Each Unit shall be capable of being separately owned, encumbered and conveyed. Each Owner of a Unit shall be entitled to the exclusive ownership and possession of such Owner's Unit, subject to the terms and conditions of this Declaration.

(b) No Owner may alter its Unit, subdivide its Unit or relocate the boundaries between a Unit and an adjacent Unit, except as expressly provided by this Declaration and the Act.

If any Units are added to or withdrawn from the Condominium Project, or if the Area of one or more Units is increased or decreased, the Interest in Common Elements for all Units within the

Condominium Project after such addition or withdrawal, increase or decrease shall be recalculated in accordance with the formula set forth in paragraph 3.03(a) above. In making any such recalculation, Units that are substantially identical shall be assigned the same Par Value. Units with substantially different heights above the ground, or having substantially different views, or having substantially different amenities or other characteristics that might result in differences in market value, may be assigned different Par Values. The Par Value assigned to a Unit shall not be considered to reflect or control the sales price or fair market value of any Unit, and no opinion, appraisal, or fair market transaction may affect the Par Value of any Unit, or such Unit's Interest in Common Elements, voting rights in the Association, liability for Common Expenses, or the right to any common profits, assigned on the basis thereof.

(d) Except as expressly provided to the contrary elsewhere in this Declaration, an Interest in Common Elements may not be partitioned from the Unit to which it is appurtenant, and any purported conveyance, encumbrance or transfer of an Interest in Common Elements made without the Unit to which the Interest in Common Elements is appurtenant shall be void. The immediately foregoing sentence shall not prejudice or otherwise affect the rights set forth in Articles 13 and 14 of this Declaration in the event of casualty or condemnation. There shall not be any restriction upon an Owner's right of ingress to and egress from such Owner's Unit.

3.04 Limited Common Elements.

Except as expressly provided to the contrary in this Declaration, the allocation of the Limited Common Elements to the Units as shown on the Plat may not be altered without the consent of all Owners whose Units would be affected by such reallocation.

3.05 Separate Taxation of Condominium Units.

Pursuant to the Act, each Condominium Unit constitutes a separate parcel of real estate and will be separately assessed and taxed.

3.06 Description of Condominium Units.

Any deed, lease, mortgage, deed of trust, or other instrument conveying, encumbering or otherwise affecting a Condominium Unit shall describe the interest or estate substantially as follows:

[Office Unit ____/Retail Unit ____/Roof-Top Unit ____/Parking Unit ____], contained within the Gateway Block D Condominiums as the same is identified in the Plat of Condominium recorded in Salt Lake County, Utah, on June ____, 2016 as Entry No. _____ (as said Record of Survey Plat shall have heretofore been amended or supplemented) and in the Declaration of Condominium for Gateway Block D Condominiums, recorded in Salt Lake County, Utah on June ____, 2016 as Entry No. _____, in Book No. _____ at Page _____ (as said Declaration may have heretofore been amended or supplemented).

TOGETHER WITH the undivided ownership interest in said Project's Common Elements that is appurtenant to said Unit as more particularly described in said Declaration.

Whether or not the description employed in any such instrument is in the above-specified form, however, all provisions of this Declaration shall be binding upon and shall inure to the benefit of any party who acquires any interest in a Condominium Unit. Neither the Interest in Common Elements, nor the right of exclusive use of the Limited Common Elements, shall be separated from the Unit to which it appertains; and, even though not specifically mentioned in the instrument of transfer, such Interest in the Common Elements and such right of exclusive use shall automatically accompany the transfer of the Unit to which they relate.

3.07 Interpretation.

In interpreting this Declaration, the Plat or any deed or other instrument affecting the Building, or a Unit, the boundaries of the Building or Unit constructed or reconstructed in substantial accordance with the Plat shall be conclusively presumed to be the actual boundaries rather than the description expressed in the Plat, regardless of settling or lateral movement of the Building, and regardless of minor variance between boundaries shown on the Plat and those of the Building.

ARTICLE 4 - THE ASSOCIATION

4.01 Formation of the Association.

On or before the date on which Declarant conveys the first Unit to a Purchaser, Declarant shall form the Association.

4.02 Purposes and Powers.

(a) The Association's purposes are:

(i) to manage, operate, insure, construct, improve, repair, replace, alter and maintain the Common Elements;

(ii) to provide certain facilities, services and other benefits to the Owners;

(iii) to administer and enforce the covenants, conditions, restrictions, reservations and easements created hereby;

(iv) to levy, collect and enforce the Assessments, charges and liens imposed pursuant hereto;

(v) to enter into agreements with other Persons, including, without limitation, easements, licenses, leases and other agreements with one or more

condominium associations, with or without the vote or consent of the Owners, Mortgagees, insurers or guarantors of Mortgages, or of any other Person, including, but not limited to, those which contemplate the sharing of expenses among the Association and others for facilities and services that serve the Association;

(vi) to take any action that it deems necessary or appropriate to protect the interests and general welfare of Owners;

(vii) to regulate and manage the Condominium Project; and

(viii) to execute and record, on behalf of all Owners, any amendment to this Declaration or the Plat which has been approved by the vote or consent necessary to authorize such amendment.

(b) Unless expressly prohibited by law or any of the Association Documents, the Association may:

(i) take any and all actions that it deems necessary or advisable to fulfill its purposes;

(ii) exercise any powers conferred on it by the Act or any Association Document; and

(iii) exercise all powers that may be exercised in Utah by nonprofit corporations.

(c) Without in any way limiting the generality of paragraph 4.02(b) above, the Association may, but is not obligated to:

(i) to the extent not provided by a public, quasi-public or private utility provider, provide certain facilities and services to the Owners, such as (A) recreational facilities and services, (B) water, sewer, propane, electric, cable television and other utility services, and (C) trash collection facilities and services;

(ii) acquire, sell, lease and grant easements over, under, across and through Common Elements which are reasonably necessary to the ongoing development and operation of the Condominium Project;

(iii) borrow monies and grant security interests in the Common Elements and in the assets of the Association as collateral therefor;

(iv) make capital improvements, repairs and replacements to Common Elements; and

(v) hire and terminate managers and other employees, agents and independent contractors.

(d) In the exercise of its power to adopt Rules and Regulations, the Association shall not adopt any Rule or Regulation that interferes with:

(i) the use of the Office Unit, Roof-Top Unit or any Parking Unit for usual and customary office and parking purposes otherwise permitted by law or any of the Association Documents;

(ii) the use of the Retail Units for usual and customary retail purposes otherwise permitted by law or any of the Association Documents;

(iii) the rights of the Office Unit Owner or the Retail Unit Owners to locate signage on the Office Unit and Retail Units, respectively, provided such signage is compliant with applicable laws and ordinances; or

(iv) the pedestrian access provided for in Section 11.10 hereof.

Any Owner may state in a writing delivered to the Association its objection to the Rules and Regulations adopted by the Association within forty-five (45) days after the Association's promulgation of the same and delivery to the Owners. Such writing shall state with reasonable particularity such Owner's objection and what modifications to the Rules and Regulations that, if made, would satisfy such Owner's concerns. If the objection cannot be resolved by the Owner and the Association within thirty (30) days of the Association's receipt of the Owner's objection, the disputed Rules and Regulations, or applicable portions thereof, shall be submitted to a vote of the Owners. Such Rules and Regulations shall be deemed approved upon a seventy-six percent (67%) or greater vote of the votes allocated the Units; provided, however, no Owner shall unreasonably withhold its approving vote of the Rules and Regulations proposed by the Association for approval. Rules and Regulations that are not objected to within the forty-five (45) day period specified above shall be deemed approved by the Owners.

4.03 Association Document.

(a) This Declaration and the Plat create the Condominium Project and set forth certain covenants, conditions, restrictions, reservations, easements, assessments, charges and liens applicable to the Land. The Articles create the Association. The Bylaws provide for the regulation and management of the Association, and the Rules and Regulations provide for the regulation and management of the Condominium Project.

(b) If there is any conflict or inconsistency between the terms and conditions of the Act and the terms and conditions of Utah Code Section 16-16a, the Articles, this Declaration, the Bylaws, or the Rules and Regulations, the terms and conditions of the Act shall control. If there is any conflict or inconsistency between the terms and conditions of Utah Code Section 16-16a and the terms and conditions of the Articles, this Declaration, the Bylaws or the Rules and Regulations, the terms and conditions of Utah

Code Section 16-6a shall control. If there is any conflict or inconsistency between the terms and conditions of the Articles and the terms and conditions of this Declaration, the Bylaws, or the Rules and Regulations, the terms and conditions of the Articles shall control. If there is any conflict or inconsistency between the terms and conditions of this Declaration and the terms and conditions of the Bylaws or the Rules and Regulations, the terms and conditions of this Declaration shall control. If there is any conflict or inconsistency between the terms and conditions of the Bylaws and the terms and conditions of the Rules and Regulations, the terms and conditions of the Bylaws shall control.

