IN AN EFFORT TO PROTECT THE SECURITY of this Deed of Trust, Assignment of Rents, Security Agreement and Fixture Filing, the parties do hereby agree as follows:

PAYMENT TERMS

PAYMENT GUARANTEE

TO SECURE to Lender the repayment of the indebtedness evidenced by Borrowers' Note dated April 15, 2021, and extensions and renewals thereof, in the principal sum of **Four Million One Hundred Sixty-Nine Thousand Five Hundred and 00/100 Dollars (\$4,169,500.00)**, with interest thereon, providing for monthly installments of principal and interest, with the balance of the indebtedness; the payment of all other sums, with interest thereon, advanced in accordance herewith to protect the security of this Deed of Trust; and the performance of the covenants and agreements of Grantor herein contained.

PAYMENT OF PRINCIPAL AND INTEREST

Grantor fully acknowledges and thus agrees to promptly pay the principal and interest indebtedness evidenced in the Note and late charges as provided in the Note.

PAYMENT OBLIGATION

The Grantor does hereby agree to pay any and all monies that are due and payable pursuant to this Deed of Trust and all additional amounts that are secured by this Deed of Trust without abatement (lowering the amount or rate), off-set or counterclaim. However, if the Grantor later makes a claim against the Lender, either by abatement, off-set or counterclaim, the Grantor herein agrees that any such claim filed shall not in any way reduce or postpone their obligation to pay all payments as provided for by this Trust.

PAYMENT APPLICATION

Any and all payments submitted by the Grantor and received by the Lender shall first be applied towards the payment of the interest calculated at the aforementioned Interest Rate, and the balance of the monies paid shall then be applied towards the payment of the Principal Amount. All received payments shall be applied in the order in which it became due and payable. However, in the event that the Grantor defaults on any payment the Lender shall then have the right to apply any payment received, while in default, as the Lender deems necessary.

ADDITIONAL CHARGES AND ENCUMBRANCES

Grantor shall perform all of Grantor's obligations under any mortgage, deed of trust or other security agreement with a lien which has priority over this Deed of Trust, including Grantor's covenants to make payments when due. It shall be the sole responsibility of the Grantor to ensure that all payments are made for any and all taxes, assessments, charges, fines, and all other obligations or impositions be attributable to the Property. Should any of the above mentioned items be titled as "Escrow Items", the Grantor must pay them in the manner outlined under "Escrow Funds."

RELEASE AND RECONVEYANCE

Once payment in full has been received for all the sums that have been secured by this Deed of Trust including, but not limited to, the Principal Amount and Interest, the Lender at that time will request the Trustee to reconvey (re-transfer) the Property and shall surrender this Deed of Trust and all notes evidencing indebtedness secured by this Deed of Trust to the named Trustee. The Trustee shall then reconvey said Property without warranty to the person or persons legally entitled to the Property. The "entitled" person or persons shall be solely responsible to pay any associated costs for the recording of said Property. In addition, the Lender reserves the right to charge "entitled" person or persons a fee for reconveying the Property. This fee only applies when said fee is first paid to a third party (such as the Trustee) for services rendered and the charging of the fee is permitted under Applicable Law.

SALE WITH CONSENT

The Trustee guarantees and states that they will not sell, transfer, assign, or otherwise dispose of all or any part of said Property or any interest in the Property without the prior written consent of

the Lender. Lender or Trustee shall mail copies of such notice in the manner prescribed by applicable law.

PROPERTY INSURANCE

The Grantor, shall be obligated to keep and maintain the improvements that now exist or may later be erected on the Property and that which shall be insured against loss by fire, any hazards which may be included within the term of "extended coverage," and any other such hazards which shall include, but are not limited to, earthquakes and floods, of which the Lender herein requires insurance. The Grantor has the right to select an insurance carrier of his/her choosing, so long as said insurance carrier meets the approval of the Lender, provided that such approval shall not be unreasonably withheld. Grantor shall be required to maintain a minimum coverage of insurance as determined by the Lender.

