ARTICLE IV

This Declaration contains covenants, conditions and restrictions relating to the Project which are and shall be enforceable equitable servitudes which shall run with the land and be binding

upon Declarant, its successors and assigns and upon all Unit Owners or subsequent Unit Owners, their grantees, mortgagees, successors, heirs, executors, administrators, devisees and assigns.

ARTICLE V

DESCRIPTION OF PROPERTY

a) Description of land. The land is that tract or parcel in Summit County, Utah more particularly described in Article I of this Declaration.

b) Description of Improvements. The buildings have been or will be constructed by the Declarant and are in accordance with the information contained in the Map. They consist of thirty-eight buildings containing a total of 130 Units. The buildings are of wood frame construction on concrete pads, with shingles or board exterior. All units are totally electric as to heating and appliances. Electricity is separately metered to each unit. Water, garbage and sewage disposal are not separately metered or billed and will be common area expenses. Units in Buildings 24 through 38 have garages. Each Unit has a separate electric water heater. The Project also includes landscaping, a swimming pool, tennis courts, and a recreational building located as shown in the Map and will be subject to the easements which are reserved through the Project and as may be required for utility services.

c) Description and Legal Status of Units. The Map and/or Exhibit B hereto shows the Unit Number of each Unit, its location, and the Common Areas and Facilities to which it has access. All Units shall be capable of being independently owned, encumbered and conveyed.

(1) Each Unit shall include that part of the building containing the Unit which lies within the boundaries of the Unit, which boundary shall be determined in the following manner:

(a) the upper boundary shall be the plane of the lower surface of the ceiling,

(b) the lower boundary shall be the plane of the upper surface of the floor; and

(c) the vertical boundaries of the Unit shall be (i) the interior surface of the outside walls of the building bounding a Unit; (ii) the center line of any non-bearing interior walls bounding a Unit; and (iii) the interior surface of any interior bearing walls bounding a Unit.

d) Common Areas and Facilities. Except as otherwise in this Declaration provided, the Common Areas and Facilities shall consist of the areas and facilities described in the definitions and constitute in general all of the parts of the Property except the Units. Without limiting the generality of the foregoing, the Common

Areas and Facilities shall include the following, whether located within the bounds of a Unit or not:

(1) all structural parts of the buildings including, without limitation, foundations, columns, joists, beams, supports, supporting walls, floors, ceilings and roofs;

(2) driveways, parking areas, lawns, shrubs, entrance ways, exterior stairways, service areas, the tennis courts, the swimming pool and recreation building with their related facilities.

(3) any utility pipe or line or system servicing more than a single Unit, and all ducts, wires, conduits, and other accessories used therewith;

(4) all other parts of the Property necessary or convenient to its existence, maintenance and safety, or normally in common use, or which have been designated as Common Areas and Facilities in the Map;

(5) all repairs and replacements of any of the foregoing.

ARTICLE VI

ALTERATIONS

For the one (1) year following the recordation hereof, the Declarant reserves the right to change the interior design and interior arrangement of any Unit and to alter the boundaries between Units, so long as the Declarant owns the Units so altered. Any change of the boundaries between units or of common areas shall be reflected by an amendment of this Declaration and of the Map which may be executed by the Declarant alone, notwithstanding the procedures for amendment described in Article XXVII of this Declaration. However, no such change shall increase the number of Units nor alter the boundaries of the Common Areas and Facilities without amendment of this Declaration and of the Map in the manner described in Article XXVII of this Declaration. If the boundaries between Units are altered, in the amendment related thereto the Declarants shall reapportion the percentage of ownership in the Common Areas and Facilities which are allocated to the altered Units on the basis of the change in floor space which results from the boundary alteration.

ARTICLE VII

STATEMENT OF PURPOSE AND RESTRICTION ON USE

a) Purpose. The purpose of the Condominium Project is to provide residential housing space for Unit Owners, their families, servants, guests and lessees and to provide parking and recreational space and facilities for use in connection therewith, all in accordance with the provisions of the Act.

b) Restrictions on Use. The Units and Common Areas and Facilities shall be used and occupied as hereinafter set forth.

(1) Except for Units retained by Declarant or its successor or assigns for use as Laundry Rooms, storage area or offices, each of the Units shall be occupied only by the Unit Owner(s), their family, servants, guests or lessees as a residence and for no other purpose. Each parking stall shall be used by the Unit Owner(s), their family, servants, guests, or lessees, for the parking or storage of operable motor vehicles, or such other items as the Management Committee may approve and for no other purpose. The Common Areas and Facilities shall be used only for the purposes for which they are intended in the furnishing of services and facilities for the enjoyment of the Units.

(2) Nothing shall be done or kept in any Unit or in the Common Areas and Facilities which will increase the rate of insurance on the buildings or contents thereof beyond that customarily applicable for residential use, or will result in the cancellation of insurance on the buildings, or the contents thereof, without the prior written consent of the Management Committee. No Unit Owner shall permit anything to be done or kept in his Unit or in the Common Areas and Facilities which is in violation of any law or regulation of any governmental authority.

(3) No Unit Owner shall cause or permit anything (including, without limitation, an awning, canopy, shutter, storm door, screen door, radio or television antenna) to hang, be displayed, be visible or otherwise be placed on the exterior walls or roof of any building or any part thereof, or on the outside of windows or doors, without the prior written consent of the Management Committee. No sign of any kind shall be displayed to the public view on or from any residential Unit or the Common Areas unless it is for the common benefit of all Unit owners.

(4) No noxious or offensive activity shall be carried on in any Unit or in the Common Areas and Facilities, nor shall anything be done therein, either willfully or negligently, which may be or become an annoyance or nuisance to the other Unit Owners or occupants.

(5) Nothing shall be done in any Unit or in, on, or to the Common Areas and Facilities which will impair the structural integrity of the buildings or any part thereof or which would structurally change the buildings or any part thereof except as is otherwise provided herein.

(6) No pets shall be allowed on any of the Common Areas in the Project, unless on leash or in its owners arms. No pet shall be allowed to defecate or urinate on any of the Common Areas.

BOOK 90 PAGE 879

(7) The Common Areas and Facilities shall be kept free and clear of all rubbish, debris and other unsightly materials.

(8) No admission fees, charges for use, leases or other income-generating arrangement of any type shall be employed or entered into with respect to any portion of the Common Areas and Facilities without the prior written consent of the Management Committee.

ARTICLE VIII

PERSON TO RECEIVE SERVICE OF PROCESS

The person to receive service of process in the cases provided herein or in the Act is Ronald J. Frasco, whose address is Unit 26-C Park West Condominiums, Summit County, Utah. The said person may be changed by the recordation by the Management Committee of an appropriate instrument.

