### **Section 4.01 *Project Owner and Sub-Association Responsibility***

Each Sub-area and its owners shall be responsible for the maintenance, repair, and replacement of all common areas, parks, trail landscaping and other common neighborhood features or improvements approved for and included within the Sub-area, as such common areas, parks, trail landscaping and common neighborhood features ("common features") are approved and required by Syracuse City and Declarant pursuant to and in compliance with the Development Agreement. All landscaping surrounding a public trail which is within the development area of a Sub-area as set forth at Exhibit B, shall be maintained, repaired and replaced as provided hereinabove, as part of the common features established for the Sub-area.

Pursuant to Section 4.4 of the Development Agreement, each Project Owner which is the reputed owner of, creates, develops or establishes a Sub-area, or the successor thereof, and the Sub-Association created therefore shall be responsible for, and shall contribute such amounts as may be required for the maintenance, repair and replacement of such common features of the Sub-area until such Project Owner owns less than forty percent (40%) of the Sub-area, at which time the Project Owner shall only be required to pay the required assessments, based on lot or unit ownership, of the

Sub-Association established for the purpose of ownership, maintenance, repair and replacement of such common features.

No other Sub-Association or Project Owner shall have any responsibility for the maintenance, repair and replacement of common features contained within a Sub-area not owned by such Sub-Association or Project Owner.

**Section 4.02 Maintenance Area**

Declarant and the Project Owners have each agreed that the Project Owner for the Sub-area known as The Cottages at Still Water will install the landscaping, curb, gutter, trail of that area described and depicted at Exhibit C (the "Maintenance Area"), attached hereto and by reference made a part hereof, pursuant to the requirements of the Development Agreement, and the Sub-Association for the Sub-area known as Still Water Lake Estates will maintain the Maintenance Area (which is not taken over by the governing body) in perpetuity. The Governing Documents of the Sub-areas known as Still Water Lake Estates and The Cottages at Still Water shall each contain such provisions as are necessary to effectuate the provisions of this Section 4.02 as between the respective Sub-Associations.

**Section 4.03 Enforcement**

Declarant's right to enforce the maintenance obligations of this Article IV by assessment shall be limited solely to a default by a Project Owner or Sub-Association under those maintenance obligations contained in Sections 4.01 and 4.02 hereof and only after providing such defaulting Project Owner thirty (30) days written notice and reasonable opportunity to cure.

**Section 4.04 Rights in Sub-areas**

No Project Owner or their respective assigns within a Sub-area shall have any rights of use or access to any of the common areas or improvements within the Sub-area of another Project Owner or its assigns. In other words, no owner of any portion of the Property comprised of the Sub-area known as Still Water Lake Estates shall have any rights to access in or use of any portion of the Property comprised of Sub-area known as The Cottages at Still Water. **Section 5.01 Private Maintenance-Ski Lakes**

The ski lakes referred to and described at Exhibit B and in the Development Agreement shall be privately owned and maintained, repaired and replaced by the designated owners of lots within the Still Water Lake Estates Sub-area pursuant to a separate Sub-Association to be established by the Project Owner which owns that portion of the Property. No other Sub-Association or Project Owner shall have responsibility for any such maintenance of common features or ski lakes within that Sub-area, and the Project Owner and individual property owners having rights therein shall be responsible for the maintenance, repair, and replacement of the ski lakes.

**Section 5.02 Private Maintenance-Cottages**

The separate improvements and common areas within the Sub-area identified as The Cottages at Still Water shall be privately owned and maintained, repaired and replaced by the designated owners of lots or housing units within The Cottages at Still Water Sub-area pursuant to a separate

Declarant may also assign such right of enforcement by assessment to any Sub-Association who, in Declarant's reasonable discretion, has been negatively impacted by such other Sub-Association's failure to perform its maintenance obligations.

**ARTICLE VI. MOSQUITO ABATEMENT**

**Section 6.01 Compliance with Davis County Mosquito Abatement**

Each Sub-Association shall comply with the requirements of the Davis County Mosquito Abatement District ("District").

