2.1.1 Business or Commercial Activity. Except for day cares and preschools as permitted by state and City ordinances, no part of the Properties may ever be used for any business, commercial (including auctions or similar events), manufacturing, mercantile, storage, vending or other nonresidential purposes, including without limitation any activity for which the provider is compensated or receives any consideration, regardless of whether the activity is engaged in full or part-time, generates or does not generate a profit, or requires or does not require a license. Sufficient side yard gate access should be planned and provided for in the design of the Residence to permit ingress, egress and storage of trailers and recreational vehicles on the side and rear yards. The storage or accumulation of junk, trash, manure or other offensive or commercial materials is prohibited. Facilities for hanging, drying or airing clothing or household fabrics shall be appropriately screened from view. No pads used for the storage of vehicles or other material either temporarily or permanently shall be constructed in the front yard of a given lot. However, if seasonal temperatures do not permit installation of the landscaping at that time, the landscaping shall be installed within six (6) months thereafter. Where landscaping is not installed prior to occupancy, the builder shall post a cash bond of \$2,000.00 with the city to ensure timely completion. If the landscaping is not installed within six (6) months of occupancy, the City may use the bond to complete the landscaping. "Front yard landscaping" for purposes of this section is defined as landscaping in the front yards between the front of the house and the curb on the entire width of the lot excluding the driveway and sidewalk. This also includes the unfenced area between the home and street side curb on corner lots. Any plants or trees installed by any builder or developer of a Lot shall be maintained by the Owner of the Lot and shall be replaced with the same kind and caliber of plant or tree at the sole expense of the Owner of the Lot. Landscaping shall not be installed until the APRA has given approval following a plan review as set forth in Article III.

2.2.3 Garages. Each single family dwelling is to be provided with a two (2) car enclosed garage as a minimum.

2.3 Declarant's Exemption. Lots owned by Declarant (and by merchant-builders granted exemptions in writing by Declarant, (each being an "Exempt Builder")) are exempt from

the provisions of this Article II, until such time as Declarant or Exempt Builder convey title to the Lot to a third-party. All activities of Declarant or such Exempt Builder reasonably related to their respective development, construction, sales, and marketing efforts, shall be exempt from the provisions of this Article II. This Section 2 and its subsections may not be amended without Declarant's prior written consent.

2.4 Variance. Any exceptions to the provisions of Sections 2.1 to 2.3 must be obtained by the written permission of the Owners of at least two-thirds (2/3) of the Lots within the Properties, or by approval of the ARC only as set forth in Article III. Any variance as to items in Article II or Article III must also be in accordance with City and other governmental requirements.

ARTICLE III

3.1 Architectural Control. Except as to construction by Declarant, no development, erection, construction, alteration, grading, addition, excavation, modification, decoration, redecoration or reconstruction of the visible exterior of any improvement, including without limitation any Residence, garage or outbuilding, or any other activity within the jurisdiction of this Declaration ("Construction Activity") shall take place on any Lot until the construction plans and specifications and a plan showing the location of the structure have been approved by the APRA, or its successor, as to quality of workmanship, materials, harmony of external design with existing structures, and location with respect to topography and finish grade elevations ("Plan Approval"). No landscaping on any Lot shall take place until landscape plans have been approved by the APRA, or its successor, as to compliance with this Declaration ("Landscape Plan Approval"). 3.3.1 Plan Approval. The following are the requirements for submission to the APRA for Plan Approval. With each submission, the Applicant shall submit a one-time review fee of \$250 which will compensate the APRA for undertaking the review.

3.3.2 Landscape Approval. The following are the requirements for submission to the APRA for Plan Approval. With each submission, the Applicant shall submit a one-time review fee of \$50 which will compensate the APRA for undertaking the review. Landscape plans must be 11x17 and be based on the plot plan submitted with the working drawings, and must indicate compliance with the landscape requirements set forth in Article II.