ARTICLE IX

OWNERSHIP AND USE

a) Ownership of a Unit. Except with respect to any of the Common Areas and Facilities located within the bounds of a Unit, each Unit Owner shall be entitled to the exclusive ownership and possession of his Unit and to the ownership of an undivided interest in the Common Areas and Facilities in the percentage expressed in Exhibit B.

b) Nature of and Restrictions on Ownership and Use. Each Unit Owner shall have and enjoy the rights and privileges of fee simple ownership of his Unit. There shall be no requirements concerning who may own Units, it being intended that they may and shall be owned as any other property rights by persons, corporations, partnerships, or trusts and in the form of common tenancy. The Unit Owners may lease or rent their Units with their appurtenant rights subject to terms and conditions chosen solely by the Unit Owner and his lessee, except that all Unit Owners, their tenants and other occupants or users of the Project, shall be subject to the Act, this Declaration, the Bylaws, and all rules and regulations of the Association of Unit Owners and Management Committee.

c) Prohibition against Subdivision of Unit. Except as provided in Article VI above, no Unit Owner, by deed, plat or otherwise, shall subdivide or in any manner cause his Unit to be separated into physical tracts or parcels smaller than the whole Unit as shown on the Map.

d) Ownership of Common Areas and Facilities. The Common Areas and Facilities contained in the Project are described

and identified in Article V(d) of this Declaration. Said Common Areas and Facilities shall be owned by the Unit Owners as tenants-in-common. No percentage of undivided ownership interest in the Common Areas and Facilities shall be separated from the Unit to which it appertains; and even though not specifically mentioned in the instrument of transfer, such a percentage of undivided ownership interest shall automatically accompany the transfer of the Unit to which it relates. The Common Areas and Facilities shall be used only in a manner which is consistent with their community nature and with the use restrictions applicable to the Units contained in the Project.

e) Use of Common Areas and Facilities. Except with respect to Limited Common Areas, each Unit Owner may use the Common Areas and Facilities in accordance with the purpose for which they are intended, but subject to the Declaration and the Bylaws. This right of use shall be appurtenant to and run with each Unit.

f) Computation of Undivided Interest. The percentage of undivided ownership interest in the Common Areas and Facilities which is appurtenant to each Unit has been computed by determining the ratio between the square feet of floor space contained in such Unit (as set forth in Exhibit B) and the aggregate square footage of all Units in the Project (with such minor adjustments in some or all of the resulting percentage interests as may have been necessary to assure that the total undivided interest respecting the Project equals 100%). A Unit Owner's percentage of ownership interest in the Common Areas and Facilities shall be the same for all purposes, including voting and assessment of common expenses.

ARTICLE X

DRAPERIES ON EXTERIOR WINDOWS

Without the consent of the Management Committee, no Unit Owner shall install drapes which show through to the outside unless the color showing is white.

ARTICLE XI

VOTING - MULTIPLE OWNERSHIP

The vote attributable to and exercisable in connection with a Unit shall be the percentage of undivided ownership interest in the Common Areas and Facilities which is appurtenant to such Unit. In the event there is more than one Owner of a particular Unit, the vote relating to such Unit shall be exercised as such Owners may determine among themselves. A vote cast at any meeting by any of such Owners shall be conclusively presumed to be the vote attributable to the Unit concerned unless an objection is immediately made by another Owner of the same Unit. In the event such an objection is

made, the vote involved shall not be counted for any purpose whatsoever other than to determine whether a quorum exists.

ARTICLE XII

MANAGEMENT

a) Management Committee. The business, property and affairs of Park West Condominiums shall be managed, operated and maintained by the Management Committee as agent for the Unit Owners. The Management Committee shall, in connection with its exercise of any of the powers delineated in paragraphs (1) through (9) below, constitute a legal entity capable of dealing in its own name. The Management Committee shall have, and is hereby granted, the following authority and powers:

(1) the authority, without the vote or consent of the Unit Owners or of any other person(s), to grant or create, on such terms as it deems advisable, utility and similar easements, over, under, across and through the Common Areas and Facilities;

(2) the authority to execute and record, on behalf of all Unit Owners, any amendment to the Declaration or Map which has been approved by the vote or consent necessary to authorize such amendment;

(3) the power to sue and be sued;

(4) the authority to enter into contracts which in any way concern the Project, so long as any vote or consent of the Unit Owners necessitated by the subject matter of the agreement has been obtained;

(5) the power and authority to convey or transfer any interest in real property, so long as any vote or consent necessary under the circumstances has been obtained;

(6) the power and authority to purchase, otherwise acquire, and accept title to, any interest in real property, so long as such action has been authorized by any vote or consent which is necessary under the circumstances;

(7) the power and authority to add any interest in real property obtained pursuant to paragraph (6) above to the Condominium Project, so long as such action has been authorized by the necessary vote or consent;

(8) the authority to promulgate such reasonable rules, regulations, and procedures as may be necessary or desirable to aid the Committee in carrying out any of its functions or to insure that the project is maintained and used in a manner consistent with the interests of the Unit Owners; and

(9) the power and authority to perform any other acts and to enter into any other transactions which may be reasonably necessary for the Management Committee to perform its functions as agent for the Unit Owners.

Any instrument executed by the Management Committee that recites facts which, if true, would establish the Committee's power and authority to accomplish through such instrument what is purported to be accomplished thereby, shall conclusively establish said power and authority in favor of any person who in good faith and for value relies upon said instrument.

b) Composition of Management Committee. The Committee shall be composed of five (5) members. At each regular Owners' meeting, Committee members shall be elected for one-year terms. Only Unit Owners and officers and agents of Owners other than individuals shall be eligible for Committee membership. At the annual meeting, the Owner(s) of each Unit shall be entitled to the number of votes determined by multiplying the percentage of undivided ownership interest appurtenant to the Unit times the number of seats to be filled. Said votes may be voted in favor of as many candidates for Committee membership as the Owner(s) desire, or may be cumulated and voted for a lesser number of candidates; provided, however, that until the annual Owners' meeting held in November of 1977, Declarant alone shall be entitled to select three (3) of the five (5) Committee members. Notwithstanding the foregoing limitations, until the first annual meeting of the Owners, the members of the Committee, although numbering less than five (5), shall be the following persons and each shall hold the office indicated opposite his name:

J. E. Roberts, President

Ronald J. Frasco, Vice-President

Richard B. Reynolds, Secretary-Treasurer

Any Committee member who fails on three successive occasions to attend Committee meetings (whether regular or special) or who has not attended at least 75% of all Committee meetings (whether regular or special) held during any twelve-month period shall automatically forfeit his seat. In the event a Committee seat becomes vacant, whether by reason of forfeiture or due to another cause, the remaining Committee members shall elect a replacement to sit on the Committee until the expiration of the term for which the member being replaced was elected. Unless he forfeits or otherwise loses his seat as herein provided, a member shall serve on the Committee until his successor

is elected and qualifies. Committee members shall be reimbursed for all expenses reasonably incurred in connection with Committee business, but shall receive no additional compensation for their services as Committee members.

c) Responsibility. The Management Committee shall be responsible for the control, operation and management of the Project in accordance with the provisions of the Act, this Declaration, such administrative, management and operational rules and regulations as it may adopt from time to time as herein provided, and all agreements and determinations lawfully made and entered into by said Committee.

d) Approval Required. The Management Committee shall not, without the prior favorable vote or the written consent of the Owners of a majority interest in the undivided ownership of the Common Area, have the authority to purchase or sell any real property or add any property to the Common Area.

e) Name. The Management Committee shall be known as the Park West Condominiums Management Committee.

f) Manager. The Committee may carry out through a Project Manager any of its functions which are properly the subject to delegation. Any Manager so engaged shall be an independent contractor and not an agent or employee of the Committee, shall be responsible for managing the Project for the benefit of the Committee and the Unit Owners, and shall, to the extent permitted by law and the terms of the agreement with the Committee, be authorized to perform any of the functions or acts required or permitted to be performed by the Management Committee itself. Any agreement for professional management of the Project which may be entered into by the Management Committee or the Association shall call for a term not exceeding three (3) years and shall provide that such management agreement may be terminated by the Management Committee or by the Association upon not in excess of ninety (90) days written notice.

XIII

EASEMENTS

a) Each Unit shall be subject to such easements as may be necessary for the installation, maintenance, repair or replacement of any Common Areas and Facilities located within the boundaries of such Unit.

b) In the event that, by reason of the construction, reconstruction, settlement or shifting of any part of a building, any part of the Common Areas and Facilities encroaches or shall hereafter encroach upon any part of any Unit or any part of any Unit

encroaches or shall hereafter encroach upon any part of the Common Areas and Facilities or any other Unit, valid easements for such encroachment and the maintenance of such encroachment are hereby established and shall exist for the benefit of such Unit and the Common Areas and Facilities, as the case may be, so long as all or any part of the building containing any such Unit shall remain standing; provided, however, that in no event shall a valid easement for any encroachment be created in favor of any Unit Owner or in favor of the Unit Owners as owners of the Common Areas and Facilities if such encroachment occurred due to the willful conduct of such Unit Owner or Owners occurring after the date on which this Declaration is recorded.

ARTICLE XIV

CHANGE IN OWNERSHIP

The Management Committee shall maintain up-to-date records showing the name of each person who is an Owner, the address of such person, and the Unit which is owned by him. In the event of any transfer of a fee or undivided fee interest in a Unit either the transferor or transferee shall furnish the Management Committee with evidence establishing that the transfer has occurred and that the Deed or other instrument accomplishing the transfer is of record in the office of the County Recorder of Summit County, Utah. The Management Committee may for all purposes act and rely on the information concerning Owners and Unit ownership which is thus acquired by it or, at its option, the Management Committee may act and rely on current ownership information respecting any Unit or Units which is obtained from the office of the County Recorder of Summit County, Utah. The address of an Owner shall be deemed to be the address of the Unit owned by such person unless the Management Committee is otherwise advised.

ARTICLE XV

ASSESSMENTS

Every Unit Owner shall pay his proportionate share of the common expenses. Payment thereof shall be in such amounts and at such times as the Management Committee determines in accordance with the Act, the Declaration or the By-Laws. There shall be a lien for nonpayment of common expenses as provided in the Act.

In assessing Unit Owners, for capital improvements, no assessment for a single improvement in the nature of a capital expenditure exceeding the sum of \$10,000.00 shall be made without the same having been first voted on and approved by at least a majority of the Project's undivided ownership interest.

ARTICLE XVI

DESTRUCTION OR DAMAGE

In the event of destruction or damage of part or all of the improvements in the Condominium Project, the procedures of this section shall apply.

a) If proceeds of the insurance maintained by the Management Committee are alone sufficient to repair or reconstruct the damaged or destroyed improvement, such repair or reconstruction shall be carried out.

b) If less than 75% of the Project's improvements are destroyed or substantially damaged, and if proceeds of the insurance maintained by the Committee are not alone sufficient to accomplish repair or reconstruction, restoration shall be carried out and all of the Unit Owners shall be assessed for any deficiency on the basis of their respective appurtenant percentages of undivided ownership interest, said assessment becoming a lien on the Units as provided in the Act.

c) If 75% or more of the Project's improvements are destroyed or substantially damaged, and if proceeds of the insurance maintained by the Management Committee are not alone sufficient to accomplish restoration, and if the Unit Owners within 100 days after the destruction or damage by a vote of at least 75% of the entire undivided ownership interest in the Project elect to repair or reconstruct the affected improvements, restoration shall be accomplished in the manner directed under subsection (b) above.

d) If 75% or more of the Project's improvements are destroyed or substantially damaged, if proceeds of the insurance maintained by the Committee are insufficient to accomplish restoration, and if the Unit Owners do not, within 100 days after the destruction or damage and by a vote of at least 75% of the entire undivided ownership interest in the Project, elect to repair or reconstruct the affected improvements, the Management Committee shall promptly record with the Summit County Recorder a notice setting forth such facts. Upon the recording of such notice the provisions of subsections (1) through (4) of Section 57-8-31, Utah Code Annotated (1953), shall apply and shall govern the rights of all parties having an interest in the Project or any of the Units.

e) Any reconstruction or repair which is required to be carried out by this section shall be accomplished at the instance and direction of the Management Committee. Any determination which is required to be made by this section regarding the extent of damage to or destruction of Project improvements shall be made as follows:

The Management Committee shall select three M.A.I.

appraisers; each appraiser shall independently arrive at a figure representing the percentage of project improvements which have been destroyed or substantially damaged; the percentage which governs the application of the provisions of this section shall be the average of the two closest appraisal figures, or of all three if the spread between the highest and middle figure and the lowest and middle figure is the same.

ARTICLE XVII

TAXES

It is understood that under the Act each Unit, together with its percentage of undivided interest in the Common Areas and Facilities in the Project, is deemed a parcel and subject to separate assessment and taxation by each assessing unit and special district for all types of taxes authorized by law. Each Unit Owner will, accordingly, pay and discharge any and all taxes which may be assessed against his Condominium Unit.

