## ARTICLE IV

Section 4.1 Commencement of Ground Lease Term. The Ground Lease Term shall commence as of the date of issuance of the Series 2017 Bonds, and shall (subject to Section 4.3 hereof) terminate on June 30, 2044, unless sooner terminated in accordance with the provisions of Section 4.2 hereof.

- (a) The expiration of the Ground Lease Term as provided in Section 4.1 hereof; or
- (b) The conveyance of the Public Safety Building Property to the City under the provisions of Section 12.1 of the Master Lease.

## ARTICLE V

### ENJOYMENT OF PUBLIC SAFETY BUILDING PROPERTY

Subject to the provisions of the Master Lease, the City hereby covenants to provide the Authority during the Ground Lease Term with quiet use and enjoyment of the Public Safety Building Property and the Authority shall during the Ground Lease Term peaceably and quietly have and hold and enjoy the Public Safety Building Property, without suit, trouble or hindrance from the City, except as expressly set forth herein. In addition, the Authority may at its own expense join in any legal action affecting its possession and enjoyment of the Public Safety Building Property and shall be joined in any action affecting its liabilities hereunder.

The City shall have the right at all reasonable times during business hours to enter into and upon the Public Safety Building Property for the purpose of inspecting the same.

## ARTICLE VI

### PAYMENTS BY THE AUTHORITY

The Authority shall pay Rental Payments to the City in the sum of twenty-eight Dollars (\$28) (being one dollar (\$1) per year for a maximum of 28 years), which amount represents the total Rental Payments due hereunder during the Ground Lease Term (including all renewal option periods). The parties hereto hereby acknowledge that said Rental Payments have been paid in full on the date hereof in lawful money of the United States of America at the principal office of the City Council of the City. The City and the Authority hereby determine and agree that the Rental Payments payable hereunder during the Ground Lease Term, together with other good and valuable consideration received by the City under and pursuant to the Master Lease, represent reasonable rental for the use of the Public Safety Building Property. In making such determination, the City and the Authority have given consideration to the current value of the Public Safety Building Property, the execution by the City and the Authority of the Master Lease and the rentals payable thereunder, the financing by the City of the Public Safety Building Project, the uses and purposes for which the Public Safety Building Project will be employed by the City, the benefit to the citizens of the City by reason of the improvement of the Public Safety Building Project and the use and occupancy of such facilities pursuant to the terms and provisions of the Master Lease.

## ARTICLE VII

### NONSUBORDINATION OF THE CITY'S INTEREST

The Authority intends to finance the Public Safety Building Project by the issuance of the Series 2017 Bonds in accordance with the provisions of the Master Lease and Indenture; however, it is understood and agreed that only the Authority's leasehold interest in the Property will be used as security for the payment of the principal, premium, if any, and interest on such Series 2017 Bonds. Consequently, it is understood and agreed by and between the City and the Authority that the City has not subordinated, and shall not be required to subordinate, its interest in and to the Public Safety Building Property to secure such financing. However, it is hereby acknowledged that improvements constructed on the Public Safety Building Property, including but not limited to the Public Safety Building Project, will or may be used as security for the Series 2017 Bonds. In addition, it is understood that the Authority intends to assign its interest, as lessee, in and to this Ground Lease to the Trustee to secure the Series 2017 Bonds. The City hereby consents to such assignment.

## ARTICLE VIII

### TITLE; LIMITATIONS ON ENCUMBRANCES

Section 8.1 Title to the Public Safety Building Property and the Public Safety Building Project. Subject to the leasehold interest created hereby, title to the Public Safety Building Property shall at all times be held in the name of the City. Except personal property purchased by the City at its own expense, title to the Public Safety Building Project and any and all additions and modifications thereto and replacements thereof shall be held in the name of the Authority. The City shall have no right, title or interest in the Public Safety Building Project or any additions and modifications thereto or replacements thereof, except its reversionary rights by law as lessor and except as expressly set forth herein and in the Master Lease. On termination of this Ground Lease, the City shall become the title owner of all improvements affixed to the Public Safety Building Property, including the Public Safety Building Project. The Authority agrees to execute such documents on termination of this Ground Lease as are required to convey said improvements to the City as herein provided.

