**DEVELOPMENT AGREEMENT
NORTH LAKE SUBDIVISION, PLAT E
A PLANNED RESIDENTIAL DESIGN PROJECT**

ENT 136212:2002 PG 1 of 21
RANDALL A. COVINGTON
UTAH COUNTY RECORDER
2002 Nov 14 9:06 am FEE 0.00 BY SB
RECORDED FOR LEHI CITY

This Development Agreement is entered into as of this 2nd day of July, 2002, 2001, by and among the owners and developers of the North Lake Subdivision Plat E, (hereinafter "Developer") and Lehi City Corporation (the "City") as it relates to the development of a residential subdivision of real property within the corporate Limits of Lehi City, Utah County, Utah.

RECITALS

Whereas, the Developer has sought approval of a 41 lot Planned Residential Design Project designated as North Lake Subdivision, Plat E, a copy of which plat is attached hereto as Exhibit A; and,

Whereas, the City Council has authorized the negotiation and adoption of Development Agreements under appropriate circumstances where the proposed development contains various features which advance the policies, goals and objectives of the City's General Land Use Plan, Capital Improvements Plan, Parks and Open Space Plan, and other land use objectives as well as the Capital Improvements Plan; and

Whereas, the developer is willing to modify the design of the project and voluntarily agrees to dedicate open space for the preservation of natural areas, parks and related purposes and other considerations in order to promote the policies, goals and objectives of the City; and

Whereas, the City acting pursuant to its authority under Chapter 9 of Title 10 of the Utah Code, and in furtherance of its land use policies, goals, objectives, ordinances,

resolutions, and regulations has made certain determinations with respect to the density of the Planned Residential Design Project of North Lake Subdivision, Plat E, and in the exercise of its legislative discretion, has elected to approve this Development Agreement.

Now therefore, in consideration of the mutual covenants, conditions and considerations as more fully set forth below, the Developer and the City hereby agree as follows:

1. The Developer shall create and approve restrictive covenants for the subject subdivision project which shall be approved by the City and shall be incorporated herein by reference and recorded together with this Development Agreement and the subject subdivision plat. Said restrictive covenants shall be incorporated herein by reference and recorded together with this Development Agreement and the subject subdivision plat. Said restrictive covenants shall not be amended unless the proposed amendment is approved by Lehi City. The City shall be considered a beneficiary of said restrictive covenants and is hereby authorized to enforce the terms and provisions of the covenants through whatever means available and to the extent determined appropriate by the City. However, this agreement shall not be construed as placing a responsibility upon the City to enforce any of the restrictive covenants or requirements contained therein. Such enforcement shall be at the sole discretion of the City. (Exhibit B)

2. Lehi City recognizes that the developer has dedicated the required open space for the entire project including Plats A, B, C, D and E by warranty deed. That dedication will also be reflected in the Subdivision Plats A, B, C, D and E. (Exhibit C)

3. City owned utilities for North Lake Subdivision, Plat B and C must be completed

by the Developer prior to his installation of city owned utilities in North Lake Subdivision, Plat E.

4. The Developer and City acknowledge that because of recommendations from the East/West Corridor Study, the 1900 South corridor that goes through this project will be an 80 foot width.

5. The developer shall construct a six foot, semi-private vinyl fence with masonry pillars not more than 30 feet apart along the subdivision property line abutting 1900 South Street and 500 West Street.

6. The developer shall construct a 6 foot no-climb agricultural fence with 1-7/8" schedule 40 or equal posts with a 1-5/16" top rail along the north property line of the plat; lots 133-142 inclusive.

7. The developer shall construct an eight foot concrete sidewalk along 1900 South and 500 West adjacent to the development. Five feet of the eight foot sidewalk shall be traditional solid concrete with the remaining three feet to be stamped concrete or pavers which will permit easier access to underground utilities. The developer shall also implant two-inch caliper trees as approved by the Lehi City Parks Superintendent in tree boxes to be located between the back of curb and the standard sidewalk. The tree boxes are to have cast iron grates covering them with a drip system installed and the control box centrally located such that it will be accessible to Lehi City staff upon assuming maintenance of the sidewalk and trees. The trees are to be spaced on center between the masonry pillars on the fence.

8. The developer will not permit homes of the same elevation or a mirror image elevation to be constructed on adjacent lots or across the street from each other.

9. The developer will take such steps as are necessary to insure that all homes will be constructed of at least 70% brick, rock, stone, or stucco. Additionally, decorative street lights, mail boxes and street signs will be installed and paid for by the Developer.

10. Developer agrees to provide notification to all purchasers of the provisions of the Right to Farm chapter of the Lehi City Development Code as it relates to agricultural uses in the area such that all subsequent property owners and purchasers of building lots will be aware of the nature of the farming operations on surrounding properties and the intent to continue present agricultural operations. All individual lot buyers will be notified of the existing agricultural uses in the surrounding area with the following statements which will be included in the closing documents of the sale as well as on the recorded subdivision plat:

“This area is subject to the normal, everyday sounds, odors, sites, equipment, facilities, and any other aspects associated with an agricultural lifestyle. Future residents should also recognize the risks inherent with livestock.”

