ARTICLE II: TERMS OF ASSIGNMENT

2.1 Present Assignment and License Back. It is intended by Borrower that this Assignment constitute a present, absolute assignment of the Leases, Rents, Lease Guaranties and Bankruptcy Claims, and not an assignment for additional security only. Nevertheless, subject to the terms of this Section 2.1, the Loan Agreement, the Clearing Account Agreement and the Cash Management Agreement, Lender grants to Borrower a revocable license to collect, receive, use and enjoy the Rents and other sums due under the Lease Guaranties. Borrower shall, subject to the terms of the Loan Agreement, hold the Rents and all sums received pursuant to any Lease Guaranty, or a portion thereof sufficient to discharge all sums currently due and payable on the Debt, in trust for the benefit of Lender for use in the payment of such sums.

2.2 Notice To Lessees. Borrower hereby authorizes and directs the lessees named in the Leases, any other future lessees or occupants of the Property, and all Lease Guarantors to pay over to Lender, or to such other party as Lender may direct, all Rents and all sums due under any Lease Guaranties upon receipt from Lender of written notice to the effect that Lender is then the holder of this Assignment and that an Event of Default has occurred and is continuing, and to continue doing so until otherwise notified by Lender.

2.3 Incorporation By Reference. All representations, warranties, covenants, conditions and agreements contained in the Loan Agreement and the other Loan Documents, as the same may be modified, renewed, substituted or extended from time to time, are hereby made a part of this Assignment to the same extent and with the same force as if fully set forth herein.

ARTICLE III: REMEDIES

3.1 **Remedies of Lender.** Upon or at any time after the occurrence and during the continuance of an Event of Default, the license granted to Borrower in Section 2.1 of this Assignment shall automatically be revoked upon notice by Lender to Borrower, and Lender shall immediately be entitled to possession of all Rents and all sums due under any Lease Guaranties, whether or not Lender enters upon or takes control of the Property. In addition, Lender may, at its option, without waiving such Event of Default, without regard to the adequacy of the security for the Obligations, either in person or by agent, nominee or attorney, with or without bringing any action or proceeding, or by a receiver appointed by a court, dispossess Borrower and its agents and servants from the Property, without liability for trespass, damages or otherwise, but subject to the rights of any Tenant under any Lease or any property manager under any property management agreement, and exclude Borrower and its agents or servants wholly therefrom, and take possession of the Property and all books, records and accounts relating thereto and have, hold, manage, lease and operate the Property on such terms and for such period of time as Lender may deem proper, and either with or without taking possession of the Property in its own name, demand, sue for or otherwise collect and receive all Rents and all sums due under all Lease Guaranties, including, without limitation, those past due and unpaid, with full power to make from time to time all alterations, renovations, repairs or replacements thereto or thereof as Lender may deem proper, and may apply the Rents and sums received pursuant to any Lease Guaranties to the payment and performance of the following in such order and proportion as Lender in its sole discretion may determine, any law, custom or use to the contrary notwithstanding: (a) all reasonable and documented out-of-pocket expenses of managing and securing the Property, including, without being limited thereto, the salaries, fees and wages of a managing agent and such other employees or agents as Lender may deem reasonably necessary or desirable and all actual expenses of operating and maintaining the Property, including, without being limited thereto, all taxes, charges, claims, assessments, water charges, sewer rents and any other liens, and premiums for all insurance which Lender may deem reasonably necessary or desirable, and the cost of all alterations, renovations, repairs or replacements, and all expenses incident to taking and retaining possession of the Property; and (b) the Obligations, together with all costs and reasonable and documented out-of-pocket outside attorneys' fees. In addition, upon the occurrence and during the continuance of an Event of Default, Lender, at its option, may (i) complete any construction on the Property in such manner and form as Lender deems reasonably advisable, (ii) exercise all rights and powers of Borrower, including, without limitation, the right to negotiate, execute, cancel, enforce or modify any Leases, obtain and evict tenants, and demand, sue for, collect and receive all Rents from the Property and all sums due under any Lease Guaranties, (iii) if Lender has required in writing that Borrower vacate the Property, require Borrower to pay monthly in advance to Lender, or any receiver appointed to collect the Rents, the fair and reasonable rental value for the use and occupancy of such part of the Property as may continue to be in the possession of Borrower or its Affiliates, or (iv) require Borrower to vacate and surrender possession of the Property to Lender or to such receiver and, in default thereof, Borrower may be evicted by summary proceedings or otherwise.

