CCRI and the Association are at times referred to herein individually as a “Party,” and collectively as the “Parties.”

RECITALS

A. The Association is the owners association for the owners of condominium units in the Richards Court Condominiums (the “Condominium Project”). The Condominium Project, among other assets, consists of two high rise buildings. This Agreement pertains to the West building of these two buildings (the “West Building”) constructed and located in that airspace described on Exhibit A, attached hereto and incorporated herein by reference (the “Richards Court Property”).

B. CCRI is the owner of the air space (the “CCRI Airspace”) located immediately over and above that certain rooftop area over a portion of the third floor of the West Building, the horizontal boundaries of which portion are depicted with cross-hatching on Exhibit B, attached hereto and incorporated herein by this reference (the “Third Floor Rooftop Area”), and the vertical boundaries of which run from the surface of the roof of that portion of the West Building upward without limitation on height.

C. Further, CCRI is the owner of that certain real property located immediately west of and adjacent to the West Building, as more particularly described on Exhibit C (the “**Adjacent Property**,” and together with the CCRI Airspace, the “**Benefitted Property**”).

D. The Third Floor Rooftop Area encompasses and includes the exterior surface of the coterminous boundary between the CCRI Airspace and rooftop area over that portion of the third floor of the West Building as depicted on Exhibit B.

E. CCRI and the Association previously entered into that certain Residential Tower Airspace Lease, recorded in the Recorder’s Office of Salt Lake County, State of Utah, as Entry No. 10877767, in Book 9796, beginning at Page 5253, on January 12, 2010, as amended by that certain Amended and Restated Residential Tower Airspace Lease, recorded in the Recorder’s Office of Salt Lake County, State of Utah, as Entry No. 11622282, in Book 10129, beginning at Page 3744, on April 19, 2013 (the “**Lease**”).

F. CCRI and the Association have agreed that CCRI shall take legal ownership of the Third Floor Rooftop Area.

G. In order to accomplish the parties’ agreement to fully vest legal ownership of the Third Floor Rooftop Area in CCRI and establish the parties’ responsibilities related to the Boundary Improvements (defined below), the Parties have agreed to enter into this Agreement.

H. In addition to entering into this Agreement, the parties are concurrently entering into a First Amendment to Amended and Restated Residential Tower Airspace Lease (the “**Amendment**”).

TERMS AND CONDITIONS

NOW, THEREFORE, it is mutually covenanted and agreed, in consideration of the foregoing facts and circumstances, the covenants and conditions and mutual promises contained herein, by the Parties as follows:

1. **Declaration of Party Wall.** It is mutually agreed and declared by the Parties that the rooftop improvements located on the Third Floor Rooftop Area (the “**Boundary Improvements**”) shall be a “party wall” for the common benefit of both Parties, and the Parties covenant and agree one to the other that they shall not hereafter take a position or make any claims of right, title or interest in and to the Boundary Improvements, which is inconsistent with the declaration herein contained, nor shall they bring any action or make any claim for encroachment of the Boundary Improvements on the West Building or the CCRI Airspace. Notwithstanding anything herein provided to the contrary, it is mutually agreed that no part of the fee title ownership of the West Building or CCRI Airspace shall be transferred or conveyed in or by this Agreement.

2. **Grant of Easement; Use.** It is the parties’ intent that CCRI is and shall be the legal owner of the Third Floor Rooftop Area. The Association hereby grants to CCRI a perpetual easement on, over and across the Boundary Improvements for CCRI’s exclusive use, as more particularly described herein (the “**Easement**”). The Parties agree that the Boundary

Improvements and the Third Floor Rooftop Area shall be and may only be accessed by CCRI through the Benefitted Property and not through the West Building. CCRI shall be permitted to use the Boundary Improvements, the Easement, and the Third Floor Rooftop Area for any purpose permitted by law, including installing improvements and placing personal property on the Boundary Improvements and the Third Floor Rooftop Area, except that CCRI shall not allow any of the following to be done, or conditions to exist, on the Boundary Improvements or within the Third Floor Rooftop Area: (a) installation of any pool or hot tub; (b) any public or private nuisance; or (c) any violation of applicable federal, state and local laws, rules, regulations, ordinances, codes, statutes, decrees, mandates, edicts, or similar jurisdictional requirements. Subject to the terms and conditions of this Agreement, CCRI shall have the right to maintain, repair, alter, add to, and remodel the Boundary Improvements; provided, however, that any such activities shall not negatively affect (i) the functioning of the Boundary Improvements as a roof to the West Building or (ii) the interior surface or structural stability of the West Building, without the Association's prior written consent which may be withheld for any reason or no reason at all.

