wall shall be shared by the Owners who make use of the wall in proportion to such use.

(c) If a party wall is destroyed or damaged by fire or other casualty, any Owner who has used the wall may restore it, and if the other Owners thereafter make use of the wall, they shall contribute to the cost of restoration thereof in proportion to such use without prejudice, however, to the right of any such Owners to call for a larger contribution from the others under any rule of law regarding liability for negligent or willful acts or omissions.

(d) Notwithstanding any other provision of this Article, an Owner who by his negligent or willful acts causes the party wall to be exposed to the elements shall bear the whole cost of furnishing the necessary protection against such elements.

(e) The right of any Owner to contribution from any other Owner under this Article shall be appurtenant to the land and shall pass to such Owner's successors in title.

10. Signs.

(a) The entry monument and sign placed within the Common Area shall be maintained by the Owners in all respects. In the event of a partial or total destruction of the sign from any cause, the Owners shall rebuild the sign to restore it to its original dimensions and conditions consistent with applicable law. The Association shall have the sole and exclusive right to allocate the space on said sign for any and all purposes.

(b) Any signs comprising a part of a central directory to the Units or business development, or individual signs attached to individual Units shall conform in all respects to the Bylaws as administered by the Management Committee.

(c) The requirements of Article 7, Section (q) apply to any and all signs.

11. Insurance.

(a) Each Owner will obtain insurance against loss or damage by fire or other hazards for his Unit, the Building in which his Unit is contained, including by way of illustration but not limitation the foundation, columns, beams, girders, supports, basements, exterior surfaces and roofs, and contents; and shall provide the Master Association with a Certificate of Insurance upon request. The insurance premium shall be an individual expense. The Owner shall obtain and keep in full force and effect at all times the required insurance coverage provided by companies duly authorized to do business in Utah. The provisions of this subsection shall not be construed to limit the power or authority of the Owner to obtain and maintain insurance coverage in addition to any insurance coverage required hereunder, in such amounts and in such forms as he may deem appropriate.

(b) The Manager, Management Committee or Association, will obtain insurance against loss or damage by fire and other hazards for all Common Areas and Facilities, excluding the Buildings, foundations, columns, beams, girders, supports, basements, exterior surfaces and roofs in which Units are located. The insurance premiums shall be a Common Expense. This Section is without prejudice to the right and obligation of each Unit Owner to insure his own Unit for his benefit. The Management Committee shall obtain and keep in full force and effect at all times the following insurance coverage provided by companies duly authorized to do business in Utah (collectively, "Master Policy"). The provisions of this section shall not be construed to limit the power or authority of the Management Committee to obtain and maintain insurance coverage in addition to any insurance coverage required hereunder, in such amounts and in such forms as the Manager, Management Committee or Association may deem appropriate.

(1) Casualty insurance on the Property in such amounts as shall provide for full replacement thereof on the event of damage or destruction, all in the manner in which a corporation owning similar Apartments buildings would, in the exercise of prudent business judgment, obtain such insurance. Such insurance shall at a minimum include fire and extended coverage, and vandalism and malicious mischief coverage. The Management Committee may comply with the above requirements by the purchase of blanket coverage and may elect such "deductible" provisions as in the opinion of the Management Committee are consistent with good business practice.

(2) Broad form comprehensive liability coverage in such amounts and in such forms as it deems advisable to provide adequate protection. Coverage shall at a minimum include liability for personal injuries, operation of automobiles on behalf of the Association or Management Committee, and activities in connection with the ownership, operation, maintenance and other use of the Property.

(3) Workers' compensation or employer's liability insurance and all other similar insurance in respect to employees of the Management Committee in the amounts and in the forms now or hereafter required by law.

(c) The Management Committee may purchase a fidelity bond in an adequate amount to insure against dishonesty of employees, destruction or disappearance of money or securities, and forgery.

(d) The Management Committee may obtain insurance against such other risks, of a similar or dissimilar nature, as it shall deem appropriate with respect to the Property, including any personal property of the Management Committee located thereon.

