All of the limitations, covenants, conditions, restrictions, and easements shall constitute covenants and encumbrances which shall run with the land and shall be perpetually binding upon Declarant and its successors-in-interest and assigns, and all parties having or acquiring any right, title, or interest in or to any part of the Property or the Project.

ASSOCIATION, ADMINISTRATION, MEMBERSHIP AND VOTING RIGHTS

2.1 Organization of Association. The Association is or shall be incorporated under the name of the BROOKHAVEN VILLAS HOMEOWNER'S ASSOCIATION, INC, in accordance with the requirements of the Utah Non-Profit Corporation and Co-operative Association Act.

2.2 Duties and Powers. The duties and powers of the Association are those set forth in this Declaration, the Articles and Bylaws, together with the general and implied powers of a nonprofit corporation, generally to do any and all things that a corporation organized under the laws of the State of Utah may lawfully do and which are necessary or proper in operating the Association for the peace, health, comfort, safety and general welfare of its Members, subject only to the limitations upon the exercise of such powers as are expressly set forth in this Declaration, the Articles and Bylaws.

2.3 Membership. The Owner of a Unit shall automatically, upon becoming the Owner of that Unit, become a Member of the Association, and shall remain a Member thereof until such time their ownership ceases for any reason, at which time their membership in the Association shall automatically cease. Membership shall be in accordance with the Articles and Bylaws of the Association.

2.4 Transferred Membership. Membership in the Association shall not be transferred, pledged, or alienated in any way, except upon the transfer of ownership of the Unit to which it is appurtenant, and then only to the new Owner. Any attempt to make a prohibited transfer is void. In the event the Owner of any Unit should fail or refuse to transfer the membership registered in his name to the purchaser of their Unit, the Association shall have the right to record the transfer upon its books and thereupon the old membership outstanding in the name of the seller shall be null and void.

2.5 Membership Meeting. Regular and special meetings of Members of the Association shall be held with the frequency, and time and place, as are in accordance with the provisions of the Bylaws of the Association.

The Board of Directors, on behalf of the Association, may contract with a professional management agent for the performance of maintenance and repair and for conducting other activities on behalf of the Association, as may be determined by the Board. The term of any such contract shall comply with the restrictions set forth in the Bylaws.

ARTICLE 3
RIGHTS IN COMMON AREA

3.1 Common Area. The Common Area shall include all real property and improvements within the Property, other than the Lots and Dwellings and the Limited Common Area, including without limitation, all landscaped areas, the clubhouse, parking areas, recreation facilities, park areas, and the entry way, all of which shall be managed by the Association for the common use and enjoyment of all Owners. The individual Owners within the Property shall own the Common Area as tenants in common, each with an equal undivided interest therein. The Common Area shall be operated, maintained, and insured by the Association for the use and benefit of Owners of Units in the Project, subject to reasonable rules and regulations enacted according to the Bylaws. Each Unit Owner, through membership in the Association, shall have a nonexclusive right to use the Common Area in accordance with the purposes for which it is intended without hindering the exercise of or encroaching upon the lawful rights of any other Unit Owners. The Declarant hereby reserves in itself and its successors-in-interest and assigns, all easement (and the right to grant further easements) over and onto the Common Area for ingress to and egress from the Project for the purpose of necessary construction, maintenance, or repair work Each Unit Owner shall also have the rights and easements granted pursuant to this Declaration, the Bylaws, the Articles and any amendments thereto.

