I understand that the sewer lateral from the building to the sewer is less than the minimum regulations required by Mt. Olympus Improvement District. For reasons sufficient to me and for my convenience, and with a full understanding that the line has not met the standard requirements of Mt. Olympus Improvement District, I hereby request permission to have this property connected to the sewer.

Specifically the fault is: **SHARED LATERALS AND SHARED PRIVATE MAIN LINE FOR COMPLEX**

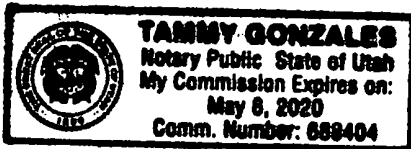

Instead of being required to dig up the line for inspection, I request permission to connect to the sewer system with the knowledge that I am fully responsible for any difficulty which may arise within such line. I agree to the recording of this document.