ARTICLE XVIII

INSURANCE

a) Hazard Insurance. The Management Committee or Association of Unit Owners shall at all times maintain in force hazard insurance meeting the following requirements:

(1) A multi-peril type policy covering the entire Condominium Project (both Units and Common Areas and Facilities) shall be maintained. Such policy shall provide coverage against loss or damage by fire and other hazards covered by the standard extended coverage endorsement and by debris removal, cost of demolition, vandalism, malicious mischief, windstorm, water damage, and such other risks as customarily are covered with respect to condominium projects similar to the Project in construction, location, and use. As a minimum, such policy shall provide coverage on a replacement cost basis in an amount not less than that necessary to comply with any co-insurance percentage specified in the policy, but not less than eighty percent (80%) of the full insurable value of the Project (based upon replacement cost). Such policy shall include an "Agreed Amount Endorsement" or its equivalent, a "Demolition Endorsement" or its equivalent, and, if necessary or appropriate, an "Increased Cost of Construction Endorsement" or its equivalent, and a "Contingent Liability from Operation of Building Laws Endorsement" or its equivalent.

(2) If a steam boiler is or comes to be contained in the Project, there shall be maintained boiler explosion insurance and a broad form policy of repair and replacement boiler and machinery insurance, evidenced by the standard form of boiler and machinery insurance policy. Said insurance shall, as a minimum, provide coverage

in the amount of Fifty Thousand Dollars (\$50,000.00) per accident per location.

(3) If the Project is or comes to be situated in a locale identified by the Secretary of Housing and Urban Development as an area having special flood hazards and the sale of flood insurance has been made available under the National Flood Insurance Act of 1968, a "blanket" policy of flood insurance on the Condominium Project shall be obtained and maintained. The minimum amount of coverage afforded by such policy shall be the lesser of the maximum amount of insurance available under said Act or the aggregate of the unpaid principal balances of the Mortgages affecting the individual Units. Such policy shall be in the form of the standard policy issued by members of the National Flood Insurers Association or in the form of a policy which meets the criteria established by the Flood Insurance Administration.

(4) The named insured under each policy required to be maintained by the foregoing items (1), (2) and (3) shall be in form and substance essentially as follows: "The Management Committee and the Association of Unit Owners of the Park West Condominium Project, or their authorized representative, for the use and benefit of the individual Owners."

(5) Each such policy shall include the standard mortgagee clause (without contribution) which either shall be endorsed to provide that any proceeds shall be paid to the Management Committee or the Association of Unit Owners for the use and benefit of Mortgagees as their interests may appear or shall be otherwise endorsed to fully protect the interests of Mortgagees. In addition, the mortgagee clause shall provide that the insurance carrier shall notify each Mortgagee at least thirty (30) days in advance of the effective date of any reduction in or cancellation of the policy.

(6) Each such policy shall provide that notwithstanding any provision thereof which gives the carrier the right to elect to restore damage in lieu of making a cash settlement, such option shall not be exercisable if it is in conflict with any requirement of law or without the prior written approval of the Association.

b) Fidelity Insurance. The Management Committee or Association shall be authorized to maintain in force fidelity coverage against dishonest acts on the part of managers (and employees of managers), trustees, employees, officers, Committee members, or volunteers responsible for handling funds belonging to or administered by the Management Committee or Association of Unit Owners. The fidelity bond or insurance shall name the Association as the obligee or insured and shall be written in an amount sufficient to afford the protection reasonably necessary, but in no event less than one and one-half times (150%) the Project's estimated annual operating expenses and reserves. An appropriate endorsement to the policy

shall be secured to cover persons who serve without compensation if the policy would not otherwise cover volunteers.

c) Liability Insurance. The Management Committee or Association of Unit Owners shall at all times maintain in force a comprehensive policy of public liability insurance covering all of the Common Areas and Facilities. Such insurance shall include a "Severability of Interest Endorsement" or its equivalent which shall preclude the insurer from denying the claim of a Unit Owner because of negligent acts of other Owners, the Management Committee, or the Association of Unit Owners. The coverage afforded by such public liability insurance shall include protection against water damage liability, liability for non-owned and hired automobiles, liability for property of others, garage-keeper's liability (if applicable), and such other risks as customarily are covered with respect to condominium projects similar to the Project in construction, location, and use. The limits of liability under such insurance shall not be less than \$1,000,000.00 for all claims for personal injury and/or property damage arising out of a single occurrence.

d) General Requirements Concerning Insurance. Each insurance policy maintained pursuant to the foregoing Article XVIII Section (a) through (c) shall be written by an insurance carrier which is licensed to transact business in the State of Utah and which has a financial rating by Best's Insurance Reports of BBB+ or better. No such policy shall be maintained where: (1) under the terms of the carrier's charter, by-laws or policy, contributions may be required from, or assessments may be made against, a Unit Owner, a Mortgagee, the Management Committee, the Association of Unit Owners, a Unit, the Common Areas, or the Project; (2) by the terms of the carrier's charter, by-laws, or policy, loss payments are contingent upon action by the carrier's board of directors, policyholders, or members; (3) the policy includes any limiting clauses (other than insurance conditions) which could prevent the party entitled from collecting insurance proceeds; or (4) the policy provides that the insurance thereunder shall be brought into contribution with insurance purchased by the individual Unit Owners or their Mortgagees. Each such policy shall provide that: (a) coverage shall not be prejudiced by any act or neglect of the Unit Owners when such act or neglect is not within the control of the Association of Unit Owners or the Management Committee; (b) coverage shall not be prejudiced by any failure by the Association or Committee to comply with any warranty or condition with regard to any portion of the Project over which the Association and Committee have no control; (c) coverage may not be cancelled or substantially modified (including cancellation for nonpayment of premium) without at least thirty (30) days prior written notice to any and all insureds named therein, including any Mortgagee named as an insured; and (d) the insurer waives any right of subrogation it might have to any and all claims against the Association, the Management Committee, any Unit Owner, and/or

their respective agents, employees or tenants, and any defense it might have based upon co-insurance or upon invalidity arising from acts of the insured. If due to changed circumstances, excessive cost, or any other reason, any of the insurance coverage required to be obtained and maintained under Sections (a) through (c) of this Article XVIII cannot reasonably be secured, with respect to such coverage the Association or the Committee shall obtain and maintain such substitute, different or other coverage as may be reasonable and prudent under the circumstances as they then exist.

