C. Declarant desires to annex property into the Property. The annexed land shall be known as the Parcel 1, Phase 3 ("Project") as described in Exhibit "A" and the plat recorded simultaneously herewith.

NOW THEREFORE, Declarant hereby declares as follows:

1. All defined terms as used in this Supplemental Declaration shall have the same meaning as those set forth and defined in the Declaration, unless a definition is given to the term in this Supplemental Declaration.
2. The real property described in Exhibit "A" and situated in Midvale City, Salt Lake County, Utah, is hereby submitted to the provisions of the Declaration and, pursuant thereto, is hereby annexed in to the Property and is to be held, transferred, sold, conveyed, and occupied as a part of the Property, subject to the following:

RESERVING UNTO DECLARANT, however, such easements and rights of ingress and egress over, across, through, and under the said property and any improvements (including buildings) now or hereafter constructed thereon as may be reasonably necessary for Declarant (in a manner which is reasonable and not inconsistent with the provisions of the Declaration): (i) to construct and complete the Project, and to do all things reasonably necessary or proper in connection therewith; (ii) to construct and complete on the Additional Property, or any portion thereof, such improvements as Declarant shall determine to build in its sole discretion (and whether or not the Additional Property or any portion thereof has been or hereafter will be added to the Project); (iii) to amend the existing Project as to the number of lots, lot sizes, and units to be built upon the land, as permitted by the laws of the State of Utah and Salt Lake County and the zoning requirements of Midvale City; and (iv) to improve portions of the said property with such other or additional improvements, facilities, or landscaping designed for the use and enjoyment of all Owners as Declarant may reasonably determine to be appropriate. If, pursuant to all foregoing reservations, the said property or any improvement thereon is traversed or partially occupied by a permanent improvement or utility line, a perpetual easement for such improvement or utility line shall exist. With the exception of such perpetual easements, the reservations hereby effected shall, unless sooner terminated in accordance with their terms, expire 7 years after the date on

which this Supplemental Declaration is recorded. Declarant may add land and subject it to this Supplemental Declaration in its discretion for 7 years from the date this Supplemental Declaration is recorded.

THE FOREGOING IS SUBJECT TO all liens for current and future taxes, assessments, and charges imposed or levied by governmental or quasi-governmental authorities; all Patent reservations and exclusions; all mineral reservations of record and rights incident thereto; all instruments of record which affect the above-described real property or any portion thereof, including, without limitation, any mortgage or deed of trust (and nothing in this paragraph shall be deemed to modify or amend such mortgage or deed of trust); all visible easements and rights-of-way; all easements and rights-of-way, encroachments, or discrepancies shown on, or revealed by, a plat or otherwise existing, an easement for each and every pipe, line, cable, wire, utility line, or similar facility which traverses or partially occupies the said real property at such time as construction of all Development improvements is complete; and all easements necessary for ingress to egress from, maintenance of, and replacement of all such pipes, lines, cable, wires, utility lines, and similar facilities.

3. The Declaration as previously amended and supplemented shall remain unchanged and, together with this Supplemental Declaration shall constitute the Declaration of Covenants, Conditions and Restrictions for the Development as further expanded by the annexation of the Additional Property.
