MONITORING AND EXTRACTION WELL EASEMENT AGREEMENT  
(EXISTING FACILITIES)

This MONITORING AND EXTRACTION WELL EASEMENT AGREEMENT (EXISTING FACILITIES) (the "**Easement Agreement**") is entered into as of January 22, 2016, by and between KENNECOTT LAND COMPANY, a Delaware corporation with an address of 4700 Daybreak Parkway, South Jordan, Utah 84009 ("**Grantor**"), and KENNECOTT UTAH COPPER LLC, a Utah limited liability company, with an address of 4700 Daybreak Parkway, South Jordan, Utah 84009 ("**Grantee**"). Grantor and Grantee are referred to herein individually as a "**Party**" and collectively as the "**Parties**."

RECITALS

A. KLC is the owner of that certain real property described in attached Exhibit A-1 (the "**Property**").

B. Pursuant to that certain Amended and Restated Deed entered into and effective as of October 16, 2002, recorded on December 2, 2002 as Entry No. 8442505 in Book 8695 at Page 7730 of the official records of the Salt Lake County Recorder's Office (the "**Deed**") and in connection with the "Compliance Work" (as defined below), Kennecott Utah Copper Corporation ("**KUC Corporation**"), predecessor in interest to Grantee, reserved certain easement rights and interests (the "**Original Easement**") in and to the Property. The Original Easement is set forth in Paragraphs 4, 5, 6, 7 and 8 of Exhibit B of the Deed.

C. In conjunction with the terms of certain agreements with the U.S. Environmental Protection Agency (the "**EPA**"), the Utah Department of Environmental Quality ("**UDEQ**"), and other state agencies (all such obligations are referred to herein as the "**Compliance Work**"), Grantee has installed and operates certain monitoring and extraction wells at certain locations on the Easement Property (as defined herein), as more fully set forth herein.

D. The Original Easement permits Grantee to construct, operate, maintain, repair, relocate, replace, and rebuild (1) groundwater monitoring wells and related facilities and improvements (collectively, the "**Monitoring Wells**"), (2) groundwater extraction wells and related facilities and improvements, including, without limitation, water pipelines, power lines and related facilities (collectively, the "**Extraction Wells**" and together with the Monitoring Wells, the Extraction Well Facilities and the Monitoring Well Facilities (as defined below), the "**Well Facilities**"), (3) transmission and communications lines and related facilities, improvements, and appurtenances, and (4) underground water pipelines and related facilities, improvements, and appurtenances, under, over and across portions of the Property, as more

particularly described below as the Easement Areas. The Original Easement also provides for a limited right of access, ingress and egress over and across the Easement Property.

E. Grantor and Grantee now desire to amend and restate in its entirety the Original Easement, as set forth in Paragraphs 4, 5, 6, 7, and 8 of Exhibit B to the Deed, on the terms and conditions set forth below.

NOW, THEREFORE, in consideration of the covenants contained in this Easement Agreement, as well as the mutual benefits to be derived herefrom, and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Grantor and Grantee agree as follows:

1. Amendment and Restatement of the Original Easement. This Easement Agreement amends, restates, supersedes, and replaces the Original Easement set forth in Paragraphs 4, 5, 6, 7, and 8 of Exhibit B to the Deed in their entirety with respect to the Property. Except as amended by this Easement Agreement, the Deed, however, remains unmodified and in full force and effect, including, without limitation, the “Well Prohibition Covenant” (as defined in the Deed) and all other terms, conditions, reservations, and prohibitions set forth in the Paragraphs 1, 2, 3, 9, and 10 of Exhibit B to the Deed. The Deed also remains unmodified and in full force and effect with respect to any portions of the property conveyed by the Deed that are not included herein as part of the Property.

