Section 1

The Facility or Facilities shall be constructed by the Property Owner in accordance with the plans and specifications for the development.

Section 2

The Property Owner, its administrators, executors, successors, heirs, or assigns hereby grants permission to the City, its authorized agents and employees, to enter upon the property and to inspect the facilities whenever the City deems necessary. Whenever possible, the City shall provide notice prior to entry.

**Section 4**

In the event the City, pursuant to this Maintenance Agreement, performs work outside of dedicated public roadways of any nature, or expends any funds in the performance of said work for labor, use of equipment, supplies, materials, and the like, the Property Owner shall reimburse the City, upon demand within thirty (30) days of receipt thereof for all the costs incurred by the City hereunder. If not paid within the prescribed time period, the City shall secure a lien against the real property in the amount of such costs. The actions described in this section are in addition to and not in lieu of any and all legal remedies available to the City as a result of the Property Owner's actions.

The Property Owner, its administrator, executors, successors, heirs, and assigns hereby indemnifies and hold harmless the City and its authorized agents and employees for any and all damages, accidents, casualties, occurrences, or claims that might arise or be asserted against the City from the construction, presence, existence or maintenance of the Facility or Facilities by the Property Owner or the existence or maintenance of the Facility or Facilities by the Property Owner or the City. In the event a claim is asserted against the City, its authorized agents or employees, the City shall promptly notify the Property Owner and the Property Owner shall defend at its own expense any suit based on such claim. If any judgment or claims against the City, its authorized agents or employees shall be allowed, the Property Owner shall pay for all costs and expenses in connection herewith.

**Section 6**

This Maintenance Agreement shall be recorded among the deed records of the Clerk of the Utah County Recorder's Office and shall constitute a covenant running with the land and shall be binding on the Property Owner, its administrator, executors, heirs, assigns and any other successors in interest.