3. **Maintenance.** CCRI shall be solely responsible to maintain the Boundary Improvements and Third Floor Rooftop Area in good working order and in a condition equal to the condition as of the date of this Agreement. The Association shall be solely responsible for maintaining and repairing any structural element of the West Building, including, without limitation, those included in the Third Floor Rooftop Area which may cause injury or deterioration to the Boundary Improvements, unless such maintenance or repair is necessary to remedy or correct damage or a condition resulting from any action or inaction of CCRI, in which case CCRI shall be responsible for such maintenance or repair.

4. **Alterations and Additions.** Either Party may insert, join or otherwise fasten to or through the Boundary Improvements, its beams, cables, plaster, exterior finish, joists or other structural supports as may be necessary or desirable in connection with such Party's use, renovation or occupancy of its property described in this Agreement and any additions thereto so long as no such actions impair the structural soundness and integrity of the Boundary Improvements or the West Building as initially constructed and do not negatively affect the interior surface of the other Party unless such other Party's consent has been given in writing prior to any such action.

5. **Destruction, Removal and Rebuilding.** No Party shall have the right to tear down or otherwise remove the Boundary Improvements without the express written consent of the other. It is further agreed that in the case of damage or destruction of the Boundary Improvements by fire, accident or any other cause, including acts of God, this Agreement shall survive.

6. **Insurance.** The Association agrees to acquire and maintain Fire and Extended Coverage policies of insurance with a company or companies licensed and qualified to do business in the State of Utah, insuring the West Building as required by the Lease. CCRI shall maintain a commercial general liability insurance policy with a combined single limit covering bodily injury, personal injury and property damage and liability insurance (which insurance shall be primary and non-contributing) in an amount of not less than \$1,000,000 per occurrence and \$2,000,000 in the aggregate. CCRI shall be permitted to fulfill its insurance obligations described in this Section 6 via self-insurance.

7. **Covenants Running with the Land.** The Parties mutually agree that this Agreement, and the covenants and agreements herein contained, shall be perpetual and shall at all times be construed as covenants running with the Benefitted Property and the Richards Court Property, and that without further deed or act, the rights, duties and obligations herein contained shall pass to the person entitled by the terms hereof as an appurtenance to the Benefitted Property and the Richards Court Property; provided, however, that no part of the fee title to the land upon which the Boundary Improvements is erected shall pass to or from either Party to the other. Moreover, the covenants and easements created herein shall benefit the Benefitted Property and burden the Richards Court Property as described in this Agreement only so long as the Benefitted Property is owned or controlled by CCRI or a related entity.

8. **General.**

8.1 **Binding Effect.** This Agreement shall be binding upon and inure to the benefit of the Parties hereto and their respective heirs, legal representatives, successors in title, mortgagees, lessees and assigns.

8.2 **Headings and Interpretation.** The headings contained in this Agreement are for reference purposes only and shall not in any way affect the meaning or interpretation hereof, and whenever the context hereof shall so require, the singular shall include the plural, the male gender shall include the female gender and the neuter, and vice versa.

8.3 **Utah Law.** This Agreement shall be construed under and in accordance with the laws of the State of Utah as an agreement between residents and domiciliaries of the State of Utah and an agreement with respect to Utah real property.

8.4 **Severability.** In case any one or more of the provisions contained in this Agreement shall for any reason be held to be invalid, illegal or unenforceable in any respect, such invalidity, illegality or unenforceability shall not affect any other provision hereof, and this Agreement shall be construed as if such invalid, illegal or unenforceable provision had never been contained herein.

8.5 **Time of Essence.** Time is of the essence of this Agreement and for performance of the covenants and agreements herein contained.

8.6 **Remedies and Attorneys' Fees.** Should any Party hereto fail or neglect to perform in accordance with the terms of this Agreement, the non-defaulting Party shall be entitled to all remedies as may be available at law or in equity, including, but not limited to, specific performance, injunctive relief, contribution, the right of set-off, the return of money advanced and damages, all of which shall be cumulative, and should any Party hereto employ an attorney or attorneys to enforce any of the provisions hereof or to protect its interest in any manner arising under this Agreement, or to recover damages for the breach of this Agreement, the non-prevailing party shall pay to the prevailing party all reasonable costs, damages and expenses, including attorneys' fees, expended or incurred in connection therewith.

8.7 **Recording of Agreement.** This Agreement shall be recorded in the Salt Lake County Recorder's office.

8.8 **Amendment.** This Agreement may be amended only in writing by the signatures the owners of the Benefitted Property and by the Association. Such Amendment shall be valid from and after the date it is recorded in the office of the Salt Lake County Recorder.