2. Grant of Easements. Grantor, for itself and its successors and assigns, hereby grants and conveys to Grantee and its successors and assigns the following perpetual, exclusive and non-exclusive easements in gross (collectively, the “*Easements*”) for the purposes set forth below (collectively, including the Compliance Work, the “*Activities*”):

a. A non-exclusive easement (the “*Monitoring Well Easement*”) in, over, across, under, and through those portions of the Property located within a twenty-five (25)-foot radius around each Monitoring Well wellhead, as more particularly described in attached Exhibit B (collectively, the “*Monitoring Well Easement Area*”), for purposes of locating, drilling, constructing, operating, inspecting, repairing, modifying, maintaining, abandoning (in accordance with applicable law), relocating, enlarging, replacing, re-drilling and/or rebuilding Monitoring Wells and all related improvements, including, without limitation, mains, manholes, pipes, conduits, vaults, electric or other control systems, pumps, cables and wires (collectively, the “*Monitoring Well Facilities*”).

b. An exclusive easement (the “*Extraction Well Easement*”) in, over, across, under, and through those portions of the Property located within a one hundred and fifty (150)-foot radius around each Extraction Well wellhead, as more particularly described in attached Exhibit C (collectively, the “*Extraction Well Easement Area*” and together with the Monitoring Well Easement Area, the “*Well Easement Areas*”), for purposes of locating, drilling, constructing, operating, inspecting, repairing, modifying, maintaining, abandoning (in accordance with applicable law), relocating, enlarging, replacing, re-drilling and/or rebuilding Extraction Wells and all related improvements, including, without limitation, mains, manholes,

pipes, conduits, vaults, electric or other control systems, pumps, cables, wires, fences, gates, and other security measures (collectively, the “**Extraction Well Facilities**”).

c. A non-exclusive easement (the “**Transmission Line Easement**”) in, over, across, under, and through those portions of the Property more particularly described in attached Exhibit D (the “**Transmission Line Easement Area**”) for the purpose of constructing, installing, operating, maintaining, altering, repairing, enlarging, replacing, relocating, and/or rebuilding electrical transmission lines, systems and related improvements and appurtenances (public or otherwise), including, without limitation, guys and anchors, supporting structures, insulators, crossarms, and other necessary or convenient appurtenances, all as may be necessary or appropriate for Grantee’s use and operation of the Well Facilities (collectively, the “**Transmission Line Utilities**”).

d. A non-exclusive easement (the “**Telecommunication Easement**”) and together with the Transmission Line Easement, the “**Utility Easement**”) in, over, across, under, and through those portions of the Property more particularly described in attached Exhibit E (the “**Telecommunications Easement Area**”) and together with the Transmission Line Easement Area, the “**Utility Easement Areas**”) for the purpose of constructing, installing, operating, maintaining, altering, repairing, enlarging, replacing, relocating, inspecting, and/or rebuilding telecommunication lines, systems and related improvements and appurtenances (public or otherwise), including, without limitation, guys and anchors, supporting structures, crossarms, and other necessary or convenient appurtenances, all as may be necessary or appropriate for Grantee’s use and operation of the Well Facilities (collectively, the “**Telecommunication Line Utilities**”) and together with the Transmission Line Utilities, the “**Utilities**”).

e. A non-exclusive easement (the “**Pipeline Easement**”) in, over, across, under, and through those portions of the Property more particularly described in attached Exhibit F (the “**Pipeline Easement Area**”) and together with the Well Easement Areas, the Utility Easement Areas, and the Pipeline Easement Area, the “**Easement Areas**”) for the purpose of constructing, installing, operating, maintaining, altering, repairing, enlarging, replacing, relocating, inspecting, and/or rebuilding underground water pipelines and all related equipment, facilities, improvements, and appurtenances (public or otherwise) (collectively, the “**Pipeline Facilities**”).

f. A non-exclusive easement (the “**Access Easement**”) over and across the Property for the purpose of providing pedestrian and vehicular access, ingress and egress to, from, and across the Easement Areas in connection with Grantee’s exercise of its rights granted under this Easement Agreement. Grantee’s access to the Easement Areas shall be limited, to the greatest extent possible, to existing streets and roadways located upon the Easement Property. For any Easement Areas that are not accessible by existing streets or roadways, Grantee may construct, install, maintain, repair, replace, rebuild, enlarge, and relocate such access roadway facilities (each an “**Access Road**”) as may be necessary or appropriate, in Grantee’s reasonable discretion and subject to Grantor’s prior consent, which shall not be unreasonably withheld, to provide Grantee with access to the Easement Areas pursuant to the terms of this Easement Agreement. Any such Access Road shall be constructed, installed, maintained and repaired by Grantee in a manner that provides sufficient access to the Easements Areas for the purposes set

forth in this Easement Agreement and complies with applicable law. If Grantor desires at any time to upgrade, enhance or otherwise improve an Access Road to a higher construction standard than is necessary for Grantee to exercise its rights under this Easement Agreement, Grantor shall be solely responsible for the cost and expense of such upgrades and enhancements and any ongoing maintenance and repair costs and expenses associated with the same.

The foregoing Easements are granted by Grantor for the benefit of Grantee and Grantee's successors and assigns, and Grantee and Grantee's successors and assigns shall have the sole and exclusive right to enforce such Easements. Notwithstanding the foregoing, in conducting the Activities, Grantee shall use all reasonable efforts to minimize the disruption or interference with any activities being, or reasonably anticipated to be, conducted on the Easement Property by Grantor or by residents or other occupants of the Easement Property. Without limitation, except in the case of an emergency, Grantee shall provide reasonable advance notice to Grantor prior to undertaking any "**substantial work**" within or upon the Easement Property so long as Grantor has delivered to Grantee, in writing, its name, address and other relevant contact information for receipt of such notice. In addition, any Activities performed by Grantee on or at the Easement Property shall be carried out in a manner so as to minimize, to the extent reasonably possible, any damage to the Property. For purposes of this Section, "**substantial work**" means and includes (i) drilling, constructing, relocating, abandoning, rebuilding or re-drilling any Well Facilities; and (ii) constructing, installing, repairing, relocating, enlarging, replacing, or rebuilding any Utilities, Pipeline Facilities, or Access Roads. No notice shall be required before Grantee undertakes any work other than substantial work.

3. Non-Interference; Cooperation. Grantor shall not construct any utilities, structure, fence, building or improvement within, upon, or under the Well Easement Areas or the Pipeline Easement Area, and shall not take or permit any action on the Easement Property that would damage or adversely interfere with the Well Facilities or Grantee's rights hereunder. In addition, Grantor shall not locate, or permit the location of, any "potential contamination source" or "pollution source" within any portion of the Extraction Well Easement Area lying within a 100-foot radius of each Extraction Well wellhead. For purposes of this Easement Agreement, "potential contamination source" and "pollution source" have the meaning set forth in the Source Protection: Drinking Water Source Protection for Ground-Water Sources Rules in Section R309-600 of the Utah Administrative Code, as amended or substituted, and shall also include sewer lines unless such lines comply with the engineering criteria set forth in Section R309-600-13(3) of the Utah Administrative Code, as amended or substituted, and as set forth in all applicable city and county ordinances, rules, and regulations. Grantor and Grantee shall reasonably cooperate and coordinate in good faith with each other in the siting, installation, and operation of Grantee's Wells Facilities and in Grantee's completion of the Compliance Work. Grantee may trim, prune, remove, and/or clear any trees, brush or other vegetation within or adjacent to the Easement Property that presents a hazard or risk to Grantee's Utilities. Grantor shall not erect, locate or place any buildings or other structures, any combustible materials or fire hazards within the Utility Easement Areas.

4. Maintenance and Repairs.

a. Grantee's Obligations. Grantee shall maintain, at Grantee's cost and expense, the Well Facilities, the Utilities, the Pipeline Facilities, and any Access Roads constructed by Grantee (collectively, the "**Improvements**") in good condition and repair and shall complete all work permitted under this Easement Agreement in a good and workmanlike manner, consistent with good construction practices and in accordance with all applicable laws. Grantee shall obtain all permits and approvals that may be necessary for Grantee's completion of the Activities. In addition, Grantee shall be responsible, at its sole cost and expense, for complying with all laws applicable to Grantee's performance of the Activities. Except as otherwise provided in this Easement Agreement and subject to the provisions of Section 7 below, if Grantee or any party by or under Grantee damages or destroys any of Grantor's property or improvements, Grantee shall repair or replace all such damaged or destroyed property or improvements within sixty (60) days (or such additional reasonable time as may be required by the circumstances so long as Grantee commences any such repair or replacement within such sixty (60) day period and prosecutes the same with reasonable diligence). All such work shall be completed in a good and workmanlike manner and all such damaged property or improvements shall be restored to a condition substantially identical to that existing before any such damage or destruction.

b. Grantor's Obligations. If Grantor or any officer, director, employee, contractor, representative, or licensee of Grantor or any affiliate of Grantor (individually, a "**Grantor Party**," and collectively, the "**Grantor Parties**") damages or destroys the Improvements, Grantor shall immediately provide notice to Grantee of such damage or destruction. Following receipt of such notice, Grantee may elect to undertake and complete the work to repair such damage or destruction, at Grantor's sole cost and expense, and Grantor shall reimburse Grantee for the full cost and expense of such work within thirty (30) days of written request therefor, which request shall include written evidence of such incurred costs. If Grantee elects not to complete such work and provides written notice to Grantor of the same, Grantor shall, at Grantor's sole cost and expense, repair or replace the same within thirty (30) days of Grantor's receipt of such notice (or such additional reasonable time as may be required by the circumstances, so long as Grantor commences any such repair or replacement within such thirty (30) day period and prosecutes the same with reasonable diligence). All such work shall be completed in a good and workmanlike manner, consistent with good construction practices, and in accordance with all applicable laws. All such damaged property or improvements shall be restored to a condition substantially identical to that existing before any such damage or destruction.

c. Breach of Maintenance or Repair Obligations. If either Party breaches its maintenance or repair obligations under this Easement Agreement, the non-breaching Party shall provide written notice of the breach to the breaching Party. If the breaching Party fails to cure such breach within thirty (30) days of receipt of notice, the non-breaching Party may cause the maintenance or repair work specified in such notice to be completed, at the breaching Party's cost and expense. In such event, the breaching Party shall reimburse the non-breaching Party for the total cost of completing such work within thirty (30) days after receipt of written notice therefor, which notice shall include written evidence of such incurred costs.

5. Liens. Neither Grantee nor Grantor shall permit any preconstruction or construction lien (in either case, a "Lien") arising from the performance of such Party's activities to accrue against or attach to the Easement Property. If any Lien does so attach, then the Party responsible or allegedly responsible for such Lien (the "**Responsible Party**") shall, within thirty (30) days after becoming aware of such Lien, (a) cause the same to be paid in full and discharged of record, or (b) contest in good faith the amount allegedly due or the right of the lienor to make its lien claim, and shall cause a bond or other security for the protection of the other Party in such form and amount deemed commercially reasonable and appropriate by the Responsible Party for the duration of such contest. Should the Responsible Party fail to discharge or timely contest any Lien (and provide security for the protection of the other Party) within such thirty (30)-day period, the other Party may procure the release and discharge of the Lien with the costs thereof to be borne by the Responsible Party. In such event, the Responsible Party shall reimburse the other Party for such costs within thirty (30) days after receipt of written notice therefor, which notice shall include written evidence of such incurred costs.

6. Ownership of Improvements; Removal. Grantor acknowledges and agrees that the Improvements and all replacements and/or additional facilities that may be constructed in the future by Grantee pursuant to this Easement Agreement (excluding any Access Roads and any Improvements now or hereafter owned by any public utility or other third party) are and shall remain the property of Grantee or Grantee's successors and assigns. If Grantee, in conjunction with the EPA, UDEQ or another state agency, determines that some or all of the Improvements are no longer required by Grantee for the Compliance Work, Grantee shall remove such above-grade Improvements in accordance with all applicable governmental requirements (or in the case of the Well Facilities, shall abandon and close such Well Facilities in accordance with all applicable governmental requirements) and shall restore the applicable portion of the Easement Property affected by such work in accordance with the provisions of Section 9 below. Any below-grade Improvements may remain in place in accordance with applicable law following Grantee's determination that such Improvements are no longer required by Grantee for the Compliance Work.

7. Reserved Rights of Grantor; Other Limitations. Grantor reserves the right to use, develop and occupy the Easement Property so long as such use, development and occupancy does not unreasonably interfere with the rights granted to Grantee under, or otherwise conflict with the terms and conditions of, this Easement Agreement, or present a public health, safety, or security risk. Without limiting the foregoing but subject to the provisions of Section 3 above, Grantor expressly retains the right to install utilities, landscaping, hardscaping, and similar improvements (collectively, "**Grantor's Improvements**") on, under or through the Easement Property and may use any Access Roads constructed by Grantee. Notwithstanding the foregoing or anything to the contrary in this Easement Agreement, Grantee shall have no obligation, cost or otherwise, to repair or restore any of Grantor's Improvements that may be damaged or destroyed by Grantee as a result of Grantee's exercise of its rights granted under this Easement Agreement (with a limited exception for any damage or destruction that is otherwise addressed in Section 10). Except where indicated otherwise, Grantee's rights hereunder are non-exclusive, and Grantor shall have full right and authority to grant other easements, permissions or rights to use the Easement Property as will not impair Grantee's rights under this Easement Agreement.

8. Relocation.

a. Access Roads and Utilities. In cooperation with Grantee, Grantor may relocate all or any portion of the Access Easement, the Utility Easements, the Pipeline Easement or any Improvements constructed and installed therein by Grantee, at Grantor's cost and expense, so long as Grantor provides, as applicable, reasonably comparable replacement Improvements in support of the Well Facilities (and access to such replacement Improvements) and access to the Easement Areas for pedestrian and vehicular ingress and egress, and such relocation does not otherwise adversely affect Grantee's rights granted under this Easement Agreement. Following the relocation of any of the Easement Areas and Improvements described above, Grantor and Grantee agree to execute and record an amendment to this Easement Agreement if and as necessary to evidence such relocation.

b. Well Facilities. If Grantor reasonably requests that Grantee relocate one or more of the Well Facilities, Grantee agrees to reasonably cooperate with Grantor regarding such relocation so long as (i) Grantee has obtained approval from all applicable governmental authorities, if and when required, and Grantee has determined, in its sole discretion, that the broader system of Well Facilities will not be adversely affected by the proposed relocation; (ii) Grantee's compliance obligations will not be adversely impacted by the proposed relocation; and (iii) Grantor pays all costs and expenses incurred by Grantee in connection with such relocation (and any abandonment of Well Facilities associated with such relocation), including, without limitation, all costs and expenses for Grantee's attorneys' and consulting fees and other administrative costs. Following the relocation of any Well Facilities, Grantor and Grantee agree to execute and record an amendment to this Easement Agreement if and as necessary to evidence such relocation.

9. Restoration. Following Grantee's performance of any Activities and subject to the limitations on Grantee's repair obligations for Grantor's Improvements set forth in Section 7, Grantee shall, at Grantee's sole cost and expense, repair and restore the surface of the Easement Property affected by such Activities to the fullest extent reasonably possible, to the grade and condition it was in immediately prior to such Activities, except as necessary to accommodate the Improvements. Grantee further agrees to re-seed the disturbed area so as to prevent erosion, to restore landscaping, to the fullest extent reasonably possible, to the condition it was in immediately prior to such Activities, and to remove any excess earth resulting from such Activities, all at Grantee's cost and expense. This provision shall survive the termination of this Easement Agreement.

10. Indemnification.

a. Grantee, for itself and its officers, directors, employees, contractors, representatives, and licensees, and its affiliates (individually, a "**Grantee Party**," and collectively, the "**Grantee Parties**"), agrees to defend, protect, indemnify and hold harmless Grantor and all Grantor Parties, from and against all claims or demands, including any action or proceedings brought thereon, and all costs, losses, expenses and liability of any kind, including reasonable attorneys' fees and cost of suit, arising out of or resulting from the access to, or use of, the Easement Property by Grantee or any Grantee Party or any failure of Grantee to perform

its duties or obligations under this Easement Agreement; provided, however, the foregoing obligation shall not apply to claims or demands to the extent based on the negligence or the willful act or the omission of Grantor or any Grantor Party.

b. Grantor, for itself and all other Grantor Parties, agrees to defend, protect, indemnify and hold harmless Grantee and all Grantee Parties, from and against all claims or demands, including any action or proceedings brought thereon, and all costs, losses, expenses and liability of any kind, including reasonable attorneys' fees and cost of suit, arising out of or resulting from access to, or the use of, the Easement Property by Grantor or any Grantor Party (including, without limitation, any damage or harm caused by or resulting from such access or use, including, without limitation, any damage to Grantee's Improvements or any environmental impacts or damage resulting from the actions or inactions of Grantor or any such Grantor Party), any failure of Grantor to perform its duties or obligations under this Easement Agreement; provided, however, the foregoing obligation shall not apply to claims or demands to the extent based on the negligence or the willful act or the omission of Grantee or any Grantee Party.

c. This foregoing indemnity provisions shall survive the termination of this Easement Agreement.

11. Insurance. Without limiting Grantee's obligations or liabilities hereunder, Grantee, at its sole cost and expense, shall purchase and obtain the following: commercial general liability insurance covering public liability, including without limitation, coverage for bodily injury and property damage, with respect to the use of the Improvements and the Easement Areas, which shall be underwritten by insurers having A.M. Best Company rating of at least A-/VII, with limits in an amount and coverage of the types a prudent landowner would maintain taking into account the use of the Easement Areas, but in any event not less than \$2,000,000 for each occurrence and \$5,000,000 in the aggregate. In the alternative, Grantee may carry excess liability insurance and/or umbrella insurance that, when combined with its primary coverage in a given category of insurance, brings the total coverage in such category to be no less than the required amount for that category of insurance. Grantee shall provide the following coverage endorsements: (a) an endorsement including Grantor as an additional insured, (b) an endorsement noting that each of the Parties comprising the insureds shall be considered as a separate entity, the insurance applies as if a separate policy has been issued to each Party, and no "insured-versus-insured" exclusion exists in the policy, and (c) an endorsement waiving all express or implied rights of subrogation against Grantor. Grantee shall be solely responsible for payment of the applicable insurance policy deductible amount and shall not be entitled to recover such amount from Grantor. Such insurance will be maintained without any lapse in coverage during the term of this Easement Agreement, and Grantee shall provide Grantor with a ten (10) day notice of cancellation or adverse change. In addition, Grantee shall cause Grantee's contractors and consultants to keep and maintain the insurance required under this Section 11. Grantee may elect to satisfy some or all of the insurance requirements of this Section 11 by means of Grantee's self-insurance and risk management programs.

12. Obligations to Run with the Land. The provisions of this Easement Agreement, including the benefits and burdens, are appurtenant to and run with the Easement Property and are binding upon and inure to the benefit of the successors and assigns of the Parties.

13. Taxes. Grantor shall pay when due all real property taxes and assessments assessed against the Easement Property. Grantee shall pay when due any taxes assessed against the Improvements (excluding any Access Roads or Improvements owned by any public utility or other third party) permitted hereunder and installed in the Easement Areas and/or the Easement Property by Grantee.

14. No Termination. No breach of this Easement Agreement shall entitle either Party to cancel, rescind, or otherwise terminate this Easement Agreement, but such limitation shall not affect any other rights that may be available to such Party. Grantee may terminate this Easement Agreement, in whole or in part, in accordance with applicable law upon providing written notice to Grantor. If so terminated, Grantee shall provide Grantor with a quitclaim deed and disclaimer of interest in a recordable format in and to the portion of the Easement Property affected by the termination, subject, however, to Grantee's restoration obligations set forth in Section 9 above.

15. No Public Dedication. Subject to Grantor's reserved rights set forth in this Easement Agreement, the Easements shall not be construed as creating any rights in or for the benefit of the general public, or be deemed to be a gift or dedication of any part of the Easement Property, in whole or in part, to the general public or for any public use whatsoever.

16. Successors and Assigns. This Easement Agreement shall be binding on Grantor and Grantee and their respective successors and assigns. Grantee may freely assign its rights and obligations under this Easement Agreement, in whole or in part, without Grantor's prior written consent. Upon any assignment by Grantee of some or all its rights and obligations hereunder, Grantee shall provide written notice to Grantor of the assignment, which notice shall include the name and address of the assignee.

17. As-Is Basis; No Representations and Warranties. Grantee shall enter upon the Easement Property at its sole risk, and at Grantee's sole cost and expense, and Grantee accepts the Easement Property in its existing condition, with all faults. Grantor expressly disclaims any and all warranties and representations, whether express or implied or arising by operation of law, of any kind or nature concerning the Easement Property or the Easements hereby granted, the Easement Property's fitness for a particular purpose or suitability for Grantee's use, or the cost of maintenance of Grantee's improvements permitted hereunder.

18. Notices. All notices, requests and demands to or upon any Party to this Easement Agreement shall be in writing and shall be personally delivered or delivered via certified mail, return receipt requested, postage prepaid, or by recognized national overnight courier service, addressed to each Party as set forth in the introductory paragraph of this Easement Agreement. Notice shall be deemed effective on the third business day following the date postmarked, if sent by mail, or on the date of delivery, if sent by personal delivery or overnight courier. Any Party may change the address or addresses specified for the giving of notices hereunder by providing written notice of such changed address or addresses delivered in the same manner as other notices required hereunder.

19. No Admission. No provision of this Easement Agreement constitutes an admission of Grantee or Grantor that any condition at or arising from the Easement Property constitutes Contamination or requires clean-up under any applicable law. No provision of this Easement Agreement constitutes an admission by Grantee or Grantor that they are liable for the clean-up of, or otherwise responsible for, any Contamination or Hazardous Substances at the Easement Property. For purposes of this Agreement, "Hazardous Substances" shall mean all substances defined as "hazardous substances," "hazardous materials," "hazardous wastes," "petroleum", "oil", "contaminants", "pollutants," "toxic pollutants", or "toxic substances" pursuant to the Comprehensive Environmental Response, Compensation and Liability Act, 42 U.S.C. § 9601 et seq., the Resource Conservation and Recovery Act, 42 U.S.C. § 6901 et seq., the Utah Hazardous Substances Mitigation Act, Utah Code §19-6-301 et seq., all as amended, or any other federal, state or local acts, laws, statutes, ordinances, or bylaws, or any rules or regulations adopted thereunder, or any judicial or administrative orders or directives relating to the protection of health, safety or the environment. For purposes of this Agreement, "Contamination" shall mean the presence of Hazardous Substances on, at, under or migrating or arising from the Property which requires cleanup under any applicable law.

20. General Provisions.

a. Modification and Waiver. This Easement Agreement may be modified or amended only by a writing signed by each of the Parties or their respective successors or assigns and recorded in the official records of the Salt Lake County Recorder's Office. This Easement Agreement is governed by the laws of the State of Utah. The failure of any Party to insist upon strict performance of any of the terms, covenants, conditions or agreements contained herein shall not be deemed a waiver of any rights or remedies that such Party may have, and shall not be deemed a waiver of any subsequent breach or default in any of the terms, covenants, conditions or agreements contained herein.

b. Construction; Incorporation; Counterparts. Wherever possible, each provision of this Easement Agreement shall be interpreted in such manner as to be valid under applicable law and shall not be construed strictly for or against any Party. If any provision of this Easement Agreement is adjudicated invalid or prohibited under applicable law, such provision shall be ineffective only to the extent of such prohibition without invalidating the remainder of such provision or the remaining provisions of this Easement Agreement. The Recitals set forth above (together with the defined terms contained therein) and Exhibits attached hereto are incorporated in this Easement Agreement by this reference. This Easement Agreement may be executed in counterparts, each of which shall constitute an original and together which shall constitute one and the same document.

c. Further Assurances. The Parties agree to take such additional actions and execute such additional documents as may be necessary or useful to carry out the transactions contemplated by this Easement Agreement.

d. Attorneys' Fees. If any action or proceeding shall be instituted by either Party for enforcement or interpretation of any of the rights or remedies in or under this Easement Agreement, the prevailing Party shall be entitled to recover from the other Party all reasonable

costs and expenses incurred by the prevailing Party in such action and any appeal therefrom, including court costs, reasonable attorneys' fees and costs of suit as determined by the court.

e. No Joint Venture; No Third Party Rights. The provisions of this Easement Agreement are not intended to create, nor shall they be in any way interpreted or construed to create, a joint venture, partnership or any similar relationship between the Parties. Except as expressly set forth herein, this Easement Agreement does not create any rights in any third party.