3.4 Approval and Disapproval. The APRA shall review and approve or disapprove all plans submitted to it for any proposed improvement, alteration, addition, landscaping, or other Construction Activity on the basis of satisfaction of the APRA with the grading plan; the location of the improvements on the Lot; the finished ground elevation; the color scheme, finish, design, proportions, architecture, shape, height, style, and appropriateness of proposed improvements; the effect on adjoining Lots; the materials to be used; the kinds, pitch or type of roof proposed; the planting, landscaping, size, height, or location of vegetation on the front yard of the Lot; and on the basis of aesthetic considerations and the overall benefit or detriment to the Properties generally which would result from such improvement, alteration, addition or other Construction Activity. The APRA shall not be responsible for reviewing, nor shall its approval of any plan or design be deemed approval of, any proposal, plan or design from the standpoint of structural safety or conformance with building or other codes. **Each Owner shall be responsible for obtaining all necessary permits and for complying with all governmental requirements.**

The address of the ARC for submission of plans and specifications shall be Declarant's business address, c/o the Architectural Review Committee unless or until changed by the ARC or until the automatic resignation of Declarant's representatives pursuant to Article III, whichever occurs first. Unless the ARC is acting in place of the APRA, there is no submittal fee.

3.6 No Waiver of Future Approvals. APRA approval of any proposals, plans and specifications or drawings ("Plans") requiring its approval or consent does not constitute a waiver of the right to withhold approval or consent for any subsequently submitted similar or additional plans.

3.7 Time Requirements. Until the APRA receives Plans or other materials deemed necessary by the APRA and the review fee (if any), the APRA may postpone review of any plans submitted for approval. Any application submitted pursuant to this Article III shall be deemed approved, unless the APRA's written disapproval or a request for additional information or materials is transmitted to the Applicant within forty-five (45) days after the date of receipt by the APRA of all required materials. APRA approval for any particular Construction Activity shall expire in one (1) year from the date of APRA approval. If substantial work pursuant to the

approved Plans is not commenced within one (1) year of APRA approval, the Applicant will be required to resubmit its Plans to the APRA for approval pursuant to this Article III, and pay the applicable fees anew. All Construction Activities shall be performed as promptly and as diligently as possible and shall be completed within such reasonable time period as is specified by the APRA.

3.8 Pre-Approvals. The APRA may provide pre-approval of certain specified types or categories of Construction Activities. Applicants for pre-approval shall submit a review fee of \$300 to the APRA which will compensate the APRA for undertaking the review. Provided that the affected Owner implements his or her Construction Activities in compliance with the standards for design, materials and other criteria established for such pre-approved Construction Activities no additional review by the APRA will be required. The ARC may from time to time adopt, supplement or amend the Architectural Rules to establish, expand, limit or otherwise modify the categories and criteria for any pre-approved Construction Activities. Therefore, it is the duty of the Owner to review the specifications for pre-approved Construction Activity before beginning any construction project.

3.9 Variance. The ARC may grant variances from the architectural provisions of this Declaration or the architectural rules it has adopted when circumstances such as topography, natural obstructions, hardship or aesthetic or environmental considerations may require. Such variances may include, without limitation, restrictions on height, size, floor area, placement of structures or similar restrictions. Such variances must be in writing and must be signed and acknowledged by a majority of the members of the ARC. If such variances are granted, no violation of this Declaration shall be deemed to have occurred with respect to the matter for which the variance was granted. The granting of such a variance shall not operate to waive any of the terms and provisions of this Declaration for any purpose, nor shall it affect in any way the Owner's obligation to comply with all laws and regulations of any governmental authority affecting the use of his Lot, including, but not limited to, zoning and building requirements of any governmental agency or entity having jurisdiction over the Properties.

3.10 Compensation of ARC Members. The individual members of the ARC shall receive no compensation for services rendered.

3.11 Non-liability of APRA. Neither the APRA, nor any members, employees, members, managers, owners, shareholders, agents, officers, directors, attorneys or agents thereof, nor its duly authorized representatives, shall be liable to any Owner for any loss, damage, or injury arising out of or in any way connected with the performance of the APRA's duties hereunder, unless due to willful misconduct. Plans and specifications approved by the APRA are not approved for: (a) engineering or safety design; (b) compliance with zoning, building and safety ordinances, codes and other applicable statutes, ordinances or governmental rules and regulations; or (c) compliance with the requirements or any public utility or compliance with any easements or other agreements. By approving any such plans and specifications, neither the APRA nor the members thereof, nor its agents, employee, managers, owners, officers, directors, attorneys or consultants assume any liability or responsibility for any improvement constructed or any defect therein as a result of such plans and specifications.

