sewer, drain, disposal system, decorative building, landscape device or object, or other improvements shall be commenced, erected, placed, or maintained upon any Lot, nor shall any addition, change or alteration therein or thereof be made, unless and until the plans, the specifications and location of same shall be submitted to, and approved in writing, by the Design Review Committee. All plans and specifications shall be evaluated as to the harmony of the external design and locations in relation to the surrounding structures and topography and as to conformance with the architectural plan and design guidelines of Spanish Vista as may from time to time be made and amended by the Design Review Committee.

3.02 Design Review Committee. The architectural review and control functions of Spanish Vista shall be administered and performed by the Design Review Committee (the "DRC"), which shall consist of three members, who need not be Members of the Association. The Developer shall have the right to appoint, at its sole discretion, all or some of the members of the DRC, as long as it owns at least one Lot. The initial members of the DRC shall be Mark Washburn, Caleb Washburn and David Simpson. Members of the DRC as to whom Developer may relinquish the right to appoint, and all members of the DRC after Developer no longer owns at least one Lot, shall be appointed by and shall serve at the pleasure of a majority of the Owners. The majority of the DRC shall constitute a quorum to transact business at any meeting and the action of a majority present at a meeting at which the quorum is present shall constitute the action of the DRC. Any vacancy occurring on the DRC because of death, resignation, or other termination of service of any member thereof shall be filled by the Owners, if the member whose service was terminated was originally appointed by the Owners. Otherwise, the Developer shall fill any vacancy created by death, resignation, removal or other termination of service of any

member of the DRC. During any period of time after Developer no longer owns at least one Lot and during which the Owners shall have failed to fill vacancies existing on the DRC for more than ninety (90) consecutive days, no Owner shall be required to obtain DRC approval.

Any modification or amendment to the Design Guidelines shall be consistent with the provisions of this Declaration and shall not be effective until adopted by a majority of the members of the DRC, at a meeting at which a quorum is present and voting. Notice of any modification or amendment to the Design Guidelines, including a verbatim copy of such modification or amendment, shall be delivered to each Owner, provided that delivery to each Owner of the notice and a copy shall not constitute a condition precedent to the effectiveness or validity of such change or modification.
- (2) To require that each Owner submit to the DRC two complete sets of all plans and specifications for any improvements or structures of any kind, including, without limitation, any building, fence, wall, swimming pool, tennis court, enclosure, sewer, drain, disposal system, deck to a building, landscaping device, or other improvement, the construction or placement of which is proposed upon any Lot. The DRC shall also require each Owner to submit to the DRC samples of building materials proposed for use on any Lot, together with such additional information as may be necessary for the DRC to completely evaluate the proposed structural improvements in accordance with the Design Guidelines as specified in the Design Guidelines and in Article IV of this Declaration.
- (3) To approve or disapprove any structure of any kind, including, without limitation, buildings, walls, swimming pools, tennis courts, screened enclosures, sewers, drains, disposal systems, decks, landscape devices or objects, or other improvements or changes in modification thereto the construction, erection, performance or placement of which is imposed upon any Lot and to disapprove or approve any additions, changes, modifications, or alterations therein or thereon. All decisions of the DRC shall be submitted to the Owner requesting approval, and evidence of such decisions may be made by certificate, in recordable form, executed under seal by any member of the DRC. Any party disagreeing with the DRC shall have the right to make a written request to the DRC within thirty days of such a decision, for reconsideration thereof. The determination of the DRC shall in all events be dispositive.
- (4) To adopt a schedule of reasonable fees for processing requests for DRC approval of improvements during any period that Developer owns at least one Lot. Such

fees shall be payable to the Developer, in cash or certified funds, at the time the plans and specifications are submitted to the DRC.

Thereafter, homeowners may display one professional directional sign at the entrance of the Subdivision and

one sign on the Lot advertising the Lot or home for sale. Such sign shall be no larger than is permitted by the City of Spanish Fork signage ordinance. The size and design of all signs shall be subject to approval by the DRC.

4.07 Oil Drilling Operations. No oil drilling operation, quarrying, or mining operation shall be permitted upon or in any Lot, nor shall oil wells, tanks, tunnels, excavations or shafts be permitted in or upon any Lot. No derrick or other structure designated for use involved drilling for oil or natural gas shall be erected, maintained, or permitted upon any Lot.

4.10 Fences, Hedges, and Walls. While the DRC may impose stricter guidelines, no fences, hedges, walls or other dividing devices over four feet in height (measured from the ground on which they stand) shall be maintained on any Lot unless approved prior to the construction thereof by the DRC. The DRC shall not approve construction of any chain-link or cyclone-type fence.

4.11 Landscaping within Six Months. Within six (6) months after any Owner receives an occupancy permit for any residence constructed on any Lot, the Lot shall be landscaped in a manner to be designated by the DRC. In the event that the DRC does not issue specific landscaping requirements, required landscaping shall include grass, shrubbery, at least one tree from a list to be designated by the DRC, and an underground sprinkling system capable of properly irrigating the front yard.

4.12 Weeds, Underbrush. No weeds, underbrush or undergrowth or other unsightly growth will be allowed to remain upon any Lot, and no refuse pile or unsightly objects shall be allowed to be placed or suffered to remain anywhere thereon.

5.01 Proceedings for Enforcement. The obligations, provisions, covenants, restrictions, or conditions contained in this Declaration or any supplemental or amended declarations, with respect to the Association or the Lots, shall be enforced by Declarant or by any Owner of a Lot by a proceeding for a prohibitive or mandatory injunction. The obligations, provisions, covenants, restrictions and conditions contained in this Declaration or other supplemental declaration with respect to a person, entity, or property other than the Association or Declarant shall be enforced by the Declarant or the Association by a proceeding for mandatory injunction or a suit or action to recover damages or to recover any amount due or unpaid. If court proceedings are instituted in connection with this Declaration pursuant to the rights of enforcement and remedies provided in this Declaration, the prevailing party shall be entitled to recover costs and expenses in connection herewith, including reasonable attorneys' fees.

breach, against the title or interest of the holder thereof or the title acquired by any purchaser upon foreclosure of any such mortgages or deed of trust. Any such purchaser shall, however, take subject to this Declaration or any supplemental or amended declarations except only that violations or breaches that occur prior to such foreclosure shall not be deemed breaches or violations hereof with respect to such purchaser, his heirs, personal representatives, successors, and assigns unless such violations or breaches continue thereafter.

VI. NECESSARY EXEMPTIONS FOR DEVELOPMENT

6.01 Exemption for Developer. Developer or the transferees of Developer shall undertake the work of developing all Lots. The completion of that work and the sale, rent, or other disposition of residential units is essential to the establishment and welfare of the Subdivision as an ongoing residential community. In order that such work may be completed and the Subdivision established as a fully occupied residential community as soon as possible, nothing in this Declaration shall be understood or construed to prevent the Developer, Developer's transferees, or their respective employees, contractors, or sub-contractors from doing whatever they determine to be reasonably necessary or advisable for the completion of the work in the establishment of the Subdivision as a residential community, and the disposition of the Lots by sale, lease, or otherwise.
