:
RESTRICTIVE AND PROTECTIVE COVENANTS FOR PARCELS B, C, D, E, F AND G INCLUSIVE, WASHINGTON TERRACE, WEBER COUNTY, UTAH

PREAMBLE. (FHA PART A PREAMBLE).

In order to promote the orderly moving of the dwelling units of Washington Terrace and the proposed construction thereof, and the development and improvement of the area constituting said Washington Terrace, which shall include all of the dwelling units and all of the property owned by the undersigned or in which it or they have any right, title or interest, except as herein-after specifically set out, the undersigned, Washington Terrace Non-Profit Housing Corporation, a non-profit corporation organized and existing under and by virtue of the laws of the State of Utah, the sole owner and developer of said Washington Terrace, as herein defined, and Walter J. Dow and Rosetta Dow, his wife, George I. Barker and Estella Weston Barker, his wife, Henry D. Watson and Mary E. Watson, his wife, do agree on this date of March 17, 1956, with any and all grantees, their heirs, executors, administrators, successors and assigns of all or any portion of said property herein described as covered by these covenants or any right, title interest or estate therein, that said Corporation and they and each of them will adhere and subscribe to any and all covenants described in this instrument, and the same shall be binding upon each of them and shall be and constitute covenants running with the land. Said property covered by these covenants and to which they and each of them apply in their entirety is described as follows:

Washington Terrace as follows:

All Blocks with Lots as numbered in Parcel B.
Parcel B is in Section 8, Township 5 North, Range 1 West, Salt Lake Meridian, U. S. Survey.

All Blocks with Lots as numbered in Parcel C.
Parcel C is in Section 8, Township 5 North, Range 1 West, Salt Lake Meridian, U. S. Survey.

All Blocks with Lots as numbered in Parcel D.
Parcel D is in Section 8, Township 5 North, Range 1 West, Salt Lake Meridian, U. S. Survey.

All Blocks with Lots as numbered in Parcel E, with the exception of Lots 1 and 2 of Block 3, all the Lots as numbered in Block 4, Lots 12 through 19 inclusive in Block 5 and Lots 1 through 10 inclusive in Block 7.

Parcel E is in Section 8, Township 5 North, Range 1 West, Salt Lake Meridian, U. S. Survey.

All Blocks with Lots as numbered in Parcel F, with the exception of Lots 1 through 4 inclusive in Block 3, Lots 1 thru 10 inclusive in Block 4. Parcel F is in Section 8, Township 5 North, Range 1 West, Salt Lake Meridian, U. S. Survey.

All Blocks with Lots as numbered in Parcel G.
Parcel G is located in Section 8, Township 5 North, Range 1 West, Salt Lake Meridian, U. S. Survey.

less the business area, less administration building and grounds, old and new water works area and park, recreation and planting strip areas, all as more particularly shown by the subdivision plat of said property, together with the legends and conditions of the dedication thereon shown.

1. (PMA C-1) No lot shall be used except for residential purposes. No building shall be erected, altered, placed or permitted to remain on any lot other than one detached single-family dwelling not to exceed one and one-half stories in height, excluding the basement, and a private garage for not more than two cars.

2. (PMA C-2) No building shall be erected, placed, or altered on any lot until the construction plans and specifications and a plan showing the location of the structure have been approved by the architectural control committee and the board of adjustment provided for by the ordinances of Weber County, as to quality of workmanship and materials, harmony of external design with existing structures, and as to location with respect to topography and finish grade elevation. No fence or wall shall be erected, placed or altered on any lot nearer to any street than the minimum building setback line unless otherwise approved. Approval shall be as hereinafter provided.

3. (PMA C-3) No dwelling shall be permitted on any lot at a value of less than Seven Thousand (\$7,000.00) Dollars based upon cost levels prevailing on the date these covenants are recorded, it being the intention and purpose of the covenant to assure that all dwellings shall be of a quality of workmanship and materials substantially the same or better than that which can be produced on the date these covenants are recorded at the minimum cost stated herein for the minimum permitted dwelling size. The ground floor area of the main structure, exclusive of one-story open porches and garages, shall be not less than seven hundred (700) square feet for a one-story dwelling, nor less than eight hundred

(800) square feet for a dwelling of more than one story.