3.2 Limited Common Area. In addition to the Common Area described in 3.1 above, certain areas around each home shall be restricted from general use or trespass by the general population of the project and their guests except for the Owner and/or Occupant of that particular Dwelling. The intended purpose is to create privacy for the individual Owner or Occupant. The "Limited Common Area" shall be defined as the yard area on the sides of each home extending 5 feet out from either side of the dwelling: the yard area in front of each dwelling, excepting any part of the dwelling that is defined in Paragraph 1.11 above, from the front of the dwelling and extending out to one foot in front of the sidewalk (the point at which the City Road right-of-way begins) and the back yard area extending from the back of the dwelling out 15'. This area is for the enjoyment of the occupants and owner of the individual dwelling and shall not be encroached upon by others except as provided herein. The Limited Common Area is owned by the Association and the Association shall maintain and insure it at its expense as part of the overall project just as they are required to maintain the Common Area and therefore, the Association or its employees or designees shall have the complete right of access at any time upon the Limited Common Area. All rules and regulations for the Common Area including payment of expenses as provided for in this Declaration, the Bylaws, the Association Rules or any amendments thereto shall also apply to the Limited Common Area except those limitations that have been addressed in this paragraph. Notwithstanding the foregoing, snow removal from private driveways, front porch steps and sidewalks will be provided and paid by contractual arrangements by the Homeowner Association. Trimming of shrubs and bushes in the limited common area may be done by homeowners if they conform to standards specified by the Board. Guidelines will be provided to homeowners and the work has to conform to those guidelines. Homeowners will be notified of dates set for trimming by hired landscapers. If homeowners elect to trim their own shrubs, the work must be completed within the time when the landscape crew will have their work done (no more than a week before or a week after the crew is finished) or the landscapers will proceed to do the work according to HOA specifications.

3.3 Common Maintenance of Exclusively Owned Areas. As depicted in the plat map, each of the individual dwellings is situated on an individual Lot which shall be exclusively owned by the record title holder thereof. However, as a planned unit development, it is intended that the yard surrounding each Lot and Dwelling shall at all times be cared for as a portion of a uniform, well-manicured and maintained residential community with relatively low maintenance responsibilities for the individual owners and with reasonable assurances that all of the areas within the Project will be similarly well cared for and maintained. Some of the appeal of Brookhaven Villas is due to aesthetics. Though this term may, to different people, reasonably be interpreted in a range of opinion, we do not wish to try to define every possibility. We, as a community, agree to do our best to keep our property and landscaping, including the limited common areas, in a manner that is pleasing to the eye and avoid unsightly conditions. In order to provide some guidelines, the HOA Board has said there shall be no grow-boxes. Also, any plants grown in pots and the pots themselves must meet this guideline. Conditions which may not meet this guideline include, but are not limited to: complaints about too many pots, too many empty pots, unkempt or untrimmed plants, dead plants, and too many plants and or garden-type ornaments. If the Board receives complaints about aesthetics we will observe, discuss with offended and offending persons and then make a decision which may lead to penalties for the offending home owner if the problem is not corrected. Therefore, it is agreed that the Association shall contract for regular property maintenance services to keep up the structures, but excluding the Dwellings as defined in 1.11 above. Landscaping services are provided within the Project, including but not limited to the Common Area, which includes all yards surrounding the Units and park strips within the Project. Irrigation water shall be provided through an irrigation system. The Association shall be responsible for the continual upkeep, repair, maintenance, and eventual replacement thereof.

3.4 Partition of Common Area Prohibited. As provided in paragraph 3.1 hereinabove, the Owners shall each own an equal undivided interest in the Common Area as tenants in common. No owner shall bring any action for partition or division of any part of the Common Area, it being agreed that this restriction is necessary in order to preserve the rights of the Owners with respect to the operation, management, use, and enjoyment of the Common Area.

3.5 Extent of Easements. The rights and easements of use and enjoyment of the Common Area created by this Declaration shall be subject to such rules and regulations as may be adopted by the Board of Directors according to the Bylaws. Without limiting the generality of the Board's authority to enact reasonable rules and regulations, such easements shall be subject to the following:

3.5.1 The right of the Board to suspend the rights and easement of any Member, and the persons deriving such rights and easements from any Member, for use and enjoyment of any recreational facilities located within the Common Area, for any period during which the payment of any Assessment against the Member and his Unit remains delinquent; provided, however, that any suspension for either nonpayment of any assessment or breach of any provision in the Project Documents shall not constitute a waiver or discharge of the Member's obligation to pay Assessments as provided in this Declaration;

3.5.2 The right of the Association to consent to or otherwise cause the construction of additional improvements on the Common Area, and to consent to or otherwise cause the alteration or removal of any existing improvements on the Common Area for the benefit of the Members of the Association; and,

3.5.3 The right of the Association, acting through the Board, to consent to or join in the grant or conveyance of easements, licenses or rights of way in, on or over the Common Area for purposes not inconsistent with the intended use of the Property as a residential planned unit development.

