A RESOLUTION establishing the May District, Wasatch County, Utah.

\*\*\* \*\*

WHEREAS pursuant to resolution adopted on May 13, 1987, the Board of County Commissioners of Wasatch County, Utah ("Board"), gave notice of its intention to create a special service district ("District") to be known as "Mayflower Special Service District", having the boundaries set out in Section 2 hereof and to provide water, drainage, flood control, garbage collection, transportation, street lighting, snow removal, sewage collection and contracting to provide sewage treatment services; and

WHEREAS pursuant to said resolution the Board ordered that a public hearing be held on June 24, 1987, at 10:00 o'clock A.M., at the County Courthouse in Heber City, Utah, for the purpose of holding a public hearing on the establishment of the District and the furnishing of water, drainage, flood control, garbage collection, transportation, street lighting, snow removal, sewage collection and contracting to provide sewage treatment services thereby; and

WHEREAS public notice of said intention and of the time and place of said hearing was given by the County Clerk through the publication of an appropriate notice in The Wasatch Wave, a newspaper published and of general circulation in Wasatch County, Utah, once a week during three consecutive weeks on May 28, 1987, June 4, 1987 and June 11, 1987, the first of such publications having been not less than twenty-one (21) days nor more than thirty-five (35) days prior to the date of this hearing; and

WHEREAS said hearing has been held pursuant to said notice at the aforesaid time and place, and the Board has considered all protests filed and has heard and considered all interested persons desiring to be heard;

NOW, THEREFORE, Be It, and It Hereby Is, Resolved by the Board of County Commissioners of Wasatch County, Utah, as follows:

Section 1. That the Board does hereby find and determine:

- (a) That public notice of the hearing upon the establishment of the District and the furnishing of specified services thereby was duly given by the Clerk of the Board by publication of an appropriate notice in The Wasatch Wave, a newspaper published and of general circulation in Wasatch County, once a week for three consecutive weeks prior to June 24, 1987, to-wit, on May 28, 1987, June 4, 1987, and June 11, 1987, the first of said publications having been

made not more than thirty-five (35) days nor less than twenty-one (21) days prior to the date of this hearing.

(b) That no territory contained within the boundaries of any other special service district organized and operating under the Act to provide drainage, flood control or transportation (roads) services is also contained within the proposed boundaries of the District.

(c) That no territory contained within the boundaries of any incorporated city or town or improvement district organized and operating under Title 17, Chapter 6, Utah Code Annotated, 1953, as amended, is also contained within the proposed boundaries of the District.

(d) That the following persons filed written protests against the establishment of the District, at or prior to this hearing, which written protests were not withdrawn prior to the adoption of this resolution:

<u>NAME</u>	<u>ADDRESS</u>
-------------	----------------

(e) That a public hearing on the establishment of the District and the furnishing of drainage, flood control and transportation services thereby was held and conducted by the Board as required by law and the resolution of May 13, 1987, giving notice thereof, on June 24, 1987, at 10:00 o'clock A.M. in the County Courthouse in Heber City, Utah, at which public hearing the Board gave full consideration to all protests which were filed and heard and considered all interested persons desiring to be heard.

(f) That after careful consideration of all factors involved and of all objections and protests, it has been and is hereby found, determined and declared that all property included within the boundaries of the District, as such boundaries are set out in the aforesaid resolution of May 13, 1987, and in Section 2 hereof, will be benefited by the water, drainage, flood control, garbage collection, transportation, street lighting, snow removal, sewage collection and contracting to provide sewage treatment services to be furnished by the District, and that all proceedings taken in establishing the District have been in compliance with law.

Section 2. That there is hereby established a special service district within Wasatch County to be known as "Mayflower Special Service District". The boundaries of the District shall be as follows:

See Attached Exhibit B

Section 3. That the District is created for the purpose of providing water, drainage, flood control, garbage collection, transportation, street

lighting, snow removal, sewage collection and contracting to provide sewage treatment services within the area included within its boundaries, through facilities acquired through construction, purchase, gift, lease, rental or condemnation or any combination thereof.

Section 4. That if by July 9, 1987, said date being fifteen (15) days after the conclusion of this hearing, fifty per cent (50%) of the qualified voters of the territory proposed to included within the District file written protests with the County Clerk against the establishment of the District, then pursuant to the provisions of Section 11-23-9, Utah Code Annotated, 1953, the establishment of the District shall be abandoned.

Section 5. That any person who, at or any time prior to the date and time of this hearing, filed a written protest with the County Clerk against the establishment of the District and whose property has been included within the boundaries of the District notwithstanding such protest, may, within 30 days after the adoption of this resolution, apply to the District Court of the Fourth Judicial District for a writ of review of the actions of the Board in establishing the District. Under Section 11-23-11, Utah Code Annotated, 1953, the only grounds upon which a person may apply for a writ of review are that his property will not be benefited by one or more of the types of services authorized to be furnished by the District or that the proceedings taken in the establishment of the District have not been in compliance with law.

A failure to apply for such writ of review within the prescribed time shall foreclose all owners of property within the District herein established from the right further to object thereto.

Section 6. That the District shall be a separate body politic and corporate and a quasi-municipal public corporation distinct from Wasatch County. Notwithstanding, the Board shall supervise and control all activities of the District, except that the Board may by resolution to be hereafter adopted delegate to an administrative control board established under Section 11-23-24, Utah Code Annotated, 1953, or to designated officers and employees (who may, but need not be, officers or employees of Wasatch County) the performance of any rights, powers and authority of the District, to the extent permitted by law. The District shall have all rights, powers and authority granted to such districts under the Utah Special Service District at, Title 11, Chapter 23, Utah Code Annotated, 1953.

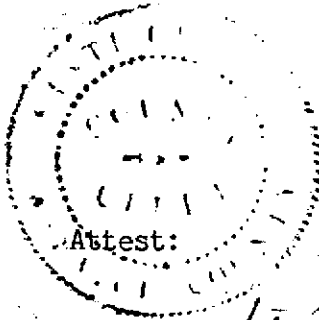

Section 7. That pursuant to the provisions of Chapter 12 of Title 11, Utah Code Annotated, 1953, as amended, the County Clerk shall file with the

State Tax Commission a certified copy of this resolution together with a certificate of the Chairman and Clerk of the Board that all of the necessary legal requirements relating to the establishment of the District have now been fully completed.

Section 8. That all acts and resolutions in conflict with this resolution or any part thereof are hereby repealed and this resolution shall be effective immediately upon its adoption and approval.

ADOPTED AND APPROVED this 24th day of June, 1987.