4.04 Books and Record.

The Management Committee, or manager, if any, shall keep detailed, accurate records in chronological order, of receipts and expenditures affecting the Common Elements, specifying and itemizing the Common Expenses and any other expenses incurred. Upon request, the Association shall allow Owners and Mortgagees and their respective agents to inspect current copies of the Association Documents and the books, records, budgets and financial statements of the Association during normal business hours and under other reasonable circumstances. The Association may charge a reasonable fee for copying such materials.

ARTICLE 5 - VOTING

5.01 Voting.

(a) At any meeting of the Association, the Interest in Common Elements appurtenant to a Unit may be voted in connection with issues presented to the Owners for vote.

(b) The votes allocated to the Units of the Condominium Project are equal to the Interests in Common Elements set forth on Exhibit C attached hereto and made a part hereof.

(c) If any Units are added to or withdrawn from the Condominium Project, or the Area of one or more Units is increased or decreased, the total number of votes allocated to all Memberships and the allocation thereof after such addition, withdrawal, increase or decrease shall be adjusted so that such votes at all times remain equal to the Interest in Common Elements appurtenant to such Unit.

(d) Each Unit shall be entitled to the number of votes allocated to it in accordance with paragraphs 5.01(a), (b) and (c) above, regardless of the number of Owners of the Unit. If the Owners of a Unit cannot agree among themselves as to how to cast their votes on a particular matter, they shall lose their right to vote on such matter. If any Owner casts a vote representing a particular Unit, it will thereafter be presumed for all purposes that the Owner was acting with the authority and consent of all other Owners with whom such Owner shares the Unit, unless objection thereto is made by an Owner of that Unit to the Person presiding over the meeting at the time the vote is cast. If more

than the number of allocated votes is cast for any particular Unit, none of such votes shall be counted and all of such votes shall be deemed null and void other than to determine whether a quorum exists.

(e) Each Owner, by acceptance of the deed to such Owner's Unit, covenants and agrees that it shall exercise its voting rights granted hereunder in good faith and in a manner that deals fairly and reasonably with all those having an interest in the Project.

(f) In any case in which the Act or this Declaration requires the vote of a stated percentage of the Owners or approval of an act or transaction, such requirement shall be fully satisfied by obtaining, with or without a meeting, consents in writing to such transaction from Owners who collectively hold at least the stated percentage of required votes. Such written consents shall be subject to the following conditions:

(i) All necessary consents must be obtained prior to the expiration of ninety (90) days after the first consent is given by any Owner.

(ii) Any change in ownership of a Condominium Unit which occurs after consent has been obtained by the Owner having an interest therein shall not be considered or taken into account for any purpose.

(iii) Unless consent of all Owners having an interest in the same Condominium Unit is secured, the consent of none of such Owners shall be effective.

ARTICLE 6 - MANAGEMENT COMMITTEE

6.01 Number and Election of Director.

During the Declarant Control Period, the Management Committee shall consist of three (3) Directors. The initial Directors shall hold office until the election or appointment of their successors at the first annual meeting. Thereafter, subject to the terms and conditions of Sections 6.03 and 6.04 below, each Director will hold office for a term of one (1) year and the Owners shall appoint the Directors at the annual meetings. Following the Declarant Control Period, the Management Committee shall consist of three (3) Directors elected by the Unit Owners.

6.02 Powers of the Management Committee.

(a) Except as provided in this Declaration, the Articles and the Bylaws, the Management Committee may act on behalf of the Association in all instances.

(b) The Management Committee may not act on behalf of the Association to:

(i) amend this Declaration;

(ii) terminate the Association, this Declaration or the Condominium;

- (iii) elect Directors to the Management Committee; or
- (iv) determine the qualifications, powers and duties, or terms of office, of Directors.

6.03 Declarant Control Period.

(a) Subject to the terms and conditions of paragraphs 6.03(b) and (c) below, but notwithstanding anything else to the contrary contained in this Declaration or in any other Association Document, Declarant shall have the exclusive right to appoint and remove all Directors and Officers during the Declarant Control Period. The phrase "Declarant Control Period" means the period commencing on the date on which this Declaration is Recorded, and ending on the first to occur of the following:

- (i) three (3) years from the date that the Declaration is Recorded; or
- (ii) the date upon which Units representing seventy-five percent (75%) of the total Interests in the Common Elements have been conveyed to Purchasers.

(b) Declarant may voluntarily surrender its right to appoint and remove Officers and Directors prior to the expiration of the Declarant Control Period, but, in that event, Declarant may require, for the remainder of the Declarant Control Period, that specific actions of the Association or the Management Committee, as described in a recorded instrument executed by Declarant, be approved by the Declarant before they become effective.

(c) During the thirty (30)-day period immediately preceding the date on which the Declarant Control Period expires, the Owners shall appoint a Management Committee of three (3) Directors as set forth in Section 6.01 above consisting of Owners or designated representatives of Owners. Directors shall take office upon appointment.

(d) No management contract, lease of recreational areas or facilities, or any other contract or lease designed to benefit the Declarant which was executed by or on behalf of the Association or the Unit Owners as a group shall be binding after the expiration of the Declarant Control Period unless renewed or ratified by the consent of a Majority of the votes allocated to the Units as provided in Section 5.01(b).

6.04 Removal of Directors.

(a) During the Declarant Control Period, Directors appointed by Declarant may be removed, with or without cause, solely by Declarant.

(b) After the expiration of the Declarant Control Period, Directors may be removed, with or without cause, by the Owner that appointed such Director to serve on the Committee.

6.05 Replacement of Directors.

(a) Vacancies on the Management Committee created by the removal, resignation or death of a Director appointed by Declarant shall be filled by a Director appointed by Declarant.

(b) A vacancy on the Management Committee created by the removal, resignation or death of a Director appointed by the Owners shall be filled by a Director appointed by the Owner that appointed such Director to serve on the Committee.

(c) Any Director appointed pursuant to this Section 6.05 shall hold office for the remainder of the unexpired term of the Director that Director replaced.

6.06 Management Committee Liability.

No Director shall be liable to the Owners for any mistake in judgment, for negligence, or on other grounds, except for such Director's own individual and willful misconduct or bad faith. The Owners and Association shall indemnify and hold harmless each Director from and against all liability to third parties arising out of any contract made by the Management Committee on behalf of the Association or Owners, unless such contract was made in bad faith or contrary to the provisions of the Act or this Declaration. The liability of an Owner arising out of the foregoing indemnification shall be limited to the total liability concerned multiplied by such Owner's Interest in Common Elements.

ARTICLE 7 - ASSESSMENTS, COMMON EXPENSES, BUDGETS AND LIENS

7.01 Obligations for Assessments.

(a) Each Owner, by accepting a deed to a Unit (regardless of whether it shall be expressly stated in such deed), shall be deemed to have covenanted and agreed, to pay to the Association all:

- (i) General Assessments;
- (ii) Special Assessments;
- (iii) Default Assessments; and
- (iv) other charges,

that the Association is required or permitted to levy or impose on such Owner or such Owner's Unit pursuant to this Declaration or any other Association Document.

(b) Notwithstanding the definition of the term "Owner":

(i) a Person who acquires a Unit in a foreclosure sale shall be personally liable for all Assessments and other charges that the Association is required or permitted to levy or impose on that Unit or on the Owner of that Unit on or after the date of the foreclosure sale; and

(ii) a Person who acquires a Unit by deed-in-lieu of foreclosure shall be personally liable for all Assessments and other charges that the Association is required or permitted to levy or impose on that Unit or on the Owner of that Unit on or after the date on which the Owner of the Unit executes the deed-in-lieu of foreclosure.

(c) No Owner shall be exempt from liability for any Assessment or other charges by waiving the use or enjoyment of any Common Element or by abandoning a Unit against which such Assessments or other charges are made.

(d) Each Owner shall be personally liable for all Assessments and other charges levied on such Owner or such Owner's Unit during the period of such Owner's ownership of the Unit. If there is more than one Owner of a Unit, each Owner shall be jointly and severally liable with the other Owners of the Unit for all Assessments and other charges levied on the Unit or any Owner of the Unit. In a voluntary conveyance, the grantee of a Unit shall be jointly and severally liable with the grantor for all unpaid Assessments against the grantor without prejudice to the grantee's rights to recover from the grantor the amount of the Assessment paid by the grantee.

(e) Each Assessment or other charge, together with interest and penalties thereon and all costs and expenses incurred by the Association to collect such Assessment or other amount, including all fees and disbursements of attorneys, accountants, appraisers, receivers and other professionals engaged by the Association in connection therewith, may be recovered by a suit for a money judgment by the Association without foreclosing or waiving any Assessment Lien securing the same.

7.02 Shares of Common Expenses.

(a) Except as otherwise set forth in this Declaration, the Association's Common Expenses shall be allocated among the Units in accordance with the Interest in Common Elements appurtenant to such Units (the "Shares of Common Expenses").

(b) Until the Association levies an Assessment, Declarant shall pay all Common Expenses.

7.03 Budget.

(a) Prior to the first levy of a General Assessment, and thereafter on or before October 1 of each calendar year, the Management Committee shall adopt a proposed annual budget for the Association for the following calendar year that sets forth:

(i) the Management Committee's estimates of Common Expenses for the next calendar year, taking into account any default or surplus realized for the current calendar year and any amounts as may be necessary to fund the reserve provided for in Section 7.11 of this Declaration;

(ii) the amount of funds for such Common Expenses that the Management Committee proposes to raise through General Assessments; and

(iii) the amount of funds for such Common Expenses that the Management Committee proposes to raise through Special Assessments.

(b) Within thirty (30) days after adopting a proposed annual budget, the Management Committee shall deliver a summary of the proposed annual budget to the Owners and set a date for a meeting of the Owners to consider ratification of the proposed annual budget. The date of such meeting shall not be less than fourteen (14) days nor more than sixty (60) days after the delivery of the summary of the proposed annual budget to the Owners. Unless the proposed budget is ratified at the meeting of the Owners by a vote of at least seventy-six percent (76%) of the votes allocated to all Units, the proposed budget shall be deemed rejected. If the proposed annual budget is rejected, the annual budget last ratified by the Owners shall be deemed renewed for the next calendar year and shall remain in full force and effect until such time as the Owners ratify a subsequent annual budget proposed by the Management Committee.

(c) If the Management Committee deems it necessary or advisable to amend an annual budget that has been ratified by the Owners under paragraph 7.03(b) above, the Management Committee may adopt a proposed amendment to the annual budget, deliver a summary of the proposed amendment to all Owners and set a date for a meeting of the Owners to consider ratification of the proposed amendment. The date of such meeting shall not be less than fourteen (14) days nor more than sixty (60) days after the delivery of the summary of the proposed amendment. Unless the proposed amendment is ratified at the meeting of the Owners by a vote of at least seventy-six percent (76%) of the votes allocated to all Units, the proposed amendment shall be deemed rejected.

7.04 General Assessments.

(a) After the Management Committee has adopted an annual budget pursuant to paragraph 7.03(b) above, the Association shall levy an assessment for Common Expenses (a "General Assessment") on each Unit. The amount of the General Assessment levied against a Unit shall equal the product obtained by multiplying:

(i) the amount set forth in the annual budget adopted by the Management Committee as the amount of Common Expenses to be raised by General Assessments, by

(ii) that Unit's Interest in Common Elements.

(b) The Owners shall pay the General Assessments levied against their respective Units in such periodic installments as may be required by the Association.

(c) If the Management Committee adopts an amendment to the General Assessment portion of an annual budget pursuant to paragraph 7.03(c) above, the amount of the General Assessment levied against each Unit shall be adjusted accordingly, as shall the amount of each Owner's periodic installments.

(d) If the Management Committee fails to adopt an annual budget for any calendar year prior to January 1 of that calendar year, the Owners shall continue to pay periodic installments of the General Assessment to the Association at the rate payable during the prior calendar year until such time as the Management Committee adopts a new annual budget for the then current calendar year. Once the Management Committee adopts a new annual budget, the Association shall levy against each Unit the General Assessment for the then current calendar year and each Owner's periodic installments shall be adjusted as necessary to pay the new General Assessment in equal periodic installments over the remainder of such calendar year, giving the Owners credit, in such manner as the Management Committee deems necessary or appropriate, for any installments that the Owners have previously paid to the Association during such calendar year.

(e) The failure of the Association to levy a General Assessment for any calendar year shall not be deemed a waiver, modification or release of an Owner's liability for the Share of Common Expenses allocated to such Owner's Unit.

7.05 Special Assessments.

(a) The Assessments that the Association may levy pursuant to this Section 7.05 are referred to in this Declaration as "Special Assessments."

(b) Notwithstanding anything to the contrary contained in Section 7.04 above, if the Association determines that an Assessment is required to immediately fund any Common Expense attributable to the Common Elements, the Association shall amend the budget in accordance with Section 7.03 and thereafter levy an Assessment for such Common Expense against the Units in proportion to the Interests in Common Elements

(c) Each Special Assessment levied against any Unit shall be shown on an annual budget, or an amendment to an annual budget, adopted by the Management Committee pursuant to Section 7.03 above and shall be paid as and when required by the Association. Nothing in this Section 7.05 shall be deemed to require the Association to adopt an annual budget, or an amendment to an annual budget, in contravention of the voting requirements set forth in Section 7.03.

7.06 Default Assessments.

(a) Notwithstanding anything to the contrary contained herein, if any Common Expense is caused by:

(i) the negligence or misconduct of an Owner or an Owner's Guest; or

(ii) a violation of any covenant or condition of an Association Document by an Owner or an Owner's Guest, the Association may levy an Assessment for such Common Expense against such Owner's Unit. Any such Assessment levied by the Association and each fine, penalty, fee or other charge imposed upon an Owner for the Owner's violation of any covenant or condition of any Association Document are each referred to herein as a "Default Assessment."

(b) Default Assessments need not be shown on an annual budget, or on an amendment to an annual budget, adopted by the Management Committee pursuant to Section 7.03 above.

(c) With respect to any Default Assessment, or portion thereof, levied other than as a late charge, the Owner of the Unit against which the Association seeks to levy the Default Assessment shall be provided notice and an opportunity to be heard. Owners of Units against which Default Assessments have been levied shall pay such Default Assessments as and when required by the Association.

7.07 Assignment of Assessments.

The Association shall have the unrestricted right to assign its right to receive Assessments and other future income, either as security for obligations of the Association or otherwise, on the condition that any such assignment is approved by a Majority of the votes allocated to Units represented at a meeting at which a quorum is present.

7.08 Assessment Lien.

(a) The Association shall have a lien on each Unit for any Assessment levied against that Unit and for any fines, late charges, penalties, interest and attorneys' fees, disbursements and costs of collection imposed against the Owner of such Unit under any Association Document (the "Assessment Lien"). The Assessment Lien shall secure all of the foregoing obligations of an Owner from the time such obligations become due. If an Assessment is payable in installments, the Assessment Lien shall secure each installment from the time it becomes due, including the due date set by any valid Association acceleration of installment obligations.

(b) An Assessment Lien shall constitute a lien upon the Owner's Unit, and, upon the Recording of a notice of lien by the Management Committee or manager, if any, it is a lien prior to all other liens and encumbrances on a Unit, recorded and unrecorded except:

(i) encumbrances on the interest of an Owner recorded prior to the date such notice is recorded which by law would be a lien prior to subsequently recorded encumbrances; and

(ii) liens for real estate taxes and special assessment liens on the Unit in favor of any governmental assessing unit or special improvement district; and

(c) Notwithstanding the terms and conditions of subparagraph 7.08(b) above, an Assessment Lien shall not be prior to a First Mortgage recorded before the date on which the Assessment sought to be enforced became delinquent.

(d) An Assessment Lien is extinguished unless proceedings to enforce the Assessment Lien are instituted within six (6) years after the full amount of the Assessment secured thereby becomes due. Suit to recover a money judgment for unpaid Assessments is maintainable without foreclosing or waiving the lien securing it.

(e) This Section 7.08 does not prohibit actions or suits to recover sums secured by an Assessment Lien or the Association from taking a deed in lieu of foreclosure.

(f) In any action by the Association to collect Assessments or to foreclose an Assessment Lien for unpaid Assessments, the court may appoint a receiver of the Owner to collect all sums alleged to be owed by the Owner prior to or during the pendency of the action, including, but not limited to, all costs and expenses of such proceedings, reasonable attorneys' fees, and a reasonable rental for the Unit. A court may order the receiver to pay any sums held by the receiver to the Association during the pending of the action to the extent of the Association's Assessments.

(g) An Assessment Lien may be foreclosed in like manner as a deed of trust or mortgage on real estate or in any other manner permitted by law. Periodic Assessments shall be payable during the period of foreclosure of an Assessment Lien.

(h) Declarant hereby appoints Trustee to act as trustee hereunder. Declarant hereby conveys and warrants pursuant to Utah Code Annotated Sections 57-1-20 and 57-8-45 to Trustee, with power of sale, the Units and all improvements to the Units for the purpose of securing payment of Assessments under the terms of this Declaration.

7.09 Waiver of Homestead Exemptions.

To the fullest extent permitted by law, by acceptance of the deed or other instrument of conveyance of a Unit, each Owner irrevocably waives the homestead exemption provided by the Utah Exemptions Act, Utah Code Ann. §78-23-1 through §78-23-15 as amended from time to time, as the same may apply to the Assessment Lien.

7.10 Estoppel Certificates; Notices to Mortgagees.

(a) The Association shall furnish to an Owner or such Owner's designee or to a Mortgagee or its designee upon written request, delivered personally or by certified mail, first-class postage prepaid, return receipt requested, to the Association's registered agent, and payment of a reasonable fee not to exceed the amount provided for in the Act, a statement setting forth the amount of unpaid Assessments currently levied against such Owner's Unit. The statement shall be furnished within ten (10) calendar days after receipt of the request and is binding on the Association, the Management Committee and every Owner in favor of all Persons who rely upon such statement in good faith. If no statement is furnished to the Owner, the Mortgagee or their designee, delivered personally or by certified mail, first-class postage prepaid, return receipt requested, to the inquiring party, then the Association shall have no right to assert the priority of its Assessment Lien upon the Unit for unpaid Assessments which were due as of the date of the request.

(b) If a First Mortgagee delivers to the Association a written request for notice of unpaid Assessments levied against a Unit subject to a First Mortgage held by that First Mortgagee, the Association shall report to the First Mortgagee any unpaid Assessments levied against such Unit that remain unpaid for more than sixty (60) days after the same shall have become due. The First Mortgagee may pay any such unpaid Assessment, together with any and all costs and expenses incurred with respect to the Assessment Lien securing such unpaid Assessment, and upon such payment, such First Mortgagee shall have a lien on the Unit for the amounts paid with the same priority as a lien of the First Mortgage held by such First Mortgagee.

7.11 Reserve Fund.

(a) The Association shall have the right to maintain a reserve fund to accumulate money to cover the cost of repairing, replacing and restoring Common Elements that have a useful life of three years or more, but excluding any cost that can reasonably be funded from the annual budget or other funds of the Association. Subject to the requirements of the Act, the reserve fund shall include such amounts as the Management Committee may deem proper for general working capital, for a general operating reserve, and for a reserve fund for replacements and major maintenance or capital replacement. The Association shall fund the reserve fund or replace funds withdrawn from the reserve fund with funds collected through Assessments or as otherwise determined by the Owners in accordance with Section 7.11(g) below.

(b) The Management Committee shall cause a Reserve Analysis complying with the requirements of Section 57-8-7.5 of the Act to be conducted prior to the date that is six (6) months following the end of the Declarant Control Period, and no less frequently than every five (5) years thereafter. The Management Committee shall review and, if necessary, update a previously conducted Reserve Analysis no less frequently than every two (2) years.

(c) The Management Committee may conduct the Reserve Analysis itself or may engage a reliable person or organization, as determined by the Management Committee, to conduct the Reserve Analysis.

(d) Notwithstanding anything in this Declaration to the contrary, the reserve fund may not be used for (i) daily maintenance expenses, unless a Majority vote to approve the use of the reserve fund for that purpose or (ii) for any purpose other than the purpose for which the reserve fund was established; provided, however, that nothing in this Section 7.11 shall be construed to limit the Management Committee from prudently investing the reserve fund, subject to any investment constraints imposed by this Declaration.

(e) The Management Committee and the Association shall maintain the reserve fund separate from other funds of the Association.

(f) Subsections 7.11 (b) through (e) and (g) shall not apply during the Declarant Control Period.

(g) At the annual meeting of the Association or at any special meeting of the Association called for reviewing the reserve fund, the Association shall:

(i) present the Reserve Analysis or any update thereof;

(ii) provide an opportunity for the Owners to discuss the reserve fund and to vote on whether to fund a reserve fund and, if so, how to fund it and in what amount; and

(iii) prepare and keep minutes of each such meeting and indicate in the minutes any decision relating to funding a reserve fund.

(h) Upon the sale of a Unit from one Owner to another, the Association shall not be obligated to return to the transferor any funds held in reserve, but the transferor shall be entitled to an appropriate credit from its transferee.

ARTICLE 8 - UTILITY AND OTHER SERVICES

8.01 Water, Sewer, Propane, Electric and Trash Removal Services.

(a) It is initially contemplated that natural gas, electric, water, sewer, and trash removal services shall be separately obtained by each Owner and that all such services will be separately metered and billed to such Unit by the utility company or other party furnishing such services. The charges incurred by the Owners of Units for such services shall not be a part of the Common Expenses of the Condominium Project.

(b) All water, sewer, natural gas, and electric services furnished to the Condominium Project which are separately metered and billed to an individual Unit by

the utility company or other party furnishing such services shall be paid for by the Owner of the Unit to which such utility is metered. All other water, sewer, natural gas and electric services shall be a part of the Common Expenses and shall be allocated by the Association among the Units and charged to the Owners in accordance with their Shares of Common Expenses.

(c) Each Owner shall ensure that its Unit is sufficiently heated to prevent the freezing of water and sewer lines serving the Condominium Project.

8.02 Cable or Satellite Television.

(a) Each Owner of a Unit shall be responsible for obtaining cable or satellite television services, if any, for such Owner's Unit and the Limited Common Elements designed to serve only its Unit appurtenant thereto, and shall pay all costs, expenses, fees, rates and other installation and connection charges incurred in connection therewith, including, without limitation, any connection fees, directly to the provider of such services.

(b) All cable or satellite television services furnished to the Condominium Project which are separately metered and billed to an individual Unit by the cable company or other party furnishing such services shall be paid for by the Owner of the Unit to which such services are metered. All other cable or satellite television services shall be a part of the Common Expenses and shall be allocated by the Association among the Units and charged to the Owners in accordance with their Shares of Common Expenses.

8.03 Telephone.

(a) Each Owner shall be responsible for obtaining telephone services for its Unit and the Limited Common Elements designed to serve only its Unit and shall pay all costs, expenses, fees, rates and other charges incurred in connection therewith, including, without limitation, any connection fees, directly to the provider of such services.

(b) The Association shall determine what, if any, telephone services are necessary for the General Common Elements that serve all of the Units and shall be responsible for obtaining those services. The Common Expenses incurred by the Association for those services shall be allocated among the Units in accordance with their proportionate Shares of Common Expenses.

8.04 Other Utilities.

If the Association incurs Common Expenses for any utility service not described above, or if the manner of providing or metering any utility service described above changes from the manner in which such service is provided or metered as of the date of this Declaration, the Association may allocate the Common Expenses incurred for such

new utility service or changed utility service in any reasonable and equitable manner consistent with the Act.

ARTICLE 9 - MAINTENANCE OF COMMON ELEMENTS AND UNITS

9.01 Maintenance of Common Elements.

Except as otherwise provided in this Declaration, the Association, or its duly designated agent, shall maintain the General Common Elements and the other Association property in good order and condition and shall otherwise manage and operate the General Common Elements as it deems necessary or appropriate. The Management Committee shall have the irrevocable right to have access to each Unit and appurtenant Limited Common Elements from time to time during reasonable hours as may be necessary for the maintenance, repair or replacement of the General Common Elements or for making emergency repairs necessary to prevent damage to the General Common Elements or to another Unit or Units. In addition, the Association shall ensure that all interior General Common Elements are sufficiently heated to prevent the freezing of water and sewer lines serving the Condominium Project. Without the limiting the foregoing, the Association may:

- (a) construct, modify, add to, repair, replace or renovate any improvements that are located on or constitute a part of any General Common Element;
- (b) plant and replace trees, shrubs and other vegetation on any General Common Element;
- (c) place, maintain and replace signs upon any General Common Element;

Each Owner, at such Owner's sole cost and expense, shall maintain in good order and repair its respective Unit and all structural elements, utility facilities, lines, ducts, and other such apparatus (including all fixtures located therein) serving solely such Unit. The Owners of the Retail Units, Office Units, Roof-Top Unit and Parking Units, shall separately maintain, clean, repair and generally keep in good order and operating condition the Limited Common Elements serving solely, respectively and as the case may be, the Retail Units, Office Units, Roof-Top Units and Parking Units; provided further, that if certain Limited Common Elements are designated for use by multiple types of Unit Owners (e.g. Office and Parking), then such Unit Owners shall collectively maintain, clean, repair and generally keep in good order and operating condition the Limited Common Elements serving such Units. Each Owner shall separately maintain, clean, repair and generally keep in good order and operating condition the Limited

Common Elements serving solely such Owner's Unit. The Association shall have no obligation regarding maintenance, repair or care which is required to be accomplished by any Owner or group of Owners.

9.03 Mechanic's Liens and Indemnification.

No labor performed or materials furnished and incorporated into a Unit with the consent or at the request of an Owner or an agent, contractor or subcontractor of an Owner shall be the basis either for filing a lien against the Unit of any other Owner not expressly requesting or consenting to the same, or against the Common Elements. Notwithstanding the foregoing, labor performed or materials furnished for the Common Elements, if authorized by the Owners, the manager or the Management Committee in accordance with this Declaration, the Bylaws, the Rules and Regulations, or the Act, shall be deemed to be performed or furnished with the express consent of each Owner and shall be the basis for filing a lien pursuant to applicable law. Payment for any such lien shall be made as provided in the Act. Each Owner shall indemnify and hold harmless each of the other Owners and any Mortgagee from and against all liability arising from any claim or lien against the Unit of any other Owner or against the Common Elements for construction performed or for labor, materials, services or supplies incorporated in the Owner's Unit at the Owner's request.

10.04 Use of Common Elements.

All Owners and their Guests may use the General Common Elements and the Limited Common Elements designed to serve their Units for the purposes for which such Common Elements are intended. Notwithstanding the preceding sentence, neither an Owner nor a Guest

may use any Common Element in any manner that unreasonably interferes with, hinders or encroaches upon the rights of other Owners in and to the Common Elements. Without limiting the generality of the foregoing, no Owner shall cause, or permit its Guests to cause, waste to any Common Element.

10.05 Alterations.

(a) Except as otherwise expressly provided in this Declaration, an Owner of a Unit may not make (i) any improvement or alteration to a Common Element, or (ii) any improvement or alteration to its Unit that affects any Common Element or any other Unit, without the prior written consent of the Association. No Owner shall do any work or make any alterations or changes which would jeopardize the soundness or safety of the Condominium Project without obtaining the written consent of each Owner. No Owner shall do any work or make any alterations or changes which would reduce the value of the Condominium Project or impair any easement or hereditament, without in every case first obtaining the prior written consent of the Association.

(b) Without limiting the generality of paragraphs 10.07(a) above, an Owner of a Unit may not, without the prior written consent of the Association, install or erect any improvement, mechanical system or fixture that either:

(i) protrudes beyond the boundaries of the Owner's Unit; or

(ii) is located wholly outside the Owner's Unit (even if located within a Limited Common Element that is assigned to solely the Owner's Unit).

(c) Notwithstanding paragraph 10.06(a) above, an Owner who owns adjoining Units may remove or alter any intervening partition, even if the partition in whole or in part is a Common Element, with the prior approval of the Management Committee, if those acts do not jeopardize the soundness or safety of the Condominium Project, reduce its value or impair any easement or hereditament, or impair the structural integrity, electrical systems, or mechanical systems or lessen the support of any portion of the Condominium Project and otherwise comply with the Act, this Declaration and all applicable laws, codes and regulations.

10.06 Nuisances, Hazardous Activities and Unsightliness.

10.07 Signs.

(a) No signs whatsoever shall be erected or maintained on the Land, except signs required by legal proceedings and those permitted or approved by this Declaration and/or the Rules and Regulations.

(b) Without limiting the generality of paragraph 10.09(a) above, no "For Sale" or "For Rent" signs shall be displayed on the exterior or interior of a Unit, except that a limited amount of signage may be permitted in accordance with reasonable Rules and Regulations established by the Association with respect to the type and location of such signs.

Nothing shall be done or kept at the Land in violation of any law, ordinance, rule, regulation or other requirement of any governmental or quasi-governmental authority.

10.09 Compliance with Insurance.

Except as may be approved in writing by the Association, nothing shall be done or kept at the Land that may result in the cancellation of any insurance maintained by the Association or may result in an increase in the rates of any such insurance. Activities incident to or necessary for the conduct of commercial operations shall not violate the terms of this Section even if such activities result in an increase in rates of insurance; provided, however, any such increase in the rates of insurance shall be charged to the Owners of the Units whose uses create such increases as Special Assessments.

10.10 Subdivision, Rezoning and Timesharing.

(a) Subject to the provisions of Section 3.02(d) above, no Unit may be subdivided unless the subdivision has been approved by 100 percent of the votes allocated to all Units at a duly convened meeting of the Association and has received all applicable governmental and quasi-government approvals.

(b) No application for rezoning any portion of the Land, and no applications for variances or use permits, shall be filed with any governmental or quasi-governmental authority, unless the proposed rezoning has been approved by 100 percent of the votes allocated to all Units at a duly convened meeting of the Association (or pursuant to written consents in lieu of such a meeting) and the uses that would be permitted under the rezoning comply with this Declaration and the other Association Documents.

(c) No Owner shall offer or sell any interest in any Unit under a "timesharing" or "interval ownership" plan or similar plan.

(d) The covenants, conditions and restrictions set forth in paragraphs 10.12(a) and (b) above shall not apply to Declarant's development of the Land or to Declarant's exercise of any Special Declarant Right.

10.11 Vehicles and Parking.

(b) No motor vehicle shall be constructed, repaired or serviced at the Condominium Project, except on a short-term emergency basis where such repairs are necessary to affect the removal of a disabled vehicle.

(c) Except as the same may be available through separate lease agreements with the Owner of the Parking Units, no Owner, other than the Owner of the Parking Units, shall be entitled to park in the Parking Units.

(d) An Owner shall not sell, lease or otherwise convey all or any part of any parking right it may have by virtue of its ownership of a Unit (other than a Parking Unit and other than in connection with the sale, lease or other conveyance of such Owner's Unit).

(e) Non-assigned-handicap-dedicated parking spaces in the Condominium Project's parking structure may be used by the Owners of Units on as needed basis subject to agreements with the Owner of the applicable Parking Unit; provided, however, spaces designated for handicap use shall also be used only by those possessing a permit for such use.

(f) The Owner of the Parking Unit may promulgate rules governing the use of the Parking Units, including rules and regulations pertaining to shared parking arrangements within the Parking Unit. Unit Owners leasing parking spaces within such portions of the Parking Unit shall be subject to such shared use parking arrangements.

10.12 Deliveries, Trash Removal and Other Services.

(a) By acceptance of a deed to a Unit, an Owner agrees that all deliveries and all trash removal services, and other such services to that Owner or its Unit shall be effected at a location or locations designated by the Association from time to time for such purposes. Unless otherwise directed by the Association, Owners of all Units and

their Guests shall place all trash and other waste from the Units in receptacles which are located in the Condominium Project and designated for that purpose.

(b) Owners shall not, and shall not permit their Guests to litter. No burning of trash, garbage or other waste materials will be permitted at the Land.

Prior to renting any Condominium Unit, the Owner and the tenant shall execute a written lease agreement which shall include the following provisions:

(a) The tenant shall agree to comply with all of the terms and conditions of the Declaration and Bylaws;

(b) The tenant shall agree not to allow or commit any nuisance, waste, unlawful or illegal act upon the Project; and

(c) The owner and the tenant shall acknowledge that the Association is an intended third party beneficiary of the lease agreement, that the Association shall have the right to enforce compliance with the Declaration and Bylaws and to abate any nuisance, waste, unlawful or illegal activity upon the premises; and that the Association shall be entitled to exercise all of the Owner's rights and remedies under the lease agreement to do so.

Prior to a tenant's occupancy of a Condominium Unit or any portion thereof, the Owner must provide to the Association the name, address and telephone number of the tenant and a copy of the written lease agreement. The Association shall have the right and the obligation to enforce compliance with the Declaration and Bylaws against any Owner and/or occupant of any Condominium Unit, and shall have all rights and remedies available under state or local law, in

addition to its rights and remedies as a third party beneficiary under any lease agreement, to enforce such compliance. (ii) the Owner of the Office Unit promptly repairs any damage to any General Common Elements caused thereby at its cost and expense;

(iii) the improvement or alteration complies with all applicable requirements of the Act and all laws, ordinances, regulations and rules of governmental and quasi-governmental authorities with jurisdiction.

If any such improvement or alteration will impair any other Unit or any Limited Common Element assigned to serve any other Unit, the Owner of the Office Unit shall not make the improvement or alteration without the prior written consent of the Majority of the Owners of the Units, or the Owners of the Units served by the Limited Common Elements that will be impaired thereby, as the case may be.

Notwithstanding the foregoing and except when access is required on an emergency basis, any

- (d) vandalism and malicious mischief coverage;
- (e) a special-form endorsement; and
- (f) a determinable-cash-adjustment clause or a similar clause to permit cash settlement covering full value of the Common Elements in case of partial destruction and a decision not to rebuild.

12.03 Additional Provisions to be Contained in Insurance Policies .

Any insurance policies obtained and maintained by the Association pursuant to Sections 12.01 and 12.02 above shall name as insureds the Association and the Owners (including Declarant, so long as Declarant is the Owner of any Unit) and provide that:

- (a) the insurer waives its right of subrogation under the policy against any Owner or member of the Owner's household;
- (b) no act or omission by any Owner, unless acting within the scope of such Owner's authority on behalf of the Association, will void the policy or be a condition to recovery under the policy; and
- (c) if, at the time of a loss under the policy, there is other insurance in the name of an Owner covering the same risk covered by the policy, the Association's policy provides primary insurance.

12.04 Trustee.

Any loss covered by the property insurance policy described in Section 12.02 above must be adjusted with the Association, and the insurance proceeds for that loss shall be payable to the Association or any insurance trustee designated for that purpose, and not to any Owners or Mortgagees. The insurance trustee or the Association shall hold any insurance proceeds in trust for the Owners and Mortgagees as their interests may appear. Subject to the provisions of Section 13.02 below, the proceeds must be disbursed first for the repair or restoration of the damaged property, and the Owners and Mortgagees are not entitled to receive payment of any

portion of the proceeds unless there is a surplus of proceeds after the Condominium Project has been repaired or restored or the Condominium Project is terminated.

12.05 Owner Maintained Insurance.

Each Owner shall have the right to separately insure its personal property against loss by fire or other casualty. In addition, any Improvements made by an Owner within its Unit may be separately insured by the Owner, but the insurance is to be limited to the type and nature of coverage commonly known as "tenant's improvements." All such insurance that is individually carried must contain a waiver of subrogation rights by the insurer as to other Owners, the Association, Declarant, and Mortgagees.

12.06 Management Committee's Authority to Revise Insurance Coverage.

(a) Subject to any restrictions imposed by the Act, the Management Committee shall have the power and right to deviate from the insurance requirements contained in this Article 12 in any manner that the Management Committee, in its discretion, considers to be in the best interests of the Association. If the Management Committee elects to materially reduce the coverage from the coverage required in this Article 12, the Management Committee shall make all reasonable efforts to notify the Owners of the reduction in coverage and the reasons therefor at least thirty (30) days before the effective date of the increase or reduction. Notwithstanding the foregoing, the Association shall only institute such material increase or reduction following a vote of at least seventy-six percent (76%) of the votes allocated to all Units.

(b) The Association and its Directors and Officers shall have no liability to any Owner or Mortgagee if, after a good faith effort, (i) the Association is unable to obtain any insurance required hereunder because the insurance is no longer available; or (ii) if available, the insurance can be obtained only at a cost that the Management Committee, in its sole discretion, determines is unreasonable under the circumstances.

(c) The Management Committee is authorized to negotiate and agree on the value and extent of any loss under any policy carried by the Association, including, but not limited to, the right and authority to compromise and settle any claim or enforce any claim by legal action or otherwise and to execute releases in favor of any insurer.

(d) Each Owner, by acceptance of a deed to a Unit irrevocably appoints the Association as that Owner's attorney in fact for purposes of procuring, negotiating, accepting, compromising, releasing, settling, distributing, and taking other related actions in connection with any insurance policy maintained by the Association and any losses or claims related thereto and agrees to be bound by the actions so taken as if the Owner had personally taken the action.

(e) If the Association becomes aware that any insurance policy described in Sections 11.01 and 11.02 above is not reasonably available, it shall, within seven (7) days

of becoming aware of such fact, give all owners notice that such insurance is not reasonably available.

12.07 Periodic Insurance Review.

The Management Committee periodically (and not less than once every three (3) years) shall review the Association's insurance policies and make such adjustments to the policies' terms and conditions as the Management Committee considers to be in the best interests of the Association. The review shall include an appraisal by a qualified appraiser of the current replacement costs of all covered property under the Association's policy unless the Management Committee is satisfied that the current dollar limit of the property policy, coupled with the amount of actual reserves on hand, is equal to or greater than the current replacement costs.

ARTICLE 13 - CASUALTY

13.01 Total or Partial Destruction of the Condominium Project.

If there is a total or partial destruction of the Condominium Project, the Condominium Project shall be promptly rebuilt or repaired in accordance with the Act, unless:

(a) the Condominium Project is terminated in accordance with Section 18.02 hereof;

(b) repair or replacement would be illegal under any state or local statute governing health or safety;

(c) seventy-five percent (75%) or more of the Building is destroyed or substantially damaged, and the Owners, by a vote of at least seventy-five percent (75%) of the Interests in Common Elements, do not voluntarily, within 100 days after the occurrence of such damage, make provision for reconstruction, and the Management Committee shall Record, in the Salt Lake County Records, a notice, in accordance with the Act, thereby subjecting the Condominium Project to an action for partition and sale; or

(d) the Owners, by a vote of at least seventy-five percent (75%) of the Owners of the Interests in Common Elements, elect to sell or otherwise dispose of the Condominium Project in accordance with the Act.

13.02 Excess Insurance Proceeds.

If the entire Condominium Project is not repaired or replaced, the insurance proceeds attributable to the damaged Common Elements must be used to restore the damaged area to a condition compatible with the remainder of the Condominium Project, and, except to the extent that other persons will be distributees, the insurance proceeds attributable to Units and Limited Common Elements that are not rebuilt must be distributed to the Owners of those Units and the Owners of the Units to which those Limited Common Elements were allocated, or to

Mortgagees, as their interests may appear, and the remainder of the proceeds, if any, must be distributed to all the Owners or Mortgagees, as their interests may appear, in proportion to the Interests in Common Elements of all the Units.

13.03 Casualty to a Unit.

To the extent that the Association is not obligated to make any such repairs or replacements, each Owner shall repair or replace any damage to or destruction to the interior of its Unit, as soon as is reasonably practical after such damage or destruction occurs.

ARTICLE 14 - CONDEMNATION

14.01 Condemnation of All Units.

If the entire Condominium Project is taken by condemnation, eminent domain or similar proceeding, the Condominium Project shall terminate as of the date of the taking and any condemnation award payable in connection therewith shall be paid to the Association and then disbursed by the Association to the Owners in proportion to their Interests in Common Elements.

14.02 Condemnation of Fewer Than All Unit .

If one or more Units, but less than the entire Condominium Project, is taken by condemnation, eminent domain or similar proceeding,

(a) any condemnation award payable in connection therewith shall be paid to the Owners of the Units taken, and

(b) the Interest in Common Elements appurtenant to those Units shall be reallocated, in accordance with the terms and conditions of the Act.

14.03 Condemnation of Common Elements.

If any portion of the Common Elements is taken by condemnation, eminent domain or similar proceeding, any condemnation award payable in connection therewith shall be paid to the Association and then disbursed by the Association to the Owners in proportion to their Interests in Common Elements.

ARTICLE 15 - SPECIAL DECLARANT RIGHTS

15.01 Improvements.

Declarant hereby reserves for itself, its successors and assigns the right, but is not obligated, to construct:

(a) any Improvements shown on the Plat; and

(b) any other buildings, structures or improvements that Declarant desires to construct on the Land, or any other real estate owned by Declarant, regardless of whether the same ever become part of the Condominium Project.

15.02 Development Rights.

Declarant hereby reserves for itself, its successors and assigns the right to create easements, permits, licenses and other property rights and reservations as described in Articles 2 and 11 of this Declaration.

15.03 Sales Offices and Models.

(b) Declarant shall have the right from time to time to locate or relocate any signs, banners, or similar devices, but in connection with such location or relocation shall observe the limitations imposed by the preceding portion of this Section. Within a reasonable period after the end of the Declarant Control Period, Declarant shall have the right to remove from the Condominium Project any signs, banners, or similar devices and any separate structure or facility which was placed on a portion of the Land for the purpose of aiding Declarant's sales efforts. Any signs, banners, or similar devices, and any separate structure or facility for aiding Declarant's sales efforts shall comply with applicable zoning ordinances.

15.04 Exercising Special Declarant Rights.

Declarant may exercise its Special Declarant Rights at any time prior to the later to occur of the date on which the Declarant Control Period expires or the date that is fifty (50) years after the date on which this Declaration is recorded in the Salt Lake County Records. Declarant may exercise its Special Declarant Rights in any order, and no assurance is given as to the order in which Declarant will exercise its Special Declarant Rights. If Declarant exercises any Special Declarant Right with respect to any portion of the Land, Declarant may, but is not obligated to, exercise that Special Declarant Right with respect to any other portion of the Land. Notwithstanding anything to the contrary contained in this Declaration, Declarant may exercise any Special Declarant Right described in this Article 15 and any other right reserved to Declarant in this Declaration, without the consent of the Association or any of the Owners.

15.05 Interference with Special Declarant Rights.

Neither the Association nor any Owner may take any action or adopt any Rule or Regulation that interferes with or diminishes any Special Declarant Right, without Declarant's prior written consent. Any action taken in violation of this Section 15.05 shall be null and void and have no force or effect.

15.06 Rights Transferable.

Declarant may transfer any Special Declarant Right reserved to it under this Article 15 or under any other provision of this Declaration in accordance with the terms and conditions of the Act.

ARTICLE 16 - MORTGAGEE PROTECTIONS

This Article establishes certain standards and covenants which are for the benefit of Mortgagees. This Article is supplemental to, and not in substitution of, any other provisions of this Declaration, but in the case of any conflict, this Article shall control.

16.02 Notice of Actions.

If requested in writing to do so, the Association shall give prompt written notice of the following to each First Mortgagee making such request:

- (d) any proposed action which would require the consent of First Mortgagees as set forth in this Article; and
- (e) any judgment rendered against the Association.

A general request from a First Mortgagee requesting notice from the Association with respect to each of the foregoing matters shall be deemed a sufficient request for notice with respect to all such matters and notice shall be provided by the Association with respect to each such matter.

16.03 Consent Required.

Notwithstanding anything to the contrary contained in this Declaration, the Association may not take any of the following actions without the consent of seventy-six percent (76%) of the First Mortgagees (based on the Interest in Common Element attributable to each Unit covered by a First Mortgage):

- (a) by act or omission seek to abandon or terminate the Condominium Project, except after condemnation or substantial casualty;
- (b) except as provided herein for condemnation, casualty and the exercise of Special Declarant Rights, change the Interests in Common Elements, Shares of Common Expenses or votes in the Association of any Unit;
- (c) subdivide, partition, or relocate the boundaries of any Unit, except as permitted with respect to Special Declarant Rights;
- (d) abandon, subdivide, partition, encumber, sell, or transfer the Common Elements (the granting of easements for public utilities or for other purposes provided for in this Declaration shall not be deemed transfers);

- (f) merge the Condominium Project with any other common interest community.

16.04 Notice of Objection.

Unless a First Mortgagee provides the Association with written notice of its objection, if any, to any proposed amendment or action requiring the approval of First Mortgagees within thirty days following the receipt of notice of such proposed amendment or action, the First Mortgagee will be deemed conclusively to have consented to or approved the proposed amendment or action.

16.05 First Mortgagee's Rights.

- (a) First Mortgagees, jointly or singly, may pay taxes or other charges which are in default and which may or have become a charge against any of the Common Elements or improvements thereon, and may pay overdue premiums on hazard insurance policies, for the Common Elements. First Mortgagees making such payment shall be owed immediate reimbursement from the Association.

(b) A First Mortgagee shall be entitled to cure any delinquency of the Owner of a Unit encumbered by its First Mortgage in the payment of Assessments. In that event, the First Mortgagee shall be entitled to obtain a release from the lien imposed or perfected by reason of such delinquency.

16.06 Limitations on First Mortgagee's Rights.

No requirement for approval or consent by a First Mortgagee provided in this Article shall operate to:

(a) deny or delegate control over the general administrative affairs of the Association by the Owners or the Management Committee;

(b) prevent the Association or the Management Committee from commencing, intervening and/or settling any legal proceeding; or

(c) prevent any insurance trustee or the Association from receiving and distributing any insurance proceeds in accordance with the requirements of the Article 12 above.

16.07 Declarant Rights.

No provision or requirement of this Article 16 shall apply to any Special Declarant Rights or other rights or options reserved to Declarant in this Declaration.

ARTICLE 17 - ENFORCEMENT AND REMEDIES

17.01 Enforcement.

(a) Each provision of this Declaration with respect to the Association or the Common Elements shall be enforceable by Declarant or by any Owner by a proceeding for injunctive relief.

(b) Each provision of this Declaration with respect to an Owner or a Unit shall be enforceable by Declarant or by the Association by:

(i) a proceeding for injunctive relief;

(ii) a suit or action to recover damages; or

(iii) in the discretion of the Association, for so long as any Owner fails to comply with any such provisions, exclusion of such Owner and its Guests from the use of any Common Elements and from participation in any Association affairs.

(c) In addition to the rights and remedies described in paragraph 17.01(b) above, if an Owner fails to strictly perform or observe any covenant or condition to be performed or observed by such Owner under this Declaration or any other Association Document, the Association shall have the following rights and remedies:

(i) The Association may, but is not obligated to, cure such failure to comply at the Owner's sole cost and expense. If the Association cures any such failure to comply, the Owner shall pay to the Association the amount of all costs incurred by the Association in connection therewith within thirty days after the Owner receives a written invoice therefor from the Association.

(ii) The Association may, after notice and an opportunity to be heard, fine the Owner, as a Default Assessment, an amount not to exceed \$100 for each violation. The Owner shall pay any such fine to the Association within thirty days after the Owner receives written invoice therefor from the Association.

(iii) With respect to an Owner's failure to pay an installment of any Assessment, the Association may accelerate the due date for the payment of the full amount of the Assessment.

(iv) The Association shall have all other rights and remedies available to it under this Declaration, at law or in equity.

(d) All rights and remedies of the Association shall be cumulative and the exercise of one right or remedy shall not preclude the exercise of any other right or remedy.

17.02 Attorneys' Fees.

In the event of any dispute under or with respect to this Declaration or any other Association Document, the prevailing party shall be entitled to recover from the non-prevailing party all of its costs and expenses in connection therewith, including, without limitation, the fees and disbursements of any attorneys, accountants, engineers, appraisers or other professionals engaged by the prevailing party.

17.03 Interest.

If an Owner fails to pay to the Association any Assessment or other amount due to the Association as and when the same becomes due, the Owner shall pay to the Association interest on such unpaid amount at the rate of eighteen percent (18%) per annum, or such other rate as the Management Committee may establish from time to time, from the due date of such unpaid amount until the date paid.

17.04 Right to Notice and Hearing.

Whenever an Association Document requires that an action be taken after "notice and hearing," the following procedure shall be observed. The party proposing to take the action (e.g., the Management Committee or a committee or officer of the Association) shall give at least five (5) business days' prior written notice of the proposed action to all Owners whose interests would be significantly affected by the proposed action, as reasonably determined by the proposing party. The notice shall include a general statement of the proposed action and the date, time and place of the hearing. At the hearing, the party proposing to take the action, and all affected Owners may give testimony orally, in writing or both (as specified in the notice), subject to reasonable rules of procedure established by the party conducting the hearing to assure a prompt and orderly resolution of the issues. Such evidence shall be considered in making the decision but shall not bind the decision makers. Any affected Owner shall be notified of the decision in the same manner in which notice of the hearing was given. Any Owner having a right to notice and hearing shall have the right to appeal to the Management Committee from a decision of a proposing party other than the Management Committee. Such right of appeal may be exercised within ten (10) days after an Owner receives notice of the decision, by filing a written notice of appeal with the Management Committee. The Management Committee shall conduct a hearing within forty-five (45) days thereafter, giving the same notice and observing the same procedures as were required for the original hearing.

17.05 Non-Waiver.

Failure by Declarant, the Association or any Owner to enforce any covenant, condition, restriction, reservation, easement, assessment, charge, lien or other provision of this Declaration or any other Association Document shall in no way be deemed to be a waiver of the right to do so thereafter.

ARTICLE 18 - TERM AND AMENDMENTS

18.01 Term.

The covenants, conditions, restrictions, reservations, easements, assessments, charges and liens set forth in this Declaration shall run with and bind the Land until the Declaration is terminated pursuant to Section 18.02 below.

18.02 Termination.

Subject to the rights of Mortgagees under Article 16 above, the Owners may terminate the Condominium Project and this Declaration, by the vote of 100 percent of the votes allocated to all Units. If the necessary votes are obtained, the agreement of the Owners to terminate the Condominium Project and this Declaration shall be evidenced by a termination agreement or ratification thereof, executed by the required number of Owners in accordance with the Act. Upon recordation of the termination agreement in the Salt Lake County Records, the Condominium Project shall be terminated, this Declaration shall have no further force or effect, and the Association shall be dissolved. Notwithstanding the foregoing, the Owners may not

terminate the Condominium Project during the Declarant Control Period without Declarant's prior written consent, which consent Declarant may withhold in its sole discretion.

18.03 Amendments.

Except as otherwise expressly provided in this Declaration or the Act, and except for provisions of this Declaration regarding the rights and obligations of Declarant, which may not be amended without Declarant's prior written consent, and subject to the rights of Mortgagees under Article 16 above, Owners may amend any provision of this Declaration at any time by a vote of at least seventy-six percent (76%) of the votes allocated to all Units. If the necessary votes and consent are obtained, the Association shall cause an amendment to the Declaration to be Recorded in the Salt Lake County Records. When a quorum is present at any meeting, a majority of the Directors in attendance shall, except where a larger number is required by law, by the Articles, or by these Bylaws, decide any question brought before such meeting.

6.06 Waiver of Notice.

Before, at, or after any meeting of the Management Committee, any Director may, in writing, waive notice of such meeting and such waiver shall be deemed equivalent to the giving of such notice. Attendance by a Director at any meeting of the Management Committee shall be a waiver of notice by such Director except when such Director attends the meeting for the express purpose of objecting to the transaction of business because the meeting is not lawfully called or convened.

6.07 Informal Action by Directors.

Any action required or permitted to be taken at a meeting of the Directors may be taken without a meeting if a consent in writing, setting forth the action so taken, shall be signed by all of the Directors entitled to vote with respect to the subject matter thereof. Such consent shall have the same force and effect as a unanimous vote of the Directors.

ARTICLE 7.
OFFICERS AND AGENTS

7.01 General.

The Officers of the Association shall be a president (who shall be chosen from among the Directors), one or more vice presidents, a secretary, and a treasurer. The Management Committee may appoint such other officers, assistant officers, committees, and agents, including assistant secretaries and assistant treasurers, as they may consider necessary or advisable, who shall be chosen in such manner and hold their offices for such terms and have such authority and duties as from time to time may be determined by the Management Committee. One person may hold any two offices, except that no person may simultaneously hold the offices of president and secretary. In all cases where the duties of any officer, agent, or employee are not prescribed by the Bylaws or

by the Management Committee, such Officer, agent, or employee shall follow the orders and instructions of the president.

7.02 Removal of Officers.

The Management Committee may remove any Officer, either with or without cause, and elect a successor at any regular meeting of the Management Committee, or at any special meeting of the Management Committee called for such purpose.

7.03 Vacancies.

A vacancy in any office, however occurring, shall be filled by the Management Committee for the unexpired portion of the term.

7.04 President.

The president shall be the chief officer of the Association. The president shall preside at all meetings of the Association and of the Management Committee. The president shall have the general and active control of the affairs and business of the Association and general supervision of its officers, agents, and employees. The president of the Association is designated as the Officer with the power to prepare, execute, certify, and record amendments to the Declaration on behalf of the Association.

7.05 Vice Presidents.

The vice presidents shall assist the president and shall perform such duties as may be assigned to them by the president or by the Management Committee. In the absence of the president, the vice president designated by the Management Committee or (if there be no such designation) designated in writing by the president shall have the powers and perform the duties of the president. If no such designation shall be made, all vice presidents may exercise such powers and perform such duties.

7.06 Secretary.

The secretary shall:

(a) keep the minutes of the proceedings of the Owners Meetings and of the Management Committee Meetings;

(b) see that all notices are duly given in accordance with the provisions of these Bylaws, the Declaration, and as required by law;

(c) be custodian of the corporate records and of the seal of the Association and affix the seal to all documents when authorized by the Management Committee;

(d) maintain at the Association's principal offices a record containing the names and registered addresses of all Owners, the designation of the Unit owned by each Owner, and, if such Unit is mortgaged, the name and address of each Mortgagee; and

(e) in general, perform all duties incident to the office of secretary and such other duties as from time to time may be assigned to him by the president or by the Management Committee. Assistant secretaries, if any, shall have the same duties and powers, subject to supervision by the secretary.

7.07 Treasurer.

The treasurer shall be the principal financial officer of the Association and shall have the care and custody of all funds, securities, evidences of indebtedness, and other personal property of the Association and shall deposit the same in accordance with the instructions of the Management Committee. The treasurer shall receive and give receipts and acquittances for moneys paid in on account of the Association, and shall pay out of the funds on hand all bills, payrolls, and other just debts of the Association of whatever nature upon maturity. The treasurer shall perform all other duties incident to the office of the treasurer and, upon request of the Management Committee, shall make such reports to it as may be required at any time. The treasurer shall, if required by the Management Committee, give the Association a bond in such sums and with such sureties as shall be satisfactory to the Management Committee, conditioned upon the faithful performance of his duties and for the restoration to the Association of all books, papers, vouchers, money, and other property of whatever kind in his possession or under his control belonging to the Association. He shall have such other powers and perform such other duties as may be from time to time prescribed by the Management Committee or the president. The assistant treasurers, if any, shall have the same powers and duties, subject to the supervision of the treasurer.

ARTICLE 8.
EVIDENCE OF OWNERSHIP, REGISTRATION OF
MAILING ADDRESS, AND LIEN HOLDERS

8.01 Proof of Ownership.

Except for those Owners who initially contracted to purchase a Unit from the Declarant, any person on becoming an Owner shall furnish to the Association a photocopy or a certified copy of the recorded instrument vesting that person with an ownership interest in the Unit. Such copy shall remain in the files of the Association. An Owner shall not be deemed to be in good standing and shall not be entitled to vote at any annual or special meeting of Owners unless this requirement is first satisfied.

8.02 Registration of Mailing Address.

If a Unit is owned by two or more Owners, such Owners shall designate one address as the registered address required by the Declaration. The registered address of an Owner or Owners shall be furnished to the secretary of the Association within ten days after transfer of title, or after a change of address. Such registration shall be in written form and signed by all of the Owners of the Unit or by such persons as are authorized to represent the interests of all Owners of the Unit. If no address is registered or if all of the Owners cannot agree, then the address of the Unit shall be deemed the registered address of the Owner(s), and any notice shall be deemed duly given if delivered to the Unit.

8.03 Liens.

Any Owner who mortgages or grants a deed of trust covering his Unit shall give the Association written notice of the name and address of the Mortgagee and shall file true, correct, and complete copies of the note and security instrument with the Association.

8.04 Address of the Association:

The address of the Association shall be 101 South 200 East, Suite 200, Salt Lake City, Utah 84111. Such address may be changed from time to time upon written notice to all Owners and all listed Mortgagees.

ARTICLE 9.
SECURITY INTEREST IN MEMBERSHIP

Owners shall have the right irrevocably to constitute and appoint a mortgagee their true and lawful attorney-in-fact to vote their Membership in the Association at any and all meetings of the Association and to vest in the Mortgagee any and all rights, privileges and powers that they have as Owners under the Articles and these Bylaws or by virtue of the Declaration. Unless otherwise expressly provided in such proxy, such proxy shall become effective upon the filing of notice by the Mortgagee with the secretary of the Association. A release of the Mortgage covering the subject Unit shall operate to revoke such proxy. Nothing herein contained shall be construed to relieve Owners, as mortgagors, of their duties and obligations as Owners or to impose upon the Mortgagee the duties and obligations of an Owner.

ARTICLE 10.
AMENDMENTS

10.01 By Directors.

Except as limited by law, the Articles, the Declaration, or these Bylaws, the Management Committee shall have power to make, amend, and repeal the Bylaws of the Association at any regular meeting of the Management Committee or at any special meeting called for that purpose at which a quorum is represented. If, however, the Owners shall make, amend, or repeal any Bylaw, the Directors shall not thereafter amend the same in such manner as to defeat or impair the object of the Owners in taking such action.

10.02 By Owners.

Subject to any rights conferred upon first Mortgagees in the Declaration, the Owners may, by the vote of the holders of at least sixty-seven percent (67%) of the votes of the Owners, unless a greater percentage is expressly required by law, the Articles, the Declaration, or these Bylaws, make, alter, amend, or repeal the Bylaws of the Association at any annual meeting or at any special meeting called for that purpose at which a quorum shall be represented.