3.6 Damage by Member. Each Member shall be liable to the Association for any damage to the Common Area not fully reimbursed to the Association by insurance, if the damage is sustained because of the negligence or willful misconduct of the Member, his guests, tenants, or invitees, or any other persons deriving their right and easement of use and enjoyment of the Common Area from the Member, or his or their respective family and guests, both minor and adult. However, the Association, acting through the Board, reserves the right to determine whether any claim shall be made upon the insurance maintained by the Association, and the Association further reserves the right to levy a Special Assessment equal to the increase, if any, in insurance premiums directly attributable to the damage caused by the Member or the person for whom the Member may be liable as described above. The cost of correcting the damage to the extent not reimbursed to the Association by insurance shall be a Special Assessment against the Unit of the Member liable for the damage and may be enforced as provided hereby for the enforcement of any other Assessment.

ARTICLE 4 ARCHITECTURAL CONTROL

4.1 Architectural Committee. An Architectural Committee may consist of three (3) members appointed by the Board of Directors. Unless and until the Committee is actually appointed under this provision, the functions of the Committee shall be carried out by the Board,

4.2 Prohibition of Alteration and Improvement. The original architectural design of the Project as approved by the Lehi City Council on the final subdivision map is attached hereto and incorporated by this reference. The architectural design depicted is referred to below as the "Original Project Design". No alteration of any kind to the Original Project Design, and no exterior painting or staining of any kind, shall be commenced, erected, or maintained upon the Property, until the same has been approved in writing by the Architectural Committee or Board of Directors and in accordance with the Lehi City ordinances.

4.3 Architectural Standards. The City of Lehi has reviewed and approved certain aspects of the design of Brookhaven Villas including the exterior of the units. These standards are attached to and incorporated in these CCR's for reference and use by the architectural committee. The individual units shall at a minimum be unattached single family dwellings with 2 car garages. The roof lines will vary, with a combination of hip and hip plus gables depending on the model chosen by the homeowner. The units will exceed Lehi City's 70% hard surface requirements. The units will vary in size, color, and texture. The units will offer brick or cultured stone on a minimum of one third of the front of the units with stucco or other approved hard surface on the remainder. No vinyl will be used except around or in windows, doors, railings and fencing.

4.4 Plans and Approval.

4.4.1 Plans and specifications showing the nature, kind, shape, color, size, materials and location of any alteration to the Original Project Design shall be submitted to the Board or Committee for approval as to quality of workmanship

and design and harmony of external design, and as to location in relation to surrounding structures, topography, and finish grade elevation. No permission or approval of the Board or Committee shall be required to rebuild in accordance with the plans and specifications for the Original Project Design, or to rebuild in accordance with plans and specifications previously approved by the Board or Committee. Per Lehi City requirements, all building plans must be reviewed, approved and stamped by the Architectural Committee or Board before they will be accepted by the building department.

4.4.2 The Board or Committee shall consider and act upon any and all plans and specifications submitted for its approval under this Article and perform such other duties as from time to time shall be assigned to it by the Board, including the inspection of construction in progress to assure its conformance with plans approved by the Board or Committee. Any application submitted to the Board or Committee pursuant to this Article shall be deemed denied, unless written approval or a request for additional information or materials by the Board or Committee shall have been transmitted to the applicant within forty-five (45) days after the date of receipt by the Board or Committee of all required materials.

4.4.3 All Lehi City ordinances, rules, regulations, policies and agreements pertaining to the project shall at all times, be binding upon the owners and no plans shall be approved that are in violation thereof. This includes but is not limited to the requirements for the bonus density as approved by Lehi City under this Planned Unit Development.