3.12 Non-liability of ARC Members. Neither Declarants, the ARC, nor any members thereof, nor their duly authorized representatives shall be liable to any Owner for any loss, damage, or injury arising out of or in any way connected with the performance of the ARC's duties hereunder, unless due to willful misconduct.

3.13 Removal or resignation of the APRA. On 30 days written notice, the APRA may be removed and a successor elected by a vote of three-fourths majority of all Owners, consistent with the election and voting requirements and rules set forth in 3.15 below. The APRA may resign at any time on 30 days written notice to the ARC. In the event of notice of resignation, the ARC shall hold an election (consistent with the rules set forth in 3.15 below) to elect a successor APRA. Following the 30 day notice period, the ARC shall assume all duties and responsibilities of the APRA until a successor is elected. Upon removal or resignation, the APRA shall transfer collected fees to the successor APRA for any plans not approved at the time of the expiration of the 30 days notice.

3.14 Members of ARC. The ARC shall consist of three (3) members. The initial members shall be representatives of Declarant. Declarant reserves the right to appoint and remove any or all the members the ARC and to fill any vacancies on the ARC until the "Turnover Date." The Turnover Date shall be the first of either (a) the date on which a certificate of occupancy has been issued by the relevant governmental authority for all the Lots in the Properties, or (b) the date on which Declarant delivers written notice of withdrawal from the ARC to a majority of the Owners. Declarant may at any time assign in writing the powers of removal and appointment of the members of the ARC to the other Owners, in whole or in part, subject to such terms and conditions as Declarant may impose. After the Turnover Date, the other Owners shall have the power to appoint and remove all of the members of the ARC pursuant to Section 3.14 below. With the exception of ARC members appointed by Declarant, ARC members must be Owners. As of the Turnover Date, any representatives of Declarant remaining on the ARC shall be deemed to have automatically resigned and Declarant shall have no further right or obligation to participate on the ARC or enforce any of the covenants, conditions or restrictions of this Declaration.

3.15 Election of ARC Members. After the Turnover Date, appointment of any member of the ARC by the Owners shall be by election conducted as follows:

3.15.1 Voting Rights. Each Owner of a Lot shall be entitled to cast one (1) vote for every Lot owned. Votes may be cast in person or by written proxy. Proxies shall be revocable and shall automatically terminate after completion of the meeting for which the proxy was filed. In the event that more than one Person holds fee title to a Lot ("co-owners"), only one such co-owner shall be entitled to exercise the vote to which the Lot is entitled. Such co-owners may from time to time all designate in writing one of their number to vote. Fractional votes are prohibited. Where no voting co-owner is designated, or if such designation has been revoked, the vote for such Lot shall be exercised as the majority of the co-owners of the Lot mutually agree. No vote shall be cast for any Lot where the co-owners present in person or by proxy owning the majority interests in such Lot cannot agree to said vote or other action. The nonvoting co-owners shall be jointly and severally responsible for all of the obligations imposed upon the jointly owned Lot and shall be entitled to all other benefits of ownership.

3.15.2 Notice of Election. After the Turnover Date, any Owner (or the Declarant merely as a courtesy to the Owners), may call for an election meeting by (i) mailing to all Owners or (ii) posting at each entrance to the Properties which are conspicuous and readily accessible to all Owners, a written notice specifying the date, time, location and purpose of the meeting. Such notice shall be mailed or posted not less than (10) and not more than thirty (30) days before the meeting is to be held.

3.15.3 Quorum. A quorum for any such meeting shall be the presence in person or by proxy of no fewer than twenty-five percent (25%) of all Owners entitled to cast a vote ("Qualified Owners"). Absent a quorum, the Qualified Owners who are present at the noticed meeting may adjourn the meeting to a date, time and place specified prior to adjournment which is no less than five (5) and no more than thirty (30) days after the time of the noticed meeting. A quorum at such later "adjourned meeting" shall be the presence in person or by proxy of no fewer than ten percent (10%) of all Qualified Owners.

