2. OBLIGATIONS SECURED.

2.1 Obligations Secured. Trustor makes this grant and assignment for the purpose of securing the following obligations (each, a "**Secured Obligation**", and collectively, the "**Secured Obligations**"):

(a) payment to Beneficiary of all sums at any time owing and performance of all other obligations arising under with that certain Promissory Note of even date herewith in the original principal amount of Three Million Eight Hundred Thousand Dollars (\$3,800,000), with interest as provided therein, executed by Trustor and payable to Beneficiary or its order (the "**Note**");

(b) payment and performance of all obligations of Trustor under this Deed of Trust, together with all advances, payments or other expenditures made by Beneficiary or Trustee as or for the payment or performance of any such obligations of Trustor;

(c) payment and performance of all future advances and other obligations that the then record owner of the Subject Property may agree to pay and/or perform (whether as principal, surety or guarantor) for the benefit of Beneficiary, when any such advance or other obligation is evidenced by a writing which recites that it is secured by this Deed of Trust; and

(d) all modifications, extensions and renewals of any of the Secured Obligations (including without limitation, (i) modifications, extensions or renewals at a different rate of interest, or (ii) deferrals or accelerations of the required principal payment dates or interest payment dates or both, in whole or in part), however evidenced, whether or not any such modification, extension or renewal is evidenced by a new or additional promissory note or notes.

2.2 Obligations. The term "**obligations**" is used herein in its most comprehensive sense and includes any and all advances, debts, obligations and liabilities heretofore, now or hereafter made, incurred or created, whether voluntary or involuntary and however arising, whether due or not due, absolute or contingent, liquidated or unliquidated, joint or several, including without limitation, all principal, interest, charges, including prepayment charges and late charges, and loan fees at any time accruing or assessed on any Secured Obligation.

3. ASSIGNMENT OF LEASES AND RENTS.

3.1 Assignment. For the purposes and upon the terms and conditions set forth herein, Trustor irrevocably assigns to Beneficiary all of Trustor's right, title and interest in, to and under all leases, licenses, rental agreements and other agreements of any kind relating to the use or occupancy of any of the Subject Property, whether existing as of the date hereof or at any time hereafter entered into, together with all guarantees of and security for any tenant's or lessee's performance thereunder, and all amendments, extensions, renewals and modifications thereto (each, a "**Lease**", and collectively, the "**Leases**"), together with any and all other rents, issues and

profits of the Subject Property (collectively, “**Rents**”). This assignment shall not impose upon Beneficiary any duty to produce Rents from the Subject Property, nor cause Beneficiary to be: (a) a “mortgagee in possession” for any purpose; (b) responsible for performing any of the obligations of the lessor or landlord under any Lease; or (c) responsible for any waste committed by any person or entity at any time in possession of the Subject Property or any part thereof, or for any dangerous or defective condition of the Subject Property, or for any negligence in the management, upkeep, repair or control of the Subject Property. This is an absolute assignment, not an assignment for security only, and Beneficiary's right to Rents is not contingent upon and may be exercised without possession of the Subject Property. Trustor agrees to execute and deliver to Beneficiary, within five (5) days of Beneficiary's written request, such additional documents as Beneficiary or Trustee may reasonably request to further evidence the assignment to Beneficiary of any and all Leases and Rents.

3.2 Protection of Security. To protect the security of the foregoing assignment, Trustor agrees (i) to perform each obligation to be performed by the lessor or landlord under each Lease and to enforce or secure the performance of each obligation to be performed by the lessee or tenant under each Lease; (ii) at Trustor's sole expense, to defend any action connected with any Lease or the obligations thereunder, and to pay all costs of Beneficiary or Trustee, including reasonable attorneys' fees, in any such action in which Beneficiary or Trustee may appear; (iii) to pay to Beneficiary immediately upon demand all sums expended under the authority hereof, including reasonable attorneys' fees, together with interest thereon at the highest rate per annum payable under any Secured Obligation, and the same, at Beneficiary's option, may be added to any Secured Obligation and shall be secured hereby.

