### NONSUBORDINATION OF THE CITY'S INTEREST

The Authority intends to finance the Series 2020 Project by the issuance of the Series 2020 Bonds in accordance with the provisions of the Master Lease and Indenture; however, it is understood and agreed that only the Authority's leasehold interest in the Property will be used as security for the payment of the principal, premium, if any, and interest on such Series 2020 Bonds. In addition, it is understood that the Authority intends to assign its interest, as lessee, in and to this Ground Lease to the Trustee to secure the Series 2020 Bonds. The City hereby consents to such assignment.

## ARTICLE VIII

### TITLE; LIMITATIONS ON ENCUMBRANCES

Section 8.1 Title to the Property and the Series 2020 Project. Subject to the leasehold interest created hereby, title to the Property shall at all times be held in the name of the City. Except personal property purchased by the City at its own expense, title to the Series 2020 Project and any and all additions and modifications thereto and replacements thereof shall be held in the name of the Authority. The City shall have no right, title or interest in the Series 2020 Project or any additions and modifications thereto or replacements thereof, except its reversionary rights by law as lessor and except as expressly set forth herein and in the Master Lease. On termination of this Ground Lease, the City shall become the title owner of all improvements affixed to the Property, including the Series 2020 Project. The Authority agrees to execute such documents on termination of this Ground Lease as are required to convey said improvements to the City as herein provided.

Section 8.2 No Encumbrance, Mortgage or Pledge. The Authority may encumber by mortgage or deed of trust, and may convey, assign or sublease, its leasehold interest and estate in the Property, alone or together with its interests in the Series 2020 Project as a whole, for the benefit of the holders of the Series 2020 Bonds. The execution of any such mortgage, deed of trust, assignment or other instrument or the foreclosure thereof or any sale thereunder, either by judicial proceeding or by virtue of any power reserved in such mortgage, deed of trust, assignment or conveyance by the Authority for the benefit of the holders of the Series 2020 Bonds, or the exercising of any right, power or privilege set

forth therein, shall not be held as a violation of any of the terms or conditions hereof. The assignee or grantee of any conveyance or assignment of the Authority may, at its option, at any time before the rights of the Authority have been terminated as provided herein, pay any of the Rentals due hereunder or pay any taxes and assessments, or do any other act or thing required of the Authority by the terms hereof, or do any act or thing which may be necessary or proper to be done in the observance of the covenants and conditions thereof, or to prevent the termination hereof; all payments so made, and all things so done and performed by such party or entity shall be effective to prevent a forfeiture of the rights of the Authority hereunder as the same would have been if done and performed by said Authority.

With respect to special assessments or other governmental charges which may be lawfully paid in installments over a period of years, the Authority shall be obligated to pay such amounts only for such installments as are required to be paid during the Ground Lease Term. In the event that the Ground Lease Term extends beyond the date of termination of the Master Lease, the Authority shall also pay as the same respectively become due, all gas, water, steam, electricity, heat, power, telephone, utility and other charges incurred in the operation, maintenance, use, occupancy and upkeep of the Property.

The Authority may, at the expense and in the name of the Authority, in good faith contest any such taxes, assessments, utility and other charges and, in the event of any such contest, may permit the taxes, assessments or other charges so contested to remain unpaid during the period of such contest and any appeal therefrom. In the event that the Authority shall fail to pay any of the foregoing items required by this Section 9.2 to be paid by the Authority, the City may (but shall be under no obligation to) pay the same, which amounts, together with interest thereon at the rate of ten percent (10%) per annum, the Authority agrees to pay.

Except as otherwise provided in the Master Lease, if during the Ground Lease Term, the Series 2020 Project or any material portion thereof, shall be destroyed (in whole or in part), or damaged by fire or other casualty, the Net Proceeds of any insurance policy shall be deposited and utilized by the Trustee in accordance with the provisions of the Master Lease and the Indenture.

In the event that either party hereto shall default under any of the provisions hereof and the nondefaulting party shall employ attorneys or incur other expenses for the enforcement of performance or observance of any obligation or agreement on the part of the defaulting party herein contained, the defaulting party agrees that it shall on demand therefor pay to the nondefaulting party the fees of such attorneys and such other expenses so incurred by the nondefaulting party, to the extent that such attorney's fees and expenses may be determined to be reasonable by a court of competent jurisdiction; provided, however, that the obligation of the City under this Section 12.4 shall be subject to the availability of City Funds and the obligation of the Authority shall be subject to the legal availability of such funds.

Section 12.5 No Additional Waiver Implied by One Waiver. In the event that any agreement contained herein should be breached by either party and thereafter waived by the other party, such waiver shall be limited to the particular breach so waived and shall not be deemed to waive any other breach hereunder.