(e) Casualty insurance shall be carried in a form or forms naming the Association as the insured, as trustee for the Owners and for Declarant while an Owner. Such policies shall provide a standard, non-contributory mortgages clause in favor of each first Mortgagee which shall have given notice to the Management Committee of

such first mortgage. Each policy also shall provide that it cannot be canceled by either the insured or the insurance company until after ten days prior written notice is first given to each Owner, to Declarant, and to each first Mortgagee. All policies of insurance shall, if possible, provide that the insurance thereunder shall be invalidated or suspended only in respect to the interest of any particular Owner guilty of breach of warranty, act, omission, negligence or noncompliance with any provision of such policy, including payment of the insurance premium applicable to that Owner's interest, or who permits or fails to prevent the happening of any event, whether occurring before or after a loss, which under the provisions of such policy would otherwise invalidate or suspend the entire policy. All policies of insurance shall, if possible, provide further that the insurance under any such policy as to the interest of all other insured Owners not guilty of any such act or omission, shall not be invalidated or suspended and shall remain in full force and effect.

(f) Public liability and property damage insurance shall name the Association as the insured, as trustee for the Owners and for Declarant while an Owner, and shall protect each Owner and the Declarant against liability for acts of the Management Committee in connection with the ownership, operation, maintenance or other use of the Property. Such policies of insurance shall provide that all insureds (including the Declarant, Owners, and Management Committee, and officers of the Association) shall be considered as separately insured and coverage shall be afforded each such insured in the same manner as though separate policies had been issued to each such insured and the insurance afforded any person or organization as insured under this policy shall not in any way be prejudiced by the inclusion therein of more than one person and/or organization as insured, but the inclusion of more than one insured under the policy shall not operate to increase the limits of the company's total liability under the policy.

(g) The Management Committee shall receive the proceeds of any casualty insurance payment received under policies obtained and maintained. To the extent that reconstruction is required, the proceeds shall be used for such purpose.

(h) Notwithstanding the provisions of subparagraphs (a) and (b) above, each Owner may obtain insurance at his/her own expense providing coverage upon an Unit, personal property, personal liability, and covering such other risks as may be deemed appropriate, but each such policy shall provide that it does not diminish the coverage for liability arising under insurance policies which cover the Management Committee, the other Owners, and the servants, agents, guests of any of them, if such insurance can be obtained in the normal practice without additional premium charge.

12. Casualty Damage or Destruction

(a) All of the Owners irrevocably constitute and appoint the Management Committee their true and lawful agent in their name, place and stead for the purpose of dealing with the Property upon its damage or destruction. Acceptance of a deed from the Declarant or from any Owner shall constitute appointment of the Management Committee as attorney in fact for the limited purposes as herein provided.

(b) As attorney in fact, the Management Committee shall have full and complete authority, right and power to make, execute, and deliver any contract, deed or other instrument with respect to the interest of a Owner which may be necessary or appropriate to exercise the powers herein granted. Repair and reconstruction of the improvements as used in the succeeding subparagraphs means restoring the Property to substantially the same condition in which it existed prior to damage, with each Unit and the Common Areas having substantially the same vertical and horizontal boundaries as before.

(c) In the event any Mortgagee should not agree to rebuild, the Management Committee shall have the option to purchase such mortgage on behalf of the Association by payment in full of the amount secured thereby. The Management Committee may obtain the funds for such purpose by special assessments under paragraph 7 of this Declaration.

(d) As soon as practicable after receiving estimates, the Management Committee shall diligently pursue completion of the repair or reconstruction of the part of the Property damaged or destroyed, but only if the Property is damaged or destroyed to the extent of 75% or less than the value thereof. In the event the Property is destroyed or damaged to the extent of more than 75% of the value thereof, the Owners shall, at a meeting within one hundred (100) days after such damage or destruction duly called by the Management Committee for the purpose, determine whether or not said premises should be rebuilt, repaired or disposed of. Unless Owners representing at least 80% of the undivided interest in the Common Areas agree to the withdrawal of the Property from the provisions of the Act and this Declaration and to its subsequent disposal, the Property shall be repaired, rebuilt or restored to substantially the same condition it was in immediately prior to destruction or damage. The Management Committee may take all necessary or appropriate action to effect repair or reconstruction, as attorney in fact for the Owners, and no consent or other action by any Owner shall be necessary in connection therewith. Such repair or reconstruction shall be substantially in accordance with the original plans and specifications of the Property or may be in accordance with any other plans and specifications the Owners may approve, provided that in such latter event the number of cubic feet and the number of square feet of any Unit may not vary by more than 5% from the number of cubic feet and the number of square feet for such Unit as originally constructed pursuant to the original plans and specifications, and the location of any building shall be substantially the same as prior to damage or destruction. The same easements for encroachments as declared in Section 4 shall apply under the provisions of this Section.

