**CLARIFICATION & AGREEMENT CONCERNING THE COLLECTIVE MASTER
ASSOCIATION COVENANTS, CODES & RESTRICTIONS
FOR SARATOGA SPRINGS SUBDIVISION**

This Clarification & Agreement Concerning the Collective Master Association Covenants, Codes & Restrictions for Saratoga Springs Subdivision (“Clarification & Agreement”) is effective upon recordation in the Utah County Recorder’s Office, by and between Saratoga Springs Development, LLC, a Utah limited liability company (the “Grantor”), Saratoga Springs Owners Association, Inc., a Utah non-profit homeowners association (“Master Association”), and the other developers and entities whose signatures appear at the end of this Clarification Agreement, for the purpose of more plainly identifying the overall boundary and all property within the Subdivision and to resolve certain disputes, if any, related to the assessments for Lots in different stages of development. The foregoing being referred to jointly as the “Parties” and sometimes individually as a “Party”.

RECITALS:

- A. Currently, there are a number of Plats (including, but not limited to: 14, 17, 25, 26 and 27) in varying stages of development, with some of the developers/owners disputing or seeking clarity on the Association’s interpretation and application of certain conditions and/or requirements within the Collective Master Association Covenants, Codes & Restrictions.
- B. Accordingly, the following developers/owners, including Saratoga Springs Development, LLC, Ironwood at Saratoga, LLC, Ballatta Partners, LLC, and Wardley Companies hereby enter into this Clarification & Agreement to resolve a dispute, if any, and agreeing to be bound by the Collective Master Association Covenants, Codes & Restrictions, as clarified by this Clarification & Agreement.
- C. On or about February 19, 1997, a Master Declaration of Covenants, Conditions, Restrictions and Easements for Saratoga Springs Subdivision No.1 (“Master Declaration”) was recorded in the Utah County Recorder’s Office as Entry No. 12514, in Book 495 at Page 1. In the recitals of the Master Declaration, the subject real property was identified as follows:

Saratoga Springs Development, comprising approximately 640 acres on the northwest shore of Utah Lake, including the Saratoga Springs Resort and more particularly described in Exhibit A attached hereto.

(The referenced Exhibit A was not attached to the Master Declaration at the time of recording.) The Master Declaration established a Master Association to govern all property within the Subdivision.

D. In addition to the above broad description of the Subdivision, the Master Declaration also included the following provisions generally identifying the subject property:

1. WHEREAS, as additional land owned and platted by the Grantor adjacent to or in the vicinity of the Property is platted and developed for uses similar to that of the Property, upon election by the Grantor, such shall become subject to the terms of this Master Declaration by annexing the same as provided herein;
2. WHEREAS, the Property will be developed in several phases or development units each of which may be a separately platted subdivision which may have unique characteristics, needs and requirements (including varied building types, land use types and ownership alternatives), the Grantor may, from time-to-time, promulgate further conditions, covenants, restrictions and easements as "Supplemental Declarations" relating to such separately platted or designated tracts, parcels or subdivisions within the Subdivision;
3. Subdivision: The whole of the Property and any additional land annexed thereto as provided herein, including any such additional land as may be platted an annexed hereunder under a different name (also sometimes referred to herein as "Property").

E. Thereafter, in addition to subsequent amendments annexing additional property or plats into the Subdivision, several documents were recorded that impacted, and/or were intended to impact, the entire Subdivision and not limited to only those Plats that were recorded at the time of the subject amendments. These recordings included:

1. On or about January 24, 2006, an Amended and Restated Master Declaration of Covenants, Conditions, Restrictions and Easements for Saratoga Springs Subdivision ("Amended & Restated Declaration") was recorded in the Utah County Recorder's Office as Entry No. 8402:2006.
 - a. The Amended & Restated Declaration included a very similar general description of the Subdivision, as contained in the Master Declaration:

Saratoga Springs Development, comprising approximately 640 acres on the northwest shore of Utah Lake, including the Saratoga Springs Resort and more particularly described in Exhibit A attached hereto, and any annexation, expansion or supplement thereto.

(This time, Exhibit A was included but only contained the existing, recorded Plats in the Subdivision (hereinafter "Exhibit A"). The Amended & Restated Declaration also contains the identical provisions cited Recital D (1)-(3).