4. (FHA C-4) No building shall be located on any lot nearer to the front lot line or nearer to the side street line than the minimum building setback lines shown on the recorded plat. In any event no building shall be located on any lot nearer than twenty five (25) feet to the front lot line, or nearer than fifteen (15) feet to any side street line or so located as to give a clear sight of 40 feet each side of corner at street intersection. No building shall be located nearer than five (5) feet to an interior lot line, except that a one (1) foot side yard shall be required for a detached garage or other permitted accessory building located at least six (6) feet in the rear of the main building and not closer than ten (10) feet to a dwelling on an adjacent lot. No dwelling shall be located on any interior lot nearer than thirty (30) feet to the rear lot line, except for attached garages for which a fifteen (15) feet rear yard is permitted. For the purposes of this covenant eaves, steps and open porches shall not be considered as a part of a building provided, however, that this shall not be construed to permit any portion of a building, on a lot to encroach upon another lot.

With written approval of the Architectural Control Committee and the Board of Adjustment provided for by the ordinances of Weber County, a one-story attached garage may be located nearer to a street than above provided, but not nearer than fifteen (15) feet to any street line, where the natural elevation of the lot along the established minimum building setback line is more than either eight (8) feet above or four (4) feet below the established roadway level along the abutting street and where in the opinion of said committee and said Board the location and architectural design of such proposed garage will not detract materially from the appearance and value of other properties. Furthermore, under similar conditions and approval, a dwelling may be located nearer to a street than above provided, but not nearer than fifteen (15) feet to any street line.

5. (FHA C-5) No dwelling shall be erected or placed on any lot having a width of less than fifty five (55) feet at the minimum building setback line nor shall any dwelling be erected or placed on any lot having an area of less than five thousand five hundred (5,500) square feet.

6. (PMA C-6) Easements for installation and maintenance of utilities and drainage facilities are reserved by the Grantors, their successors and assigns as shown on the subdivision plat hereinbefore referred to and over the rear five (5) feet of each lot.

7. (PMA C-7) No noxious or offensive activity shall be carried on upon any lot, nor shall anything be done thereon which may be or be deemed to be a nuisance or nuisance to the neighborhood.

8. (PMA C-8) The structure of a temporary warehouse, trailer, shed, tent, shack, garage, barn, or other such utility shall be erected upon any lot like as a residence of permanent character or occupancy.

9. (PMA C-9) No sign of any kind shall be displayed on any lot, view of any lot or structure thereon from any public highway, street, alley, or other public place, or from any lot, or from any structure thereon, which is more than five (5) feet above the ground level, or from any public highway, street, alley, or other public place, or from any structure thereon, which is more than five (5) feet above the ground level.

10. (PMA C-10) No structure, building, or other improvement, or any part thereof, shall be erected, maintained, or used on any lot, or on any structure thereon, which is more than five (5) feet above the ground level, or from any public highway, street, alley, or other public place, or from any structure thereon, which is more than five (5) feet above the ground level.

11. (PMA C-11) No structure, building, or other improvement, or any part thereof, shall be erected, maintained, or used on any lot, or on any structure thereon, which is more than five (5) feet above the ground level, or from any public highway, street, alley, or other public place, or from any structure thereon, which is more than five (5) feet above the ground level.

12. (PMA C-12) No structure, building, or other improvement, or any part thereof, shall be erected, maintained, or used on any lot, or on any structure thereon, which is more than five (5) feet above the ground level, or from any public highway, street, alley, or other public place, or from any structure thereon, which is more than five (5) feet above the ground level.

13. (PMA C-13) No structure, building, or other improvement, or any part thereof, shall be erected, maintained, or used on any lot, or on any structure thereon, which is more than five (5) feet above the ground level, or from any public highway, street, alley, or other public place, or from any structure thereon, which is more than five (5) feet above the ground level.

14. (PMA C-14) No structure, building, or other improvement, or any part thereof, shall be erected, maintained, or used on any lot, or on any structure thereon, which is more than five (5) feet above the ground level, or from any public highway, street, alley, or other public place, or from any structure thereon, which is more than five (5) feet above the ground level.

15. (FHA C-15) Protective screening areas are established as shown on the recorded plat, at the expense of the Corporation. Individual members who desire additional screening will install the same at their own expense. No building or structure except a screen fence or wall or utilities or drainage facilities shall be placed or permitted to remain in such areas. No vehicular access over the areas shall be permitted except for the purpose of installation and maintenance of screening, utilities and drainage facilities.