ARTICLE XIX

PAYMENT OF EXPENSES

a) Each Unit Owner shall pay the Management Committee his allocated portion of the cash requirement deemed necessary by the Management Committee to manage and operate the Condominium Project, upon the terms, at the time, and in the manner herein provided without any deduction on account of any set-off or claim which the Owner may have against the Management Committee or Association. If the Unit Owner shall fail to pay any installment within one month of the time when the same becomes due, the Owner shall pay interest thereon at the rate of eighteen percent (18%) per annum from the date when such installment shall become due to the date of the payment thereof.

b) The cash requirements above referred to for each year, or portion of the year, are hereby defined and shall be deemed to be such aggregate sum as the Management Committee from time to time shall determine, in its judgment, is to be paid by all the Owners of the Condominium Project then in existence to enable the Management Committee to pay all estimated expenses and outlays of the Management Committee to the close of such year, growing out of or in connection with the maintenance and operation of such land, buildings, and improvements; which sum may include, among other things, the cost of management, special assessments, fire, casualty, flood, fidelity, public liability and other insurance premiums, common lighting, landscaping and the care of the grounds, repairs and renovations to Common Areas and Facilities, snow removal, wages, water charges, natural gas charges and all other utility services (except telephone, electricity and other services which are separately billed or metered to the individual Units by the utility or party furnishing such service), legal and accounting fees, management fees, expenses and liabilities incurred by the Management Committee under or by reason of this Declaration, the payment of any deficit remaining from the previous period, the creation of a reasonable contingency or other necessary reserve or surplus fund, as well as all other costs and expenses relating to the Condominium Project. The Management Committee may, from time to time, up to the close of the year for which such cash

requirements have been so filed or determined, increase or diminish the amount previously fixed or determined for such year. It may include in the cash requirements for any year, any liabilities or items of expense which accrued or became payable in the previous year, or which might have been included in the cash requirements for a previous year, but were not included therein; and also any sums which the Management Committee may deem necessary or prudent to provide a reserve against liabilities or expenses then accrued or thereafter to accrue although not payable in that year.

c) The portion payable with respect to each Unit in and for each year or for a portion of a year shall be a sum equal to the aggregate amount of such cash requirements for such year, or portion of year, determined as aforesaid, multiplied by the percentage of undivided interest in the Common Areas and Facilities appurtenant to such Unit, as shown in Exhibit B. Such assessments, together with any additional sums accruing under this Declaration, shall be payable monthly in advance, or in such payments and installments as shall be provided by the Management Committee. The Management Committee has estimated that the Common Area expenses for the first year will be \$68,000.00. The monthly share initially attributable to each Unit is set forth on Exhibit B and constitutes the initial assessment. The first two months of the initial assessment are to be paid by the initial purchaser at the time of purchase. The foregoing is only an estimate, however, and may have to be revised as experience is accumulated.

d) The Management Committee shall have discretionary powers to prescribe the manner of maintaining and operating the Condominium Project and to determine the cash requirements of the Management Committee to be paid as aforesaid by the Owners under this Declaration. Every such reasonable determination by the Management Committee within the bounds of the Act, and this Declaration shall be final and conclusive as to the Owners, and any expenditures made by the Management Committee, within the bounds of the Act and this Declaration shall as against the Owner be deemed necessary and properly made for such purpose.

e) If an Owner shall at any time let or sublet his Unit and shall default for a period of one month in the payment of any assessments, the Management Committee may, at its option, so long as such default shall continue, demand and receive from any tenant or subtenant of the Owner occupying the Unit the rent due or becoming due and payment of such rent to the Management Committee shall be sufficient payment and discharge of such tenant or sub-tenant and the Owner to the extent of the amount so paid.

f) Each monthly assessment and each special assessment shall be separate, distinct and personal obligations of the Owner(s) of the Unit against which the same is assessed at the time the assessment is made and shall be collectible as such. Suit to recover a money judgment for unpaid common expenses may be maintained without foreclosure or waiving the lien (described hereafter) securing the same. The amount of any assessment, whether regular or special, assessed to a Unit plus interest at ten percent per annum, costs of action and reasonable attorney's fees, shall become a lien upon such Unit upon recordation of a notice of assessment as provided by the Act. The said lien for non-payment of common expenses shall have priority over all other liens and encumbrances, recorded or unrecorded, except only:

(1) tax and special assessment liens on the Unit in favor of any assessing unit, or special district; and

(2) encumbrances on the interest of the Unit Owner recorded prior to the date such notice is recorded which by law would be a lien prior to subsequently recorded encumbrances.

g) A certificate executed and acknowledged by the Manager or Management Committee stating the unpaid common expenses then outstanding with respect to a Unit shall be conclusive upon the Management Committee and the Owners as to the amount of such indebtedness on the date of the certificate, in favor of all persons who rely thereon in good faith, and such certificate shall be furnished to any Owner or encumbrancee or prospective Owner or encumbrancee of a Condominium Unit upon request at a reasonable fee initially not to exceed Ten Dollars (\$10.00). Unless the request for a certificate of indebtedness shall be complied with within ten (10) days, all unpaid common expenses which become due prior to the date of making of such request shall be subordinate to the lien or interest held by or obtained by the person making the request. Any encumbrancee holding a lien on a Condominium Unit may pay any unpaid Common Expenses payable with respect to such Condominium Unit and upon such payment that encumbrancee shall have a lien on that unit of the same rank as the lien of his encumbrance for the amounts paid.

h) Upon payment or other satisfaction of delinquent assessments concerning which a notice of assessment has been recorded the Management Committee shall cause to be recorded in the same manner as the notice of assessment a further notice stating the satisfaction and release of the lien thereof. Such lien for non-payment of assessment may be enforced by sale by the Management Committee or by a bank or trust company or title insurance company authorized by the Management Committee, such sale to be conducted in accordance with the provisions of the law applicable to the exercise of powers of sale or foreclosure in deeds of trust or

mortgages or in any other manner permitted by law. In any foreclosure or sale, the Unit Owner shall be required to pay the costs and expenses of such proceedings including reasonable attorney's fees.

i) In the event of foreclosure, the Unit Owner shall be required to pay a reasonable rental for the Condominium Unit and the plaintiff in the foreclosure action shall be entitled to the appointment of a receiver to collect the rental without regard to the value of the security. The Management Committee or Manager shall have the power to bid in the Condominium Unit at foreclosure or other sale and to hold, lease, mortgage and convey the Condominium Unit.