3.3 License. Beneficiary confers upon Trustor a license (“**License**”) to collect and retain the Rents as, but not before, they come due and payable, until the occurrence of any Default. Upon the occurrence of any Default, the License shall be automatically revoked, and Beneficiary or Trustee may, at Beneficiary's option and without notice, either in person or by agent, with or without bringing any action, or by a receiver to be appointed by a court: (a) enter, take possession of, manage and operate the Subject Property or any part thereof; (b) make, cancel, enforce or modify any Lease; (c) obtain and evict tenants, fix or modify Rents, and do any acts which Beneficiary or Trustee deems proper to protect the security hereof; and (d) either with or without taking possession of the Subject Property, in its own name, sue for or otherwise collect and receive all Rents, including those past due and unpaid, and apply the same in accordance with the provisions of this Deed of Trust. The entering and taking possession of the Subject Property, the collection of Rents and the application thereof as aforesaid, shall not cure or waive any Default, nor waive, modify or affect any notice of default hereunder, nor invalidate any act done pursuant to any such notice. The License shall not grant to Beneficiary or Trustee the right to possession, except as provided in this Deed of Trust.

4. SECURITY AGREEMENT AND FIXTURE FILING.

4.1 Security Interest. Trustor hereby grants and assigns to Beneficiary a security interest, to secure payment and performance of all of the Secured Obligations, in all of the following described personal property in which Trustor now or at any time hereafter has any interest (collectively, the “*Collateral*”):

(a) All goods, building and other materials, supplies, inventory, work in process, equipment, machinery, fixtures, furniture, furnishings, signs and other personal property and embedded software included therein and supporting information, wherever situated, which are or are to be incorporated into, used in connection with, or appropriated for use Subject Property; together with all rents and security deposits derived from the Subject Property; all inventory, accounts, cash receipts, deposit accounts, accounts receivable, contract rights, licenses, agreements, general intangibles, payment intangibles, software, chattel paper (whether electronic or tangible), instruments, documents, promissory notes, drafts, letters of credit, letter of credit rights, supporting obligations, insurance policies, insurance and condemnation awards and proceeds, proceeds of the sale of promissory notes, any other rights to the payment of money, trade names, trademarks and service marks arising from or related to the ownership, management, leasing, operation, sale or disposition of the Subject Property or any business now or hereafter conducted thereon by Trustor; all development rights and credits, and any and all permits, consents, approvals, licenses, authorizations and other rights granted by, given by or obtained from, any governmental entity with respect to the Subject Property; all water and water rights, wells and well rights, canals and canal rights, ditches and ditch rights, springs and spring rights, and reservoirs and reservoir rights appurtenant to or associated with the Subject Property, whether decreed or undecreed, tributary, non-tributary or not non-tributary, surface or underground or appropriated or unappropriated, and all shares of stock in water, ditch, lateral and canal companies, well permits and all other evidences of any of such rights; all deposits or other security now or hereafter made with or given to utility companies by Trustor with respect to the Subject Property; all advance payments of insurance premiums made by Trustor with respect to the Subject Property; all plans, drawings and specifications relating to the Subject Property; all loan funds held by Beneficiary, whether or not disbursed; all funds deposited with Beneficiary pursuant to any loan agreement; all reserves, deferred payments, deposits, accounts, refunds, cost savings and payments of any kind related to the Subject Property or any portion thereof; together with all replacements and proceeds of, and additions and accessions to, any of the foregoing; together with all books, records and files relating to any of the foregoing.

(b) As to all of the above described personal property which is or which hereafter becomes a “fixture” under applicable law, this Deed of Trust constitutes a fixture filing under the Utah Uniform Commercial Code, as amended or recodified from time to time (“*UCC*”).

4.2 Representations and Warranties. Trustor represents and warrants that: (a) Trustor has, or will have, good title to the Collateral; (b) except as disclosed to Beneficiary, Trustor has not previously assigned or encumbered the Collateral, and no financing statement covering any

of the Collateral has been delivered to any other person or entity; and (c) Trustor's principal place of business is located at the address shown in the introductory paragraph of this Deed of Trust, and Trustor is organized under the laws of the State of Utah.

4.3 Rights of Beneficiary. In addition to Beneficiary's rights as a "Secured Party" under the UCC, Beneficiary may, but shall not be obligated to, at any time without notice and at the expense of Trustor: (a) give notice to any person of Beneficiary's rights hereunder and enforce such rights at law or in equity; (b) insure, protect, defend and preserve the Collateral or any rights or interests of Beneficiary therein; (c) inspect the Collateral; and (d) endorse, collect and receive any right to payment of money owing to Trustor under or from the Collateral. Notwithstanding the above, in no event shall Beneficiary be deemed to have accepted any property other than cash in satisfaction of any obligation of Trustor to Beneficiary unless Beneficiary shall make an express written election of said remedy under UCC Section 70A-9a-620, or other applicable law.