16. (FHA C-16) No fence, wall, hedge, or shrub planting which obstructs sight lines at elevations between two (2) and six (6) feet above the roadways shall be placed or permitted to remain on any corner lot within the triangular area formed by the street property lines and a line connecting them at points forty (40) feet from the intersection of the street lines, or in the case of a rounded property corner from the intersection of the street property lines extended. The same sight-line limitations shall apply on any lot within ten (10) feet from the intersection of a street property line with the edge of a driveway or alley pavement. No tree shall be permitted to remain within such distances of such intersections unless the foliage line is maintained at sufficient height to prevent obstruction of such sight lines.

17. Notwithstanding any provision hereinbefore or hereinafter contained, each and all of the purchasers of lots or any part thereof in said subdivision from the Washington Terrace Non-Profit Housing Corporation, and their heirs, executors, administrators, successors and assigns, hereby covenant and agree that the purchasers of said lots or any part thereof and their heirs, executors, administrators, successors and assigns, shall, commencing with the date of said purchase, and the Washington Terrace Non-Profit Housing Corporation jointly on the first day of each and every month, the expense of management and operation of said entire Washington Terrace, as determined by said Board of Directors in its absolute and uncontrolled discretion, which management and operation shall include whatever is determined by the Board of Directors of said Corporation to be necessary or convenient for the health or well-being of the occupants of the dwelling units and the lots upon which the same are located, constituting the subdivision of said Terrace, and also the expense of operating and the repair, maintenance and replacement of all of the facilities and utilities deemed necessary or proper by said corporation in its absolute and uncontrolled discretion; provided, however, that in no event shall the amount of the expense of management and

operation of Washington Terrace by said Corporation exceed in any one year the amount which under the laws of the State of Utah at that time a city of the third class is permitted under such laws in force at that time to levy as taxes, and such amounts for such maintenance, management and operation shall constitute and be a lien upon the lots and each and every part thereof as shown by such subdivision plat, subject only to the mortgage thereon, and this covenant shall continue in existence until the said Washington Terrace Non-Profit Housing Corporation shall have ceased to manage and operate said property by the substitution therefor of a municipality under the laws of the State of Utah.

The payment of said managing and operating expenses is and shall be construed to be in lieu of the taxes which would have to be paid because of the ownership of said lots to a municipality, if said subdivision were operated by a municipality, and at least coextensive therewith.

18. (FHA G-1) The Architectural Control Committee hereinbefore referred to is composed of the Board of Directors or its designees. The Board of Directors or its designees may designate a representative to act for it.

19 (FHA G-2) The Committees' approval or disapproval as required in these covenants shall be in writing. In the event the Committee, or its designated representative, fails to approve or disapprove within thirty (30) days after plans and specifications have been submitted to it, or in any event, if no suit to enjoin the construction has been commenced prior to the completion thereof, approval will not be required and the related covenants shall be deemed to have been fully complied with.

20 (FHA PART H-1) The covenants hereinbefore set out shall run with the land and shall be binding, as hereinbefore provided, upon all parties and all persons claiming under them for a period of twenty five (25) years from the date these covenants are recorded, after which time said covenants shall automatically extend for successive periods of ten (10) years, unless an instrument signed by a majority of the then owners of the lots has been recorded, agreeing to change said covenants in whole or in part.

21. (FHA H-2) Enforcement shall be by proceedings at law or in equity against any person or persons violating or attempting to violate any covenant either to restrain violation or to recover damages.

22. The singular as used herein shall include the plural and the masculine the feminine whenever the context of any of these covenants so requires or indicates.

23. (FHA H-3) Invalidation of any one of these covenants by judgment or court order shall in no wise affect any of the other provisions which shall remain in full force and effect.

IN WITNESS WHEREOF, the said Washington Terrace Non-Profit Housing Corporation has caused this instrument to be executed by its President and attested by its Secretary for and in behalf of said corporation and under its corporate seal, pursuant to a resolution of its Board of Directors, and the said Walter J. Dow and Rosetta Dow, his wife, George I. Barker and Estella Weston Barker, his wife, Henry D. Watson and Mary E. Watson, his wife, have hereunto set their hands as of the 17 day of March, 1956.
