In accepting the deed, the Association covenants to fulfill all the terms of this Declaration, to maintain the Common Area in good repair and condition at all times and to operate the Common Area at its own expense in accordance with high standards.

Section 2.3. Owners' Easements of Enjoyment. Every Lot Owner has a right and easement of use and enjoyment in and to the Common Area. This easement is appurtenant to and passes with the title to every Lot, subject to:

- (a) The right of the Association to number of guests of Members using the Common Area;
- (b) The right of the Association to suspend the voting rights of a Member for any period during which any assessment or portion thereof against the Member's Lot remains unpaid or for any infraction of its published rules and regulations;
- (c) The right of the Association to enter into agreements or leases which provide for use of the Common Areas and facilities by a similar Association in consideration for use of the Common Areas and facilities of the other Association, or for cash consideration;
- (d) The right of the Association, if there is no Class B membership, with the approval of the Entire Membership and in accordance with the Utah Revised Nonprofit Corporation Act, to sell, exchange, hypothecate, alienate, mortgage, encumber, dedicate, release or transfer all or part of the Common Area to any private individual, corporate entity, public

Section 2.4. Delegation of Use. A Lot Owner or one having a right of use of facilities, is deemed to delegate any right of enjoyment to the Common Area and facilities to family Members, tenants, or contract purchasers who reside on the Lot. Damage caused to the Common Area and facilities, including personal property owned by the Association, by a Member, or by a person who has been delegated the right to use and enjoy such Common Area and facilities by the Member, shall create a debt to the Association. Debts owed to the Association as a result of damage to the Common Area and facilities shall be an assessment charged to the Lot Owner.

Section 2.5. Rules. The Board of Directors shall have the authority to promulgate rules and regulations for the governance of the Association's property. These rules of the Association shall be compiled and copies shall be made available for inspection and copying by the Members.

Section 2.6. Lots. Each Lot is owned in fee simple by the Owner.

ARTICLE 3 - MEMBERSHIP AND VOTING RIGHTS

Section 3.1. Membership. Every Lot Owner is a Member of the Association. The term "Owner" includes contract purchasers but does not include persons who hold an interest merely as security for the performance of an obligation unless and until title is acquired by foreclosure or similar proceedings. Membership is appurtenant to and may not be separated from Lot ownership. Membership in the Association automatically transfers upon transfer of title by the record Lot Owner to another person or entity.

Section 3.2. Voting Rights. The Association has two classes of voting membership: **CLASS A.** Class A Members shall be all Lot Owners with the exception of the Declarant, as defined in this Declaration. Class A Members are entitled to one vote for each Lot owned. When more

than one person holds an interest in any Lot, the group of such persons shall be a single Member. The vote for such Lot shall be exercised as they among themselves determine. In no event shall more than one vote be cast with respect to any Lot nor may any vote with respect to such Lot be split. A vote cast at any Association meeting by any of such co-Owners, whether in person or by proxy, is conclusively presumed to be the vote attributable to the Lot concerned unless written objection is made prior to that meeting, or verbal objection is made at that meeting, by another co-Owner of the same Lot. In the event an objection is made, the vote involved shall not be counted for any purpose except to determine whether a quorum exists.

CLASS B. The Class B Member shall be the Declarant (as defined in this Declaration). Class B Members are entitled to five (5) votes for each Lot owned. The Class B membership shall cease and be converted to Class A membership on the happening of any of the following events, whichever first occurs:

- (a) conveyance of seventy-five percent (75%) of all Lots in all phases of the Crimson Fields Subdivision Lots to purchasers; or
- (b) the expiration of seven (7) years from the first conveyance of any Lot to a purchaser; or
- (c) the surrender of Class B membership status by the express written action of the Declarant.

In the case of expansion (as provided under the Declaration) the Declarant's memberships appurtenant to the Lots in the expansion area shall be Class B memberships. If Declarant exercises its option to add additional Lots of any character, then at such time as additional subdivision plats are filed, the voting shall be adjusted accordingly, so that Declarant regains Class B voting status for all Lots owned, even if previously converted to Class A status in prior phases and according to the terms hereof.

Cumulative voting shall not be allowed on any matter for which a vote is required or taken.

