WHEREAS, declarant desires by filing this Amendment to the Amended Declaration and the aforesaid amended record of survey map to submit the above described property and the apartment home buildings and other improvements being constructed thereon, together with all appurtenances thereto, to the provisions of the Utah Condominium Ownership Act as a condominium project, to be known as GARDEN APARTMENTS, and,

WHEREAS, the former declarant, Garden Villa Development Company, did sell the fee title to the individual apartment home units contained in said condominium project, together with an undivided ownership interest in the common areas and facilities appurtenant to each of said apartment home units, to various purchasers, subject to the covenants, restrictions and limitations herein reserved to be kept and observed,

NOW THEREFORE, for such purposes, declarant hereby makes the following amendments to the Amended Declaration, respecting the divisions, covenants, restrictions, limitations, conditions and uses to which the property admitted to said condominium project shall hereafter be subject:

1. Declarant hereby admits the above described property and apartment home buildings and other improvements constructed and to be constructed thereon, together with all appurtenances thereto, to the provisions of the Condominium Ownership Act as a condominium project, to be known as Garden Apartments, This Amended Declaration is submitted in accordance with the terms and provisions of said Act, and shall be construed in accordance therewith. For the purposes of this Amendment to the Amended Declaration all words, terms and phrases used herein shall be construed and defined as the same are used and defined in Section 57-8-3, Utah Code Annotated, 1953, as amended, to the extent applicable and unless another meaning is clear and obvious.

2. This Amended Declaration and the covenants, restrictions, limitations, conditions and uses herein provided shall constitute covenants to run with the land hereby admitted to the condominium project and shall be binding upon the declarant and its successors and assigns, and upon all subsequent owners and encumbrancers of all or any part of the condominium project, and upon their grantees, successors, heirs, executors, administrators, devisees, and/or assigns.

3. The condominium project shall consist of fourteen (14) apartment home buildings, swimming pool, tennis court, garden shelter, and carports as shown by the amended record of survey map recorded herewith, constructed principally of brick, concrete, steel and glass, located upon the land described above. Apartment home building designated as numbers 1 and 5 shall be two-story buildings and apartment home buildings numbers 2, 3, 4, 6, 7, 8, 9, 10, 11, 12, 13, and 14 shall be one-story only. Apartment home building number 3 shall have basements as a part of apartments 1 and 5 in said building.

4. To establish a plan of condominium ownership for said condominium project, the condominium project is hereby divided into the apartment units described in Amended Exhibit "A" attached hereto and by reference made a part hereof, which apartment units, together with their appurtenant interests in the common areas and facilities and limited common areas and facilities shall constitute separate freehold estates for all purposes provided by the said Act.

5. In the event any portion of the common areas and facilities encroaches upon any of the apartment units, a valid easement shall exist for such encroachment, and for the maintenance of same, so long as such encroachment exists. In the event the condominium project is partially or totally destroyed, and then rebuilt, minor encroachments will be permitted as required, upon the apartment units, and easements for such encroachments, and for the maintenance of same shall exist for such period of time as may be reasonably required for the reconstruction or repair of said premises.

6. Unit owners shall not, without the written consent of the management committee, occupy or use the apartment home, or permit the same or any part thereof to be occupied or used for any purpose other than as a private dwelling, and shall not permit or suffer anything to be done or kept in the apartment which will interfere with the rights of

other unit owners, or annoy such owners by unreasonable noises or otherwise. Unit owners shall comply with all laws, ordinances, by-laws, and rules and regulations with respect to the occupancy or use of the respective apartments. They shall not permit or suffer anything to be done or kept in the apartments which will increase the rate of fire insurance on the project, and if, by reason of the occupancy or use of an apartment, the rate of fire insurance on the project shall be increased, the owner thereof shall become personally liable for the additional insurance premiums upon all policies covering the project, and the management committee shall have the right to collect the same, when charged to the owner as additional assessments for the apartment.

7. The common areas and facilities as defined in Section 57-8-3 (5) Utah Code Annotated, 1953, as amended, and/or as shown on the amended record of survey map are hereby set aside for the use and benefit of the respective unit owners in accordance with and for all purposes provided by the Condominium Ownership Act; provided, however, that patios, carports, storage spaces and balconies obviously intended for use by particular units as shown on the amended record of survey map are hereby declared to be limited common areas and facilities for use by such particular unit or units as indicated on said amended record of survey map to the exclusion of other units.

8. The owner or owners of each apartment unit shall own an undivided interest in the common areas and facilities as set forth in Amended Exhibit "A" attached hereto and made a part hereof. Of the total value of the entire condominium project, each of the apartment units represent the undivided percentage thereof expressed in Amended Exhibit "A" for all purposes of the Condominium Ownership Act.

