RECORDED FOR EAGLE MOUNTAIN CITY

DEED OF PUBLIC UTILITY AND DRAINAGE EASEMENT

Grantor(s), hereby conveys and warrants to Eagle Mountain City, Utah, a municipal corporation of the state of Utah, (the City) Grantee, of Utah County, Utah, for good and valuable consideration, the receipt and adequacy of which is hereby acknowledged, a permanent public storm drainage Easement, utility Easement and right-of-way for the purpose of constructing, operating, maintaining and replacing one or more underground power distribution lines, telephone, television and communication system lines and optical fibers and natural gas pipelines within the area of the Easement granted herein for the use of the Grantee City as necessary and as may be permitted by the Grantee City for the benefit of adjoining properties and the Grantee City, over, across, through and under the premises of the Grantors situated in Utah County, Utah more specifically described on Exhibit 1 to this Easement ("the Easement").

Granting to the Grantee City a perpetual right to maintain the finished slope, grade and function of the storm drainage Easement and for ingress and egress to and from and along the Easement and with the right to remove obstacles and impediments to functional drainage, regrade and restore land surfaces to assure adequate storm and snowmelt waters, operate, maintain, repair, replace, augment and/or remove the facilities or other improvements as deemed necessary by the Grantee City for the operation of the facilities in the Easement. The Grantor(s) covenants that it and its successors in interest will not re-grade, change the land surface of the storm drainage Easement, construct or erect, or allow to be constructed or erected, any permanent landscaping, fencing, or other features of any kind or structure of any kind which may or could interfere with the function or use by the Grantee City of the Easement granted herein. The Grantor(s) agrees that the Grantee City may enter on the premises subject to this Easement and restore drainage grades, remove all obstructions, landscaping or improvements of any kind which may interfere with the use by the Grantee City of the Easement or facilities located in the Easement. The Grantor(s) specifically waives and releases the