ARTICLE 4 -FINANCES AND OPERATIONS

Section 4.1. Creation of the Lien and Personal Obligation of Assessments. The Declarant and each subsequent Owner of any Lot by acceptance of a deed therefor, whether or not it shall be so expressed in any such deed or other conveyance, covenants and agrees to pay to the Association: (a) annual assessments or charges; (b) special assessments for capital improvements, such assessments to be fixed, established, and collected from time to time as hereinafter provided; (c) any other amount or assessment levied or charged by the Association or Board of Directors pursuant to this Declaration; and (d) interest, costs of collection and reasonable attorney fees, as hereinafter provided. All such amounts shall be a charge on the Lot and shall be a continuing lien upon the Lot against which each such assessment or amount is

charged. Such assessments and other amounts shall be the personal obligation of the person who was the Owner of such Lot at the time when the assessment fell due. Successors-in-title shall not be personally liable for assessments delinquent at the time they took title unless that obligation is expressly assumed by them.

Section 4.2. Purpose of Assessments. The assessments levied by the Association shall be used: (a) for the purpose of promoting the health, safety, and welfare of the Members; and (b) for the improvement, maintenance and repair of the Common Areas and services and facilities related thereto. The assessments may provide, at the discretion of the Board of Directors, for the payment of other charges, including, without limitation, maintenance, management, and water charges.

Section 4.3. Maximum Annual Assessment. Until January 1 following recording of this Declaration, the maximum annual assessment shall be Two Hundred & Forty Dollars (\$240.00) per Lot. This amount shall be the basis of calculation for future maximum annual assessments. From and after the date referred to above, the maximum annual assessment may be increased each year by five percent (5%) above the maximum assessment for the previous year, without a vote of the membership. The Association may change the basis and maximum of the assessments fixed by this Section prospectively for any annual period. Such change may be made by the Board of Directors if there is Class B membership. If there is no Class B membership, any such change shall have the assent of sixty-seven percent (67%) of the votes of the Entire Membership, voting in person or by proxy, at a meeting duly called for this purpose. The actual annual assessment need not increase annually however, the ability to increase assessments shall be cumulative with each passing year. The Board shall set the actual annual assessment on an annual basis, Notice shall be given to each Owner as provided in Section 9.10. The Board must set the actual annual assessment to be an amount at or less than the maximum annual assessment.

Section 4.4. Special Assessments for Capital Improvements. In addition to the annual assessments, the Board may levy in any assessment year a special assessment, applicable to that year only. Special assessments may only be levied to defray, in whole or in part, the cost of any construction, reconstruction, repair or replacement of Common Area structures, fixtures and personal property related thereto. Such assessments may be levied by the Board of Directors if there is Class B membership. If there is no Class B membership, special assessments must have the assent of sixty-seven percent (67%) of the votes of the Entire Membership authorized to vote, in person or by proxy, at a meeting duly called for this purpose.

Section 4.5. Additional Assessments. In addition to the annual assessments and special assessments for capital improvements authorized herein, the Association shall levy such additional assessments as may be necessary from time to time for the purpose of repairing and restoring the damage or disruption resulting to Common Areas from the activities of Washington City in maintaining, repairing or replacing the City's utility lines and facilities thereon. It is acknowledged that the ownership of said utility lines, underground or otherwise, is in the City up to and including the meters for individual units, and that they are installed and shall be maintained to City specifications.

Section 4.6. Notice and Quorum for any Action Authorized Under Section 4.3 and 4.4. Written notice of any meeting of Members called for the purpose of taking any action authorized under Sections 4.3 or 4.4 shall be sent to all Members at least thirty (30) days in advance of said meeting. At the First meeting called, the presence at the meeting of Members, or of proxies, entitled to cast sixty percent (60%) of all the votes of the Entire Membership shall constitute a quorum. If the quorum requirement is not met at such a meeting, another meeting may be called, on at least thirty (30) days advance written notice, and the required quorum at any such subsequent meeting shall be one-half (V₂) of the required quorum at the preceding meeting. No such subsequent meeting shall be held more than sixty (60) days following the preceding meeting.

Section 4.7. Uniform Rate of Assessment: Periodic Assessment. Both annual and special assessments must be fixed at a uniform rate for all Lots; provided, however, that no assessments shall accrue against the Declarant so long as the Declarant has Class B membership. Annual, special and additional assessments may be collected on a monthly or quarterly basis, as the Directors determine.

