TO HAVE AND TO HOLD the same unto the said GRANTEE, its successors and assigns, so long as such Facilities shall be maintained, with the right of ingress and egress in the GRANTEE, its officers, employees, representatives, agents, and assigns to enter upon the above described property with such equipment as is necessary to install, maintain, operate, repair, inspect, protect, remove and replace the FACILITIES. During construction periods, GRANTEE and its contractors may use such portions of GRANTOR'S property along and adjacent to the easement as may be reasonably necessary in connection with the construction or repair of the Facilities. The contractor performing the work shall restore all property through which the work traverses, to as near its original condition as is reasonably possible. GRANTOR(S) shall have the right to use above described premises except for the purpose for which this right-of-way and easement is granted to the said GRANTEE, provided such use shall not interfere with the Facilities or with the discharge and conveyance of Sewer through said Facilities, or any other rights granted to the GRANTEE hereunder.

ENT 137703:2002 PG 2 of 2

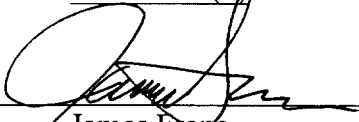

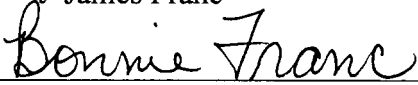

GRANTOR(S) shall not build or construct or permit to be built or constructed any building or other improvement, over or across this right-of-way and easement, nor change the contour thereof without the written consent of GRANTEE. This right-of-way and easement grant shall be binding upon and inure to the benefit of the successors and assigns of the GRANTOR(S) and the successors and assigns of the GRANTEE, and may be assigned in whole or in part by GRANTEE.

IN WITNESS WHEREOF, the GRANTOR(S) have executed their right-of-way and easement this 8 day of November, 2002.