4.4 Rights of Beneficiary on Default. Upon the occurrence of a Default (hereinafter defined) under this Deed of Trust, then in addition to all of Beneficiary's rights as a "Secured Party" under the UCC or otherwise at law:

(a) Beneficiary may (i) upon written notice, require Trustor to assemble any or all of the Collateral and make it available to Beneficiary at a place designated by Beneficiary; (ii) without prior notice, enter upon any place where any of the Collateral may be located and take possession of, collect, sell, and dispose of any or all of the Collateral, and store the same at locations acceptable to Beneficiary at Trustor's expense; (iii) sell, assign and deliver at any place or in any lawful manner all or any part of the Collateral and bid and become the purchaser at any such sales; and

(b) Beneficiary may, for the account of Trustor and at Trustor's expense: (i) operate, use, consume, sell or dispose of the Collateral as Beneficiary deems appropriate for the purpose of performing any or all of the Secured Obligations; (ii) enter into any agreement, compromise, or settlement, including insurance claims, which Beneficiary may deem desirable or proper with respect to any of the Collateral; and (iii) endorse and deliver evidences of title for, and receive, enforce and collect by legal action or otherwise, all indebtedness and obligations now or hereafter owing to Trustor in connection with or on account of any or all of the Collateral.

(c) Notwithstanding any other provision hereof, Beneficiary shall not be deemed to have accepted any property other than cash in satisfaction of any obligation of Trustor to Beneficiary unless Beneficiary shall make an express written election of said remedy under UCC Section 70A-9a-620, or other applicable law.

4.5 Power of Attorney. Trustor hereby irrevocably appoints Beneficiary as Trustor's attorney-in-fact (such agency being coupled with an interest), and as such attorney-in-fact Beneficiary may, without the obligation to do so, in Beneficiary's name, or in the name of Trustor, prepare, execute and file or record financing statements, continuation statements, applications for registration and like papers necessary to create, perfect or preserve any of Beneficiary's security interests and rights in or to any of the Collateral, and, upon a Default

hereunder, take any other action required of Trustor; provided, however, that Beneficiary as such attorney-in-fact shall be accountable only for such funds as are actually received by Beneficiary.

5. RIGHTS AND DUTIES OF THE PARTIES.

5.1 Title. Trustor warrants that, except as disclosed to Beneficiary prior to the date hereof in a writing which refers to this warranty, Trustor lawfully possesses and holds fee simple title to the Subject Property without limitation on the right to encumber, as herein provided, and that this Deed of Trust is a valid lien on the Subject Property and all of Trustor's interest therein.

5.2 Taxes and Assessments. Subject to the right, if any, of Trustor to contest payment of the following pursuant to any other agreement between Trustor and Beneficiary, Trustor shall pay prior to delinquency all taxes, assessments, levies and charges imposed: (a) by any public or quasi-public authority or utility company which are or which may become a lien upon or cause a loss in value of the Subject Property or any interest therein; or (b) by any public authority upon Beneficiary by reason of its interest in any Secured Obligation or in the Subject Property, or by reason of any payment made to Beneficiary pursuant to any Secured Obligation; provided however, that Trustor shall have no obligation to pay any income taxes of Beneficiary. Promptly upon request by Beneficiary, Trustor shall furnish to Beneficiary satisfactory evidence of the payment of all of the foregoing. Beneficiary is hereby authorized to request and receive from the responsible governmental and non-governmental personnel written statements with respect to the accrual and payment of any of the foregoing.

5.3 Performance of Secured Obligations. Trustor shall promptly pay and perform each Secured Obligation when due.

5.4 Liens, Encumbrances and Charges. Trustor shall promptly discharge any lien on the Subject Property not approved by Beneficiary in writing. Except as otherwise provided in any Secured Obligation or other agreement with Beneficiary, Trustor shall pay when due all obligations secured by or reducible to liens and encumbrances which shall now or hereafter encumber the Subject Property, whether senior or subordinate hereto, including without limitation, any mechanics' liens.

5.5 Insurance. Trustor shall insure the Subject Property against loss or damage by fire and such other risks as Beneficiary shall from time to time require. Trustor shall carry public liability insurance, flood insurance as required by applicable law and such other insurance as Beneficiary may reasonably require, including without limitation, business interruption insurance or loss of rental value insurance. Trustor shall maintain all required insurance at Trustor's expense, under policies issued by companies and in form and substance satisfactory to Beneficiary. Neither Beneficiary nor Trustee, by reason of accepting, rejecting, approving or obtaining insurance, shall incur any liability for: (a) the existence, nonexistence, form or legal sufficiency thereof; (b) the solvency of any insurer; or (c) the payment of losses. All policies and certificates of insurance shall name Beneficiary as loss payee, and shall provide that the insurance cannot be terminated as to Beneficiary except upon a minimum of ten (10) days' prior written notice to Beneficiary. Immediately upon any request by Beneficiary, Trustor shall deliver to Beneficiary the original of all such policies or certificates, with receipts evidencing annual prepayment of the premiums.