(e) The proceeds of any insurance collected shall be available to the Management Committee for the purpose of repair or reconstruction. If the proceeds of insurance are insufficient to pay the estimated or actual cost of such repair or reconstruction, the Management Committee may levy in advance a special assessment sufficient to provide funds to pay the estimated or actual costs of repair or reconstruction. Such assessment shall be allocated and collected as provided in this Declaration. Further

levies may be made in like manner if the amounts collected prove insufficient to complete the repair or reconstruction.

(f) The insurance proceeds held by the Management Committee and the amounts received from assessments provided for in Section 7 constitute a fund for the payment of cost of repair and reconstruction after casualty. It shall be deemed that the first money disbursed in payment for cost or repair of reconstruction shall be made from insurance proceeds; if there is a balance after payment of all costs of such repair or reconstruction, such balance shall be distributed to the Owners in proportion to the contributions each Owner made pursuant to the assessments the Management Committee made under Section 7 of this Declaration.

(g) If 75% of the Owners and all holders of first mortgages on Units agree not to rebuild, as provided herein, the Property may be removed from the provisions as prescribed therein. Withdrawal shall be in accordance with the Utah Statutes.

13. Duty of Owner to Pay Taxes on Unit Owned.

Each Unit and its appurtenant percentage of interest in the Common Areas in the Property is subject to separate assessment and taxation of each taxing authority and the special district(s) for all types of taxes and assessments authorized by law, and that as result thereof no taxes will be assessed or levied against the Property as such. Accordingly, each Owner will pay and discharge any and all taxes and assessments which may be assessed on that Unit.

14. Computation of Percentage Interest in Common Areas.

The percentage of undivided ownership interest in the Common Areas which is appurtenant to a Unit shall be equal and uniform for all Units.

15. Amendment of this Declaration.

(a) General. Except as provided elsewhere in this Declaration, including by way of illustration but not limitation to sections pertaining to the annexation or withdrawal of land, any amendment to this Declaration shall require the affirmative written vote or consent of at least sixty-seven percent (67%) of the Total Votes of the Association cast either in person or by proxy at a meeting duly called for such purpose or otherwise approved in writing by such Owners without a meeting. Any amendment authorized pursuant to this Section shall be accomplished through the recordation in the Office of the County Recorder of an instrument executed by the Association. In such instrument an officer or delegate of the Association shall certify that the vote required by this Section for amendment has occurred.

(b) Initial Declarant Right to Amend. The Declarant alone may amend or terminate this Declaration prior to the closing of a sale of the first Unit.

(c) Unilateral Right to Amend Under Certain Conditions. Notwithstanding anything contained in this Declaration to the contrary, this Declaration may be amended unilaterally at any time and from time to time by Declarant if such Amendment is (1) necessary to correct typographical errors or inadvertent omissions; (2) necessary to bring any provision hereof into compliance with any applicable governmental statute, rule, or regulation or judicial determination which shall be in conflict therewith; or (3) reasonably necessary to enable any reputable title insurance company to issue title insurance coverage with respect to the Units subject to this Declaration; provided, however, any such Amendment shall not materially adversely affect the title to any Unit unless any such Owner shall consent thereto in writing.

(d) Declarant's Right to Amend Unilaterally Prior to Termination of Declarant's Right to Control. Prior to the expiration of the Period of Declarant's Control, Declarant may unilaterally amend this Declaration for any other purpose; provided, however, any such Amendment shall not materially adversely affect the substantive rights of any Owner hereunder, nor shall it adversely affect title to any property without the consent of the affected Owner.