3.15.4 Conduct of Meeting. If a quorum is present at any meeting or adjourned meeting, the first item of business shall be the selection of a Director of Election who shall preside over the conduct of the meeting. The Qualified Owners shall act by majority vote of a quorum, except that members of the ARC shall be elected by plurality such that the individual receiving the highest number of votes shall be elected to fill first vacancy, the individual receiving the next highest number of votes shall be elected to fill a second vacancy (if any), and so on.

3.15.5 Term of Office. The term of office of each ARC member elected pursuant to this Section 3.12 shall be two (2) years, commencing on the date of election and extending until a successor is elected as provided above. Any such ARC member may succeed himself/herself, and there shall be no limit to the number of terms of any such member.

3.15.6 Removal. An ARC member may be removed from office at any time and for any reason by an election conducted and noticed pursuant to this Section 3.12. However, the ARC member to be removed must be given personal notice by mail or personal services within the time period provided for notice under Section 3.12.2, and have an opportunity to be heard at the election. Said member may only be removed by a majority of a quorum of Qualified Owners.

ARTICLE IV

4. ENFORCEMENT.

4.1 Enforcement. In the event of any claim, dispute or other matter arising under or relating to this Declaration, the Declarant or any aggrieved Owner may initiate any appropriate legal or equitable proceeding to enjoin, abate, restrain or otherwise remedy any violation of the Restrictions. Prior to any aggrieved Owner initiating any such proceedings, the aggrieved Owner shall provide written notice of the grievance to the party allegedly responsible for the grievance, and if Declarant owns any Lot in the Properties, the aggrieved Owner shall

provide a copy of the written notice to Declarant. The covenants, conditions, and restrictions contained in this Declaration shall bind and inure to the benefit of and shall be enforceable by each Owner; said enforcement rights shall also be held by the Declarant until the date of close of escrow for the sale of all the Lots owned by Declarant in the Properties. Once close of escrow has occurred as to each of the Lots owned by Declarant in the Properties, Declarant shall have neither right nor obligation to enforce any of the terms of the Declaration. Notwithstanding any provision of this Declaration, Declarant shall have no obligation to enforce the provisions of Article II or to initiate litigation to enforce any of the terms of this Declaration.

ARTICLE V

5. DISPUTES.

5.1 MANDATORY BINDING ARBITRATION FOR MATTERS INVOLVING DECLARANT. To the fullest extent permitted by law, all claims and disputes of any kind that an Owner may have involving the Declarant or any affiliate, partner, joint venture partner, consultant, entitler, general contractor, agent, employee, executing officer, manager, Owner of Declarant, the APRA, or any affiliate, partner, joint venture partner, consultant, entitler, general contractor, agent, employee, executing officer, manager, Owner of the APRA, or any predecessor in interest of Declarant, or any consultant, entitler, agent, employee, attorney, officer, manager or owner of such predecessor in interest or agent thereof (a "Dispute") shall be submitted to final and binding arbitration. Binding arbitration shall be the sole remedy for resolving disputes between such covered Persons and any Owner. Disputes subject to binding arbitration include, but are not limited to:

1. **Any alleged violations of consumer protection, unfair trade practice, or other statutes;**
2. **Any allegation of negligence, strict liability, fraud, breach of contract, and/or breach of duty of good faith, and all other claims arising in equity or from common law;**
3. **Any disputes concerning the issues that should be submitted to binding arbitration;**
4. **Any dispute as to the payment or reimbursement of the arbitration filing fee; and**
5. **Any dispute as to any of the responding party's duties and/or responsibilities set forth in this Declaration.**

The arbitration shall be conducted by a reputable arbitration service or arbitrator that party responding to the arbitration request shall select, at its sole discretion, at the time the request for arbitration is submitted. The rules and procedures of the designated arbitration organization, that are in effect at the time the request for arbitration is submitted, will be followed.

