The Owner shall also be required to pay to the Association any assessments against the Unit which shall become due during the period of foreclosure. (e) A lien for Common Area assessments will not be affected by the transfer or conveyance of a Unit, unless such transfer is pursuant to a foreclosure of a mortgage with priority. In such event, the prior Owner shall nevertheless remain liable for the delinquent assessments.

Personal Obligation of Owner. The amount of any annual or special assessment against any Unit shall be the personal obligation of the Owner thereof to the Association. Suit to recover a money judgment for such personal obligation shall be maintainable by the Association without foreclosing or waiving the lien securing the same. No Owner may avoid or diminish any personal obligation by waiver of the use and enjoyment of any of the Common Areas or by abandonment of his Unit.

Unless such request for a statement of account shall be complied with within ten (10) days, all unpaid assessments which became due prior to the date of making such request shall be subordinate to the lien of a Mortgagee which acquires its interest subsequent to requesting such statement. Where a prospective purchaser makes such request, both the lien for such unpaid assessments and the personal obligations of the purchaser shall be released automatically if the statement is not furnished within the ten (10) day period herein and thereafter an additional written request is made by such purchaser subsequently acquires the Unit.

Such reserve shall be funded out of Common Area Assessments; provided, however, that as of the earlier of: (i) the sale and closing of each Unit by Declarant; or (ii) transfer of control of the Project to the Owners, the Declarant shall fund such reserve with an amount equal to two (2) months' Common Area assessments for each Unit in the Project. Any amount paid to this reserve shall not be considered as an advance payment of regular assessments. This reserve fund shall be transferred to a segregated fund in the name of the Association upon transfer of control of the Association to the Owners. The Declarant shall be prohibited from using the reserve funds to defray any of its expenses, reserve contribution, or construction costs, or make up any budget deficits while it is in control of the Association.

Any Unit Owner who individually obtains insurance covering any portion of the Project shall supply the Committee with a copy of his policy within thirty (30) days after he acquires such insurance.

Insurance coverage required by the Article must not be prejudiced by (i) any act or neglect of the Unit Owners when such act or neglect is not within the control of the Association, or (ii) any failure of the Association to comply with any warranty or condition regarding any portion of the Project over which the Association has no control.

All policies of property insurance must provide that notwithstanding any provisions affording the insurer the right to elect to restore damage in lieu of a cash settlement, such option shall not be exercisable without the prior written approval of the Association (of any insurance trustee) or when in conflict with the provisions of any insurance trust agreement to which the insurance may be a party, or any requirement of law.

Substantial Damage or Destruction but Owners Elect Not to Repair or Reconstruct. If seventy-five percent (75%) or more of the Projects improvements are destroyed or substantially damaged, if proceeds of the insurance maintained by the Association are insufficient to accomplish restoration, and if the Owners, within one hundred (100) days after the destruction or damage, and by a vote of at least sixty-seven percent (67%) elect not to repair or reconstruct the affected improvements, the Association shall promptly record with the Davis County Recorder a notice setting forth such facts. Upon recording of such notice, the provisions of the Act shall apply and shall govern the rights of all parties having an interest in the Project or any of the Units.

Further levies may be made in like manner if the amounts collected prove insufficient to complete the renewal and reconstruction.

Dissents from the Plan. An Owner not a party to such a plan for renewal or reconstruction may give written notice of dissent to the Association within fifteen (15) days after the recordation of such a plan. The Association shall then give written notice of such dissents to all Owners within five (5) days after the expiration of such fifteen (15) day period. Within fifteen (15) days of receipt of such notice from the Association, the Owners representing an aggregate voting interest of more than twenty percent (20%) of the Project may cancel the plan by written instrument recorded in the official records of the County Recorder of Salt Lake County, State of Utah. If the plan is not cancelled then the Units of each dissenter shall be purchased according to the following procedures. If they are unable to agree upon such umpire, then each appraiser previously appointed shall nominate two qualified appraisers, and from the names of the four persons so nominated, one shall be drawn by lot by a judge of any court of record in Utah, and the person whose name is so drawn shall be the umpire. The nominations from among which the name of the umpire is to be drawn by lot shall be submitted within ten (10) days of the failure of the two appraisers to agree, which, in any event, shall not be later than twenty (20) days following the appointment of the second appraiser. The expenses and fees of such appraisers shall be borne equally by the Association and the Owner. The sale shall be consummated within sixty (60) days after decision of the appraisers, and the Association as Aattorney in fact@ shall disburse the proceeds first to Mortgagees and encumbrancers (including the Association) in the order of the priority of their liens and the balance remaining to the Owner. The obligation of the Association to make such purchase shall be conditioned on the fair market value of the Unit exceeding the obligations secured by mortgages and liens on such Unit, and upon the marketability of the title of the Owner. An Owner shall furnish the Association an appropriate commitment for title insurance evidencing