11. Nothing in this agreement shall limit the City’s future exercise of police power in enacting zoning, subdivision, development, transportation, environmental, open space, and related land use plans, policies, ordinances and regulations after the date of this agreement.

12. The developer will place the following disclosure on the plat and on all deeds of conveyance:

“This area has historically experienced high ground water levels and occasionally even surface flooding due to the rising of Utah Lake in wet years. Lehi City will not be responsible for damage resulting from high ground water or flooding.”

13. No basements will be allowed in this development due to the high water table.

14. The developer expressly acknowledges and agrees that nothing in this Development Agreement shall be deemed to relieve the developer from the obligation to comply with all applicable requirements of the City necessary for approval and recordation of subdivision plats and site plans for the project, including the payment of fees in compliance with all other applicable ordinances, resolutions, regulations, policies and procedures of the City including but not limited to the City's Development Code Ordinances and Design Standards and Public Improvement Specifications.

15. This Development Agreement shall be recorded against the property as described in Exhibit A hereto and shall be deemed to run with the land and shall be binding on all successors and assigns of the developer in the ownership or development of any portion of the property.

16. Neither this Development Agreement nor any provisions, terms, or conditions hereof can be assigned to any other party, individual or entity without assigning the rights as well as the responsibilities under this Development Agreement and without the prior written consent of the City, which shall not be unreasonably withheld. This requirement shall not apply to the sale of approved and platted lots within the subject subdivision.

17. This Development shall not create any joint venture, partnership, undertaking or business arrangement between the parties hereto, nor any rights or benefits to third parties.

18. If this Development Agreement or any of the exhibits hereto are breached, the party at fault agrees to pay attorney's fees and all costs of enforcement of the non-breaching party.

**COVENANTS, CONDITIONS AND RESTRICTIONS
OF
NORTH LAKE SUBDIVISION, LEHI, UTAH**

PLAT "E"

We, the undersigned, owners of the following described real property, to-wit:

Plat "E" of North Lake Subdivision do hereby make the following declarations as to limitations, restrictions and uses to which the lots of the North Lake Subdivision Plat " ", shall be put, hereby specifying that the said declaration shall constitute covenants to run with all of the land within the above mentioned plats as provided by law and shall be binding upon all of the parties and all persons claiming under them, and for the benefit of and limitations upon all future owners in the said addition, this declaration of restrictions being designated for the purpose of keeping the said subdivision desirable, uniform, and suitable in architectural and landscape design and use as herein specified.

A. AREA OF APPLICATION

The restrictions, covenants, and conditions as set forth below in their entirety shall apply to all property listed in the above described property.

B. ARCHITECTURAL AND LANDSCAPE COMMITTEE

In order to accomplish the purposes of these covenants, conditions, and restrictions an architectural and landscape committee is hereby established to oversee and enforce the covenants, conditions and restrictions set forth herein.

1. **Committee Member Qualifications:** The Architectural and Landscape Committee shall consist of three members according to the following criteria:
 - a. The initial members of the Committee are to consist of two representatives appointed by the owners as shown in this document and a representative appointed by the Lehi Planning Commission.
 - b. With the exception of the initial members, all members of the Committee must be residents at the time of their appointment.
2. **Committee Member Term:** The maximum term for an Architectural and Landscape Committee member shall be 24 consecutive months, with the following exceptions:

 18. **Site Materials:** No building material of any kind or character shall be placed or stored upon any lot until the owner thereof is ready to commence improvements, and then, the material shall be placed within the property lines of the plot upon which the improvements are to be erected and shall not be placed in the streets or between the curb and the property line.

19. **Easements:** Easement for installation and maintenance of utilities and drainage facilities are reserved as shown on the recorded plat. All power and telephone lines must be run underground.
20. **Animals:** Keeping of animals, other than those ordinarily kept as family pets, shall be forbidden.
21. **Nuisances:** Any noxious or offensive activity shall not be carried on upon any lot, nor shall anything be done thereon which may become an annoyance or nuisance to the neighborhood.
22. **Signs:** No signs, billboards nor advertising structures may be erected or displayed on any lots hereinbefore described or parts or portions thereof, except that a single sign, not more than 2x3 feet in size advertising a specific unit for sale or house for rent, or construction sign, may be displayed on the premises affected.
23. **Trash:** No trash, ashes nor any other refuse may be dumped or thrown on any lot hereinbefore described or any part of portion thereof. All homes must subscribe to city garbage service.
24. **Temporary Structures:** No structure of a temporary character, trailer, basement, tent, shack, garage, barn, or other out buildings shall be used on any lot at any time as a residence, either temporarily or permanently.
25. **Relocated Building and Modular Homes:** No building which was formerly located in another site shall be moved on to a lot in this project. Also, modular homes are restricted from being placed on a lot in this project.
26. **Satellite Dishes:** No satellite dishes or antennas shall be placed in the front set back or areas visible from the roadway. Any roof-mounted antenna or equipment is to be placed behind the roof ridgeline so as not to be visible from the roadway.
27. **Swamp Coolers:** Any roof -mounted equipment shall to be placed behind the roof ridgeline so as not to be visible from the roadway.
28. **Ground Water Level:** This area has historically experienced high ground water levels and occasionally even surface flooding due to the rising of Utah Lake in wet years. Lehi City will not be responsible for damage resulting from high ground water or flooding.