(e) To Satisfy Requirements of Lenders. Anything to the contrary notwithstanding, Declarant reserves the unilateral right to amend all or any part of this Declaration to such extent and with such language as may be requested by a State Department of Real Estate (or similar agency), FHA, VA, the FHLMC or FNMA and to further amend to the extent requested by any other federal, state or local governmental agency which requests such an amendment as a condition precedent to such agency's approval of this Declaration or approval of the sale of Units, or by any federally chartered lending institution as a condition precedent to lending funds upon the security of any Unit, or any portions thereof. Any such amendment shall be effected by the recordation by Declarant of a written Amendment duly signed by the Declarant, specifying the federal, state or local governmental agency or the federally chartered lending institution requesting the amendment and setting forth the change, modification or amendment requested by such agency or institution. Recordation of such an Amendment shall be deemed conclusive proof of the agency's or institution's request for such an amendment, and such Amendment, when recorded, shall be binding upon all Units and all persons having an interest therein. It is the desire of Declarant to retain control of the Association and its activities during the anticipated period of planning and development. If any amendment requested pursuant to the provisions of hereof deletes, diminishes or alters such control in any manner whatsoever in the opinion of Declarant, Declarant shall have the unilateral right to amend this Declaration to restore such control.

(f) Declarant's Rights. No provision of this Declaration reserving or granting to Declarant the Developmental Rights shall be amended without the prior express written consent of Declarant, which consent may be withheld, conditioned or delayed for any reason or for no reason at Declarant's sole and exclusive discretion.

(g) Consent of Eligible Mortgagee. The consent of Eligible Mortgagees holding at least sixty seven percent (67%) of the undivided ownership interest of the Owners in the Tract in the Common Area and Facilities and shall be required to any amendment which would terminate the legal status of the Tract; and the consent of Eligible Mortgagees holding at least fifty-one (51%) percent of the undivided ownership interest of the Owners in the Tract in the Common Area and Facilities shall be required to add to or amend any material provision of this Declaration or the Plat Plat Map which establishes, provides for, governs, or regulates any of the following, which are considered as "material":

- 1) voting rights;
- 2) increases in assessments that raise the previously assessed amount by more than twenty-five (25%) percent, assessment liens, or the priority of assessments liens;
- 3) reduction in reserves for maintenance, repair, and replacement of the Common Area and Facilities;
- 4) responsibility for maintenance and repairs;
- 5) reallocation of interests in the Common Area and Facilities, or rights to their use;
- 6) redefinition of any Unitboundaries;
- 7) convertibility of Units into Common Area and Facilities or vice versa;
- 8) expansion or contraction of the Tract, or the addition, annexation, or withdrawal of property to or from the Tract;
- 9) hazard or fidelity insurance requirements;
- 10) imposition of any restrictions on the leasing of Units;
- 11) imposition of any restrictions on an Owner's right to sell or transfer his Unit;
- 12) a decision by the Association to establish self-management if professional management had been required previously by the Project Documents or by an Eligible Mortgage holder;

13) restoration or repair of the Tract (after damage or partial condemnation) in a manner other than that specified in the documents;

14) any provisions that expressly benefit mortgage holders, insurers or guarantors; and

15) any provisions required by Utah State Department of Real Estate (or similar agency), FHA, VA, the FHLMC or FNMA, any other federal, state or local governmental agency or a federally chartered lending institution, which in all respects shall govern and control.

(h) Material Amendment. Any addition or amendment shall not be considered material for purposes of this Section if it is for the clarification only or to correct a clerical error.

(i) Notice to Eligible Mortgagee. Notice of any proposed amendment to any Eligible Mortgagee to whom a written request to approve an addition or amendment to this Declaration or the Plat Plat Map is required shall be mailed postage prepaid to the address for such Mortgagee shown on the list maintained by the Association. Any Eligible Mortgagee who does not deliver to the Management Committee or the Association a negative response to the notice of the proposed amendment within thirty (30) days from the date of such mailing shall be deemed to have approved the proposal. The foregoing consent requirements shall not be applicable to amendments to this Declaration and the Plat Plat Map or the termination of the legal status of the Project as a planned Community development if such amendments or such termination are made or accomplished in accordance with the provisions of this Declaration regarding Condemnation or Substantial Obsolescence.