At any time, should the Grantor fail to maintain any of the prescribed coverage, the Lender then reserves the right to obtain said insurance coverage at the Grantor's expense. The Grantor herein acknowledges that the cost of the insurance obtained by the Lender may exceed the cost that the Grantor may have paid to obtain the same insurance coverage. Furthermore, any amounts that may have been paid by the Lender shall become an additional debt to the Grantor and therein secured by this Trust. In addition, any amounts which have been paid by the Lender shall incur interest at the herein stipulated Interest Rate, if any, from the date of payment and shall be payable, along with interest, upon written notice from the Lender to the Grantor requesting said payment.

Any insurance policy or renewal purchased by the Grantor, shall include the standard mortgage and/or trust clause and shall name the Lender as mortgagee and/or as an additional loss payee, and with any loss sustained to be payable to the Lender. Furthermore, the Grantor herein agrees to generally assign rights of the insurance proceeds to the Lender up to the outstanding loan balance. At the request of the Lender, the Grantor shall provide to the Lender: 1) a copy of the obtained insurance policy; 2) any and all receipts of paid premiums and renewal notices.

In the event of a loss, it shall be the obligation of the Grantor to provide prompt written notice to the acquired insurance carrier and to the Lender, as well. Lender may make proof of loss if not made promptly by Grantor. In addition, unless otherwise agreed to in writing by the Lender and Grantor, any insurance proceeds received must be applied to any restoration or repair of said property, as long as the restoration and/or repairs are deemed economically feasible. However, should the restoration and/or repairs be deemed not economically feasible, then the insurance proceeds shall be applied to the balance of this Trust, despite whether or not any balance of the Trust is due, and any excess, if any, shall be paid to the Grantor.

If the Property is abandoned by Grantor, or if Grantor fails to respond to Lender within 30 days from the date notice is mailed by Lender to Grantor that the insurance carrier offers to settle a

claim for insurance benefits, Lender is authorized to collect and apply the insurance proceeds at Lender's option either to restoration or repair for the Property or to the sums secured by this Deed of Trust.

PRESERVATION AND MAINTENANCE OF PROPERTY

Grantor shall keep the Property in good repair and shall not commit waste or permit impairment or deterioration of the Property and shall comply with the provisions of any lease if this Deed of Trust is on a leasehold.

OCCUPANCY, MAINTENANCE, AND REPAIR

The Grantor shall have the right to occupy, establish and/or use the Property as their principle residence upon the completion and execution of this Trust. The Grantor herein agrees not to allow the said Property to become abandoned and/or vacant without the prior written consent of the Lender. The Grantor has the obligation and responsibility to ensure the Property is not damaged, destroyed or compromised, nor allow the Property to become blighted, uninhabitable or allow waste to accumulate on said Property. Regardless of whether or not the Grantor inhabits said Property, it shall remain the Grantor's responsibility to maintain said Property and to ensure that it does not deteriorate or fall into disrepair, nor decrease in value due to its condition. Furthermore, the Grantor shall be responsible to ensure that prompt repairs, replacements and improvements are made to avoid the likelihood of further deterioration or damage that may occur.

In the event that it may become necessary, the Lender may make reasonable entry and/or inspections of the Property and premises. Should the Grantor neglect to maintain the Property in sound and good condition, or allow the Property to fall into a deteriorated state that would result in decreased property value, the Lender shall reserve the right to make such repairs and improvements deemed necessary to maintain the Property.

HAZARDOUS SUBSTANCES

The Grantor shall not cause, create nor permit the presence, use, disposal, storage or release of any type of hazardous material or substance in, on or around the Property. The types of hazardous materials would include, but are not limited to, any pollutants, toxic wastes, and any such substances that may be defined as toxic or hazardous substances as defined by environmental law, and shall also include the following types of substances: gasoline, kerosene, flammable or petroleum products, pesticides and herbicides, unstable solvents, any materials which may contain asbestos or formaldehyde, as well as any type of radioactive materials. In addition, the Grantor shall not permit anyone else to do anything which might adversely affect or negatively impact the value of said Property. The Grantor hereby agrees to promptly take all necessary, remedial actions in accordance with federal, state and/or local law and/or regulations with regards to any hazardous substances.
