This Public Trail Easement Agreement (“Agreement”) is made and entered into as of the date of last execution below by and between LIBERTY CAPITAL LENDING, LLC, a Utah limited liability company, and Gayle Larsen (“Developer(s)”, and SNYDERVILLE BASIN SPECIAL RECREATION DISTRICT, a Utah political subdivision (“Basin Recreation”).

A. WHEREAS, Developers are the owner of real property known as the Silver Creek Village development located in Summit County, Utah (“Property”); and,

B. WHEREAS, Basin Recreation desires a public recreation trail across and along a portion of the Property; and,

C. WHEREAS, Developers will construct a trail over a portion of the Property in the general area depicted on Exhibit B, the trail is appropriate for such recreational purposes, and the public will not be charged an entry fee to enter and use the trail further defined below; and,

D. WHEREAS, Developers and the County have expressly relied upon the provisions and protections of the Utah Limitation of Land Developer Liability-Public Recreation Act in agreeing to grant public access to the trail over a portion of the Property; and,

E. WHEREAS, Developers and County wish to cooperatively facilitate a trail as described below.

NOW THEREFORE, in consideration of Ten Dollars (\$10.00) and the mutual covenants and agreements hereof, the sufficiency and receipt of which are hereby acknowledged, Developer and the County agree as follows:

1. **Grant of Easement.** Developers hereby grant to Basin Recreation, for public use in accordance with this grant, a perpetual non-exclusive easement over the easement area described on the attached **Exhibit A**, for the sole purpose of creating and maintaining a public recreation trail right of way no wider than twenty (20’) feet in width (“Trail”), as generally depicted on the attached **Exhibit B**.

2. **Relocation of Trail Segment.** Basin Recreation shall cooperate with Developer in the relocation of the segment of the Trail depicted on the attached Exhibit C at the time that Developer and the Snyderville Basin Reclamation District are prepared to fill the lake area depicted on Exhibit B with water. Developer shall not be responsible for the costs associated with this trail segment relocation.

3. **Compliance with MOU and Development Agreement.** This Agreement is entered into by Developer to satisfy an obligation set forth in the Development Agreement. Basin Recreation and Developer acknowledge that the obligations set forth in this Agreement are consistent with the terms and obligations between Developers and Basin Recreation in the Memorandum of Understanding dated January 31, 2017 (“MOU”).

4. **Construction and Use.** Developers shall construct the Trail as described in the MOU and that Basin Recreation shall otherwise be responsible for the ownership, use and maintenance of the same. The parties agree that the Trail shall be unavailable to and may not be used by motorized vehicles, except for maintenance or emergency use by Basin Recreation or those authorized by Developers. Developers may locate utilities and other infrastructure under and along the Trail in any manner that does not interfere with the Trails use by Basin Recreation. Basin Recreation shall coordinate with Developers, in advance, any pavement of the Trail.

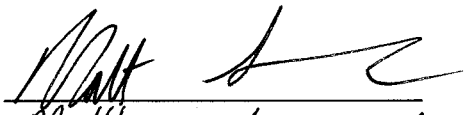

5. **Miscellaneous.**

- a. The Developers and Basin Recreation intend and agree that the use of the Trail over portions of Developer’s Property shall be for a “Recreational purpose” as defined in Section 57-14-2 of the Utah Code Annotated, and for a “Recreational activity” as defined in Section 78B-4-509 of the Utah Code Annotated.
- b. Nothing herein shall constitute a waiver of any portion of the Governmental Immunity Act of Utah, the Utah Limitation of Land Developer Liability-Public Recreation Act, the Recreation Land Use Immunity Act or any defense arising therefrom. Parties enter this Agreement in reliance on the protections of the said laws.
- c. Modification. This Agreement may not be modified except by an instrument in writing signed by the parties hereto.
- d. Governing Law. This Agreement shall be interpreted, construed and enforced according to the laws of the State of Utah.
- e. This Agreement shall be binding upon and inure to the benefit of the successors, heirs and assigns of the parties hereto, and to any entities resulting from the reorganization, consolidation, or merger of any party hereto.
- f. This Agreement, together with the MOU, constitutes the entire understanding and

agreement between the parties, and supersedes any previous agreement, representation, or understanding between the parties relating to the subject matter hereof. There are no third party beneficiaries of this Agreement.