5.6 Damages; Insurance and Condemnation Proceeds.

(a) All awards of damages and all other compensation payable directly or indirectly by reason of a condemnation or proposed condemnation (or transfer in lieu thereof) for public or private use affecting the Subject Property; (ii) all other claims and awards for damages to or decrease in value of the Subject Property; (iii) all proceeds of any insurance policies payable by reason of loss sustained to the Subject Property; and (iv) all interest which may accrue on any of the foregoing, are all absolutely and irrevocably assigned to and shall be paid to Beneficiary. At the absolute discretion of Beneficiary, whether or not its security is or may be impaired, and without regard to any requirement contained in any other Section hereof, Beneficiary may apply all or any of the proceeds it receives to its expenses in settling, prosecuting or defending any such claim and apply the balance to the Secured Obligations in any order, and release all or any part of the proceeds to Trustor upon any conditions Beneficiary may impose. Beneficiary may commence, appear in, defend or prosecute any assigned claim or action, and may adjust, compromise, settle and collect all claims and awards assigned to Beneficiary; provided however, that in no event shall Beneficiary be responsible for any failure to collect any claim or award, regardless of the cause of the failure.

(b) At its sole option, Beneficiary may permit insurance or condemnation proceeds held by Beneficiary to be used for repair or restoration but may impose any conditions on such use as Beneficiary deems necessary.

5.7 Maintenance and Preservation of Subject Property. Subject to the provisions of any Secured Obligation, Trustor covenants:

(a) to keep the Subject Property in good condition and repair;

(b) except with Beneficiary's prior written consent, not to remove or demolish the Subject Property, nor alter, restore or add to the Subject Property, nor initiate or acquiesce in any change in any zoning which affects the Subject Property;

(c) to restore promptly and in good workmanlike manner any portion of the Subject Property which may be damaged or destroyed, unless Beneficiary requires that all of the insurance proceeds be used to reduce the Secured Obligations as provided in the Section hereof entitled Damages; Insurance and Condemnation Proceeds;

(d) to comply with and not to suffer violation of any or all of the following which govern acts or conditions on, or otherwise affect the Subject Property: (i) laws, ordinances, regulations, standards and judicial and administrative rules and orders; (ii) covenants, conditions, restrictions and equitable servitudes, whether public or private; and (iii) requirements of insurance companies and any bureau or agency which establishes standards of insurability;

(e) not to commit or permit waste of the Subject Property; and

(f) to do all other acts which from the character or use of the Subject Property may be reasonably necessary to maintain and preserve its value.

5.8 Protection of Security. Trustor shall, at Trustor's sole expense: (a) protect, preserve and defend the Subject Property and Trustor's title and right to possession of the Subject Property against all adverse claims; (b) if Trustor's interest in the Subject Property is a leasehold interest or estate, pay and perform in a timely manner all obligations to be paid and/or performed by the lessee or tenant under the lease or other agreement creating such leasehold interest or estate; and (c) protect, preserve and defend the security of this Deed of Trust and the rights and powers of Beneficiary and Trustee under this Deed of Trust against all adverse claims. Trustor shall give Beneficiary and Trustee prompt notice in writing of the assertion of any claim, the filing of any action or proceeding, or the occurrence of any damage, condemnation offer or other action relating to or affecting the Subject Property and, if Trustor's interest in the Subject Property is a leasehold interest or estate, of any notice of default or demand for performance under the lease or other agreement under which such interest or estate was created or exists.