4.5 Non-Liability of Committee Members. Neither the Architectural Committee nor any member thereof shall be liable to the Association, or to any Owner for any loss, damage or injury arising out of, or in any way connected with the performance of the Committee's duties hereunder unless due to the willful misconduct or bad faith of the Committee or member. The Committee shall review and approve or disapprove all plans submitted to it for any proposed improvement or alteration, solely on the basis of aesthetic considerations and the overall benefit or detriment which would result to the immediate vicinity and the Project generally, but shall not be responsible for reviewing, nor shall its approval of any plan or design be deemed approval of, any plan or design from the standpoint of structural safety or conformance with building or other codes.

ARTICLE 5 REPAIR AND MAINTENANCE

5.1 Repair and Maintenance Rights and Duties of Association.

5.1.1 Subject to the provisions in this Declaration pertaining to eminent domain and destruction of improvements, the Association shall paint, maintain, repair and replace the Common Area, the Limited Common Area (as defined in 3.2 above) and all improvements and landscaping thereon, but excluding the dwellings as defined in Paragraph 1.11 above, or shall contract for such maintenance, repair and replacement to assure that maintenance of such areas are in good condition, reasonable wear and tear excepted. However, the Association shall not be responsible for, or be obligated to perform those items of maintenance, repair or improvement, which are the responsibility of the Owners as provided in Paragraph 5.2 below. However, in the event an Owner fails to maintain his Dwelling or to provide other maintenance or repair as provided herein in a manner which the Board deems necessary to preserve the appearance and value of the Property, the Board may notify the Owner of the work required and request it be done within sixty (60) days from the giving of such notice. In the event the Owner fails to carry out such maintenance within such period, the Board may cause such work to be done and may specially assess the cost thereof to such Owner, and, if necessary, lien his Unit for the amount thereof, in accordance with the terms in Article 6, Association Maintenance Funds And Assessments.

5.1.2 For the purpose of performing any maintenance, repair or replacement as authorized by this Article, or for purposes of making emergency repairs necessary to prevent damage to the Common Area or to other Dwellings, or for any other purpose reasonably related to the performance by the Board of its responsibilities under this Declaration, the Association (and its agents and employees) shall have an irrevocable easement over and onto all portions of the Common Area, and shall also have the irrevocable right after reasonable notice to the Owner, and at reasonable hours, to enter any Lot and/or Dwelling for any life safety issue or issue relating to the overall protection of the project.

5.2 Repair and Maintenance Rights and Duties of Owners. Except for those portions of the Property which the Association is required or elects to maintain and repair, each Unit Owner shall, at their sole cost and expense, maintain and repair all interior components of their Dwelling both structural and non-structural, keeping the same in good condition, and shall repair all damage to the Common Area and Limited Common Area for which the Owner is responsible under Paragraph 3.5 above. Additionally, each Owner shall maintain, repair and replace as necessary, all exterior portions of their dwelling as more specifically defined in Paragraph 1.26 of this Declaration, and shall keep the windows both exterior and interior clean, and shall maintain and replace any separate air conditioning, water heating, or other separate utility unit which services their Dwelling including all pipes, valves and conduit associated thereto. Each Owner shall have the exclusive right to paint, plaster, panel, tile, wax, paper or otherwise refinish and decorate the inner surfaces of the walls, ceilings, floors, windows and doors bounding their Dwelling.

ARTICLE 6 ASSOCIATION MAINTENANCE FUNDS AND ASSESSMENTS

6.1 Creation of the Lien and Personal Obligation of Assessments. The Declarant shall establish and the Association shall, at the time of its initial organization, adopt such operating budgets for the project as are reasonably necessary to commence such operations in the full execution of the Associations responsibilities provided hereunder. The Declarant, for each Unit owned within the Project, hereby covenants, and each Owner of any Unit by acceptance of a deed therefore, whether or not it shall be so expressed in such deed, is deemed to covenant and agree to pay to the Association the following Assessments, which shall be established and collected as may be provided herein and/or in the Bylaws of the Association: (a) Regular Assessments; (b) Extraordinary Assessments; and (c) Special Assessments.