**ARTICLE VII. SUB-ASSOCIATIONS**

**Section 7.01 Sub-Associations**

The Sub-Declarations, and any bylaws, rules and regulations governing a Sub-Association shall be consistent with the terms and provisions of this Declaration, but may be more restrictive. The provisions of this Declaration shall govern in any conflict between a Sub-Declaration and this Declaration. The Governing Documents of the Sub-areas known as Still Water Lake Estates and The Cottages at Still Water shall each contain such provisions as are necessary to effectuate the provisions of this Declaration regarding Declarant's, or Declarant's assignee's, where applicable, right of enforcement by assessment of the maintenance obligations of such Sub-Associations. The Project Owner of a Sub-area shall establish a Sub-Association for purposes of paying for the maintenance, repair and replacement of the common features and the landscaping of public trails within the Sub-area. Each Sub-Association shall be a stand-alone, self-sufficient entity having the obligation and the authority over its Sub-area neighborhood for the common features (as that phrase is used hereinabove) and such other undertakings as are established for the Sub-area and Sub-Association.

If any Sub-Association defaults in its maintenance obligations as set forth in Sections 4.01, 4.02, 5.01 and/or 5.02 hereof, Declarant shall have the right to enforce, by assessment or as otherwise provided herein, such obligations. Declarant's foregoing rights of enforcement shall be limited to and exercised by Declarant in conformity with Sections 4.03 and/or 5.03, as applicable.

**ARTICLE VIII. DECLARANT RIGHTS**

**Section 8.01 Rights of Declarant**

In addition to any other rights under the Declaration, as long as Declarant owns at least one (1) lot within the Still Water Lake Estates Sub-area, Declarant shall have the right to approve all amendments to any Sub-Declaration in such Sub-area only.

## ARTICLE IX. COMPLIANCE AND ENFORCEMENT

### Section 9.01 *Compliance*

Each Project Owner or any owner of land within a Sub-area or the Property, shall comply with the provisions of this Declaration and any Governing Documents and the rules and regulations adopted pursuant thereto and any applicable statutes. Failure to comply therewith shall be grounds for an action or suit maintainable by the Declarant against a Project Owner or any land owner.

### Section 9.02 *Remedies*

Subject to any limitation imposed under the Governing Documents or Utah law, Declarant, after thirty (30) days written notice and reasonable opportunity to cure, may bring an action against a Project Owner, Sub-Association or owner of land within a Sub-area who is in default of the Governing Documents to recover damages or to enjoin, abate, or remedy such thing or condition of default by appropriate legal proceedings.

## ARTICLE X. AMENDMENT

### Section 10.01 *Amendments*

- (a) Approval Required. Except as otherwise provided in this Declaration, this Declaration may only be amended in respect to the Property by approval of both Declarant, so long as Declarant owns any lot or land within any Sub-area, and the Project Owners, so long as a Project Owner owns any land within the Property. If a Project Owner no longer owns any land within the Property and has not designated a successor, then twenty percent (20%) of the land owners within the Sub-area previously owned by the Project Owner may approve an amendment.
- (b) Execution and Recordation. An amendment shall not be effective until the amendment is signed and acknowledged by the required number of Project Owners, land owners and Declarant and is recorded in the Recorder's Office of Davis County, Utah.

## ARTICLE XI. MISCELLANEOUS PROVISIONS

### Section 11.03 *Lessees and Other Invitees*

Lessees, invitees, family members and other persons entering the Property under rights derived from a Project Owner shall comply with all of the provisions of this Declaration and shall be

responsible, the same as a land owner for payment of assessments and compliance with this Declaration. The owner of any such land shall be responsible for obtaining such compliance and shall be liable for any failure of compliance by such persons in the same manner and to the same extent as if the failure had been committed by the owner.

**Section 11.04 Nonwaiver**

Failure by Declarant to enforce any covenant or restriction contained in this Declaration shall in no event be deemed a waiver of the right to do so thereafter.

**Section 11.05 Waiver, Precedent and Estoppel**

No restriction, condition, obligation or provision contained in this Declaration shall be deemed to have been abrogated or waived by Declarant by reason of any failure to enforce the same, irrespective of the number of violations or breaches thereof which may occur and any failure to enforce the same shall not be deemed to constitute precedent or estoppel impairing the right of Declarant as to any similar matter.