Section 4.8. Date of Commencement of Annual Assessments: Due Dates. The annual assessment provided for herein shall commence to accrue on the first day of the month following conveyance of the Common Area. The first annual assessment shall be adjusted according to the number of months remaining in the calendar year. At least thirty (30) days prior to the commencement of each new assessment period, the Directors shall send or cause to be sent a written notice of the annual assessment to each Owner subject thereto. This notice shall not be a prerequisite to the validity of the assessment. In the absence of a determination by the Directors as to the amount of said assessment, the annual assessment shall be an amount equal to 90% of the maximum annual assessment determined as provided above. The assessment due dates shall be established by the Directors. The Directors may provide for the payment of annual and special assessments in equal installments throughout the assessment year. The Board shall prepare a roster of the Lots and the assessments applicable thereto at the same time that it sets the amount of the annual assessment, which roster shall be kept by the Secretary-Treasurer of the Association, who shall record payments of assessments. The Association shall, upon demand, and for a reasonable charge, furnish a certificate signed by an officer of the Association setting forth whether the assessment on a specified Lot has been paid. Such certificates, when properly

issued, shall be conclusive evidence of the payment of any assessment or fractional part thereof which is therein shown to have been paid.

Section 4.9. Effect of Non-Payment of Assessment -Remedies of the Association. Any assessment or installment thereof not paid within thirty (30) days after the due date therefor shall be delinquent and shall bear interest from the due date at the rate of eighteen percent (18%) per annum (or such lesser rate as the Directors shall determine appropriate) until paid. In addition, the Directors may assess a late fee for each delinquent installment which shall not exceed ten percent (10%) of the installment. The Directors may, in the name of the Association: (a) bring an action at law against the Owner personally obligated to pay any such delinquent assessment without waiving the lien of assessment; (b) may foreclose the lien against an Owner's Lot in accordance with the laws of the State of Utah applicable to the exercise of powers of sale in deeds of trust or to the foreclosure of mortgages, or in any other manner permitted by law; and/or (c) may restrict, limit, or totally terminate any or all services performed by the Association in behalf of the delinquent Owner. There shall be added to the amount of any delinquent assessment the costs and expenses of any action, sale or foreclosure, and reasonable attorney fees, together with an amount equal to the reasonable rental value of the Lot from the date of delinquency to the date of foreclosure. The Association shall be entitled to the appointment of a receiver to collect the rental income or the reasonable rental without regard to the value of the other security. A power of sale is hereby conferred upon the Association which it may exercise. Under the power of sale the Lot of an Owner may be sold in the manner provided by Utah law pertaining to deeds of trust as if said Association were a beneficiary under a deed of trust. The Association may designate any person or entity qualified by law to serve as trustee for purposes of the power of sale foreclosure. No Owner may waive or otherwise escape liability for the assessments provided for herein by non-use of the Common Area or by abandonment of the Lot.

Section 4.10. Subordination of the Lien to Mortgages. The lien of the assessments provided for herein shall be subordinate to the lien of any first mortgage held by an institutional lender if the mortgage was recorded prior to the date the assessment became due. Sale or transfer of any Lot shall not affect the assessment lien. However, the sale or transfer of any Lot pursuant to foreclosure of a first mortgage or any proceeding in lieu thereof, shall extinguish the assessment lien as to payments which became due prior to such sale or transfer. No sale or transfer, however, shall relieve an Lot or Lot Owner from personal liability for assessments coming due after the Owner takes title or from the lien of such later assessments.

Section 4.11. Books, Records and Audit. The Association shall maintain current copies of the Declaration, Articles, Bylaws, Rules and other similar documents, as well as its own books, records and financial statements which shall all be available for inspection by Lot Owners in accordance with the Utah Revised Nonprofit Corporation Act. Such documents may be made available to insurers as well as by holders, insurers and guarantors of first mortgages during normal business hours upon reasonable notice. Charges shall be made for copying, researching or extracting from such documents. A Lot Owner or holder, insurer or guarantor of a first

mortgage may obtain an audit of Association records at its own expense so long as the results of the audit are provided to the Association.

