**ARTICLE III
ANNEXATION TO COMMUNITY ASSOCIATION AREA**

Section 3.1 Property Which May Be Annexed

Declarant may, but shall in no way be required to, from time to time, unilaterally, add to the Community Association Area all or any portion of the Annexable Area. Delays in development or sale of the Privately Owned Sites, resulting from causes beyond the reasonable control of Declarant, shall not affect the right of Declarant to annex further property to the Community Association Area. In any event it shall be conclusively presumed that Declarant is reasonably progressing in the development of Privately Owned Sites if the first annexation proposed by Declarant under this Community Declaration is effected prior to the third (3rd) anniversary of the Recordation of this Community Declaration, and if any subsequent annexation proposed by Declarant hereunder is effected prior to the third (3rd) anniversary of the Recordation of the most recently Recorded Supplemental Declaration annexing a portion of the Annexable Area to the Community Association Area.

Section 3.2 Manner of Annexation

Real property (“Annexed Property”) within the Annexable Area, as defined above, may, from time to time, become part of the Community Association Area and subject to this Community Declaration effective upon the Recordation in the office of the Recorder of Utah County, Utah, of a Supplemental Declaration meeting the requirements hereinafter set forth. A Supplemental Declaration (a) shall be executed and acknowledged by the owner of the Annexed Property described therein; (b) shall, if the Annexed Property is not then owned by Declarant, contain the executed and acknowledged written consent of Declarant for so long as Declarant owns any property in the Project Area and has the power to annex additional property to the Community Association Area; (c) shall contain an adequate legal description of the Annexed Property; (d) shall contain a reference to this Community Declaration which shall state its date, its date of Recordation and the book and page of the Records of the Recorder of Utah County, Utah, where this Community Declaration is Recorded; (e) shall state the land classification (residential, commercial, industrial or otherwise) of the Annexed Property; (f) shall designate the assessment Area or Assessment Areas covered by the Supplemental Declaration; (g) shall contain a statement that the Annexed Property is declared to be part of the Community Association Area under this Community Declaration and that the Annexed Property shall be subject to this Community Declaration; (h) shall state whether the Owners of any Privately Owned Sites therein or other Persons shall be authorized to use any Recreation Cost Center; (i) shall designate in which Delegate District the Annexed Property is located; and (j) shall provide that Sites therein shall be subject to the jurisdiction of a Sub-Association or shall not be subject to the jurisdiction of a Sub-Association. A Supplemental Declaration may provide for phased annexation so that real property may be made subject to the Supplemental Declaration and this Community Declaration at different times. A deed by which Declarant conveys a parcel of property to another Person may constitute a Supplemental Declaration if it meets the foregoing requirements. A

Supplemental Declaration may impose on the Annexed Property described therein additional covenants, conditions, restrictions, limitations, reservations, exceptions, equitable servitudes and other provisions than those set forth in this Community Declaration, taking into account the unique and particular aspects of the proposed development of the Annexed Property covered thereby. A Supplemental Declaration may provide for a Sub-Association of Owners within the property described in the Supplemental Declaration and for the right of the Sub-Association to assess such Owners. Upon Recordation of a Supplemental Declaration, the Annexed Property shall be subject to all of the covenants, conditions, restrictions, limitations, reservations, exceptions, equitable servitudes and other provisions set forth in this Community Declaration, except to the extent specifically stated in the Supplemental Declaration. No annexation of Annexed Property by Declarant through a Supplemental Declaration shall have the direct effect of increasing the then current budgeted expenses for the Community Association by more than twenty percent (20%) or substantially overburdening the Community Association Properties. If any such annexation would have such effect, Declarant may nevertheless annex such Annexed Property so long as Declarant agrees to subsidize directly to the Community Association no less than the amount of any excess expenses over one hundred twenty percent (120%) of the then current budgeted expenses of the Common Association.

Section 3.3 FHA/VA Approval of Annexations

So long as the FHA or the VA is insuring or guaranteeing loans or has agreed to insure or guarantee loans on any portion of the Community Association Area, made with respect to the initial sales by Declarant of Residential Sites, then a condition precedent to such annexation by Declarant shall be that the Annexation be in accordance with the Development Guide, which shall theretofore have been approved by the FHA or the VA, in the manner set forth in Section 11.14 of this Community Declaration.

Section 3.4 Withdrawal of Annexed Property by Declarant

Annexed Property for which a Supplemental Declaration has been Recorded may be withdrawn from the Community Association Area and from this Community Declaration by Declarant to correct a surveyor error or other technical or clerical error or otherwise. Such withdrawal may be accomplished by the execution, acknowledgment and Recordation of a Notice of Withdrawal; provided that (i) no vote has then been exercised with respect to the Annexed Property to be withdrawn, and (ii) no Assessments to the Community Association have then commenced with respect to the Annexed Property to be withdrawn. The Notice of Withdrawal (a) shall be executed and acknowledged by the Owner of the Annexed Property; (b) shall, if the Annexed Property is not then owned by Declarant, contain the executed and acknowledged written consent of Declarant for so long as Declarant owns any property in the Project Area and has the power to Annex additional property to the Community Association Area; (c) shall contain an adequate legal description of the Annexed Property (d) shall contain a reference to the Supplemental Declaration for the Annexed Property which reference shall state the date thereof, the date of Recordation thereof and the book and page of the Records in the office of the Recorder of Utah County, Utah, where the Supplemental Declaration was Recorded; and (e) shall contain a statement and Declaration that the Annexed Property is withdrawn from the Community Association Area and shall not be thereafter subject to this Community Declaration or the Supplemental Declaration for the annexed Property. The withdrawal shall be effective upon Recording of the Notice of Withdrawal and, upon Recording of

the Notice of Withdrawal; the Annexed Property described therein shall no longer be part of the Community Association Area or subject to this Community Declaration or to the Supplemental Declaration for the Annexed Property.

Section 3.5 Expansion or Contraction of Annexable Area

The Annexable Area may be expanded or contracted to add or delete real property effective upon the Recordation of a written instrument, executed by Declarant, describing such real property and declaring that such real property shall thereafter be added to or deleted from the Annexable Area. No real property shall be added to the Annexable Area without a majority vote of the Board of Trustees voting at a meeting duly called (excluding any voting power of Declarant).

**ARTICLE IV
COMMUNITY ASSOCIATION OPERATION**

Section 4.1 Community Association

The Community Association has been or will be formed as a Utah corporation under the Utah Nonprofit Corporations Act. The Community Association shall have the duties, powers and rights set forth in this Community Declaration and in its Articles of Incorporation and By-laws. As more specifically set forth hereinafter, the Community Association shall have a Board of Trustees to manage its affairs; the Board of Trustees shall be elected by Delegates representing Delegate Districts within the Community Association Area, and Delegates shall be elected by Owners within each Delegate District, acting in their capacity as Members of the Community Association.

Section 4.2 Community Association Board of Trustees

The affairs of the Community Association shall be managed by a Board of Trustees. The number, term and qualifications of the Board of Trustees shall be fixed in the Articles of Incorporation and Bylaws. The Board of Trustees may, by resolution; delegate portions of its authority to an executive committee or to other committees, to officers of the Community Association but such delegation of authority shall not relieve the Board of Trustees of the ultimate responsibility for management of the affairs of the community Association. Action by or on behalf of the Community Association may be taken by the Board of Trustees or any duly authorized executive committee, officer, agent or employee without a vote of Members, except as otherwise specifically provided in this Community Declaration. The president of the Advisory Committee shall become a member of the Board once the Declarant ceases to own 500 Privately Owned Sites. The vice president of the Advisory Committee shall become a member of the Board once the Declarant ceases to own 1000 Privately Owned Sites. Upon the vacancy from the Board of the president or vice president of the Advisory Committee, the subsequent president or vice president, as the case may be, of the Advisory Committee shall fill the vacancy.

Section 4.3 Membership in Community Association

Each Owner of a Privately Owned Site within the Community Association Area shall be a Member of the Community Association. There shall be one Membership in the Community Association for each Privately Owned Site within the Community Association Area. The Person or Persons who constitute the Owner of a Privately Owned Site shall automatically be the holder of the Membership appurtenant to that Privately Owned Site, and the Membership appurtenant thereto shall

automatically pass with fee simple title to the Privately Owned Site. Declarant shall hold a Membership in the Community Association for each Privately Owned Site owned by Declarant. Membership in the Community Association shall not be assignable separate and apart from fee simple title to a Privately Owned Site except that an owner may assign some or all of his rights as an Owner and as Member of the Community Association to a tenant or Mortgagee and may arrange for a tenant to perform some or all of such Owner's obligations as provided in this Community Declaration, but no Owner shall be permitted to relieve himself of the responsibility for fulfillment of the obligations of an Owner under this Community Declaration.

Section 4.4 Establishment of Delegate Districts

The Community Association Area shall be divided into Delegate Districts, as hereinafter described, and each Delegate District shall elect one (1) Delegate to the community Association to exercise the voting power of all the Members in such Delegate District. If a Sub-Association is created by the Recordation of a Supplemental Declaration, then all of the Annexed Property within the jurisdiction of the Sub-Association shall constitute a Delegate District. In the event that there shall not be created a Sub-Association for any portion of the Annexed Property (as defined in Section 3.3 hereof), then the Delegate Districts shall be established by Declarant by the Recordation of one or more Supplemental Declarations or other written instruments signed by Declarant. Such Supplemental Declarations or other instruments shall contain legal descriptions of the portions of the Annexed Property which shall be or become part of a Delegate District and a statement that such real property described therein shall be or become part of a designated Delegate District for purposes of this Community Declaration.

Section 4.5 Voting Rights of Members

Each Member shall have the right to cast votes for the election of the Delegate to the Community Association to exercise the voting power of the Delegate District in which the Member's Privately Owned Site is located. If such Delegate District is within the Jurisdiction of a Sub-Association, then the Member shall have the same voting rights for the election of the Delegate from that Delegate District as are provided for the election of the Board of Trustee of the Sub-Association. If such Delegate District is not subject to the jurisdiction of a Sub-Association, then the Member shall have voting rights for the election of a Delegate to represent the Delegate District as follows. Within any such Delegate District without a Sub-Association there shall be Class A Members and Class B Members. Initially, Class A Members shall be all Members with the exception of Declarant, and each Class A Member shall be entitled to one (1) vote for each Privately Owned Site which he or it owns within the Delegate District. Declarant shall become a Class A Member, with regard to Privately Owned Sites owned by Declarant in any such Delegate District without a Sub-Association, as provided below. Declarant shall be the sole Class B Member. The Class B Member shall be entitled to one hundred (100) times the number of votes to which the Class B Member would have been entitled as a Class A Member in any Delegate District without a Sub-Association. As to any such Delegate District without a Sub-Association, the Class B Membership shall cease as to that Delegate District and be converted to a Class A Membership when the total votes outstanding in the Class A Membership for that Delegate District equal the total votes outstanding in the Class B Membership for that Delegate District or the Declarant ceases to be an Owner of a Privately Owned site. The Delegate to represent any Delegate District without a Sub-Association shall be elected by Members holding a majority of the voting power in such Delegate District. The Bylaws of the

Community Association shall provide for the manner, time, place, conduct, and voting procedures for Member meetings for the purpose of electing a Delegate in any such Delegate District.

Section 4.6 Voting Rights of Delegates

Each Delegate may cast one (1) vote for each Privately Owned Site which is subject to this Community Declaration and located in the Delegate District represented by such Delegate, except that in the case of a Privately Owned Site improved with residential apartments, the Delegate may cast one (1) whole vote for every three (3) apartment units located on the Site with a full vote assigned for any one (1) or two (2) apartments in lieu of casting any fractional votes. In no event, however, may the votes attributable to apartment units or other properties designed for residential rentals exceed forty-nine percent (49%) of the total votes of all Delegates. The Delegate may cast votes with respect to each Privately Owned Site only during such periods as the Owner of such Privately Owned Site may cast votes for the election of a Delegate as provided in the bylaws or in any Supplemental Declaration, whichever is applicable.

Each Delegate shall cast the votes which he represents in such manner as he may, in his sole discretion, deem appropriate, acting on behalf of all the Members owning Privately Owned Sites in his Delegate District; provided, however, that in the event that the Members in any Delegate District shall determine at any duly constituted meeting of the Members issue to be voted on by the Delegates, then the Delegate representing such Delegate District shall cast only as many votes as the Members in such Delegate District cast in person or by proxy in the exact proportion "for" and "against" such issue. If no quorum of the Members is present in person or by proxy to vote on any issue to be voted on by the Delegates, then the Delegate representing such Delegate District shall not cast any votes regarding such issue. A Delegate shall have the authority, in his sole discretion, to call a special meeting of the Members owning Privately Owned Sites in his Delegate District, in the manner provided in the Bylaws, for the purpose of obtaining instructions as to the manner in which he is to vote on any issue to be voted on by the Delegates. When a Delegate is voting in his own discretion, without instruction from the Members whom he represents, then such Delegate may cast all of the votes which he represents as a unit or such Delegate may apportion some of such votes in favor of a given proposition and some of such votes in opposition to such proposition. It will be conclusively presumed for all purposes of Community Association business that any Delegate casting votes on behalf of the Members owning Privately Owned Sites in his Delegate District will have acted with the authority and consent of all such Members. All agreements and determinations lawfully made by the Community Association in accordance with the voting procedures established herein, and in the Bylaws, shall be deemed to be binding on all Members, and their successors and assigns.

Section 4.7 Delegates as Advisory Committee for Recreation Cost Center

The Delegates representing those Members who are entitled to use any Recreation Cost Center shall act as an advisory committee to the Board, with respect to the operation and maintenance of such Recreation Cost Center. Such Delegates representing the applicable percentage of the Owners of such Privately Owned sites, may propose to the Board (a) rules and regulations respecting the use and operation of the Recreation Cost Center. The Board shall adopt any such proposal, unless it

determines, in its sole discretion, that the proposal, if adopted would substantially and adversely affect any Member or group of Members not represented by such Delegates. Those Delegates making any such proposal must represent a percentage of Owners of Privately Owned Sites, as applicable, which equals or exceeds the percentage set forth elsewhere in this Community Declaration for similar action or approvals by the Membership of the community Association at large.

Section 4.8 Delegates as Advisory Committee So Long as there is Class B Membership

The Delegates selected by the Members within a Delegate District shall act as an advisory committee to the Board, with respect to all matters that affect any members represented by the Delegates. The Advisory Committee may make any proposals or recommendations to the Board, but such proposals and recommendations are purely advisory in nature. The Advisory Committee shall establish officers, the president and vice president of which shall become members of the Board pursuant to section 4.2 of this Community Declaration. If at any time the president or vice president vacate their position as an officer or member of the Advisory Committee, then their membership on the Board also ceases. Likewise, if the president or vice president vacate their position on the Board, then they immediately cease to be officers and members of the Advisory Committee. The Advisory Committee shall cease upon termination of the Class B Membership.

Notwithstanding any delegation to a Manager of any duties, powers or functions of the Community Association, the Community Association and its Board of Trustees shall remain ultimately responsible for the performance and exercise of such duties, powers and functions. **ARTICLE VI
COMMUNITY ASSOCIATION PROPERTIES**

Section 6.1 Members' Rights of Use and Enjoyment Generally

Each Supplemental Declaration shall specify, in the manner set forth in Section 3.3 of this Community Declaration, which Members or other Persons may utilize which Community

Association Properties, or portions thereof, and the manner in which such Members shall contribute to the cost of operating and maintaining such Community Association Properties. All Members may use the Community Association Properties, unless otherwise provided in the Supplemental Declaration governing the Site of any such Member or in the Supplemental Declaration governing a particular Community Association Property, or both.

Section 6.2 Right of Association to Regulate Use

The Community Association, acting through the Board, shall have the power to regulate use of Community Association Properties by Members to further and enhance the overall rights of use and enjoyment of all Members, including imposing reasonable limits on the times of use and numbers of guests permitted to use Community Association Properties.

Section 6.3 Right of Association to Allow Public Use

The Community Association, acting through the Board, shall have the right to allow members of the general public to use Community Association Properties, subject to reasonable limitations, and provided that use by the general public does not unreasonably interfere with or impair the rights of use and enjoyment of Owners.

Section 6.4 No Partition of Community Association Properties

No Owner shall have the right to partition or seek partition of the Community Association Properties or any part thereof.

Section 6.5 Liability of Owners for Damage by Member

Each Member shall be liable to the Community Association for any damage to Community Association Properties or for any expense or liability incurred by the Community Association, to the extent not covered by insurance, which may be sustained by reason of the negligence or willful misconduct of such Member or any Person using the Community Association Properties through such Member and for any violation by such Member or any such Person of this Community Declaration or any Rule or Regulation adopted by the Community Association. The Community Association shall have the power, as elsewhere provided in this Declaration to levy and collect a Reimbursement Assessment against a Member, after Notice and Hearing, to cover the costs and expenses incurred by the Community Association on account of any such damage or any such violation of this Community Declaration or of such Rules and Regulations or for any increase in insurance premiums directly attributable to any such damage or any such violation.

Section 6.6 Association Duties if Damage, Destruction or Required Improvements

In the event of damage to Community Association Properties by fire or other casualty or in the event any governmental authority shall require any repair, reconstruction or replacement of any Community Association Properties, the Community Association shall have the duty to repair, reconstruct or replace the same. Any insurance proceeds payable by reason of damage or destruction of Community Association Properties by fire or other casualty shall be paid to the Community Association and shall be used, to the extent necessary, to pay the cost of repair, reconstruction or replacement. If funds from insurance proceeds or from reserves for replacement are insufficient to pay all costs of repair, reconstruction or replacement of Improvements damaged or destroyed, or if the Community Association is required to make repairs, replacements or Improvements by

governmental authorities, the Community Association may, in order to make up any deficiency in the insurance proceeds or to pay for the required repair, replacement or improvement, levy a Special Assessment in accordance with Section 8.31, or if a Member or group of Members is liable for such damage, levy a Reimbursement Assessment against the Member or group of Members responsible therefor, to provide the additional funds necessary as elsewhere provided in this Community Declaration. Repair, reconstruction or replacement of Community Association Properties shall be done under such contracting and bidding procedures as the Community Association shall determine are appropriate. If insurance proceeds available to the Community Association on account of damage or destruction exceed the cost of repair, reconstruction and replacement, the Community Association may use the same for future maintenance, repair Improvement and operation of other Community Association Properties; provided, however, that such excess shall be applied solely to a Recreation Cost Center if such damage or destruction occurs in such Recreation Cost Center.

Section 6.7 Association Powers in the Event of Condemnation

If any Community Association Properties or interests therein are taken under exercise of the power of eminent domain or by private purchase in lieu thereof, the award in condemnation or the price payable shall be paid to the Community Association, except to the extent payable to any other Person with an interest in such property including any Mortgagee of such property. The Community Association shall have the exclusive right to participate in such condemnation proceedings and to represent the interest of all Owners therein. Any award or funds received by the Community Association shall be held by the Community Association in the appropriate Maintenance Fund as determined by the Board, as a reserve for future maintenance, repair, reconstruction or replacement of Community Association Properties or may be used for Improvements or additions to, or operation of, Community Association Properties. However, if any award is attributable to a Recreation Cost Center, then the award shall be used solely for the benefit of the Improvements in such Recreation Cost Center. No Owner shall be entitled to participate as a party or otherwise in any condemnation proceedings.

To the extent the foregoing is not possible, the Community Association Properties shall be sold or disposed of and the proceeds from the sale or disposition shall be distributed to Members in proportion to the number of AFCA Units of each Member, as determined in Section 8.9 of this Community Declaration; provided, however, that the proceeds from the sale or disposition of any recreational facilities in a separate cost center shall be distributed to those Members entitled to use such facility in proportion to the number of RFCA Units of such Members.

**ARTICLE VII
DECLARANT'S RIGHTS AND RESERVATIONS**

Section 7.1 Period of Declarant's Rights and Reservations

Declarant shall have, retain and reserve certain rights as hereinafter set forth with respect to the Community Association and the Community Association Properties from the date hereof, until the time that all property in the Annexable Area has become part of the Community Association Area and the last Privately Owned Site within the Community Association Area has been sold and conveyed by Declarant. The rights and reservations hereinafter set forth shall be deemed accepted and reserved in each conveyance of property by Declarant to the Community Association whether or not specifically stated therein and in each deed or other instrument by which any property within the Community Association Area is conveyed by Declarant. The rights, reservations and easements hereinafter set forth shall be prior and superior to any other provisions of this Community Declaration and may not, without Declarant's prior written consent, be modified, amended, rescinded or affected by any amendment of this Community Declaration. Declarant's consent to any one such amendment shall not be construed as consent to any other or subsequent amendment.

Section 7.2 Right to Construct Additional Improvements on Community Association Properties

Declarant shall have and hereby reserves the right, but shall not be obligated to, construct additional Improvements on Community Association Properties at any time and from time to time in accordance with the Development Guide and this Community Declaration for the improvement and enhancement thereof and for the benefit of the Community Association and Owners, so long as such construction does not directly result in an increase in the then current and applicable Common Assessments by more than twenty percent (20%). Declarant shall convey or transfer such Improvements to the Community Association and the Community Association shall be obligated to accept title to, care for and maintain the same as elsewhere provided in this Community Declaration.

If any such Improvements are not completed when transferred to the Community Association, Declarant shall provide a bond or letter of credit (or other assurance as the Community Association and the government Mortgage Agencies may reasonably require) to assure that the cost thereof will be paid by Declarant and the Improvements completed free of liens and encumbrances relating to the construction of the Improvements.

Section 7.3 Declarant's Rights to Use Community Association Properties in Promotion and Marketing of Community Association Area

Declarant shall have and hereby reserves the right to reasonable use of Community Association Properties and of services offered by the Community Association in connection with the promotion and marketing of property within the boundaries of the Project Area. Without limiting the generality of the foregoing Declarant may erect and maintain on any part of the Community Association Properties for promotional purposes; and may permit prospective purchasers of property within the boundaries of the Project Area, who are not Owners or Members of the Community Association, to use Community Association Properties at reasonable times and in reasonable numbers; and may refer to the Community Association and to the Community Association Properties and services offered by the Community Association in connection with the development, promotion and marketing of property within the boundaries of the Project Area.

Section 7.4 Declarant's Rights to Complete Development of Project Area

No provision of this Community Declaration shall be construed to prevent or limit Declarant's rights to complete development of property within the boundaries of the Project Area; to construct or alter Improvements on any property owned by Declarant within the Project Area; or to post signs incidental to development, construction, promotion, marketing, sales or leasing of property within the boundaries of the Project Area. Nothing contained in this Community Declaration shall limit the right of Declarant or require Declarant to obtain approvals (a) to excavate, cut, fill or grade any property owned by Declarant or to construct, alter, demolish or replace any Improvements on any property owned by Declarant, or (b) to use any structure on any property owned by Declarant as a construction, model home or real estate sales or leasing office in connection with the sale of any property within the boundaries of the Project Area, or (c) to require Declarant to seek or obtain the approval of the Architectural Committee or of the Community Association for any such activity or Improvement to Property by Declarant on any property owned by Declarant. Nothing in this Community Declaration shall limit or impair the reserved rights of Declarant as elsewhere provided in this Community Declaration.

Section 7.5 Declarant's Approval of Conveyances or Changes in Use of Community Association Properties

Until Declarant has lost the right to appoint a majority of the members of the Architectural Committee, the Community Association shall not, without first obtaining the prior written consent of Declarant, which consent shall not be unreasonably withheld, convey, change or alter the use of Community Association Properties, mortgage the Community Association Properties or use Community Association Properties other than solely for the benefit of Members.

Section 7.6 Declarant's Rights to Grant and Create Easements

Declarant shall have and hereby reserves the right to grant or create temporary or permanent easement, for access, utilities, drainage, water and other purposes incident to development and sale of the Project Area, located in, on, under, over and across (a) Privately Owned Sites owned by Declarant and (b) Community Association Properties, provided that such easements do not create a permanent, unreasonable interference with the rights of the Owners. Declarant's right to grant or create easements in, on, under, over or across Community Association Properties shall be subject to the provisions of Section 11.14 of this Community Declaration.

Section 7.7 Declarant's Rights to Convey Additional Property to Community Association

Declarant shall have and hereby reserves the right, but shall not be obligated to, convey additional real property and Improvements thereon to the Community Association at any time and from time to time in accordance with the Developmental Guide and this Community Declaration, so long as any conveyance does not directly result in an increase in the then current and applicable Common Assessments by more than twenty percent (20%).

Section 7.8 Limitations Imposed by Government Mortgage Agencies

The exercise of the rights of Declarant reserved herein shall be subject to such reasonable requirements and limitations as may be imposed by Government Mortgage Agencies or other

governmental authorities having jurisdiction including any requirements for consent or approval by such Government Mortgage Agencies or Governmental authorities.

ARTICLE VIII ASSESSMENTS, BUDGETS AND FUNDS

Section 8.1 Maintenance Funds to be Established

The Community Association shall establish and maintain at least the following separate Maintenance Funds: (a) an Administrative Functions Operating Fund; (b) an Administrative Functions Reserve Fund; (c) a Recreation Functions Operating Fund for each Recreation Cost Center which has been completed and is available for use by Owners entitled to sue the same; (d) a Recreation Functions Reserve Fund for each such Recreation Cost Center; (e) a Public Functions Operating Fund when, if ever, the Community Association assumes any Public Function; and (f) a Public Functions Reserve Fund when, if ever, the Community Association assumes any Public Functions. Each of the Maintenance Funds shall be established as one or more trust savings or trust checking accounts at any financial institution in which deposits are insured by an agency of the federal government.

Section 8.2 Establishment of Other Funds

The Community Association may establish other funds as and when needed; for example, a fund for receipts and disbursements relating to service provided by the Community Association for a Sub-Association. Nothing herein shall limit, preclude or impair the authority of the Community Association to establish other funds for specified purposes authorized by this Community Declaration or by any Supplemental Declaration. If the Community Association establishes any additional funds, the Board shall designate an appropriate title for the fund to distinguish it from other funds maintained by the Community Association.

Section 8.3 Deposits of Common Assessments to Maintenance Funds

Monies received by the Community Association from Common Assessments shall be deposited in the Maintenance Funds in accordance with the following provisions: (a) there shall be deposited to the Administrative Functions Operating Fund that portion of Administrative Functions Common Assessments ("AFCAs") which, according to the Community Association Budget for the year, was budgeted for operating costs and expenses of the Administrative Functions; (b) there shall be deposited to the Administrative Functions Reserve Fund, that portion of AFCAs which were budgeted for the Reserve Fund for Administrative Functions, (c) there shall be deposited to each Recreation Functions Operating Fund that portion of Recreation Function Common Assessments ("RFCAs") received from Owners entitled to use a Recreation Cost Center which was budgeted for operating costs and expenses of that Recreation Cost Center; (d) there shall be deposited to each Recreation Function Reserve Fund that portion of RFCAs received from Owners entitled to use a Recreation Cost Center which was budgeted for the Reserve Fund for that Recreation Cost Center; (e) there shall be deposited to the Public Functions Operating Fund, if any, that portion of Public Functions Common Assessments ("PFCAs"), if any, budgeted for operating costs and expenses of the Public Function; and (f) there shall be deposited to the Public Functions Reserve Fund, if any, that portion of the PFCAs, if any, budgeted for the Reserve Fund for Public Functions.

Section 8.4 Other Deposits to Maintenance Funds

The Community Association shall deposit monies received by the Community Association from sources other than Common Assessments in the Maintenance Fund determined by the Board of Trustees to be most appropriate. For example, Reimbursement Assessments shall be deposited to the Maintenance Fund from which the costs and expenses were or will be paid which form the basis for the Reimbursement Assessment; Special Assessments for capital repairs, maintenance, replacement and Improvements shall be deposited to the Reserve Fund from which such capital costs have been or will be paid; and insurance proceeds for damage to, or condemnation awards for the taking of, a Recreation Cost Center shall be deposited to the Reserve Fund for that Facility. Interest and late charges received on account of delinquent assessments may be allocated among the Maintenance funds in the Same Proportions as the delinquent assessments were allocated or, at the discretion of the Board of Trustees, may be allocated to any one or more of the Maintenance Funds or other funds.

Section 8.5 Disbursements from Maintenance Funds

All amounts deposited in the Maintenance funds shall be used solely for the common benefit of all the Members for purposes authorized by this Community Declaration. Disbursements from particular Maintenance Funds shall be limited to specified purposes as follows: (a) disbursements from the Administrative Functions Operating Fund may be made for such purposes as are necessary or proper under this Community Declaration, except those purposes for which disbursements are to be made from other Maintenance Funds as follows; (b) disbursements from the Administrative Functions Reserve Fund shall be made solely for purposes of funding those Administrative Functions which cannot be expected to recur on an annual or more frequent basis; (c) disbursements from a Recreation Function Operating Fund shall be made solely for the purpose of operating the particular Recreation Cost Center for which the Fund was created; (d) disbursements from a Recreation Functions Reserve Fund shall be made solely for the purposes of repairs, replacements, painting and other restorative work to the particular Recreation Cost Center for which the Fund was created; (e) disbursements from the Public Functions Operating Fund, if any, shall be made solely for the purpose of Providing Public Functions for Members, other than disbursements for which disbursements from the Public Functions Reserve Fund are to be used; and (f) disbursements from the Public Functions Reserve Fund, if any, shall be made solely for the purpose of repairs, replacement, painting and other restorative work to those Improvements on the Community Association Properties which are used by the Community Association in Providing Public Functions to Members.

Section 8.6 No Commingling of Maintenance Funds

The Community Association shall not commingle any amounts deposited in any one Maintenance Fund or other fund with amounts deposited in any other Maintenance Fund or other fund.

Section 8.7 Authority for Disbursements

The Board shall have the authority to make or to authorize an agent to make disbursements of any monies in the Maintenance Funds.

See Section 5.8

Section 8.8 Common Assessments

For each calendar year, the Community Association shall levy Common Assessments against Owners of the Privately Owned Sites. The Common Assessments shall include: (a) the AFCAs; (b) any RFCAs necessary for any Recreation Cost Center; and (c) the PFCAs when, if ever, the Community Association assumes any Public Functions. Each Owner shall be obligated to pay the common Assessments levied against, and allocated to, such Owner and the Privately Owned Site of such Owner as hereinafter more particularly set forth. To the extent that a Sub-Association levies its own assessments to satisfy needs that would have been paid for by the Common Assessment, that Sub-Association shall receive a credit which shall be offset against the Common Assessment levied against the Owners of Residential Sites in the Sub-Association. The amount of the credit shall be equal to the amount of the Common Assessment that did not need to be expended due to the Sub-Association's own efforts, unless the Board of Trustees, in its sole discretion, deems another method of calculation to be appropriate.

Section 8.9 Apportionment of Administrative Functions Common Assessments

For purposes of the AFCAs, each Privately Owned Site shall constitute one (1) AFCA Unit regardless of the size, value, location or use of such Privately Owned Site. The amount of the AFCA for any year, payable by an Owner for the Privately Owned Site of such Owner, shall be computed by multiplying the total amount to be raised by AFCAs for that year, as shown in the Community Association budget for that year, by a percentage (rounded to the nearest one-tenth of one percent (0.1%)), derived from a fraction, the numerator of which is one (1) and the denominator which is the total number of Privately Owned Sites (i.e., AFCA Units) in the Community Association Area as of the first day of that calendar year.

Section 8.10 Obligation for Recreation Function Common Assessments - How Established

If the Owner of any Privately Owned Site is to be obligated to pay an RFCA with respect to any Recreation Cost Center, the Supplemental Declaration covering the Privately Owned Site shall: (a) identify the Recreation Cost Center, if existing, or describe the same in general terms, if proposed; (b) identify the Privately Owned Sites covered by the Supplemental Declaration which are entitled to use and which shall be obligated to pay RFCAs with respect to such Recreation Cost Center; and (c) specify the number of RFCA Units which shall be assigned to each Privately Owned Site. RFCA Units shall be assigned in a Supplemental Declaration in accordance with the following provisions. A residential Site other than a Residential Site improved or designed to be improved as a residential apartment shall, in all cases, be assigned one (1) RFCA Unit for every three (3) apartment units located on such Residential Site (with a full RFCA Unit assigned for any extra one (1) or two (2) apartments in lieu of assigning any fractional RFCA Units). It is not anticipated that Owners of Commercial Sites, Industrial Sites or Miscellaneous Use Sites will be entitled to use any Recreation Cost Center, but a Supplemental Declaration covering any such Site may provide otherwise, in which case the Supplemental Declaration shall specify the number of RFCA Units which shall be assigned to each such Site which shall, in no case, be less than one (1) RFCA Unit for each such Site.

Section 8.11 Apportionment of Recreation Function Common Assessments

No Owner or Privately Owned Site shall be charged with any RFCA unless the Supplemental Declaration covering such Site provides, as stated in the preceding Section of this Community Declaration, that the Site is entitled to use a Recreation Cost Center and specifies the number of

RFCA Units assigned to that Site. If a Site and an Owner are to be charged with a RFCA, the amount of the RFCA for any year payable by the Owner for the Privately Owned Site shall be computed by multiplying the total amount to be raised by the RFCA for that Recreation Cost Center for that year, as shown on the Community Association Budget for that year, by a percentage (rounded to the nearest one-tenth of one percent (0.1%), derived from a fraction, the numerator of which is the number of RFCA Units assigned to that Site and the denominator of which is the total number of RFCA Units in the Community Association Area as of the first day of that calendar year which RFCA Units are assigned to Sites entitled to use the pertinent Recreation Cost Center.

Section 8.12 Apportionment of Public Functions Common Assessments

If the Community Association ever assumes any Public Functions, the amount of the PFCA's for any year, payable by an Owner for a Privately Owned Site, shall be computed by multiplying the total amount to be raised by PFCA's for that year, as shown in the Community Association Budget for that year by a percentage (rounded to the nearest one-tenth of one percent (0.1%) derived from a fraction, the numerator of which shall be the Imputed Market Value ("IMV"), as defined below, of the Privately Owned Site and the denominator of which is the aggregate of all imputed Market Values of all Privately Owned Sites in the Community Association Area as of the first day of that calendar year.

Section 8.13 Determination of Imputed Market Value

The Imputed Market Value of each Residential Site in each Delegate District shall be determined by dividing the aggregate or sum of the Actual Market Values ("AMV"), as hereinafter defined, of all Residential Sites in that Delegate District by the number of Residential Sites in such Delegate District. Thus, the Imputed Market Value of all Residential Sites in a single Delegate District shall always be equal. The Imputed Market Value of each Commercial Site, Industrial Site, or Miscellaneous Use Site shall be equal to the Actual Market Value, as hereinafter defined, of such Site, unless the Supplemental Declaration covering such Site specifies a different method of determining the Imputed Market Value of such Site.

Section 8.14 Initial Determination of Actual Market Value

The Actual Market Value of any Privately Owned Site shall initially be the actual sales price of Privately Owned Site by Declarant to its first Owner or, if not yet sold by Declarant, the price at which Declarant is offering to sell such Privately Owned site.

Section 8.15 Re-determination of Actual Market Value

The Actual Market Value of such Privately Owned Site shall be determined annually as of each June 30 ("Re-determination Date") of the calendar year preceding the calendar year for which PFCAs, if any, are to be made. The re-determinations of Actual Market Values shall be made as provided in the following sections.

Section 8.16 Re-determination Based on Recent Sales Price

If a Privately Owned Site has been sold during the twelve (12) month period preceding the Re-determination Date, and if the sales price is determinable and in a bona fide sale, the Actual Market Value of the Privately Owned Site, as of the Re-determination Date, shall be the sales price in the most recent such sale in the twelve (12) months prior to the Re-determination Date. "Sales Price"

shall mean the price for the Site, including the Improvements and fixtures on the Site, but excluding any price for personal property if Separately stated.

Section 8.17 Re-determination if No Recent Sales Price

If a Privately Owned Site has not been sold during the twelve (12) month period preceding the Re-determination Date, or if there was such a sale but the sales price is not determinable or was not in a bona fide sale, then the Actual Market Value of the Privately Owned Site as of the Re-determination Date shall be the sales price in the most recent sale for which a bona fide sales price is determinable adjusted upward or downward in the same proportion by which the "Index", as hereinafter defined, for June of the year of the Re-determination Date has increased or decreased over the Index of the calendar year in which such most recent sale occurred. The "Index" shall be the index number for the month of June of the applicable year for the item "Home ownership" under the heading "Shelter" under the general category "Housing" of the "Consumer Price Index for the Salt Lake Area, Urban Wage Owners - Clerical Workers (1982-1984=100)", issued by the United States Bureau of Labor Statistics in its monthly report entitled "The Consumer Price Index U. S. City Average and Selected Areas". In the event that the Index is discontinued, then the Board shall substitute an index which, in the reasonable opinion of the Board, is most nearly identical to the Index as defined above.

Section 8.18 Re-determination if New Construction

If new Improvements or new construction (other than mere replacement or restoration of existing Improvements or construction) are completed on a Privately Owned Site subsequent to the most recent sale for which a bona fide sales price is determinable, the cost of such Improvements or construction, as determined by the Community Association, shall be added to such sales price for purposes of re-determining Actual Market Value. The total of said sales price plus the cost of Improvements or construction shall be the price used in re-determinations under Section 8.17 above.

Section 8.19 Funding of Reserve Funds

The Board, in budgeting and levying assessments, shall endeavor, whenever possible, to fund the Administrative Functions Reserve Fund, each Recreation Function Reserve Fund and the Public Functions Reserve fund, if any, by regularly scheduled payments, included as part of the Common Assessments, rather than by large Special Assessments. Unless the Board finds and determines that it is not necessary, as to a particular Reserve Fund in a given year, the AFCA, each RFCA and the PFCA, if any, shall include a component for funding of these Reserve Funds.

Section 8.20 Supplemental Common Assessments

Subject to the provisions of Section 8.26 hereof, if the estimated sums prove inadequate for any reason, including nonpayment of any Owner's Common Assessment, the Board may, from time to time, levy a supplemental Common Assessment for any of the Maintenance Funds. Such Supplemental Common Assessment shall be assessed against the Owner of each Privately Owned Site, in the same manner Common Assessments are originally assessed each year by the Board with respect to the particular Maintenance Fund. Written notice of any change in the amount of any

annual Common Assessment shall be sent to every Owner subject thereto, not less than thirty (30) days prior to the effective date of such change.

Section 8.21 Limitation on AFCA's and PFCA's

The Board of Trustees shall not levy an AFCA or a PFCA in any calendar year which is greater than one hundred twenty percent (120%) of the respective Common Assessment in the preceding calendar year, except with the approval of two-thirds of the Delegates voting at a meeting duly called (exclusive of voting power exercisable by Declarant). Notwithstanding the foregoing, a PFCA shall not require the approval of Delegates if such PFCA is levied at a rate which does not exceed sixty dollars (\$60.00) per ten thousand dollars (\$10,000) of IMV of the Privately Owned Sites.

Section 8.22 Annual Budgets

The Board of Trustees shall cause to be prepared, at least sixty (60) days prior to the commencement of each calendar year, a Budget for such calendar year, including a reasonable provision for contingencies and deposits into the Administration Functions, Recreation Functions and Public Functions Reserve Funds. The Budget shall show, in reasonable detail, the categories of expenses and the amount of expenses in each Maintenance Fund, and shall reflect any expected income of the Community Association for the coming calendar year and any expected surplus from the prior year and any existing surplus in any Reserve Fund. The Budget may include an amount for contingencies and amounts deemed necessary or desirable for deposits to create, replenish or add to the proper Reserve Fund for major capital repairs, replacements and improvements for Association Properties. The Board shall cause a copy of the Budget to be distributed to each Delegate promptly after the Budget is prepared and approved by the Board and shall cause a copy of the Budget to be distributed to each Delegate promptly after the Budget is prepared and approved by the Board and shall cause a copy of the Budget to be posted at the principal office of the community Association. In the event the Community Association does not have an address for any Delegate, such posting shall be deemed delivered to any such Delegate. At such time as the Community Association publishes a newsletter for members, the budget shall be published in such newsletter. Copies of the Budget shall be made available by the Community Association to any Members requesting a copy of the same upon payment of the reasonable expense of copying the same.

Section 8.23 No Disbursements to Abate Adjoining Nuisances

Nothing in this Community Declaration shall be construed so as to permit the Community Association to use any Assessments to abate any annoyance or nuisance emanating from outside the physical boundaries of the Community Association area.

Section 8.24 Assessment for Unsold Sites

Declarant, for so long as Declarant retains title to a Privately Owned Site, whether improved or unimproved, and provided that no portion of the Site has been used or occupied for residential, commercial or industrial purposes, shall be exempt from the payment of any Assessment against such Privately Owned Site.

Section 8.25 Maximum Administrative Functions and Recreation Functions Common Assessments

The Community Association shall not levy, for any year, an AFCA in excess of the Maximum AFCA hereinafter specified. The Maximum AFCA shall be at the rate of eighty two dollars (\$82.00) per AFCA Unit per year until January 1, 2000, increased for 2001 and each year thereafter by the percentage increase in the Index described in Section 8.17 during the twelve (12) months ending in September of the year preceding the year in which the AFCA is to be paid. The Maximum RFCA for each Residential Site subject to an RFCA shall be set forth in the Supplemental Declaration covering such Residential Site.

If the Board of Trustees, by majority vote, determines that the important and essential functions of the Community Association may be properly funded by a Common Assessment less than the Maximum AFCA or RFCA, it may levy such lesser AFCA or RFCA. Subject to the provisions of Section 8.21 of this Community Declaration, the levy of an AFCA or RFCA less than the Maximum AFCA and Maximum RFCA in any year shall not affect the right of the Board to levy an AFCA or RFCA in the full amount of the respective Maximum AFCA or RFCA in any subsequent year.

Section 8.26 Supplemental Administrative Functions and Recreation Functions Common Assessments

Subject to the provisions of Section 8.21 of this Community Declaration, if the Board levies an AFCA or RFCA in an amount less than the Maximum AFCA or applicable Maximum RFCA for any calendar year, the Board by majority vote may thereafter levy one or more supplemental AFCAs or RFCAs during such calendar year. If it determines that the important and essential functions of the Community Association cannot be funded by such lesser AFCA or applicable RFCA. In no event shall the sum of the initial and supplemental AFCA or applicable RFCA, as the case may be, for a calendar year exceed the Maximum AFCA or applicable Maximum RFCA permitted for that year.

Section 8.27 Delegate Approval of Increase in Maximum Common Assessment

If the Board of Trustees, by majority vote, determines that the important and essential functions of the Community Association will not be properly funded in any one (1) year by the amount of the Maximum Common Assessment, it may increase the Maximum Common Assessment each year not more than eight percent (8%) above the Maximum Common Assessment for the previous year without a vote of the Delegates. The Maximum Common Assessment may be increased above the foregoing eight percent (8%) by a vote of two-thirds of the Delegates voting at a meeting duly called for this purpose.

Section 8.28 Commencement of Common Assessments- Assessment Areas

Subject to the provisions of Section 8.24 of this Community Declaration, Common Assessments shall commence as to each Privately Owned Site within an Assessment Area on the first day of the first month following the date of Recordation of the first deed conveying a Privately Owned Site within that Assessment Area. The Common Assessments for the then current calendar year shall be prorated within an Assessment Area on the basis of the number of months in such calendar year remaining from the date of commencement of such Common Assessments to the end of such calendar year.

Section 8.29 Payment of Assessment

Common Assessments shall be due and payable in advance to the Community Association by the assessed Member during the calendar year in equal semi-annual installments, on or before January 1 and July 1 of each calendar year, or in such other manner and on such other dates as the Board of Trustees may designate in its sole and absolute discretion. Notice of the amount of the Common Assessments shall be given to each Member prior to January 1 of each year.

Section 8.30 Failure to Fix Assessment

The failure by the Board of Trustees to levy an Assessment for any year shall not be deemed a waiver or modification with respect to any of the provisions of this Community Declaration or a release of the liability of any Member to pay Assessments, or any installment thereof, for that or any subsequent year. In the event of such failure, the amount of the Common Assessment for that year shall be the sum of the amount of the PFCA computed in accordance with Section 8.12 hereof, plus the amount of the Maximum AFCA and the amount of the applicable Maximum RFCA computed in accordance with Section 8.25 hereof.

No abatement of the Common Assessment or any other Assessment shall be claimed or allowed for inconvenience or discomfort arising from the making of repairs or Improvements to Community Association Properties or from any action taken to comply with any law or any determination of the Board of Trustees or for any other reason.

Section 8.31 Special Assessment for Capital Expenditures

In addition to Common Assessments, the Board of Trustees may, subject to the provisions of this Section, levy Special Assessments for the purpose of raising funds, not otherwise provided under the Budget from common Assessments, to construct or reconstruct, repair or replace capital Improvements upon Community Association Properties, including necessary personal property related thereto; to add to the Community Association Properties; to provide for necessary facilities and equipment to offer the services authorized in this Community Declaration; or to repay any loan made to the Community Association to enable it to perform the duties and functions authorized in this Community Declaration. The Board of Trustees shall not levy Special Assessments without the two-thirds vote of Delegates voting at a meeting duly called and representing the Owners of Privately Owned Sites subject to the Special Assessment. Special Assessments for capital improvements which may be used by all Members of the Community Association shall be levied solely on the basis of, and in proportion to, the AFCA Units attributable to Privately Owned Site of the Members. Special Assessments for capital Improvements relating to a Recreation Cost Center which may not be used by all Members shall be levied solely against the Member or group of Members who own Privately Owned Sites entitled to use the Recreational Cost Center and such Special Assessments shall be levied solely on the basis of, and in proportion to, the RFCA Units attributable to such Sites. The Community Association shall notify Members in writing of the amount of any Special Assessment and of the manner in which, and the dates on which, any such Special Assessment is payable and the Members shall pay any such Special Assessment in the manner so specified. In the event that the Board shall levy a Special Assessment, the Board shall specify whether the Special Assessment is to provide Public Functions, Recreation Functions or Administrative Functions and the Special Assessment shall be apportioned accordingly.

Section 8.32 Reimbursement Assessments

The Board of Trustees may, subject to the provisions hereof, levy an Assessment against any Member if the willful or negligent failure of the Member or a Person claiming through the Member to comply with this Community Declaration, the Articles of Incorporation, the Bylaws or the Rules and Regulations shall have resulted in the expenditure of the funds to be expended by the Community Association to cause such compliance. Such assessment shall be known as a Reimbursement Assessment and shall be levied only after Notice and Hearing. The amount of the Reimbursement Assessment shall be due and payable to the Community Association thirty (30) days after notice to the Member of the decision of the Board of Trustees that the Assessment is owing.

Section 8.33 Late Charges and Interest

If any Common Assessment, Special Assessment or Reimbursement Assessment or any installment thereof is not paid within thirty (30) days after it is due, the Member obligated to pay the Assessment may be required to pay a reasonable late charge to be determined by the Board. Any Assessment or installment of an Assessment which is not paid within thirty (30) days after the date of any Notice of Default given under Section 8.35 and prior to the Recordation of a Notice of Lien under Section 8.38 hereof shall bear interest from the date of Recordation of the Notice of Lien at the highest rate then established by statute in Utah for interest on damages for personal injury or on judgments in other actions, whichever is higher, but in no event less than eight percent (8%) per annum simple interest.

Section 8.34 Attribution of Payments

If any installment of a Common Assessment payment is less than the amount assessed and the payment does not specify the Maintenance Fund or Funds into which it should be deposited, the receipt by the Association from that Owner shall be credited in the following order of priority: (a) to the Public Functions Reserve Fund until that portion of the PFCA has been satisfied, (b) to the respective Recreation Functions Reserve Fund until that portion of the RFCA has been satisfied, (c) to the Administrative Functions Reserve Fund until that portion of the AFCA has been satisfied, (d) to the Public Functions Operating Fund until that portion of the PFCA has been satisfied. (e) to the respective Recreation Functions Operating Fund until that portion of the Applicable RFCA has been satisfied and (f) to the Administrative Functions Operating Fund. In each of the foregoing cases, receipts shall be credited first to interest, attorneys' fees and other costs of collection, and next to principal reduction, satisfying the oldest obligations first followed by more current obligations, in accordance with the foregoing order of priority.

Section 8.35 Notice of Default and Acceleration of Assessments

If any Common Assessments, Special Assessments or Reimbursement Assessments or any installment thereof, or any fine is not paid within thirty (30) days after its due date, the Board of Trustees may mail a notice of default to the Owner and to each first Mortgagee of the Privately Owned Site who has requested a copy of the notice. The notice shall specify (a) the fact that the installment or fine is delinquent; (b) the action required to cure the default; (c) a date, not less than thirty (30) days from the date the notice is mailed to the Member, by which such default must be cured; and (d) that failure to cure the default on or before the date specified in the notice may result in acceleration of the balance of the Assessment or the installments of the Assessment for the then current calendar year and the filing and foreclosure of the lien for the fine or Assessment against the

Privately Owned Site of the Member. The notice shall further inform the Member of any right to cure the default after acceleration and of any right to bring a court action to assert the nonexistence of a default or any other defense of the Member. If the delinquent fine, Assessment or installment and any late charges, interest, or attorney fees are not paid in full on or before the date specified in the notice, the Board, at its option, may declare the fine or all of the unpaid balance of the Assessment to be immediately due and payable without further demand and may enforce the collection of the fine or full Assessment and all charges, interest, and attorney fees thereon in any manner authorized by law in this Community Declaration, subject to the protection afforded to Mortgagees under this Community Declaration.

Section 8.36 Remedies to Enforce Assessments

Each Assessment levied hereunder shall be a separate, distinct and personal debt and obligation of the Owner or Member against whom the same is assessed. In the event of a default in payment of any Assessment or installment thereof, whether Common, Special or Reimbursement, the Board may, in addition to any other remedies provided under this Community Declaration or by law, enforce such obligation on behalf of the Community Association by suit or by filing and foreclosure of a lien as hereinafter provided.

Section 8.37 Lawsuit to Enforce Assessments

The Board may bring a suit at law to enforce any Assessment obligation. Any judgment rendered in such action shall include any late charge, interest, and other costs of enforcement, including reasonable attorney fees, in the amount as the court may adjudge, against the defaulting Owner or Member.

Section 8.38 Lien to Enforce Assessments

The Board may also elect to file a claim of lien against the Privately Owned Site of the delinquent Owner or Member by Recording a notice ("Notice of Lien") setting forth (a) the amount of the claim of delinquency, (b) the interest and costs of collection which have accrued thereon, (c) the legal description and street address of the Privately Owned Site against which the lien is claimed and (d) the name of the Record Owner thereof. Such Notice of Lien shall be signed and acknowledged by an officer of the Community Association or other duly authorized agent of the Community Association.

The lien shall continue until the amounts secured thereby and all subsequently accruing amounts are fully paid or otherwise satisfied. When all amounts claimed under the Notice of Lien and all other costs and assessments which may have accrued subsequent to the filing of the Notice of Lien have been fully paid or satisfied, the Community Association shall execute and Record a notice releasing the lien upon payment by the Owner of a reasonable fee as fixed by the Board of Trustees to cover the cost of preparing and Recording the release of the lien. Unless paid or otherwise satisfied, the lien may be foreclosed in the manner for foreclosure of Mortgages in the State of Utah.

Section 8.39 Estoppel Certificates

Upon the payment of such reasonable fee as may be determined from time to time by the Board of Trustees, and upon the written request of any Member and any Person with, or intending to acquire, any right, title or interest in the Privately Owned Site of such Member, the Association shall furnish a written statement setting forth the amount of any Assessments or other amounts, if any, due and accrued and then unpaid with respect to a Privately Owned Site and the Owner thereof and setting

forth the amount of any Assessment levied against such Site which is not yet due and payable. Such statement shall, with respect to the Person to whom it is issued, be conclusive against the Community Association and all Persons for all purposes, that no greater or other amounts were then due or accrued and unpaid and that no other Assessments have been levied.

Section 8.40 No Offsets

All Assessments shall be payable in the amounts specified in the levy thereof, and no offsets or reductions thereof shall be permitted for any reason including, without limitation, any claim that the Community Association or the Board of Trustees is not properly exercising its duties and powers under this Community Declaration.

**ARTICLE IX

All real property within the Community Association Area shall be held, used and enjoyed subject to the following limitations and restrictions, and subject to the exemptions of Declarant set forth in this Community Declaration. The strict application of the following limitations and restrictions in any specific case may be modified or waived in whole or in part by the Architectural Committee if such strict application would be unreasonable or unduly harsh under the circumstances. The decision of the Design Review Committee shall be promptly transmitted to the Applicant at the address furnished by the Applicant to the Design Review Committee.

After approval of any proposed Improvement to Property, the proposed Improvement to Property shall be accomplished as promptly and diligently as possible and in complete conformity with the description of the proposed Improvement to Property, any materials submitted to the Design Review Committee in connection with the proposed Improvement to Property and any conditions imposed by the Design Review Committee. Failure to complete the proposed Improvement to Property within one (1) year after the date of approval or to complete the Improvements to Property in accordance with the description and materials furnished to, and the conditions imposed by, the Design Review Committee, shall constitute noncompliance with the requirements for approval of Improvements to Property.

Section 10.14 Notice of Completion

Upon completion of the Improvement to Property, the Applicant may give written Notice of Completion to the Design Review Committee. Until the Date of receipt of such a Notice of Completion, the Design Review Committee shall not be deemed to have notice of completion of such Improvement to Property.

Section 10.15 Inspection of Work

Applicant. The notice shall specify the particulars of the noncompliance and shall require the Applicant to take such action as may be necessary to remedy the noncompliance.

Section 10.17 Failure of Committee to Act After Completion

If, for any reason other than the Applicant's act or neglect the Design Review Committee fails to notify the Applicant of any noncompliance within thirty (30) days after receipt by the Design Review Committee of written Notice of Completion from the Applicant, the Improvement to Property shall be deemed in compliance if the Improvement to Property was, in fact, completed as of the date of Notice of Completion.

Section 10.18 Appeal to Association Board of Finding of Noncompliance

If the Design Review Committee gives any notice of noncompliance, the Applicant may appeal to the Board of Trustees by giving written notice of such appeal to the Board and the Design Review Committee within thirty (30) days after receipt of the notice of noncompliance by the Applicant. If, after a notice of noncompliance, the Applicant fails to commence diligently to remedy such noncompliance, the Design Review Committee shall request a finding of noncompliance by the Board of Trustees by giving written notice of such request to the Community Association and the Applicant within thirty (30) days after delivery to the Applicant of a notice of noncompliance from the Design Review Committee. In either event, the Board of Trustees or a Tribunal appointed pursuant to the Bylaws shall hear the matter in accordance with the provisions of the Bylaws for Notice and Hearing, and the Board shall decide whether or not there has been such noncompliance and, if so, the nature thereof and the estimated cost of correcting or removing the same.

Section 10.19 Correction of Noncompliance

If the Board of Trustees determines that a noncompliance exists, the Applicant shall remedy or remove the same within a period of not more than forty-five (45) days from the date of receipt by the Applicant of the ruling of the Board of Trustees. If the Applicant does not comply with the Board ruling within such period, the Board may, at its option, record a Notice of Noncompliance against the real property on which the noncompliance exists, may remove the noncomplying Improvement to Property or may otherwise remedy the noncompliance, and the Applicant shall reimburse the Community Association, upon demand, for all expenses incurred therewith. If such expenses are not promptly repaid by the Applicant or Owner to the Community Association, the Board may levy a Reimbursement Assessment against the Owner of the Privately Owned Site for such costs and expenses. The right of the Community Association to remedy or remove any noncompliance shall be in addition to all other rights and remedies which the Community Association may have at law, in equity, or under this Community Declaration.

Section 10.20 No Implied Waiver or Estoppel

No action or failure to act by the Design Review Committee or by the Board of Trustees shall constitute a waiver or estoppel with respect to future action by the Design Review Committee or the Board of Trustees with respect to any improvement to property. Specifically, the approval by the Design Review Committee of any Improvement to Property shall not be deemed a waiver of any right or an estoppel to withhold approval or consent for any similar Improvement to Property or any similar proposals, plans, specifications or other materials submitted with respect to any other Improvement to Property.

Section 10.21 Committee Power to Grant Variances

The Design Review Committee may authorize variances from compliance with any of the provisions of this Community Declaration or any Supplemental Declaration or the Design Guidelines, including restrictions upon height, size, floor area or placement of structures or similar restrictions, when circumstances such as topography, natural obstructions, hardship, aesthetic or environmental considerations may require. Such variances must be evidenced in writing and shall become effective when signed by at least a majority of the members of the Design Review Committee. If any such variance is granted, no violation of the provisions of this Community Declaration or any Supplemental Declaration shall be deemed to have occurred with respect to the matter for which the variance was granted; provided, however, that the granting of a variance shall not operate to waive any of the provisions of this Community Declaration or any Supplemental Declaration for any purpose except as to the particular property and particular provision hereof covered by the variance, nor shall the granting of any variance affect the jurisdiction of any architectural control of a Sub-Association or committee created by a Supplemental Declaration, nor shall the granting of a variance affect in any way the Owner's obligation to comply with all governmental laws and regulations affecting the property concerned, including, but not limited to, the Development Guide and zoning ordinances and setback lines or requirements imposed by any governmental authority having jurisdiction.

Section 10.22 Compensation of Members

Members of the Design Review Committee may receive compensation for services rendered and reimbursement for out of pocket expenses incurred by them in the performance of their duties hereunder. Compensation is to be determined by the Board of Trustees.

Section 10.23 Meetings of Committee

The Design Review Committee shall meet from time to time as necessary to perform its duties hereunder. The Design Review Committee may, from time to time, by resolution in writing adopted by a two-thirds majority of the members, designate a Committee Representative (who may, but need not, be one of its members) to take any action or perform any duties for or on behalf of the Design Review Committee, except the granting of approval to any Improvement to Property and granting of variances. The action of such Committee Representative within the authority of such Committee Representative or the written consent or the vote of a two-thirds majority of the members of the Architectural Committee shall constitute action of the Design Review Committee.

Section 10.24 Records of Actions

The Design Review Committee shall report in writing to the Board of Trustees all final action of the Design Review Committee and the Board shall keep a permanent record of such reported action.

Section 10.25 Estoppel Certificates

The Board of Trustees shall, upon the reasonable request of any interested party and after confirming any necessary facts with the Design Review Committee, furnish a certificate with respect to the approval or disapproval of any Improvement to Property or with respect to whether any Improvement to Property was made in compliance herewith. Any Person, without actual notice to the contrary, shall be entitled to rely on said certificate with respect to all matters set forth therein.

Section 10.26 Non-liability for Committee Action

There shall be no liability imposed on the Design Review Committee, any member of the Committee, any Committee Representative, the Community Association, any member of the Board of Trustees or Declarant for any loss, damage or injury arising out of or in any way connected with the performance of the duties of the Design Review Committee unless due to the willful misconduct or bad faith of the party to be held liable. In reviewing any matter, the committee shall not be responsible for reviewing, nor shall its approval of an Improvement to Property be deemed approval of the Improvement to Property from the standpoint of safety, whether structural or otherwise, or conformance with building codes or other governmental laws or regulations.

Section 10.27 Construction Period Exception

During the course of actual construction of any permitted structure or Improvement to Property, and provided construction is proceeding with due diligence, the Design Review Committee may temporarily suspend the provisions contained in this Community Declaration as to the property upon which the construction is taking place to the extent necessary to permit such construction; provided that, during the course of any such construction, nothing is done which will constitute a nuisance or unreasonable interference with the use and enjoyment of other property.

SILVERLAKE AT EAGLE MOUNTAIN
MASTER HOMEOWNER'S ASSOCIATION, INC.****I. GENERAL****1.1 Purpose of Bylaws**

These Bylaws are adopted for the regulation and management of the affairs of SILVERLAKE AT EAGLE MOUNTAIN MASTER HOMEOWNER'S ASSOCIATION, INC.. ("Community Association"). The Community Association has been organized as a Utah Corporation under the Utah Nonprofit Corporation Act to be and constitute the Community Association under the Community Declaration for SilverLake, L.C. (Declarant). The Community Declaration relates to real property in Eagle Mountain, Utah which becomes annexed and subject to the Community Declaration ("Community Association Area").

1.2 Terms Defined in Community Declaration

Terms used in these Bylaws which are defined in the community Declaration shall have the same meaning and definition as in the Community Declaration.

1.3 Controlling Laws and Instruments

These Bylaws are controlled by and shall always be consistent with the provisions of the Utah Nonprofit Corporation Act, the Community Declaration and the Articles of Incorporation of the Community Association filed with the Division of Corporations and Commercial Code, State of Utah, as any of the foregoing may be amended from time to time.

II. OFFICES**2.1 Principal Office**

The Board of Trustees, in its discretion, may fix and may change, from time to time, the location of the principal office of the Community Association provided that, at such time as suitable quarters can reasonably be obtained within the Community Association Area in Eagle Mountain, Utah, the principal office of the corporation shall be located within the Community Association Area.

2.2 Registered Office and Agent

The Utah Nonprofit Corporation Act requires that the Community Association have and continuously maintain in the State of Utah a registered office and a registered agent whose business office is identical with such registered office. The registered office need not be the same as the principal office of the Community Association. The initial registered office and the initial registered agent are specified in the Articles of Incorporation of the Community Association but may be changed by the Community Association at any time, without amendment to the Articles of Incorporation, by filing a statement as specified by law in the Office of the Secretary of State of Utah.

III. MEMBERS

3.1 Members

A "Member", as defined in the Community Declaration, is the Person, or if more than one, all Persons collectively, who constitute the Owner of a Privately Owned Site within the Community Association Area.

3.2 Memberships Appurtenant to Sites

Each Membership shall be appurtenant to the fee simple title to a Privately Owned Site. The Person or Persons who constitute the Owner of fee simple title to a Privately Owned Site shall automatically be the holder of the Membership appurtenant to that Privately Owned Site and the Membership shall automatically pass with fee simple title to the Privately Owned Site.

3.3 Voting Rights of Members

Each Member shall have the right to cast votes for the election of a Delegate to the Community Association to exercise the voting power of the Delegate District in which the Member's Privately Owned Site is located. The Supplemental Declaration by which property is annexed to the Community Association Area shall define the Delegate District within which each Privately Owned Site is located and shall state whether or not the Delegate District is to be governed by a Sub-Association. If a Delegate District is governed by a Sub-Association, then Members shall have the same voting rights for the election of a Delegate from that Delegate District as for the election of a member of the Board of Trustees of the Sub-Association. If the Delegate District is not governed by the Sub-Association, then Members in that Delegate District shall have voting rights for the election of a Delegate to represent the Delegate District as provided in the following section of these Bylaws.

3.4 Class A and Class B Members Votes

Within any Delegate District without a Sub-Association, there shall be Class A Members and Class B Members. Initially, Class A Members shall be all Members with the exception of Declarant, and each Class A Member shall be entitled to one vote for each Privately Owned Site which he or it owns within the Delegate District. Declarant shall become a Class A Member, with regard to Privately Owned Sites owned by Declarant in any such Delegate District without a Sub-Association, upon the conversion of Declarant's Class B Membership to Class A Membership as provided below. Declarant shall be the sole Class B Member. The Class B Member shall be entitled to one hundred times the number of votes to which the Class B Member would have been entitled as a Class A Member. As to any such Delegate District without a Sub-Association, the Class B Membership shall cease as to that Delegate District and be converted to a Class A Membership when the total votes outstanding in the Class A Membership for that Delegate District equal the total votes outstanding in the Class B Membership for the Delegate District.

3.5 Voting by Joint Owners

If there is more than one person who constitutes the Owner of a Privately Owned Site, each such Person shall be entitled to attend any meeting of Members of a Delegate district but the voting power attributable to the Privately Owned Site shall not be increased. In all cases in which more than one Person constitutes the Owner of a Privately Owned Site, including instances in which a Privately Owned Site is owned by a husband and wife, then unless written notice to the contrary, signed by any

one of such Persons, is given to the Board of Trustees of the Community Association prior to the meeting, any one such Person shall be entitled to cast, in person or by proxy, the vote attributable to the Privately Owned Site. If, however, more than one Person constituting such Owner attends a meeting in person or by proxy, and seeks to cast the vote attributable to the Site, then the act of those Persons owning a majority in interest in such a Privately Owned Site shall be entitled to cast the vote attributable to such Privately Owned Site.

3.6 Resolution of Voting Disputes

In the event of any dispute as to the entitlement of any Member to vote or as to the results of any vote of Members at a meeting of a Delegate District, the Board of Trustees of the Community Association shall act as arbitrators and the decision of a disinterested majority of the Board of Trustees shall, when rendered in writing, be final and binding as an arbitration award and may be acted upon, provided however, that the Board of Trustees shall have no authority or jurisdiction to determine matters relating to the manner of exercise by Declarant of its voting rights.

3.7 Suspension of Voting Rights

The Board of Trustees may suspend, after Notice and Hearing, the voting rights of a Member during and for up to 60 days following any breach by such Member or a Related User of such Member of any provision of the Community Declaration or of any Rule or Regulation adopted by the Community Association.

3.8 Transfer of Memberships on Association Books

Transfers of Memberships shall be made on the books of the Community Association only upon presentation of evidence, satisfactory to the Community Association, of the transfer of ownership of the Privately Owned Site to which the Membership is appurtenant. Prior to presentation of such evidence, the Community Association may treat the previous owner of the membership as the owner of the Membership entitled to all rights in connection therewith, including the rights to vote and to receive notice.

IV. MEETINGS OF MEMBERS

4.1 Delegate Districts with Sub-Association

Matters relating to meetings of Members within a Delegate District which is governed by a Sub-Association may be governed by the Bylaws of the Sub-Association. Except to the extent contrary to or inconsistent with the Bylaws of the Sub-Association, the following sections of these Bylaws shall be applicable to meetings of Members within a Delegate District which is governed by a Sub-Association. The Bylaws of the Sub-Association shall in any event, provide for an annual meeting of Members to elect a Delegate to the Community Association and for the holding of such annual meeting within the time periods specified hereinafter for annual meetings of Members in Delegate Districts.

4.2 Delegate Districts Without a Sub-Association

The following sections of these Bylaws shall govern matters relating to meetings of Members in Delegate Districts not governed by a Sub-Association.

4.3 Place of Member's Meetings

Meetings of Members in a Delegate District shall be held at the principal office of the Community Association or at such other place, within or convenient to the Community Association Area, as may be fixed by the Board of Trustees and specified in the notice of the meeting.

4.4 Annual Meetings of Members

Annual meetings of the Members shall be held in March of each year beginning in March of 1999 on such day in March and at such time of day as is fixed by the Board of Trustees and specified in the notice of meeting. The annual meetings in each Delegate District shall be held to elect a Delegate from that Delegate District and to transact such other business as may properly come before the meeting.

4.5 Special Meetings of Members

Special meetings of the Members in any Delegate District may be called by the Delegate representing the Delegate District, the Board of Trustees of the Community Association or by Members holding not less than 5% of the total votes of all Members in the Delegate District, including votes of Declarant. No business shall be transacted at a special meeting of Members except as indicated in the notice thereof.

4.6 Record Date

For the purpose of determining Members entitled to notice of, or to vote at, any meeting of Members in any Delegate district or in order to make a determination of such Members for any other proper purpose, the Board of Trustees of the Community Association may fix, in advance, a date as the record date for any such determination of Members. The record date shall be not more than 50 days prior to the meeting of Members or the event requiring a determination of Members.

4.7 Notice of Member's Meetings

Written notice stating the place, day and hour of any meeting in any Delegate District shall be delivered not less than 10 or more than 50 days before the date of the meeting, either personally or by mail, by or at the direction of the President or the Secretary of the Community Association or the officers or persons calling the meeting, to each Member entitled to vote at such meeting. The notice of an annual meeting shall include the names of any known candidate for Delegate and shall identify any other matter which it is known may come before the meeting. The notice of a special meeting shall state the purpose or purposes for which the meeting is called. If mailed, such notice shall be deemed to be delivered when deposited in the United States mail addressed to the Member at his address as it appears on the records of the Community Association, with postage thereon prepaid. Such notice may be posted in a conspicuous place in the Community Association Area, such as on a notice board outside the principal office of the Community Association, and such notice shall be deemed to be delivered to any Member upon such posting if such Member has not furnished an address for mailing of notice to the Community Association.

4.8 Proxies

A Member entitled to vote in any Delegate District may vote in person or by Proxy executed in writing by the Member or his duly authorized attorney-in-fact and filed with the Chairman of the meeting prior to the time the proxy is exercised. Any proxy may be revocable by attendance of a Member in person at a meeting or by revocation in writing filed with the Chairman of the meeting prior to the time the proxy is exercised. A proxy shall automatically cease upon the conveyance by a Member of the Privately Owned site of the Member and the transfer of the Membership on the books of the Association. No proxy shall be valid after 11 months from the date of its execution unless otherwise provided in the proxy and no proxy shall be valid in any event for more than three years after its date of execution. Any form of proxy furnished or solicited by the community Association and any form of written ballot furnished by the Community Association shall afford an opportunity thereon for Members to specify a choice between approval and disapproval of each matter or group of related matters which is known at the time the form of proxy or written ballot is prepared, may come before the meeting and shall provide, subject to reasonably specified conditions, that if a Member specifies a choice with respect to any such matter, the vote shall be cast in accordance therewith.

4.9 Quorum at Members' Meetings

Except as may be otherwise provided in the Community Declaration, the Articles of Incorporation or these Bylaws, and except as hereinafter provided with respect to the calling of another meeting, the presence, in person or by proxy, of Members entitled to cast at least 66% of the votes of all Members in any Delegate District shall constitute a quorum at any meeting of such Members. Members present in person or by proxy at a duly organized meeting may continue to transact business until adjournment, notwithstanding the withdrawal of Members so as to leave less than a quorum.

4.10 Adjournments of Members Meetings

Members present in person or by proxy at any meeting may adjourn the meeting from time to time, whether or not a quorum shall be present in person or by proxy, without notice other than announcement at the meeting, for a total period or periods of not to exceed 30 days after the date set for the original meeting. At any adjourned meeting which is held without notice other than announcement at the meeting, the quorum requirement shall not be reduced or changed, but if the originally required quorum is present in person or by proxy, any business may be transacted which might have been transacted at the meeting as originally called.

4.11 Vote Required at Members' Meetings

At any meeting of a Delegate District, if a quorum is present, a two-thirds majority of the votes present in person or by proxy and entitled to be cast on a matter shall be necessary for the adoption of the matter, unless a greater proportion is required by law, the community Declaration, the Articles of Incorporation or these Bylaws. Notwithstanding anything to the contrary in the Community Declaration, the Articles of Incorporation or these Bylaws, at any meeting of a Delegate District called for the purpose of electing Delegates or Trustees, a quorum shall constitute a majority of the Members entitled to cast votes, in person or by proxy, and, if a quorum is present, a majority of the votes present in person or by proxy and entitled to be cast shall be necessary for the election of a Delegate or Trustee.

4.12 Cumulative Voting Not Pertinent

Since only one Delegate is to be elected from any Delegate District, cumulative voting in an election for a Delegate is not pertinent and is therefore not applicable.

4.13 Order of Business

The order of business at any meeting of Members of a Delegate District shall be as follows: (a) roll call to determine the voting power represented at the meeting; (b) proof of notice of meeting or waiver of notice; (c) reading of minutes of preceding meeting; (d) report of the Delegate of the Delegate District; (e) election of inspectors of election (at annual meetings or special meetings held for the election of a Delegate); and (f) election of a Delegate (at annual meetings or special meetings held for such purpose).

4.14 Officers of Meetings

At any meeting of a Delegate District, the Members present shall select a Chairman and Secretary of the meeting.

4.15 Certification of Election After Meeting

Promptly after any meeting of Members to elect a Delegate, the Chairman of the meeting shall certify in writing to the Community Association the name and address of the Delegate elected, the Delegate District which the Delegate represents and the time and place of the meeting at which the Delegate was elected.

4.16 Expenses of Meetings

The Community Association shall be the expenses of all meetings of Members in Delegate Districts without a Sub-Association and of special meetings of Members in Delegate Districts governed by a Sub-Association which are held to elect a Delegate or to instruct a Delegate as to the manner in which he is to vote on any issue.

4.17 Waiver of Notice

A waiver of notice of any meeting of Members of a Delegate District, signed by a Member, whether before or after the meeting, shall be equivalent to the giving of notice of the meeting to such Member. Attendance of a Member at a meeting, either in person or by proxy, shall constitute waiver of notice of such meeting except when the Member attends for the express purpose of objecting to the transaction of business because the meeting is not lawfully called or convened.

4.18 Action of Members Without a Meeting

Any action required to be taken or which may be taken at a meeting of Members in a Delegate District may be taken without a meeting if a consent, in writing, setting forth the action so taken, shall be signed by all of the Members entitled to vote with respect to the subject matter thereof.

V. DELEGATES

5.1 Delegates

A "Delegate", as defined in the Community Declaration, is the natural person selected by Members within a Delegate District to represent such Delegate District and to cast votes on behalf of Members

within such Delegate District. The Delegates so selected constitute the "members" of the Community Association, as that term is used in the Utah Nonprofit Corporation Act, notwithstanding the fact that, in the Community Declaration and these Bylaws, the Owners of Privately Owned Sites are referred to and designated as Members.

5.2 Voting Rights of Delegates

Each Delegate shall have one vote for each Privately Owned Site which is subject to the Community Declaration and is located in the Delegate District represented by such Delegate except that, in the case of a Privately Owned Site improved with residential apartments, the Delegate shall have one whole vote for each three apartment units located on the Site with a full vote assigned for any extra one or two apartments in lieu of assigning any fractional votes. The Delegate may cast votes with respect to each Privately Owned Site except for any Privately Owned Site as to which the voting right of the Member owning the Privately Owned Site has been suspended. Each Delegate may cast the votes which he represents in such manner as he may, in his sole discretion, deem appropriate, acting on behalf of all of the Members owning Privately Owned Sites in the Delegate District provided, however, that, in the event that the Members in any Delegate District shall determine, at any duly constituted meeting of the Members of such Delegate District, to instruct their Delegate as to the manner in which he is to vote on any issue to be voted on by the Delegates, then the Delegate representing such Delegate District shall cast only as many votes as the Members in such Delegate District cast in person or by proxy in the exact proportion "for" and "against" such issue. If no quorum of the Members is present in person or by proxy to vote on any issue to be voted on by the Delegates, then the Delegate representing such Delegate District shall not cast any votes regarding such issue. When a Delegate is voting in his own discretion, without instruction from the Members whom he represents, then such Delegate may cast all of the votes which he represents as a unit or such Delegate may apportion some of such votes in favor of a given proposition and some of such votes in opposition to such proposition. It shall be conclusively presumed for all purposes that any Delegate casting votes on behalf of Members owning Privately Owned Sites in his Delegate District will have acted with the authority and consent of all such Members.

5.3 Qualifications of Delegates

A Delegate must be an Owner of a Privately Owned Site within the Community Association Area or, if the Owner of any such Site is a partnership or corporation, must be an authorized agent of such partnership or corporation. If a Delegate conveys or transfers title to his Privately Owned Site, or if a Delegate who is an authorized agent of a partnership or corporation ceased to be such authorized agent, or if the partnership or corporation of which a Delegate is an agent transfers title to its Privately Owned Site, such Delegate's term as Delegate shall immediately terminate and a new Delegate shall be elected as promptly as possible to take such Delegate's place. A Delegate may be re-elected and there shall be no limit on the number of terms a Delegate may serve.

5.4 Term of Office of Delegates

Each Delegate elected at an annual meeting of Members in a Delegate District shall continue in office until the next annual meeting of the Delegate District or until his successor is elected, whichever is later, unless such Delegate resigns, is removed or his term of office terminates because he is no longer qualified to be a Delegate.

5.5 Removal of Delegates

At any meeting of Members of a Delegate District, the notice of which indicates such purpose, the Delegate representing that Delegate District may be removed, with or without cause, by a vote of the majority of the votes of Members present at such meeting in person or by proxy and a successor may be then and there elected to fill the vacancy thus created.

5.6 Resignation of Delegates

Any Delegate may resign at any time by giving written notice to the President, to the Secretary or to the Board of Trustees of the Community Association stating the effective date of such resignation. Acceptance of such resignation shall not be necessary to make the resignation effective.

5.7 Vacancies in Delegates

Any vacancy occurring in the office of a Delegate shall, unless filled in accordance with Section 5.5, be filled at a special meeting, called for such purpose, of Members of the Delegate District represented by such Delegate. A Delegate elected to fill a vacancy shall be elected for the unexpired term of his predecessor in office.

VI. MEETINGS OF DELEGATES

6.1 Place of Delegate Meetings

Meetings of Delegates shall be held at the principal office of the Community Association or at such other place, within or convenient to the Community association Area, as may be fixed by the Board of Trustees and specified in the notice of the meeting.

6.2 Annual Meetings of Delegates

Annual meetings of Delegates shall be held in April of each year beginning in April of 1999, on such day in April and at such time of day as fixed by the Board of Trustees and specified in the notice of meeting. The date in April for the annual meeting shall be fixed by the Board of Trustees so that it shall be at least 10 days after the last of the annual meetings of Delegate Districts in that year and so that notice of the meeting, in accordance with these Bylaws, may be given to the Delegates elected at the annual meetings of Delegate Districts. Annual meetings of Delegates shall be held to elect trustees of the Community Association and to transact such other business as may properly come before the meeting.

6.3 Special Meetings of Delegates

Special Meetings of Delegates may be called by the Board of Trustees or by Delegates representing at least 15% of the total voting power of Delegates. No business shall be transacted at a special meeting of Delegates except as indicated in the notice thereof.

6.4 Record Date

For the purpose of determining Delegates entitled to notice of, or to vote at, any meeting of Delegates, or in order to make a determination of such Delegates for any other proper purpose, the Board of Trustees of the Community Association may fix, in advance, a date as the record date for any such determination of Delegates. The record date shall not be more than 50 days prior to the meeting of Delegates or the event requiring a determination of Delegates.

6.5 Notice of Delegates' Meetings

Written notice stating the place, day and hour of any meeting of Delegates shall be delivered not less than 10 or more than 50 days before the date of the meeting, either personally or by mail, by or at the direction of the President or the Secretary of the Community Association or the officers or persons calling the meeting, to each Delegate entitled to vote at such meeting. The notice of an annual meeting shall include the names of any known candidates for Trustee and shall identify any other matter which it is known may come before the meeting. The notice of a special meeting shall state the purpose or purposes for which the meeting is called. If mailed, such notice shall be deemed to be delivered when deposited in the United States mail addressed to the Delegate at his address as it appears on the records of the Community Association, with postage thereon paid. Such notice may be posted in a conspicuous place in the Community Association Area, such as on a notice board outside of the principal office of the Community Association and such notice shall be deemed to be delivered to any Delegate upon such posting if such Delegate has not furnished an address for mailing of notice to the Community Association.

6.6 Proxies

A Delegate shall not be entitled to vote by proxy at any meeting of Delegates.

6.7 Quorum at Delegates' Meetings

Except as may be otherwise provided in the Community Declaration, the Articles of Incorporation or these Bylaws, and except as hereinafter provided with respect to the calling of another meeting of Delegates, the presence of Delegates entitled to cast at least 66% of the votes of all Delegates shall constitute a quorum at any meeting of Delegates. Delegates present at a duly organized meeting of Delegates may continue to transact business until adjournment, notwithstanding the withdrawal of Delegates so as to leave less than a quorum.

6.8 Adjournments of Delegates' Meetings

Delegates present at any meeting of Delegates may adjourn the meeting from time to time, whether or not a quorum shall be present, without notice other than an announcement at the meeting, for a total period or periods of not to exceed 30 days after the date set for the original meeting. At any adjourned meeting which is held without notice other than announcement at the meeting, the quorum requirement shall not be reduced or changed, but if the originally required quorum is present, any business may be transacted which might have been transacted at the meeting as originally called.

6.9 Vote Required at Delegates' Meetings

At any meeting of Delegates, if a quorum is present, a two-thirds majority of the votes present in person and entitled to be cast on a matter shall be necessary for the adoption of the matter, unless a greater proportion is required by law, the Community Declaration, the Articles of Incorporation or these Bylaws.

6.10 Cumulative Voting Permitted

Cumulative voting by Delegates in the election of Trustees shall be permitted. Each Delegate may cumulate his votes by giving one candidate a number of votes equal to the product of the number of votes which the Delegate has the right to cast multiplies by the number of Trustees to be elected or by distributing votes on the same principle among any number of candidates.

6.11 Order of Business

The order of business at all meetings of Delegates shall be as follows: (a) roll call to determine the voting power represented at the meeting; (b) proof of notice of meeting or waiver of notice; (c) reading of minutes of preceding meeting; (d) reports of officers; (e) reports of committees; (f) election of inspectors of election (at annual meetings or special meetings held for the election of Trustees); (g) election of Trustees (at annual meetings or special meetings held for such purpose); (h) unfinished business; and (i) new business.

6.12 Officers of Meetings

The President of the Community Association shall act as chairman and the Secretary of the Community Association shall act as secretary of any meetings of Delegates. In the absence of the President, the Vice President, the Secretary or the Treasurer, in that order, shall act as chairman of the meeting. In the absence of the Secretary, any Assistant Secretary, the Treasurer, or any Assistant Treasurer, in that order, shall act as secretary of the meeting.

6.13 Waiver of Notice

A waiver of notice of any meeting of Delegates, signed by a Delegate, whether before or after the meeting, shall be equivalent to the giving of notice of the meeting to such Delegate. Attendance of a Delegate at a meeting of Delegates shall constitute waiver of Notice of Such meeting except when the Delegate attends for the express purpose of objecting to the transaction of business because the meeting is not lawfully called or convened.

6.14 Action of Delegates Without a Meeting

Any action required to be taken or which may be taken at a meeting of Delegates, may be taken without a meeting if a consent, in writing, setting forth the action so taken, shall be signed by all of the Delegates.

6.15 Members Right to Attend

Any Member of a Delegate District shall be entitled to attend any Meeting of Delegates.

VII. BOARD OF TRUSTEES**7.1 General Powers and Duties of Board**

The Board of Trustees shall have the duty to manage and supervise the affairs of the Community Association and shall have all powers necessary or desirable to permit it to do so. Without limiting the generality of the foregoing, the Board of Trustees shall have the power to exercise or cause to be exercised for the Association, all of the powers, rights and authority of the community Association not reserved to Members in the Community Declaration, the Articles of Incorporation, these Bylaws or the Utah Non-Profit Corporation Act.

7.2 Special Powers and Duties of Board

- a) **Assessments.** The duty to fix and levy from time to time Common Assessments, Special Assessments, and Reimbursement Assessments upon the Members of the Community Association as provided in the Community Declaration; to determine and fix the due date for the payment of such Assessments and the date upon which the same shall become delinquent; and to enforce the payment of such delinquent assessments as provided in the Community Declaration.
- b) **Insurance.** The duty to contract and pay premiums for fire and casualty and blanket liability and other insurance in accordance with the provisions of the Community Declaration.
- c) **Community Association Property.** The duty to contract for and pay bills for maintenance, legal service, accounting service, gardening, common utilities and other materials, supplies and services relating to the Community Association Properties, and to employ personnel necessary for the care and operation of the Community Association Properties, and to contract and pay for necessary improvements on the Community Association Properties.
- d) **Agents and Employees.** The power to select, appoint, and remove all officers, agents, and employees of the Community Association and to prescribe such powers and duties for them as may be consistent with law, with the Articles of Incorporation, the Community Declaration and these bylaws; and to fix their compensation and to require from them security for faithful service as deemed advisable by the Board.
- e) **Borrowing.** The power, with the approval of Delegates representing at least two-thirds of the voting power of the Community Association (exclusive of the voting power of the Declarant), to borrow money and to incur indebtedness for the purposes of the Community Association, and to cause to be executed and delivered therefor, in the Community Association's name, promissory notes, bonds, debentures, mortgages, pledges, hypothecations or other evidences of debt and securities therefore.
- f) **Enforcement.** The power to enforce the provisions of the Community Declaration, the Rules and Regulations, these Bylaws or other agreements of the Community Association.
- g) **Delegation of Powers.** The power to delegate its powers according to law.

7.3 Qualifications of Trustees

A Trustee must be an Owner of a Privately Owned Site within the Community Association Area or, if the Owner of any such Site is a partnership or corporation, must be an authorized agent of such partnership or corporation. If a Trustee conveys or transfers title to his Privately Owned Site, or if a Trustee who is an authorized agent of a partnership or corporation ceases to be such authorized agent, or if the partnership or corporation of which a Trustee is an agent transfers title to its Privately Owned Site, such Trustee's term as Trustee shall immediately terminate and a new Trustee shall be selected as promptly as possible to take such Trustee's place. A Trustee may be re-elected and there shall be no limit on the number of terms a Trustee may serve.

7.4 Number of Trustees

The number of Trustees of the Community Association shall be five (5) except that, until the first annual meeting of Delegates, the number of Trustees shall be three. The number of Trustees may be increased or decreased from time to time by amendment to these bylaws provided that the number of Trustees shall not be less than three and no decrease in number shall have the effect of shortening the term of any incumbent trustee.

7.5 Term of Office of Trustees

The initial Trustees named in the Articles of Incorporation shall hold office until the first annual meeting of Delegates. New trustees shall then be elected and at each annual meeting thereafter, up to two new trustees shall be elected. Trustees shall continue in office for two consecutive years until their second annual meeting of Delegates or until their successors have been elected, whichever is later, unless a Trustee resigns, is removed or his term of office terminates because he is no longer qualified to be a Trustee.

7.6 Removal of Trustees

At any meeting of Delegates, the notice of which indicates such purposes, any Trustee may be removed, with or without cause, by vote of a majority of the Delegates and a successor may be then and there be elected to fill the vacancy this created. No Trustee who was elected based on the exercise of cumulative voting rights shall be removed if the votes against his removal would have been sufficient, if cast at the meeting at which he was elected, to have elected him as a Trustee.

7.7 Resignation of Trustees

Any Trustee may resign at any time by giving written notice to the President, to the Secretary or to the board of Trustees stating the effective date of such resignation. Acceptance of such resignation shall not be necessary to make the resignation effective.