3.2 **Other Remedies.** Nothing contained in this Assignment, and no act done or omitted by Lender pursuant to the power and rights granted to Lender hereunder, shall be deemed to be a waiver by Lender of its rights and remedies under the Loan Agreement, the Note, the Security Instrument or the other Loan Documents, and this Assignment is made and accepted

without prejudice to any of the rights and remedies possessed by Lender under the terms thereof. The right of Lender to collect the Obligations and to enforce any other security therefor held by it may be exercised by Lender either prior to, simultaneously with, or subsequent to any action taken by Lender hereunder. Borrower hereby absolutely, unconditionally and irrevocably waives any and all rights to assert any setoff, counterclaim or crossclaim of any nature whatsoever with respect to the Obligations of Borrower under this Assignment, the Loan Agreement, the Note, the Security Instrument or the other Loan Documents or otherwise with respect to the Loan in any action or proceeding brought by Lender to collect same, or any portion thereof, or to enforce and realize upon the lien and security interest created by this Assignment, the Loan Agreement, the Note, the Security Instrument or any of the other Loan Documents (provided, however, that the foregoing shall not be deemed a waiver of (a) Borrower's right to assert any compulsory counterclaim if such counterclaim is compelled under local law or rule of procedure, or (b) Borrower's right to assert any claim which would constitute a defense, setoff, counterclaim or crossclaim of any nature whatsoever against Lender in any separate action or proceeding).

3.3 **Other Security.** Lender may (i) take or release other security for the payment of the Debt and performance of the Other Obligations, (ii) release any party primarily or secondarily liable therefor, and (iii) apply any other security held by it to the payment of the Debt and performance of the Other Obligations without prejudice to any of its rights under this Assignment.

3.4 **Non-Waiver.** The exercise by Lender of the option granted to Lender in Section 3.1 of this Agreement and the collection of the Rents and sums due under the Lease Guaranties and the application thereof as herein provided, shall not be considered a waiver of any Event of Default by Borrower under the Note, the Loan Agreement, the Security Instrument, the Leases, this Assignment or the other Loan Documents. The failure of Lender to insist upon strict performance of any term hereof shall not be deemed to be a waiver of any term of this Assignment. Borrower shall not be relieved of Borrower's obligations hereunder by reason of (a) the failure of Lender to comply with any request of Borrower or any other party to take any action to enforce any of the provisions hereof or of the Loan Agreement, the Note or the other Loan Documents, (b) the release, regardless of consideration, of the whole or any part of the Property, or (c) any agreement or stipulation by Lender extending the time of payment or otherwise modifying or supplementing the terms of this Assignment, the Loan Agreement, the Note, the Security Instrument or the other Loan Documents. Lender may resort for the payment of the Debt and performance of the Other Obligations to any other security held by Lender in such order and manner as Lender, in its sole discretion, may elect. Lender may take any action to recover the Obligations, or any portion thereof, or to enforce any covenant hereof without prejudice to the right of Lender thereafter to enforce its rights under this Assignment. The rights of Lender under this Assignment shall be separate, distinct and cumulative, and none shall be given effect to the exclusion of the others. No act of Lender shall be construed as an election to proceed under any one provision herein to the exclusion of any other provision.

3.5 **Bankruptcy.** (a) Upon or at any time after the occurrence and during the continuance of an Event of Default, Lender shall have the right to proceed in its own name or in the name of Borrower in respect of any claim, suit, action or proceeding relating to the rejection of any Lease, including, without limitation, the right to file and prosecute, to the exclusion of

Borrower, any proofs of claim, complaints, motions, applications, notices and other documents, in any case in respect of the lessee under such Lease under the Bankruptcy Code.

(b) If there shall be filed by or against Borrower a petition under the Bankruptcy Code, and Borrower, as lessor under any Lease, shall determine to reject such Lease pursuant to Section 365(a) of the Bankruptcy Code, then Borrower shall give Lender not less than ten (10) days' prior notice of the date on which Borrower shall apply to the bankruptcy court for authority to reject such Lease. Lender shall have the right, but not the obligation, to serve upon Borrower within such ten (10) day period a notice stating that (i) Lender demands that Borrower assume and assign the Lease to Lender pursuant to Section 365 of the Bankruptcy Code, and (ii) Lender covenants to cure or provide adequate assurance of future performance under the Lease. If Lender serves upon Borrower the notice described in the preceding sentence, Borrower shall not seek to reject the Lease and shall comply with the demand provided for in clause (i) of the preceding sentence within thirty (30) days after Lender's notice shall have been given, subject to the performance by Lender of the covenant provided for in clause (ii) of the preceding sentence.