Section 4.12. Exempt Property. The following property subject to this Declaration is exempt from the assessments created herein:

- (a) All property dedicated to and accepted by any local public authority;
- (b) All Common Area;
- (c) All Lots owned by Declarant.

The Association may insure any property, whether real or personal, owned by the Association, against liability, loss, damage or hazards as the Association may deem desirable, with the Association as the owner and beneficiary of such insurance. The insurance coverage with respect to the Common Area shall be written in the name of, and the proceeds thereof shall be payable to, the Association. Insurance proceeds shall be used by the Association for the repair or replacement of the property for which the insurance was carried. Premiums for all insurance carried by the Association are common expenses which shall be included in the regular annual assessments made by the Association.

Section 5.2. Replacement or Repair of Property. In the event of damage to or destruction of any part of the Common Area improvements, the Association shall repair or replace the same from the insurance proceeds available. If such insurance proceeds are insufficient to cover the costs of repair or replacement of the property damaged or destroyed, the Association may make a reconstruction assessment against all Lot Owners to cover the additional cost of repair or replacement not covered by the insurance proceeds, in addition to any other common assessments made against such Lot Owners.

Section 5.3. Liability Insurance. The Directors shall obtain a comprehensive policy of public liability insurance covering all of the Common Area for at least \$1,000,000.00 per occurrence for personal or bodily injury and property damage that results from the operation, maintenance or use of the Common Areas. Liability insurance policies obtained by the Association shall contain a "severability of interest" clause or endorsement which shall preclude the insurer from denying the claim of an Owner because of negligent acts of the Association or other Owners.

Section 5.4. Fidelity Insurance. The Directors may elect to obtain fidelity coverage against dishonest acts on the part of managers, Directors, officers, employees, volunteers, management agents or others responsible for handling funds held and collected for the benefit

of the Members. ARTICLE 6 -USE RESTRICTIONS

Section 6.1. Construction, Business and Sales. Notwithstanding any provisions to the contrary herein contained, it shall be expressly permissible for Declarant to maintain such facilities and conduct such activities as in the sole opinion of Declarant may be reasonably required, convenient or incidental to the construction and sale of Lots during the period of construction and sale of said Lots and upon such portion of the premises as Declarant deems necessary including but not limited to a business office, storage areas, construction yard, signs, model units and sales offices. Shrub and tree planting on corner Lots shall be located so as not to create a hazard for the movement of vehicles along streets. No trees or shrubs shall be planted on any corner. Lots shall be kept free of all tall, noxious or offensive weeds and plant growth by the Owner of said Lots. Should excessive growth occur on any Lot, the Owner shall be notified by the Association, in writing, of such condition and shall be given thirty (30) days to correct the same, after which time the Association may order such correction affected, the expense of which shall be charged to the Owner of the Lot or Lots.

Section 6.9. Fences, Walls and Barriers. Walls, fences and other barriers shall be constructed of materials manufactured for such purposes and erected in a proper and safe manner. Section 6.11. Slope and Drainage Control. No structure, planting or material shall be placed or permitted to remain and no activities shall be undertaken which may damage or interfere with established slope ratios, create erosion or sliding problems, or which may change the direction of flow of drainage channels. No change in the elevation of a Lot shall be made and no change in the condition of the soil level of the land of a Lot shall be made which results in any permanent change in the flow and drainage of surface water which is detrimental to any other Lot within the Property. Construction of improvements and installation of landscaping shall be done in such a way that drainage water is retained on the Lot and/or conveyed to appropriate drainage facilities and as not to detrimentally drain onto or across any other Lot. The slope control areas of each Lot and all improvements in them shall be maintained continuously by the Owner of the Lot, except for those improvements for which a public authority or utility company is responsible.

One sign of not more than two (2) square feet on each side may be used for advertising the Lot or home thereon for sale or rent or identifying the home during construction. The above notwithstanding, signs used by the Declarant to advertise the development and/or initial sale of any Lot, part or portion of the Property shall be excluded from this restriction. During the construction of a residence on a Lot, one sign, not more than sixteen (16) square feet in size per side, advertising or publicizing the contractor of the residence, shall be allowed. Any such sign shall be removed upon completion of construction.

Section 6.17. Care and Maintenance. All trash, garbage, rubbish, rubble, or other waste shall be kept in sanitary containers which are emptied on at least a weekly basis.