ARTICLE XX

MORTGAGEE PROTECTION

a) From and after the time a Mortgagee makes written request to the Management Committee or the Association of Unit Owners therefor, the Committee or the Association shall notify such Mortgagee in writing in the event that the Owner of the Condominium Unit encumbered by the mortgage held by such Mortgagee neglects for a period of thirty (30) or more days to cure any failure on his part to perform any of his obligations under this Declaration.

b) The lien or claim against a Condominium Unit for unpaid assessments or charges levied by the Management Committee or by the Association of Unit Owners pursuant to this Declaration or the Act shall be subordinate to a Mortgage affecting such Condominium Unit. A Mortgagee who comes into possession of the Condominium Unit pursuant to his Mortgage or a deed or assignment in lieu of foreclosure shall take the same free of such lien or claim for unpaid assessments or charges, but only to the extent of assessments or charges which accrue prior to foreclosure of the Mortgage, exercise of a power of sale available thereunder, or deed or assignment in lieu of foreclosure (except for claims for a pro rata share of such prior assessments or charges resulting from a pro rata reallocation thereof to all Condominium Units including the Condominium Unit in which the Mortgagee is interested). No assessment, charge, lien or claim which is described in the preceding sentence as being subordinate to a Mortgage or as not a burden to a Mortgagee coming into possession pursuant to his Mortgage or a deed or assignment in lieu of foreclosure shall be collected or enforced by either the Management Committee or the Association from or against a Mortgagee, a successor in title to a Mortgagee, or the Condominium Unit affected or previously affected by the Mortgage concerned (to the extent any such collection or enforcement would prejudice the interests of the

Mortgagee or successor in title to the Mortgagee interested in such Unit).

c) Unless all of the Mortgagees of the individual Condominium Units have given their prior written approval, neither the Management Committee nor the Association of Unit Owners shall be entitled, by act, omission, or otherwise:

(1) To abandon or terminate the Condominium Project or to abandon or terminate the arrangement which is established by this Declaration and the Record of Survey Map (except as provided in Article XVI hereof in the event of certain destruction or damage);

(2) To partition or subdivide any Unit;

(3) To abandon, partition, subdivide, encumber, sell or transfer all or any of the Common Areas and Facilities (except for the granting of easements for utilities and similar purposes consistent with the intended use of the Common Areas and except as provided in Article XVI hereof in the event of certain destruction or damage);

(4) To use hazard insurance proceeds resulting from damage to any part of the Condominium Project (whether to Units or to the Common Areas) for purposes other than the repair, replacement, or reconstruction of such improvements, except as provided in Article XVI hereof in the event of certain destruction or damage;

(5) To change the pro rata interests or obligations of any Unit which apply for (a) purposes of levying assessments or charges or allocating distributions of hazard insurance proceeds or condemnation awards and for (b) determining the pro rata share of ownership of each Unit in the Common Areas and Facilities;

(6) To alter the provisions of Article XVI hereof in such a way as to diminish the insurance protection required to be afforded to the parties designed to be protected thereby, or to fail to maintain the insurance coverage described therein.

d) Any Mortgagee shall have the right, at its request and expense and upon reasonable notice, to examine the books and records of the Management Committee, of the Association of Unit Owners, or of the Condominium Project. From and after the time a Mortgagee makes written request to the Management Committee or the Association of Unit Owners therefor, the Committee or the Association shall furnish to such Mortgagee copies of such annual operating reports

and other reports or writings summarizing or reflecting the financial position or history of the Condominium Project as may be prepared for distribution to or use by the Committee, the Association, or the Unit Owners.

e) To the extent the same is reasonably possible and practical and is not inconsistent with the significant interests of the Association of Unit Owners, the Management Committee and the Association shall establish an adequate reserve to cover the cost of reasonably predictable and necessary major repairs and replacements of the Common Areas and Facilities and shall cause such reserve to be funded by regular monthly or other periodic assessments against the Units rather than by special assessments.

f) From and after the time a Mortgagee makes written request to the Management Committee or the Association of Unit Owners therefor, the Committee or the Association shall notify such Mortgagee in writing in the event that there occurs any damage or loss to, or taking or anticipated condemnation of: (a) The Common Areas involving an amount in excess of, or reasonably estimated to be in excess of, Ten Thousand Dollars (\$10,000.00); or (b) Any Unit involving an amount in excess of, or reasonably estimated to be in excess of, One Thousand Dollars (\$1,000.00). Said notice shall be given within ten (10) days after the Management Committee or said Association learns of such damage, loss, taking or anticipated condemnation.

g) In the event another provision or clause of this Declaration deals with the same subject matter as is dealt with in any provision or clause of this Article XX, the provision or clause which results in the greatest protection and security for a Mortgagee shall control the rights, obligations, or limits of authority as the case may be, applicable to the Management Committee and Association of Unit Owners with respect to the subject concerned.

h) No amendment to this Article XX which has the effect of diminishing the rights, protection or security afforded to Mortgagees shall be accomplished or effective unless all of the Mortgagees of the individual Units have given their prior written approval to such amendment. Any amendment to this Article XX shall be accomplished by an instrument executed by the Management Committee and filed for record in the office of the Summit County Recorder. In any such instrument an officer of the Management Committee shall certify that any prior written approval of Mortgagees required by this Article XX as a condition to amendment has been obtained.

ARTICLE XXI

EMINENT DOMAIN

In the event that eminent domain proceedings are commenced

against the Project or any portion thereof, the provisions of §57-8-32.5, Utah Code Annotated (Supp. 1975) shall apply. The Management Committee shall give written notice of such proceedings to all Mortgagees of record. No first lien priority of any Mortgagee shall be diminished or otherwise disturbed by virtue of such proceedings.

ARTICLE XXII

MAINTENANCE

a) Each Owner of a Unit at his own expense shall keep the interior of such Unit and its equipment and appurtenances in good order, condition and repair and in a clean and sanitary condition, and shall do all redecorating and painting which may at any time be necessary to maintain the good appearance of such Unit. Except to the extent that the Management Committee on behalf of all Unit owners is protected by insurance against such injury, the Unit Owner shall repair all injury or damages to the Unit, building or buildings caused by the act, negligence or carelessness of the Unit Owner or that of any tenant or subtenant or any member of the Unit Owner's family or of the family of any tenant or subtenant or any agent, employee or guest of the Owner or his tenant or subtenant and all such repairs, redecorating and painting shall be of a quality and kind equal to the original work. In addition to decorating and keeping the interior of the Unit in good repair, the Unit Owner shall be responsible for the maintenance or replacement of any heating equipment, hot water equipment or plumbing fixtures that may be in or used exclusively by the Unit. Each Unit Owner shall be entitled to the exclusive use and possession of the Limited Common Areas appurtenant to his Unit and shall be responsible for the maintenance and upkeep of same; provided, however, that without the written permission of the Management Committee first had and obtained, a Unit Owner shall not make or permit to be made any structural alteration, in or to the Unit or in or to the exterior of the buildings, and shall not paint or decorate any portion of the exterior of the Unit or of the building in which the Unit is located.

b) Except as hereinafter provided, the Management Committee shall provide for such maintenance and operation of the Common Areas and Facilities as may be reasonably necessary to keep them clean, functional, attractive and generally in good condition and repair. The Management Committee shall have no obligation regarding maintenance or care of Units.