D. NEW BUILDING PROCEDURE

1. **Building Design:** To maintain a degree of protection to the investment which homeowners in this area may make, homes of customary design are requisite. Designs shall be limited to those prepared by architects licensed to practice in the State of Utah or by designers of outstanding ability whose previous work may be reviewed as a part of the approval process.
2. **Preliminary Plans:** (To be filed for approval and accepted before final plans are begun.) Preliminary plans shall include as minimum the following:
 - a. Plot plan to scale of entire site with buildings located and elevation of floors shown above or below a designated point on the street.

- b. Floor plans of each floor level to scale.
- c. Elevations to scale of all sides of the house.
- d. One major section through the house.
- e. A perspective (optional).

Outline specifications shall give basic structure system and outline all materials and colors to be used on the exterior of the residence.

3. **Final Plans:** (To be filed for approval and accepted by the Architectural Committee before construction is begun.) Final Plans shall include as a minimum the following:

- a. Plot plans to scale showing the entire site, buildings, garages, walks, drives and retaining walls, with elevations of the existing and finished grades and contours, including those at the outside corners of the buildings and at adjacent property lines and street fronts, and elevations of floors from a designated point on the street.
- b. Detailed floor plans.
- c. Detailed elevations, indicating all materials and colors and showing existing and finished grades.
- d. Detailed sections, cross and longitudinal.
- e. Details of cornices, porches, windows, doors, garage or carports, garden walls, steps, patios, etc.

Specifications shall give complete descriptions of materials to be used. Supplement these with a notation of the colors of all materials to be used on the exterior of the residence.

4. **Committee Procedure:** The members of the Committee in agreement that constitute a majority shall affix their signatures to any plans upon which the Committee has taken action, shall indicate the date of the action, and shall indicate the nature of the action(s). On occasions when a member of the Committee shall be in opposition, a majority of the three members shall govern.

- a. The Committee shall accept or reject:
 - 1. Preliminary Plans of proposed residences (as defined herein).
 - 2. Final Plans of proposed residences (as defined herein).
 - 3. Planning Problems or complaints by property owners.
- b. The Committee shall act within fourteen days on the preliminary plans, and place its action in writing to be held as a permanent record, with copies to the parties concerned.

- c. The final plans shall be delivered to the Committee, which shall accept or reject them within seven days and so notify the owner in writing.
- d. An owner whose plans are rejected shall meet with the Committee at the Committee's invitation where they shall be informed of the nature of the cause of the action so that steps can be taken toward obtaining approval of the plans.
- e. The Committee has the authority to judge buildings, materials, fences, painting, etc., on whatever basis available to it with the aim of preserving the best interests of the property owners represented. These shall include aesthetics, reasonable protection of view, permanence of materials, etc. All decisions of the Committee shall be final.
- f. In the event said Committee, or its designated representative, fails to approve or disapprove such design and location within thirty (30) days after such plans and specifications have been submitted to it, or in any event, if no suit to enjoin the erection of such building or the making of such alterations has been commenced prior to the completion thereof, such approval will not be required and this covenant will be deemed to have been complied with, provided the said structure shall conform to and be in harmony with existing structures in the tract and with the other provisions herein contained.
- g. An approval letter and signed building plans from the Architectural Review Committee will be required prior to Lehi City issuing a building permit.

E. GENERAL PROVISIONS

- 1. **Extent of Obligation:** The said covenants, conditions, restrictions and reservations shall be perpetual and shall apply to and be forever binding upon the grantees, successors, executors, administrators and assigns, and are imposed upon the land as an obligation and charge against the same for the benefit of the grantors herein named, their successors and assigns as a general plan for the benefit of the subdivision.
- 2. **Amendment:** The said covenants can be terminated or amended by agreement in writing signed by two-thirds of the property owners in the said tract and with the consent of Lehi City Council.
- 3. **Enforcement:** In the event of violation of any of these covenants, the Architectural, Landscape Committee or Lehi City is authorized and empowered to take such action as may be necessary to restrain or enjoin the violators of these covenants, it being understood and agreed by all of the signatories hereto that the cost, including attorney fees, of such enforcement shall be borne by property owners proportionately to the frontage each owns on any street in the subdivision.
- 4. **Variance:** The Architectural Committee shall not have the authority to override or allow any variance to the CC&R's. Any variance to the requirements of the CC&R's must be approved by Lehi City.
- 5. **Severability:** Invalidation of any one of these covenants by judgment or court order shall in nowise affect any of the other provisions, which shall remain in full force and effect.

WITNESS our hands this 15 day of JULY, 2002.