16. Expansion of the Tract.

(a) Reservation of Option to Expand. Declarant hereby reserves the option to expand the Tract to annex additional real estate and include additional Units in the Tract. This option to expand may be exercised from time to time, at different times and in any order, without limitation, provided however, the option shall expire five (5) years from the date following the first conveyance of a Unit in Phase I to a Unit purchaser unless sooner terminated by Declarant's recorded Waiver of such option, there being no other circumstances which will cause the option to expire prior to said five (5) years. Such right may be exercised without first obtaining the consent or vote of Unit Owners and shall be limited only as herein specifically provided. Such Units shall be constructed on any or all portions of the Additional Land described on Exhibit "C" or other real estate.

(b) Supplemental Declarations and Supplemental Plat Maps. Such expansion may be accomplished by the filing for record by Declarant in the office of the County Recorder of Utah County, Utah, no later than five (5) years from the date this Declaration is recorded, a Supplement or Supplements to this Declaration containing a legal description of the site or sites for new Units, together with supplemental Plat Map or Plat

Maps containing the same information with respect to the new Units as was required on the Plat Map with respect to the Phase I Units. The expansion may be accomplished in phases by successive supplements or in one supplemental expansion.

(c) Expansion of Definitions. In the event of such expansion the definitions used in this Declaration automatically shall be expanded to encompass and refer to the Tract as so expanded. The term "Property" shall mean the real property initially submitted under the Declaration, plus any Additional Land added to the Tract by a Supplemental Declaration or by Supplemental Declarations, and reference to this Declaration shall mean this Declaration as so supplemented. All conveyances of Units after such expansion shall be effective to transfer rights in the Tract, with additional references to the Supplemental Declaration and the Supplemental Plat Map. The recordation in the office of the Utah County Recorder of a Supplemental Plat Map incident to any expansion shall operate automatically to grant, transfer, and convey to then Owners of Units in the Tract as it existed before such expansion the respective undivided interests in the new Common Areas added to the Tract as a result of such expansion. Such recordation shall also operate to vest in any then mortgagee of any Unit in the Tract as it existed, interest so acquired by the Owner of the Unit encumbering the new Common Areas added to the Tract as a result of such expansion.

(d) Declaration Operative on New Units. The new Units shall be subject to all the terms and conditions of this Declaration and of a Supplemental Declaration, and the Units therein shall be subject to ownership within a planned community development with all the incidents pertaining thereto as specified herein, upon recording the Supplemental Plat Map and Supplemental Declaration in the said office of the Utah County Recorder.

(e) Right of Declarant to Adjust Ownership Interest in Common Areas. Each deed of a Unit shall be deemed to irrevocably reserve to the Declarant the power to appoint to Unit Owners, from time to time, the percentages in the Common Areas set forth in Supplemental or Declaration. The proportionate interest of each Unit Owner in the Common Areas after any expansion of the Tract shall be an undivided interest of the Tract as expanded. A power coupled with an interest is hereby granted to the Declarant, its successors and assigns, as attorney in fact to shift percentages of the Common Areas in accordance with Supplemental or Declarations recorded pursuant hereto and each deed of a Unit in the Tract shall be deemed a grant of such power to the Declarant. Various provisions of this Declaration and deeds and mortgages of the Units may contain clauses designed to accomplish a shifting of the Common Areas. None of said provisions shall invalidate the other, but each shall be deemed supplementary to the other toward the end that a valid shifting of the Common Areas can be accomplished. Notwithstanding anything to the contrary herein, no change in the percentage of undivided interest in the Common Areas may be effected more than five (5) years after the effective date of the Declaration.

(f) Revised Schedule. Accordingly, upon the recordation of a Supplemental Declaration and Supplemental Plat Map incident to any expansion, the revised schedule

of undivided interests in the Common Areas contained therein shall automatically become effective for all purposes and shall fully supersede any similar schedule which was contained in any Declaration associated with any prior phase. In the event the provisions of the separate instruments relating to the Tract conflict irreconcilably, the terms of that instrument which was recorded most recently shall control.

(g) Other Provisions Concerning Expansion. If the Tract is expanded as hereinbefore contained, then it is further provided that:

(1) All or any part of the Additional Land may be added to the Tract without any limitations whatsoever save and except that all additional Units created must be restricted to multi family residential housing limited to one family per Unit.

(2) Portions of the Additional Land may be added to the Tract at different times without any limitations.