Section 8.2 No Encumbrance, Mortgage or Pledge. Neither the Authority nor the City shall directly or indirectly create, incur, assume or suffer to exist any mortgage, pledge, lien, charge, encumbrance or claim on or with respect to the Public Safety Building Property, except for Permitted Encumbrances as defined in the Master Lease.

Section 8.3 Encumbrance of Leasehold Interest. The Authority may encumber by mortgage or deed of trust, and may convey, assign or sublease, its leasehold interest and estate in the Public Safety Building Property, alone or together with its interests in the Public Safety Building Project as a whole, for the benefit of the holders of the Series 2017 Bonds. The execution of any such mortgage, deed of trust, assignment or other instrument or the foreclosure thereof or any sale thereunder, either by judicial proceeding or by virtue of any power reserved in such mortgage, deed of trust, assignment or conveyance by the Authority for the benefit of the holders of the Series 2017 Bonds, or the exercising of any right, power or privilege set forth therein, shall not be held as a violation of any of the terms or conditions hereof. The assignee or grantee of any conveyance or assignment of the Authority may, at its option, at any time before the rights of the Authority have been terminated as provided herein, pay any of the Rentals due hereunder or pay any taxes and assessments, or do any other act or thing required of the Authority by the terms hereof, or do any act or thing which may be necessary or proper to be done in the observance of the covenants and conditions thereof, or to prevent the termination hereof; all payments so made, and all things so done and performed by such party or entity shall be effective to prevent a forfeiture of the rights of the Authority hereunder as the same would have been if done and performed by said Authority.

## ARTICLE IX

### MAINTENANCE, TAXES AND OTHER CHARGES

Section 9.1 Maintenance of the Public Safety Building Property by the Authority. In the event that the Ground Lease Term extends beyond the date of termination of the Master Lease, the Authority agrees that at all times during the Ground Lease Term the Authority will maintain, preserve and keep the Public Safety Building Property or cause the Public Safety Building Property to be maintained, preserved and kept with the appurtenances and every part and parcel thereof, in good repair, working order and condition and that the Authority will from time to time make or cause to be made all necessary and proper repairs, replacements and renewals with respect to the Public Safety Building Property, so that it will continue to be suitable for use as contemplated by the Master Lease.

Section 9.2 Other Governmental Charges and Utility Charges. In the event that the Ground Lease Term extends beyond the date of termination of the Master Lease and in the event that the Public Safety Building Property or any portion thereof shall, for any reason, be deemed subject to taxation, assessments or charges lawfully made by any governmental body which may be secured by a lien against the Public Safety Building Property, the Authority shall pay an amount equal to the amount of all such taxes, assessments and governmental charges then due. With respect to special assessments or other governmental charges which may be lawfully paid in installments over a period of years, the Authority shall be obligated to pay such amounts only for such installments as are required to be paid during the Ground Lease Term. In the event that the Ground Lease Term extends beyond the date of termination of the Master Lease, the Authority shall also pay as the same respectively become due, all gas, water, steam, electricity, heat, power, telephone, utility and other charges incurred in the operation, maintenance, use, occupancy and upkeep of the Public Safety Building Property.

The Authority may, at the expense and in the name of the Authority, in good faith contest any such taxes, assessments, utility and other charges and, in the event of any such contest, may permit the taxes, assessments or other charges so contested to remain unpaid during the period of such contest and any appeal therefrom. In the event that the Authority shall fail to pay any of the foregoing items required by this Section 9.2 to be paid by the Authority, the City may (but shall be under no obligation to) pay the same, which amounts, together with interest thereon at the rate of ten percent (10%) per annum, the Authority agrees to pay.

## ARTICLE X

### CONDEMNATION; DESTRUCTION

If during the Ground Lease Term, title to, or the temporary or permanent use of the Public Safety Building Property or any portion thereof shall be taken under the exercise of the power of eminent domain by any governmental body or by any person, firm or corporation acting under governmental authority, the Authority and the City shall cooperate in the collection and disposition of the proceeds of condemnation such that the net proceeds of such condemnation allocable to the Public Safety Building Property and to the Authority's leasehold interest in the Property created hereunder shall be deposited and utilized by the Trustee in accordance with the provisions of the Master Lease and the Indenture and the net proceeds of such condemnation allocable solely to the City's reversionary interest in the Public Safety Building Property will be payable to the City. Except as otherwise provided in the Master Lease, if during the Ground Lease Term, the Public Safety Building Project or any material portion thereof, shall be destroyed (in whole or in part), or damaged by fire or other casualty, the Net Proceeds of any insurance policy shall be deposited and utilized by the Trustee in accordance with the provisions of the Master Lease and the Indenture.

## ARTICLE XI

The City and the Authority agree that they will, from time to time, execute, acknowledge and deliver, or cause to be executed, acknowledged and delivered, such supplements hereto and such further instruments as may reasonably be required for correcting any inadequate or incorrect description of the Public Safety Building Property hereby leased or intended so to be, or for carrying out the intention hereof.

Section 11.2 City and Authority Representatives. Whenever under the provisions hereof the approval of the City or the Authority is required, or the City or the Authority is required to take some action at the request of the other, such approval or such request shall be given for the City by the City Representative and for the Authority by the Authority Representative, and any party hereto and the Trustee shall be authorized to act on any such approval or request.

Section 11.3 Requirements of Law. During the Ground Lease Term, the City and the Authority shall observe and comply promptly with all laws, ordinances, orders, rules and regulations of the federal, state, county and city governments and of all courts or other governmental authorities having jurisdiction over the Public Safety Building Project or any portion thereof and of all their respective departments, bureaus and officials, and of the insurance regulatory agencies having jurisdiction over the Public Safety Building Project, or any portion thereof, or any other body exercising similar functions, and of all insurance companies writing policies covering the Public Safety Building Project or any portion thereof, whether the same are in force at the commencement of the Ground Lease Term or may in the future be passed, enacted or directed.

Section 12.1 Events of Default Defined. The following shall be an “Event of Default” under this Ground Lease: failure by the Authority to observe and perform any covenant, condition or agreement on its part to be observed or performed hereunder, for a period of ninety (90) days after written notice, specifying such failure and requesting that it be remedied, has been given to the Authority and the Trustee by the City, unless the City shall agree in writing to an extension of time prior to its expiration; provided, however, that if the failure stated in the notice cannot be corrected within the applicable period, the City shall not unreasonably withhold its consent to an extension of such time if corrective action shall be instituted by the Authority or the Trustee within the applicable period and diligently pursued until the default is corrected.

The foregoing provisions of this Section are subject to the following limitations: if, by reason of force majeure, the Authority shall be unable in whole or in part to carry out any agreement on its part herein contained, the Authority shall not be deemed in default during the continuance of such inability. The Authority agrees, however, to remedy with all reasonable dispatch the cause or causes preventing the Authority from carrying out its agreement; provided, however, that the settlement of strikes, lockout and other industrial disturbances shall be entirely within the discretion of the Authority, and the Authority shall not be required to make settlement of strikes, lockouts and other industrial disturbances by acceding to the demands of the opposing party or parties when such course is in the judgment of the Authority unfavorable to the Authority. A copy of any Notice required by this Section shall also be provided to the Trustee.

Section 12.2 Remedies on Default. Whenever any Event of Default referred to in Section 12.1 of this Ground Lease shall have happened and be continuing, the City, shall have the right, at its option without any further demand or notice, to take whatever action at law or in equity may appear necessary or desirable to enforce its rights under this Ground Lease.

Section 12.3 No Remedy Exclusive. No remedy herein conferred upon or reserved to the City is intended to be exclusive, and every such remedy shall be cumulative and shall be in addition to every other remedy given hereunder or now or hereafter existing at law or in equity. No delay or omission to exercise any right or power accruing upon an Event of Default shall impair any such right or power or shall be construed to be a waiver thereof, but any such right and power may be exercised from time to time and as often as may be deemed expedient. In order to entitle the City to exercise any remedy reserved in this Article XII, it shall not be necessary to give any notice, other than such notice as may be required in this Article XII.

Section 12.4 Agreement to Pay Attorney’s Fees and Expenses. In the event that either party hereto shall default under any of the provisions hereof and the nondefaulting party shall employ attorneys or incur other expenses for the enforcement of performance or observance of any obligation or agreement on the part of the defaulting party herein

contained, the defaulting party agrees that it shall on demand therefor pay to the nondefaulting party the fees of such attorneys and such other expenses so incurred by the nondefaulting party, to the extent that such attorney's fees and expenses may be determined to be reasonable by a court of competent jurisdiction; provided, however, that the obligation of the City under this Section 12.4 shall be subject to the availability of City Funds and the obligation of the Authority shall be subject to the legal availability of such funds.

Section 12.5 No Additional Waiver Implied by One Waiver. In the event that any agreement contained herein should be breached by either party and thereafter waived by the other party, such waiver shall be limited to the particular breach so waived and shall not be deemed to waive any other breach hereunder.

Section 12.6 No Termination of Ground Lease Term. Notwithstanding the remedies provided above, the Ground Lease Term of this Ground Lease may not be terminated prior to the end of the Term described in Article IV hereof (or if later, the date of the Series 2017 Bonds are paid in full) by reason of an Event of Default hereunder.

## ARTICLE XIII

If self-insurance is not utilized, the policies may have a deductible clause in such amount as shall be approved by the Authority, the City and the Trustee or absent such approval \$50,000.

Section 13.3 Workers' Compensation Coverage. Unless the City is otherwise required to carry such insurance pursuant to the Master Lease, at all times from the date hereof until the end of the Master Lease Term, the Authority shall maintain, or cause to be maintained, workers' compensation coverage with respect to officers, agents and employees of the Authority working in, on or about the Public Safety Building Project, including coverage for occupational diseases.

To the extent of available moneys as set forth above, or in the event the Authority is self insured, or the insurance coverage has a deductible amount, then from moneys to be appropriated under budget proceedings for future years, if such appropriations are then made, the Authority shall indemnify and save the City harmless, from any such claim arising as aforesaid from (i) or (ii) above, or in connection with any action or proceeding brought thereon and, upon notice from the City, shall defend it in any action or proceeding.

In exchange for the Authority's agreement to indemnify the City as provided in this Section, the City hereby agrees to assert any cause of action that it might individually have against any third parties for the benefit of the Authority. Furthermore, in no event will the City voluntarily settle or consent to the settlement of any proceeding arising out of any claim applicable to the Public Safety Building Project without the written consent of the Authority.

Section 13.5 Environmental Matters. The City hereby makes the following covenants, warranties, representations and promises with respect to the Public Safety Building Property for the benefit of the Authority, the Trustee and the owner of the Bonds:

(a) The City will comply with any and all applicable federal, State, and local laws, rules, regulations or orders with respect to the discharge and remediations of any hazardous or toxic wastes, and shall pay, to the extent permitted by law and solely from and to the extent of City Funds (as defined in the Master Lease) at its sole cost and expense when due, the cost of any future reasonable and appropriate remediations of any such wastes, and shall take appropriate steps to keep the Public Safety Building Property free of any lien imposed pursuant to such laws, rules, regulations or orders.