The arbitration shall be governed by the United States Arbitration Act (9 U.S.C. §§ 1-16) to the exclusion of any inconsistent state law, regulation, or judicial decision. The award of the arbitrator shall be final and binding and may be entered as a judgment in any court of competent jurisdiction.

Each party shall bear its own attorneys fees and costs (including expert costs) for the arbitration. The arbitration filing fee and other arbitration fees shall be divided and paid equally as between the parties. This filing fee shall be no more than the amount charged by the arbitration service or arbitrator for arbitration of a Dispute. The arbitrator shall, as part of any decision, award to the party prevailing at the arbitration any applicable filing fees or other arbitration fees paid by that party.

If any Owner or the Declarant files a proceeding in any court to resolve any Dispute, such action shall not constitute a waiver of the right of such party or a bar to the right of any other party to seek arbitration of that or any other Dispute, and the Court shall, upon motion of any party to the proceeding, direct that such Dispute be arbitrated in accordance herewith.

5.2 Amendment Requires Consent of Declarant. Notwithstanding any other provision of this Declaration, this Article 5 and its subsections may not be amended except with the written consent of the Declarant.

ARTICLE VI

6. RESERVATION OF EASEMENTS

6.1 Easements on Plat. Easements for installation and maintenance of utilities and drainage facilities are reserved as shown on the Recorded Plat.

6.2 Reservation of Easements. Declarant hereby reserves for the benefit of each Owner and such Owner's Lot reciprocal nonexclusive easements over the adjoining Lot or Lots for the control, maintenance and repair of the utilities serving such Owner's Lot. Declarant expressly reserves for the benefit of all the real property in the Property, and for the benefit of all the Lots and of the Owners, reciprocal nonexclusive easements over all Lots, for maintenance and repair of utility services, drainage and flow of water from the Lots resulting from the normal use of adjoining Lots, and maintenance and repair of any Residence. Declarant and the Owners of Lots on which there is constructed a Residence along or adjacent to a Lot line shall have an easement appurtenant to such Owner's Lot over the Lot line of the adjacent Lot for the purposes of accommodating any natural movement or settling of such Residence, any encroachment of such Residence due to minor engineering or construction variances, and any encroachment of eaves, roof overhangs and architectural features comprising parts of the original construction of such Residence located on such Lot.

6.3 No Limitation. This Declaration shall in no way limit the right of Declarant to grant additional licenses, easements, reservations and rights-of-way to itself, governmental or public authorities (including without limitation public utility companies), or to others, as from time to time may be reasonably necessary to the proper development and disposition of each Lot within the Properties.

ARTICLE VII

7. ANNEXATION

7.1 Right of Annexation. Declarant hereby expressly reserves the right to expand the Property without the consent of any Owner, Mortgagee or any other party with an interest in the Property until fifteen (15) years from the date of recording of this Declaration by annexing all or any portion of the Annexable Property. The annexation of any or all of the Annexable Property shall be accomplished by the Declarant recording with the County Recorder a Declaration of Annexation. However, Declarant shall not be obligated to annex all or any portion of the Annexable Property, and may annex non-contiguous portions of the Annexable Property at its sole discretion. A Declaration of Annexation annexing property as permitted hereunder may contain such complementary additions and modifications of the Covenants, Conditions and Restrictions contained in this Declaration as may be necessary to reflect the different character, if any, of the annexed property and as are not inconsistent with the general plan of this Declaration, including without limitation to allow for multi-family, high density housing as permitted by City. In no event, however, shall any such document revoke, modify or add to the covenants established by this Declaration and applicable to the Original Property or to any property previously covered by a recorded Declaration of Annexation. Declarant hereby expressly reserves the right from time to time to unilaterally supplement or modify by recorded instrument the description of the Annexable Property described in Exhibit "B" of this Declaration.

7.2 Effect of Annexation. Upon the effective date of an annexation pursuant to this Article VII: (a) the property so annexed shall immediately be and become a part of the Property and be subject to all of the provisions hereof; (b) any Lot then or thereafter constituting a part of the annexed property, and the Owner of such Lot, shall thereupon be subject to all of the provisions of this Declaration; and (c) improvements then or thereafter situated upon the annexed property shall be subject to the provisions of this Declaration and shall be reasonably consistent, in terms of quality of construction, with the improvements situated upon other portions of the Property prior to such annexation.