ARTICLE IV: NO LIABILITY, FURTHER ASSURANCES

4.1 **No Liability of Lender.** This Assignment shall not be construed to bind Lender to the performance of any of the covenants, conditions or provisions contained in any Lease or Lease Guaranty or otherwise impose any obligation upon Lender, except as expressly set forth herein. Lender shall not be liable for any loss sustained by Borrower resulting from Lender's failure to let the Property after an Event of Default or from any other act or omission of Lender in managing the Property after an Event of Default, unless such loss is caused by the fraud, gross negligence, willful misconduct or bad faith of Lender or a material breach of this Assignment by Lender. Unless and until Lender or its receiver acquires actual possession or control of the Property, Lender shall not be obligated to perform or discharge any obligation, duty or liability under the Leases or any Lease Guaranties or under or by reason of this Assignment and Borrower shall, and hereby agrees to, indemnify Indemnified Parties for, and to hold Indemnified Parties harmless from (a) any and all liability, loss or damage which may or might be incurred under the Leases, any Lease Guaranties or under or by reason of this Assignment, and (b) from any and all claims and demands whatsoever, including the defense of any such claims or demands which may be asserted against any Indemnified Parties by reason of any alleged obligations and undertakings on its part to perform or discharge any of the terms, covenants or agreements contained in the Leases or any Lease Guaranties, but, in each case, excluding fraud, gross negligence, willful misconduct or bad faith of Lender or a material breach of this Assignment by Lender. Should Indemnified Parties incur any such liability, the amount thereof, including reasonable out-of-pocket costs, expenses and reasonable and documented out-of-pocket outside attorneys' fees, shall be secured by this Assignment and by the Security Instrument and the other Loan Documents, and Borrower shall reimburse such Indemnified Parties therefor within five (5) Business Days after demand. Unless and until Lender or its receiver acquires actual possession or control of the Property, this Assignment shall not operate to place any obligation or liability for the control, care, management or repair of the Property upon Lender, nor for the carrying out of any of the terms and conditions of the Leases or any Lease Guaranties; nor shall it operate to make Lender responsible or liable for any waste

committed on the Property by the tenants or any other parties, or for any dangerous or defective condition of the Property including, without limitation, the presence of any Hazardous Substances (as defined in the Environmental Indemnity), or for any negligence in the management, upkeep, repair or control of the Property resulting in loss or injury or death to any tenant, licensee, employee or stranger, except, in each instances, to the extent of Lender's or its receiver's gross negligence, willful misconduct or bad faith of Lender of its receiver or a material breach of this Assignment by Lender. For purposes of this Article 4, the term "**Indemnified Parties**" means Lender and any Affiliate of Lender that has filed any registration statement relating to the Securitization or has acted as the sponsor or depositor in connection with the Securitization, any Affiliate of Lender that acts as an underwriter, placement agent or initial purchaser of Securities issued in the Securitization, any other co-underwriters, co-placement agents or co-initial purchasers of Securities issued in the Securitization, and each of their respective officers, directors, partners, employees, representatives, agents and Affiliates and each Person or entity who Controls any such Person within the meaning of Section 15 of the Securities Act or Section 20 of the Exchange Act, any Person who is or will have been involved in the origination of the Loan, any Person who is or will have been involved in the servicing of the Loan secured hereby, any Person in whose name the encumbrance created by the Security Instrument is or will have been recorded, any Person who may hold or acquire or will have held a full or partial interest in the Loan secured hereby (including, but not limited to, investors or prospective investors in the Securities, as well as custodians, trustees and other fiduciaries who hold or have held a full or partial interest in the Loan secured hereby for the benefit of third parties) as well as the respective directors, officers, shareholders, partners, employees, agents, servants, representatives, affiliates, subsidiaries, participants, successors and assigns of any and all of the foregoing (including, but not limited to, any other Person who holds or acquires or will have held a participation or other full or partial interest in the Loan, whether during the term of the Loan or as a part of or following a foreclosure of the Loan and including, but not limited to, any successors by merger, consolidation or acquisition of all or a substantial portion of Lender's assets and business). The provisions of this Section 4.1 shall survive any payment or prepayment of the Loan and any foreclosure or satisfaction of the Security Instrument.

4.2 **No Mortgagee in Possession.** Nothing herein contained shall be construed as constituting Lender a "mortgagee in possession" in the absence of the taking of actual possession of the Property by or on behalf of Lender. In the exercise, in accordance with the Loan Documents, of the powers herein granted to Lender, no liability shall be asserted or enforced against Lender, all such liability being expressly waived and released by Borrower.

4.3 **Further Assurances.** Subject to the terms and provisions of the Loan Agreement, Borrower will, at the cost of Borrower and without expense to Lender, do, execute, acknowledge and deliver all and every such further acts, conveyances, assignments, notices of assignments, transfers and assurances as Lender shall, from time to time, reasonably require for the better assuring, conveying, assigning, transferring and confirming unto Lender the property and rights hereby assigned or intended now or hereafter to be assigned, or which Borrower may be or may hereafter become bound to convey or assign to Lender, or for carrying out the intention or facilitating the performance of the terms of this Assignment or for filing, registering or recording this Assignment and, promptly following demand, will execute and deliver, and hereby authorizes Lender to execute in the name of Borrower to the extent Lender may lawfully
