2. At such time as the adjacent property owner desires access, Property Owner agrees to grant the cross-access agreement and to execute all necessary documents to create the cross-access easement.
3. The easements to be created shall burden and benefit the parcels. The easements shall run with the land and shall be binding on and shall insure to the benefit of the property owners, their respective heirs, successors or assigns.
4. The easements to be created shall continue until expressly terminated by written agreement between the parties, their successors, or their assigns. Any agreement to terminate or modify the easements to be created shall be approved in writing by UDOT.
5. Property Owner agrees to make the necessary improvements to its property to allow the ingress and egress as set forth herein within a reasonable time after the creation of the cross-access easements.
6. Property Owner agrees to maintain the easement area that will be located in its property in a reasonable manner and at its sole expense.
7. Any violation or breach of this Agreement shall be considered a breach of the access permit, and UDOT shall have the authority to enforce this Agreement in any manner permitted by law.
8. This Agreement to create a cross access agreement shall be recorded with the Salt Lake County Register of Deeds.