2. Thereafter, every subsequent recording that was intended to be recorded against the entire Subdivision utilized Exhibit A (or a similar exhibits) to the Amended &

Restated Declaration but did not include a metes and bounds description of the 640 acres and the “any annexation, expansion or supplement thereto” language.

3. On or about October 24, 2006, a Notice of Continuing Obligation (“Notice of Obligation”) was recorded in the Utah County Recorder’s Office as Entry No. 141860:2006. The Notice of Obligation utilized Exhibit A, with the identification of additional Lots within Saratoga Springs No. 23 and Saratoga Springs No. 24, for the legal description.
4. On or about April 5, 2010, a First Amendment to the Amended and Restated Declaration of Covenants, Conditions, Restrictions and Easements for Saratoga Springs Subdivision (“2010 Amendment”) was recorded in the Utah County Recorder’s Office as Entry No. 27319:2010. This 2010 Amendment was recorded to define the relationships between the Master Association and each “Sub Association” and to help ensure that the overall Saratoga Springs Subdivision functions in an organized, structured and accountable fashion. The 2010 Amendment utilized Exhibit A for the legal description. Notwithstanding, the 2010 Amendment referred to the Master Declaration, Amended & Restated Declaration, and the Saratoga Springs Community.
5. On or about May 4, 2010, an Amendment & Notice of Reinvestment Fee Covenant (“Reinvestment Fee Covenant”) was recorded in the Utah County Recorder’s Office as Entry No. 36417:2010 confirming the obligation for the payment of a Reinvestment Fee Covenant, as permitted by Utah law. The Reinvestment Fee Covenant utilized Exhibit A for the legal description.
6. On or about May 4, 2010, Bylaws of Saratoga Springs Owners Association, Inc. was recorded in the Utah County Recorder’s Office as Entry No. 36418:2010 (“Bylaws”). The Bylaws utilized Exhibit A for the legal description. Notwithstanding, the Bylaws also utilized some general language identifying the Saratoga Springs Subdivision “including any additional real property annexed as a part thereof.”
7. On or about November 6, 2012, an Amendment to the Bylaws of Saratoga Springs Owners Association, Inc. was recorded in the Utah County Recorder’s Office as Entry No. 97451:2012 (“Amendment to the Bylaws”). The Amendment to the Bylaws utilized Exhibit A for the legal description.
8. On or about February 9, 2015, Bylaws of Saratoga Springs Owners Association, Inc. was recorded in the Utah County Recorder’s Office as Entry No. 9829:2015 (“Second Amended Bylaws”). The Second Amended Bylaws utilized Exhibit A, with the identification of additional Lots within Ironwood at Saratoga Subdivision (Plat 17) and Talons Cove Subdivision, for the legal description. In addition, the Second Amended Bylaws also included a definition for Saratoga Springs Subdivision including “any additional real property annexed as a part thereof.”

(The Master Declaration and documents identified in Recital E are hereby collectively referred to as the “Collective Master Association Covenants, Codes & Restrictions”).

- F. The Parties desire to eliminate any confusion with respect to the overall boundaries of the Subdivision or land located within the Subdivision Boundary, as well as eliminate any confusion for future owners or purchasers.
- G. The Parties also desire to eliminate any confusion with respect to the applicability of the Collective Master Association Covenants, Codes & Restrictions to all property within the Subdivision Boundary.
- H. A dispute, or confusion, has arisen between certain owners/developers and the Master Association with respect to the amount/percentage of assessments for Lots in various stages of development. Similar disputes have also arisen in the past. The Master Declaration and Amended & Restated Declaration contain language with respect to a “uniform rate” of assessment and language referencing a “pro-rata” rate of assessments for unimproved Lots. The Master Association previously resolved similar disputes by resolution and agreement with the related owners/developers.
- I. The Parties desire to resolve the current dispute and maintain consistency of application and interpretation by the Master Association. By resolving this dispute, no admission or acknowledgment is being made by the parties. The Master Association desires remain consistent with its prior interpretations, including a prior resolution made on July 31, 2008, while adapting to changing circumstances. Thus, in order maintain consistency, resolve this dispute, and avoid disputes moving forward, the following requirements apply to the amount and timing of assessments:
1. When an individual(s) or entity(s) purchases six (6) or more vacant Lots within the Subdivision (hereinafter “Developer Lots”), these Developer Lots are subject to a monthly assessment in the amount of 18.75% of the regular, monthly Master Association Assessment effective upon the purchase or acquisition of the Developers Lots until such time that a Developer Lot receives a building permit from the City. Each Developer Lot, upon receipt of a building permit from the City, is then subject a monthly assessment in the amount of 37.5% of the regular, monthly Master Association Assessment on a lot by lot basis.
 2. The owner of a Developer Lot shall provide written notice to the Master Association within ten (10) business days of receipt of a building permit for a Developer Lot. If said owner fails to provide the required notice, the Master Association may levy a \$500 fine and collect such fine as provided for in the Master Association’s governing documents and Utah law.
 3. If an individual(s) or entity(s) acquires five (5) or less vacant Lots within the Subdivision, such owner shall be responsible for monthly assessments in the full amount of the regular, monthly Master Association Assessment from the date of purchase or acquisition regardless of when the Lot(s) receives a building permit.
 4. Once a Developer Lot receives its final occupancy permit, it is subject to the full amount of the regular, monthly Master Association Assessment.

