AGREEMENT RESPECTING BOUNDARY LINE

The parties hereto, Goldenwest Federal Credit Union, a federally-chartered credit union whose address is 5025 Adams Avenue, Ogden, UT 84403, and Robert D. Waite, whose address is 166 North 200 West, Kaysville, UT 84037, hereby agree as follows:

The parties own adjoining properties located in Block 32, Plat "A", Kaysville Townsite Survey, according to the official plat thereof. Goldenwest Federal Credit Union is in the process of constructing improvements on its property. One of the improvements will be a fence that will be created on the West boundary of its property. A number of trees are located on or near the boundary line of the parties' properties. To avoid interfering with the trees that are growing on the parties' properties, Goldenwest Federal Credit Union agrees to construct its fence to the East of its boundary according to the surveyed boundary line. The parties agree and acknowledge that the boundary line as identified by survey will remain unchanged notwithstanding the fact that a fence will be created. The parties agree that the fence line will not become the new boundary line of the properties but will instead be an accommodation for the retention of the trees that are growing on or near the parties' boundary lines. The properties affected by this Agreement are described as follows:
