Lots owned by Declarants (and by merchant-builders granted exemptions in writing by Declarants, (each being an "Exempt Builder")) are exempt from the provisions of this Article II, until such time as Declarants or Exempt Builder convey title to the Lot to a third-party. All activities of Declarants or such Exempt Builder reasonably related to their respective development, construction, sales, and marketing efforts, shall be exempt from the provisions of this Article II. This Section 2.2 may not be amended without Declarants' prior written consent.

2.3 Variance. Any exceptions to the provisions of Section 2.1 must be obtained by the written permission of the Owners of at least two-thirds (2/3) of the Lots within the Properties. Any variance must also be in accordance with city and other governmental requirements.

Exterior material may be brick, rock, vinyl siding, masonry siding, or stucco, or any combination thereof. The height of all Residences must be consistent with all applicable zoning and building codes. All Residences must comply with Declarants' specific architectural guidelines in effect at the time, which may be amended from time to time.

3.3 Submittals to ARC. Submittals to the ARC must comply with the provisions herein. Persons submitting proposals or plans and specifications to the ARC (any such Person is referred to in this Article III as the "Applicant") must obtain a dated, written receipt for such plans and specifications and furnish the ARC with the address to which further communications from the ARC to the Applicant are to be directed. The address of the ARC for submission of plans and specifications shall be Declarants' business address, c/o the Architectural Review Committee unless or until changed by the ARC or until the automatic resignation of Declarants' representatives pursuant to Article III, whichever occurs first. With each submission, the ARC may require a one-time review fee of up to \$250 for the costs of consultants or other professionals to assist the ARC in its duties hereunder.

3.3.1 Preliminary Drawings. The following information shall be the minimum to be initially submitted to the ARC for approval:

The ARC shall not be responsible for reviewing, nor shall its approval of any plan or design be deemed approval of, any proposal, plan or design from the standpoint of structural safety or conformance with building or other codes. **Each Owner shall be responsible for obtaining all necessary permits and for complying with all governmental requirements.**

3.5 No Waiver of Future Approvals. ARC approval of any proposals, plans and specifications or drawings ("Plans") requiring its approval or consent does not constitute a waiver of the right to withhold approval or consent for any subsequently submitted similar or additional plans.

3.6 Time Requirements. Until the ARC receives Plans or other materials deemed necessary by the ARC and the review fee (if any), the ARC may postpone review of any plans submitted for approval. Any application submitted pursuant to this Article III shall be deemed approved, unless the ARC's written disapproval or a request for additional information or materials is transmitted to the Applicant within forty-five (45) days after the date of receipt by the ARC of all required materials. ARC approval for any particular Construction Activity shall expire in six (6) months from the date of ARC approval. If substantial work pursuant to the approved Plans is not commenced within six (6) months of ARC approval, the Applicant will be required to resubmit its Plans to the ARC for approval pursuant to this Article III. Provided that the affected Owner implements his or her Construction Activities in compliance with the standards for design, materials and other criteria established for such pre-approved Construction Activities no additional review by the ARC will be required. The ARC may from time to time adopt, supplement or amend the Architectural Rules to establish, expand, limit or otherwise modify the categories and criteria for any pre-approved Construction Activities. Therefore, it is the duty of the Owner to review the specifications for pre-approved Construction Activity before beginning any construction project.

3.8 Variance. The ARC may grant variances from the architectural provisions of this Declaration or the architectural rules it has adopted when circumstances such as topography, natural obstructions, hardship or aesthetic or environmental considerations may require. Such

variances may include, without limitation, restrictions on height, size, floor area, placement of structures or similar restrictions. Such variances must be in writing and must be signed and acknowledged by a majority of the members of the ARC. If such variances are granted, no violation of this Declaration shall be deemed to have occurred with respect to the matter for which the variance was granted. The granting of such a variance shall not operate to waive any of the terms and provisions of this Declaration for any purpose, nor shall it affect in any way the Owner's obligation to comply with all laws and regulations of any governmental authority affecting the use of his Lot, including, but not limited to, zoning and building requirements of any governmental agency or entity having jurisdiction over the Properties, except as to the particular property and particular provision hereof covered by the variance,

3.9 Compensation of Members. The individual members of the ARC shall receive no compensation for services rendered. The ARC may require a review fee not to exceed \$250 to be paid with each submittal in order to cover the reasonable costs of review by consultants or other professionals to assisting the ARC in its duties hereunder.

3.10 Non-liability of ARC Members. Neither Declarants, the ARC, nor any members thereof, nor their duly authorized representatives shall be liable to any Owner for any loss, damage, or injury arising out of or in any way connected with the performance of the ARC's duties hereunder, unless due to willful misconduct. Plans and specifications approved by the ARC are not approved for: (a) engineering design; (b) compliance with zoning, building and safety ordinances, codes and other applicable statutes, ordinances or governmental rules and regulations; (c) compliance with the requirements or any public utility or compliance with any easements or other agreements. By approving any such plans and specifications, neither the ARC nor the members thereof, nor Declarants, their agents, employee, attorneys or consultants assume any liability or responsibility for any improvement constructed or any defect therein as a result of such plans and specifications.

3.11 Members of ARC. The ARC shall consist of three (3) members. The initial members shall be representatives of Declarants. Declarants reserve the right to appoint and remove any or all the members the ARC and to fill any vacancies on the ARC until the "Turnover Date." The Turnover Date shall be the first of either (a) the date on which a certificate of occupancy has been issued by the relevant governmental authority for all the Lots in the Properties, or (b) the date on which Declarants deliver written notice of withdrawal from the ARC to a majority of the Owners. Declarants may at any time assign in writing the powers of removal and appointment of the members of the ARC to the other Owners, in whole or in part, subject to such terms and conditions as Declarants may impose. After the Turnover Date, the other Owners shall have the power to appoint and remove all of the members of the ARC pursuant to Section 3.12 below. With the exception of ARC members appointed by Declarants, ARC members must be Owners. As of the Turnover Date, any representatives of Declarants remaining on the ARC shall be deemed to have automatically resigned and Declarants shall have no further right or obligation to participate on the ARC or enforce any of the covenants, conditions or restrictions of this Declaration.

3.12 Election of ARC Members. After the Turnover Date, appointment of any member of the ARC by the Owners shall be by election conducted as follows:

3.12.1 Voting Rights. Each Owner of a Lot shall be entitled to cast one (1) vote for every Lot owned. Votes may be cast in person or by written proxy. Proxies shall be revocable and shall automatically terminate after completion of the meeting for which the proxy was filed. In the event that more than one Person holds fee title to a Lot ("co-owners"), only one such co-owner shall be entitled to exercise the vote to which the Lot is entitled. Such co-owners may from time to time all designate in writing one of their number to vote. Fractional votes are prohibited. Where no voting co-owner is designated, or if such designation has been revoked, the vote for such Lot shall be exercised as the majority of the co-owners of the Lot mutually agree. No vote shall be cast for any Lot where the co-owners present in person or by proxy owning the majority interests in such Lot cannot agree to said vote or other action. The nonvoting co-owners shall be jointly and severally responsible for all of the obligations imposed upon the jointly owned Lot and shall be entitled to all other benefits of ownership.

3.12.2 Notice of Election. After the Turnover Date, any Owner (or the Declarants merely as a courtesy to the Owners), may call for an election meeting by (i) mailing to all Owners or (ii) posting in at least four (4) locations within the Properties which are conspicuous and readily accessible to all Owners, a written notice specifying the date, time, location and purpose of the meeting. Such notice shall be mailed or posted not less than (10) and not more than thirty (30) days before the meeting is to be held.

3.12.3 Quorum. A quorum for any such meeting shall be the presence in person or by proxy of no fewer than twenty-five percent (25%) of all Owners entitled to cast a vote ("Qualified Owners"). Absent a quorum, the Qualified Owners who are present at the noticed meeting may adjourn the meeting to a date, time and place specified prior to adjournment which is no less than five (5) and no more than thirty (30) days after the time of the noticed meeting. A quorum at such later "adjourned meeting" shall be the presence in person or by proxy of no fewer than ten percent (10%) of all Qualified Owners.

3.12.4 Conduct of Meeting. If a quorum is present at any meeting or adjourned meeting, the first item of business shall be the selection of a Director of Election who shall preside over the conduct of the meeting. The Qualified Owners shall act by majority vote of a quorum, except that members of the ARC shall be elected by plurality such that the individual receiving the highest number of votes shall be elected to fill first vacancy, the individual receiving the next highest number of votes shall be elected to fill a second vacancy (if any), and so on.

3.12.5 Term of Office. The term of office of each ARC member elected pursuant to this Section 3.12 shall be two (2) years, commencing on the date of election and extending until a successor is elected as provided above. Any such ARC member may succeed himself/herself, and there shall be no limit to the number of terms of any such member.

3.12.6 Removal. An ARC member may be removed from office at any time and for any reason by an election conducted and noticed pursuant to this Section 3.12. However, the ARC member to be removed must be given personal notice by mail

or personal services within the time period provided for notice under Section 3.12.2, and have an opportunity to be heard at the election. Said member may only be removed by a majority of a quorum of Qualified Owners.

ARTICLE IV

4. ENFORCEMENT.

4.1 Enforcement. In the event of any claim, dispute or other matter arising under or relating to this Declaration, the Declarants or any aggrieved Owner may initiate any appropriate legal or equitable proceeding to enjoin, abate, restrain or otherwise remedy any violation of the Restrictions. Prior to any aggrieved Owner initiating any such proceedings, the aggrieved Owner shall provide written notice of the grievance to the party allegedly responsible for the grievance, and if Declarants own any Lot in the Properties, the aggrieved Owner shall provide a copy of the written notice to Declarants. The covenants, conditions, and restrictions contained in this Declaration shall bind and inure to the benefit of and shall be enforceable by each Owner; said enforcement rights shall also be held by the Declarants until the date of close of escrow for the sale of all the Lots owned by Declarants in the Properties. Once close of escrow has occurred as to each of the Lots owned by Declarants in the Properties, Declarants shall have neither right nor obligation to enforce any of the terms of the Declaration. Notwithstanding any provision of this Declaration, Declarants shall have no obligation to enforce the provisions of Article II or to initiate litigation to enforce any of the terms of this Declaration.

ARTICLE V

5. LIMITED WARRANTY; MANDATORY BINDING ARBITRATION FOR MATTERS INVOLVING DECLARANT.

Each Owner, by taking title to a home, acknowledges and agrees as follows:

5.1 Limited Warranty by Declarants. Declarants or its affiliates may issue a "Home Builder's Limited Warranty" (the "Limited Warranty") regarding the homes to each initial third-party Owner upon the close of escrow. The Limited Warranty is currently administered by Professional Warranty Service Corporation, or its successor ("PWC"). The actual terms of the Limited Warranty are defined by the Limited Warranty documents themselves. If issued, a copy of the Limited Warranty will be provided to each initial third-party Owner, and may be obtained from PWC at its current address of P.O. Box 800, Annandale, VA 22003-0800. Each Owner whether an initial purchaser of a home or a subsequent purchaser, is hereby advised and agree that:

2. All allegations of "Construction Defects," as that term is defined in the Limited Warranty documents provided to the initial third-party Owner, will be resolved under and in accordance with, the Limited Warranty;

3. Final, binding arbitration is the sole remedy for resolving disputes involving alleged Construction Defects;
4. By taking title to a home, each Owner (whether an initial purchaser of a home or a subsequent purchaser) agrees to be bound by the terms of the Limited Warranty;
5. The length of time for coverage under the Limited Warranty shall be defined on the Limited Warranty Validation Form provided to the initial Owner.

5.2 MANDATORY BINDING ARBITRATION FOR MATTERS INVOLVING DECLARANTS. To the fullest extent permitted by law, all claims and disputes of any kind that an Owner may have arising from or in any way related to a home or homes involving the Declarant or any affiliate, general contractor, agent, employee, executing officer, manager, or Owner of Declarants (a "Dispute") shall be submitted to final and binding arbitration. Binding arbitration shall be the sole remedy for resolving disputes between the Declarants and any Owner. Disputes subject to binding arbitration include, but are not limited to:

1. Any disagreement that a condition in the home is a Construction Defect (as defined in the Limited Warranty) and is therefore covered by the Limited Warranty;
2. Any disagreement as to whether a Construction Defect has been corrected in compliance with the Limited Warranty;
3. Any alleged breach of the Limited Warranty;
4. Any alleged violations of consumer protection, unfair trade practice, or other statutes;
5. Any allegation of negligence, strict liability, fraud, and/or breach of duty of good faith, and all other claims arising in equity or from common law;
6. Any disputes concerning the issues that should be submitted to binding arbitration;
7. Any disputes concerning timeliness of performance and our Buyer's notifications under the Limited Warranty;
8. Any dispute as to the payment or reimbursement of the arbitration filing fee;
9. Any dispute as to whether the Limited Warranty, or any provision thereof, including, but not limited to, any waiver under the Limited Warranty, is unenforceable;

10. Any other claim arising out of or relating to the sale, design, or construction of the home, including, but not limited to, any claim arising out of, relating to or based on any implied warranty or claim for negligence or strict liability not effectively waived by the Limited Warranty.

The arbitration shall be conducted by Construction Arbitration Services, Inc. or such other reputable arbitration service that PWC shall select, at its sole discretion, at the time the request for arbitration is submitted. The rules and procedures of the designated arbitration organization, that are in effect at the time the request for arbitration is submitted, will be followed.

The arbitration shall be governed by the United States Arbitration Act (9 U.S.C. §§ 1-16) to the exclusion of any inconsistent state law, regulation, or judicial decision. The award of the arbitrator shall be final and binding and may be entered as a judgment in any court of competent jurisdiction.

Each party shall bear its own attorneys fees and costs (including expert costs) for the arbitration. The arbitration filing fee and other arbitration fees shall be divided and paid equally as between the parties. This filing fee shall be no more than the amount charged to PWC by the arbitration service for arbitration of a Dispute. Contact PWC to determine the arbitration filing fee in effect at the time arbitration is requested. The arbitrator shall, as part of any decision, award to the party prevailing at the arbitration any applicable filing fees or other arbitration fees paid by that party.

If any Owner or the Declarants file a proceeding in any court to resolve any Dispute, such action shall not constitute a waiver of the right of such party or a bar to the right of any other party to seek arbitration of that or any other Dispute, and the Court shall, upon motion of any party to the proceeding, direct that such Dispute be arbitrated in accordance herewith.

The obligations of this Section 5.2 to submit all disputes to final, binding arbitration are wholly independent and separate from the rights and obligations under the Limited Warranty provisions of Section 5.1. In the event any home is not issued a Home Builder's Limited Warranty as described in Section 5.1, all Disputes shall be resolved by final, binding arbitration conducted by Construction Arbitration Services, Inc., or such other organization as the parties to the Dispute may agree, pursuant to the terms of this Section 5.2.

5.3 Obligation of Owners to Provide Copy of Limited Warranty Documents to Subsequent Purchaser. Each Owner that transfers his or her interest in a home shall provide a copy of the Limited Warranty to the subsequent owner and shall thereby transfer to the subsequent owner all remaining coverage for the home under the Limited Warranty.

5.4 Amendment Requires Consent of Declarants. Notwithstanding any other provision of this Declaration, this Article 5 and its subsections may not be amended except with the written consent of the Declarants.

ARTICLE VI

6. RESERVATION OF EASEMENTS

6.1 Easements on Plat. Easements for installation and maintenance of utilities and drainage facilities are reserved as shown on the Recorded Plat.

6.2 Reservation of Easements. Declarants hereby reserve for the benefit of each Owner and such Owner's Lot reciprocal nonexclusive easements over the adjoining Lot or Lots for the control, maintenance and repair of the utilities serving such Owner's Lot. Declarants expressly reserve for the benefit of all the real property in the Properties, and for the benefit of all the Lots and of the Owners, reciprocal nonexclusive easements over all Lots, for maintenance and repair of utility services, drainage and flow of water from the Lots resulting from the normal use of adjoining Lots, and maintenance and repair of any Residence. Declarants and the Owners of Lots on which there is constructed a Residence along or adjacent to a Lot line shall have an easement appurtenant to such Owner's Lot over the Lot line of the adjacent Lot for the purposes of accommodating any natural movement or settling of such Residence, any encroachment of such Residence due to minor engineering or construction variances, and any encroachment of eaves, roof overhangs and architectural features comprising parts of the original construction of such Residence located on such Lot.

6.3 No Limitation. This Declaration shall in no way limit the right of Declarants to grant additional licenses, easements, reservations and rights-of-way to itself, governmental or public authorities (including without limitation public utility companies), or to others, as from time to time may be reasonably necessary to the proper development and disposition of each lot within the Properties.

ARTICLE VII

7. ANNEXATION

7.1 Right of Annexation. Declarants hereby expressly reserve the right to expand the Property without the consent of any Owner, Mortgagee or any other party with an interest in the Property until fifteen (15) years from the date of recording of this Declaration by annexing all or any portion of the Annexable Property. The annexation of any or all of the Annexable Property shall be accomplished by the Declarants recording with the County Recorder a Declaration of Annexation. However, Declarants shall not be obligated to annex all or any portion of the Annexable Property, and may annex non-contiguous portions of the Annexable Property at its sole discretion. A Declaration of Annexation annexing property as permitted hereunder may contain such complementary additions and modifications of the Covenants, Conditions and Restrictions contained in this Declaration as may be necessary to reflect the different character, if any, of the annexed property and as are not inconsistent with the general plan of this Declaration. In no event, however, shall any such document revoke, modify or add to the covenants established by this Declaration and applicable to the Original Property or to any property previously covered by a recorded Declaration of Annexation. Declarants hereby expressly reserve the right from time to time to unilaterally supplement or modify by recorded

instrument the description of the Annexable Property described in Exhibit "B" of this Declaration.

7.2 Effect of Annexation. Upon the effective date of an annexation pursuant to this Article VII: (a) the property so annexed shall immediately be and become a part of the Property and be subject to all of the provisions hereof; (b) any Lot then or thereafter constituting a part of the annexed property, and the Owner of such Lot, shall thereupon be subject to all of the provisions of this Declaration; and (c) improvements then or thereafter situated upon the annexed property shall be subject to the provisions of this Declaration and shall be reasonably consistent, in terms of quality of construction, with the improvements situated upon other portions of the Property prior to such annexation.

7.3 Withdrawal. Notwithstanding any other provisions of this Declaration, Declarants reserve the right to amend this Declaration so long as it has the right to annex additional property pursuant to this Article VI, for the purpose of removing property then owned by the Declarants or their assignees from coverage of this Declaration, to the extent originally included in error or as a result of any changes in Declarants' plans for the Property, provided such withdrawal is not unequivocally contrary to the overall scheme of development for the Property.

7.4 No Obligation to Annex. Nothing herein shall constitute a representation, warranty or covenant that Declarants, their successors or assigns, or any other Person will subject any additional property to the provisions of this Declaration, nor shall Declarants, their successors or assigns, or any other Person be obligated so to do, and Declarants may, by recorded instrument executed by Declarants, waive its rights so to do, in whole or in part, at any time or from time to time.

7.5 FHA/VA Approval. In the event that, and for so long as, the FHA or the VA is insuring or guaranteeing loans or has agreed to insure or guarantee loans on any portion of the Annexable Property with respect to the initial sale by Declarants or builder to the initial purchaser of any Residence, a condition precedent to any annexation of any property other than the Annexable Property shall be written confirmation by the FHA or the VA that the annexation is in accordance with the development plan submitted to and approved by the FHA or the VA; provided, however, that such written confirmation shall not be a condition precedent if at such time the FHA or the VA has ceased to regularly require or issue such written confirmations.

ARTICLE VIII

8. Miscellaneous

8.1 Severability. The provisions hereof are independent and severable, and a determination of invalidity or partial invalidity or unenforceability of any one provision or portion hereof by a court of competent jurisdiction does not affect the validity or enforceability of any other provision hereof.

8.2 Interpretation. This Declaration shall be liberally construed to effectuate its purpose of creating a uniform plan for the development of a residential community, and any

violation of this Declaration is a nuisance. The Article and Section headings have been inserted for convenience only, and may not be considered or referred to in resolving questions of interpretation or construction. As used herein, the singular includes the plural and the plural the singular; and the masculine, feminine and neuter each include the other, unless the context dictates otherwise.

8.3 Amendment Prior to First Close of Escrow. Notwithstanding any other provisions of this Declaration, at any time prior to the first Close of Escrow in the Properties, Declarants may unilaterally amend or terminate this Declaration by Recording a written instrument which effects the amendment or termination and is signed and acknowledged by Declarants.

8.4 Amendment for Conformance. Notwithstanding any other provisions of this Declaration, for so long as any Declarant owns any portion of the Properties, such Declarant may unilaterally amend this Declaration by Recording a written instrument signed by Declarants in order to conform this Declaration to the requirements of Veterans Administration, Federal Housing Administration, Department of Real Estate, Federal National Mortgage Association, Government National Mortgage Association or Federal Home Loan Mortgage Corporation.

8.5 Amendment or Termination by Owners. This Declaration may be terminated or any term herein may be amended by Recording a written instrument which effects the amendment or termination, and which has been executed by the then-Owners of at least three-fourths (3/4) of all of the Lots in the Properties. However, as long as any Declarant owns a Lot, the Declaration may not be amended or terminated without the written consent of such Declarant.

8.6 No Public Right or Dedication. Nothing contained in this Declaration constitutes a gift or dedication of all or any part of the Properties to the public, or for any public use.

8.7 Constructive Notice and Acceptance. Every person who owns, occupies or acquires any right, title, estate or interest in or to any Lot or other portion of the Properties does hereby consent and agree, and shall be conclusively deemed to have consented and agreed, to every limitation, restriction, easement, reservation, condition and covenant contained herein, whether or not any reference to these restrictions is contained in the instrument by which such person acquired an interest in the Properties or any portion thereof.

8.8 Additional Disclosures, Disclaimers and Releases of Certain Matters. Without limiting any other provision in this Declaration, by acceptance of a deed to a Lot or possession of a Lot, each Owner (for purposes of this Section 7.8, the term "Owner" shall include the Owner, resident, and their respective families, guests and tenants), shall conclusively be deemed to understand, and to have acknowledged and agreed to, all of the following:

- (a) Residential subdivision and new home construction are subject to and accompanied by substantial levels of noise, dust, construction-related traffic and traffic restrictions, and other construction-related "disturbances." Each Owner acknowledges and

agrees that it is purchasing a Lot and/or Residence which is within a residential subdivision currently being developed, and that the Owner will experience and accepts substantial levels of construction-related “disturbances” until the subdivision, and any neighboring or nearby land, have been completed and sold, and that such construction-related “disturbances” are not a violation of any restriction herein;

(b) The Property is or may be located adjacent to or nearby a religious center and subject to levels of traffic, sound, noise and other disturbances resulting from proximity to such religious center;

(c) The Property is or may be located adjacent to or nearby neighboring commercial and/or industrial uses and subject to levels of traffic, sound, noise and other disturbances resulting from proximity to such commercial and industrial uses;

(d) The Property is or may be located immediately adjacent to or nearby major roadways, including the Legacy Highway and Interstate Highway I-215 and subject to levels of traffic, noise, dust, and other disturbances from such roadways and vehicles;

(e) Declarants hereby specifically disclaim any and all representations or warranties, express or implied, with regard to or pertaining to roads and/or noise, dust, and other disturbances therefrom;

(f) A ditch and wetlands are currently located near the center of the Property and that the creek may subject the Property to the presence of wildlife, disturbances, and dangers inherent in such a feature, as well as possible high water flow or flooding from time to time. Declarants have no control over water flow through the creek or the existence or nonexistence of the creek in the future;

(g) The Property is or may be located adjacent to or nearby a school, and subject to levels of noise, dust, and other disturbances resulting from proximity to such school or otherwise related to such school;

(h) The Lot and other portions of the Property are or from time to time may be located within or nearby certain airplane flight patterns, and/or subject to significant levels of airplane traffic and noise;

(i) The Property is or may be located adjacent to or nearby a storm drain detention basin(s) or channel(s) and may be subject to certain disturbances resulting from proximity to such detention basin(s) or channel(s);

(j) Certain Lots on the Property are or may be subject to certain sewer, secondary water, and natural gas pipeline easements, and may be subject to disturbances associated with the use and maintenance of these facilities; and

(k) The Property is located near Stericycle, Inc., a regulated medical waste incinerator operation. As a result, the Property may encounter certain industrial-like conditions, including, but not limited to, truck and traffic noises, parking lot lights, steam, and other similar or typical plant conditions. Additional information regarding Stericycle, Inc. may be obtained by contacting its plant operations manager at 90 North 1100 West, North Salt Lake City, Utah 84054, telephone no. 801-936-1171 or by visiting its website at www.stericycle.com.

8.9 Releases. By acceptance of a deed to a Lot, each Owner, for itself and all Persons claiming under such Owner, shall conclusively be deemed to have acknowledged and agreed (a) that Declarants specifically disclaim any and all representations and warranties, express and implied with regard to any of the foregoing disclosed or described matters (other than to the extent expressly set forth in the foregoing disclosures); and (b) to fully and unconditionally release Declarants and the ARC, and their respective officers, managers, agents, employees, suppliers and contractors, from any and all loss, damage or liability (including, but not limited to, any claim for nuisance or health hazards) related to or arising in connection with any disturbance, inconvenience, injury, or damage resulting from or pertaining to all and/or any one or more of the conditions, activities, and/or occurrences described in the foregoing portions of this Declaration.

8.10 Duration. This Declaration shall have perpetual duration. If Utah law hereafter limits the period during which covenants may run with the land, then to the extent consistent with such law, this Declaration shall automatically be extended at the expiration of such period for successive 20-year periods unless terminated as provided above.

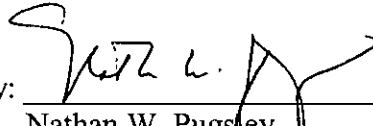

8.11 Business of Declarants. Except to the extent expressly provided herein, no provision of this Declaration shall be applicable to limit or prohibit any act of Declarants, or of Woodside Homes Corporation, or their respective agents or representatives in connection with or incidental to their improvement, development, or sales and marketing activities regarding the Properties, so long as any Lot therein is owned by any Declarants or by Woodside Homes Corporation.

IN WITNESS WHEREOF, Declarants have executed the instrument this 12th day of May, 2004.