marketability of his title not less than fifteen (15) days prior to the date set for completion of the sale.

The Association, pursuant to Article IX hereof, may levy a special assessment sufficient to provide funds to pay for other Units of the dissenters, provided that such assessments shall not apply to any of the Owners who are among the dissenters and shall not be liens against the Units of such Owners.

From and after the time a first Mortgage (or an insurer or guarantor thereof) makes written request to the Association therefore, stating both its name and address and Unit number or address of the Unit on which it has (or insures or guarantees) a Mortgage, the Association shall notify such first Mortgagee (or an insurer or guarantor thereof) in writing of the following:

The Association shall not alter the provisions of Article X in such a way as to diminish the insurance protection required to be afforded to the parties designated to be protected thereby; or fail to maintain the insurance coverage described in said Article.

Any first Mortgagee shall have the right, at its request and expense and upon reasonable notice, to examine the books and records of the Association. After the commencement of sale of individual Units, the Association shall establish an adequate reserve to cover the cost of reasonably predictable and necessary major repairs, maintenance, and replacement of the Common Areas and shall cause such reserve to be funded by regular monthly or other periodic assessments against the Units rather than by special assessments.

From and after the time a first Mortgagee makes written request to the Association therefore, the Association shall notify such Mortgagee in writing in the event that there occurs any damage or loss to, or taking, or anticipated condemnation of the Common Areas involving an amount in excess of, or reasonably estimated to be in excess of, Ten Thousand dollars (\$10,000.00); or any Unit encumbered by the Mortgage held by such Mortgagee, if the amount involved in such damage, loss, or taking is in excess of, or reasonably estimated to be in excess of, One Thousand Dollars (\$1,000.00). In the event another provision or clause of this Declaration deals with the same subject matter as is dealt with in any provision or clause of this Article XI, the provision or clause which results in the greatest protection and security for a Mortgage shall control the rights, obligations, or limits of authority, as the case may be, applicable to the Association with respect to the subject concerned.

No amendment to this Declaration which has the effect of diminishing the rights, protection, or security afforded to the first Mortgagees shall be accomplished or effected unless fifty-one percent (51%) of the first Mortgagees of the individual Units have given their prior written approval to such

amendment. A change to the provisions governing the events set forth in Section 16.1(c) would be considered material requiring the consent of first Mortgagees as provided herein. Any amendment to this Article XV shall be accomplished by an instrument executed by the Association and filed for record in the official records of the Office of the County Recorder, Salt Lake County, State of Utah. In any such instrument an officer of the Association shall certify that any prior written approval of first Mortgagees required by the Article XV, as a condition to amendment, has been obtained.

Implied Approval. In the event that the approval of a first Mortgagee is required pursuant to the provisions of this Article XV or elsewhere herein, in the event a first Mortgagee fails to submit a response to any written proposal for an amendment within thirty (30) days after it receives proper notice of the proposal, approval will be deemed to have been given, provided notice was delivered to such Mortgagee by certified or registered mail, "return receipt" requested.

Indemnification.

The Association shall indemnify any person who was or is a party or is threatened to be made a party to any threatened, pending, or completed action, suit, or proceeding, whether civil, criminal, administrative, or investigative (other than an action by or in the right of the Association) by reason of the fact that he is or was a member of the Management Committee or officer of the Association against expenses (including attorneys' fees), judgments, fines, and amounts paid in settlement actually and reasonably incurred by him in connection with such action, suit, or proceeding, if he acted in good faith in a manner he believed to be in and not opposed to the best interests of the Association, and with respect to any criminal action or proceedings, had no reasonable cause to believe his conduct was unlawful. The termination of any action, suit, or proceeding by an adverse judgment order, settlement, or conviction, or upon a plea of nolo contendere or its equivalent, shall not, of itself, create a presumption that the person had reasonable cause to believe that his conduct was unlawful.