All Assessments, together with interest, costs, penalties, and actual attorneys' fees, shall be a charge and a continuing lien upon the Unit against which each Assessment is made. Each such Assessment, together with interest, costs, penalties, and actual attorneys' fees, shall also be the personal obligation of the person who was the Owner of such Unit at the time when the Assessment fell due. No Owner of a Unit may exempt himself from liability for his contribution toward the Common Expenses by waiver of the use or enjoyment of any of the Common Area or by the abandonment of his Unit as provided herein.

6.2 Purpose of Assessment. The Assessments levied by the Association shall be used exclusively to promote the recreation, health, safety and welfare of all the residents in the entire Project, for the improvement and maintenance of the Common Area, and for the common good of the Project. The Regular Assessments shall include an adequate reserve fund for maintenance, repairs and replacement of those portions of the Common Area and Limited Common Areas which must be replaced on a periodic basis, creation of an adequate contingency reserve, major maintenance reserve, and/or sinking fund for maintenance and repairs of all Common Areas, including the private parking areas, if any, located within the Project as shown on the official plat recorded in the office of the Utah County Recorder.

6.3 Regular Assessments. The Board shall determine and fix the amount of the maximum annual Regular Assessment against each Unit at the start of each fiscal year; provided, however, that the maximum annual Regular Assessment may not be increased by more than twenty percent (20%) above the maximum annual Regular Assessment for the immediately preceding fiscal year, without the vote or written assent of a majority of the voting power of the Association.

6.4 Extraordinary Assessments. In addition to the Regular Assessments authorized above, the Board may levy, in any fiscal year, all Extraordinary Assessments applicable to that year only for the purpose of defraying, in whole or in part, the cost of any construction, reconstruction, repair or replacement of a capital improvement upon the Common Area or Limited Common Areas, including fixtures but excluding Dwelling exteriors except in the instance of special circumstances as outlined in Paragraphs 5.1.1 and 6.5 in this Declaration, or to defray any unanticipated or underestimated expense not covered by the Regular Assessment (and, where necessary, for taxes assessed against the Common Area); provided, however, and except as provided in the last sentence of this subsection 6.4, that the aggregate Extraordinary Assessments for any fiscal year shall not exceed ten percent (10%) of the budgeted gross expenses of the Association (excluding reserves) for that fiscal year, without the vote or written assent of over

sixty-seven percent (67%) of the voting power of the Association. Notwithstanding any language in this Declaration to the contrary, a one-time extraordinary assessment of Five Hundred Dollars (\$500) shall be assessed at the time of closing of the purchase of a Unit by the first Owner thereof, to establish a reserve fund for the Association.

6.5 Special Assessment. In addition to the Regular and Extraordinary Assessments authorized above, the Board may levy Special Assessments (without limitation as to amount or frequency) against any individual Unit and its Owner to reimburse the Association for costs incurred in bringing that Owner and his Unit into compliance with the provisions of this Declaration and the Bylaws, including actual attorney's fees and costs.

6.6 Commencement of Assessment: Due Dates. Except as provided in Section 6.5 above, the Regular Assessments provided for herein shall commence as to all Units in the Project on the first day of the month following closing of the sale of the first Unit in the Project. Due dates of Assessment shall be the first day of each calendar month or such other billing period as the Board may determine from time to time. No notice of such Assessment shall be required other than an annual notice setting forth the amount or the periodic Assessment.

6.7 Transfer of Unit by Sale or Foreclosure. The sale or transfer of any Unit shall not affect any Assessment lien, or relieve the Unit from any liability therefore, whether the lien pertains to payments becoming due prior or subsequent to such sale or transfer. Notwithstanding the foregoing, the sale or transfer of any Unit pursuant to foreclosure or by deed in lieu of foreclosure of a recorded first mortgage given in good faith and for value shall extinguish the lien of all such Assessments as to payments which became due prior to such sale or transfer (except for Assessment liens arising prior to recording of the mortgage). Sale or transfer pursuant to mortgage foreclosure shall not, however, affect the personal liability of the Owner for unpaid Assessments. Any Assessments for which the liens are extinguished pursuant to this Paragraph shall be deemed to be Common Expenses collectible from all of the Units including the Unit for which the lien was extinguished. In a voluntary conveyance of a Unit, the grantee of the same shall be jointly and severally liable with the grantor for all unpaid Assessments by the Association against the grantor up to the time of the grant or conveyance, without prejudice to the grantee's right to recover from the grantor the amounts paid by the grantee therefore. However, any such grantee shall be entitled to a statement from the Board, setting forth the amount of the unpaid Assessments due the Association, and such grantee shall not be liable for, nor shall the Unit conveyed be subject to a lien for, any unpaid Assessments made by the Association against the grantor in excess of the amount set forth in the statement; provided, however, the grantee shall be liable for any such Assessment becoming due after the date of any statement.