9. The undivided ownership interest in the common areas and facilities appurtenant to each apartment unit as set forth in paragraph numbered 8 above shall be and remain appurtenant to such unit from and after the filing of this Amended Declaration and said interest may not thereafter be altered without the consent of all of the unit owners expressed in an amended declaration duly recorded in accordance with this Amended Declaration and the provisions of the Condominium Ownership and shall not be separated from such apartment units or be separately conveyed therefrom and each such undivided interest shall be deemed to be conveyed or encumbered with the apartment unit to which it is appurtenant even though the description in the instrument of conveyance or encumbrance may refer only to the fee simple title to the apartment unit itself.

10. The condominium project including the common areas and facilities appurtenant thereto shall be managed, operated, and maintained by a management committee as provided in the Condominium Ownership Act and the by-laws promulgated pursuant thereto as the same may be amended from time to time; said management committee shall operate and manage the condominium project by and through the authority of Garden Apartments, a Utah Corporation, said corporation being primarily responsible for the operation, management and maintenance of the condominium project; provided, however, that said management committee may, with the consent of a majority of the unit owners, engage the services of a manager and enter into management contracts.

11. All agreements and determinations respecting the condominium project lawfully made and entered into by the management committee shall be binding upon all of the unit owners and upon their successors and assigns.

12. Except as otherwise provided by law, the unit owners shall have the right to amend this Amendment to the Amended Declaration and/or the amended record of survey map upon the approval and consent of two-thirds (2/3) of the unit owners of the Garden Apartments, which consent and approval shall be by duly executed and recorded instruments.

13. In the event the condominium project is destroyed or damaged to the extent of seventy-five per cent (75%) or less of the value thereof, the management committee, under the direction of Garden Apartments, shall be responsible for repairing, rebuilding, and/or restoring the same to the condition it was in immediately prior to such destruction or damage and the committee shall, in this connection, be entitled to use the proceeds of any and all insurance policies which it may have had in force on said premises as of the date of such destruction or damage. In the event the condominium project is destroyed or damaged to the extent of more than seventy-five per cent (75%) of the value thereof, the unit owners shall, at a meeting duly and regularly called by the committee for that purpose, determine whether or not said premises should be rebuilt, repaired or disposed of. The determination, under this paragraph, of the extent of any damage to the project shall be made by a group of three (3) AIA appraisers who shall be selected by the committee for that purpose. In the event all of said appraisers cannot agree on the extent of the damage or destruction to the project, the decision of any two with respect thereto shall be conclusive. Unless

unit owners representing the ownership of not less than two-thirds (2/3) of the apartment units of Garden Apartments agree to the withdrawal of the condominium project from the provisions of the Act and to its subsequent disposal, the premises shall be repaired, rebuilt or restored to the same condition they were in immediately prior to said destruction or damage. In the event the cost of such repair, rebuilding or restoration shall exceed the amount realized by the committee from the proceeds of any insurance policy or policies as above provided, all of the unit owners shall contribute to such additional cost in the same percentage as their undivided interests in the common areas and facilities as set forth in Amended Exhibit "A".

14. The management committee shall at all times keep the condominium project covered by fire, extended coverage, and liability insurance in its name as trustee for the unit owners, or in the name or names of such person or persons, or corporation, and in such amounts as the committee may from time to time determine to be proper, necessary and adequate. In addition, the individual unit owners will be and are hereby encouraged to carry, at their own cost and expense, such additional insurance coverage on their respective apartment units and upon such personal property as may be located therein, as they shall deem to be necessary and adequate; provided, however, that no unit owner shall be entitled to exercise his right to maintain insurance coverage on an apartment of which he is the owner in such a way as to decrease the amount which the committee may realize under any insurance policy which the committee may have in force on the project at any particular time.

15. Each unit owner, tenant, and/or occupant of an apartment unit shall comply with the provisions of the Act, this Amended Declaration, the by-laws governing the administration of the project, the administrative rules and regulations duly adopted pursuant thereto, and all agreements and determinations lawfully made and/or entered into by the committee, including any amendments thereto, and any failure to comply with the same shall be grounds for an action by the committee to recover any loss or damage resulting therefrom or for injunctive relief.

16. The management committee under the direction of Garden Apartments shall have, and is hereby given the authority to grant such easements over and across the common areas and facilities as shall be determined by said committee to

to be in the interests of the unit owners.

17. EDWARD L. LeVINE, whose place of address is 210 East 2100 North, Provo, Utah, is hereby designated as the person to receive process in connection with the project for all purposes provided by the Condominium Ownership Act; provided, however, that the management committee shall have the right to appoint a successor or substitute process agent. Such successor or substitute process agent shall be designated and appointed by an instrument duly executed and filed in the office of the County Recorder of Utah County, State of Utah.

18. The provisions of this Amendment to the Amended Declaration shall be in addition and supplemental to the provisions of the Condominium Ownership Act, as the same now exists or may be amended from time to time.

19. If any provisions of this Amendment to the Amended Declaration is determined to be invalid, the remaining provisions thereof shall remain in full force and effect and shall not be affected thereby.

20. This Amendment to the Amended Declaration shall take effect upon recording as provided by the Condominium Ownership Act.

Made and executed as of the day and year first above written.
