NOTES:

1. In conjunction with the recordation of this plat for DAYBREAK VILLAGE 12A PLAT 2, there shall also be recorded, with respect to the "tract" described herein, a document entitled "Supplement to Covenant for Community for Daybreak Submitting Additional Property", and with respect to the residential lots and certain other lots within this Plat, a document entitled "Supplement to Community Charter for Daybreak Submitting Additional Property" (each, a "Supplement"). The Supplements subject the "tract" described herein to a document entitled "Covenant for Community for Daybreak" and the residential lots and certain other lots within this Plat, to a second document entitled "Community Charter for Daybreak" (the "Charter"). In addition, any non-residential lot(s) may also have recorded against them a "Supplement and Restated Declaration of Covenants, Conditions and Restrictions for Daybreak Village Submitting Additional Property", which subjects such non-residential lots within this Plat to the "Amended and Restated Declaration of Covenants, Conditions and Restrictions for Daybreak Village" (the "Village Declaration"). This Plat is part of a master-planned community known as "Daybreak" and is subject to the Master Development Agreement recorded on March 26, 2003 as Entry No. 9581857, in Book 8762 beginning on Page 703 of the Official Records of Salt Lake County (which "Master Development Agreement" may be amended from time to time) (the "Master Development Agreement").

2. The "Tract" subdivided by this Plat is hereby specifically subjected to a reservation by the Owner of (1) all oil, gas, geothermal and mineral rights and interests under or appurtenant to the "tract" subdivided by this Plat, and (2) all water flowing or located under, within, over, or through the "tract" subdivided by this Plat, including, without limitation, all storm water and reclaimed water. The "tract" subdivided by this Plat is further subject to all easements, restrictions, reservations, rights-of-way, encroachments or other encumbrances, whether such matters are of record or otherwise, enforceable at law or in equity.

3. All areas identified on this Plat as public rights-of-way are intended for public use and are hereby dedicated for the perpetual use of the public pursuant to the Owner's dedication shown hereon. All other areas are not dedicated for public use by this Plat. Lots designated as "O" and "P" are to be dedicated or donated to either: (1) the city or other governmental entity, or (2) an owner's association for common area use, in a subsequently recorded instrument or an amendment to this Plat. Any easement shown on this Plat that is not specifically referred to as "public" is reserved to Owner or to Owner's designee.

4. The Owner reserves, in favor of Daybreak Water Company, a Utah non-profit corporation, easements over, across and under all streets, public rights-of-way, alleys, "P" lots and "O" lots, and other public use areas, and all public utility and drainage easement areas to install, maintain, repair, and otherwise operate and accomplish all things necessary to provide secondary water to sections of Daybreak.

5. On any lot in this Plat encumbered by a blanket PUDE easement, Owner reserves the right to relocate and/or amend the easement to define the location of such easement by Owner recording a notice of such location concerning such lot in the Official Records of Salt Lake County. Owner's relocation or definition of the easement is subject to existing utility's consent.

6. From and after recordation of this plat, any amendment thereto or further subdivision thereof or within this Plat to the Kennecott Master Subdivision #1 referred to hereon, further subdivision of the Kennecott Master Subdivision #1 is consented to by any owner at any time hereafter purchasing or having an interest in any lots shown on this Plat.

7. Certain lots on this Plat may be served by sewer laterals that are less than 11 feet below ground level. In such event the residences on such lots with basements may not have sewer service available to the basements. The owner of any lot in this Plat shall be responsible for verifying the sewer lateral depth serving said lot and shall be responsible for setting the foundation elevation of the residence constructed thereon to a depth sufficient for adequate fall into the respective sewer lateral.

8. The total development known as Daybreak, of which this plat is part, is a large, master planned community. Portions of Daybreak may contain or be adjacent to a significant mix of land uses including parks, recreational facilities, churches, schools, retail, office and commercial, and industrial uses, which will be intermingled with residential properties. Different uses may be constructed at different times. Certain uses may be located for other uses when Daybreak is fully developed, such as commercial, retail, civic, educational, religious and office residential uses. Throughout the course of development, the plans for Daybreak will change depending on a variety of factors, including market factors, requested approvals and the results of ongoing studies and planning. Certain lots of each residential property may change over time depending on adjacent uses, such as the view, shade, perceived privacy, adjacency to parks, trails or open and amount/spacing of traffic. No commitments are made regarding the future development of Daybreak or the uses that will be made of land within or around Daybreak. Also, in connection with the development of Daybreak there will be ongoing claims related to development.

9. For any "P" lots or "O" lots with paved sidewalks and/or walkways constructed thereon, the Owner hereby grants a public access easement thereon for public use by pedestrians and non-motorized vehicles for the purpose of reasonable access, ingress and egress over and across such paved sidewalks and/or walkways. Such public access easement areas and improvements shall be maintained by the Daybreak community association or applicable sub-association.

10. Approval of this plat by South Jordan City does not mean that individual lot drainage to a road or retention facility is assured. Development and grading may necessitate studies and other drainage facilities to protect individual properties. Approval of this plat also does not constitute representation by the City that studies or other drainage facilities are appropriate and maintained nor that drainage from adjacent properties is prevented.

EASEMENT NOTE:

Owner certifies that the easements, claims of easements, or encumbrances on the platted property which are shown by public records shown on this plat caused on the title report issued by 151124 Order Number 151124-10F, Amendment No. 1, with an effective date of December 18, 2012

HIGH GROUND WATER:

Many areas in South Jordan City have ground water problems due to high (fluctuating) water table. Approval of this plat does not constitute representation by the City that building at any specified elevation will solve groundwater problems, if any.

SEWER LATERAL NOTE:

All lots contained within this Plat are served by private sewer laterals. The owner(s) of a lot in this Plat or any portion of an Alpha Parcel which is served by a sewer lateral which traverses a lot labeled "P" or "O", a public right-of-way, or a PUDE easement is hereby granted an easement over and through such "P" and/or "O" lots, public rights-of-way and/or PUDE easements for the purpose of allowing such owner(s) the right to operate, maintain and repair such sewer lateral. Promptly following any construction, repairs or maintenance requiring disturbance of or subsurface of a burdened property, the benefited property shall cause the surface and subsurface of the burdened property to be restored to a condition substantially similar to the condition prior to such disturbance.

NOTICE:

Potential purchasers of property described on this plat are advised by South Jordan City to familiarize themselves with all notes, lot information, easements and other pertinent information contained on this plat and also with any Covenants, Conditions and Restrictions ("CCRs") recorded against such property, including those described in note 1 of this plat. Such property may also be subject to the restrictions of the Kennecott Development Standards Matrix ("Matrix") in the Kennecott Master Subdivision #1 Plat recorded in Book 2002P commencing at Page 273, in the Salt Lake County Recorder's Office, as it may be amended from time to time. These documents may limit the use of the property and failure to comply with such documents may result in financial losses to the property owner. Purchasers and property owners are responsible to review and to be in compliance with this plat, the CCRs, the Matrix and other recorded documents related to this plat, as currently existing or as may from time to time be changed and/or amended.