5. Until a Lot is being assessed the full amount of the monthly Master Association Assessment and is current on all assessment and fees with the Master Association, such Lot and its owners and/or occupants shall not have any access to the Master Association clubhouse, pools, hot tubs, parks, pavilions, playground equipment, docks, and other Master Association amenities or facilities, with the only exception being utilization of Master Association roads to access an Owner's Lot.

- J. If an owner pays a Reinvestment Fee on a vacant lot and, thereafter, receives a certificate of occupancy on a completed home on that same Lot within 18 months after payment of the initial Reinvestment fee, said owner, upon written application to the Master Association, shall receive a credit of the Reinvestment Fee paid on the purchase of the vacant Lot toward to Reinvestment Fee due on the completed home.

- K. This Clarification & Agreement is not intended as an amendment to the Collective Master Association Covenants, Codes & Restrictions. Instead, it is recorded by the parties to clarify certain interpretations, provisions and descriptions in the recorded documents in order to avoid further disputes and confusion and foster consistency of interpretation and application.

- L. The Master Association reserves all rights and abilities to assert any and all claims or positions, including the ability to seek the full amount of assessments and/or reinvestment fees, against developers and owners that are neither a Party to this Clarification & Agreement, nor a successor or assignee of a Party. In particular, the Association reserves all rights and claims against Woodside Homes of Utah, LLC. This Clarification & Agreement shall not be deemed a waiver of any rights with respect to developers and owners that are not a Party hereto or the successor or assignee of a Party.

NOW, THEREFORE, BE IT DECLARED:

COVENANTS, CONDITIONS AND RESTRICTIONS

1. **Recitals.** The above Recitals are specifically incorporated herein by reference and made a part hereof.

2. **Definitions.** All terms used but not defined herein shall have the meanings given them under the Collective Master Association Covenants, Codes & Restrictions.

3. **Effective Date.** This Clarification & Agreement will take effect on the date recorded at the office of the Utah County Recorder's Office (the "Effective Date").

4. **Clarification.** It is the purpose of this document to clarify both the terms and intent of the Collective Master Association Covenants, Codes & Restrictions. In particular, as the documents relate to the Subdivision Boundary and assessment rates for Developer Lots.

5. **Subdivision Boundary.** Attached hereto as "**Exhibit 1**", and fully incorporated herein by the reference, is a metes and bounds description for the entire, approximately 640 acres that constitute property within the Subdivision, whether currently annexed or annexed to the Subdivision in the future ("Subdivision Boundary" or "Subdivision").

5. **Rate of Assessment.** The Parties agree to be bound by the rate of assessments, as set forth in **Recital I.**

6. **Annexation.** An individual(s) or entity(s) purchasing or acquiring a Plat is required to follow the annexation procedures as contained in the Collective Master Association Covenants, Codes & Restrictions for Saratoga Springs Subdivision. Notwithstanding any failure by an owner or entity to follow the required procedures, any Plat located within the Subdivision Boundary is subject to the terms and conditions of the Collective Master Association Covenants, Codes & Restrictions for Saratoga Springs Subdivision, as clarified herein.

7. **Authorization.** The individuals signing for the respective entities make the following representations: (i) he/she has read this Clarification & Agreement, (ii) he/she has authority to act for the entity designated below, (iii) he/she shall execute this Clarification & Agreement acting in said capacity.