(3) Declarant shall have the right without further conveyance or documentation to build roads and access ways to the Additional Property through the easement areas as shown on the Plat Map. The Association of Unit Owners shall not allow anything to be built upon or interfere with said easement areas.

(4) No assurances are made concerning:

a. The locations of any improvement that may be made on any portion of the Additional Land that may be added to the Tract.

b. Type, kind or nature of improvement which may be created on any portion of the Additional Land, except that the common facilities, Buildings and Units will be comparable to the Phase I facilities on a per Unit basis and will be of a similar quality of materials and construction to Phase I and will be substantially completed prior to annexation.

c. Whether any Units created on any portion of the Additional Land will be substantially identical to those within the initial Tract except that Units will be constructed of an equal or better quality of materials and construction than the Units in Phase I.

d. Type, size, or maximum number of Common Area and Facilities which may be created within any portion of the Additional Land added to the Tract.

(5) Notwithstanding anything to the contrary which may be contained herein, the Declaration is not intended, and shall not be construed so as to impose upon Declarant any obligation respecting, or to restrict Declarant in any way with regard to:

(a) the submission of any portion of the Additional Land to the provisions of the Act as Land under this Declaration;

(b) the creation, construction, or addition to the Tract of any additional property;

(c) the carrying out in any particular way or within any particular time of any development which may be undertaken except as herein mentioned; or

(d) the taking of any particular action with respect to the Additional Land, the Tract, or any Land.

(6) Assuming that only Phase 1 of the Tract is completed, the minimum number of Buildings would be ____; the minimum number of Units would be ____; and the maximum percentage of ownership interest of each Unit would be ____%. Assuming all Phases in the Tract are completed and all of the Additional Land is added to the Tract, then (a) the maximum number of Buildings would ____; (b) the maximum number of Units would be ____; (c) there would be approximately ____ () acres; (d) the maximum number of Units per net acre would be about ____ (); and (e) the minimum Percentage Interest of each Unit would be ____%; provided, however, the number of Units actually constructed and the actual undivided percentage of ownership interest of each Unit may actually be somewhere in between the numbers and percentages set forth above.

(h) General Liability Insurance Policy for Expansion of Tract. Pursuant to Title 38, CFR Section 36.4360 (a) (5), which is incorporated herein by this reference, the Declarant shall purchase at its own expense and maintain a general liability insurance policy in the sum of not less than \$1 million to cover any liability which owners of previously sold Units are exposed to as a consequence of further and future expansion of the Tract pursuant hereto.

17. Transfer of Management.

Anything to the contrary notwithstanding, Declarant may at any time relinquish its reserved right to select the Members of the Committee and may elect to transfer the management of the Tract to a Committee elected by the Owners. Upon the termination of the Period of Declarant's Control, or sooner if the Declarant so elects, Declarant shall notify Owners in writing of the effective date of such transfer (the "Transfer Date") at least forty five (45) days prior thereto. Thereupon, the Owners shall call a meeting to elect the Members of the Management Committee to take office as of the Transfer Date. Declarant covenants to cooperate with the Owners in effecting an orderly transition of management. Moreover, Declarant shall cause all obligations for Common Expenses of the Association prior to the Transfer Date to be paid in full on or before such date, and shall transfer any Association funds to the newly elected Committee.

18. Working Capital Fund.

A working capital fund shall be established by the Declarant equal to or greater than two (2) months' Assessments for each Unit. Each Unit's share of the working capital fund shall be paid by the buyer of a Unit, collected by the title company, and transferred to the Association at the time of closing of the sale of each Unit. If the working capital contribution is paid for by the Declarant, in cash or kind, then the Declarant shall be reimbursed for such contribution by the buyer of such Unit at the time of closing. The purpose of the working capital fund is to insure that the Management Committee will have cash available to satisfy unforeseen expenses or to acquire additional equipment or services necessary for the operation, control and regulation of the Tract. Sums paid into the working capital fund are not to be considered as advance payments or regular monthly payments of Common Expenses. Thereafter, the Management Committee may continue the working capital fund by charging a reasonable reinvestment fee pursuant to the reinvestment fee covenant when Units are sold or rented.