6.8 Enforcement of Assessment Obligation: Priorities: Discipline. All charges, fees and/or assessments due hereunder shall be paid and received by the tenth (10th) day of the month. If any part of any Assessment is not paid and received by the Association or its designated agent within ten (10) days after the due date, an automatic late charge of Twenty Dollars (\$20.00) shall be assessed and additional Twenty Dollar (\$20.00) sums shall be assessed for each month or fraction thereof from the due date until the Assessment and all late charges are paid. Each unpaid Assessment shall constitute a lien on each respective Unit prior and superior to all other liens except (1) all taxes, bonds, assessments and other levies which, by law, would be superior thereto, and (2) the lien or charge of any institutional first mortgage of record made in good faith and for value. Such lien, when delinquent, may be enforced by sale by the Association, its attorney or other person authorized by this Declaration or by law to make the sale of said Owner's Unit, after failure of the Owner to pay such Assessment, in accordance with the provisions of Utah law

Applicable to the exercise of powers of sale in deeds of trust, or by judicial foreclosure as a mortgage, or in any other manner permitted by law. Each Buyer in subsequent re-sales of units will receive notice of the 55 and older requirement in the preliminary title report and as such, prior to closing, the age of the occupant will be asked and the Association will be contacted to ensure that the 80% rule is not being violated. Additionally, the Association Board shall conduct, as needed, a census of the occupants of each unit for the purpose of determining that at least one of the occupants is 55 years or older and living in the Unit full time. The census list shall be made readily available to either Lehi City, or others who enforce this specific requirement of the Fair Housing Act. The Board shall also cause to be obtained and maintained fire and casualty insurance with extended coverage, without deduction for depreciation, in an amount as near as possible to the full replacement value of the Common Area and all Dwellings and, if economically feasible, those portions of the Dwellings consisting of all fixtures, installations, or additions comprising a part of the Dwellings and all built-in or set-in appliances, cabinets and initial basic floor coverings, as initially installed or replacements thereof in accordance with the original plans and specifications for the Project, or as installed by or at the expense of the Owners. 9.3 Right and Duty of Owners to Insure. It is the responsibility of each Owner to provide insurance on his personal property and upon all other property and improvements within his Dwelling, along with building property insurance amounting to no less than the deductible specified on the blanket HOA insurance. Nothing hereby shall preclude any Owner from carrying any public liability insurance as he deems desirable to cover his individual liability for damage to persons or property occurring inside his individual Dwelling or elsewhere upon the Property. Such policies shall not adversely affect or diminish any liability under any insurance obtained by or on behalf of the Association, and duplicate copies of such other policies shall be deposited with the Board upon request. If any loss intended to be covered by insurance carried by or on behalf of the Association shall occur and the proceeds payable thereunder shall be reduced by reason of insurance carried by any Owner, such Owner shall assign the proceeds of such insurance carried by him to the Association to the extent of such reduction, for application by the Board to the same purposes as the reduced proceeds are to be applied.

The Board shall have full power to receive the proceeds with the same to be used by the Association for the repair or replacement of the property for which the insurance was carried or otherwise disposed of as provided in Article 10 of this Declaration. The Board is hereby granted the authority to negotiate loss settlements with the appropriate insurance carriers with participation to the extent they desire, of first mortgagees who have filed written requests within ten (10) days of receipt of notice of any damage or destruction as provided in this Declaration.