The Association shall indemnify any person who was or is a party or is threatened to be made a party to any threatened, pending, or completed action or suit by or in the right of the Association to procure a judgment in its favor by reason of the fact that said person is or was a member of the Management Committee or officer of the Association against expenses (including attorneys' fees) actually and reasonably incurred by him in connection with the defense or settlement of such action or suit, if he acted in good faith and in a manner he believed to be in and not opposed to the best interests of the Association; provided, however, that no indemnification shall be made in respect of

any claim, issue, or matter as to which such person shall have been adjudged to be liable for gross negligence or misconduct in the performance of his duty to the Association, unless and only to the extent that the court in which such action or suit was brought shall determine upon application that, despite the education of liability but in view of all circumstances of the case, such person is fairly and reasonably entitled to indemnify for such expenses which such court shall deem proper.

The following provisions shall govern and apply to the right of indemnification set forth in this Section 17.9:

Any person seeking indemnification from the Association under subparagraph (a) of this Section as a result of being made a party to or being threatened to be made a party to any action, suit, or proceeding shall, within a reasonable time and before taking any significant or material action with respect to such action, suit or proceeding, notify the Association in writing with respect thereto and provide the Association the opportunity to reasonably participate in such person's defense thereto and any settlement thereof. Failure to comply with the requirements of this subparagraph (i) shall bar any claim of such person for indemnification by the Association.

To the extent that a person has been successful on the merits or otherwise in defense of any action, suit, or proceeding referred to in subparagraph (a) or (b) of this Section, or in defense of any claim, issue, or other matter therein, he shall be indemnified against expenses (including attorney's fees) actually and reasonably incurred by him in connection therewith. Any other indemnification under subparagraph (a) or (b) shall be made by the Association only upon a determination that indemnification of the person is proper in the circumstances because he has met the applicable standard of conduct set forth respectively in subparagraph (a) or (b). Such determination shall be made either by the Management Committee of the Association by the affirmative vote of at least a majority of the disinterested members of the Management Committee, or by the Owners by the affirming vote of at least a majority of the total votes of the Association at any meeting duly called for such purpose.

Expenses incurred in defending a civil or criminal action, suit, or proceeding as contemplated in subparagraphs (a) and (b) may be paid by the Association in advance of the final disposition of such action, suit, or proceeding upon a determination by the Management Committee of the Association by the affirmative vote of at least a majority of the disinterested members of the Management Committee and upon receipt of an undertaking by or on behalf of the person to repay such amount or amounts unless it ultimately be determined that he is entitled to be indemnified by the Association as authorized by subparagraphs (a) and (b).

The indemnification provided for by subparagraphs (a) and (b) shall not be deemed exclusive of any other rights to which those persons indemnified may be entitled under any agreements, by a vote of disinterested Owners or members of the Management Committee, or otherwise, as to action in such persons' official capacity. The indemnification authorized by subparagraphs (a) and (b) shall apply to all present and future members of the Management Committee and officers of the Association and shall continue as to such persons who cease to be members of the Management Committee or officers of the Association and shall inure to the benefit of the heirs and personal representatives of all such persons and shall be in addition to all other rights to which such persons may be entitled as a matter of law.

The Association may purchase and maintain insurance on behalf on behalf of any person who was or is a member of the Management Committee or officer of the Association against any liability asserted against him or incurred by him in any such capacity or arising out of his status as such, whether or not the Association would have the power to indemnify him against liability under the laws of the State of Utah, as the same may hereafter be amended or modified.

Interpretation. The captions which precede the Articles and Sections of this Declaration are for convenience only and shall in no way affect the manner in which any provision hereof is construed. Whenever the context so required, the singular shall include the plural, the plural shall include the singular, the whole shall include any part thereof, and any gender shall include both genders.