19. **Reinvestment Fee.**

(a) Reinvestment Fee Covenant. The term "Reinvestment Fee Covenant" means a covenant, restriction, or agreement that:

(1) affects real property; and

(2) obligates a future buyer or seller of the Unit to pay to the Association, upon and as a result of a transfer of a Unit, a fee that is dedicated to benefitting the Unit, including a payment for (collectively "Authorized Purposes"):

- (a) common planning, facilities, and infrastructure;
- (b) obligations arising from an environmental covenant;
- (c) community programming;
- (d) resort facilities;
- (e) open space;
- (f) recreation amenities;
- (h) charitable purposes; or
- (i) Association expenses, as that term is defined by Utah Code

Ann., Section 57-1-46(1)(a) (2010) as amended or supplemented; and

(3) is a Reinvestment Fee Covenant as that term is defined by Utah Code Ann., Section 57-1-46((1)(i) (2010) as amended or supplemented.

For use herein, the term "common planning, facilities, and infrastructure" shall be liberally and broadly construed to include any and all property and improvements included in the maintenance, repair and/or replacement responsibility of the Association.

Anything to the contrary notwithstanding, the Reinvestment Fee Covenant is not to be considered a Transfer Fee Covenant as that term is defined by Utah Code Ann., Section 57-1-46(1)(j) (2010) as amended or supplemented.

(b) Reinvestment Fee. The term "Reinvestment Fee" means a fee charged pursuant to the Reinvestment Fee Covenant.

(c) Duty to Pay. The buyer or seller of a Unit shall pay to the Association at the time of closing or settlement of the sale of a Unit shall pay the Association a Reinvestment Fee in a sum to be determined by the Board of Directors; provided, however, the amount of the Reinvestment Fee may not exceed .5% of the value of the Unit at the time of closing and includes a commitment to fund, construct, develop or maintain common infrastructure, association facilities, community programming, resort facilities, open space or recreation amenities.

(d) Notice Contingency. The Reinvestment Fee Covenant shall be void and unenforceable unless a notice of Reinvestment Fee Covenant, separate from the Reinvestment Fee Covenant, is recorded in the Office of the County Recorder:

- (1) Stating the name and address of the Association;
- (2) Including the notarized signature of the Association's authorized representative;
- (3) Stating that the burden of the Reinvestment Fee Covenant is intended to run with the land and to bind successors in interest and assigns;
- (4) Stating that the existence of the Reinvestment Fee Covenant precludes the imposition of an additional Reinvestment Fee Covenant on the Unit;
- (5) Stating the duration of the Reinvestment Fee Covenant;
- (6) Stating the purpose of the Reinvestment Fee to be paid under the Reinvestment Fee Covenant; and
- (7) Stating that the Reinvestment Fee required to be paid under the Reinvestment Fee Covenant is required to benefit the Unit.

The notice shall comply with the requirements of Utah Code Ann., Section 57-1-46(6) (2010) as amended or supplemented.

(e) Exceptions. The Reinvestment Fee Covenant may not be enforced upon:

- (1) An involuntary transfer;
- (2) A transfer that results from a court order;
- (3) A bona fide transfer to a family member of the seller within three degrees of consanguinity who, before the transfer, provides adequate proof of consanguinity;
- (4) A transfer or change of interest due to death, whether provided in a will, trust, or decree of distribution;
- (5) The transfer of the Unit by a financial institution to the extent that the Reinvestment Fee for said financial institution is in excess of \$250.00 (or the maximum limit established by Utah Code Ann., Section 57-1-46(8)(e)(2010) as amended or supplemented);
- (6) The Declarant or first buyer of the property from the Declarant; or

(7) A Unit if on the transfer a Reinvestment Fee is charged by the Master Association.

(f) Reserve Account. The Board of Directors shall establish and maintain a reserve account or accounts for the Reinvestment Covenant Fees. The account or accounts are intended to be capital reserve accounts and shall be used exclusively for the purposes set forth in Subsection (a) above. Payments to the Declarant to reimburse it for advances for Authorized Purposes pursuant to a written subsidy or other agreement are permitted expenditures. Funds in the reserve account or accounts may not be used for litigation.

(g) Reserve Account Analysis. The Board of Directors shall prepare and update from time to time a written Reinvestment Covenant Fee Reserve Account Analysis, and make the report available to the Owners.