ARTICLE XXIII

RIGHT OF ENTRY

The Management Committee and its duly authorized agents

shall have the right to enter any and all of the Units in case of an emergency originating in or threatening such Unit or any other part of the Project, whether or not the Unit Owner or occupant thereof is present at the time. The Committee and its duly authorized agents shall also have the right to enter into any and all of said Units at all reasonable times as required for the purpose of making necessary repairs upon the Common Areas and Facilities of the Project or for the purpose of performing emergency installations, alterations or repairs to the mechanical or electrical devices or installations located therein or thereon; provided, however, such emergency installations, alterations or repairs are necessary to prevent damage or threatened damage to other Units in the Project; and provided further, that the Unit Owner affected by such entry shall first be notified thereof if available and if time permits.

ARTICLE XXIV

ADMINISTRATIVE RULES AND REGULATIONS

The Management Committee shall have the power to adopt and establish by resolution, such Project management and operational rules as it may deem necessary for the maintenance, operation, management and control of the Project. The Committee may, from time to time by resolution, alter, amend and repeal such rules. When a copy of any amendment or alteration or provision for repeal of any rule or rules has been furnished to the Unit Owners, such amendment, alteration or provision shall be taken to be a part of such rules. Unit Owners shall at all times obey such rules and see that they are faithfully observed by those persons over whom they have or may exercise control and supervision, it being understood that such rules shall apply and be binding upon all Unit Owners, tenants, subtenants or other occupants of the Units.

ARTICLE XXV

OBLIGATION TO COMPLY HEREWITH

Each Unit Owner, tenant, subtenant or other occupant of a Unit shall comply with the provisions of the Act, this Declaration, the Bylaws, and the rules and regulations, all agreements and determinations lawfully made and/or entered into by the Management Committee or the Unit Owners, when acting in accordance with their authority, and any failure to comply with any of the provisions thereof shall be grounds for an action by the Management Committee or other aggrieved party for injunctive relief or to recover any loss or damage resulting therefrom.

ARTICLE XXVI

INDEMNIFICATION OF MANAGEMENT COMMITTEE

Each member of the Management Committee shall be indemnified and held harmless by the Association of Unit Owners against all costs, expenses and liabilities whatsoever, including, without limitation, attorney's fees reasonably incurred by him in connection with any proceeding in which he may become involved by reason of his being or having been a member of said Committee; provided, however, the foregoing indemnification shall not apply if the loss, expense or liability involved resulted from the willful misconduct or gross negligence of the member.

ARTICLE XXVII

AMENDMENT

In addition to the amendment provisions contained in Article VI above, but subject to the terms of Article XX, this Declaration and/or the Map may be amended upon the affirmative vote or approval and consent of not less than 66.66 percent of the undivided interest in the Common Areas and Facilities. Any amendment so authorized shall be accomplished by recordation of an instrument executed by the Management Committee. In said instrument the Committee shall certify that the vote or consent required by this Article XXVII has occurred. Notwithstanding any other provision contained herein, until occurrence of either of the events referred to in Article XII, Section (b) hereof, no amendment to the Map or to any provision of this Declaration which has or may have the effect of diminishing or impairing any right, power, authority, privilege, protection or control given to Declarant (in its capacity as Declarant) herein shall be accomplished or effective unless the instrument through which such amendment is purported to be accomplished is consented to in writing by Declarant.

ARTICLE XXVIII

CONSENT IN LIEU OF VOTE

In any case in which the Act or this Declaration requires the vote of a stated percentage of the Project's undivided ownership interest for authorization or approval of a transaction, such requirement may be fully satisfied by obtaining, with or without a meeting, consents in writing to such transaction from Unit Owners who collectively hold at least the stated percentage of undivided ownership interest. The following additional provisions shall govern any application of this section:

a) all necessary consents must be obtained prior to the expiration of ninety (90) days after the first consent is

given by any Owner;

b) any change in ownership of a Unit which occurs after consent has been obtained from the Owner having an interest therein shall not be considered or taken into account for any purpose; and;

c) unless the consents of all Owners having an interest in the same Unit are secured, the consent of none of such Owners shall be effective.

ARTICLE XXIX

DECLARANT'S SALES PROGRAM

Notwithstanding any other provision of this Declaration, until Declarant ceases to be a Unit Owner or the expiration of two (2) years after the date on which this Declaration is filed for record in the office of the County Recorder of Summit County, Utah, whichever first occurs (hereinafter referred to as the "Occurrence"), Declarant shall have the following rights in furtherance of any sales, promotional, or other activities designed to accomplish or facilitate the sale of all Units owned by Declarant.

a) Declarant shall have the right to maintain a sales office and/or model Units. Such office and/or model Units may be Units (at any location) owned by Declarant.

b) Declarant shall have the right to maintain a reasonable number of promotional, advertising, and/or directional signs, banners or similar devices at any place or places on the Property, but any such device shall be of a size and in a location as is reasonable and customary.

c) Declarant shall have the right to use the Common Areas and Facilities of the Project to entertain prospective purchasers or to otherwise facilitate Unit sales, provided said use is reasonable as to both time and manner.

Declarant shall have the right from time to time to locate or relocate its sales office, model units, and/or signs, banners or similar devices, but in connection with each such location or relocation shall observe the limitations imposed by the preceding portion of this Article. Within a reasonable period of time after the happening of the Occurrence, Declarant shall have the right to remove from the Project any signs, banners or similar devices.

ARTICLE XXX

LIMITATION ON IMPROVEMENTS BY ASSOCIATION

Until the Occurrence described in Article XXIX, neither

the Association nor the Management Committee shall, without the written consent of Declarant, make any improvement to or alteration in any of the Common Areas and Facilities, other than such repairs, replacements, or similar matters as may be necessary to properly maintain the Common Areas as they existed at the time the declaration was recorded.