5.9 Acceptance of Trust; Powers and Duties of Trustee. Trustee accepts the trust created hereby when this Deed of Trust is executed. From time to time, upon written request of Beneficiary and, to the extent required by applicable law, present this Deed of Trust for endorsement, and without affecting the personal liability of any person for payment of any indebtedness or performance of any of the Secured Obligations, Beneficiary, or Trustee at Beneficiary's direction, may, without obligation to do so or liability therefor and without notice: (a) reconvey all or any part of the Subject Property from the lien of this Deed of Trust; (b) consent to the making of any map or plat of the Subject Property; and (c) join in any grant of easement or declaration of covenants and restrictions with respect to the Subject Property, or any extension agreement or any agreement subordinating the lien or charge of this Deed of Trust. Trustee or Beneficiary may from time to time apply to any court of competent jurisdiction for aid and direction in the execution of the trusts and the enforcement of its rights and remedies available under this Deed of Trust, and may obtain orders or decrees directing, confirming or approving acts in the execution of said trusts and the enforcement of said rights and remedies. Trustee has no obligation to notify any party of any pending sale or any action or proceeding (including, but not limited to, actions in which Trustor, Beneficiary or Trustee shall be a party) unless held or commenced and maintained by Trustee under this Deed of Trust. Trustee shall not be obligated to perform any act required of it under this Deed of Trust unless the performance of the act is requested in writing and Trustee is reasonably indemnified against all losses, costs, liabilities and expenses in connection therewith.

5.10 Compensation; Exculpation; Indemnification.

(a) Trustor shall pay all Trustee's fees and reimburse Trustee for all expenses in the administration of this trust, including reasonable attorneys' fees. Trustor shall pay Beneficiary reasonable compensation for services rendered concerning this Deed of Trust, including without limitation, the providing of any statement of amounts owing under any Secured Obligation. Beneficiary shall not directly or indirectly be liable to Trustor or any other person as a consequence of: (i) the exercise of any rights, remedies or powers granted to Beneficiary in this Deed of Trust; (ii) the failure or refusal of Beneficiary to perform or discharge any obligation or liability of Trustor under this Deed of Trust or any Lease or other agreement related to the Subject Property; or (iii) any loss sustained by Trustor or any third party as a result of Beneficiary's failure to lease the Subject Property after any Default or from any other act or omission of Beneficiary in

managing the Subject Property after any Default unless such loss is caused by the willful misconduct of Beneficiary; and no such liability shall be asserted or enforced against Beneficiary, and all such liability is hereby expressly waived and released by Trustor.

(b) Trustor shall indemnify Trustee and Beneficiary against, and hold them harmless from, any and all losses, damages, liabilities, claims, causes of action, judgments, court costs, attorneys' fees and other legal expenses, costs of evidence of title, costs of evidence of value, and other expenses which either may suffer or incur: (i) by reason of this Deed of Trust; (ii) by reason of the execution of this trust or the performance of any act required or permitted hereunder or by law; (iii) as a result of any failure of Trustor to perform Trustor's obligations; or (iv) by reason of any alleged obligation or undertaking of Beneficiary to perform or discharge any of the representations, warranties, conditions, covenants or other obligations contained in any other document related to the Subject Property, including without limitation, the payment of any taxes, assessments, rents or other lease obligations, liens, encumbrances or other obligations of Trustor under this Deed of Trust. Trustor's duty to indemnify Trustee and Beneficiary shall survive the payment, discharge or cancellation of the Secured Obligations and the release or reconveyance, in whole or in part, of this Deed of Trust.

(c) Trustor shall pay all indebtedness arising under this Section immediately upon demand by Trustee or Beneficiary, together with interest thereon from the date such indebtedness arises at the highest rate per annum payable under any Secured Obligation. Beneficiary may, at its option, add any such indebtedness to any Secured Obligation.

5.11 Substitution of Trustees. From time to time, by a writing signed and acknowledged by Beneficiary and recorded in the Office of the Recorder of the County in which the Subject Property is situated, Beneficiary may appoint another trustee to act in the place and stead of Trustee or any successor. Such writing shall set forth the recordation date and any recording or other information required by law. The recordation of such instrument of substitution shall discharge Trustee herein named and shall appoint the new trustee as the trustee hereunder with the same effect as if originally named Trustee herein. A writing recorded pursuant to the provisions of this Section shall be conclusive proof of the proper substitution of such new Trustee.

5.12 Due on Sale or Encumbrance. Except as permitted by the provisions of any Secured Obligation or applicable law, if the Subject Property or any interest therein shall be sold, transferred (including without limitation, where applicable, through sale or transfer of a majority or controlling interest of the corporate stock, or any general partnership, limited liability company or other similar interests, of Trustor), mortgaged, assigned, encumbered or leased, whether voluntarily, involuntarily or by operation of law (each of which actions and events is called a "Transfer"), without Beneficiary's prior written consent, THEN Beneficiary may, at its sole option, declare all Secured Obligations immediately due and payable in full. Trustor shall notify Beneficiary in writing of each Transfer within ten (10) business days of the date thereof.