(h) Amendment. This Section may not be amended without the express prior written consent of the Declarant, so long as it owns at least one Unit in the Project and for five years after the date of the conveyance of the Declarant's last Unit.

20. Separate Taxation.

Each Unit and its percentage of undivided interest in the Common Areas and Facilities shall be considered to be a parcel and shall be subject to separate assessment and taxation by each assessing Unit and special district for all types of taxes authorized by law, including ad valorem levies and special assessments. Neither the Building or Buildings, the property nor any of the Common Areas and Facilities may be considered a parcel for tax purposes.

21. Enforcement and Right to Recover Attorneys Fees.

(a) General Remedies. Should the Association, Manager, Management Committee or an aggrieved Owner be required to take action to enforce the Project Documents, or to pursue any remedy provided hereunder or by applicable law, whether such remedy is pursued by filing suit or otherwise, they may recover all Additional Charges, including a reasonable attorneys fee, which may arise or accrue.

(b) Additional Remedies. In addition, the Management Committee may impose the following sanctions after proper notice and the opportunity to be heard:

(1) imposing Individual Charges and fines, which may be secured by a lien against the Owner's interest in the Property;

(2) suspending an Owner's right to vote;

(3) suspending any Person's right to use any of the Swim and Tennis Club and other recreational amenities located in the Common Area; provided, however,

nothing herein contained shall authorize the Management Committee to limit ingress or egress to or from a Unit;

(4) exercising self-help or taking action to abate any violation of the Walk at Ivory Ridge Neighborhood Documents in a non-emergency situation;

(5) exercising self-help in any emergency situation (specifically including but not limited to the towing of vehicles that are in violation of the parking rules);

(6) requiring an Owner at his sole expense to remove any structure or improvement in the Common Area and Facilities, and upon the failure of the Owner to do so, the Management Committee or its designee shall have the right to enter the property and remove the violation and restore the property to its original condition, and such action shall not be deemed a trespass;

(7) without liability to any Person, precluding any contractor, subcontractor, agent, employee, or other invitee of an Owner who fails to comply with the Project Documents; and

(8) levying Individual Charges to cover costs and expenses incurred by the Association to bring an Owner into compliance.

22. Service of Process.

Until changed by amendment to this Declaration, the name of the person to receive service of process and the place of his residence is:

Christopher P. Gamvroulas
 978 East Woodoak Lane
 Salt Lake City, Utah 84117

23. Mortgagees.

Notwithstanding all other provisions hereof:

(a) The liens created hereunder upon any Unit shall be subject to and subordinate to, and shall not affect the rights of the holder of the indebtedness secured by any recorded first mortgage (meaning a mortgage or a trust deed with first priority over other mortgages) where such interest was made in good faith and for value, provided that after the foreclosure of any such mortgage there may be a lien on the interest of the purchaser at such foreclosure sale to secure all assessments made pursuant to this Declaration after the date of such foreclosure sale, which lien shall have the same effect and be enforced in the manner as provided herein. All other mortgages shall have such rights and priorities as established by law.

(b) No amendment to this paragraph shall affect the rights of the holder of any such mortgage who does not join in the execution thereof.

24. Indemnification of Management Committee.

Each member of the Management Committee shall be entitled to be indemnified and held harmless by the Owners against all cost, expenses, and liabilities whatsoever, including attorney's fees, reasonably incurred by him in connection with any proceeding to which he may become involved by reason of being or having been a member of the Committee.

25. Severability.

If any provision, paragraph, sentence, clause, phrase, or word of this Declaration should under any circumstance be invalidated, such invalidity shall not affect the validity of the remainder of the Declaration, and the application of any such provision, paragraph, sentence, clause, phrase, or word in any other circumstances shall not be affected thereby.

26. Topical Headings and Conflict.

The headings appearing at the beginning of the paragraphs of this Declaration are only for convenience of reference and are not intended to describe, interpret, define or otherwise affect the content, meaning or intent of this Declaration of any paragraph or provision hereof. In case any provisions hereof shall conflict with Utah law, Utah law shall be deemed to control.

27. Effective Date.

This Declaration shall take effect upon recording in the office of the County Recorder of Utah County, Utah.