7.3 Withdrawal. Notwithstanding any other provisions of this Declaration, Declarant reserves the right to amend this Declaration so long as it has the right to annex additional property pursuant to this Article VI, for the purpose of removing property then owned by the Declarant or its assignees from coverage of this Declaration, to the extent originally included in error or as a result of any changes in Declarant's plans for the Property, provided such withdrawal is not unequivocally contrary to the overall scheme of development for the Property.

7.4 No Obligation to Annex. Nothing herein shall constitute a representation, warranty or covenant that Declarant, their successors or assigns, or any other Person will subject any additional property to the provisions of this Declaration, nor shall Declarant, its successors or assigns, or any other Person be obligated so to do, and Declarant may, by recorded instrument executed by Declarant, waive its rights so to do, in whole or in part, at any time or from time to time.

7.5 FHA/VA Approval. In the event that, and for so long as, the FHA or the VA is insuring or guaranteeing loans or has agreed to insure or guarantee loans on any portion of the Annexable Property with respect to the initial sale by Declarant or builder to the initial purchaser of any Residence, a condition precedent to any annexation of any property other than the Annexable Property shall be written confirmation by the FHA or the VA that the annexation is in accordance with the development plan submitted to and approved by the FHA or the VA; provided, however, that such written confirmation shall not be a condition precedent if at such time the FHA or the VA has ceased to regularly require or issue such written confirmations.

ARTICLE VIII

8. Miscellaneous

8.1 Severability. The provisions hereof are independent and severable, and a determination of invalidity or partial invalidity or unenforceability of any one provision or portion hereof by a court of competent jurisdiction does not affect the validity or enforceability of any other provision hereof.

8.2 Interpretation. This Declaration shall be liberally construed to effectuate its purpose of creating a uniform plan for the development of a residential community, and any violation of this Declaration is a nuisance. The Article and Section headings have been inserted for convenience only, and may not be considered or referred to in resolving questions of interpretation or construction. As used herein, the singular includes the plural and the plural the singular; and the masculine, feminine and neuter each include the other, unless the context dictates otherwise.

8.3 Amendment Prior to First Close of Escrow. Notwithstanding any other provisions of this Declaration, at any time prior to the first Close of Escrow in the Properties, Declarant may unilaterally amend or terminate this Declaration by Recording a written instrument which effects the amendment or termination and is signed and acknowledged by Declarant.

8.4 Amendment for Conformance. Notwithstanding any other provisions of this Declaration, for so long as any Declarant owns any portion of the Properties, such Declarant may unilaterally amend this Declaration by Recording a written instrument signed by Declarant in order to conform this Declaration to the requirements of Veterans Administration, Federal Housing Administration, Department of Real Estate, Federal National Mortgage Association, Government National Mortgage Association or Federal Home Loan Mortgage Corporation.

8.5 Amendment or Termination by Owners. This Declaration may be terminated or any term herein may be amended by Recording a written instrument which effects the amendment or termination, and which has been executed by the then-Owners of at least three-fourths (3/4) of all of the Lots in the Properties. However, as long as any Declarant owns a Lot, the Declaration may not be amended or terminated without the written consent of such Declarant.

8.6 No Public Right or Dedication. Nothing contained in this Declaration constitutes a gift or dedication of all or any part of the Properties to the public, or for any public use.

8.7 Constructive Notice and Acceptance. Every person who owns, occupies or acquires any right, title, estate or interest in or to any Lot or other portion of the Properties does hereby consent and agree, and shall be conclusively deemed to have consented and agreed, to every limitation, restriction, easement, reservation, condition and covenant contained herein, whether or not any reference to these restrictions is contained in the instrument by which such person acquired an interest in the Properties or any portion thereof.