5.13 Releases, Extensions, Modifications and Additional Security. Without notice to or the consent, approval or agreement of any persons or entities having any interest at any time in the Subject Property or in any manner obligated under any Secured Obligation (each, an

“Interested Party”), Beneficiary may, from time to time, release any Interested Party from liability for the payment of any Secured Obligation, take any action or make any agreement extending the maturity or otherwise altering the terms or increasing the amount of any Secured Obligation, accept additional security, and enforce, waive, subordinate or release all or a portion of the Subject Property or any other security for any Secured Obligation. None of the foregoing actions shall release or reduce the personal liability of any Interested Party, nor release or impair the priority of the lien of this Deed of Trust upon the Subject Property.

5.14 Reconveyance. Upon Beneficiary's written request, and solely to the extent required by applicable law upon surrender of this Deed of Trust and every note or other instrument setting forth any Secured Obligations to Trustee for cancellation, Trustee shall reconvey, without warranty, the Subject Property, or that portion thereof then covered hereby, from the lien of this Deed of Trust. The recitals of any matters or facts in any reconveyance executed hereunder shall be conclusive proof of the truthfulness thereof. To the extent permitted by law, the reconveyance may describe the grantee as “the person or persons legally entitled thereto.” Neither Beneficiary nor Trustee shall have any duty to determine the rights of persons claiming to be rightful grantees of any reconveyance. When the Subject Property has been fully reconveyed, the last such reconveyance shall operate as a reassignment of all future Rents to the person or persons legally entitled thereto. Upon Beneficiary's demand, Trustor shall pay all costs and expenses incurred by Beneficiary in connection with any reconveyance.

5.15 Subrogation. Beneficiary shall be subrogated to the lien of all encumbrances, whether or not released of record, paid in whole or in part by Beneficiary pursuant to this Deed of Trust or by the proceeds of any Secured Obligation.

6. DEFAULT PROVISIONS.

6.1 Default. The occurrence of any of the following shall constitute a “Default” under this Deed of Trust:

(a) Trustor shall fail to pay when due any principal, interest, fees or other Obligations payable under the Note or this Deed of Trust;

(b) any representation or warranty of Trustor herein shall prove to be incorrect, false or misleading in any material respect when made; or

(c) any default in the performance of or compliance with any obligation, agreement or other provision contained herein or in the Note or the Deed of Trust (other than those referred to in subsections (a) and (b) above), and with respect to any such default which by its nature can be cured, such default shall continue for a period of twenty (20) days from its occurrence.

6.2 Rights and Remedies. Upon the occurrence of any Default, and at any time thereafter, Beneficiary and Trustee shall have all the following rights and remedies:

(a) With or without notice, to declare all Secured Obligations immediately due and payable in full.

(b) With or without notice, without releasing Trustor from any Secured Obligation and without becoming a mortgagee in possession, to cure any Default of Trustor and, in connection therewith: (i) to enter upon the Subject Property and to do such acts and things as Beneficiary or Trustee deems necessary or desirable to protect the security of this Deed of Trust, including without limitation, to appear in and defend any proceeding purporting to affect the security of this Deed of Trust or the rights or powers of Beneficiary or Trustee hereunder; (ii) to pay, purchase, contest or compromise any encumbrance, charge, lien or claim of lien which, in the judgment of either Beneficiary or Trustee, is senior in priority to this Deed of Trust, the judgment of Beneficiary or Trustee being conclusive as between the parties hereto; (iii) to obtain, and to pay any premiums or charges with respect to, any insurance required to be carried hereunder; and (iv) to employ counsel, accountants, contractors and other appropriate persons to assist them.

(c) To commence and maintain an action or actions in any court of competent jurisdiction to foreclose this Deed of Trust as a mortgage or to obtain specific enforcement of the covenants of Trustor under this Deed of Trust, and Trustor agrees that such covenants shall be specifically enforceable by injunction or any other appropriate equitable remedy. For the purposes of any suit brought under this subsection, Trustor waives the defenses of laches and any applicable statute of limitations.

(d) To apply to a court of competent jurisdiction for and obtain appointment of a receiver of the Subject Property as a matter of strict right and without regard to: (i) the adequacy of the security for the repayment of the Secured Obligations; (ii) the existence of a declaration that the Secured Obligations are immediately due and payable; or (iii) the filing of a notice of default; and Trustor consents to such appointment.

(e) To take and possess all documents, books, records, papers and accounts of Trustor or the then owner of the Subject Property; to make or modify Leases of, and other agreements with respect to, the Subject Property upon such terms and conditions as Beneficiary deems proper; and to make repairs, alterations and improvements to the Subject Property deemed necessary, in Trustee's or Beneficiary's judgment, to protect or enhance the security hereof.

(f) To execute or cause Trustee to execute a written notice of such Default and of its election to cause the Subject Property to be sold to satisfy the Secured Obligations. Trustee shall give and record such notice as the law then requires as a condition precedent to a trustee's sale. When the minimum period of time required by law after such notice has elapsed, Trustee, without notice to or demand upon Trustor, except as otherwise required by law, shall sell the Subject Property at the time and place of sale fixed by it in the notice of sale, at one or several sales, either as a whole or in separate parcels and in such manner and order, all as directed by Beneficiary in its sole discretion, at public auction to the highest bidder for cash, in lawful money of the United States, payable at the time of sale. Except as required by law, neither Trustor nor any other person or entity shall have the right to direct the order in which the Subject Property is sold. Subject to requirements and limits imposed by law, Trustee may postpone any sale of the Subject Property by public announcement at such time and place of sale, and from time to time may postpone such sale by public announcement at the time and place

fixed by the preceding postponement. Trustee shall deliver to the purchaser at such sale a deed conveying the Subject Property or portion thereof so sold, but without any covenant or warranty, express or implied. The recitals in said deed of any matters or facts shall be conclusive proof of the truthfulness thereof. Any person, including Trustee, Trustor or Beneficiary, may purchase at such sale.

(g) To resort to and realize upon the security hereunder and any other security now or later held by Beneficiary concurrently or successively and in one or several consolidated or independent judicial actions or lawfully taken non-judicial proceedings, or both, and to apply the proceeds received in accordance with the Section hereof entitled Application of Foreclosure Sale Proceeds, all in such order and manner as Beneficiary shall determine in its sole discretion.

(h) Upon sale of the Subject Property at any judicial or non-judicial foreclosure, Beneficiary may credit bid (as determined by Beneficiary in its sole discretion) all or any portion of the Secured Obligations. In determining such credit bid, Beneficiary may, but is not obligated to, take into account all or any of the following: (i) appraisals of the Subject Property as such appraisals may be discounted or adjusted by Beneficiary in its sole underwriting discretion; (ii) expenses and costs incurred by Beneficiary with respect to the Subject Property prior to foreclosure; (iii) expenses and costs which Beneficiary anticipates will be incurred with respect to the Subject Property after foreclosure, but prior to resale, including without limitation, costs of structural reports and other due diligence, costs to carry the Subject Property prior to resale, costs of resale (e.g., commissions, attorneys' fees, and taxes), Hazardous Materials clean-up and monitoring, deferred maintenance, repair, refurbishment and retrofit, and costs of defending or settling litigation affecting the Subject Property; (iv) declining trends in real property values generally and with respect to properties similar to the Subject Property; (v) anticipated discounts upon resale of the Subject Property as a distressed or foreclosed property; (vi) the existence of additional collateral, if any, for the Secured Obligations; and (vii) such other factors or matters that Beneficiary deems appropriate. Trustor acknowledges and agrees that: (A) Beneficiary is not required to use any or all of the foregoing factors to determine the amount of its credit bid; (B) this Section does not impose upon Beneficiary any additional obligations that are not imposed by law at the time the credit bid is made; (C) the amount of Beneficiary's credit bid need not have any relation to any loan-to-value ratios specified in any agreement between Trustor and Beneficiary or previously discussed by Trustor and Beneficiary; and (D) Beneficiary's credit bid may be, at Beneficiary's sole discretion, higher or lower than any appraised value of the Subject Property.

6.3 Application of Foreclosure Sale Proceeds. After deducting all costs, fees and expenses of Trustee, and of this trust, including costs of evidence of title and attorneys' fees in connection with a sale, all proceeds of any foreclosure sale shall be applied first, to payment of all Secured Obligations (including without limitation, all sums expended by Beneficiary under the terms hereof and not then repaid, with accrued interest at the highest rate per annum payable under any Secured Obligation), in such order and amounts as Beneficiary in its sole discretion shall determine; and the remainder, if any, to the person or persons legally entitled thereto.

6.4 Application of Other Sums. All Rents or other sums received by Beneficiary or any agent or receiver hereunder, less all costs and expenses incurred by Beneficiary or such agent or receiver, including reasonable attorneys' fees, shall be applied to payment of the Secured Obligations in such order as Beneficiary shall determine in its sole discretion; provided however, that Beneficiary shall have no liability for funds not actually received by Beneficiary.

6.5 No Cure or Waiver. Neither Beneficiary's, Trustee's or any receiver's entry upon and taking possession of the Subject Property, nor any collection of Rents, insurance proceeds, condemnation proceeds or damages, other security or proceeds of other security, or other sums, nor the application of any collected sum to any Secured Obligation, nor the exercise of any other right or remedy by Beneficiary, Trustee or any receiver shall impair the status of the security of this Deed of Trust, or cure or waive any breach, Default or notice of default under this Deed of Trust, or nullify the effect of any notice of default or sale (unless all Secured Obligations and any other sums then due hereunder have been paid in full and Trustor has cured all other Defaults), or prejudice Beneficiary or Trustee in the exercise of any right or remedy, or be construed as an affirmation by Beneficiary of any tenancy, lease or option of the Subject Property or a subordination of the lien of this Deed of Trust.

6.6 Costs, Expenses and Attorneys' Fees. Trustor agrees to pay to Beneficiary immediately upon demand the full amount of all payments, advances, charges and expenses, including court costs and reasonable attorneys' fees, expended or incurred by Trustee or Beneficiary pursuant to this Article 6, whether incurred at the trial or appellate level, in an arbitration proceeding or otherwise, and including any of the foregoing incurred in connection with any bankruptcy proceeding (including without limitation, any adversary proceeding, contested matter or motion brought by Beneficiary or any other person) relating to Trustor or in any way affecting any of the Subject Property or Beneficiary's ability to exercise any of its rights or remedies with respect thereto. All of the foregoing shall be paid by Trustor with interest from the date of demand until paid in full at the highest rate payable under any Secured Obligation.

6.7 Power to File Notices and Cure Defaults. Trustor hereby irrevocably appoints Beneficiary and its successors and assigns as Trustor's true attorney-in-fact to perform any of the following powers, which agency is coupled with an interest: (a) to execute and/or record any notices of completion, cessation of labor, or any other notices that Beneficiary deems appropriate to protect Beneficiary's interest; and (b) upon the occurrence of any event, act or omission which with the giving of notice or the passage of time, or both, would constitute a Default, to perform any obligation of Trustor hereunder; provided however, that Beneficiary, as such attorney-in-fact, shall only be accountable for such funds as are actually received by Beneficiary, and Beneficiary shall not be liable to Trustor or any other person or entity for any failure to act under this Section.

6.8 Remedies Cumulative; No Waiver. All rights, powers and remedies of Beneficiary and Trustee hereunder are cumulative and are in addition to all rights, powers and remedies provided by law or in any other agreements between Trustor and Beneficiary. No delay, failure or discontinuance of Beneficiary in exercising any right, power or remedy hereunder shall affect or operate as a waiver of such right, power or remedy; nor shall any single or partial exercise of any such right, power or remedy preclude, waive or otherwise affect any other or further exercise thereof or the exercise of any other right, power or remedy.

7. MISCELLANEOUS PROVISIONS.

7.1 No Merger. No merger shall occur as a result of Beneficiary's acquiring any other estate in, or any other lien on, the Subject Property unless Beneficiary specifically consents to a merger in writing.

7.2 Execution of Documents. This document may be executed in one or more counterparts, each of which will be deemed to be an original copy, and all of which, when taken together, will be deemed to constitute one and the same document.

This Deed of Trust shall be binding upon and inure to the benefit of the heirs, executors, administrators, legal representatives, successors and assigns of the parties hereto; provided, however, that this Section does not waive the provisions of the Section hereof entitled Due on Sale or Encumbrance. Beneficiary reserves the right to sell, assign, transfer, negotiate or grant participations in all or any part of, or any interest in, Beneficiary's rights and benefits under the Note, any and all other Secured Obligations and this Deed of Trust. In connection therewith, Beneficiary may disclose all documents and information which Beneficiary now has or hereafter acquires relating to the Subject Property, all or any of the Secured Obligations and/or Trustor and, as applicable, any partners, joint venturers or members of Trustor, whether furnished by any Trustor or otherwise.

7.7 Severability of Provisions. If any provision of this Deed of Trust shall be held to be prohibited by or invalid under applicable law, such provision shall be ineffective only to the extent of such prohibition or invalidity without invalidating the remainder of such provision or any remaining provisions of this Deed of Trust.