ARTICLE XXXI

SEVERABILITY

The invalidity of any one or more phrases, sentences, subparagraphs, paragraphs, sections or articles hereof shall not affect the remaining portions of this instrument nor any part thereof, and in the event that any portion or portions of this instrument should be invalid or should operate to render this instrument invalid, this instrument shall be construed as if such invalid phrase or phrases, sentence or sentences, subparagraph or subparagraphs, paragraph or paragraphs, section or sections, or article or articles had not been inserted.

ARTICLE XXXII

DECLARANT'S RIGHTS ASSIGNABLE

All of the rights of Declarant under this Declaration may be assigned or transferred either by operation of law or through a voluntary conveyance, transfer or assignment. Any Mortgage covering all Condominium Units in the Project, title to which is vested in the Declarant, shall, at any given point in time and whether or not such Mortgage does so by its terms, automatically cover, encumber, and include all of the then-unexercised or then unused rights, powers, authority, privileges, protections and controls which are accorded to Declarant (in its capacity as Declarant herein).

ARTICLE XXXIII

GENDER

The singular, wherever used herein, shall be construed to mean the plural when applicable, and the necessary grammatical changes required to make the provisions hereof apply either to corporations or individuals, male or female, shall in all cases be assumed as though in each case fully expressed.

ARTICLE XXXIV

WAIVERS

No provision contained in this Declaration shall be deemed

to have been waived by reason of any failure to enforce it, irrespective of the number of violations which may occur.

ARTICLE XXXV

TOPICAL HEADINGS

The topical headings contained in this Declaration are for convenience only and do not define, limit or construe the contents of the Declaration.

ARTICLE XXXVI

EXHIBIT C
BY-LAWS OF PARK WEST CONDOMINIUMS
A CONDOMINIUM PROJECT

I

IDENTITY

These are the By-Laws of Park West Condominiums, a Condominium Project, duly made and provided for in accordance with the Act. Any term used herein which is defined in the Declaration to which these By-Laws are appended shall have the meaning ascribed therein.

II

APPLICATION

All present or future owners, tenants, or any other persons who might use the facilities of Park West Condominiums in any manner are subject to the regulations set forth in these By-Laws. The mere acquisition or rental of any of the Units or parts thereof, or the mere act of occupancy or use of any of said Units or part thereof or the Common Areas and Facilities will signify that these By-Laws are accepted, ratified, and will be complied with by said persons.

III

ADMINISTRATION OF CONDOMINIUM PROJECT

1. Place of Meetings. Meetings of the Unit Owners shall be held at such place within the State of Utah as the Management Committee may specify in the notice, except as herein otherwise specified.
2. Annual Meetings. The first annual meeting of the Unit Owners shall be held at the Project on the first Thursday in November, 1977. Thereafter, the annual meetings shall be held on such day of each succeeding year; provided, however, that whenever such date falls on a legal holiday, the meeting shall be held on the next succeeding business day, and further provided that the Management Committee may by resolution fix the date of the annual meeting on such date or at such other place as the Management Committee may deem appropriate.
3. Special Meetings. Special meetings of the Association of Unit Owners may be called at any time by the Management Committee or by Unit Owners who collectively hold at least thirty (30) percent

BK 90 Pg 87B

of the total vote. Notice of said meetings shall be delivered not less than ten (10) days prior to the date fixed for said meeting. Such meeting shall be held on the Project or such other place as the Management Committee may specify and the notice thereof shall state the date, time and matters to be considered.

4. Notices. Any notice permitted or required to be delivered as provided herein may be delivered either personally or by registered mail. If delivery is by mail, it shall be deemed to have been delivered 72 hours after a copy of the same has been deposited in the United States Mail, postage prepaid, addressed to the United Owner concerned.

5. Quorum. At the meeting of the Unit Owners, the Owners of more than fifty (50) percent in the aggregate of interest in the undivided ownership of the Common Areas and Facilities shall constitute a quorum for any and all purposes, except in situations in which express provisions require a greater vote in which event a quorum shall be the percentage of interest required for such vote. In the absence of a quorum in person or by proxy, the meeting shall be adjourned for twenty-four (24) hours, at which time it shall reconvene and any number of unit owners present at such subsequent meeting, in person or by proxy, shall constitute a quorum. At any such adjourned meeting held as set forth above, any business may be transacted which might have been transacted at the meeting as originally noticed.

6. Voting. When a quorum is present at any meeting, the vote of the Unit Owners representing more than fifty (50) percent of the undivided interest present at the meeting either in person or represented by proxy, shall decide any question of business brought before such meeting, including the election of the Management Committee, unless the question is one upon which, by express provision of the Declaration or these By-Laws, a greater vote is required, in which case such express provision shall govern and control the decision of such question. All votes may be cast either in person or by proxy. All proxies shall be in writing, and must be of record with the secretary at least two days prior to the meeting at which they are used.

7. Waivers of Notice. Any Unit Owner may at any time waive any notice required to be given under these By-Laws, or by statute or otherwise. The presence of a Unit Owner in person at any meeting of the Unit Owners shall be deemed such waiver.

8. Time of Meeting. All meetings shall be held at 7:30 p.m. unless a notice of such meeting is duly delivered specifying a different time.

MANAGEMENT COMMITTEE

1. Powers. The business, property and affairs of the Condominium Project shall be managed and governed by the

Management Committee.

2. Election. The Management Committee shall be elected as provided in the Declaration.

3. Vacancies. Vacancies on the Management Committee shall be filled as provided in the Declaration.

4. Regular Meetings. A regular annual meeting of the Management Committee shall be held immediately after the adjournment of each annual meeting of the Unit Owners. Regular meetings, other than the annual meeting, shall or may be held at regular intervals at such places and at such times as either the president or the Management Committee may from time to time designate.

5. Special Meetings. Special meetings of the Management Committee shall be held whenever called by the president, vice president, or by two or more members. By unanimous consent of the Management Committee, special meetings may be held without call or notice at any time or place.

6. Quorum. A quorum for the transaction of business at any meeting of the Management Committee shall consist of a majority of the members of the Management Committee then in office.

7. Compensation. Members of the Management Committee as such, shall not receive any stated salary or compensation; provided that nothing herein contained shall be construed to preclude any member of the Management Committee from serving the Project in any other capacity and receiving compensation therefor.

8. Waiver of Notice. Before or at any meeting of the Management Committee, any member thereof may, in writing, waive notice of such meeting and such waiver shall be deemed equivalent to the giving of such notice. Attendance by a member of the Management Committee at any meeting thereof shall be a waiver of notice by him of the time and place thereof.

9. Adjournments. The Management Committee may adjourn any meeting from day to day or for such other time as may be prudent or necessary, provided that no meeting may be adjourned for longer than thirty days.

V

OFFICERS