8.8 Additional Disclosures, Disclaimers and Releases of Certain Matters. Without limiting any other provision in this Declaration, by acceptance of a deed to a Lot or possession of a Lot, each Owner (for purposes of this Section 7.8, the term "Owner" shall include the Owner, resident, and their respective families, guests and tenants), shall conclusively be deemed to understand, and to have acknowledged and agreed to, all of the following:

(a) Residential subdivision and new home construction are subject to and accompanied by substantial levels of noise, dust, construction-related traffic and traffic restrictions, and other construction-related "disturbances." Each Owner acknowledges and agrees that it is purchasing a Lot and/or Residence which is within a residential subdivision currently being developed, and that the Owner will experience and accepts substantial levels of construction-related "disturbances" until the subdivision, and any neighboring or nearby land, have been completed and sold, and that such construction-related "disturbances" are not a violation of any restriction herein;

(b) The Property is or may be located adjacent to or nearby a religious center and subject to levels of traffic, sound, noise and other disturbances resulting from proximity to such religious center;

(c) The Property is or may be located adjacent to or nearby neighboring agricultural, commercial and/or industrial uses and subject to levels of traffic, smells, sound, noise, use of pesticides and other disturbances resulting from proximity to such agricultural, commercial and industrial uses;

(d) Declarant hereby specifically disclaim any and all representations or warranties, express or implied, with regard to or pertaining to roads and/or noise, dust, and other disturbances therefrom;

(e) Canals currently located near the Property may subject the Property to the presence of wildlife, disturbances, and dangers

inherent in such a feature, as well as possible high water flow or flooding from time to time. Declarant has no control over water flow through the canals or the existence or nonexistence of the canals in the future;

(f) The Property is or may be located adjacent to or nearby a school, and subject to levels of noise, dust, and other disturbances resulting from proximity to such school or otherwise related to such school;

(g) The Lot and other portions of the Property are or from time to time may be located within or nearby certain airplane flight patterns, and/or subject to significant levels of airplane traffic and noise;

(h) The Property is located adjacent to railroad tracks and railroad crossings, and subject to levels of noise, dust, smells, dangers, and other disturbances resulting from proximity to such railroad tracks and railroad crossings;

(i) The Property is or may be located adjacent to or nearby a storm drain detention basin(s), channel(s), and lift stations, and may be subject to certain disturbances resulting from proximity to such detention basin(s), channel(s) and lift stations; and

(j) Certain Lots on the Property are or may be subject to certain sewer, secondary water, and natural gas pipeline easements, and may be subject to disturbances associated with the use and maintenance of these facilities.

8.9 Releases. By acceptance of a deed to a Lot, each Owner, for itself and all Persons claiming under such Owner, shall conclusively be deemed to have acknowledged and agreed: (a) that Declarant specifically disclaims any and all representations and warranties, express and implied with regard to any of the foregoing disclosed or described matters (other than to the extent expressly set forth in the foregoing disclosures); and (b) to fully and unconditionally release Declarant (or any affiliate, consultant, entitler, partner, joint venture partner, general contractor, agent, employee, executing officer, manager, Owner of Declarant, or any predecessor in interest of Declarant, or any agent, consultant, entitler, partner, joint venture partner, employee, attorney, officer, manager or owner of such predecessor in interest or agent thereof), the APRA (or any affiliate, consultant, entitler, general contractor, agent, employee, executing officer, manager, Owner of the APRA), and the ARC, and their respective officers, managers, agents, employees, suppliers and contractors, from any and all loss, damage or liability (including, but not limited to, any claim for nuisance or health hazards) related to or arising in connection with any disturbance, inconvenience, injury, or damage resulting from or pertaining to all and/or any one or more of the conditions, activities, and/or occurrences described in the foregoing portions of this Declaration.

8.10 Duration. This Declaration shall have perpetual duration. If Utah law hereafter limits the period during which covenants may run with the land, then to the extent consistent with such law, this Declaration shall automatically be extended at the expiration of such period for successive 20-year periods unless terminated as provided above.

8.11 Business of Declarant. Except to the extent expressly provided herein, no provision of this Declaration shall be applicable to limit or prohibit any act of Declarant, or their respective agents or representatives in connection with or incidental to their improvement, development, or sales and marketing activities regarding the Properties, so long as any Lot therein is owned by any Declarant.