7.8 Vacancies in Trustees

Any vacancy occurring in the Board of Trustees shall, unless filled in accordance with Section 7.6, Section 4.2 of the Community Declaration, or by election at a special meeting of Delegates, be filled by the affirmative vote of a majority of the remaining trustees, though less than a quorum of the Board of Trustees. A Trustee elected or appointed to fill a vacancy shall be elected or appointed for

the unexpired term of his predecessor in office. A Trusteeship to be filled by reason of an increase in the number of Trustees shall be filled only by vote of the Delegates.

7.9 Executive Committee

The Board of Trustees, by resolution adopted by a majority of the Trustees in office, may designate and appoint an Executive Committee, which shall consist of three or more Trustees and which, unless otherwise provided in such resolution, shall have and exercise all the authority of the Board of Trustees except authority with respect to those matters specified in Utah Nonprofit corporation Act as matters which such committee may not have and exercise the authority of the Board of Trustees.

7.10 Other Committees of Association

The Board of Trustees, by resolution adopted by a majority of the Trustees in office, may designate and appoint one or more other committees, which may consist of or include Members or Delegates who are not Trustees. Any such committee shall have and exercise such authority as shall be specified in the resolution creating such committee except such authority as can only be exercised by the Board of Trustees.

7.11 General Provisions Applicable to Committee

The designation and appointment of any committee and the delegation thereto of authority shall not operate to relieve the board of Trustees, or any individual Trustee, of any responsibility imposed upon it or him by law.

The provisions of these Bylaws with respect to notice of meeting, waiver of notice, quorums, adjournments, vote required and action by consent applicable to meetings of Trustees shall be applicable to meetings of committees of the Board of Trustees.

7.12 Manager or Managing Agent

The Board of Trustees, by resolution adopted by a majority of the Trustees in office, shall, at or as reasonable possible after the first annual meeting of the Board of Trustees, designate and appoint a manager or a managing agent, or both, which manager or managing agent shall have and exercise those powers and shall fulfill those duties of the Board of Trustees as shall be specified in any such resolution. Any such resolution may delegate all or substantially all of the powers and duties of the Board of Trustees to any such manager or managing agent, shall not be relieved of its responsibilities under the Declaration.

VIII. MEETING OF TRUSTEES

If mailed, such notice shall be deemed to be delivered at 5:00 p.m. on the second business day after it is deposited in the mail addressed to the Trustee at his home or business address as either appears on the records of the Association, with postage thereon prepaid. If telegraphed, such notice shall be deemed delivered at 5:00 p.m. on the next calendar day after it is deposited in a telegraph office addressed to the Trustee at either such address, with all charges thereon prepaid. If by telephone, such notice shall be deemed to be delivered when given by telephone to the Trustee or to any person answering the phone who sounds competent and mature at this home or business phone number as either appears on the records of the Community Association. If given personally, such options shall be deemed to be delivered upon delivery of a copy of a written notice to, or upon verbally advising, the Trustee or some person who appears competent and mature at his home or business address as either appears on the records of the Community Association.

Neither the business to be transacted at, nor the purpose of, any regular or special meeting of the Board of Trustees need be specified in the notice or waiver of such meeting.

At any adjourned meeting which is held without notice other than announcement at the meeting which is held without notice other than announcement at the meeting, the quorum requirement shall not be reduced or changed, but if the originally required quorum is present, any business may be transacted which may have been transacted at the meeting as originally called.

8.9 Vote Required at Trustee's Meeting

At any meeting of Trustees, if a quorum is present, a majority of the votes present in person and entitled to be cast on a matter shall be necessary for the adoption of the matter, unless a greater proportion is required by law, the Community Declaration, the Articles of Incorporation or these Bylaws.

8.10 Order of Business

8.12 Waiver of Notice

A waiver of notice of any meeting of the Board of Trustees, signed by a Trustee, whether before or after the meeting, shall be equivalent to the giving of notice of the meeting to such Trustees. Attendance of a Trustee at a meeting in person shall constitute waiver of notice of such meeting except when the Trustee attends for the express purpose of objecting to the transaction of business because the meeting is not lawfully called or convened.

8.13 Action of Trustees Without a Meeting

Any action required to be taken or which may be taken at a meeting of Trustees, may be taken without a meeting if a consent in writing, setting forth the action so taken, shall be signed by all of the Trustees.

IX. OFFICERS

9.1 Officers, Employees, and Agents

The officers of the Community Association shall consist of a President, one or more Vice Presidents, a Secretary, a Treasurer and such other officers, assistant officers, employees and agents as may be deemed necessary by the Board of Trustees. Officers other than the president need not be Trustees. No person shall simultaneously hold more than one office except the offices of Secretary and Treasurer.

9.2 Appointment and Terms of Office of Officers

The officers shall be appointed by the Board of Trustees at the annual meeting of the Board of Trustees and shall hold office, subject to the pleasure of the Board of Trustees until the annual meeting of the Board of Trustees or until their successors are appointed, whichever is later, unless the officer resigns, or is removed earlier.

9.3 Removal of Officers

Any officer, employee or agent may be removed by the Board of Trustees, with or without cause, whenever in the Board's judgment the best interests of the Community Association will be served thereby. The removal of an officer, employee, employee or agent shall be without prejudice to the contract rights, if any, of the officer, employee or agent so removed. Election or appointment of an officer, employee or agent shall not of itself create contract rights.

9.4 Resignation of Officers

Any officer may resign at any time by giving written notice to the President, to the Secretary or to the Board of Trustees of the Community Association stating the effective date of such resignation. Acceptance of such resignation shall not be necessary to make the resignation effective.

Any such suspension shall be for a period of not more than 30 days for any non-continuing infraction, but in the case of a continuing infraction (such as nonpayment of any Assessment after the same becomes delinquent) such suspension may be imposed for so long as the violation continues. The failure of the Board or the Design Review Committee to enforce the Rules and Regulations, these Bylaws or the Community Declaration shall not constitute a waiver of the right to enforce the same thereafter. The remedies set forth above and otherwise provided in the Community Declaration or these Bylaws shall be cumulative and none shall be exclusive. However, any individual Member must exhaust all available internal remedies of the Community Association prescribed by these Bylaws and the Rules and Regulations, before that Member may resort to a court of law for relief with respect to any alleged violation by another Member of the Community Declaration, these Bylaws or the Rules and Regulations, provided that the foregoing limitations pertaining to exhausting administrative remedies shall not apply to the Board or to any Member where the complaint alleges nonpayment of Common Assessments, Special Assessments, or Reimbursement Assessments.

12.2 Written Complaint

12.3 Notice of Complaint and Notice of Defense

A copy of the complaint shall be delivered to the Respondent in accordance with the notice provisions set forth in the Community Declaration, together with a statement which shall be substantially in the following form:

"Unless a written request for a hearing signed by or on behalf of the person named as respondent in the accompanying Complaint is delivered or mailed to the Board of Trustees within 15 days after the Complaint was served upon you, the Board of Trustees may proceed

upon the complaint without a hearing, and you will have thus waived your right to a hearing. The request for a hearing may be made by delivering or mailing the enclosed form entitled 'Notice of Defense' to the Board of Trustees at the following address:

1305 N Commerce Drive #210
Saratoga Springs, UT 84045

12.4 Tribunal

The President shall appoint a Hearing Committee ("Tribunal") of three natural Persons upon receipt of a written Complaint as provided in Section 12.2 of these Bylaws. In appointing the members of the Tribunal, the President should make a good faith effort to avoid appointing next-door neighbors of the Respondent or any Members of the Community Association who are essential witnesses to the alleged violation giving rise to the Complaint. The decision of the President shall be final, except that the Respondent may challenge any member of the Tribunal for cause, where a fair and impartial hearing cannot be afforded, at any time prior to taking of evidence at the hearing. In the event of such a challenge, the Board of Trustees shall meet to determine the sufficiency of the challenge, without the President voting. If such a challenge is sustained, the President shall appoint another member to replace the challenged member of the Tribunal. All decisions of the Board of Trustees in this regard shall be final. The Tribunal shall elect a Chairman and appoint a hearing officer who shall take evidence and ensure that a proper record of all proceedings is maintained.

12.5 Notice of Hearing

The Tribunal shall serve a Notice of Hearing, as provided herein, on all parties at least 10 days prior to the hearing, if such hearing is requested by the Respondent. The hearing shall be held no sooner than 30 days after the Complaint is mailed or delivered to the Respondent as provided in Section 12.3 of these Bylaws. The Notice of Hearing to the Respondent shall be substantially in the following form but may include other information:

"You are hereby notified that a hearing will be held before a Tribunal appointed by the President of SilverLake at Eagle Mountain Master Homeowner's Association, Inc., at 1305 N Commerce Drive #210, Saratoga Springs, UT 84045. On the _____ Day of _____

__, 20__ at the hour of ____ a.m./p.m., upon the charges made in the Complaint served upon you. You may be present at the hearing, may but need not be represented by counsel, may present any relevant evidence, and will be given full opportunity to cross-examine all witnesses testifying against you. You are entitled to compel the attendance of witnesses and the production of books, documents or other items by applying to the Board of Trustees of the Community Association.”

12.6 Hearing

- (a) Oral evidence shall be taken only on oath or affirmation administered by an officer of the Community Association. The use of affidavits and written interrogatories in lieu of oral testimony shall be encouraged by the Tribunal.
- (b) Each party shall have these rights: to call and examine witnesses; to introduce exhibits; to cross-examine witnesses on any matter relevant to the issues; to impeach any witness; and to rebut the evidence against him. If respondent does not testify in his own behalf, he may be called and examined as if under cross-examination.
- (c) The hearing need not be conducted according to technical rules relating to evidence and witnesses. Any relevant evidence shall be admitted if it is the sort of evidence on which responsible Persons are accustomed to rely in the conduct of serious affairs, regardless of the existence of any common law or statutory rule which might make improper the admission of such evidence over objection in civil action. Hearsay evidence may be used for the purpose of supplementing or explaining other evidence but shall not be sufficient in itself to support a finding unless it would be admissible over objection in civil actions. The rules of privilege shall be effective to the extent that they are otherwise required by statute to be recognized at the hearing, and irrelevant and unduly repetitive evidence shall be excluded.
- (d) Neither the accusing Member nor the Respondent must be in attendance at the hearing. The hearing shall be open to attendance by all Members of the Community Association to the extent of the Permissible capacity of the hearing room.
- (e) In rendering a decision, official notice may be taken at any time of any generally accepted matter within the Community Declaration, these Bylaws, the Rules and Regulations, or the working of the Community Association. Persons present at the hearing shall be informed of the matters to be noticed by the Tribunal, and these matters shall be made a part of the record of proceedings.
- (f) The Tribunal may grant continuances on a showing of good cause.
- (g) Whenever the Tribunal has commenced to hear the matter and a member of the Tribunal is forced to withdraw prior to a final determination by the Tribunal, the remaining members shall continue to hear the case and the hearing officer shall replace the withdrawing member.

12.7 Decision

If the Respondent fails to file a Notice of Defense as provided in Section 12.3 of these Bylaws, or fails to appear at a hearing, the Tribunal may take action based upon the evidence presented to it without notice to the Respondent. However, the Respondent may make any showing by way of mitigation. The Tribunal will prepare written findings of fact and recommendations for consideration by the Board of Trustees. The Tribunal shall make its determination only in accordance with these Bylaws. After all testimony and documentary evidence has been presented by the Tribunal, the Tribunal shall vote by secret written ballot upon the matter, with a majority of the entire Tribunal controlling. A copy of the findings and recommendation of the Tribunal shall be posted by the Board of Trustees at a conspicuous place in the Community Association Area, and a copy shall be served by the President on each Person involved in the matter and his attorney, if any. Disciplinary action and levy of a Reimbursement Assessment under the Community Declaration, these Bylaws or Rules and the Regulations shall be imposed only by the Board of Trustees and in accordance with the findings and recommendations of the Tribunal. The Board of Trustees may adopt the recommendations of the Tribunal in their entirety or the Board may reduce the proposed penalty and adopt the balance of the recommendations. In no event shall the Board impose more stringent enforcement action than recommended by the Tribunal. The decision of the Board shall be in writing and shall be served and posted in the same manner as the findings and recommendations of the Tribunal. The decision of the Board shall become effective 10 days after it is served upon the Respondent, unless otherwise ordered in writing by the Board of Trustees. The Board may order a reconsideration at any time within 15 days following service of its decision on the involved persons, on its own motion or on petition by any party. However, no action against the Member arising from the alleged violation shall take effect prior to the expiration of the later of (a) 15 days after the Member's receipt of the Notice of Hearing; or (b) five days after the hearing required herein.