9.7 Actions as Directors. Except as otherwise specifically provided in this Declaration, the Board, acting on behalf of the Association and all Owners shall have the exclusive right to bind such parties in respect to all matters affecting insurance earned by the Association, the settlement of a loss claim and the surrender, cancellation, and modification of all such insurance.

10.1 Damage to Common Area. Except as otherwise provided in this Declaration, in the event of any destruction of any portion of the Common Area, the repair or replacement of which is the responsibility of the Association, it shall be the duty of the Association to restore and repair the same to its former condition, as promptly as practical. The proceeds of any insurance maintained pursuant to Article 9 hereof for reconstruction or repair of the Property shall be used for such purpose, unless otherwise provided herein. The board shall be authorized to have prepared the necessary documents to effect such reconstruction as promptly as practical. The Property shall be reconstructed or rebuilt substantially in accordance with the original construction plans. If the amount available from the proceeds of such insurance policies for such restoration and repair is inadequate to complete the restoration and repair, the Board shall levy all Extraordinary Assessments for the deficiency and proceed with such restoration and repair.

10.2 Damage to Dwellings. Except as otherwise provided in this Declaration, in the event of any destruction of any Dwelling or Dwellings, it shall be the duty of the Owners of the Dwelling or Dwellings to restore and repair the same to its/their former condition, as promptly as practical in accordance with timelines established by the Board and under the supervision of the Board. The proceeds of any insurance maintained pursuant to Article 9 hereof for reconstruction or repair of the Property shall be made available for such purpose, unless otherwise provided herein. The Dwelling or Dwellings shall be reconstructed or rebuilt substantially in accordance with the original construction plans. If the amount available from the proceeds of such insurance policies for such restoration and repair is less than the estimated cost of restoration and repair, the Owners of the Dwelling or Dwellings shall be responsible for the deficiency, and the Board shall have the power to levy a Special Assessment to secure payment of the deficiency. In the event more than one Dwelling is damaged or destroyed, the available insurance proceeds shall be allocated according to the estimated costs of repair and restoration of each Dwelling.

Notwithstanding the provisions of Paragraph 10.1 and 10.2, the Association shall have the right, by a vote of sixty-seven percent (67%) of the voting power of the Association, to make alternate arrangements respecting the repair, restoration or demolition of the damaged portion of the Property. The alternate plan may provide for special allocation of insurance proceeds, modification of design, or special allocation of any necessary Assessments. Any plan adopted pursuant to this subparagraph shall be adopted within sixty (60) days of the damage or destruction and shall be supported by the vote of any Owner whose Dwelling has been physically damaged, to the extent the proposed plan affects the reconstruction of such Dwelling.

10.4 Appraisal of Damages. In the event the parties affected by damage or destruction to the Property cannot agree within twenty (20) days of the date of the damage on the estimated cost of repair or the allocations referred to in this Article 10, the Association shall appoint three (3) independent appraisers having at least five (5) years full-time appraisal experience in Utah County, Utah, to appraise the damage and establish allocations among various damaged portions of the Property. Within forty-five (45) days after the selection of the appraisers, a majority of the appraisers shall set the estimated cost of repairs and allocations. If a majority of the appraisers are unable to agree within the stipulated period of time, the average of the three (3) appraisals shall be utilized. If, however, the low appraisal and/or the high appraisal are/is more than fifteen percent (15%) lower and/or higher than the middle appraisal, the low appraisal and/or the high appraisal shall be disregarded. If only one appraisal is disregarded, the average of the two remaining appraisals shall be utilized. The cost of the appraisals required by this subparagraph shall be paid by the Association and reimbursed by the Owners through an Extraordinary Assessment.

ARTICLE 11
RIGHTS OF MORTGAGEES

11.1 In order to induce various lenders and lending agencies to participate in the financing of Units within the Project, this Article 11 is included in this Declaration. To the extent these added provisions, pertaining to the rights of such lenders and lending agencies conflict with any other provisions of this Declaration or any other of the Project Documents, these added restrictions shall control.
